OVERVIEW OF THE PROGRAM AND PLAN

INTRODUCTION

The PHA receives its funding for the Housing Choice Voucher (HCV) program from the Department of Housing and Urban Development. The PHA is not a federal department or agency. A public housing agency (PHA) is a governmental or public body, created and authorized by state law to develop and operate housing and housing programs for low-income families. The PHA enters into an Annual Contributions Contract (ACC) with HUD to administer the program requirements on behalf of HUD. The PHA must ensure compliance with federal laws, regulations, and notices. The PHA must also establish policy and procedures to clarify federal requirements and to ensure consistency in program operation.

The Erie County PHA Consortium (through Amherst, the lead town in the Consortium) has contracted with Belmont Housing Resources for WNY, a not-for-profit corporation, for the purpose of administering the Housing Choice Voucher Programs.

This plan refers throughout to “Public Housing Agency” or “PHA” as the entity administering the HCV programs. Since Belmont Housing Resources for WNY administers the programs on behalf of the Erie County PHA Consortium, “Public Housing Agency” and “PHA” mean Belmont Housing Resources for WNY unless otherwise noted.

This chapter contains information about the PHA administration of its programs via Belmont Housing Resources for WNY with emphasis on the HCV program. It also contains information about the purpose, intent, and use of the plan and guide.

There are three parts to this chapter:

Part I: The Public Housing Agency (PHA). This part includes a description of the PHA, its jurisdiction, its programs, and its mission and intent.

Part II: The HCV Program. This part contains information about the Housing Choice Voucher program operation, roles and responsibilities, and partnerships.

Part III: The HCV Administrative Plan. This part discusses the purpose and organization of the plan and its revision requirements.

PART I: THE PHA

1-I.A. OVERVIEW

The New York State Constitution grants each city, town, and village the authority to perform its own housing activities. It further authorizes these local municipalities to band together and contract jointly for the provision of low-income housing. In keeping with this grant of authority, and in recognition of the serious need for housing assistance for low- and moderate-income households, the Erie County PHA Consortium was established in 1976. Its boundaries and the extent of its scope were the same as that of the already existing Erie County Community Development Consortium. Individual municipalities established local public housing agencies (PHAs) and entered a cooperative arrangement for participation in the Section 8 rent assistance program for "Existing Housing," as it was then called. The Erie County Department of Planning initially organized the program and submitted the first funding application. The Town of Amherst volunteered to meet the HUD requirement that one municipality act as "Applicant PHA." Over the years, the Erie County Department of Planning's role has changed to that of member of the advisory steering committee.

Since 1977, the Applicant PHA (the Town of Amherst) has contracted on behalf of the PHA Consortium with Belmont Housing Resources of WNY, a not-for-profit corporation initially organized for the sole purpose of administering the HCV programs. While the administration of the HCV programs continues to make up the majority of its activities, Belmont has expanded its services to include the development and management of affordable housing, homeownership counseling, and technical assistance to communities to preserve their existing housing stock.

All of the program administration and day-to-day operations, including in-take, certification, orientation, unit search, landlord negotiations, and inspections are performed by Housing Programs staff under the supervision of the Vice President for Housing Programs. The Finance and Administration unit, under the supervision of the Chief Financial Officer, manages all accounting, financial, and computer functions associated with the programs including housing assistance payments, budgets, requisitions, audits, and reporting to HUD.

1-I.B. ORGANIZATION AND STRUCTURE OF THE PHA

The HCV tenant-based Housing Choice Voucher (HCV) assistance program is funded by the federal government and administered by the **Belmont Housing Resources for WNY** for the jurisdiction covered by the Erie County PHA Consortium.

The officials of an Erie County PHA are known as commissioners, or collectively, as the board of commissioners. Commissioners are appointed in accordance with state housing law and generally serve in the same capacity as the directors of a corporation, establishing policies under which the PHA conducts business, ensuring that policies are followed by PHA staff, and ensuring that the PHA is successful in its mission. The board is responsible for preserving and expanding the agency's resources and assuring the agency's continued viability.

Formal actions of the PHA are taken through written resolutions, adopted by the board of commissioners, and entered into the official records of the PHA.

The principal staff member of the contracted PHA (Belmont Housing Resources for WNY) is the executive director (ED), hired and appointed by the board of Belmont Housing Resources for WNY. The executive director is directly responsible for carrying out the policies established by the board and is delegated the responsibility for hiring, training, and supervising the PHA staff in order to manage the day-to-day operations of the PHA. The executive director is responsible for ensuring compliance with federal and state laws and directives for the programs managed. In addition, the executive director's duties include budgeting and financial planning for the agency.

1-I.C. PHA MISSION

The purpose of a mission statement is to communicate the purpose of the agency to people inside and outside of the agency. It provides guiding direction for developing strategy, defining critical success factors, searching out key opportunities, making resource allocation choices, satisfying clients and stakeholders, and making decisions.

PHA Policy

As the agent for the Erie County PHA Consortium, we at Belmont Housing Resources for WNY are dedicated to expanding affordable housing opportunities. The mission provides the social justification for our existence. We are in business to meet these great social needs which continue to grow.

1-I.D. THE PHA'S PROGRAMS

The following programs are included under this administrative plan:

PHA Policy

The PHA's administrative plan is applicable to the operation of the Housing Choice Voucher program. In addition, the administrative plan addresses policies for the following special programs:

Single room occupancy (SRO)

Congregate housing

Group home

Cooperative housing (excluding families that are not cooperative members)

Manufactured home (where family owns the home and leases the space)

Homeownership

1-I.E. THE PHA’S COMMITMENT TO ETHICS AND SERVICE

As a public service agency, the PHA is committed to providing excellent service to HCV program participants, owners, and to the community. The PHA’s standards include:

- Administer applicable federal and state laws and regulations to achieve high ratings in performance measurement indicators while maintaining efficiency in program operation to ensure fair and consistent treatment of clients served.
- Provide decent, safe, and sanitary housing – in compliance with program housing quality standards – for very low income families while ensuring that family rents are fair, reasonable, and affordable.
- Encourage self sufficiency of participant families and assist in the expansion of family opportunities which address educational, socio-economic, recreational and other human services needs.
- Promote fair housing and the equal opportunity for very low-income families of all ethnic backgrounds to experience freedom of housing choice.
- Promote a housing program which maintains quality service and integrity while providing an incentive to private property owners to rent to very low-income families.
- Promote a market-driven housing program that will help qualified low-income families be successful in obtaining affordable housing and increase the supply of housing choices for such families.
- Create positive public awareness and expand the level of family, owner, and community support in accomplishing the PHA’s mission.
- Attain and maintain a high level of standards and professionalism in day-to-day management of all program components.
- Administer an efficient, high-performing agency through continuous improvement of the PHA’s support systems and a high level of commitment to our employees and their development.

The PHA will make every effort to keep program participants informed of HCV program rules and regulations, and to advise participants of how the program rules affect them.

PART II: THE HOUSING CHOICE VOUCHER (HCV) PROGRAM

1-II.A. OVERVIEW AND HISTORY OF THE PROGRAM

The intent of this section is to provide the public and staff with information related to the overall operation of the program. There have been many changes to the program since its inception in 1974 and this brief history will assist the reader to better understand the program.

The United States Housing Act of 1937 (the “Act”) is responsible for the birth of federal housing program initiatives. The Act was intended to provide financial assistance to states and cities for public works projects, slum clearance, and the development of affordable housing developments for low-income residents.

The Housing and Community Development (HCD) Act of 1974 created a new federally assisted housing program – the Section 8 Existing program (also known as the Section 8 Certificate program). The HCD Act represented a significant shift in federal housing strategy from locally owned public housing to privately owned rental housing.

Under the Certificate program, federal housing assistance payments were made directly to private owners who made rental housing available to lower-income families. Eligible families were able to select housing in the private rental market. Assuming that the housing met certain basic physical standards of quality (“housing quality standards”) and was within certain HUD-established rent limitations (“fair market rents”), the family would be able to receive rental assistance in the housing unit. Family contribution to rent was generally set at 30 percent of the family’s adjusted income, with the remainder of the rent paid by the program.

Another unique feature of the Certificate program was that the rental assistance remained with the eligible family if the family chose to move to another privately-owned rental unit that also met program requirements (in contrast to the public housing program where the rental assistance remains with the unit, should the family decide to move). Consequently, the Certificate program was characterized as tenant-based assistance, rather than unit-based assistance.

The Housing and Community Development (HCD) Act of 1987 authorized a new version of tenant-based assistance – the Section 8 Voucher program. The Voucher program was very similar to the Certificate program in that eligible families were able to select housing in the private rental market and receive assistance in that housing unit.

However, the Voucher program permitted families more options in housing selection. Rental housing still had to meet the basic housing quality standards, but there was no fair market rent limitation on rent. In addition, family contribution to rent was not set at a limit of 30 percent of adjusted income. Consequently, depending on the actual rental cost of the unit selected, a family might pay more or less than 30 percent of their adjusted income for rent.

From 1987 through 1999, public housing agencies managed both the Certificate and Voucher tenant-based assistance programs, with separate rules and requirements for each. From 1994 through 1998, HUD published a series of new rules, known as “conforming” rules, to more closely combine and align the two similar housing programs to the extent permitted by the law.

In 1998, the Quality Housing and Work Responsibility Act (QHWRA) – also known as the Public Housing Reform Act – was signed into law. QHWRA eliminated all statutory differences between the Certificate and Voucher tenant-based programs and required that the two programs be merged into a single tenant-based assistance program, now known as the Housing Choice Voucher (HCV) program.

The HCV program was modeled closely on the pre-merger Voucher program. However, unlike the pre-merger Voucher program, the HCV program requires an assisted family to pay at least 30 percent of adjusted income for rent.

The transition of assistance from the Certificate and Voucher programs to the new HCV program began in October 1999. By October 2001, all families receiving tenant-based assistance were converted to the HCV program.

On July 29, 2016, the Housing Opportunity Through Modernization Act of 2016 (HOTMA) was signed into law. HOTMA made numerous changes to statutes governing HUD programs, including sections of the United States Housing Act of 1937. Title I of HOTMA contains 14 different sections that impact the public housing and Section 8 programs. The Final Rule implementing broad changes to income and assets in Sections 102 and 104 of HOTMA, and for PHAs that administer the public housing program over-income provisions in Section 103, was officially published in the *Federal Register* on February 14, 2023. On September 29, 2023, HUD issued notice PIH 2023-27, which provided guidance to PHAs on the implementation of the program changes described in the Final Rule.

1-II.B. HCV PROGRAM BASICS

The purpose of the HCV program is to provide rental assistance to eligible families. The rules and regulations of the HCV program are determined by the U.S. Department of Housing and Urban Development. The PHA is afforded choices in the operation of the program which are included in the PHA's administrative plan, a document approved by the board of commissioners of the PHA.

The HCV program offers mobility to eligible families because they may search for suitable housing anywhere in the PHA's jurisdiction and may also be eligible to move under portability to other PHAs' jurisdictions.

When a family is determined to be eligible for the program and funding is available, the PHA issues the family a housing voucher. When the family finds a suitable housing unit and funding is available, the PHA will enter into a contract with the owner and the family will enter into a lease with the owner. Each party makes their respective payment to the owner so that the owner receives full rent.

Even though the family is determined to be eligible for the program, the owner has the responsibility of approving the family as a suitable renter. The PHA continues to make payments to the owner as long as the family is eligible and the housing unit continues to qualify under the program.

1-II.C. THE HCV PARTNERSHIPS

To administer the HCV program, the PHA enters into a contractual relationship with HUD (Consolidated Annual Contributions Contract). The PHA also enters into contractual relationships with the assisted family and the owner or landlord of the housing unit.

For the HCV program to work and be successful, all parties involved – HUD, the PHA, the owner, and the family – have important roles to play. The roles and responsibilities of all parties are defined in federal regulations and in legal documents that parties execute to participate in the program.

The chart on the following page illustrates key aspects of these relationships.

The HCV Relationships:

What Does HUD Do?

HUD has the following major responsibilities:

- Develop regulations, requirements, handbooks, notices, and other guidance to implement HCV housing program legislation passed by Congress;
- Allocate HCV program funds to PHAs;
- Provide technical assistance to PHAs on interpreting and applying HCV program requirements;
- Monitor PHA compliance with HCV program requirements and PHA performance in program administration.

What Does the PHA Do?

The PHA administers the HCV program under contract with HUD and has the following major responsibilities:

- Establish local policies to administer the program;
- Review applications from interested applicants to determine whether they are eligible for the program;
- Maintain a waiting list and select families for admission;
- Issue vouchers to eligible families and provide information on how to lease a unit;
- Conduct outreach to owners, with special attention to owners outside areas of poverty or minority concentration;
- Approve the rental unit (including assuring compliance with housing quality standards and rent reasonableness), the owner, and the tenancy;
- Make housing assistance payments to the owner in a timely manner;
- Recertify families for continued eligibility under the program;
- Ensure that owners and families comply with their contractual obligations;
- Provide families and owners with prompt, professional service;
- Comply with all fair housing and equal opportunity requirements, HUD regulations and requirements, the ACC, HUD-approved applications for funding, the PHA's administrative plan, and other applicable federal, state, and local laws.

What Does the Owner Do?

The owner has the following major responsibilities:

- Screen families who apply for tenancy, to determine suitability as renters.
 - The PHA can provide some information to the owner, but the primary responsibility for tenant screening rests with the owner.
 - The owner should consider family background factors such as rent and bill-paying history, history of caring for property, respecting the rights of others to peaceful enjoyment of the property, compliance with essential conditions of tenancy, whether the family is engaging in drug-related criminal activity or other criminal activity that might threaten others.
- Comply with the terms of the Housing Assistance Payments contract executed with the PHA;
- Comply with all applicable fair housing laws and do not discriminate against anyone;
- Maintain the housing unit in accordance with Housing Quality Standards (HQS)/NSPIRE and make necessary repairs in a timely manner;
- Collect rent due from the assisted family and otherwise comply with and enforce provisions of the dwelling lease.

What Does the Family Do?

The family has the following responsibilities:

- Provide the PHA with complete and accurate information as determined by the PHA to be necessary for administration of the program;
- Make their best and most timely efforts to locate qualified and suitable housing;
- Attend all appointments scheduled by the PHA;
- Allow the PHA to inspect the unit at reasonable times and after reasonable notice;
- Take responsibility for care of the housing unit, including any violations of housing quality standards caused by the family;
- Comply with the terms of the lease with the owner;
- Comply with the family obligations of the voucher;
- Not commit serious or repeated violations of the lease;
- Not engage in drug-related or violent criminal activity;
- Notify the PHA and the owner before moving or terminating the lease;
- Use the assisted unit only for residence and as the sole residence of the family. Not sublet the unit, assign the lease, or have any interest in the unit;
- Promptly notify the PHA of any changes in family composition;
- Not commit fraud, bribery, or any other corrupt or criminal act in connection with any housing programs.

- 24 CFR Part 8: Nondiscrimination
- 24 CFR Part 35: Lead-Based Paint
- 24 CFR Part 100: The Fair Housing Act

PART III: THE HCV ADMINISTRATIVE PLAN

1-III.A. OVERVIEW AND PURPOSE OF THE PLAN

The administrative plan is required by HUD. The purpose of the administrative plan is to establish policies for carrying out the programs in a manner consistent with HUD requirements and with local goals and objectives contained in the PHA's agency plan. This administrative plan is a supporting document to the PHA agency plan and is available for public review as required by CFR 24 Part 903.

This administrative plan is set forth to define the PHA's local policies for operation of the housing programs in accordance with federal laws and regulations. All issues related to the HCV program not addressed in this document are governed by such federal regulations, HUD handbooks and guidebooks, notices, and other applicable laws. The policies in this administrative plan have been designed to ensure compliance with the consolidated ACC and all HUD-approved applications for program funding.

The PHA is responsible for complying with all changes in HUD regulations pertaining to the HCV program. If such changes conflict with this plan, HUD regulations will have precedence.

Administration of the HCV program and the functions and responsibilities of PHA staff shall be in compliance with the PHA's personnel policy and HUD regulations as well as all federal, state, and local fair housing laws and regulations.

1-III.B. CONTENTS OF THE PLAN [24 CFR 982.54]

The HUD regulations at 24 CFR 982.54 define the policies that must be included in the administrative plan. They are as follow:

- Selection and admission of applicants from the PHA waiting list, including any PHA admission preferences, procedures for removing applicant names from the waiting list, and procedures for closing and reopening the PHA waiting list (Chapter 4);
- Issuing or denying vouchers, including PHA policy governing the voucher term and any extensions of the voucher term. If the PHA decides to allow extensions of the voucher term, the PHA administrative plan must describe how the PHA determines whether to grant extensions, and how the PHA determines the length of any extension (Chapter 5);
- Any special rules for use of available funds when HUD provides funding to the PHA for a special purpose (e.g., desegregation), including funding for specified families or a specified category of families (Chapter 4);

- Occupancy policies, including definition of what group of persons may qualify as a 'family', definition of when a family is considered to be 'continuously assisted'; standards for denying admission or terminating assistance based on criminal activity or alcohol abuse in accordance with 982.553 (Chapters 3 and 12);
- Encouraging participation by owners of suitable units located outside areas of low income or minority concentration (Chapter 13);
- Assisting a family that claims that illegal discrimination has prevented the family from leasing a suitable unit (Chapter 2);
- Providing information about a family to prospective owners (Chapters 3 and 9);
- Disapproval of owners (Chapter 13);
- Subsidy standards (Chapter 5);
- Family absence from the dwelling unit (Chapter 12);
- How to determine who remains in the program if a family breaks up (Chapter 3);
- Informal review procedures for applicants (Chapter 16);
- Informal hearing procedures for participants (Chapter 16);
- The process for establishing and revising voucher payment standards, including policies on administering decreases in the payment standard during the HAP contract term (Chapter 16);
- The method of determining that rent to owner is a reasonable rent (initially and during the term of a HAP contract) (Chapter 8);
- Special policies concerning special housing types in the program (e.g., use of shared housing) (Chapter 15);
- Policies concerning payment by a family to the PHA of amounts the family owes the PHA (Chapter 16);
- Interim redeterminations of family income and composition (Chapter 11);
- Restrictions, if any, on the number of moves by a participant family (Chapter 10);
- Approval by the board of commissioners or other authorized officials to charge the administrative fee reserve (Chapter 16);
- Procedural guidelines and performance standards for conducting required housing quality standards inspections (Chapter 8);
- PHA screening of applicants for family behavior or suitability for tenancy (Chapter 3);
- Policies governing the project-basing of vouchers in the standard Project-Based Voucher (PBV) program (Chapter 17)
- Special policies governing any special purpose vouchers issued by the PHA (Chapter 19).

Mandatory vs. Discretionary Policy

HUD makes a distinction between:

- Mandatory policies: those driven by legislation, regulations, current handbooks, notices, and legal opinions, and
- Optional, non-binding guidance, including guidebooks, notices that have expired, and recommendations from individual HUD staff.

HUD expects PHAs to adopt local policies and procedures that are consistent with mandatory policies in areas where HUD gives the PHA discretion. The PHA's administrative plan is the foundation of those policies and procedures. HUD's directions require PHAs to make policy choices that provide sufficient guidance to staff and ensure consistency to program applicants and participants.

Creating policies based upon HUD guidance is not mandatory but provides a PHA with a "safe harbor." HUD has already determined that the recommendations and suggestions it makes are consistent with mandatory policies. If a PHA adopts an alternative strategy, it must make its own determination that the alternative approach is consistent with legislation, regulations, and other mandatory requirements. There may be very good reasons for adopting a policy or procedure that is different than HUD's safe harbor, but PHAs should carefully think through those decisions.

1-III.C. ORGANIZATION OF THE PLAN

The plan is organized to provide information to users in particular areas of operation.

1-III.D. UPDATING AND REVISING THE PLAN

The PHA will revise this administrative plan as needed to comply with changes in HUD regulations. The original plan and any changes must be approved by the board of commissioners of the agency, the pertinent sections included in the Agency Plan, and a copy provided to HUD.

PHA Policy

The PHA will review and update the plan as needed, to reflect changes in regulations, PHA operations, or when needed to ensure staff consistency in operation.

Chapter 2

FAIR HOUSING AND EQUAL OPPORTUNITY

INTRODUCTION

This chapter explains the laws and HUD regulations requiring PHAs to affirmatively further civil rights and fair housing in all federally assisted housing programs. The letter and spirit of these laws are implemented through consistent policy and processes. The responsibility to further nondiscrimination pertains to all areas of the PHA's housing choice voucher (HCV) operations.

This chapter describes HUD regulations and PHA policies related to these topics in three parts:

Part I: Nondiscrimination. This part presents the body of laws and regulations governing the responsibilities of the PHA regarding nondiscrimination.

Part II: Policies Related to Persons with Disabilities. This part discusses the rules and policies of the housing choice voucher program related to reasonable accommodation for persons with disabilities. These rules and policies are based on the Fair Housing Act (42.U.S.C.) and Section 504 of the Rehabilitation Act of 1973, and incorporate guidance from the Joint Statement of The Department of Housing and Urban Development and the Department of Justice (DOJ), issued May 17, 2004.

Part III: Prohibition of Discrimination Against Limited English Proficiency Persons. This part details the obligations of the PHA to ensure meaningful access to the HCV program and its activities by persons with limited English proficiency (LEP). This part incorporates the Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition against National Origin Discrimination Affecting Limited English Proficient Persons published January 22, 2007, in the *Federal Register*.

PART I: NONDISCRIMINATION

2-I.A. OVERVIEW

Federal laws require PHAs to treat all applicants and participants equally, providing the same opportunity to access services, regardless of family characteristics and background. Federal and State law prohibits discrimination in housing on the basis of race, color, religion, sex, national origin, age, familial status, and disability. In addition, HUD regulations provide for additional protections regarding sexual orientation, gender identity, and marital status. The PHA will comply fully with all federal, state, and local nondiscrimination laws, and with rules and regulations governing fair housing and equal opportunity in housing and employment, including:

- Title VI of the Civil Rights Act of 1964
- Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)
- Executive Orders 11063 and 13988
- Section 504 of the Rehabilitation Act of 1973

- The Age Discrimination Act of 1975
- Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)
- The Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity Final Rule, published in the *Federal Register* February 3, 2012 and further clarified in Notice PIH 2014-20
- Violence Against Women Act (VAWA)

When more than one civil rights law applies to a situation, the laws will be read and applied together.

Any applicable state laws or local ordinances and any legislation protecting individual rights of tenants, applicants, or staff that may subsequently be enacted will also apply.

PHA Policy

It is the policy of the PHA to comply to the extent possible with all Federal, State, and local nondiscrimination laws and with the rules and regulations governing Fair Housing and Equal Opportunity in housing and employment.

The PHA shall not deny any family or individual the opportunity to apply for or receive assistance under the HCV Programs on any legally recognized basis including but not limited to race, color, sex, religion, creed, national or ethnic origin, age, family status, handicap or disability.

To further its commitment to full compliance with applicable Civil Rights laws, the PHA will provide Federal/State/local information to participants regarding discrimination and any recourse available to them if they are victims of discrimination. Such information will be made available during the family briefing session, and applicable Fair Housing Information and Discrimination Complaint Forms will be made a part of the family's briefing packet.

Except as otherwise provided in 24 CFR 8.21(c)(1), 8.24(a), 8.25, and 8.31, no individual with disabilities shall be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination because the PHA's facilities are inaccessible to or unusable by persons with disabilities.

2-I.B. NONDISCRIMINATION

Federal regulations prohibit discrimination against certain protected classes and other groups of people. State and local requirements, as well as PHA policies, can prohibit discrimination based on other factors.

The PHA shall not discriminate because of race, color, sex, religion, familial status, age, disability or national origin (called "protected classes").

Familial status includes children under the age of 18 living with parents or legal custodians, pregnant women, and people securing custody of children under the age of 18.

The PHA will not discriminate on the basis of marital status, gender identity, or sexual orientation [FR Notice 02/03/12; Executive Order 13988].

PHA Policy

As per NYS Anti-Discrimination Act protected classes include race, creed, color, national origin, sexual orientation, military status, sex, age, marital status, domestic violence victim status, disability, pregnancy-related condition, predisposing genetic characteristics, prior arrest or conviction record, familial status, and gender identity. The PHA shall not discriminate based on any of the forementioned protected classes.

The PHA will not use any of these factors to:

- Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to participate in the housing choice voucher program
- Provide housing that is different from that provided to others
- Subject anyone to segregation or disparate treatment
- Subject anyone to sexual harassment
- Restrict anyone's access to any benefit enjoyed by others in connection with the housing program
- Treat a person differently in determining eligibility or other requirements for admission
- Steer an applicant or participant toward or away from a particular area based any of these factors
- Deny anyone access to the same level of services
- Deny anyone the opportunity to participate in a planning or advisory group that is an integral part of the housing program
- Discriminate in the provision of residential real estate transactions
- Discriminate against someone because they are related to or associated with a member of a protected class
- Publish or cause to be published an advertisement or notice indicating the availability of housing that prefers or excludes persons who are members of a protected class

Providing Information to Families and Owners

The PHA must take steps to ensure that families and owners are fully aware of all applicable civil rights laws. As part of the briefing process, the PHA must provide information to HCV applicant families about civil rights requirements and the opportunity to rent in a broad range of neighborhoods [24 CFR 982.301]. The Housing Assistance Payments (HAP) contract informs owners of the requirement not to discriminate against any person because of race, color, sex, religion, familial status, age, disability or national origin.

2-I.C. DISCRIMINATION COMPLAINTS

General Housing Discrimination Complaints

If an applicant or participant believes that any family member has been discriminated against by the PHA or an owner, the family should advise the PHA. The PHA should make every reasonable attempt to determine whether the applicant's or participant's assertions have merit and take any warranted corrective action.

In all cases, the PHA will advise the family that they may file a fair housing complaint if the family feels they have been discriminated against under the Fair Housing Act.

PHA Policy

Applicants or participants who believe that they have been subject to unlawful discrimination may notify the PHA either orally or in writing.

Within 10 business days of receiving the complaint, the PHA will investigate and attempt to remedy discrimination complaints made against the PHA. The PHA will also advise the family of their right to file a fair housing complaint with HUD's Office of Fair Housing and Equal Opportunity (FHEO). The fair housing poster, posted in conspicuous and accessible locations in PHA lobbies, will reference how to file a complaint with FHEO.

The PHA will keep a record of all complaints, investigations, notices, and corrective actions. (See Chapter 16.)

Complaints under the Equal Access Final Rule [Notice PIH 2014-20]

Notice PIH 2014-20 requires an articulated complaint process for allegations of discrimination under the Equal Access Final rule. The Equal Access Final Rule requires that PHAs provide equal access regardless of marital status, gender identity, or sexual orientation. The PHA will be informed on these obligations by the HUD Field Office or FHEO when an Equal Access complaint investigation begins.

PHA Policy

Applicants or tenant families who believe that they have been subject to unlawful discrimination based on marital status, gender identity, or sexual orientation under the Equal Access Rule may notify the PHA either orally or in writing.

Within 10 business days of receiving the complaint, the PHA will provide a written notice to those alleged to have violated the rule. The PHA will also send a written notice to the complainant informing them that notice was sent to those alleged to have violated the rule, as well as information on how to complete and submit a housing discrimination complaint form to HUD's Office of Fair Housing and Equal Opportunity (FHEO).

The PHA will attempt to remedy discrimination complaints made against the PHA and will conduct an investigation into all allegations of discrimination.

The PHA will keep a record of all complaints, investigations, notices, and corrective actions. (See Chapter 16.)

VAWA Complaint Processing [Notice FHEO 2023-01]

A complainant may, not later than one year after an alleged VAWA violation has occurred or terminated, file a complaint with FHEO alleging such violation. If there is a violation that began prior to a year before the complaint is filed, but it continues into the one-year time period, HUD will accept the complaint. FHEO will investigate the complaint if it is timely and FHEO otherwise has jurisdiction. If a complaint is filed more than one year after the alleged violation occurred or terminated, FHEO may, but is not required to, investigate the allegations under the additional authority and procedures described in FHEO 2023-01.

Complaints do not need to allege a violation of the Fair Housing Act for FHEO to accept and investigate the complaint.

PHA Policy

Applicants or tenant families who wish to file a VAWA complaint against the PHA may notify the PHA either orally or in writing.

The PHA will advise the family of their right to file a VAWA complaint with HUD's Office of Fair Housing and Equal Opportunity (FHEO). The PHA will inform the family that not later than one year after an alleged VAWA violation has occurred or terminated, applicants and tenants who believe they have been injured by a VAWA violation or will be injured by such a violation that is about to occur may file a VAWA complaint using FHEO's online complaint form via mail, email, or telephone.

The PHA will attempt to remedy complaints made against the PHA and will conduct an investigation into all allegations of discrimination.

The PHA will keep a record of all complaints, investigations, notices, and corrective actions. (See Chapter 16.)

PART II: POLICIES RELATED TO PERSONS WITH DISABILITIES

2-II.A. OVERVIEW

One type of disability discrimination prohibited by the Fair Housing Act is the refusal to make reasonable accommodation in rules, policies, practices, or services when such accommodation may be necessary to afford a person with a disability the equal opportunity to use and enjoy a program or dwelling under the program.

The PHA must ensure that persons with disabilities have full access to the PHA's programs and services. This responsibility begins with the first contact by an interested family and continues through every aspect of the program.

