

BELMONT HOUSING RESOURCES FOR WNY MODERATE REHABILITATION ASSISTANCE VACANCY LISTINGS AS OF MAY 15, 2012

The apartments listed below have rental assistance that is “attached” to the unit rather than to the tenant. This means that if you rent one of these apartments, you will receive help paying your rent, but only for the period you live in the unit. Should you wish to relocate you must do so without the rental assistance, since the assistance stays with the unit for use by the next eligible renter. **If you are currently receiving a Voucher, you may not use it in any of the Moderate Rehabilitation apartments listed below.**

You don’t need to apply to the waiting list for this program. All you have to do is contact the landlord to inquire about these vacancies. If the landlord selects you to rent the apartment, he/she will provide you with an application to complete and submit to Belmont Housing Resources for WNY. Upon receipt of the application we will contact you to discuss and determine your eligibility for rental assistance.