PHA Policy

The PHA's policies and practices will be designed to provide assurances that all persons with disabilities will be provided with reasonable accommodation so that they may fully access and utilize the housing program and related services. The availability of specific accommodations will be made known by including notices on PHA forms and letters to all families, and all requests will be verified so that the PHA can properly accommodate the need presented by the disability

2-II.B. DEFINITION OF REASONABLE ACCOMMODATION

A reasonable accommodation is an adjustment made to a rule, policy, practice, or service that allows a person with a disability to have equal access to the HCV program. For example, reasonable accommodations may include making home visits, extending the voucher term, or approving an exception payment standard in order for a participant to lease an accessible dwelling unit.

Federal regulations stipulate that requests for accommodations will be considered reasonable if they do not create an "undue financial and administrative burden" for the PHA, or result in a "fundamental alteration" in the nature of the program or service offered. A fundamental alteration is a modification that alters the essential nature of a provider's operations.

Types of Reasonable Accommodations

When needed, the PHA will modify normal procedures to accommodate the needs of a person with disabilities. Examples include:

- Permitting applications and reexaminations to be completed by mail
- Conducting home visits
- Using higher payment standards (either within the acceptable range or with HUD approval of a payment standard outside the PHA range) if the PHA determines this is necessary to enable a person with disabilities to obtain a suitable housing unit
- Providing time extensions, up to 365 days for locating a unit when necessary, because of lack of availability of accessible units or special challenges of the family in seeking a unit. Any additional extension of 365 days would need documentation of extenuating circumstance and approved only by the Vice President of Housing.

- Permitting an authorized designee or advocate to participate in the application or certification process and any other meetings with PHA staff

2-II.C. REQUEST FOR AN ACCOMMODATION

If an applicant or participant indicates that an exception, change, or adjustment to a rule, policy, practice, or service is needed because of a disability, HUD requires that the PHA treat the information as a request for a reasonable accommodation, even if no formal request is made [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

The family must explain what type of accommodation is needed to provide the person with the disability full access to the PHA's programs and services.

If the need for the accommodation is not readily apparent or known to the PHA, the family must explain the relationship between the requested accommodation and the disability. There must be an identifiable connection, or nexus, between the requested accommodation and the individual's disability.

PHA Policy

The PHA will encourage the family to make its request in writing using a reasonable accommodation request form. However, the PHA will consider the accommodation any time the family indicates that an accommodation is needed whether or not a formal written request is submitted.

2-II.D. VERIFICATION OF DISABILITY

The regulatory civil rights definition for persons with disabilities is provided in Exhibit 2-1 at the end of this chapter. The definition of a person with a disability for the purpose of obtaining a reasonable accommodation is much broader than the HUD definition of disability which is used for waiting list preferences and income allowances.

Before providing an accommodation, the PHA must determine that the person meets the definition of a person with a disability, and that the accommodation will enhance the family's access to the PHA's programs and services.

If a person's disability is obvious or otherwise known to the PHA, and if the need for the requested accommodation is also readily apparent or known, no further verification will be required [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

If a family indicates that an accommodation is required for a disability that is not obvious or otherwise known to the PHA, the PHA must verify that the person meets the definition of a person with a disability, and that the limitations imposed by the disability require the requested accommodation.

When verifying a disability, the PHA will follow the verification policies provided in Chapter 7. All information related to a person's disability will be treated in accordance with the confidentiality policies provided in Chapter 16. In addition to the general requirements that govern all verification efforts, the following requirements apply when verifying a disability:

- Third-party verification must be obtained from an individual identified by the family who is competent to make the determination. A doctor or other medical professional, a peer support group, a non-medical service agency, or a reliable third party who is in a position to know about the individual's disability may provide verification of a disability [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act]
- The PHA must request only information that is necessary to evaluate the disability-related need for the accommodation. The PHA will not inquire about the nature or extent of any disability.
- Medical records will not be accepted or retained in the participant file.
- In the event that the PHA does receive confidential information about a person's specific diagnosis, treatment, or the nature or severity of the disability, the PHA will dispose of it. In place of the information, the PHA will note in the file that the disability and other requested information have been verified, the date the verification was received, and the name and address of the knowledgeable professional who sent the information [Notice PIH 2010-26].

2-II.E. APPROVAL/DENIAL OF A REQUESTED ACCOMMODATION [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act, Notice PIH 2010-26].

The PHA must approve a request for an accommodation if the following three conditions are met:

- The request was made by or on behalf of a person with a disability.
- There is a disability-related need for the accommodation.
- The requested accommodation is reasonable, meaning it would not impose an undue financial and administrative burden on the PHA, or fundamentally alter the nature of the PHA's HCV operations (including the obligation to comply with HUD requirements and regulations).

Requests for accommodations must be assessed on a case-by-case basis, taking into account factors such as the overall size of the PHA's program with respect to the number of employees, type of facilities and size of budget, type of operation including composition and structure of workforce, the nature and cost of the requested accommodation, and the availability of alternative accommodations that would effectively meet the family's disability-related needs.

Before making a determination whether to approve the request, the PHA may enter into discussion and negotiation with the family, request more information from the family, or may require the family to sign a consent form so that the PHA may verify the need for the requested accommodation.

PHA Policy

After a request for an accommodation is presented, the PHA will respond in writing within 10 business days.

If the PHA denies a request for an accommodation because there is no relationship, or nexus, found between the disability and the requested accommodation, the notice will

inform the family of the right to appeal the PHA's decision through an informal review (if applicable) or informal hearing (see Chapter 16).

If the PHA denies a request for an accommodation because it is not reasonable (it would impose an undue financial and administrative burden or fundamentally alter the nature of the PHA's operations), the PHA will discuss with the family whether an alternative accommodation could effectively address the family's disability-related needs without a fundamental alteration to the HCV program and without imposing an undue financial and administrative burden.

If the PHA believes that the family has failed to identify a reasonable alternative accommodation after interactive discussion and negotiation, the PHA will notify the family in writing of its determination within 10 business days from the date of the most recent discussion or communication with the family.

2-II.F. PROGRAM ACCESSIBILITY FOR PERSONS WITH HEARING OR VISION IMPAIRMENTS

HUD regulations require the PHA to ensure that persons with disabilities related to hearing and vision have reasonable access to the PHA's programs and services [24 CFR 8.6].

At the initial point of contact with each applicant, the PHA shall inform all applicants of alternative forms of communication that can be used other than plain language paperwork.

PHA Policy

To meet the needs of persons with hearing impairments, TTD/TTY (text telephone display / teletype) communication will be available.

To meet the needs of persons with vision impairments, large-print and audio versions of key program documents will be made available upon request. When visual aids are used in public meetings or presentations, or in meetings with PHA staff, one-on-one assistance will be provided upon request.

Additional examples of alternative forms of communication are sign language interpretation; having material explained orally by staff; or having a third party representative (a friend, relative or advocate, named by the applicant) to receive, interpret and explain housing materials and be present at all meetings.

2-II.G. PHYSICAL ACCESSIBILITY

The PHA must comply with a variety of regulations pertaining to physical accessibility, including the following:

- Notice PIH 2010-26
- Section 504 of the Rehabilitation Act of 1973
- The Americans with Disabilities Act of 1990
- The Architectural Barriers Act of 1968
- The Fair Housing Act of 1988

The PHA's policies concerning physical accessibility must be readily available to applicants and participants. They can be found in three key documents:

- This plan describes the key policies that govern the PHA's responsibilities with regard to physical accessibility.
- Notice PIH 2010-26 summarizes information about pertinent laws and implementing regulations related to nondiscrimination and accessibility in federally-funded housing programs.
- The PHA Plan provides information about self-evaluation, needs assessment, and transition plans.

The design, construction, or alteration of PHA facilities must conform to the Uniform Federal Accessibility Standards (UFAS). Newly-constructed facilities must be designed to be readily accessible to and usable by persons with disabilities. Alterations to existing facilities must be accessible to the maximum extent feasible, defined as not imposing an undue financial and administrative burden on the operations of the HCV program.

When issuing a voucher to a family that includes an individual with disabilities, the PHA will include a current list of available accessible units known to the PHA and will assist the family in locating an available accessible unit, if necessary.

In general, owners must permit the family to make reasonable modifications to the unit. However, the owner is not required to pay for the modification and may require that the unit be restored to its original state at the family's expense when the family moves.

2-II.H. DENIAL OR TERMINATION OF ASSISTANCE

A PHA's decision to deny or terminate the assistance of a family that includes a person with disabilities is subject to consideration of reasonable accommodation [24 CFR 982.552 (2)(iv)].

When applicants with disabilities are denied assistance, the notice of denial must inform them of the PHA's informal review process and their right to request an informal review. In addition, the notice must inform applicants with disabilities of their right to request reasonable accommodations to participate in the informal review process.

When a participant family's assistance is terminated, the notice of termination must inform them of the PHA's informal hearing process and their right to request a hearing and reasonable accommodation.

When reviewing reasonable accommodation requests, the PHA must consider whether any mitigating circumstances can be verified to explain and overcome the problem that led to the PHA's decision to deny or terminate assistance. If a reasonable accommodation will allow the family to meet the requirements, the PHA must make the accommodation.

PART III: IMPROVING ACCESS TO SERVICES FOR PERSONS WITH LIMITED ENGLISH PROFICIENCY (LEP)

2-III.A. OVERVIEW

Language for Limited English Proficiency Persons (LEP) can be a barrier to accessing important benefits or services, understanding and exercising important rights, complying with applicable responsibilities, or understanding other information provided by the HCV program. In certain circumstances, failure to ensure that LEP persons can effectively participate in or benefit from federally-assisted programs and activities may violate the prohibition under Title VI against discrimination on the basis of national origin. This part incorporates the Final Guidance to Federal Assistance Recipients Regarding Title VI Prohibition against National Origin Discrimination Affecting Limited English Proficient Persons, published January 22, 2007, in the *Federal Register*.

The PHA, Belmont Housing Resources for Western New York, is committed to improving the accessibility of its programs and services to eligible non-English speakers and limited English proficient (LEP) persons. Belmont has established a Language Access Plan (LAP) to reduce barriers and ensure meaningful access to services, programs, and activities on the part of LEP persons. LAP represents the PHA's administrative blueprint to provide meaningful access to PHA's services, programs, and activities on the part of LEP individuals. It outlines the tasks PHA's will undertake to meet this objective. PHA's Language Access Plan will be implemented subject to the availability of resources.

LEP is defined as persons who do not speak English as their primary language and who have a limited ability to read, write, speak, or understand English. For the purposes of this administrative plan, LEP persons are HCV applicants and participants, and parents and family members of applicants and participants.

2-III.B. ORAL INTERPRETATION

The PHA will offer competent interpretation services free of charge, upon request, to the LEP person.

PHA Policy

PHA will inform LEP individuals they have access to free oral interpretation services via bilingual PHA staff or qualified, trained organizations or contractors, as needed. Oral interpretation should be provided in a timely manner (must not effectively deny or cause an undue burden or delay relating to important services, benefits, or rights) and should only be provided by competent interpreters.

PHA will utilize the services of a professional telephone interpretation service in limited instances where there are no viable alternatives (i.e. bilingual staff). When these contacts involve review of program forms and procedures, Belmont should schedule the call so that the telephone translator has the opportunity to first review the relevant form or procedure.

2-III.C. WRITTEN TRANSLATION

Translation is the replacement of a written text from one language into an equivalent written text in another language.

PHA Policy

In order to comply with written-translation obligations, the PHA will take the following steps:

The PHA will provide written translations of vital documents for each eligible LEP language group that constitutes 5 percent or 1,000 persons, whichever is less, of the population of persons eligible to be served or likely to be affected or encountered. Translation of other documents, if needed, can be provided orally; or

If there are fewer than 50 persons in a language group that reaches the 5 percent trigger, the PHA does not translate vital written materials, but provides written notice in the primary language of the LEP language group of the right to receive competent oral interpretation of those written materials, free of cost.

2-III.D. IMPLEMENTATION PLAN

After completing the four-factor analysis and deciding what language assistance services are appropriate, the PHA shall determine whether it is necessary to develop a written implementation plan to address the identified needs of the LEP populations it serves.

If the PHA determines that it is not necessary to develop a written implementation plan, the absence of a written plan does not obviate the underlying obligation to ensure meaningful access by LEP persons to the PHA's Housing Choice Voucher program and services.

PHA Policy

PHA has established a Language Access Plan (LAP) to reduce barriers and ensure meaningful access to services, programs, and activities on the part of LEP persons. LAP represents the PHA's administrative blueprint to provide meaningful access to PHA's services, programs, and activities on the part of LEP individuals. It outlines the tasks PHA's will undertake to meet this objective. PHA's Language Access Plan will be implemented subject to the availability of resources.

EXHIBIT 2-1: DEFINITION OF A PERSON WITH A DISABILITY UNDER FEDERAL CIVIL RIGHTS LAWS [24 CFR Parts 8.3 and 100.201]

A person with a disability, as defined under federal civil rights laws, is any person who:

- Has a physical or mental impairment that substantially limits one or more of the major life activities of an individual, or
- Has a record of such impairment, or
- Is regarded as having such impairment.

The phrase “physical or mental impairment” includes:

- Any physiological disorder or condition, cosmetic or disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or
- Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term “physical or mental impairment” includes, but is not limited to: such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

“Major life activities” includes, but is not limited to, caring for oneself, performing manual tasks, walking, seeing, hearing, breathing, learning, and/or working.

“Has a record of such impairment” means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

“Is regarded as having an impairment” is defined as having a physical or mental impairment that does not substantially limit one or more major life activities but is treated by a public entity (such as the PHA) as constituting such a limitation; has none of the impairments defined in this section but is treated by a public entity as having such an impairment; or has a physical or mental impairment that substantially limits one or more major life activities, only as a result of the attitudes of others toward that impairment.

The definition of a person with disabilities does not include:

- Current illegal drug users
- People whose alcohol use interferes with the rights of others
- Persons who objectively pose a direct threat or substantial risk of harm to others that cannot be controlled with a reasonable accommodation under the HCV program

The above definition of disability determines whether an applicant or participant is entitled to any of the protections of federal disability civil rights laws. Thus, a person who does not meet this disability is not entitled to a reasonable accommodation under federal civil rights and fair housing laws and regulations.

The HUD definition of a person with a disability is much narrower than the civil rights definition of disability. The HUD definition of a person with a disability is used for purposes of receiving the disabled family preference, the \$400 elderly/disabled household deduction, the \$480 dependent deduction, the allowance for medical expenses, or the allowance for disability assistance expenses.

The definition of a person with a disability for purposes of granting a reasonable accommodation request is much broader than the HUD definition of disability. Many people will not qualify as a disabled person under the HCV program, yet an accommodation is needed to provide equal opportunity.

Chapter 3

ELIGIBILITY

INTRODUCTION

The PHA is responsible for ensuring that every individual and family admitted to the HCV program meets all program eligibility requirements. This includes any individual approved to join the family after the family has been admitted to the program. The family must provide any information needed by the PHA to confirm eligibility and determine the level of the family's assistance.

To be eligible for the HCV program:

- The applicant family must:
 - Qualify as a family as defined by HUD and the PHA.
 - Have income at or below HUD-specified income limits.
 - Qualify on the basis of citizenship or the eligible immigrant status of family members.
 - Provide social security number information for household members as required.
 - Consent to the PHA's collection and use of family information as provided for in PHA-provided consent forms.
 - Not currently be receiving a duplicative subsidy.
 - Meet net asset and property ownership restriction requirements.
- The PHA must determine that the current or past behavior of household members does not include activities that are prohibited by HUD or the PHA.

This chapter contains three parts:

Part I: Definitions of Family and Household Members. This part contains HUD and PHA definitions of family and household members and explains initial and ongoing eligibility issues related to these members.

Part II: Basic Eligibility Criteria. This part discusses income eligibility, and rules regarding citizenship, social security numbers, and family consent.

Part III: Denial of Assistance. This part covers factors related to an applicant's past or current conduct (e.g., criminal activity) that can cause the PHA to deny assistance as well as the asset limitation for HCV.

PART I: DEFINITIONS OF FAMILY AND HOUSEHOLD MEMBERS

3-I.A. OVERVIEW

Some eligibility criteria and program rules vary depending upon the composition of the family requesting assistance. In addition, some requirements apply to the family as a whole and others apply to individual persons who will live in the assisted unit. This part provides information that

is needed to correctly identify family and household members, and to apply HUD's eligibility rules.

3-I.B. FAMILY AND HOUSEHOLD [24 CFR 5.403; FR Notice 02/03/12; Notice PIH 2014-20; and FR Notice 2/14/23]

The terms *family* and *household* have different meanings in the HCV program.

Family

To be eligible for assistance, an applicant must qualify as a family. *Family* as defined by HUD includes, but is not limited to the following, regardless actual or perceived sexual orientation, gender identity, or marital status, a single person, who may be an elderly person, displaced person, disabled person, near-elderly person, or any other single person; an otherwise eligible youth who has attained at least 18 years of age and not more than 24 years of age and who has left foster care, or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act (42 U.S.C. 675(5)(H)), and is homeless or is at risk of becoming homeless at age 16 or older; or a group of persons residing together. Such group includes but is not limited to a family with or without children (a child who is temporarily away from the home because of placement in foster care is considered a member of the family), an elderly family, a near-elderly family, a disabled family, a displaced family, and the remaining member of a tenant family. The PHA has the discretion to determine if any other group of persons qualifies as a family.

Gender Identity means actual or perceived gender characteristics.

Sexual orientation means homosexuality, heterosexuality, or bisexuality.

PHA Policy

A family also includes two or more individuals who are not related by blood, marriage, adoption, or other operation of law but who either can demonstrate that they have lived together previously or certify that each individual's income and other resources will be available to meet the needs of the family.

Each family must identify the individuals to be included in the family at the time of application and must notify the PHA if the family's composition changes.

Household

Household is a broader term that includes additional people who, with the PHA's permission, live in an assisted unit, such as live-in aides, foster children, and foster adults.

Change in Head of Household / Family Composition Prior to Selection or Issuance

The wait for Section 8 assistance is lengthy and it is reasonable to assume that the composition of the applicant-family may change during the waiting period. Members may come to the household through birth, adoption, marriage, etc. Similarly, members may leave the household through divorce (see Family Breakup, 3-I.C.), death, maturation, etc. The head of household may request that the PHA add or delete members at any time while the applicant is on the waiting list. The PHA will take appropriate steps to ensure that the person requesting the changes is the head of the household.

The head of household may also ask the PHA to delete him/her from the application and designate some other household member *who was accounted for on the application* as the new head of household. This happens occasionally at the point of selection but could also happen while the applicant is still on the waiting list. If the request is made while the applicant is waiting for assistance, the PHA will verify the identity of the person making the request and, if satisfied that the request is from the head of household (as listed on the application), will make the change. The PHA will document the circumstances and date the change was made.

If the request to delete the head of household and designate another comes after the date of the Waitlist Selection Letter, the PHA will only grant the request if the person to be designated head of household *was accounted for on the initial application* and can provide proof that he/she was a member of the household prior to the date of the Waitlist Selection Letter.

3-I.C. FAMILY BREAKUP AND REMAINING MEMBER OF TENANT FAMILY

Family Breakup [24 CFR 982.315; Notice PIH 2017-08]

Except under the following conditions, the PHA has discretion to determine which members of an assisted family continue to receive assistance if the family breaks up:

- If the family breakup results from an occurrence of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the PHA must ensure that the victim retains assistance. (For documentation requirements and policies related to domestic violence, dating violence, sexual assault, stalking, and human trafficking, see section 16-IX.D of this plan.)
- In accordance with Notice PIH 2017-08, for HUD–Veterans Affairs Supportive Housing (HUD–VASH) vouchers, when the veteran is the perpetrator of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the victim must continue to be assisted. Upon termination of the perpetrator’s HUD–VASH voucher, the victim should be given a regular HCV if one is available, and the perpetrator’s HUD–VASH voucher should be used to serve another eligible family. If a regular HCV is not available, the victim will continue to use the HUD–VASH voucher, which must be issued to another eligible family upon the voucher’s turnover.
- If a court determines the disposition of property between members of the assisted family, the PHA is bound by the court’s determination of which family members continue to receive assistance.

PHA Policy

When a family on the waiting list breaks up into two otherwise eligible families, only one of the new families may retain the original application date. Other former family members may make a new application with a new application date if the waiting list is open.

If a family breaks up into two otherwise eligible families while receiving assistance, only one of the new families will continue to be assisted. If there is a legal

determination of custody and both new households include children, both new households may remain on the waitlist as applicants, with the same date and time of application, as long as both families remain eligible.

In the absence of a judicial decision or an agreement among the original family members, the PHA will determine which family will retain their placement on the waiting list or continue to receive assistance. In making its determination, the PHA will take into consideration the following factors: (1) the interest of any minor children, including custody arrangements; (2) the interest of any ill, elderly, or disabled family members; (3) the interest of any family member who is the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, including a family member who was forced to leave an assisted unit as a result of such actual or threatened abuse; (4) any possible risks to family members as a result of criminal activity; (5) the recommendations of social service professionals; and (6) which family member originally applied as head of household.

Documentation of these factors is the responsibility of the applicant families. If either or both of the families do not provide the documentation, they may be denied placement on the waiting list for failure to supply information requested by the PHA.

Remaining Member of a Tenant Family [24 CFR 5.403]

The HUD definition of family includes the *remaining member of a tenant family*, which is a member of an assisted family who remains in the unit when other members of the family have left the unit. Household members such as live-in aides, foster children, and foster adults do not qualify as remaining members of a family.

If dependents are the only “remaining members of a tenant family” and there is no family member able to assume the responsibilities of the head of household, see Chapter 6, Section 6-I.B, for the policy on “Caretakers for a Child.”

3-I.D. HEAD OF HOUSEHOLD [24 CFR 5.504(b)]

Head of household means the adult member of the family who is considered the head for purposes of determining income eligibility and rent. The head of household is responsible for ensuring that the family fulfills all of its responsibilities under the program, alone or in conjunction with a cohead or spouse.

PHA Policy

The family may designate any qualified family member as the head of household.

The head of household must have the legal capacity to enter into a lease under state and local law. A minor who is emancipated under state law may be designated as head of household.

3-I.E. SPOUSE, COHEAD, AND OTHER ADULT

A family may have a spouse or cohead, but not both [HUD-50058 IB, p. 13].

Spouse means the marriage partner of the head of household.

PHA Policy

A *marriage partner* includes the partner in a "common law" marriage as defined in state law. The term “spouse” does not apply to friends, roommates, or significant others who are not marriage partners. A minor who is emancipated under state law may be designated as a spouse.

A *cohead* is an individual in the household who is equally responsible with the head of household for ensuring that the family fulfills all of its responsibilities under the program, but who is not a spouse. A family can have only one cohead.

PHA Policy

Minors who are emancipated under state law may be designated as a cohead.

Other adult means a family member, other than the head, spouse, or cohead, who is 18 years of age or older. Foster adults and live-in aides are not considered other adults.

3-I.F. DEPENDENTS AND MINORS [24 CFR 5.603]

A *minor* is a member of the family, other than the head of family or spouse, who is under 18 years of age.

A *dependent* is a family member who is under 18 years of age or a person of any age who is a person with a disability or a full-time student, except that the following persons can never be dependents: the head of household, spouse, cohead, foster children/adults and live-in aides. Identifying each dependent in the family is important because each dependent qualifies the family for a dependent allowance as described in Chapter 6.

Joint Custody of Dependents

PHA Policy

Dependents that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or participant family 51 percent or more of the time.

When more than one applicant or participant family is claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, the PHA will make the determination based on available documents such as court orders, or an IRS return showing which family has claimed the child for income tax purposes.

3-I.G. FULL-TIME STUDENT [24 CFR 5.603; HCV GB, p. 5-29]

A *full-time student* (FTS) is a person who is attending school or vocational training on a full-time basis. The time commitment or subject load that is needed to be full-time is defined by the educational institution.

Identifying each FTS is important because: (1) each family member that is an FTS, other than the head, spouse, or cohead, qualifies the family for a dependent allowance, and (2) the earned income of such an FTS is treated differently from the income of other family members.

3-I.H. ELDERLY AND NEAR-ELDERLY PERSONS, AND ELDERLY FAMILY [24 CFR 5.100 and 5.403, FR Notice 02/03/12]

Elderly Persons

An *elderly person* is a person who is at least 62 years of age.

Near-Elderly Persons

A *near-elderly person* is a person who is 50-61 years of age.

Elderly Family

An *elderly family* is one in which the head, spouse, cohead, or sole member is an elderly person. Identifying elderly families is important because elderly families qualify for the elderly family allowance as described in Chapter 6.

3-I.I. PERSONS WITH DISABILITIES AND DISABLED FAMILY [24 CFR 5.403, FR Notice 02/03/12]

Persons with Disabilities

Under the HCV program, special rules apply to persons with disabilities and to any family whose head, spouse, or cohead is a person with disabilities. The technical definitions of individual with handicaps and persons with disabilities are provided in Exhibit 3-1 at the end of this chapter. These definitions are used for a number of purposes including ensuring that persons with disabilities are not discriminated against based upon disability.

As discussed in Chapter 2, the PHA must make all aspects of the HCV program accessible to persons with disabilities and consider reasonable accommodations requested based upon a person's disability.

Disabled Family

A *disabled family* is one in which the head, spouse, or cohead is a person with disabilities. Identifying disabled families is important because these families qualify for the disabled family allowance as described in Chapter 6.

Even though persons with drug or alcohol dependencies are considered persons with disabilities, this does not prevent the PHA from denying assistance for reasons related to alcohol and drug abuse in accordance with the policies found in Part III of this chapter, or from terminating assistance in accordance with the policies in Chapter 12.

3-I.J. GUESTS [24 CFR 5.100]

A *guest* is a person temporarily staying in the unit with the consent of a member of the household who has expressed or implied authority to so consent.

PHA Policy

A guest can remain in the assisted unit no longer than 30 consecutive days or a total of 90 cumulative calendar days during any 12-month period.

Children who are subject to a joint custody arrangement or for whom a family has visitation privileges, that are not included as a family member because they live outside of the assisted household more than 51 percent of the time, are not subject to the time limitations of guests as described above.

If requested by the PHA, the family must submit proof of the visitor's permanent address. In the absence of such verification, the visitor may be considered a member of the household and may be required to submit proof of income. The burden of proof that the individual is a visitor rests on the family. If the visitor stays longer than the time allowed to visitors, they will be considered household members and subject to all program regulations related to income reporting.

The PHA may consider any information obtained from neighbors and/or the owner in determining whether or not a person is a visitor. Use of the unit address as the visitor's current residence for any purpose that is not explicitly temporary shall be considered evidence of permanent residence.

A family may request an exception to this policy for valid reasons (e.g., care of a relative recovering from a medical procedure is expected to last 40 consecutive days). An exception will not be made unless the family can identify and provide documentation of the residence to which the guest will return.

3-I.K. FOSTER CHILDREN AND FOSTER ADULTS [24 CFR 5.603]

A *foster adult* is a member of the household who is 18 years of age or older and meets the definition of a *foster adult* under state law. In general, a foster adult is a person who is 18 years of age or older, is unable to live independently due to a debilitating physical or mental condition, and is placed with the family by an authorized placement agency or by judgment, decree, or other order of any court of competent jurisdiction.

A *foster child* is a member of the household who meets the definition of a *foster child* under state law. In general, a foster child is placed with the family by an authorized placement agency (e.g., public child welfare agency) or by judgment, decree, or other order of any court of competent jurisdiction.

Foster children and foster adults who are living with an applicant or who have been approved by the PHA to live with a participant family are considered household members but not family members. The income of foster children/adults is not counted in family annual income, and foster children/adults do not qualify for a dependent deduction [24 CFR 5.603; HUD-50058 IB, p. 13].

PHA Policy

A foster child or foster adult may be allowed to reside in the unit if their presence would not result in a violation of HQS space standards according to 24 CFR 982.401.

Children that are temporarily absent from the home as a result of placement in foster care are discussed in Section 3-I.L.

3-I.L. ABSENT FAMILY MEMBERS

Individuals may be absent from the family, either temporarily or permanently, for a variety of reasons including educational activities, placement in foster care, employment, illness, incarceration, and court order.

Definitions of Temporarily and Permanently Absent

PHA Policy

Generally, an individual who is or is expected to be absent from the assisted unit for 180 consecutive days or less is considered temporarily absent and continues to be considered a family member. Generally, an individual who is or is expected to be absent from the assisted unit for more than 180 consecutive days is considered permanently absent and no longer a family member. Exceptions to this general policy are discussed below.

The family must report this change to the PHA, in writing, within 30 days of the change and certify as to whether the member is temporarily absent or permanently absent.

Absent Students

PHA Policy

When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member unless information becomes available to the PHA indicating that the student has established a separate household or the family declares that the student has established a separate household.

Absences Due to Placement in Foster Care [24 CFR 5.403]

Children temporarily absent from the home as a result of placement in foster care are considered members of the family.

PHA Policy

If a child has been placed in foster care, the PHA will verify with the appropriate agency whether and when the child is expected to be returned to the home. Unless the agency confirms that the child has been permanently removed from the home, the child will be counted as a family member.

Absent Head, Spouse, or Cohead

PHA Policy

An employed head, spouse, or cohead absent from the unit more than 180 consecutive days due to employment will continue to be considered a family member.

Family Members Permanently Confined for Medical Reasons [HCV GB, p. 5-22]

If a family member is confined to a nursing home or hospital on a permanent basis, that person is no longer considered a family member and the income of that person is not counted [HCV GB, p. 5-22].

PHA Policy

An individual confined to a nursing home or hospital on a permanent basis is not considered a family member.

The PHA will request verification of the family member's permanent absence from a responsible medical professional. If the responsible medical professional cannot provide a determination, the person will be considered temporarily absent. If the family certifies that the family member is confined on a permanent basis, they may present, and the PHA will consider any additional documentation or evidence.

Return of Permanently Absent Family Members

PHA Policy

The family must request PHA approval for the return of any adult family members that the PHA previously determined to be permanently absent. The individual is subject to the eligibility and screening requirements discussed elsewhere in this chapter.

3-I.M. LIVE-IN AIDE

A *live-in aide* is a person who resides with one or more elderly persons, or near-elderly persons, or persons with disabilities, and who: (1) is determined to be essential to the care and well-being of the persons, (2) is not obligated for the support of the persons, and (3) would not be living in the unit except to provide the necessary supportive services [24 CFR 5.403].

The PHA must approve a live-in aide if needed as a reasonable accommodation in accordance with 24 CFR 8, to make the program accessible to and usable by the family member with disabilities.

The income of a live-in aide is not counted in the calculation of annual income for the family [24 CFR 5.609(b)]. Relatives may be approved as live-in aides if they meet all of the criteria defining a live-in aide. Because live-in aides are not *family* members, a relative who serves as a live-in aide would not be considered a remaining member of a tenant family.

PHA Policy

A family's request for a live-in aide must be made in writing. Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker, or case worker, that the live-in aide is essential for the care and well-being of the elderly, near-elderly, or disabled family member. For continued approval, the family must submit a new, written request-subject to PHA verification-at each annual reexamination.

In addition, the family and live-in aide will be required to submit a certification stating that the live-in aide is (1) not obligated for the support of the person(s) needing the care, and (2) would not be living in the unit except to provide the necessary supportive services.

The PHA will not approve a particular person as a live-in aide, and may withdraw such approval if [24 CFR 982.316(b)]:

- The person commits fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;

- The person commits drug-related criminal activity or violent criminal activity; or

- The person currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.

The PHA will notify the family of its decision in writing within 10 business days of receiving a request for a live-in aide, including all required documentation related to the request.

PART II: BASIC ELIGIBILITY CRITERIA

3-II.A. INCOME ELIGIBILITY AND TARGETING

Income Limits

HUD establishes income limits for all areas of the country and publishes them annually in the *Federal Register*. They are based upon estimates of median family income with adjustments for family size. The income limits are used to determine eligibility for the program and for income targeting purposes as discussed in this section.

Definitions of the Income Limits [24 CFR 5.603(b)]

Low-income family. A family whose annual income does not exceed 80 percent of the median income for the area, adjusted for family size.

Very low-income family. A family whose annual income does not exceed 50 percent of the median income for the area, adjusted for family size.

Extremely low-income family. A family whose annual income does not exceed the federal poverty level or 30 percent of the median income for the area, whichever number is higher.

Area median income is determined by HUD, with adjustments for smaller and larger families. HUD may establish income ceilings higher or lower than 30, 50, or 80 percent of the median income for an area if HUD finds that such variations are necessary because of unusually high or low family incomes.

Using Income Limits for Eligibility [24 CFR 982.201 and Notice PIH 2023-27]

Income limits are used for eligibility only at admission. Income eligibility is determined by comparing the annual income of an applicant to the applicable income limit for their family size. Income and net family assets of household members are excluded when determining income eligibility; however, household members are considered for purposes of unit size and subsidy standards. In order to be income eligible, an applicant family must be one of the following:

- A *very low-income* family
- A *low-income* family that has been “continuously assisted” under the 1937 Housing Act. A family is considered to be continuously assisted if the family is already receiving assistance under any 1937 Housing Act program at the time the family is admitted to the HCV program [24 CFR 982.4; 24 CFR 982.201(b)]

PHA Policy

The PHA will consider a family to be continuously assisted if the family was leasing a unit under any 1937 Housing Act program at the time they were selected from the PHA’s waiting list.

- A low-income family that qualifies for voucher assistance as a non-purchasing household living in HOPE 1 (public housing homeownership), HOPE 2 (multifamily housing homeownership) developments, or other HUD-assisted multifamily homeownership programs covered by 24 CFR 248.173

- A low-income or moderate-income family that is displaced as a result of the prepayment of a mortgage or voluntary termination of a mortgage insurance contract on eligible low-income housing as defined in 24 CFR 248.101.
- A low-income family physically displaced by rental rehabilitation activity under Part 511
- A low-income family qualified for voucher assistance as a non-purchasing family residing in a project subject to a resident homeownership program under 24 CFR 248.173

Using Income Limits for Targeting [24 CFR 982.201]

At least 75 percent of the families admitted to the PHA's program during a PHA fiscal year must be extremely low-income (ELI) families. HUD may approve exceptions to this requirement if the PHA demonstrates that it has made all required efforts, but has been unable to attract an adequate number of qualified extremely low-income families.

Families continuously assisted under the 1937 Housing Act and families living in eligible low-income housing that are displaced as a result of prepayment of a mortgage or voluntary termination of a mortgage insurance contract are not counted for income targeting purposes.

PHA Policy

Applicants may be temporarily returned to the waiting list (RWL) because the income determination shows their income to be greater than the ELI limit but less than 50% of area median income. These applicants will be re-selected once a sufficient number of ELI applicants have been admitted.

3-II.B. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5, Subpart E]

Housing assistance is available only to individuals who are U.S. citizens, U.S. nationals (herein referred to as citizens and nationals), or noncitizens that have eligible immigration status. At least one family member must be a citizen, national, or noncitizen with eligible immigration status in order for the family to qualify for any level of assistance.

All applicant families must be notified of the requirement to submit evidence of their citizenship status when they apply. Where feasible, and in accordance with the PHA's Limited English Proficiency Plan, the notice must be in a language that is understood by the individual if the individual is not proficient in English.

Declaration [24 CFR 5.508]

HUD requires each family member to declare whether the individual is a citizen, a national, or an eligible noncitizen, except those members who elect not to contend that they have eligible immigration status. Those who elect not to contend their status are considered to be ineligible noncitizens. For citizens, nationals and eligible noncitizens the declaration must be signed personally by the head, spouse, cohead, and any other family member 18 or older, and by a parent or guardian for minors. The family must identify in writing any family members who elect not to contend their immigration status (see Ineligible Noncitizens below). No declaration is required for live-in aides, foster children, or foster adults.

U.S. Citizens and Nationals

In general, citizens and nationals are required to submit only a signed declaration as verification of their status. However, HUD regulations permit the PHA to request additional documentation of their status, such as a passport.

PHA Policy

Family members who declare citizenship or national status may be required to provide documentation for verification purposes.

Eligible Noncitizens

In addition to providing a signed declaration, those declaring eligible noncitizen status must sign a verification consent form and cooperate with PHA efforts to verify their immigration status as described in Chapter 7. The documentation required for establishing eligible noncitizen status varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, the person's age, and the date on which the family began receiving HUD-funded assistance.

Lawful residents of the Marshall Islands, the Federated States of Micronesia, and Palau, together known as the Freely Associated States, or FAS, are eligible for housing assistance under section 141 of the Compacts of Free Association between the U.S. Government and the Governments of the FAS [Public Law 106-504].

Ineligible Noncitizens

Those noncitizens who do not wish to contend their immigration status are required to have their names listed on a noncontending family members listing, signed by the head, spouse, or cohead (regardless of citizenship status), indicating their ineligible immigration status. The PHA is not required to verify a family member's ineligible status and is not required to report an individual's unlawful presence in the U.S. to the United States Citizenship and Immigration Services (USCIS).

Providing housing assistance to noncitizen students is prohibited [24 CFR 5.522]. This prohibition extends to the noncitizen spouse of a noncitizen student as well as to minor children who accompany or follow to join the noncitizen student. Such prohibition does not extend to the citizen spouse of a noncitizen student or to the children of the citizen spouse and noncitizen student. Such a family is eligible for prorated assistance as a mixed family.

Mixed Families

A family is eligible for assistance as long as at least one member is a citizen, national, or eligible noncitizen. Families that include eligible and ineligible individuals are considered *mixed families*. Such families will be given notice that their assistance will be prorated, and that they may request a hearing if they contest this determination. See Chapter 6 for a discussion of how rents are prorated, and Chapter 16 for a discussion of informal hearing procedures.

Ineligible Families [24 CFR 5.514(d), (e), and (f)]

A PHA may elect to provide assistance to a family before the verification of the eligibility of the individual or one family member [24 CFR 5.512(b)]. Otherwise, no individual or family may be assisted prior to the affirmative establishment by the PHA that the individual or at least one family member is eligible. Verification of eligibility for this purpose occurs when the individual or family members have submitted documentation to the PHA in accordance with program requirements [24 CFR 5.512(a)].

PHA Policy

The PHA will not provide assistance to a family before the verification of at least one family member.

When a PHA determines that an applicant family does not include any citizens, nationals, or eligible noncitizens, following the verification process, the family will be sent a written notice within 10 business days of the determination.

The notice will explain the reasons for the denial of assistance, that the family may be eligible for proration of assistance, and will advise the family of its right to request an appeal to the United States Citizenship and Immigration Services (USCIS), or to request an informal hearing with the PHA. The informal hearing with the PHA may be requested in lieu of the USCIS appeal, or at the conclusion of the USCIS appeal process. The notice must also inform the applicant family that assistance may not be delayed until the conclusion of the USCIS appeal process, but that it may be delayed pending the completion of the informal hearing process.

Informal hearing procedures are contained in Chapter 16.

Timeframe for Determination of Citizenship Status [24 CFR 5.508(g)]

For new occupants joining the assisted family, the PHA must verify status at the first interim or regular reexamination following the person's occupancy, whichever comes first.

If an individual qualifies for a time extension for the submission of required documents, the PHA must grant such an extension for no more than 30 days [24 CFR 5.508(h)].

Each family member is required to submit evidence of eligible status only one time during continuous occupancy.

PHA Policy

The PHA will verify the citizenship status of applicants at the time other eligibility factors are determined.

3-II.C. SOCIAL SECURITY NUMBERS [24 CFR 5.216 and 5.218, Notice PIH 2018-24]

The applicant and all members of the applicant's household must disclose the complete and accurate social security number (SSN) assigned to each household member, and the documentation necessary to verify each SSN. If a child under age 6 has been added to an applicant family within 6 months prior to voucher issuance, an otherwise eligible family may be admitted to the program and must disclose and document the child's SSN within 90 days of the effective date of the initial HAP contract. A detailed discussion of acceptable documentation is provided in Chapter 7.

Note: These requirements do not apply to noncitizens who do not contend eligible immigration status.

In addition, each participant who has not previously disclosed an SSN, has previously disclosed an SSN that HUD or the SSA determined was invalid, or has been issued a new SSN must submit their complete and accurate SSN and the documentation required to verify the SSN at the time of the next interim or annual reexamination or recertification. Participants age 62 or older as of January 31, 2010, whose determination of eligibility was begun before January 31, 2010, are exempt from this requirement and remain exempt even if they move to a new assisted unit.

The PHA must deny assistance to an applicant family if they do not meet the SSN disclosure and documentation requirements contained in 24 CFR 5.216.

3-II.D. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 5.232; HCV GB, p. 5-13]

HUD requires that each adult family member, and the head of household, spouse, or cohead, regardless of age, sign form HUD-9886, Authorization for the Release of Information/Privacy Act Notice, the form HUD-52675 Debts Owed to Public Housing Agencies and Terminations, and other consent forms as needed to collect information relevant to the family's eligibility and level of assistance. Chapter 7 provides detailed information concerning the consent forms and verification requirements. The consent form remains effective until the family is denied assistance, assistance is terminated, or the family provides written notification to revoke consent.

The PHA must deny admission to the program if any member of the applicant family fails to sign and submit the consent forms for obtaining information in accordance with 24 CFR 5, Subparts B and F [24 CFR 982.552(b)(3) and 24 CFR 5.232(a)].

However, this does not apply if the applicant or participant, or any member of their family, revokes their consent with respect to the ability of the PHA to access financial records from financial institutions, unless the PHA establishes a policy that revocation of consent to access financial records will result in denial or termination of assistance or admission [24 CFR 5.232(c)]

PHA Policy

The PHA has established a policy that revocation of consent to access financial records will result in denial of admission.

3-II.E. STUDENTS ENROLLED IN INSTITUTIONS OF HIGHER EDUCATION [24 CFR 5.612, FR Notice 4/10/06, FR Notice 9/21/16]

Section 327 of Public Law 109-115 and the implementing regulation at 24 CFR 5.612 established new restrictions on the eligibility of certain students (both part- and full-time) who are enrolled in institutions of higher education.

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the student's eligibility must be examined along with the income eligibility of the student's parents. In these cases, both the student and the student's parents must be income eligible for the student to receive HCV assistance. If, however, a student in these circumstances is determined independent from their parents in accordance with PHA policy, the income of the student's parents will not be considered in determining the student's eligibility.

The new law does not apply to students who reside with parents who are applying to receive HCV assistance. It is limited to students who are seeking assistance on their own, separately from their parents.

Definitions

In determining whether and how the new eligibility restrictions apply to a student, the PHA will rely on the following definitions [FR Notice 4/10/06, FR Notice 9/21/16].

Dependent Child

In the context of the student eligibility restrictions, *dependent child* means a dependent child of a student enrolled in an institution of higher education. The dependent child must also meet the definition of *dependent* in 24 CFR 5.603, which states that the dependent must be a member of the assisted family, other than the head of household or spouse, who is under 18 years of age, or is a person with a disability, or is a full-time student. Foster children and foster adults are not considered dependents.

Independent Student

PHA Policy

The PHA will consider a student “independent” from their parents and the parents’ income will not be considered when determining the student’s eligibility if the following four criteria are all met:

The individual is of legal contract age under state law.

The individual has established a household separate from their parents for at least one year prior to application for occupancy or the individual meets the U.S. Department of Education’s definition of independent student.

To be considered an *independent student* according to the Department of Education, a student must meet one or more of the following criteria:

The individual is at least 24 years old by December 31 of the award year for which aid is sought

The individual is an orphan, in foster care, or a ward of the court, or was an orphan, in foster care, or ward of the court at any time when the individual was 13 years of age or older

The individual is, or was immediately prior to attaining the age of majority, an emancipated minor or in legal guardianship as determined by a court of competent jurisdiction in the individual’s state of legal residence

The individual is a veteran of the U.S. Armed Forces or is currently serving on active duty in the Armed Forces for other than training purposes

The individual is a graduate or professional student

The individual is married

The individual has one or more legal dependents other than a spouse (for example, dependent children or an elderly dependent parent)

The individual has been verified during the school year in which the application is submitted as either an unaccompanied youth who is a homeless child or youth, or as unaccompanied, at risk of homelessness, and self-supporting by:

A local educational agency homeless liaison

The director of a program funded under subtitle B of title IV of the McKinney-Vento Homeless Assistance Act or a designee of the director

A financial aid administrator

The individual is a student for whom a financial aid administrator makes a documented determination of independence by reason of other unusual circumstances

The individual was not claimed as a dependent by their parents pursuant to IRS regulations, as demonstrated on the parents' most recent tax forms.

The individual provides a certification of the amount of financial assistance that will be provided by their parents. This certification must be signed by the individual providing the support and must be submitted even if no assistance is being provided.

If the PHA determines that an individual meets the definition of a *vulnerable youth* such a determination is all that is necessary to determine that the person is an *independent student* for the purposes of using only the student's income for determining eligibility for assistance.

The PHA will verify that a student meets the above criteria in accordance with the policies in Section 7-II.E.

Institution of Higher Education

The PHA will use the statutory definition under section 102 of the Higher Education Act of 1965 to determine whether a student is attending an *institution of higher education* (see Exhibit 3-2).

Parents

PHA Policy

For purposes of student eligibility restrictions, the definition of *parents* includes biological or adoptive parents, stepparents (as long as they are currently married to the biological or adoptive parent), and guardians (e.g., grandparents, aunt/uncle, godparents, etc).

Person with Disabilities

The PHA will use the statutory definition under section 3(b)(3)(E) of the 1937 Act to determine whether a student is a *person with disabilities* (see Exhibit 3-1).

Veteran

PHA Policy

A *veteran* is a person who served in the active military, naval, or air service and who was discharged or released from such service under conditions other than dishonorable.

Vulnerable Youth

PHA Policy

A *vulnerable youth* is an individual who meets the U.S. Department of Education's definition of *independent student* in paragraphs (b), (c), or (h), as adopted in Section II of FR Notice 9/21/16:

The individual is an orphan, in foster care, or a ward of the court, or was an orphan, in foster care, or ward of the court at any time when the individual was 13 years of age or older

The individual is, or was immediately prior to attaining the age of majority, an emancipated minor or in legal guardianship as determined by a court of competent jurisdiction in the individual's state of legal residence

The individual has been verified during the school year in which the application is submitted as either an unaccompanied youth who is a homeless child or youth, or as unaccompanied, at risk of homelessness, and self-supporting by:

A local educational agency homeless liaison

The director of a program funded under subtitle B of title IV of the McKinney-Vento Homeless Assistance Act or a designee of the director

A financial aid administrator

Determining Student Eligibility

If a student is applying for assistance on their own, apart from their parents, the PHA must determine whether the student is subject to the eligibility restrictions contained in 24 CFR 5.612. If the student is subject to those restrictions, the PHA must ensure that: (1) the student is individually eligible for the program, (2) either the student is independent from their parents or the student's parents are income eligible for the program, and (3) the "family" with which the student is applying is collectively eligible for the program.

PHA Policy

For any student who is subject to the 5.612 restrictions, the PHA will:

- Follow its usual policies in determining whether the student individually and the student's "family" collectively are eligible for the program

- Determine whether the student is independent from their parents in accordance with the definition of *independent student* in this section

- Follow the policies below, if applicable, in determining whether the student's parents are income eligible for the program

If the PHA determines that the student, the student's parents (if applicable), or the student's "family" is not eligible, the PHA will send a notice of denial in accordance with the policies in Section 3-III.F, and the applicant family will have the right to request an informal review in accordance with the policies in Section 16-III.B.

Determining Parental Income Eligibility

PHA Policy

For any student who is subject to the 5.612 restrictions and who does not satisfy the definition of *independent student* in this section, the PHA will determine the income eligibility of the student's parents as follows:

If the student's parents are married and living together, the PHA will obtain a joint income declaration and certification of joint income from the parents.

If the student's parent is widowed or single, the PHA will obtain an income declaration and certification of income from that parent.

If the student's parents are divorced or separated, the PHA will obtain an income declaration and certification of income from each parent.

If the student has been living with one of their parents and has not had contact with or does not know where to contact their other parent, the PHA will require the student to submit a certification under penalty of perjury describing the circumstances and stating that the student does not receive financial assistance from the other parent. The PHA will then obtain an income declaration and certification of income from the parent with whom the student has been living or had contact.

In determining the income eligibility of the student's parents, the PHA will use the income limits for the jurisdiction in which the parents live.

3-II.F. EIV SYSTEM SEARCHES [EIV FAQs; EIV System Training 9/30/20; and Notice PIH 2023-27]

Existing Tenant Search

Prior to admission to the program, the PHA must search for all household members using the EIV Existing Tenant Search module. The PHA must review the reports for any SSA matches involving another PHA or a multifamily entity and follow up on any issues identified. The PHA must provide the family with a copy of the Existing Tenant Search results if requested. At no time may any family member receive duplicative assistance.

If the tenant is a new admission to the PHA, and a match is identified at a multifamily property, the PHA must report the program admission date to the multifamily property and document the notification in the tenant file. The family must provide documentation of move-out from the assisted unit, as applicable.

PHA Policy

The PHA will contact the other PHA or owner identified in the report to confirm that the family has moved out of the unit and obtain documentation of current tenancy status, including a form HUD-50058 or 50059, as applicable, showing an end of participation. The PHA will only approve assistance contingent upon the move-out from the currently occupied assisted unit.

Debts Owed to PHAs and Terminations

All adult household members must sign the form HUD-52675 Debts Owed to Public Housing and Terminations. Prior to admission to the program, the PHA must search for each adult family member in the Debts Owed to PHAs and Terminations module.

If a current or former tenant disputes the information in the module, the tenant should contact the PHA directly in writing to dispute the information and provide any documentation that supports the dispute. If the PHA determines that the disputed information is incorrect, the PHA will update or delete the record from EIV. Former tenants may dispute debt and termination information for a period of up to three years from the end of participation date in the program.

PHA Policy

The PHA will require each adult household member to sign the form HUD-52675 once at the eligibility determination. Any new members added to the household after admission will be required to sign the form HUD-52675 prior to being added to the household.

The PHA will search the Debts Owed to PHAs and Terminations module as part of the eligibility determination for new households and as part of the screening process for any household members added after the household is admitted to the program. If any information on debts or terminations is returned by the search, the PHA will determine if this information warrants a denial in accordance with the policies in Part III of this chapter.

Income and Income Validation Tool (IVT) Reports

For each new admission, the PHA is required to review the EIV Income and IVT Reports to confirm and validate family reported income within 120 days of the IMS/PIC submission date of the new admission. The PHA must print and maintain copies of the EIV Income and IVT reports in the tenant file and resolve any discrepancies with the family within 60 days of the EIV Income or IVT report dates.

PART III: DENIAL OF ASSISTANCE

3-III.A. OVERVIEW

A family that does not meet the eligibility criteria discussed in Parts I and II, must be denied assistance. A PHA may deny assistance for an applicant because of the family's action or failure to act as described in 24 CFR 982.552 or 982.553. In this section we will discuss other situations and circumstances in which denial of assistance is mandatory for the PHA, and those in which denial of assistance is optional for the PHA.

While the regulations state that the PHA must prohibit admission for certain types of criminal activity and give the PHA the option to deny for other types of previous criminal history, more recent HUD rules and OGC guidance must also be taken into consideration when determining whether a particular individual's criminal history merits denial of admission.

When considering any denial of admission, PHAs may not use arrest records as the basis for the denial. Further, HUD does not require the adoption of "One Strike" policies and reminds PHAs of their obligation to safeguard the due process rights of applicants and tenants [Notice PIH 2015-19].

HUD's Office of General Counsel issued a memo on April 4, 2016, regarding the application of Fair Housing Act standards to the use of criminal records. This memo states that a PHA violates the Fair Housing Act when their policy or practice has an unjustified discriminatory effect, even when the PHA had no intention to discriminate. Where a policy or practice that restricts admission based on criminal history has a disparate impact on a particular race, national origin, or other protected class, that policy or practice is in violation of the Fair Housing Act if it is not necessary to serve a substantial, legitimate, nondiscriminatory interest of the PHA, or if that interest could be served by another practice that has a less discriminatory effect [OGC Memo 4/4/16]. HUD codified this stance on disparate impact and discriminatory effects in a final rule dated March 31, 2023. In doing so, HUD also standardized its long-practiced three-step approach to assessing burdens of proof.

PHAs who impose blanket prohibitions on any person with any conviction record, no matter when the conviction occurred, what the underlying conduct entailed, or what the convicted person has done since then will be unable to show that such policy or practice is necessary to achieve a substantial, legitimate, nondiscriminatory interest. Even a PHA with a more tailored policy or practice that excludes individuals with only certain types of convictions must still prove that its policy is necessary. To do this, the PHA must show that its policy accurately distinguishes between criminal conduct that indicates a demonstrable risk to resident safety and property and criminal conduct that does not.

Forms of Denial [24 CFR 982.552(a)(2); HCV GB, p. 5-35]

Denial of assistance includes any of the following:

- Not placing the family's name on the waiting list
- Denying or withdrawing a voucher
- Not approving a request for tenancy or refusing to enter into a HAP contract
- Refusing to process a request for or to provide assistance under portability procedures

Prohibited Reasons for Denial of Program Assistance [24 CFR 982.202(b), 24 CFR 5.2005(b)]

HUD rules prohibit denial of program assistance to the program based on any of the following criteria:

- Age, disability, race, color, religion, sex, or national origin (See Chapter 2 for additional information about fair housing and equal opportunity requirements.)
- Where a family lives prior to admission to the program
- Where the family will live with assistance under the program. Although eligibility is not affected by where the family will live, there may be restrictions on the family's ability to move outside the PHA's jurisdiction under portability. (See Chapter 10.)
- Whether members of the family are unwed parents, recipients of public assistance, or children born out of wedlock
- Whether the family includes children
- Whether a family decides to participate in a family self-sufficiency program
- Whether or not a qualified applicant is or has been a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking if the applicant is otherwise qualified for assistance (See section 3-III.G.)

3-III.B. MANDATORY DENIAL OF ASSISTANCE [24 CFR 982.553(a) and 24 CFR 982.552(b)(6)]

HUD requires the PHA to deny assistance in the following cases:

- Any member of the household has been evicted from federally assisted housing in the last three years for drug-related criminal activity. HUD permits, but does not require, the PHA to admit an otherwise-eligible family if the household member has completed a PHA-approved drug rehabilitation program or the circumstances which led to eviction no longer exist (e.g., the person involved in the criminal activity no longer lives in the household).

PHA Policy

The PHA will admit an otherwise-eligible family who was evicted from federally assisted housing within the past three years for drug-related criminal activity if the PHA is able to verify that the household member who engaged in the criminal activity has completed a supervised drug rehabilitation program approved by the PHA, or the person who committed the crime, is no longer living in the household.

- The PHA determines that any household member is currently engaged in the use of illegal drugs.

PHA Policy

Currently engaged in is defined as any use of illegal drugs during the previous three months.

- The PHA has reasonable cause to believe that any household member's current use or pattern of use of illegal drugs, or current abuse or pattern of abuse of alcohol, may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

PHA Policy

In determining reasonable cause, the PHA will consider all credible evidence, including but not limited to, any record of convictions, arrests, or evictions of household members related to the use of illegal drugs or the abuse of alcohol. A record or records of arrest will not be used as the sole basis of determining reasonable cause. The PHA will also consider evidence from treatment providers or community-based organizations providing services to household members.

- Any household member has ever been convicted of drug-related criminal activity for the production or manufacture of methamphetamine on the premises of federally assisted housing.
- Any household member is subject to a lifetime registration requirement under a state sex offender registration program.
- Any member of the family fails to sign and submit consent forms for obtaining information.
- The family does not meet the restrictions on net assets and real property ownership as required by 24 CFR 5.618.

3-III.C. RESTRICTION ON ASSISTANCE BASED ON ASSETS [24 CFR 5.618]

Upon the PHA's HOTMA 102/104 compliance date, the following section on the asset limitation is added. The asset limitation does not apply until the PHA's HOTMA compliance date.

There are two circumstances under which a family is ineligible to receive assistance based on asset ownership.

First, assistance may not be provided to any family if the family's net assets exceed \$100,000 (adjusted annually by HUD).

Second, the family has real property that is suitable for occupancy by the family as a residence and the family has:

- A present ownership interest in the real property; and
- A legal right to reside in the real property; and
- The effective legal authority to sell (based on state or local laws of the jurisdiction where the property is located) the real property.

However, the real property restriction does not apply in the following circumstances:

- Any property for which the family is receiving assistance for a manufactured home under 24 CFR 982.620 or under the HCV Homeownership program;
- Any property that is jointly owned by a member of the family and at least one non-household member who does not live with the family, if the non-household member resides at the jointly owned property;
- Any family that is offering the property for sale; or
- Any person who is a victim of domestic violence, dating violence, sexual assault, or stalking.
 - When a family asks for an exception because a family member is a victim of domestic violence, dating violence, sexual assault, or stalking, the PHA must comply with all the confidentiality requirements under VAWA. The PHA must accept a self-certification from the family member, and the restrictions on requesting documentation under VAWA apply.

A property is considered *suitable for occupancy* unless the family demonstrates that it:

- Does not meet the disability-related needs for all members of the family (e.g., physical accessibility requirements, disability-related need for additional bedrooms, proximity to accessible transportation, etc.);
- Is not sufficient for the size of the family;

PHA Policy

The PHA defines *not sufficient for the size of the family* as being overcrowded based on the PHA's subsidy standards in Chapter 5 of this policy.

- Is geographically located so as to be a hardship for the family (e.g., the distance or commuting time between the property and the family's place of work or school would be a hardship to the family, as determined by the PHA or owner); Is not safe to reside in because of the physical condition of the property (e.g., property's physical condition poses a risk to the family's health and safety and the condition of the property cannot be easily remedied); or
- Is not a property that a family may reside in under the state or local laws of the jurisdiction where the property is located.

3-III.D. OTHER PERMITTED REASONS FOR DENIAL OF ASSISTANCE

HUD permits, but does not require, the PHA to deny assistance for the reasons discussed in this section.

Criminal Activity [24 CFR 982.553]

HUD permits, but does not require, the PHA to deny assistance if the PHA determines that any household member is currently engaged in, or has engaged in during a reasonable time before the family would receive assistance, certain types of criminal activity.

PHA Policy

If any household member is currently engaged in, or has engaged in any of the following criminal activities, within the past three years, the family will be denied assistance.

Drug-related criminal activity, defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug [24 CFR 5.100];

Violent criminal activity, defined by HUD as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage [24 CFR 5.100];

Criminal activity that may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity;

Immediate vicinity means within a three-block radius of the premises.

Criminal sexual conduct, including but not limited to sexual assault, incest, open and gross lewdness, or child abuse; or

Criminal activity that may threaten the health or safety of property owners, management staff, and persons performing contract administration functions or other responsibilities on behalf of the PHA (including a PHA employee or a PHA contractor, subcontractor, or agent).

Evidence of such criminal activity includes, but is not limited to:

Any conviction for drug-related or violent criminal activity within the past three years.

Records of arrests for drug-related or violent criminal activity within the past three years, although a record or records of arrest will not be used as the sole basis for the denial or proof that the applicant engaged in disqualifying criminal activity.

In making its decision to deny assistance, the PHA will consider the factors discussed in Section 3-III.F and 3-III.G. Upon consideration of such factors, the PHA may, on a case-by-case basis, decide not to deny assistance.

Previous Behavior in Assisted Housing [24 CFR 982.552(c)]

HUD authorizes the PHA to deny assistance based on the family's previous behavior in assisted housing.

PHAs are not permitted to deny assistance to a family because the family previously failed to meet its obligations under the Family Self-Sufficiency (FSS) program [24 CFR 984.101(d)].

PHA Policy

The PHA **will** deny assistance to an applicant family if:

The family does not provide information that the PHA or HUD determines is necessary in the administration of the program.

The family does not provide complete and true information to the PHA.

Any family member has been evicted from federally assisted housing in the last three years.

Any family member has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.

The family owes rent or other amounts to any PHA in connection with Section 8 or other public housing assistance under the 1937 Act, unless the family repays the full amount of the debt prior to being selected from the waiting list.

If the family has not reimbursed any PHA for amounts the PHA paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease, unless the family repays the full amount of the debt prior to being selected from the waiting list.

The family has breached the terms of a repayment agreement entered into with the PHA, unless the family repays the full amount of the debt covered in the repayment agreement prior to being selected from the waiting list.

When denying admission due to family debts as shown in HUD's EIV system, the PHA will provide the family with a copy of the EIV Debt Owed to PHA and Termination report.

If the family wishes to dispute the information in the report, the family must contact the PHA that entered the information in EIV in writing, explaining why EIV information is disputed. The family must also provide a copy of the letter and all applicable verification to the PHA to support the family's claim. The PHA will consider the information provided by the family prior to issuing a notice of denial.

A family member has engaged in or threatened violent or abusive behavior toward PHA personnel.

Abusive or violent behavior towards PHA personnel includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.

Threatening refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

In making its decision to deny assistance, the PHA will consider the factors discussed in Section 3-III.F and 3-III.G. Upon consideration of such factors, the PHA may, on a case-by-case basis, decide not to deny assistance.

3-III.E. SCREENING

Screening for Eligibility

PHAs are authorized to obtain criminal conviction records from law enforcement agencies to screen applicants for admission to the HCV program. This authority assists the PHA in complying with HUD requirements and PHA policies to deny assistance to applicants who are engaging in or have engaged in certain criminal activities. In order to obtain access to the records the PHA must require every applicant family to submit a consent form signed by each adult household member [24 CFR 5.903].

PHA Policy

The PHA will perform a criminal background check through local law enforcement for every adult household member.

If the results of the criminal background check indicate that there may be past criminal activity, but the results are inconclusive, the PHA will request a fingerprint card and will request information from the National Crime Information center (NCIC).

While a PHA has regulatory authority to use criminal conviction records for the purpose of applicant screening for admission, there is no corresponding authority to use these records to check for criminal and illegal drug activity by participants, and therefore, PHAs may not use records for this purpose.

PHAs are required to perform criminal background checks necessary to determine whether any household member is subject to a lifetime registration requirement under a state sex offender program in the state where the housing is located, as well as in any other state where a household member is known to have resided [24 CFR 982.553(a)(2)(i)].

PHA Policy

The PHA will use the Dru Sjodin National Sex Offender database to screen applicants for admission.

Additionally, PHAs must ask whether the applicant, or any member of the applicant's household, is subject to a lifetime registered sex offender registration requirement in any state [Notice PIH 2012-28].

If the PHA proposes to deny assistance based on a criminal record or on lifetime sex offender registration information, the PHA must notify the household of the proposed action and must provide the subject of the record and the applicant a copy of the record and an opportunity to dispute the accuracy and relevance of the information prior to a denial of admission. [24 CFR 5.903(f) and 5.905(d)].

Screening for Suitability as a Tenant [24 CFR 982.307]

The PHA has no liability or responsibility to the owner for the family's behavior or suitability for tenancy. The PHA has the authority to conduct additional screening to determine whether an applicant is likely to be a suitable tenant.

PHA Policy

The PHA will not conduct additional screening to determine an applicant family's suitability for tenancy.

The owner is responsible for screening and selection of the family to occupy the owner's unit. The PHA must inform the owner that screening and selection for tenancy is the responsibility of the owner. An owner may consider a family's history with respect to factors such as: payment of rent and utilities, caring for a unit and premises, respecting the rights of other residents to the peaceful enjoyment of their housing, criminal activity that is a threat to the health, safety or property of others, and compliance with other essential conditions of tenancy.

HUD requires the PHA to provide prospective owners with the family's current and prior address (as shown in PHA records) and the name and address (if known) of the owner at the family's current and prior addresses. HUD permits the PHA to provide owners with additional information, as long as families are notified that the information will be provided, and the same type of information is provided to all owners.

The PHA may not disclose to the owner any confidential information provided to the PHA by the family in response to a PHA request for documentation of domestic violence, dating violence, sexual assault, stalking, or human trafficking, except at the written request or with the written consent of the individual providing the documentation [see 24 CFR 5.2007(a)(4)].

PHA Policy

The PHA will inform owners of their responsibility to screen prospective tenants, and will provide owners with the required known name and address information, at the time of the initial inspection or before. The PHA will not provide any additional information to the owner, such as tenancy history or criminal history, etc.

3-III.F. CRITERIA FOR DECIDING TO DENY ASSISTANCE

Evidence [24 CFR 982.553(c)]

PHA Policy

The PHA will use the concept of the preponderance of the evidence as the standard for making all admission decisions.

Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not.

Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

Consideration of Circumstances [24 CFR 982.552(c)(2)]

HUD authorizes the PHA to consider all relevant circumstances when deciding whether to deny assistance based on a family's past history except in the situations for which denial of assistance is mandatory (see Section 3-III.B).

PHA Policy

The PHA will consider the following facts and circumstances prior to making its decision:

The seriousness of the case, especially with respect to how it would affect other residents' safety or property

The effects that denial of assistance may have on other members of the family who were not involved in the action or failure to act

The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities, or (as discussed further in section 3-III.H.) a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking

The length of time since the violation occurred, including the age of the individual at the time of the conduct, as well as the family's recent history and the likelihood of favorable conduct in the future

While a record or records of arrest will not be used as the sole basis for denial, an arrest may trigger an investigation to determine whether the applicant actually engaged in disqualifying criminal activity. As part of its investigation, the PHA may obtain the police report associated with the arrest and consider the reported circumstances of the arrest. The PHA may also consider:

- Any statements made by witnesses or the applicant not included in the police report

- Whether criminal charges were filed

- Whether, if filed, criminal charges were abandoned, dismissed, not prosecuted, or ultimately resulted in an acquittal

- Any other evidence relevant to determining whether or not the applicant engaged in disqualifying activity

Evidence of criminal conduct will be considered if it indicates a demonstrable risk to safety and/or property

In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully

- The PHA will require the applicant to submit evidence of the household member's current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.

Removal of a Family Member's Name from the Application

Should the PHA's screening process reveal that an applicant's household includes an individual subject to state lifetime registered sex offender registration, the PHA must offer the family the opportunity to remove the ineligible family member from the household. If the family is unwilling to remove that individual from the household, the PHA must deny admission to the family [Notice PIH 2012-28].

For other criminal activity, the PHA may permit the family to exclude the culpable family members as a condition of eligibility. [24 CFR 982.552(c)(2)(ii)].

PHA Policy

As a condition of receiving assistance, a family may agree to remove the culpable family member from the application. In such instances, the head of household must certify that the family member will not be permitted to visit, stay as a guest, or reside in the assisted unit.

After admission to the program, the family must present evidence of the former family member's current address upon PHA request.

Reasonable Accommodation [24 CFR 982.552(c)(2)(iv)]

If the family includes a person with disabilities, the PHA's decision concerning denial of admission is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

PHA Policy

If the family indicates that the behavior of a family member with a disability is the reason for the proposed denial of assistance, the PHA will determine whether the behavior is related to the stated disability. If so, upon the family's request, the PHA will determine whether admitting the family as a reasonable accommodation is appropriate. The PHA will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed denial of assistance. See Chapter 2 for a discussion of reasonable accommodation.

3-III.G. NOTICE OF ELIGIBILITY OR DENIAL

If the family is eligible for assistance, the PHA will notify the family in writing and schedule a tenant briefing, as discussed in Chapter 5.

If the PHA determines that a family is not eligible for the program for any reason, the family must be notified promptly. The notice must describe: (1) the reasons for which assistance has been denied, (2) the family's right to an informal review, and (3) the process for obtaining the informal review [24 CFR 982.554 (a)]. See Chapter 16, for informal review policies and procedures.

PHA Policy

The family will be notified of a decision to deny assistance in writing within 10 business days of the determination.

If a PHA uses a criminal record or sex offender registration information obtained under 24 CFR 5, Subpart J, as the basis of a denial, a copy of the record must precede the notice to deny, with an opportunity for the applicant to dispute the accuracy and relevance of the information before the PHA can move to deny the application. In addition, a copy of the record must be provided to the subject of the record [24 CFR 5.903(f) and 5.905(d)]. The PHA must give the family an opportunity to dispute the accuracy and relevance of that record, in the informal review process in accordance with program requirements [24 CFR 982.553(d)].

PHA Policy

If based on a criminal record or sex offender registration information, an applicant family appears to be ineligible the PHA will notify the family in writing of the proposed denial and provide a copy of the record to the applicant and to the subject of the record. The family will be given 10 business days to dispute the accuracy and relevance of the information. If the family does not contact the PHA to dispute the information within that 10-day period, the PHA will proceed with issuing the notice of denial of admission. A family that does not exercise their right to dispute the accuracy of the information prior to issuance of the official denial letter will still be given the opportunity to do so as part of the informal review process.

Notice requirements related to denying assistance to noncitizens are contained in Section 3-II.B.

Notice policies related to denying admission to applicants who may be victims of domestic violence, dating violence, sexual assault, stalking, or human trafficking are contained in Section 3-III.H.

3-III.H. PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, STALKING, AND HUMAN TRAFFICKING

The Violence against Women Act (VAWA) and the HUD regulation at 24 CFR 5.2005(b) prohibit PHAs from denying an applicant admission to the HCV program on the basis or as a direct result of the fact that the applicant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant otherwise qualifies for assistance or admission.

- Although the VAWA 2022 statute does not specifically include human trafficking in the list of victims protected under VAWA, in 2022 HUD began including human trafficking as part of the list of victims protected under VAWA (as seen in Notices PIH 2022-06, PIH 2022-22, and PIH 2022-24). In the absence of a final rule implementing VAWA 2022 and to mirror HUD's recent usage, this policy includes human trafficking in addition to domestic violence, dating violence, sexual assault, and stalking anywhere such a list appears.

Definitions of key terms used in VAWA are provided in section 16-IX of this plan, where general VAWA requirements and policies pertaining to notification, documentation, and confidentiality are also located.

Notification

VAWA requires PHAs to provide applicants who are denied assistance with a VAWA Notice of Occupancy Rights (form HUD-5380) and a domestic violence certification form (HUD-5382) at the time the applicant is denied.

PHA Policy

The PHA acknowledges that a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking may have an unfavorable history (e.g., a poor credit history, poor rental history, a record of previous damage to an apartment, a prior arrest record) due to adverse factors that would warrant denial under the PHA's policies.

While the PHA is not required to identify whether adverse factors that resulted in the applicant's denial are a result of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the applicant may inform the PHA that their status as a victim is directly related to the grounds for the denial. The PHA will request that the applicant provide enough information to the PHA to allow the PHA to make an objectively reasonable determination, based on all circumstances, whether the adverse factor is a direct result of their status as a victim.

The PHA will include in its notice of denial the VAWA information described in section 16-IX.C of this plan as well as including a copy of the form HUD-5382. The PHA will request in writing that an applicant wishing to claim protection under VAWA notify the PHA within 14 business days.

Documentation

Victim Documentation [24 CFR 5.2007]

PHA Policy

If an applicant claims the protection against denial of assistance that VAWA provides to victims of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the PHA will request in writing that the applicant provide documentation supporting the claim in accordance with section 16-IX.D of this plan.

Perpetrator Documentation

PHA Policy

If the perpetrator of the abuse is a member of the applicant family, the applicant must provide additional documentation consisting of one of the following:

A signed statement (1) requesting that the perpetrator be removed from the application and (2) certifying that the perpetrator will not be permitted to visit or to stay as a guest in the assisted unit

Documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment. The documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to their belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation.

EXHIBIT 3-1: DETAILED DEFINITIONS RELATED TO DISABILITIES

Person with Disabilities [24 CFR 5.403]

The term *person with disabilities* means a person who has any of the following types of conditions:

- Has a disability, as defined in 42 U.S.C. Section 423(d)(1)(A), which reads:

Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months; *or*

In the case of an individual who has attained the age of 55 and is blind (within the meaning of “blindness” as defined in section 416(i)(1) of this title), inability by reason of such blindness to engage in substantial gainful activity, requiring skills or ability comparable to those of any gainful activity in which he has previously engaged with some regularity and over a substantial period of time.
- Has a developmental disability as defined in the Developmental Disabilities Assistance and Bill of Rights Act of 2000 [42 U.S.C.15002(8)], which defines developmental disability in functional terms as follows:

(A) In General

The term “developmental disability” means a severe, chronic disability of an individual that:

- (i) is attributable to a mental or physical impairment or combination of mental and physical impairments;
- (ii) is manifested before the individual attains age 22;
- (iii) is likely to continue indefinitely;
- (iv) results in substantial functional limitations in 3 or more of the following areas of major life activity: (I) Self-care, (II) Receptive and expressive language, (III) Learning, (IV) Mobility, (V) Self-direction, (VI) Capacity for independent living, (VII) Economic self-sufficiency; and
- (v) reflects the individual’s need for a combination and sequence of special, interdisciplinary, or generic services, individualized supports, or other forms of assistance that are of lifelong or extended duration and are individually planned and coordinated.

(B) Infants and Young Children

An individual from birth to age 9, inclusive, who has a substantial developmental delay or specific congenital or acquired condition, may be considered to have a developmental disability without meeting 3 or more of the criteria described in clauses (i) through (v) of subparagraph (A) if the individual, without services and supports, has a high probability of meeting those criteria later in life.

- Has a physical, mental, or emotional impairment that is expected to be of long-continued and indefinite duration; substantially impedes their ability to live independently, and is of such a nature that the ability to live independently could be improved by more suitable housing conditions.

People with the acquired immunodeficiency syndrome (AIDS) or any conditions arising from the etiologic agent for AIDS are not excluded from this definition.

A person whose disability is based solely on any drug or alcohol dependence does not qualify as a person with disabilities for the purposes of this program.

For purposes of reasonable accommodation and program accessibility for persons with disabilities, the term person with disabilities refers to an individual with handicaps.

Individual with Handicaps [24 CFR 8.3]

Individual with handicaps means any person who has a physical or mental impairment that substantially limits one or more major life activities; has a record of such an impairment; or is regarded as having such an impairment. The term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others. As used in this definition, the phrase:

(1) Physical or mental impairment includes:

- (a) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or
- (b) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

(2) *Major life activities* means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

(3) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(4) *Is regarded as having an impairment* means:

- (a) Has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation;
- (b) Has a physical or mental impairment that substantially limits one or more major life activities only as a result of the attitudes of others toward such impairment; or
- (c) Has none of the impairments defined in paragraph (1) of this section but is treated by a recipient as having such an impairment.

<p style="text-align: center;">EXHIBIT 3-2: DEFINITION OF INSTITUTION OF HIGHER EDUCATION [20 U.S.C. 1001 and 1002]</p>

Eligibility of Students for Assisted Housing Under Section 8 of the U.S. Housing Act of 1937; Supplementary Guidance; Notice [Federal Register, April 10, 2006]

Institution of Higher Education shall have the meaning given this term in the Higher Education Act of 1965 in 20 U.S.C. 1001 and 1002.

Definition of “Institution of Higher Education” From 20 U.S.C. 1001

- (a) Institution of higher education. For purposes of this chapter, other than subchapter IV and part C of subchapter I of chapter 34 of Title 42, the term “institution of higher education” means an educational institution in any State that
 - (1) Admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of such a certificate;
 - (2) Is legally authorized within such State to provide a program of education beyond secondary education;
 - (3) Provides an educational program for which the institution awards a bachelor’s degree or provides not less than a 2-year program that is acceptable for full credit toward such a degree;
 - (4) Is a public or other nonprofit institution; and
 - (5) Is accredited by a nationally recognized accrediting agency or association, or if not so accredited, is an institution that has been granted preaccreditation status by such an agency or association that has been recognized by the Secretary for the granting of preaccreditation status, and the Secretary has determined that there is satisfactory assurance that the institution will meet the accreditation standards of such an agency or association within a reasonable time.
- (b) Additional institutions included. For purposes of this chapter, other than subchapter IV and part C of subchapter I of chapter 34 of Title 42, the term “institution of higher education” also includes—
 - (1) Any school that provides not less than a 1-year program of training to prepare students for gainful employment in a recognized occupation and that meets the provision of paragraphs (1), (2), (4), and (5) of subsection (a) of this section; and
 - (2) A public or nonprofit private educational institution in any State that, in lieu of the requirement in subsection (a)(1) of this section, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.
- (c) List of accrediting agencies. For purposes of this section and section 1002 of this title, the Secretary shall publish a list of nationally recognized accrediting agencies or associations that the Secretary determines, pursuant to subpart 2 of part G of subchapter IV of this chapter, to be reliable authority as to the quality of the education or training offered.

Definition of “Institution of Higher Education” From 20 U.S.C. 1002

(a) Definition of institution of higher education for purposes of student assistance programs

(1) Inclusion of additional institutions. Subject to paragraphs (2) through (4) of this subsection, the term “institution of higher education” for purposes of subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42 includes, in addition to the institutions covered by the definition in section 1001 of this title—

(A) A proprietary institution of higher education (as defined in subsection (b) of this section);

(B) A postsecondary vocational institution (as defined in subsection (c) of this section); and

(C) Only for the purposes of part B of subchapter IV of this chapter, an institution outside the United States that is comparable to an institution of higher education as defined in section 1001 of this title and that has been approved by the Secretary for the purpose of part B of subchapter IV of this chapter.

(2) Institutions outside the United States

(A) In general. For the purpose of qualifying as an institution under paragraph (1)(C), the Secretary shall establish criteria by regulation for the approval of institutions outside the United States and for the determination that such institutions are comparable to an institution of higher education as defined in section 1001 of this title (except that a graduate medical school, or a veterinary school, located outside the United States shall not be required to meet the requirements of section 1001 (a)(4) of this title). Such criteria shall include a requirement that a student attending such school outside the United States is ineligible for loans made, insured, or guaranteed under part B of subchapter IV of this chapter unless—

(i) In the case of a graduate medical school located outside the United States—

(I)(aa) At least 60 percent of those enrolled in, and at least 60 percent of the graduates of, the graduate medical school outside the United States were not persons described in section 1091(a)(5) of this title in the year preceding the year for which a student is seeking a loan under part B of subchapter IV of this chapter; and

(bb) At least 60 percent of the individuals who were students or graduates of the graduate medical school outside the United States or Canada (both nationals of the United States and others) taking the examinations administered by the Educational Commission for Foreign Medical Graduates received a passing score in the year preceding the year for which a student is seeking a loan under part B of subchapter IV of this chapter; or

(II) The institution has a clinical training program that was approved by a State as of January 1, 1992; or

- (ii) In the case of a veterinary school located outside the United States that does not meet the requirements of section 1001(a)(4) of this title, the institution's students complete their clinical training at an approved veterinary school located in the United States.
- (B) Advisory panel
 - (i) In general. For the purpose of qualifying as an institution under paragraph (1)(C) of this subsection, the Secretary shall establish an advisory panel of medical experts that shall—
 - (I) Evaluate the standards of accreditation applied to applicant foreign medical schools; and
 - (II) Determine the comparability of those standards to standards for accreditation applied to United States medical schools.
 - (ii) Special rule if the accreditation standards described in clause (i) are determined not to be comparable, the foreign medical school shall be required to meet the requirements of section 1001 of this title.
- (C) Failure to release information. The failure of an institution outside the United States to provide, release, or authorize release to the Secretary of such information as may be required by subparagraph (A) shall render such institution ineligible for the purpose of part B of subchapter IV of this chapter.
- (D) Special rule. If, pursuant to this paragraph, an institution loses eligibility to participate in the programs under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, then a student enrolled at such institution may, notwithstanding such loss of eligibility, continue to be eligible to receive a loan under part B while attending such institution for the academic year succeeding the academic year in which such loss of eligibility occurred.
- (3) Limitations based on course of study or enrollment. An institution shall not be considered to meet the definition of an institution of higher education in paragraph (1) if such institution—
 - (A) Offers more than 50 percent of such institution's courses by correspondence, unless the institution is an institution that meets the definition in section 2471 (4)(C) of this title;
 - (B) Enrolls 50 percent or more of the institution's students in correspondence courses, unless the institution is an institution that meets the definition in such section, except that the Secretary, at the request of such institution, may waive the applicability of this subparagraph to such institution for good cause, as determined by the Secretary in the case of an institution of higher education that provides a 2-or 4-year program of instruction (or both) for which the institution awards an associate or baccalaureate degree, respectively;

- (C) Has a student enrollment in which more than 25 percent of the students are incarcerated, except that the Secretary may waive the limitation contained in this subparagraph for a nonprofit institution that provides a 2-or 4-year program of instruction (or both) for which the institution awards a bachelor's degree, or an associate's degree or a postsecondary diploma, respectively; or
 - (D) Has a student enrollment in which more than 50 percent of the students do not have a secondary school diploma or its recognized equivalent, and does not provide a 2-or 4-year program of instruction (or both) for which the institution awards a bachelor's degree or an associate's degree, respectively, except that the Secretary may waive the limitation contained in this subparagraph if a nonprofit institution demonstrates to the satisfaction of the Secretary that the institution exceeds such limitation because the institution serves, through contracts with Federal, State, or local government agencies, significant numbers of students who do not have a secondary school diploma or its recognized equivalent.
- (4) Limitations based on management. An institution shall not be considered to meet the definition of an institution of higher education in paragraph (1) if—
- (A) The institution, or an affiliate of the institution that has the power, by contract or ownership interest, to direct or cause the direction of the management or policies of the institution, has filed for bankruptcy, except that this paragraph shall not apply to a nonprofit institution, the primary function of which is to provide health care educational services (or an affiliate of such an institution that has the power, by contract or ownership interest, to direct or cause the direction of the institution's management or policies) that files for bankruptcy under chapter 11 of title 11 between July 1, 1998, and December 1, 1998; or
 - (B) The institution, the institution's owner, or the institution's chief executive officer has been convicted of, or has pled nolo contendere or guilty to, a crime involving the acquisition, use, or expenditure of funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, or has been judicially determined to have committed fraud involving funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42.
- (5) Certification. The Secretary shall certify an institution's qualification as an institution of higher education in accordance with the requirements of subpart 3 of part G of subchapter IV of this chapter.
- (6) Loss of eligibility. An institution of higher education shall not be considered to meet the definition of an institution of higher education in paragraph (1) if such institution is removed from eligibility for funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42 as a result of an action pursuant to part G of subchapter IV of this chapter.

(b) Proprietary institution of higher education

- (1) Principal criteria. For the purpose of this section, the term “proprietary institution of higher education” means a school that—
 - (A) Provides an eligible program of training to prepare students for gainful employment in a recognized occupation;
 - (B) Meets the requirements of paragraphs (1) and (2) of section 1001 (a) of this title;
 - (C) Does not meet the requirement of paragraph (4) of section 1001 (a) of this title;
 - (D) Is accredited by a nationally recognized accrediting agency or association recognized by the Secretary pursuant to part G of subchapter IV of this chapter;
 - (E) Has been in existence for at least 2 years; and
 - (F) Has at least 10 percent of the school’s revenues from sources that are not derived from funds provided under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, as determined in accordance with regulations prescribed by the Secretary.
- (2) Additional institutions. The term “proprietary institution of higher education” also includes a proprietary educational institution in any State that, in lieu of the requirement in paragraph (1) of section 1001 (a) of this title, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.

(c) Postsecondary vocational institution.

- (1) Principal criteria. For the purpose of this section, the term “postsecondary vocational institution” means a school that—
 - (A) Provides an eligible program of training to prepare students for gainful employment in a recognized occupation;
 - (B) Meets the requirements of paragraphs (1), (2), (4), and (5) of section 1001 (a) of this title; and
 - (C) Has been in existence for at least 2 years.
- (2) Additional institutions. The term “postsecondary vocational institution” also includes an educational institution in any State that, in lieu of the requirement in paragraph (1) of section 1001 (a) of this title, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.

Chapter 4

APPLICATIONS, WAITING LIST AND TENANT SELECTION

INTRODUCTION

When a family wishes to receive assistance under the HCV program, the family must submit an application that provides the PHA with the information needed to determine the family's eligibility. HUD requires the PHA to place all families that apply for assistance on a waiting list. When HCV assistance becomes available, the PHA must select families from the waiting list in accordance with HUD requirements and PHA policies as stated in the administrative plan and the annual plan.

The PHA is required to adopt clear policies and procedures for accepting applications, placing families on the waiting list, and selecting families from the waiting list, and must follow these policies and procedures consistently. The actual order in which families are selected from the waiting list can be affected if a family has certain characteristics designated by HUD or the PHA that justify their selection. Examples of this are the selection of families for income targeting and the selection of families that qualify for targeted funding.

HUD regulations require that all families have an equal opportunity to apply for and receive housing assistance, and that the PHA affirmatively further fair housing goals in the administration of the program [24 CFR 982.53, HCV GB p. 4-1]. Adherence to the selection policies described in this chapter ensures that the PHA will be in compliance with all relevant fair housing requirements, as described in Chapter 2.

This chapter describes HUD and PHA policies for taking applications, managing the waiting list and selecting families for HCV assistance. The policies outlined in this chapter are organized into three sections, as follows:

Part I: The Application Process. This part provides an overview of the application process and discusses how applicants can obtain and submit applications. It also specifies how the PHA will handle the applications it receives.

Part II: Managing the Waiting List. This part presents the policies that govern how the PHA's waiting list is structured, when it is opened and closed, and how the public is notified of the opportunity to apply for assistance. It also discusses the process the PHA will use to keep the waiting list current.

Part III: Selection for HCV Assistance. This part describes the policies that guide the PHA in selecting families for HCV assistance as such assistance becomes available. It also specifies how in-person interviews will be used to ensure that the PHA has the information needed to make a final eligibility determination.

PART I: THE APPLICATION PROCESS

4-I.A. OVERVIEW

This part describes the PHA policies for making applications available, accepting applications making preliminary determinations of eligibility, and the placement of applicants on the waiting list. This part also describes the PHA's obligation to ensure the accessibility of the application process to elderly persons, people with disabilities, and people with limited English proficiency (LEP).

4-I.B. APPLYING FOR ASSISTANCE [HCV GB, pp. 4-11 – 4-16, Notice PIH 2009-36]

Any family that wishes to receive HCV assistance must apply for admission to the program. HUD permits the PHA to determine the format and content of HCV applications, as well how such applications will be made available to interested families and how applications will be accepted by the PHA. The PHA must include Form HUD-92006, Supplement to Application for Federally Assisted Housing, as part of the PHA's application.

PHA Policy

Depending upon the length of time that applicants may need to wait to receive assistance, the PHA may use a one- or two-step application process.

A one-step process will be used when it is expected that a family will be selected from the waiting list within 60 days of the date of application. At application, the family must provide all of the information necessary to establish family eligibility and level of assistance.

A two-step process will be used when it is expected that a family will not be selected from the waiting list for at least 60 days from the date of application. Under the two-step application process, the PHA initially will require families to provide only the information needed to make an initial assessment of the family's eligibility, and to determine the family's placement on the waiting list. The family will be required to provide all of the information necessary to establish family eligibility and level of assistance when the family is selected from the waiting list.

Families may obtain application forms from the PHA's office during normal business hours and if applicable PHA's Website. Families may also request – by telephone or by mail – that an application be mailed to them via first class mail. PHA reserves the right to require all applicants to apply online via PHA's website, app or application portal. See section 4-I.C for reasonable accommodation considerations.

Applications must be complete in order to be accepted by the PHA for processing. If an application is incomplete, the PHA will notify the family of the additional information required.

4-I.C. ACCESSIBILITY OF THE APPLICATION PROCESS

Elderly and Disabled Populations [24 CFR 8 and HCV GB, pp. 4-11 – 4-13]

The PHA must take steps to ensure that the application process is accessible to those people who might have difficulty complying with the normal, standard PHA application process. This could include people with disabilities, certain elderly individuals, as well as persons with limited English proficiency (LEP). The PHA must provide reasonable accommodation to the needs of individuals with disabilities. The application-taking facility and the application process must be fully accessible, or the PHA must provide an alternate approach that provides full access to the application process. Chapter 2 provides a full discussion of the PHA's policies related to providing reasonable accommodations for people with disabilities.

Limited English Proficiency

PHAs are required to take reasonable steps to ensure equal access to their programs and activities by persons with limited English proficiency [24 CFR 1]. Chapter 2 provides a full discussion on the PHA's policies related to ensuring access to people with limited English proficiency (LEP).

4-I.D. PLACEMENT ON THE WAITING LIST

The PHA will utilize the lottery approach for placement on waitlist. Under this approach, the waiting list is not established based on date and time of application. Instead, the PHA randomly orders applications to form its waiting list. If the PHA anticipates receiving far more applications than it can assist in a reasonable period of time, the lottery rules may be established in advance with a limit to the number of applications that will be placed on the waiting list. When the application deadline has passed, the PHA randomly selects the number of applications from a pool of all applications submitted. Those selected are randomly ordered on a waiting list.

The PHA must review each complete application received and make a preliminary assessment of the family's eligibility. The PHA must accept applications from families for whom the list is open unless there is good cause for not accepting the application (such as denial of assistance) for the grounds stated in the regulations [24 CFR 982.206(b)(2)]. Where the family is determined to be ineligible, the PHA must notify the family in writing [24 CFR 982.201(f)]. Where the family is not determined to be ineligible, the family will be placed on a waiting list of applicants.

No applicant has a right or entitlement to be listed on the waiting list, or to any particular position on the waiting list [24 CFR 982.202(c)].

Ineligible for Placement on the Waiting List

PHA Policy

If the PHA can determine from the information provided that a family is ineligible, the family will not be placed on the waiting list. Where a family is determined to be ineligible, the PHA will send written notification of the ineligibility determination within 10 business days of receiving a complete application. The notice will specify the reasons for ineligibility and will inform the family of its right to request an informal review and explain the process for doing so.

Eligible for Placement on the Waiting List

PHA Policy

The PHA will send written notification of the preliminary eligibility determination within 10 business days of receiving a complete application.

Placement on the waiting list does not indicate that the family is, in fact, eligible for assistance. A final determination of eligibility will be made when the family is selected from the waiting list.

Applicants will be placed on the waiting list according to any applicable preference(s) for which they qualify.

PART II: MANAGING THE WAITING LIST

4-II.A. OVERVIEW

The PHA must have policies regarding various aspects of organizing and managing the waiting list of applicant families. This includes opening the list to new applicants, closing the list to new applicants, notifying the public of waiting list openings and closings, updating waiting list information, purging the list of families that are no longer interested in or eligible for assistance, as well as conducting outreach to ensure a sufficient number of applicants.

In addition, HUD imposes requirements on how a PHA may structure its waiting list and how families must be treated if they apply for assistance from a PHA that administers more than one assisted housing program.

4-II.B. ORGANIZATION OF THE WAITING LIST [24 CFR 982.204 and 205]

The PHA's HCV waiting list must be organized in such a manner to allow the PHA to accurately identify and select families for assistance in the proper order, according to the admissions policies described in this plan.

The waiting list must contain the following information for each applicant listed:

- Applicant name;
- Family unit size;
- Date and time of application;
- Qualification for any local preference;
- Racial or ethnic designation of the head of household.

HUD requires the PHA to maintain a single waiting list for the HCV program unless it serves more than one county or municipality. Such PHAs are permitted, but not required, to maintain a separate waiting list for each county or municipality served.

PHA Policy

The PHA will maintain a single waiting list for the HCV program.

HUD directs that a family that applies for assistance from the HCV program must be offered the opportunity to be placed on the waiting list for any public housing, project-based voucher or moderate rehabilitation program the PHA operates if 1) the other programs' waiting lists are open, and 2) the family is qualified for the other programs.

HUD permits, but does not require, that PHAs maintain a single merged waiting list for their public housing, Section 8, and other subsidized housing programs.

A family's decision to apply for, receive, or refuse other housing assistance must not affect the family's placement on the HCV waiting list, or any preferences for which the family may qualify.

PHA Policy

The PHA will not merge the HCV waiting list with the waiting list for any other program the PHA operates.

4-II.C. OPENING AND CLOSING THE WAITING LIST [24 CFR 982.206]

Closing the Waiting List

A PHA is permitted to close the waiting list if it has an adequate pool of families to use its available HCV assistance. Alternatively, the PHA may elect to continue to accept applications only from certain categories of families that meet particular preferences or funding criteria. Lottery approach will be utilized (see section 3-I.D.).

PHA Policy

The PHA will close the waiting list when the estimated waiting period for housing assistance for applicants on the list reaches 24 months for the most current applicants. Where the PHA has particular preferences or funding criteria that require a specific category of family, the PHA may elect to continue to accept applications from these applicants while closing the waiting list to others.

Reopening the Waiting List

If the waiting list has been closed, it cannot be reopened until the PHA publishes a notice in local newspapers of general circulation, minority media, and other suitable media outlets. The notice must comply with HUD fair housing requirements and must specify who may apply, and where and when applications will be received.

PHA Policy

The PHA will announce the reopening of the waiting list at least 10 business days prior to the date applications will first be accepted. If the list is only being reopened for certain categories of families, this information will be contained in the notice.

The PHA will give public notice by publishing the relevant information in suitable media outlets including, but not limited to:

Buffalo News, Challenger, Social Media Outlets in which PHA has an account and share announcements with partner service providers serving low-income families and individuals.

4-II.D. FAMILY OUTREACH [HCV GB, pp. 4-2 to 4-4]

The PHA must conduct outreach as necessary to ensure that the PHA has a sufficient number of applicants on the waiting list to use the HCV resources it has been allotted.

Because HUD requires the PHA to admit a specified percentage of extremely low-income families to the program (see Chapter 4, Part III), the PHA may need to conduct special outreach to ensure that an adequate number of such families apply for assistance [HCV GB, p. 4-20 to 4-21].

PHA outreach efforts must comply with fair housing requirements. This includes:

- Analyzing the housing market area and the populations currently being served to identify underserved populations
- Ensuring that outreach efforts are targeted to media outlets that reach eligible populations that are underrepresented in the program
- Avoiding outreach efforts that prefer or exclude people who are members of a protected class

PHA outreach efforts must be designed to inform qualified families about the availability of assistance under the program. These efforts may include, as needed, any of the following activities:

- Submitting press releases to local newspapers, including minority newspapers
- Developing informational materials and flyers to distribute to other agencies
- Providing application forms to other public and private agencies that serve the low income population
- Developing partnerships with other organizations that serve similar populations, including agencies that provide services for persons with disabilities

PHA Policy

The PHA will monitor the characteristics of the population being served and the characteristics of the population as a whole in the PHA's jurisdiction. Targeted outreach efforts will be undertaken if a comparison suggests that certain populations are being underserved.

4-II.E. REPORTING CHANGES IN FAMILY CIRCUMSTANCES

PHA Policy

While the family is on the waiting list, the family must immediately inform the PHA of changes in contact information, including current residence, mailing address, and phone number. The changes must be submitted in writing.

4-II.F. UPDATING THE WAITING LIST [24 CFR 982.204]

HUD requires the PHA to establish policies to use when removing applicant names from the waiting list.

Purging the Waiting List

The decision to withdraw an applicant family that includes a person with disabilities from the waiting list is subject to reasonable accommodation. If the applicant did not respond to a PHA request for information or updates, and the PHA determines that the family did not respond because of the family member's disability, the PHA must reinstate the applicant family to their former position on the waiting list [24 CFR 982.204(c)(2)].

PHA Policy

The waiting list will be updated as needed to ensure that all applicants and applicant information is current and timely.

To update the waiting list, the PHA will send an update request via first class mail to each family on the waiting list to determine whether the family continues to be interested in, and to qualify for, the program. This update request will be sent to the last address that the PHA has on record for the family. The update request will provide a deadline by which the family must respond and will state that failure to respond will result in the applicant's name being removed from the waiting list.

The family's response must be in writing and may be delivered in person, by mail, by email, or by fax. Responses should be postmarked or received by the PHA not later than 15 business days from the date of the PHA letter.

If the family fails to respond within 15 business days, the family will be removed from the waiting list without further notice.

If the notice is returned by the post office with no forwarding address, the applicant will be removed from the waiting list without further notice.

If the notice is returned by the post office with a forwarding address, the notice will be re-sent to the address indicated. The family will have 15 business days to respond from the date the letter was re-sent.

If a family is removed from the waiting list for failure to respond, the PHA may reinstate the family if it is determined that the lack of response was due to PHA error, or to circumstances beyond the family's control, as a result of a family member's disability, or as a direct result of status as a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, including an adverse factor resulting from such abuse.

Removal from the Waiting List

PHA Policy

If at any time an applicant family is on the waiting list, the PHA determines that the family is not eligible for assistance the family will be removed from the waiting list.

If a family is removed from the waiting list because the PHA has determined the family is not eligible for assistance, a notice will be sent to the family's address of record as well as to any alternate address provided on the initial application. The notice will state the reasons the family was removed from the waiting list and will inform the family how to request an informal review regarding the PHA's decision (see Chapter 16) [24 CFR 982.201(f)].

PART III: SELECTION FOR HCV ASSISTANCE

4-III.A. OVERVIEW

As vouchers become available, families on the waiting list must be selected for assistance in accordance with the policies described in this part.

The order in which families are selected from the waiting list depends on the selection method chosen by the PHA and is impacted in part by any selection preferences for which the family qualifies. The availability of targeted funding also may affect the order in which families are selected from the waiting list.

The PHA must maintain a clear record of all information required to verify that the family is selected from the waiting list according to the PHA's selection policies [24 CFR 982.204(b) and 982.207(e)].

4-III.B. SELECTION AND HCV FUNDING SOURCES

Special Admissions [24 CFR 982.203]

HUD may award funding for specifically-named families living in specified types of units (e.g., a family that is displaced by demolition of public housing; a non-purchasing family residing in a HOPE 1 or 2 projects). In these cases, the PHA may admit such families whether or not they are on the waiting list, and, if they are on the waiting list, without considering the family's position on the waiting list. These families are considered non-waiting list selections. The PHA must maintain records showing that such families were admitted with special program funding.

Targeted Funding [24 CFR 982.204(e)]

HUD may award a PHA funding for a specified category of families on the waiting list. The PHA must use this funding only to assist the families within the specified category. In order to assist families within a targeted funding category, the PHA may skip families that do not qualify within the targeted funding category. Within this category of families, the order in which such families are assisted is determined according to the policies provided in this plan.

PHA Policy

The PHA administers the following types of targeted funding:

Family Unification Program (FUP), a committee, made up of representatives from ECDSS and other human service agencies, refers eligible families to the PHA. Those families complete the income determination process immediately and, if determined income-eligible, are offered assistance without the usual lengthy wait.

VASH applicants are referred to the PHA by homeless outreach staff and social workers employed by the Veterans Administration. PHA staff determines income-eligibility and issues HCVs.

If an applicant for one of these set-asides, except for VASH, is found to have been previously terminated from any Section 8 Program, the PHA may deny admission to one of these special

programs for at least one year following the date of termination. If the applicant owes any amounts to the PHA, those debts must be paid in full before re-admission.

The PHA also administers targeted vouchers under the Mainstreaming People w/ Disabilities Program, Non-Elderly Disabled Program, and Nursing Home Transition Program. Applicants for the first two programs are selected from the regular Section 8 waiting list, while NHT vouchers are issued to individuals referred to the PHA by Headways of WNY.

Regular HCV Funding

Regular HCV funding may be used to assist any eligible family on the waiting list. Families are selected from the waiting list according to the policies provided in Section 4-III.C.

4-III.C. SELECTION METHOD

PHAs must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that the PHA will use [24 CFR 982.202(d)].

Local Preferences [24 CFR 982.207; HCV p. 4-16]

PHAs are permitted to establish local preferences, and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits the PHA to establish other local preferences, at its discretion. Any local preferences established must be consistent with the PHA plan and the consolidated plan, and must be based on local housing needs and priorities that can be documented by generally accepted data sources.

PHA Policy

The PHA will use the following local preferences:

1. Residency Preference: This preference is extended to applicants who live, work or have notice of hire to work anywhere in Erie County. The applicant is afforded the preference no matter how long they live or work in the County and regardless of whether or not they are living or working in the County at the point of selection.
2. The PHA will offer a preference to families that include victims of domestic violence, dating violence, sexual assault, stalking, or human trafficking who have either been referred by a partnering service agency or consortia or are seeking an emergency transfer under VAWA from the PHA's public housing program or other covered housing program operated by the PHA.
3. The PHA will work with the following partnering service agencies:
 - a. The Erie County Department of Social Services and their subcontractors.
 - b. The applicant must certify that the abuser will not reside with the applicant unless the PHA gives prior written approval.
4. In order to help to end homelessness in our community, the PHA has established a limited homeless preference for 225 housing choice vouchers. In accordance with HUD PIH Notice 2013-15, this preference is specifically for eligible people experiencing homelessness who

are referred by the local COC-Coordinated Entry (see below). This addendum is intended to address those areas of program administration that may be handled differently than they are for regular vouchers. The changes or exceptions discussed in this addendum apply only to the homeless preference. (See Homeless Preferences Addendum)

5. The PHA will offer a preference to any family that has been terminated from its HCV program due to insufficient program funding.
6. The PHA will provide a selection preference on the PHA's HCV waiting list for FUP/FSS Demonstration Program youth/FUP youth who are terminated due to the time limit on assistance.

Income Targeting Requirement [24 CFR 982.201(b)(2)]

HUD requires that extremely low-income (ELI) families make up at least 75 percent of the families admitted to the HCV program during the PHA's fiscal year. ELI families are those with annual incomes at or below the federal poverty level or 30 percent of the area median income, whichever number is higher. To ensure this requirement is met, a PHA may skip non-ELI families on the waiting list in order to select an ELI family.

Low-income families admitted to the program that are "continuously assisted" under the 1937 Housing Act [24 CFR 982.4(b)], as well as low-income or moderate-income families admitted to the program that are displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing, are not counted for income targeting purposes [24 CFR 982.201(b)(2)(v)].

PHA Policy

The PHA will monitor progress in meeting the income targeting requirement throughout the fiscal year. Extremely low-income families will be selected ahead of other eligible families on an as-needed basis to ensure the income targeting requirement is met.

Order of Selection

The PHA system of preferences may select families based on local preferences according to the date and time of application or by a random selection process (lottery) [24 CFR 982.207(c)]. If a PHA does not have enough funding to assist the family at the top of the waiting list, it is not permitted to skip down the waiting list to a family that it can afford to subsidize when there are not sufficient funds to subsidize the family at the top of the waiting list [24 CFR 982.204(d) and (e)].

PHA Policy

Once the Erie County preference is applied, applicants fall into one of two categories on the waiting list:

1. Applicants with a residency preference
2. Applicants without a residency preference

If an applicant's circumstances change such that they qualify for a residency preference when initially they did not, and upon receipt of verification of such change in residency, their application will be moved from the second category to the first, retaining the original date of

application.

The waiting list will be maintained in accordance with the following guidelines:

1. Applicants will be placed on the waiting list based on the preference claimed.
2. Applicants must indicate on their initial application that their household income is at or below the very low income limit for their household size in order to be placed on the waiting list. Any exception to the very low income requirement, must have been approved previously by the HUD Field Office.
3. Applicants with a residency preference who are eligible for non-targeted assistance will be selected from the waiting list when vouchers are available.

Applicants who are selected and determined income-eligible, but are not issued a voucher immediately due to HUD's targeting requirements (i.e., 75% of the admissions must be applicants with incomes below 30% of area median income), will be returned to the top of the waiting list. They will be issued vouchers as soon as the PHA is sure that the targeting requirement will be met for the current year.

4-III.D. NOTIFICATION OF SELECTION

When a family has been selected from the waiting list, the PHA must notify the family [24 CFR 982.554(a)].

PHA Policy

The PHA will notify the family by first class mail when it is selected from the waiting list. The notice will inform the family of the following:

They have been selected and completed application included in the notification.
Return the application within 10 business days.

If a notification letter is returned to the PHA with no forwarding address, the family will be removed from the waiting list. A notice of denial will be sent to the family's address of record, as well as to any known alternate address.

4-III.E. THE APPLICATION PROCESS

Assistance cannot be provided to the family until all SSN documentation requirements are met. However, if the PHA determines that an applicant family is otherwise eligible to participate in the program, the family may retain its place on the waiting list for a period of time determined by the PHA [Notice PIH 2018-24].

Reasonable accommodation must be made for persons with disabilities.

PHA Policy

Families selected from the waiting list are required to complete the application and supply documentation.

The head of household or spouse/cohead must provide acceptable documentation of legal identity. If the family representative does not provide the required documentation at the time of the application, they will be required to provide it within 10 business days.

Pending disclosure and documentation of social security numbers, the PHA will allow the family to retain its place on the waiting list for **10 business days**. If not all household members have disclosed their SSNs at the next time the PHA is issuing vouchers, the PHA will issue a voucher to the next eligible applicant family on the waiting list.

The family must provide the information necessary to establish the family's eligibility and determine the appropriate level of assistance, and must complete required forms, provide required signatures, and submit required documentation. If any materials are missing, the PHA will provide the family with a written list of items that must be submitted.

Any required documents or information that the family is unable to provide at the time of application must be provided within 10 business days of the request (If the family is unable to obtain the information or materials within the required time frame, the family may request an extension. If the required documents and information are not provided within the required time frame (plus any extensions), the family will be sent a notice of denial.

An advocate, interpreter, or other assistant may assist the family with the application process.

The application process will be conducted in English. For limited English proficient (LEP) applicants, the PHA will provide translation services in accordance with the PHA's LEP plan.

Applicants who fail to provide requested documentation will be denied assistance based on the family's failure to supply information needed to determine eligibility. A notice of denial will be issued in accordance with the policies in this plan.

4-III.F. COMPLETING THE APPLICATION PROCESS

The PHA must verify all information provided by the family (see Chapter 7). Based on verified information, the PHA must make a final determination of eligibility (see Chapter 3) and must confirm that the family qualified for any special admission, targeted funding admission, or selection preference that affected the order in which the family was selected from the waiting list.

PHA Policy

If the PHA determines that the family is ineligible, the PHA will send written notification of the ineligibility determination within 10 business days of the determination. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal review.

If a family fails to qualify for any criteria that affected the order in which it was selected from the waiting list (e.g. targeted funding, extremely low-income), the family will be returned to its original position on the waiting list. The PHA will notify the family in writing that it has been returned to the waiting list, and will specify the reasons for it.

If the PHA determines that the family is eligible to receive assistance, the PHA will invite the family to attend a briefing in accordance with the policies in this plan.

Chapter 5

BRIEFINGS AND VOUCHER ISSUANCE

INTRODUCTION

This chapter explains the briefing and voucher issuance process. When a family is determined to be eligible for the Housing Choice Voucher (HCV) program, the PHA must ensure that the family fully understands the way the program operates and the family's obligations under the program. This is accomplished through both an oral briefing and provision of a briefing packet containing the HUD-required documents and other information the family needs to know in order to lease a unit under the program. Once the family is fully informed of the program's requirements, the PHA issues the family a voucher. The voucher includes the unit size for which the family qualifies based on the PHA's subsidy standards, as well as the issue and expiration date of the voucher. The voucher is the document that authorizes the family to begin its search for a unit and limits the amount of time the family has to successfully locate an acceptable unit.

This chapter describes HUD regulations and PHA policies related to these topics in two parts:

Part I: Briefings and Family Obligations. This part details the program's requirements for briefing families orally, and for providing written materials describing the program and its requirements. It includes a particular focus on the family's obligations under the program.

Part II: Subsidy Standards and Voucher Issuance. This part discusses the PHA's standards for determining how many bedrooms a family of a given composition qualifies for, which in turn affects the amount of subsidy the family can receive. It also discusses the policies that dictate how vouchers are issued, and how long families have to locate a unit.

PART I: BRIEFINGS AND FAMILY OBLIGATIONS

5-I.A. OVERVIEW

HUD regulations require the PHA to conduct mandatory briefings for applicant families who qualify for a voucher. The briefing provides a broad description of owner and family responsibilities, explains the PHA's procedures, and includes instructions on how to lease a unit. This part describes how oral briefings will be conducted, specifies what written information will be provided to families, and lists the family's obligations under the program.

5-I.B. BRIEFING [24 CFR 982.301]

Notification of Briefing

Prior to issuance of a voucher, the PHA must give the family an oral briefing and provide the family with a briefing packet containing written information about the program. Families may be briefed in individual face-to-face meetings, through group briefing sessions, or via remote briefing sessions.

PHA Policy

Families will be notified of their eligibility for assistance at the time they are invited to a briefing. The notice will be sent by first class mail and will also be sent by email if the family has provided a valid email address to the PHA.

The notice will advise the family of the type of briefing, who is required to be present at the briefing, and the date and time of the briefing. The notice will also inform the family of any additional requirements for in-person or remote briefings as addressed in relevant policy elsewhere in this section.

If the notice is returned by the post office with no forwarding address, the applicant will be denied and their name will not be placed back on the waiting list. If the notice is returned by the post office with a forwarding address, the notice will be resent to the address indicated.

In-Person Briefings

At the briefing, the PHA must ensure effective communication in accordance with Section 504 requirements (Section 504 of the Rehabilitation Act of 1973) and ensure that the briefing site is accessible to individuals with disabilities. For a more thorough discussion of accessibility requirements, refer to Chapter 2.

PHA Policy

In-person briefings will generally be conducted in group meetings. At the family's written request, the PHA may provide an individual briefing.

Generally, the head of household and spouse (or co-head) are required to attend the briefing. If the head, spouse, or co-head are unable to attend, the PHA may waive this requirement as long as one of these persons attends the briefing.

Families that attend group briefings and still need individual assistance will be referred to an appropriate PHA staff person.

Briefings will be conducted in English. For limited English proficient (LEP) applicants, the PHA will provide interpretation services in accordance with the PHA's LEP plan (See Chapter 2).

Attendance

PHA Policy

Applicants who fail to attend a scheduled in-person briefing will be scheduled for another briefing automatically. The PHA will notify the family of the date and time of the second scheduled briefing. Applicants who fail to attend two scheduled briefings, without prior PHA approval, will be denied assistance (see Chapter 3).

Remote Briefings [Notice PIH 2020-32]

Remote briefings may be conducted over the phone, via video conferencing, or through other virtual platforms.

PHA Policy

The PHA has the sole discretion to require that briefings be conducted remotely in case of local, state, or national physical distancing orders, and in cases of inclement weather or natural disaster. If the PHA schedules a remote briefing, the PHA will conduct a face-to-face briefing upon request of the applicant as a reasonable accommodation for a person with a disability if safety and health concerns can be reasonably addressed.

In addition, the PHA will conduct a briefing remotely upon request of the applicant as a reasonable accommodation for a person with a disability, if an applicant does not have child care or transportation that would enable them to attend the briefing, or if the applicant believes an in-person briefing would create an undue health risk. The PHA will consider other reasonable requests for a remote briefing on a case-by-case basis.

Accessibility Requirements for Persons with Disabilities and LEP Individuals

As with in-person briefings, the platform for conducting remote briefings must be accessible and the briefing conducted in accordance with Section 504 and accessibility requirements. This includes ensuring any information, websites, emails, digital notifications, and other virtual platforms are accessible for persons with vision, hearing, and other disabilities. Further, providing effective communication in a digital context may require the use of individualized auxiliary aids or services, such as audio description, captioning, sign language and other types of interpreters, keyboard accessibility, accessible documents, screen reader support, and transcripts. Auxiliary aids or services must be provided in accessible formats, in a timely manner, and in such a way to protect the privacy and independence of the individual.

If no method of conducting a remote briefing is available that appropriately accommodates an individual's disability, the PHA may not hold against the individual their inability to participate in the remote briefing, and the PHA should consider whether postponing the remote briefing to a later date is appropriate or whether there is a suitable alternative.

Due to the individualized nature of disability, the appropriate auxiliary aid or service necessary, or reasonable accommodation, will depend on the specific circumstances.

Limited English Proficiency (LEP) requirements also apply to remote briefings, including the use of interpretation services and document translation. See Chapter 2 for a more thorough

discussion of accessibility and LEP requirements, all of which apply in the context of remote briefings.

Conducting Remote Briefings

The PHA must ensure that the lack of technology or inability to use technology for remote briefings does not pose a disadvantage to families that may not be apparent to the PHA. The PHA must ensure that the family has appropriate technological access in order to fully participate in the remote briefing.

PHA Policy

At least 10 business days prior to scheduling the remote briefing, the PHA will provide written notification via first class mail and/or email to families participating in the briefing to advise of technological requirements and to request the family notify the PHA of any known barriers. If any family does not respond within five business days, or if the written notification is returned by the post office or the email is rejected, the PHA will contact the family by telephone to identify potential technological barriers and to determine which technology resources are accessible to the family. The PHA will resolve any barriers using the guidance in Section 6 of Notice PIH 2020-32, including offering the family the opportunity to attend an in-person briefing or have a one-on-one briefing over the phone, as appropriate.

The PHA will conduct remote briefings via a video conferencing platform when available. If applicants are unable to adequately access the video conferencing platform, the briefing will be conducted by telephone conferencing call-in. If the family is unable to adequately access the telephone conferencing call-in, the remote briefing will be postponed, and an in-person alternative or one-on-one briefing over the phone will be provided.

The PHA will provide login information and/or conferencing call-in information and an electronic copy of the briefing packet via email at least five business days before the briefing. The PHA will provide a paper copy of the briefing packet upon family request, and may reschedule the briefing to allow adequate time for the family to receive the physical briefing packet.

The PHA will ensure that all electronic information stored or transmitted as part of the briefing meets the requirements for accessibility for persons with disabilities and persons with LEP, and is secure, including ensuring personally identifiable information (PII) is protected.

The PHA will ensure that families who participate in remote briefings have the opportunity to ask questions as part of the briefing.

If families lose connectivity during any remote briefing or otherwise feel they were unable to access information presented during the briefing, the family may request a one-on-one briefing over the phone or in person with the PHA.

Oral Briefing [24 CFR 982.301(a)]

Each briefing must provide information on the following subjects:

- How the Housing Choice Voucher program works;
- Family and owner responsibilities;
- Where the family can lease a unit, including renting a unit inside or outside the PHA's jurisdiction;
- An explanation of how portability works. The PHA may not discourage the family from choosing to live anywhere in the PHA jurisdiction or outside the PHA jurisdiction under portability, unless otherwise expressly authorized by statute, regulation, PIH Notice, or court order;
- The PHA must inform the family of how portability may affect the family's assistance through screening, subsidy standards, payment standards, and any other elements of the portability process which may affect the family's assistance;
- The advantages of areas that do not have a high concentration of low-income families; and
- For families receiving welfare-to-work vouchers, a description of any local obligations of a welfare-to-work family and an explanation that failure to meet the obligations is grounds for denial of admission or termination of assistance.

In briefing a family that includes a person with disabilities, PHA must also take steps to ensure effective communication.

Briefing Packet [24 CFR 982.301(b); New HCV GB, *Housing Search and Leasing*, p. 7]

Documents and information provided in the briefing packet must include the following:

- The term of the voucher, voucher suspensions, and the PHA's policies on any extensions of the term. If the PHA allows extensions, the packet must explain how the family can request an extension.
- A description of the method used to calculate the housing assistance payment for a family, including how the PHA determines the payment standard for a family, how the PHA determines total tenant payment for a family, and information on the payment standard and utility allowance schedule.
- An explanation of how the PHA determines the maximum allowable rent for an assisted unit.
- Where the family may lease a unit and an explanation of how portability works, including information on how portability may affect the family's assistance through screening, subsidy standards, payment standards, and any other elements of the portability process that may affect the family's assistance.
- The HUD-required tenancy addendum, which must be included in the lease.
- The form the family must use to request approval of tenancy, and a description of the procedure for requesting approval for a tenancy.
- A statement of the PHA policy on providing information about families to prospective owners.
- The PHA subsidy standards including when and how exceptions are made.
- Materials (e.g., brochures) on how to select a unit and any additional information on selecting a unit that HUD provides (e.g., HUD brochure entitled, "A Good Place to Live").
- Information on federal, state and local equal opportunity laws and a copy of the housing discrimination complaint form, including information on how to complete the form and file a fair housing complaint.
- A list of landlords known to the PHA who may be willing to lease a unit to the family or other resources (e.g., newspapers, organizations, online search tools) known to the PHA that may assist the family in locating a unit. PHAs must ensure that the list of landlords or other resources covers areas outside of poverty or minority concentration.
- Notice that if the family includes a person with disabilities, the family may request a list of available accessible units known to the PHA.
- The family obligations under the program, including any obligations of a welfare-to-work family, and any obligations of other special programs if the family is participating in one of those programs.
- The grounds on which the PHA may terminate assistance for a participant family because of family action or failure to act.

- PHA informal hearing procedures including when the PHA is required to offer a participant family the opportunity for an informal hearing, and how to request the hearing.
- An explanation of the advantages of moving to an area that does not have a high concentration of low-income families.
- The HUD pamphlet on lead-based paint entitled, “Protect Your Family from Lead in Your Home.”

If the PHA is located in a metropolitan area, the following additional information must be included in the briefing packet in order to receive full points under SEMAP Indicator 7, Expanding Housing Opportunities [24 CFR 985.3(g)]:

- Maps showing areas with housing opportunities outside areas of poverty or minority concentration, both within its jurisdiction and its neighboring jurisdiction
- Information about the characteristics of these areas including job opportunities, schools, transportation, and other services
- An explanation of how portability works, including a list of portability contact persons for neighboring PHAs with names, addresses, and telephone numbers

Additional Items to Be Included in the Briefing Packet

In addition to items required by the regulations, PHAs may wish to include supplemental materials to help explain the program to both participants and owners [HCV GB p. 8-7, Notice PIH 2017-12].

PHA Policy

The PHA will provide the following additional materials in the briefing packet:

Information on how to fill out and file a housing discrimination complaint form

The form HUD-5380 domestic violence certification form and the form HUD-5382 notice of occupancy rights, which contain information on VAWA protections for victims of domestic violence, dating violence, sexual assault, and stalking

“Is Fraud Worth It?” (form HUD-1141-OIG), which explains the types of actions a family must avoid and the penalties for program abuse

“What You Should Know about EIV,” a guide to the Enterprise Income Verification (EIV) system published by HUD as an attachment to Notice PIH 2017-12

5-I.C. FAMILY OBLIGATIONS

Obligations of the family are described in the housing choice voucher (HCV) regulations and on the voucher itself. These obligations include responsibilities the family is required to fulfill, as well as prohibited actions. The PHA must inform families of these obligations during the oral briefing, and the same information must be included in the briefing packet. When the family's unit is approved and the HAP contract is executed, the family must meet those obligations in order to continue participating in the program. Violation of any family obligation may result in termination of assistance, as described in Chapter 12.

Time Frames for Reporting Changes Required by Family Obligations

PHA Policy

Unless otherwise noted below, when family obligations require the family to respond to a request or notify the PHA of a change, notifying the PHA of the request or change within 10 business days is considered prompt notice.

When a family is required to provide notice to the PHA, the notice must be in writing.

Family Obligations [24 CFR 982.551]

The family obligations of the voucher are listed as follows:

- The family must supply any information that the PHA or HUD determines to be necessary, including submission of required evidence of citizenship or eligible immigration status.
- The family must supply any information requested by the PHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition.
- The family must disclose and verify social security numbers and sign and submit consent forms for obtaining information.
- Any information supplied by the family must be true and complete.
- The family is responsible for any deficiencies under the National Standards for the Physical Inspection of Real Estate (NSPIRE) caused by failure to pay tenant-provided utilities or appliances, or damages to the dwelling unit or premises beyond ordinary wear and tear caused by any member of the household or guest.

PHA Policy

Damages beyond ordinary wear and tear will be considered to be damages which could be assessed against the security deposit under state law or in court practice.

- The family must allow the PHA to inspect the unit at reasonable times and after reasonable notice, as described in Chapter 8 of this plan.

- The family must not commit any serious or repeated violation of the lease.

PHA Policy

The PHA will determine if a family has committed serious or repeated violations of the lease based on available evidence, including but not limited to, a court-ordered eviction or an owner's notice to evict, police reports, and affidavits from the owner, neighbors, or other credible parties with direct knowledge.

Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, living or housekeeping habits that cause damage to the unit or premises, and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests. Any incidents of, or criminal activity related to, domestic violence, dating violence, sexual assault, stalking, or human trafficking will not be construed as serious or repeated lease violations by the victim [see 24 CFR 5.2005(c)(1)].

- The family must notify the PHA and the owner before moving out of the unit or terminating the lease.

PHA Policy

The family must comply with lease requirements regarding written notice to the owner.

The family must provide written notice to the PHA at the same time the owner is notified.

- The family must promptly give the PHA a copy of any owner eviction notice.
- The family must use the assisted unit for residence by the family. The unit must be the family's only residence.
- The composition of the assisted family residing in the unit must be approved by the PHA. The family must promptly notify the PHA in writing of the birth, adoption, or court-awarded custody of a child. The family must request PHA approval to add any other family member as an occupant of the unit.

PHA Policy

The request to add a family member must be submitted in writing and approved prior to the person moving into the unit. The PHA will determine eligibility of the new member in accordance with the policies in Chapter 3.

- The family must promptly notify the PHA in writing if any family member no longer lives in the unit.

- If the PHA has given approval, a foster child or a live-in aide may reside in the unit. The PHA has the discretion to adopt reasonable policies concerning residency by a foster child or a live-in aide, and to define when PHA consent may be given or denied. For policies related to the request and approval/disapproval of foster children, foster adults, and live-in aides, see Chapter 3 (sections I.K and I.M), and Chapter 11 (section II.B).
- The family must not sublease the unit, assign the lease, or transfer the unit.

PHA Policy

Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member.

- The family must supply any information requested by the PHA to verify that the family is living in the unit or information related to family absence from the unit.
- The family must promptly notify the PHA when the family is absent from the unit.

PHA Policy

Notice is required under this provision only when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than 30 calendar days. Written notice must be provided to the PHA at the start of the extended absence.

- The family must pay utility bills and provide and maintain any appliances that the owner is not required to provide under the lease [Form HUD-52646, Voucher].
- The family must not own or have any interest in the unit, (other than in a cooperative and owners of a manufactured home leasing a manufactured home space).
- Family members must not commit fraud, bribery, or any other corrupt or criminal act in connection with the program. (See Chapter 14, Program Integrity for additional information).
- Family members must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for HUD and PHA policies related to drug-related and violent criminal activity.
- Members of the household must not engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for a discussion of HUD and PHA policies related to alcohol abuse.
- An assisted family or member of the family must not receive HCV program assistance while receiving another housing subsidy, for the same unit or a different unit under any other federal, state or local housing assistance program.
- A family must not receive HCV program assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide

reasonable accommodation for a family member who is a person with disabilities. [Form HUD-52646, Voucher]

PART II: SUBSIDY STANDARDS AND VOUCHER ISSUANCE

5-II.A. OVERVIEW

The PHA must establish subsidy standards that determine the number of bedrooms needed for families of different sizes and compositions. This part presents the policies that will be used to determine the family unit size (also known as the voucher size) a particular family should receive, and the policies that govern making exceptions to those standards. The PHA must also establish policies related to the issuance of the voucher, to the voucher term, and to any extensions of the voucher term.

5-II.B. DETERMINING FAMILY UNIT (VOUCHER) SIZE [24 CFR 982.402]

For each family, the PHA determines the appropriate number of bedrooms under the PHA subsidy standards and enters the family unit size on the voucher that is issued to the family. The family unit size does not dictate the size of unit the family must actually lease, nor does it determine who within a household will share a bedroom/sleeping room.

The following requirements apply when the PHA determines family unit size:

- The subsidy standards must provide for the smallest number of bedrooms needed to house a family without overcrowding.
- The subsidy standards must be consistent with space requirements under the housing quality standards.
- The subsidy standards must be applied consistently for all families of like size and composition.
- A child who is temporarily away from the home because of placement in foster care is considered a member of the family in determining the family unit size.
- A family that consists of a pregnant woman (with no other persons) must be treated as a two-person family.
- Any live-in aide (approved by the PHA to reside in the unit to care for a family member who is disabled or is at least 50 years of age) must be counted in determining the family unit size;

- Unless a live-in-aide resides with a family, the family unit size for any family consisting of a single person must be either a zero- or one-bedroom unit, as determined under the PHA subsidy standards.

PHA Policy

The PHA will assign one bedroom for each two persons within the household, except in the following circumstances:

Persons of the opposite sex (other than spouses/partners, and children under age 5) will be allocated separate bedrooms.

Live-in aides will be allocated a separate bedroom.

Single person families will be allocated one bedroom.

The PHA will reference the following chart in determining the appropriate voucher size for a family:

Voucher Size	Persons in Household (Minimum – Maximum)
1 Bedroom	1-2
2 Bedrooms	2-4
3 Bedrooms	3-6
4 Bedrooms	4-8
5 Bedrooms	6-10

5-II.C. EXCEPTIONS TO SUBSIDY STANDARDS

In determining family unit size for a particular family, the PHA may grant an exception to its established subsidy standards if the PHA determines that the exception is justified by the age, sex, health, handicap, or relationship of family members or other personal circumstances [24 CFR 982.402(b)(8)]. Reasons may include, but are not limited to:

- A need for an additional bedroom for medical equipment
- A need for a separate bedroom for reasons related to a family member's disability, medical or health condition

For a single person who is not elderly, disabled, or a remaining family member, an exception cannot override the regulatory limit of a zero or one bedroom [24 CFR 982.402(b)(8)].

PHA Policy

The PHA will consider granting an exception for any of the reasons specified in the regulation: the age, sex, health, handicap, or relationship of family members or other personal circumstances.

The family must request any exception to the subsidy standards in writing. The request must explain the need or justification for a larger family unit size, and must include appropriate documentation. Requests based on health-related reasons must be verified by a knowledgeable professional source (e.g., doctor or health professional), unless the disability and the disability-related need for accommodation is readily apparent or otherwise known. The family's continued need for an additional bedroom due to special medical equipment must be re-verified at annual reexamination.

The PHA will notify the family of its determination within 10 business days of receiving the family's request. If a participant family's request is denied, the notice will inform the family of their right to request an informal hearing.

5-II.D. VOUCHER ISSUANCE [24 CFR 982.302]

When a family is selected from the waiting list (or as a special admission as described in Chapter 4), or when a participant family wants to move to another unit, the PHA issues a Housing Choice Voucher, form HUD-52646. This chapter deals only with voucher issuance for applicants. For voucher issuance associated with moves of program participants, please refer to Chapter 10.

The voucher is the family's authorization to search for housing. It specifies the unit size for which the family qualifies, and includes both the date of voucher issuance and date of expiration. It contains a brief description of how the program works and explains the family obligations under the program. The voucher is evidence that the PHA has determined the family to be eligible for the program, and that the PHA expects to have money available to subsidize the family if the family finds an approvable unit. However, the PHA does not have any liability to any party by the issuance of the voucher, and the voucher does not give the family any right to participate in the PHA's housing choice voucher program [Voucher, form HUD-52646]

A voucher can be issued to an applicant family only after the PHA has determined that the family is eligible for the program based on verification of information received within the 60 days prior to issuance [24 CFR 982.201(e)] and after the family has attended an oral briefing [HCV 8-1].

PHA Policy

Vouchers will be issued to eligible applicants immediately following the mandatory briefing.

The PHA should have sufficient funds to house an applicant before issuing a voucher. If funds are insufficient to house the family at the top of the waiting list, the PHA must wait until it has adequate funds before it calls another family from the list [HCV GB p. 8-10].

PHA Policy

Prior to issuing any vouchers, the PHA will determine whether it has sufficient funding in accordance with the policies in Part VIII of Chapter 16.

Voucher Rescissions

If the PHA determines that there is insufficient funding after a voucher has been issued, the PHA may rescind the voucher and place the affected family back on the waiting list.

PHA Policy

If, due to budgetary constraints, the PHA must rescind vouchers that have already been issued to families, vouchers will be rescinded in the order of the date and time they were issued, starting with the most recently issued vouchers.

Families who have their voucher rescinded will be notified in writing and will be reinstated to their former position on the waiting list. When funding is again available, families will be selected from the waiting list in accordance with PHA selection policies described in Chapter 4.

5-II.E. VOUCHER TERM AND EXTENSIONS

Voucher Term [24 CFR 982.303]

The initial term of a voucher must be at least 60 calendar days. The initial term must be stated on the voucher [24 CFR 982.303(a)].

PHA Policy

The initial voucher term will be 60 calendar days. Exception

The family must submit a Request for Tenancy Approval and proposed lease within the 60-day period unless the PHA grants an extension.

Extensions of Voucher Term [24 CFR 982.303(b)]

The PHA has the authority to grant extensions of search time, to specify the length of an extension, and to determine the circumstances under which extensions will be granted. There is no limit on the number of extensions that the PHA can approve. Discretionary policies related to extension and expiration of search time must be described in the PHA's administrative plan [24 CFR 982.54].

PHAs must approve additional search time if needed as a reasonable accommodation to make the program accessible to and usable by a person with disabilities. The extension period must be reasonable for the purpose.

The family must be notified in writing of the PHA's decision to approve or deny an extension. The PHA's decision to deny a request for an extension of the voucher term is not subject to informal review [24 CFR 982.554(c)(4)].

PHA Policy

The PHA will automatically approve one 30-day extension upon written request from the family.

The PHA will approve additional extensions only in the following circumstances:

It is necessary as a reasonable accommodation for a person with disabilities.

It is necessary due to reasons beyond the family's control, as determined by the PHA. Following is a list of extenuating circumstances that the PHA may consider in making its decision. The presence of these circumstances does not guarantee that an extension will be granted:

Serious illness or death in the family

Other family emergency

Obstacles due to employment

Whether the family has already submitted requests for tenancy approval that were not approved by the PHA

Whether family size or other special circumstances make it difficult to find a suitable unit

Any request for an additional extension must include the reason(s) an additional extension is necessary. The PHA may require the family to provide documentation to support the request or obtain verification from a qualified third party.

All requests for extensions to the voucher term must be made in writing and submitted to the PHA prior to the expiration date of the voucher (or extended term of the voucher).

The PHA will decide whether to approve or deny an extension request within 10 business days of the date the request is received, and will immediately provide the family written notice of its decision.

Suspensions of Voucher Term [24 CFR 982.303(c)]

The PHA must provide for suspension of the initial or any extended term of the voucher from the date the family submits a request for PHA approval of the tenancy until the date the PHA notifies the family in writing whether the request has been approved or denied.

Expiration of Voucher Term

Once a family's housing choice voucher term (including any extensions) expires, the family is no longer eligible to search for housing under the program. If the family still wishes to receive assistance, the PHA may require that the family reapply, or may place the family on the waiting list with a new application date but without requiring reapplication. Such a family does not become ineligible for the program on the grounds that it was unable to locate a unit before the voucher expired [HCV GB p. 8-13].

PHA Policy

If an applicant family's voucher term or extension expires before the PHA has approved a tenancy, the PHA will require the family to reapply for assistance.

Within 10 business days after the expiration of the voucher term or any extension, the PHA will notify the family in writing that the voucher term has expired and that the family must reapply when the waiting list is open in order to be placed on the waiting list.

Chapter 6

INCOME AND SUBSIDY DETERMINATIONS

[24 CFR Part 5, Subparts E and F; 24 CFR 982]

INTRODUCTION

A family's income determines eligibility for assistance and is also used to calculate the family's payment and the PHA's subsidy. The PHA will use the policies and methods described in this chapter to ensure that only eligible families receive assistance and that no family pays more or less than its obligation under the regulations. This chapter describes HUD regulations and PHA policies related to these topics in three parts as follows:

Part I: Annual Income. HUD regulations specify the sources of income which are excluded from the family's annual income. These requirements and PHA policies for calculating annual income are found in Part I.

Part II: Assets. HUD regulations specify the types of assets which are excluded from a family's annual income. These requirements and PHA policies for calculating income from assets are found in Part II.

Part III: Adjusted Income. Once annual income has been established, HUD regulations require the PHA to subtract from annual income any of five mandatory deductions for which a family qualifies and allow the PHA to adopt additional permissive deductions. These requirements and PHA policies for calculating adjusted income are found in Part III.

Part IV: Calculating Family Share and PHA Subsidy. This part describes the statutory formula for calculating total tenant payment (TTP), the use of utility allowances, and the methodology for determining PHA subsidy and required family payment.

PART I: ANNUAL INCOME

6-I.A. OVERVIEW [24 CFR 5.609]

Annual income includes:

- All amounts, not specifically excluded in 24 CFR 5.609(b);
- All amounts received from all sources by each member of the family who is 18 years of age or older or is the head of household or spouse;
- Unearned income by or on behalf of each dependent who is under 18 years of age; and
- Imputed returns of an asset based on the current passbook savings rate, as determined by HUD, when the value of net family assets exceeds \$50,000 (which amount HUD will adjust annually) and the actual returns from a given asset cannot be calculated.

In addition to this general definition, the regulations at 24 CFR 5.609(b) provide a comprehensive listing of all sources of income that are excluded from annual income. Note, unlike in previous versions of the regulations, the current regulations governing annual income do not list sources of income that are to be included. Instead, HUD relies on the definition of excluded income under 24 CFR 5.609(b) to provide the scope of what is included. To that end, generally, all income is included unless it is specifically excluded by regulation.

Annual income includes “all amounts received,” not the amount that a family may be legally entitled to receive but did not receive. For example, a family’s child support or alimony income must be based on payments received, not the amounts to which the family is entitled by court or agency orders [Notice PIH 2023-27].

Annual income also includes all actual anticipated income from assets (provided the income is not otherwise excluded) even if the asset itself is excluded from net family assets [Notice PIH 2023-27]. 24 CFR 5.603(b)(1) describes HUD regulations for treating specific types of income and assets. The full texts of those portions of the regulations are provided in exhibits at the end of this chapter as follows:

- Annual Income Full Definition (Exhibit 6-1)
- Treatment of Family Assets (Exhibit 6-2)
- The Effect of Welfare Benefit Reduction (Exhibit 6-3)

Sections 6-I.B and 6-I.C discuss general requirements and methods for calculating annual income. The rest of this section describes how each source of income is treated for the purposes of determining annual income. Verification requirements for annual income are discussed in Chapter 7.

6-I.B. HOUSEHOLD COMPOSITION AND INCOME

Overview

Income received by all family members must be counted unless specifically excluded by the regulations. It is the responsibility of the head of household to report changes in family composition in accordance with HUD regulations and PHA policies in Chapter 11. The rules on which sources of income are counted vary somewhat by family member. The chart below summarizes how family composition affects income determinations.

Summary of Income Included and Excluded by Person	
Live-in aides	Income from all sources (both earned and unearned) is excluded [24 CFR 5.609(b)(8)].
Foster child or foster adult	Income from all sources (both earned and unearned) is excluded [24 CFR 5.609(b)(8)].
Head, spouse, or cohead Other adult family members	All sources of income not specifically excluded by the regulations are included [24 CFR 5.609(a)].
Minors	Earned income of children under 18 years of age is excluded [24 CFR 5.609(b)(3)]. All sources of unearned income, except those specifically excluded by the regulations, are included [24 CFR 5.609(a)].
Full-time students 18 years of age or older (not head, spouse, or cohead)	Earned income in excess of the dependent deduction is excluded [24 CFR 5.609(b)(14)]. All sources of unearned income, except those specifically excluded by the regulations, are included.

Temporarily Absent Family Members

The current regulations governing annual income do not specifically address temporarily absent family members. The regulations also do not define “temporarily” or “permanently” absent or specify a timeframe associated with a temporary versus a permanent absence.

PHA Policy

Unless specifically excluded by the regulations, the income of all family members approved to live in the unit will be counted, even if the family member is temporarily absent from the unit.

Generally, an individual who is or is expected to be absent from the assisted unit for 180 consecutive days or less is considered temporarily absent and continues to be considered a family member. Generally, an individual who is or is expected to be absent from the assisted unit for more than 180 consecutive days is considered permanently absent and no longer a family member. Exceptions to this general policy are discussed below.

Absent Students

PHA Policy

When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member unless information becomes available to the PHA indicating that the student has established a separate household, or the family declares that the student has established a separate household.

Absences Due to Placement in Foster Care

Children temporarily absent from the home as a result of placement in foster care (as confirmed by the state child welfare agency) are considered members of the family [24 CFR 5.403].

PHA Policy

If a child has been placed in foster care, the PHA will verify with the appropriate agency whether and when the child is expected to be returned to the home. Unless the agency confirms that the child has been permanently removed from the home, the child will continue to be counted as a family member.

Absent Head, Spouse, or Cohead

PHA Policy

An employed head, spouse, or cohead absent from the unit more than 180 consecutive days due to employment will continue to be considered a family member.

Family Members Permanently Confined for Medical Reasons

If a family member is confined to a nursing home or hospital on a permanent basis, that person is no longer considered a family member and the income of that person is not counted [HCV GB, p. 5-22].

PHA Policy

An individual permanently confined to a nursing home or hospital may not be named family head, spouse, or cohead but may continue as a family member at the family's discretion. The family has a choice with regard to how the permanently confined individual's income will be counted. The family may elect either of the following:

- (1) *Include* the individual's income and receive allowable deductions related to the medical care of the permanently confined individual.
- (2) *Exclude* the individual's income and do not receive allowances based on the medical care of the permanently confined individual.

Joint Custody of Dependents

PHA Policy

Dependents that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or participant family 50 percent or more of the time.

When more than one applicant or participant family is claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, the PHA will make the determination based on available documents such as court orders, school records, or an IRS return showing which family has claimed the child for income tax purposes.

Caretakers for a Child

PHA Policy

The approval of a caretaker is at the owner and PHA's discretion and subject to the owner and PHA's screening criteria. If neither a parent nor a designated guardian remains in a household receiving HCV assistance, the PHA will take the following actions.

- (1) If a responsible agency has determined that another adult is to be brought into the assisted unit to care for a child for an indefinite period, the designated caretaker will not be considered a family member until a determination of custody or legal guardianship is made.
- (2) If a caretaker has assumed responsibility for a child without the involvement of a responsible agency or formal assignment of custody or legal guardianship, the caretaker will be treated as a visitor for 90 days. After the 90 days has elapsed, the caretaker will be considered a family member unless information is provided that would confirm that the caretaker's role is temporary. In such cases the PHA will extend the caretaker's status as an eligible visitor.
- (3) At any time that custody or guardianship legally has been awarded to a caretaker, the housing choice voucher will be transferred to the caretaker.
- (4) During any period that a caretaker is considered a visitor, the income of the caretaker is not counted in annual income and the caretaker does not qualify the family for any deductions from income.

6-I.C. CALCULATING ANNUAL INCOME

The methodology used for calculating income differs depending on whether income is being calculated at initial occupancy, interim reexamination, or at annual reexamination. However, income from assets is always anticipated regardless of certification type.

Upon the PHA's HOTMA 102/104 compliance date, the following section on the income calculations is added. The income calculations do not apply until the PHA's HOTMA compliance date.

Anticipating Annual Income [24 CFR 5.609(c)(1)]

At initial occupancy and for an interim reexamination of family income, the PHA is required to use anticipated income (current income) for the upcoming 12-month period following the new admission or interim reexamination effective date. Policies related to verifying income are found in Chapter 7.

PHA Policy

When the PHA cannot readily anticipate income based upon current circumstances (e.g., in the case of temporary, sporadic, or variable employment, seasonal employment, unstable working hours, or suspected fraud), the PHA will review and analyze historical data for patterns of employment, paid benefits, and receipt of other income and use the results of this analysis to establish annual income.

Any time current circumstances are not used to project annual income, a clear rationale for the decision will be documented in the file. In all such cases the family may present information and documentation to the PHA to show why the historic pattern does not represent the family's anticipated income.

In all cases, the family file will be documented with a clear record of the reason for the decision, and a clear audit trail will be left as to how the PHA annualized projected income.

Known Changes in Income

If the PHA verifies an upcoming increase or decrease in income, annual income will be projected by applying each income amount to the appropriate part of the 12-month period.

Example: An employer reports that a full-time employee who has been receiving \$8/hour will begin to receive \$8.25/hour in the eighth week after the effective date of the new admission or interim reexamination. In such a case the PHA would calculate annual income as follows: $(\$8/\text{hour} \times 40 \text{ hours} \times 7 \text{ weeks}) + (\$8.25 \times 40 \text{ hours} \times 45 \text{ weeks})$.

The family may present information that demonstrates that implementing a change before its effective date would create a hardship for the family. In such cases the PHA will calculate annual income using current circumstances and then, should the change in income require the PHA to conduct an interim reexamination, conduct an interim reexamination in accordance with PHA policy in Chapter 11.

Upon the PHA's HOTMA 102/104 compliance date, the following section on the income calculations is added. The income calculations do not apply until the PHA's HOTMA compliance date.

Calculating Annual Income at Annual Reexamination [24 CFR.609(c)(2); Notice PIH 2023-27]

At annual reexamination, PHAs must first determine the family's income for the previous 12-month period and use this amount as the family income for annual reexaminations; however, adjustments to reflect current income must be made. Any change of income since the family's last annual reexamination, including those that did not meet the threshold to process an interim reexamination of family income in accordance with PHA policies in Chapter 11 and HUD regulations, must be considered. If, however, there have been no changes to income, then the amount of income calculated for the previous 12-month period is the amount that will be used to determine the family's rental assistance. Income from assets is always anticipated, irrespective of the income examination type. Policies related to conducting annual reexaminations are located in Chapter 11.

6-I.D. EARNED INCOME

Wages and Related Compensation [24 CFR 5.609(a); Notice PIH 2023-27]

The earned income of each member of the family who is 18 years of age or older, or who is the head of household or spouse/cohead regardless of age, is included in annual income. Income received as a day laborer or seasonal worker is also included in annual income, even if the source, date, or amount of the income varies [24 CFR 5.609 (b)(24)].

Earned income means income or earnings from wages, tips, salaries, other employee compensation, and net income from self-employment. Earned income does not include any pension or annuity, transfer payments (meaning payments made or income received in which no goods or services are being paid for, such as welfare, social security, and governmental subsidies for certain benefits), or any cash or in-kind benefits [24 CFR 5.100].

A *day laborer* is defined as an individual hired and paid one day at a time without an agreement that the individual will be hired or work again in the future [24 CFR 5.603(b)].

A *seasonal worker* is defined as an individual who is hired into a short-term position(e.g., for which the customary employment period for the position is six months or fewer) and the employment begins about the same time each year (such as summer or winter). Typically, the individual is hired to address seasonal demands that arise for the particular employer or industry [24 CFR 5.603(b)]. Some examples of seasonal work include employment limited to holidays or agricultural seasons. Seasonal work may include but is not limited to employment as a lifeguard, ballpark vendor, or snowplow driver [Notice PIH 2023-27].

PHA Policy

The PHA will include in annual income the full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation.

For persons who regularly receive bonuses or commissions, the PHA will verify and then average amounts received for the two years preceding admission or interim reexamination. If only a one-year history is available, the PHA will use the prior year amounts. In either case the family may provide, and the PHA will consider, a credible justification for not using this history to anticipate future bonuses or commissions. If a new employee has not yet received any bonuses or commissions, the PHA will count only the amount estimated by the employer. The file will be documented appropriately.

Military Pay

All regular pay, special pay and allowances of a member of the Armed Forces are counted except for the special pay to a family member serving in the Armed Forces who is exposed to hostile fire [24 CFR 5.609(b)(11)].

Earnings of a Minor [24 CFR 5.609(b)(3)]

A minor is a member of the family, other than the head of household or spouse, who is under 18 years of age. Employment income earned by minors is not included in annual income. All other sources of unearned income, except those specifically excluded by the regulations, are included.

Earned Income of Full-Time Students [24 CFR 5.609(b)(14)]

The earned income of a dependent full-time student in excess of the amount of the dependent deduction is excluded from annual income. All sources of unearned income, except those specifically excluded by the regulations, are included.

A family member other than the head of household or spouse/cohead is considered a full-time student if they are attending school or vocational training on a full-time basis [24 CFR 5.603(b)]. To be considered “full-time,” a student must be considered “full-time” by an educational institution with a degree or certificate program [HCV GB, p. 5-29].

**6-I.E. EARNED INCOME DISALLOWANCE FOR PERSONS WITH DISABILITIES
[24 CFR 5.617; Streamlining Final Rule (SFR) Federal Register 3/8/16;
Notice PIH 2023-27]**

HOTMA removed the statutory authority for the EID. The EID is available only to families that are eligible for and participating on the program as of December 31, 2023, or before; no new families may be added on or after January 1, 2024. If a family is receiving the EID prior to or on the effective date of December 31, 2023, they are entitled to the full amount of the benefit for a full 24-month period. The policies below are applicable only to such families. No family will still be receiving the EID after December 31, 2025. The EID will sunset on January 1, 2026, and the PHA policies below will no longer be applicable as of that date or when the last qualifying family exhausts their exclusion period, whichever is sooner.

Calculation of the Disallowance

Calculation of the earned income disallowance for an eligible member of a qualified family begins with a comparison of the member's current income with their "baseline income." The family member's baseline income is their income immediately prior to qualifying for the EID. The family member's baseline income remains constant throughout the period that they are participating in the EID.

Calculation Method

Initial 12-Month Exclusion

During the initial exclusion period of 12 consecutive months, the full amount (100 percent) of any increase in income attributable to new employment or increased earnings is excluded.

PHA Policy

The initial EID exclusion period will begin on the first of the month following the date an eligible member of a qualified family is first employed or first experiences an increase in earnings.

Second 12-Month Exclusion

During the second exclusion period of 12 consecutive months, the PHA must exclude at least 50 percent of any increase in income attributable to employment or increased earnings.

PHA Policy

During the second 12-month exclusion period, the PHA will exclude **50** percent of any increase in income attributable to new employment or increased earnings.

During the 24-month eligibility period, the PHA will schedule and conduct an interim reexamination each time there is a change in the family member's annual income that affects or is affected by the EID (e.g., when the family member's income falls to a level at or below their baseline income, when one of the exclusion periods ends, and at the end of the lifetime maximum eligibility period).

Lifetime Limitation

The EID has a two-year (24-month) lifetime maximum. The two-year eligibility period begins at the same time that the initial exclusion period begins and ends 24 months later. During the 24-month period, an individual remains eligible for EID even if they begin to receive assistance

from a different housing agency, move between public housing and Section 8 assistance, or have breaks in assistance. The EID will sunset on January 1, 2026. In no circumstances will a family member's exclusion period continue past January 1, 2026.

6-I.F. BUSINESS AND SELF-EMPLOYMENT INCOME [24 CFR 5.609(b)(28); Notice PIH 2023-27]

Annual income includes “net income from the operation of a business or profession. *Net income* is gross income minus business expenses that allows the business to operate. *Gross income* is all income amounts received into the business, prior to the deduction of business expenses.

Expenditures for business expansion or amortization of capital indebtedness may not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.”

PHA Policy

To determine business expenses that may be deducted from gross income, the PHA will use current applicable Internal Revenue Service (IRS) rules for determining allowable business expenses [see IRS Publication 535], unless a topic is addressed by HUD regulations or guidance as described herein.

Independent Contractors

Income received as an independent contractor is included in annual income, even if the source, date, or amount of the income varies [24 CFR 5.609 (b)(24)].

An *independent contractor* is defined as an individual who qualifies as an independent contractor instead of an employee in accordance with the Internal Revenue Code Federal income tax requirements and whose earnings are consequently subject to the Self-Employment Tax. In general, an individual is an independent contractor if the payer has the right to control or direct only the result of the work and not what will be done and how it will be done [24 CFR 5.603(b)].

Business Expansion

HUD regulations do not permit the PHA to deduct from gross income expenses for business expansion.

PHA Policy

Business expansion is defined as any capital expenditures made to add new business activities, to expand current facilities, or to operate the business in additional locations. For example, purchase of a street sweeper by a construction business for the purpose of adding street cleaning to the services offered by the business would be considered a business expansion. Similarly, the purchase of a property by a hair care business to open at a second location would be considered a business expansion.

Capital Indebtedness

HUD regulations do not permit the PHA to deduct from gross income the amortization of capital indebtedness.

PHA Policy

Capital indebtedness is defined as the principal portion of the payment on a capital asset such as land, buildings, and machinery. This means the PHA will allow as a business expense interest, but not principal, paid on capital indebtedness. **Negative Business Income**

If the net income from a business is negative, no business income will be included in annual income; a negative amount will not be used to offset other family income.

Withdrawal of Cash or Assets from a Business

HUD regulations require the PHA to include in annual income the withdrawal of cash or assets from the operation of a business or profession unless the withdrawal reimburses a family member for cash or assets invested in the business by the family.

PHA Policy

Acceptable investments in a business include cash loans and contributions of assets or equipment. For example, if a member of an assisted family provided an up-front loan of \$2,000 to help a business get started, the PHA will not count as income any withdrawals from the business up to the amount of this loan until the loan has been repaid.

Investments do not include the value of labor contributed to the business without compensation.

Assets Owned by a Business Entity

If a business entity (e.g., limited liability company or limited partnership) owns the asset, then the family's asset is their ownership stake in the business, not some portion of the business's assets. However, if the family holds the assets in their own name (e.g., they own one-third of a restaurant) rather than in the name of a business entity, then the percentage value of the asset owned by the family is what is counted toward net family assets (e.g., one-third of the value of the restaurant) [Notice PIH 2023-27].

6-I.G. STUDENT FINANCIAL ASSISTANCE [FR Notice 2/14/23 and Notice PIH 2023-27]

Introduction

Section 479B of the HEA requires that all assistance under Title IV of the HEA and Bureau of Indian Affairs student financial assistance, even assistance provided to students in excess of tuition and required fees or charges, be excluded from HUD income calculations.

For Section 8 programs only, however, for over 10 years through FY 2022, HUD appropriations have included a provision that for certain students receiving Section 8 assistance, any amounts received in excess of tuition and any other required fees and charges are considered income (with the exception of students who lived with their parents or who were over the age of 23 with a dependent child).

While the language in various consolidated appropriations acts is limited to federal fiscal year covered by the act, this does not rule out the possibility that similar language will be included in future years' appropriations bills.

- For any funds from a year where HUD's appropriations acts include this limitation, it will apply with respect to Section 8 participants. The PHA will follow the pre-HOTMA Section 8 student financial assistance limitation described below.
- During years in which an appropriations act does not contain this Section 8 student financial assistance limitation (or any other such limitation), then the determination of student financial assistance as included/excluded income for all Section 8 students defaults to the methodology described for the public housing program and listed below.

Pre-HOTMA Section 8 Student Financial Assistance Limitation [FR 4/10/06; Notice PIH 2015-21]

In 2005, Congress passed a law (for Section 8 programs only) requiring that certain student financial assistance be included in annual income. Prior to that, the full amount of student financial assistance was excluded. For some students, the full exclusion still applies.

The regulation requiring the inclusion of certain student financial assistance applies only to students who satisfy all of the following conditions:

- They are enrolled in an institution of higher education, as defined under the Higher Education Act (HEA) of 1965.
- They are seeking or receiving Section 8 assistance on their own—that is, apart from their parents—through the HCV program, the project-based voucher program, or the moderate rehabilitation program.
- They are under 24 years of age **OR** they have no dependent children.

For students who satisfy these three conditions, any financial assistance in excess of tuition and any other required fees and charges received: (1) under the 1965 HEA, (2) from a private source, or (3) from an institution of higher education, as defined under the 1965 HEA, must be included in annual income.

To determine annual income in accordance with the above requirements, the PHA will use the definitions of *dependent child*, *institution of higher education*, and *parents* in Chapter 3, along with the following definitions [FR 4/10/06, pp. 18148-18150]:

- *Assistance under the Higher Education Act of 1965* includes Pell Grants, Federal Supplement Educational Opportunity Grants, Academic Achievement Incentive Scholarships, State Assistance under the Leveraging Educational Assistance Partnership Program, the Robert G. Byrd Honors Scholarship Program, and Federal Work Study programs.
- *Assistance from private sources* means assistance from nongovernmental sources, including parents, guardians, and other persons not residing with the student in an HCV assisted unit.
- *Tuition and fees* are defined in the same manner in which the Department of Education defines *tuition and fees* [Notice PIH 2015-21].

- This is the amount of tuition and required fees covering a full academic year most frequently charged to students.
- The amount represents what a typical student would be charged and may not be the same for all students at an institution.
- If tuition is charged on a per-credit-hour basis, the average full-time credit hour load for an academic year is used to estimate average tuition.
- Required fees include all fixed-sum charges that are required of a large proportion of all students. Examples include, but are not limited to, writing and science lab fees and fees specific to the student's major or program (i.e., nursing program).
- Expenses related to attending an institution of higher education must **not** be included as tuition. Examples include, but are not limited to, room and board, books, supplies, meal plans, transportation and parking, student health insurance plans, and other non-fixed-sum charges.

Any student financial assistance not subject to inclusion under the regulations is fully excluded from annual income, whether it is paid directly to the student or to the educational institution the student is attending. This includes any financial assistance received by:

- Students residing with parents who are seeking or receiving Section 8 assistance
- Students who are enrolled in an educational institution that does **not** meet the 1965 HEA definition of *institution of higher education*
- Students who are over 23 **AND** have at least one dependent child, as defined in section 3-II.E
- Students who are receiving financial assistance through a governmental program not authorized under the 1965 HEA.

POST-HOTMA Student Financial Assistance Requirements [24 CFR 5.609(b)(9)]

The regulations under HOTMA distinguish between two categories of student financial assistance paid to both full-time and part-time students.

Types of Assistance

Any assistance to students under section 479B of the Higher Education Act of 1965 (Title IV of the HEA) must be excluded from the family's annual income [24 CFR 5.609(b)(9)(i)].

Examples of assistance under title IV of the HEA include:

- Federal Pell Grants;
- Teach Grants;
- Federal Work Study Programs;
- Federal Perkins Loans;
- Income earned in employment and training programs under section 134 of the Workforce Innovation and Opportunity Act (WIOA); or
- Bureau of Indian Affairs/Education student assistance programs
 - The Higher Education Tribal Grant
 - The Tribally Controlled Colleges or Universities Grant Program

Any other grant-in-aid, scholarship, or other assistance amounts an individual receives for the actual covered costs charged by the institute of higher education not otherwise excluded by the Federally mandated income exclusions are excluded [24 CFR 5.609(b)(9)(ii)]. *Actual covered costs* are defined as the actual costs of:

- Tuition, books, and supplies;
 - Including supplies and equipment to support students with learning disabilities or other disabilities
- Room and board; and
- Other fees required and charged to a student by the education institution.

For a student who is not the head of household or spouse/cohead, actual covered costs also include the reasonable and actual costs of housing while attending the institution of higher education and not residing in an assisted unit.

Further, to qualify, other student financial assistance must be expressly:

- For tuition, book, supplies, room and board, or other fees required and charged to the student by the educational institution;
- To assist a student with the costs of higher education; or
- To assist a student who is not the head of household or spouse with the reasonable and actual costs of housing while attending the educational institution and not residing in an assisted unit.

The student financial assistance may be paid directly to the student or to the educational institution on the student's behalf. However, any student financial assistance paid to the student must be verified by the PHA.

The financial assistance must be a grant or scholarship received from:

- The Federal government;
- A state, tribal, or local government ;
- A private foundation registered as a nonprofit;
- A business entity (such as corporation, general partnership, limited liability company, limited partnership, joint venture, business trust, public benefit corporation, or nonprofit entity); or
- An institution of higher education.

Student financial assistance, does not include:

- Financial support provided to the student in the form of a fee for services performed; (e.g., a work study or teaching fellowship that is not excluded under section 479B of the Higher Education Act HEA);
- Gifts, including gifts from family or friends; or
- Any amount of the scholarship or grant that, either by itself or in combination with assistance excluded under the HEA, exceeds the actual covered costs of the student.

Calculating Income from Student Financial Assistance [HOTMA Student Financial Assistance Resource Sheet; Notice PIH 2023-27] POST

The formula for calculating the amount of other student financial assistance that is excluded from income always begins with deducting the assistance received under 479B of the HEA from the total actual covered costs, because the 479B assistance is intended to pay the student's actual covered costs. When a student receives assistance from both Title IV of the HEA and from other sources, the assistance received under Title IV of the HEA must be applied to the student's actual covered costs first and then other student financial assistance is applied to any remaining actual covered costs. Once actual costs are covered, any remaining student financial assistance is considered income.

PHA Policy

If a student only receives financial assistance under Title IV of the HEA and does not receive any other student financial assistance, the PHA will exclude the full amount of the assistance received under Title IV from the family's annual income. The PHA will not calculate actual covered costs in this case.

If the student does not receive any assistance under Title IV of the HEA but does receive assistance from another source, the PHA will first calculate the actual covered costs to the student in accordance with 24 CFR 5.609(b)(ii). The PHA will then subtract the total amount of the student's financial assistance from the student's actual covered costs. The PHA will include any amount of financial assistance in excess of the student's actual covered costs in the family's annual income.

Example 1

- Actual covered costs: \$20,000
- Other student financial assistance: \$25,000
- Excluded income: \$20,000 (\$25,000 in financial assistance - \$20,000 in actual covered costs)
- Included income: \$5,000

When a student receives assistance from both Title IV of the HEA and from other sources, the PHA will first calculate the actual covered costs to the student in accordance with 24 CFR 5.609(b)(ii). The assistance received under Title IV of the HEA will be applied to the student's actual covered costs first and then the other student financial assistance will be applied to any remaining actual covered costs.

If the amount of assistance excluded under Title IV of the HEA equals or exceeds the actual covered costs, none of the assistance included under other student financial assistance" would be excluded from income.

Example 2

- Actual covered costs: \$25,000
- Title IV HEA assistance: \$26,000
- Title IV HEA assistance covers the students entire actual covered costs.
- Other Student Financial Assistance: \$5,000
- Excluded income: The entire Title IV HEA assistance of \$26,000
- Included income: All other financial assistance of \$5,000

If the amount of assistance excluded under Title IV of the HEA is less than the actual covered costs, the PHA will exclude the amount of other student financial assistance up to the amount of the remaining actual covered costs.

Example 3

- Actual covered costs: \$22,000
- Title IV HEA assistance: \$15,000
- The remaining amount not covered by Title IV HEA assistance is \$7,000 (\$22,000 in actual covered costs - \$15,000 in Title IV HEA assistance).
- Other Student Financial Assistance: \$5,000
- \$7,000 in remaining actual covered costs - \$5,000 in other financial assistance
- Excluded income: \$15,000 entire amount of the Title IV HEA Assistance + \$5,000 in other financial assistance
- Included income: \$0

Example 4

- Actual covered costs: \$18,000
- Title IV HEA Assistance: \$15,000
- The remaining amount not covered by Title IV HEA assistance is \$3,000 (\$18,000 in actual covered costs - \$15,000 in Title IV HEA Assistance)
- Other student Financial Assistance: \$5,000
- When other student financial assistance is applied, financial assistance exceeds actual covered costs by \$2,000 (\$3,000 in actual covered costs - \$5,000 in other financial assistance).
- Included income: \$2,000 (the amount by which the financial aid exceeds the student's actual covered costs).

6-I.H. PERIODIC PAYMENTS

Periodic payments are forms of income received on a regular basis. HUD regulations specify periodic payments that are not included in annual income. Regulations do not specify which types of periodic payments are included in annual income.

Income that has a discrete end date and will not be repeated beyond the coming year is excluded from a family's annual income because it is nonrecurring income. However, this does not include unemployment income and other types of periodic payments that are received at regular intervals (such as weekly, monthly, or yearly) for a period of greater than one year that can be extended. For example, a family receives income from a guaranteed income program in their city that has a discrete beginning and end date. While the guaranteed income will be repeated in the coming year, it will end before the family's next annual reexamination. This income is fully excluded from annual income.

Insurance payments and settlements for personal or property losses, including but not limited to payments under health insurance, motor vehicle insurance, and workers' compensation, are excluded from annual income. However, periodic payments paid at regular intervals (such as weekly, monthly, or yearly) for a period of greater than one year that are received in lieu of wages for workers' compensation are included in annual income. Payments received in lieu of wages for worker's compensation are excluded, even if paid in periodic payments, if the income will last for a period of less than one year.

Lump-Sum Payments for the Delayed Start of a Periodic Payment [24 CFR 5.609(b)(16)]

Deferred periodic amounts from Supplemental Security Income (SSI) and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts, or any deferred Department of Veterans Affairs (VA) disability benefits that are received in a lump sum amount or in prospective monthly amounts are excluded from annual income.

PHA Policy

The PHA will include in annual income lump sums received as a result of delays in processing periodic payments (other than those specifically excluded by the regulation), such as unemployment or welfare assistance.

When a delayed-start payment is received that is to be included and the family reports this during the period in which the PHA is processing an annual reexamination, the PHA will adjust the family's rent retroactively for the period the payment was intended to cover. The family may pay in full any amount due or request to enter into a repayment agreement with the PHA.

If the delayed-start payment is received outside of the time the PHA is processing an annual reexamination, then the PHA will consider whether the amount meets the threshold to conduct an interim reexamination. If so, the PHA will conduct an interim in accordance with PHA policies in Chapter 11. If not, the PHA will consider the amount when processing the family's next annual recertification.

Retirement Accounts [24 CFR 5.609(b)(26); Notice PIH 2023-27]

Income received from any account under a retirement plan recognized as such by the IRS, including individual retirement arrangements (IRAs), employer retirement plans, and retirement plans for self-employed individuals is not considered actual income from assets.

However, any distribution of periodic payments from such accounts is included in annual income at the time they are received by the family.

An asset moved to a retirement account held by a member of the family is not considered to be an asset disposed of for less than fair market value.

Social Security Benefits [Notice PIH 2018-24]

The PHA is required to use the gross benefit amount to calculate annual income from Social Security benefits.

Annually in October, the Social Security Administration (SSA) announces the cost-of-living adjustment (COLA) by which federal Social Security and SSI benefits are adjusted to reflect the increase, if any, in the cost of living. The federal COLA does not apply to state-paid disability benefits. Effective the day after the SSA has announced the COLA, PHAs are required to factor in the COLA when determining Social Security and SSI annual income for all annual reexaminations and interim reexaminations of family income that have not yet been completed and will be effective January 1 or later of the upcoming year [Notice PIH 2023-27]. When a family member's benefits are garnished, levied, or withheld to pay restitution, child support, tax debt, student loan debt, or other debts, the PHA must use the gross amount of the income, prior to the reduction, to determine a family's annual income.

PHA Policy

Annual income includes "all amounts received," not the amount that a family may be legally entitled to receive but which they do not receive. When the SSA overpays an individual, resulting in a withholding or deduction from their benefit amount until the overpayment is paid in full, the PHA will use the reduced benefit amount after deducting only the amount of the overpayment withholding from the gross benefit amount.

Alimony and Child Support

PHA Policy

The PHA will count all regular payments of alimony or child support awarded as part of a divorce or separation agreement.

The PHA will count court-awarded amounts for alimony and child support unless the family certifies and the PHA verifies that the payments are not being made.

In order to verify that payments are not being made, the PHA will review child support payments over the last three months.

If payments are being made regularly, the PHA will use the amount received during the last 12 months (excluding any lump sums received). If payments have been made for a period less than 12 months, the PHA will average all payments that have been made.

At new admission or interim recertification, if any lump sum payments were made in the past 12 months, the PHA will determine the likelihood of the family receiving another similar payment within the next 12 months before deciding whether or not this amount will be included in the calculation of annual income.

If the PHA determines and can appropriately verify that the family in all likelihood will not receive a similar payment, then the amount will not be considered when projecting annual income.

If the PHA determines that it is likely that the family will receive a similar payment and can appropriately verify it, the amount will be included when projecting annual income.

If no payments have been made in the past three months and there are no lump sums, the PHA will not include alimony or child support in annual income.

6-I.I. NONRECURRING INCOME [24 CFR 5.609(b)(24) and Notice PIH 2023-27]

Income received as an independent contractor, day laborer, or seasonal worker is not excluded from income as nonrecurring income, even if the source, date, or amount of the income varies.

Income that has a discrete end date and will not be repeated beyond the coming year during the family's upcoming annual reexamination period will be excluded from a family's annual income as nonrecurring income. This exclusion does not include unemployment income and other types of periodic payments that are received at regular intervals (such as weekly, monthly, or yearly) for a period of greater than one year that can be extended.

Income amounts excluded under this category may include, but are not limited to:

- Nonrecurring payments made to the family or to a third party on behalf of the family to assist with utilities;
- Payments for eviction prevention;
- Security deposits to secure housing;
- Payments for participation in research studies (depending on the duration); and
- General one-time payments received by or on behalf of the family.

Nonrecurring income that is excluded under the regulations includes:

- Payments from the U.S. Census Bureau for employment (relating to decennial census or the American Community Survey) lasting no longer than 180 days and not culminating in permanent employment [24 CFR 5.609(b)(24)(i)].
- Direct federal or state payments intended for economic stimulus or recovery [24 CFR 5.609(b)(24)(ii)].
- Amounts directly received by the family as a result of state refundable tax credits or state or federal tax refunds at the time they are received [24 CFR 5.609(b)(24)(iii) and (iv)].
- Gifts for holidays, birthdays, or other significant life events or milestones (e.g., wedding gifts, baby showers, anniversaries) [24 CFR 5.609(b)(24)(v)].
- Non-monetary, in-kind donations, such as food, clothing, or toiletries, received from a food bank or similar organization [24 CFR 5.609(b)(24)(vi)]. When calculating annual income, PHAs are prohibited from assigning monetary value to non-monetary in-kind donations received by the family [Notice PIH 2023-27]. Non-recurring, non-monetary in-kind donations from friends and family are excluded as non-recurring income.
- Lump-sum additions to net family assets, including but not limited to lottery or other contest winnings [24 CFR 5.609(b)(24)(vii)].

6-I.J. WELFARE ASSISTANCE

Overview

Welfare assistance is counted in annual income. Welfare assistance includes Temporary Assistance for Needy Families (TANF) and any payments to individuals or families based on need that are made under programs funded separately or jointly by federal, state, or local governments.

Sanctions Resulting in the Reduction of Welfare Benefits [24 CFR 5.615]

The PHA must make a special calculation of annual income when the welfare agency imposes certain sanctions on certain families. The full text of the regulation at 24 CFR 5.615 is provided as Exhibit 6-3. The requirements are summarized below. This rule applies only if a family was receiving HCV assistance at the time the sanction was imposed.

Covered Families

The families covered by 24 CFR 5.615 are those “who receive welfare assistance or other public assistance benefits (‘welfare benefits’) from a State or other public agency (‘welfare agency’) under a program for which Federal, State or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance” [24 CFR 5.615(b)]

Imputed Income

When a welfare agency imposes a sanction that reduces a family’s welfare income because the family commits fraud or fails to comply with the agency’s economic self-sufficiency program or work activities requirement, the PHA must include in annual income “imputed” welfare income. The PHA must request that the welfare agency provide the reason for the reduction of benefits and the amount of the reduction of benefits. The imputed welfare income is the amount that the benefits were reduced as a result of the sanction.

This requirement does not apply to reductions in welfare benefits: (1) at the expiration of the lifetime or other time limit on the payment of welfare benefits, (2) if a family member is unable to find employment even though the family member has complied with the welfare agency economic self-sufficiency or work activities requirements, or (3) because a family member has not complied with other welfare agency requirements [24 CFR 5.615(b)(2)].

Offsets

The amount of the imputed welfare income is offset by the amount of additional income the family begins to receive after the sanction is imposed. When the additional income equals or exceeds the imputed welfare income, the imputed income is reduced to zero [24 CFR 5.615(c)(4)].

Upon the PHA's HOTMA 102/104 compliance date, the following section on the income calculations is added. The income calculations do not apply until the PHA's HOTMA compliance date. Until such time the income for caregiving services is counted.

6-I.K. STATE PAYMENTS TO ALLOW INDIVIDUALS WITH DISABILITIES TO LIVE AT HOME [24 CFR 5.609(b)(19)]

Payments made by or authorized by a state Medicaid agency (including through a managed care entity) or other state or federal agency to an assisted family to enable a member of the assisted family who has a disability to reside in the family's assisted unit are excluded.

Authorized payments may include payments to a member of the assisted family through state Medicaid-managed care systems, other state agencies, federal agencies or other authorized entities.

The payments must be received for caregiving services a family member provides to enable another member of the assisted family who has a disability to reside in the family's assisted unit. Payments to a family member for caregiving services for someone who is not a member of the assisted family (such as for a relative that resides elsewhere) are not excluded from income.

Furthermore, if the agency is making payments for caregiving services to the family member for an assisted family member and for a person outside of the assisted family, only the payments attributable to the caregiving services for the caregiver's assisted family member would be excluded from income.

6-I.L. CIVIL RIGHTS SETTLEMENTS [24 CFR 5.609(b)(25); FR Notice 2/14/23]

Regardless of how the settlement or judgment is structured, civil rights settlements or judgments, including settlements or judgments for back pay, are excluded from annual income. This may include amounts received because of litigation or other actions, such as conciliation agreements, voluntary compliance agreements, consent orders, other forms of settlement agreements, or administrative or judicial orders under the Fair Housing Act, Title VI of the Civil Rights Act, Section 504 of the Rehabilitation Act (Section 504), the Americans with Disabilities Act, or any other civil rights or fair housing statute or requirement.

While these civil rights settlement or judgment amounts are excluded from income, the settlement or judgment amounts will generally be counted toward the family's net family assets (e.g., if the funds are deposited into the family's savings account or a revocable trust under the control of the family or some other asset that is not excluded from the definition of *net family assets*). Income generated on the settlement or judgment amount after it has become a net family asset is not excluded from income. For example, if the family received a settlement or back pay and deposited the money in an interest-bearing savings account, the interest from that account would be income at the time the interest is received.

Furthermore, if a civil rights settlement or judgment increases the family's net family assets such that they exceed \$50,000 (as annually adjusted by an inflationary factor), then income will be imputed on the net family assets pursuant to 24 CFR 5.609(a)(2). If the imputed income, which HUD considers unearned income, increases the family's annual adjusted income by 10 percent or more, then an interim reexamination of income will be required unless the addition to the family's net family assets occurs within the last three months of the family's income certification period and the PHA or owner chooses not to conduct the examination.

6-I.M. ADDITIONAL EXCLUSIONS FROM ANNUAL INCOME [24 CFR 5.609(b)]

Other exclusions contained in 24 CFR 5.609(b) that have not been discussed earlier in this chapter include the following:

- Payments received for the care of foster children or foster adults or state or tribal kinship or guardianship care payments [24 CFR 5.609(b)(4)].
- Insurance payments and settlements for personal or property losses, including but not limited to payments through health insurance, motor vehicle insurance, and workers' compensation [24 CFR 5.609(b)(5)]. However, periodic payments paid at regular intervals (such as weekly, monthly, or yearly) for a period of greater than one year that are received in lieu of wages for workers' compensation are included in annual income [Notice PIH 2023-27].
- Amounts received by the family that are specifically for, or in reimbursement of, the cost of health and medical care expenses for any family member [24 CFR 5.609(b)(6)].
- Any amounts recovered in any civil action or settlement based on a claim of malpractice, negligence, or other breach of duty owed to a family member arising out of law, that resulted in a member of the family becoming disabled [24 CFR 5.609(b)(7)].
- Income and distributions from any Coverdell education savings account under Section 530 of the Internal Revenue Code of 1986 or any qualified tuition program under Section 529 of such Code [24 CFR 5.609(b)(10)].
- Income earned by government contributions to, and distributions from, "baby bond" accounts created, authorized, or funded by federal, state, or local government [24 CFR 5.609(b)(10)].
- The special pay to a family member serving in the Armed Forces who is exposed to hostile fire [24 CFR 5.609(b)(11)].
- Payments related to aid and attendance under 38 U.S.C. 1521 to veterans in need of regular aid and attendance [24 CFR 5.609(b)(17)]. This income exclusion applies only to veterans in need of regular aid and attendance and not to other beneficiaries of the payments, such as a surviving spouse [Notice PIH 2023-27].
- Loan proceeds (the net amount disbursed by a lender to or on behalf of a borrower, under the terms of a loan agreement) received by the family or a third party (e.g., proceeds received by the family from a private loan to enable attendance at an educational institution or to finance the purchase of a car) [24 CFR 5.609(b)(20)]. The loan borrower or co-borrower must be a member of the family for this income exclusion to be applicable [Notice PIH 2023-27].

- Payments received by tribal members as a result of claims relating to the mismanagement of assets held in trust by the United States, to the extent such payments are also excluded from gross income under the Internal Revenue Code or other federal law [24 CFR 5.609(b)(21)]. Generally, payments received by tribal members in excess of the first \$2,000 of per capita shares are included in a family's annual income for purposes of determining eligibility. However, as explained in Notice PIH 2023-27, payments made under the Cobell Settlement, and certain per capita payments under the recent Tribal Trust Settlements, must be excluded from annual income in HUD programs that adopt the definitions of *annual income* in 24 CFR 5.609, the Census Long Form, and the IRS Form 1040, including the programs affected by Notice PIH 2023-27.
- Replacement housing "gap" payments made in accordance with 49 CFR Part 24 that offset increased out of pocket costs of displaced persons that move from one federally subsidized housing unit to another federally subsidized housing unit. Such replacement housing "gap" payments are not excluded from annual income if the increased cost of rent and utilities is subsequently reduced or eliminated, and the displaced person retains or continues to receive the replacement housing "gap" payments [24 CFR 5.609(b)(23)].
- Income earned on amounts placed in a family's Family Self-Sufficiency account [24 CFR 5.609(b)(27)].
- Amounts received by participants in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred e.g., special equipment, clothing, transportation, child care, etc.) and which are made solely to allow participation in a specific program [24 CFR 5.609(i)(12)(ii)].
- Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS) [(24 CFR 5.609(b)(12)(i)].
- Amounts received under a resident service stipend not to exceed \$200 per month. A resident service stipend is a modest amount received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development [24 CFR 5.609 I(12)(ii)].

Incremental earnings and benefits to any family member resulting from participation in qualifying training program funded by HUD or in qualifying federal, state, tribal, or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff are excluded from annual income. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the training program unless those amounts are excluded under 24 CFR 5.609(b)(9)(i) [24 CFR 5.609(b)(12)(iv)].

PHA Policy

The PHA defines *training program* as “a learning process with goals and objectives, generally having a variety of components, and taking place in a series of sessions over a period of time. It is designed to lead to a higher level of proficiency, and it enhances the individual’s ability to obtain employment. It may have performance standards to measure proficiency. Training may include but is not limited to: (1) classroom training in a specific occupational skill, (2) on-the-job training with wages subsidized by the program, or (3) basic education” [expired Notice PIH 98-2, p. 3].

The PHA defines *incremental earnings and benefits* as the difference between (1) the total amount of welfare assistance and earnings of a family member prior to enrollment in a training program and (2) the total amount of welfare assistance and earnings of the family member after enrollment in the program [expired Notice PIH 98-2, pp. 3–4].

In calculating the incremental difference, the PHA will use as the pre-enrollment income the total annualized amount of the family member’s welfare assistance and earnings reported on the family’s most recently completed HUD-50058.

End of participation in a training program must be reported in accordance with the PHA’s interim reporting requirements (see Chapter 11).

- Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era [24 CFR 5.609(b)(13)].
- Adoption assistance payments for a child in excess of the amount of the dependent deduction per adopted child [24 CFR 5.609(b)(15)].
- Refunds or rebates on property taxes paid on the dwelling unit [24 CFR 5.609(b)(20)].
- Amounts that HUD is required by federal statute to exclude from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in 24 CFR 5.609(b) apply. HUD will publish a notice in the *Federal Register* to identify the benefits that qualify for this exclusion. Updates will be published when necessary.

HUD publishes an updated list of these exclusions periodically. The most recent list of exclusions was published in the *Federal Register* on May 20, 2014. It includes:

PART II: ASSETS

6-II.A. OVERVIEW

Annual income includes all actual anticipated income from assets (unless otherwise excluded by the regulations) even if the asset itself is excluded from net family assets [Notice PIH 2023-27].

The regulation at 24 CFR 5.603(b)(3) provides a list of items that are excluded from the calculation of net family assets. Note, unlike previous versions of the regulations, the current regulations do not list types of assets that are included in annual income. Instead, HUD relies on the definition of items excluded from assets to provide the scope of what is included. Exhibit 6-2 provides the regulatory definition of *net family assets*.

Optional policies for family self-certification of assets are found in Chapter 7. Policies related to the asset limitation may be found in Chapter 3.

Income from assets is always anticipated, irrespective of the income examination type.

PHA Policy

The PHA generally will use current circumstances to determine both the value of an asset and the anticipated income from the asset. The PHA will use other than current circumstances to anticipate income when (1) an imminent change in circumstances is expected, (2) it is not feasible to anticipate a level of income over 12 months, or (3) the PHA believes that past income is the best indicator of anticipated income. For example, if a family member owns real property that typically receives rental income, but the property is currently vacant, the PHA can take into consideration past rental income along with the prospects of obtaining a new tenant.

Any time current circumstances are not used to determine asset income, a clear rationale for the decision will be documented in the file. In such cases the family may present information and documentation to the PHA to show why the asset income determination does not represent the family's anticipated asset income.

6-II.B. ASSETS DISPOSED OF FOR LESS THAN FAIR MARKET VALUE

[24 CFR 5.603(b)(2)]

PHAs must include the value of any business or family assets disposed of by an applicant or participant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application or reexamination, as applicable, in excess of the consideration received for the asset. An asset moved to a retirement account held by a member of the family is not considered to be an asset disposed of for less than fair market value. [Notice PIH 2023-27].

Minimum Threshold

The *HCV Guidebook* permits the PHA to set a threshold below which assets disposed of for less than fair market value will not be counted [HCV GB, p. 5-27].

PHA Policy

The PHA will not include the value of assets disposed of for less than fair market value unless the cumulative fair market value of all assets disposed of during the past two years exceeds the gross amount received for the assets by more than \$1,000.

Separation or Divorce

The regulation also specifies that assets are not considered disposed of for less than fair market value if they are disposed of as part of a separation or divorce settlement and the applicant or tenant receives important consideration not measurable in dollar terms.

PHA Policy

All assets disposed of as part of a separation or divorce settlement will be considered assets for which important consideration not measurable in monetary terms has been received. In order to qualify for this exemption, a family member must be subject to a formal separation or divorce settlement agreement established through arbitration, mediation, or court order.

Foreclosure or Bankruptcy

Assets are not considered disposed of for less than fair market value when the disposition is the result of a foreclosure or bankruptcy sale. Negative equity in real property or other investments does not prohibit the owner from selling the property or other investments, so negative equity alone would not justify excluding the property or other investments from family assets.

Asset Owned by a Business Entity

If a business entity (e.g., limited liability company or limited partnership) owns the asset, then the family's asset is their ownership stake in the business, not some portion of the business's assets. However, if the family holds the assets in their own name (e.g., they own one third of a restaurant) rather than in the name of a business entity, then the percentage value of the asset owned by the family is what is counted toward net family assets (e.g., one-third of the value of the restaurant) [Notice PIH 2023-27].

Family Declaration

PHA Policy

Families must sign a declaration form at initial certification and each annual recertification identifying all assets that have been disposed of for less than fair market value or declaring that no assets have been disposed of for less than fair market value.

The PHA may verify the value of the assets disposed of if other information available to the PHA does not appear to agree with the information reported by the family.

6-II.C. ASSET INCLUSIONS AND EXCLUSIONS

Checking and Savings Accounts [Notice PIH 2023-27]

HUD considers bank accounts as non-necessary items of personal property. Whether or not non-necessary personal property is counted toward net family assets depends on the combined value of all of the family's assets.

- When the combined value of net family assets is greater than \$50,000, as adjusted by inflation, checking and/or savings accounts would be counted toward net family assets.
- When the combined value of all non-necessary personal property does not exceed \$50,000, as adjusted by inflation, all non-necessary personal property is excluded from net family assets. In this case, the value of the family's checking and/or savings accounts would not be considered when calculating net family assets.

However, actual income from checking and savings accounts is always included in a family's annual income, regardless of the total value of net family assets or whether the asset itself is included or excluded from net family assets, unless that income is specifically excluded.

ABLE Accounts [24 CFR 5.609(b)(10); Notice PIH 2019-09]

An Achieving a Better Life Experience (ABLE) account is a type of tax-advantaged savings account that an eligible individual can use to pay for qualified disability expenses. Section 103 of the ABLE Act mandates that an individual's ABLE account (specifically, its account balance, contributions to the account, and distributions from the account) is excluded when determining the designated beneficiary's eligibility and continued occupancy under certain federal means-tested programs. The PHA must exclude the entire value of the individual's ABLE account from the household's assets. Distributions from the ABLE account are also not considered income. However, all wage income received, regardless of which account the money is paid to, is included as income.

***Investment Accounts Such as Stocks, Bonds, Saving Certificates, and Money Market Funds
[24 CFR 5.603(b)(1)]***

HUD considers financial investments such as stocks and bonds non-necessary items of personal property. Whether non-necessary personal property is counted toward net family assets depends on the combined value of all of the family's assets.

- When the combined value of net family assets is greater than \$50,000, as adjusted by inflation, financial investments such as stocks and bonds are considered part of net family assets. In this case, the value of the family's checking and/or savings accounts would be counted toward net family assets.
- When the combined value of all non-necessary personal property does not exceed \$50,000, as adjusted by inflation, all non-necessary personal property is excluded from net family assets. In this case, the value of the family's financial investments such as stocks and bonds would not be considered when calculating net family assets.

However, actual income from financial accounts is always included in a family's annual income, regardless of the total value of net family assets or whether the asset itself is included or excluded from net family assets, unless that income is specifically excluded. When a stock issues dividends in some years but not others (e.g., due to market performance), the dividend is counted as the actual return when it is issued, but when no dividend is issued, the actual return is \$0. When the stock never issues dividends, the actual return is \$0.

PHA Policy

The PHA will include interest or dividends earned by investment accounts as actual income from assets even when the earnings are reinvested.

The cash value of such an asset is determined by deducting from the market value any broker fees, penalties for early withdrawal, or other costs of converting the asset to cash.

In determining the market value of an investment account, the PHA will use the value of the account on the most recent investment report.

Necessary and Non-Necessary Personal Property [24 CFR 5.603(b)(3)(i)]

All assets are categorized as either *real property* (e.g., land, a home) or *personal property*.

Personal property includes tangible items, like boats, as well as intangible items, like bank accounts.

The value of necessary items of personal property is excluded from the calculation of net family assets. Necessary items of personal property include a car used for commuting or medical devices.

HUD defines *necessary personal property* as items essential to the family for the maintenance, use, and occupancy of the premises as a home; or they are necessary for employment, education, or health and wellness. Necessary personal property includes more than merely items that are indispensable to the bare existence of the family. It may include personal effects (such as items that are ordinarily worn or utilized by the individual), items that are convenient or useful to a reasonable existence, and items that support and facilitate daily life within the family's home. Necessary personal property also includes items that assist a household member with a disability, including any items related to disability-related needs, or that may be required for a reasonable accommodation for a person with a disability. Necessary personal property does not include bank accounts, other financial investments, or luxury items. Items of personal property that do not qualify as necessary personal property are classified as non-necessary personal property.

The combined value of all **non-necessary** items of personal property is only included in annual income when the combined total value exceeds \$50,000 (adjusted annually by HUD). When the combined value of all non-necessary personal property does not exceed \$50,000, as adjusted by inflation, all non-necessary personal property is excluded from net family assets.

While not an exhaustive list, the following table from Notice PIH 2023-27 provides examples of necessary and non-necessary personal property.

Necessary Personal Property	Non-Necessary Personal Property
<p>Car(s)/vehicle(s) that a family relies on for transportation for personal or business use (e.g., bike, motorcycle, skateboard, scooter)</p> <p>Furniture, carpets, linens, kitchenware</p> <p>Common appliances</p> <p>Common electronics (e.g., radio, television, DVD player, gaming system)</p> <p>Clothing</p> <p>Personal effects that are not luxury items (e.g., toys, books)</p> <p>Wedding and engagement rings</p> <p>Jewelry used in religious/cultural celebrations and ceremonies</p> <p>Religious and cultural items</p> <p>Medical equipment and supplies</p> <p>Health care-related supplies</p> <p>Musical instruments used by the family</p> <p>Personal computers, phones, tablets, and related equipment</p> <p>Professional tools of trade of the family, for example professional books</p> <p>Educational materials and equipment used by the family, including equipment to accommodate persons with disabilities</p> <p>Equipment used for exercising (e.g., treadmill, stationary bike, kayak, paddleboard, ski equipment)</p>	<p>Recreational car/vehicle not needed for day-to-day transportation for personal or business use (campers, motorhomes, traveling trailers, all-terrain vehicles (ATVs))</p> <p>Bank accounts or other financial investments (e.g., checking account, savings account, stocks/bonds)</p> <p>Recreational boat/watercraft</p> <p>Expensive jewelry without religious or cultural value, or which does not hold family significance</p> <p>Collectibles (e.g., coins/stamps)</p> <p>Equipment/machinery that is not used to generate income for a business</p> <p>Items such as gems/precious metals, antique cars, artwork, etc.</p>

PHA Policy

In determining the value of non-necessary personal property, the PHA will use the family's estimate of the value. The PHA may obtain an appraisal if there is reason to believe that the family's estimated value is off by \$50 or more. The family must cooperate with the appraiser but cannot be charged any costs related to the appraisal.

Lump-Sum Additions to Net Family Assets [24 CFR 5.609(b)(24(viii); Notice PIH 2023-27]

The regulations exclude income from lump-sum additions to family assets, including lottery or other contest winnings as a type of nonrecurring income.

In addition, lump sums from insurance payments, settlements for personal or property losses, and recoveries from civil actions or settlements based on claims of malpractice, negligence, or other breach of duty owed to a family member arising out of law that resulted in a member of the family becoming a family member with a disability are excluded from income.

Further, deferred periodic amounts from Supplemental Security Income (SSI) and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts, or any deferred Department of Veterans Affairs disability benefits that are received in a lump sum amount or in prospective monthly amounts are also excluded from income.

However, these amounts may count toward net family assets. The PHA must consider any actual or imputed returns from assets as income at the next applicable income examination. In the case where the lump sum addition to assets would lead to imputed income, which is unearned income, that increases the family's annual adjusted income by 10 percent or more, then the addition of the lump sum to the family's assets will trigger an immediate interim reexamination of income in accordance with Chapter 11. This reexamination of income must take place as soon as the lump sum is added to the family's net family assets unless the addition takes place in the last three months of family's income certification period and the PHA chooses not to conduct the examination.

For a discussion of lump-sum payments that represent the delayed start of a periodic payment, most of which are counted as income, see sections 6-I.H and 6-I.I.

PHA Policy

Any lump-sum receipts are only counted as assets if they are retained by a family in a form recognizable as an asset. [RHIIP FAQs]. For example, if the family receives a \$1,000 lump sum for lottery winnings, and the family immediately spends the entire amount, the lump sum will not be counted toward net family assets.

Jointly Owned Assets [Notice PIH 2023-27]

For assets owned jointly by the family and one or more individuals outside of the assisted family, the PHA must include the total value of the asset in the calculation of net family assets, unless:

- The asset is otherwise excluded;
- The family can demonstrate that the asset is inaccessible to them; or
- The family cannot dispose of any portion of the asset without the consent of another owner who refuses to comply.

If the family demonstrates that they can only access a portion of an asset, then only that portion's value is included in the calculation of net family assets for the family.

Any income from a jointly owned asset must be included in annual income, unless:

- The income is specifically excluded;
- The family demonstrates that they do not have access to the income from that asset; or
- The family only has access to a portion of the income from that asset.

If the family demonstrates that they can only access a portion of the income from an asset, then only that portion's value is included in the calculation of income from assets.

If an individual is a beneficiary who is entitled to access the account's funds only upon the death of the account's owner, and may not otherwise withdraw funds from an account, then the account is not an asset to the assisted family, and the family should provide proper documentation demonstrating that they are only a beneficiary on the account.

Trusts [24 CFR 5.609(b)(2) and 5.603(b)(4)]

A *trust* is a legal arrangement generally regulated by state law in which one party (the creator or grantor) transfers property to a second party (the trustee) who holds the property for the benefit of one or more third parties (the beneficiaries).

The following types of trust distributions are excluded from annual income:

- Distributions of the principal or corpus of the trust; and
- Distributions of income from the trust when the distributions are used to pay the costs of health and medical care expenses for a minor.

The basis for determining how to treat trusts relies on information about who has access to either the principal in the account or the income from the account. There are two types of trusts, *revocable* and *irrevocable*.

When the creator sets up an *irrevocable trust*, the creator has no access to the funds in the account. Irrevocable trusts not under the control of any member of the family or household are not assets. Typically, special needs trusts are considered irrevocable. The value of the trust is not included in net family assets, so long as the fund continues to be held in a trust that is not revocable by, or under the control of, any member of the family or household [24 CFR 5.603(b)(4)]. Where an irrevocable trust is excluded from net family assets, the PHA must not consider actual income earned by the trust (e.g., interest earned, rental income if property is held in the trust) for so long as the income from the trust is not distributed. If the value of the trust is not considered part of the family's net assets, then distributions from the trust are treated as follows:

- All distributions from the trust's principal are excluded from income.
- Distributions of income earned by the trust (i.e., interest, dividends, realized gains, or other earnings on the trust's principal), are included as income unless the distribution is used to pay for the health and medical expenses for a minor.

A *revocable trust* is a trust that the creator of the trust may amend or end (revoke). When there is a revocable trust, the creator has access to the funds in the trust account.

The value of revocable trusts that are not under the control of the family are excluded from net family assets. This happens when a member of the assisted family is the beneficiary of a revocable trust, but the grantor is not a member of the assisted family. In this case the beneficiary does not "own" the revocable trust, and the value of the trust is excluded from net family assets. For the revocable trust to be considered excluded from net family assets, no family or household member may be the account's trustee. If this is the case, then distributions from the trust are treated as follows:

- All distributions from the trust's principal are excluded from income.
- Distributions of income earned by the trust (i.e., interest, dividends, realized gains, or other earnings on the trust's principal), are included as income unless the distribution is used to pay for the health and medical expenses for a minor.

Revocable trusts under the control of the family or household (e.g., the grantor is a member of the assisted family or household) are considered assets and must be included in net family assets.

If the value of the trust is considered part of the family's net assets, then distributions from the trust are not considered income to the family. The PHA must count all actual returns (e.g., interest earned) from the trust as income or, if the trust has no actual returns (e.g., if the trust is comprised of farmland that is not in use) and the total value of the combined net family assets exceeds \$50,000 (as that amount is updated for inflation), as imputed returns, as applicable.

Life Insurance [FR Notice 2/14/23 and Notice PIH 2023-27]

Net family assets do not include the value of term life insurance, which has no cash value to the individual before death.

The cash value of a life insurance policy available to a family member before death, such as a whole life or universal life policy, is included in the calculation of the value of the family's assets. The cash value is the surrender value. While the cash value of an insurance policy is considered an asset, the face value of any policy is not. If such a policy earns dividends or interest that the family could elect to receive, the amount of dividends or interest is counted as income from the asset whether or not the family actually receives it.

Tax Refunds [24 CFR 5.603(b)(3)(xi) and Notice PIH 2023-27]

All amounts received by a family in the form of federal tax refunds or refundable tax credits are excluded from a family's net family assets for a period of 12 months after receipt by the family.

At the time of an annual or interim reexamination of income, if the federal tax refund was received during the 12 months preceding the effective date of the reexamination, then the amount of the refund that was received by the family is subtracted from the total value of the account in which the federal tax refund or refundable tax credits were deposited. When the subtraction results in a negative number, then the balance of the asset is considered \$0.

If the tax refund or refundable tax credit is deposited into another excluded asset, such as a retirement account or a Coverdell Education Savings Account, then the deposit will have no effect on the balance of the asset (i.e., there is no need for the PHA to subtract the amount of the deposit from the value of the excluded asset).

Asset Exclusions [24 CFR 5.603(b)]

The following are excluded from the calculations of net family assets:

- The value of any account under a retirement plan recognized as such by the IRS, including individual retirement arrangements (IRAs), employer retirement plans, and retirement plans for self-employed individuals [24 CFR 5.603(b)(3)(iii)].
- The value of real property that the family does not have the effective legal authority to sell in the jurisdiction in which the property is located [24 CFR 5.603(b)(3)(iv)].
 - *Real property* as used in this part has the same meaning as that provided under the law of the state in which the property is located [24 CFR 5.100].
 - Examples of this include but are not limited to co-ownership situations (including situations where one owner is a victim of domestic violence), where one party cannot unilaterally sell the real property; property that is tied up in litigation; and inherited property in dispute [Notice PIH 2023-27].
- Any amounts recovered in any civil action or settlement based on a claim of malpractice, negligence, or other breach of duty owed to a family member arising out of law, that resulted in a family member being a person with a disability [24 CFR 5.603(b)(3)(v)];
- The value of any Coverdell education savings account under section 530 of the Internal Revenue Code of 1986 [24 CFR 5.603(b)(3)(vi)];

- The value of any qualified tuition program under Section 529 of such Code [24 CFR 5.603(b)(3)(vi)];
- The value of any “baby bond” account created, authorized, or funded by federal, state, or local government [24 CFR 5.603(b)(3)(vi)];
- Interests in Indian trust land [24 CFR 5.603(b)(3)(vii)];
- Equity in a manufactured home where the family receives assistance under 24 CFR part 982 [24 CFR 5.603(b)(3)(viii)];
- Equity in property under the Homeownership Option for which a family receives assistance under 24 CFR part 982 [24 CFR 5.603(b)(3)(ix)];
- Family Self-Sufficiency accounts [24 CFR 5.603(b)(3)(x)];
- Federal tax refunds or refundable tax credits for a period of 12 months after receipt by the family [24 CFR 5.603(b)(3)(xi)].
- The full amount of assets held in an irrevocable trust [Notice PIH 2023-27]; and
- The full amount of assets held in a revocable trust where a member of the family is the beneficiary, but the grantor/owner and trustee of the trust is not a member of the participant family or household [Notice PIH 2023-27].

The below determining of assets does not apply until the PHA's HOTMA 102/104 compliance date. Until such time PHA will count the higher of actual income received or HUD passbook rate on assets over \$5,000.

6-II.D. DETERMINING INCOME FROM ASSETS

In some cases, amounts that are excluded from net family assets may be included as annual income when disbursements are made to a family from an asset. In other cases, amounts are excluded from annual income as a lump-sum addition to net family assets, but those funds are then considered a net family asset if held in an account or other investment that is considered part of net family assets [Notice PIH 2023-27].

Net Family Assets

Net family assets are defined as the net cash value of all assets owned by the family, after deducting reasonable costs that would be incurred in disposing real property, savings, stocks, bonds, and other forms of capital investment.

PHA Policy

Reasonable costs that would be incurred when disposing of an asset include, but are not limited to, penalties for premature withdrawal, broker and legal fees, and settlement costs incurred in real estate transactions such as settlement costs and transfer taxes [New PH OCC GB, *Income Determinations*, p. 24].

The calculation of asset income sometimes requires the PHA to make a distinction between an asset's market value and its cash value.

- The market value of an asset is its worth in the market (e.g., the amount a buyer would pay for real estate or the total value of an investment account).
- The cash value of an asset is its market value less all reasonable amounts that would be incurred when converting the asset to cash.

The cash value of real property or other assets with negative equity would be considered \$0 for the purposes of calculating net family assets. Negative equity in real property or other investments does not prohibit the family from selling the property or other investments, so negative equity alone would not justify excluding the property or other investments from family assets [Notice PIH 2023-27].

Upon the PHA's HOTMA 102/104 compliance date, the asset limitation is \$5,000.

Actual Income from Assets

Income from assets must be included on the Form HUD-50058 regardless of the amount of income. Actual income from assets is always included in a family's annual income, regardless of the total value of net family assets or whether the asset itself is included or excluded from net family assets, unless that income is specifically excluded by 24 CFR 5.609(b).

Income or returns from assets are generally considered to be interest, dividend payments, and other actual income earned on the asset, and not the increase in market value of the asset. The increase in market value is relevant to the cash value of the asset for the purpose of determining total net family assets and imputing income.

The PHA may determine the net assets of a family based on a self-certification by the family that the net family assets do not exceed \$50,000 (adjusted annually by HUD), without taking additional steps to verify the accuracy of the declaration [24 CFR 5.618(b)]. Policies related to verification of assets are found in Chapter 7 of this policy.

The PHA may not calculate or include any imputed income from assets when net family assets total \$50,000 or less [24 CFR 5.609(b)(1)]. The actual income from assets must be included on the Form HUD-50058.

Imputed Income from Assets

When net family assets exceed \$50,000 (adjusted annually by HUD), the PHA may not rely on self-certification. If actual returns can be calculated, the PHA must include actual income from the asset on the Form HUD-50058 (for example, a savings account or CD where the rate of return is known). If actual returns cannot be calculated, the PHA must calculate imputed returns using the HUD-determined passbook rate (for example, real property or a non-necessary item of personal property such as a recreational boat). If the PHA can compute actual income from some but not all assets, the PHA must compute actual returns where possible and use the HUD-determined passbook rate for assets where actual income cannot be calculated [24 CFR 5.609(a)(2)].

An asset with an actual return of \$0 (such as a non-interest-bearing checking account), is not the same as an asset for which an actual return cannot be computed (such as non-necessary personal property). If the asset is a financial asset and there is no income generated (for example, a bank account with a zero percent interest rate or a stock that does not issue cash dividends), then the asset generates zero actual asset income, and imputed income is not calculated. When a stock issues dividends in some years but not others (e.g., due to market performance), the dividend is counted as the actual return when it is issued, and when no dividend is issued, the actual return is \$0. When the stock never issues dividends, the actual return is consistently \$0.

PART III: ADJUSTED INCOME

6-III.A. INTRODUCTION

Overview

HUD regulations require PHAs to deduct from annual income any of five mandatory deductions for which a family qualifies and allow the PHA to deduct other permissive deductions in accordance with PHA policy. The resulting amount is the family's adjusted income. Mandatory deductions are found in 24 CFR 5.611.

5.611 *Adjusted income* means annual income (as determined under § 5.609) of the members of the family residing or intending to reside in the dwelling unit, after making the following deductions:

(a) *Mandatory deductions*

- (1) \$480 for each dependent (adjusted annually by HUD, rounded to the next lowest multiple of \$25);
- (2) \$525 for any elderly family or disabled family (adjusted annually by HUD, rounded to the next lowest multiple of \$25);
- (3) The sum of the following, to the extent the sum exceeds ten percent of annual income:
 - (i) Unreimbursed health and medical care expenses of any elderly family or disabled family;
 - (ii) Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed; and
- (4) Any reasonable child care expenses necessary to enable a member of the family to be employed or to further his or her education.

This part covers policies related to these mandatory deductions. Verification requirements related to these deductions are found in Chapter 7.

Anticipating Expenses

PHA Policy

Generally, the PHA will use current circumstances to anticipate expenses. When possible, for costs that are expected to fluctuate during the year (e.g., child care during school and non-school periods and cyclical medical expenses), the PHA will estimate costs based on historic data and known future costs.

If a family has an accumulated debt for medical or disability assistance expenses, the PHA will include as an eligible expense the portion of the debt that the family expects to pay during the period for which the income determination is being made. However, amounts previously deducted will not be allowed even if the amounts were not paid as expected in a preceding period. The PHA may require the family to provide documentation of payments made in the preceding year.

When calculating health and medical care expenses, the PHA will include those expenses anticipated to be incurred during the 12 months following the certification date which are not covered by an outside source, such as insurance. The allowance is not intended to give a family an allowance equal to last year's expenses, but to anticipate regular ongoing and anticipated expenses during the coming year. Since these expenses are anticipated, the *PH Occupancy Guidebook* states "it is likely that actual expenses will not match what was anticipated. Typically, this would not be considered an underpayment as long as at the time of the annual reexamination, the expenses were calculated based on the appropriate verification" [New PH OCC GB, *Income Determinations*, p. 30]. For annual reexaminations, the PHA will use information for the previous 12-month period.

6-III.B. DEPENDENT DEDUCTION

An allowance of \$480 is deducted from annual income for each dependent (which amount will be adjusted by HUD annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers, rounded to the next lowest multiple of \$25) [24 CFR 5.611(a)(1)]. *Dependent* is defined as any family member other than the head, spouse, or cohead who is under the age of 18 or who is 18 or older and is a person with disabilities or a full-time student. Foster children, foster adults, and live-in aides are never considered dependents [24 CFR 5.603(b)].

6-III.C. ELDERLY OR DISABLED FAMILY DEDUCTION

A single deduction of \$525 is taken for any elderly or disabled family (which amount will be adjusted by HUD annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers, rounded to the next lowest multiple of \$25) [24 CFR 5.611(a)(2)].

An *elderly family* is a family whose head, spouse, cohead, or sole member is 62 years of age or older, and a *disabled family* is a family whose head, spouse, cohead, or sole member is a person with disabilities [24 CFR 5.403].

Upon the PHA's HOTMA 102/104 compliance date, the PHA will continue to follow Internal Revenue Service (IRS) general definition of medical expenses

6-III.D. HEALTH AND MEDICAL CARE EXPENSES DEDUCTION [24 CFR 5.611(a)(3)(i) and 5.603(b)]

Unreimbursed health and medical care expenses may be deducted to the extent that, in combination with any disability assistance expenses, they exceed ten percent of annual income.

This deduction is permitted only for families in which the head, spouse, or cohead is at least 62 or is a person with disabilities. If a family is eligible for a medical expense deduction, the medical expenses of all family members are counted.

Definition of *Medical Expenses*

HUD regulations define *health and medical care expenses* at 24 CFR 5.603(b) to mean “any costs incurred in the diagnosis, cure, mitigation, treatment, or prevention of disease or payments for treatments affecting any structure or function of the body. Health and medical care expenses include medical insurance premiums and long-term care premiums that are paid or anticipated during the period for which annual income is computed.” Medical insurance premiums continue to be eligible health and medical care expenses. Health and medical care expenses may be deducted from annual income only if they are eligible and not otherwise reimbursed and may only be deducted for elderly or disabled families.

Although HUD revised the definition of *health and medical care expenses* to reflect the Internal Revenue Service (IRS) general definition of medical expenses, HUD is not permitting PHAs to specifically align their policies with IRS Publication 502 for determining which expenses are included in HUD's mandatory deduction for health and medical care expenses. PHAs must review each expense to determine whether it is eligible in accordance with HUD's definition of *health and medical care expenses*.

Families That Qualify for Both Health and Medical and Disability Assistance Expenses

PHA Policy

This policy applies only to families in which the head, spouse, or cohead is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either a health and medical care or disability assistance expenses, the PHA will consider them health and medical care expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.

6-III.E. DISABILITY ASSISTANCE EXPENSES DEDUCTION [24 CFR 5.603(b) and 24 CFR 5.611(a)(3)(ii)]

Unreimbursed reasonable expenses for attendant care and auxiliary apparatus for each member of the family who is a person with disabilities may be deducted if they: (1) are necessary to enable a family member 18 years or older to work, (2) are not paid to a family member or reimbursed by an outside source, (3) in combination with any medical expenses, exceed ten percent of annual income, and (4) do not exceed the earned income received by the family member who is enabled to work.

Earned Income Limit on the Disability Assistance Expense Deduction

A family can qualify for the disability assistance expense deduction only if at least one family member (who may be the person with disabilities) is enabled to work [24 CFR 5.603(b)].

The disability expense deduction is capped by the amount of “earned income received by family members who are 18 years of age or older and who are able to work” because of the expense [24 CFR 5.611(a)(3)(ii)]. The earned income used for this purpose is the amount verified before any earned income disallowances or income exclusions are applied.

PHA Policy

The family must identify the family members enabled to work as a result of the disability assistance expenses. In evaluating the family’s request, the PHA will consider factors such as how the work schedule of the relevant family members relates to the hours of care provided, the time required for transportation, the relationship of the family members to the person with disabilities, and any special needs of the person with disabilities that might determine which family members are enabled to work.

When the PHA determines that the disability assistance expenses enable more than one family member to work, the expenses will be capped by the sum of the family members’ incomes.

Eligible Auxiliary Apparatus [Notice PIH 2023-27]

Auxiliary apparatus items may include expenses for wheelchairs, ramps, adaptations to vehicles, guide dogs, assistance animals, or special equipment to enable a person who is blind or has low vision to read or type or special equipment to assist a person who is deaf or hard of hearing.

The expenses of a documented, certified professional assistance animal include annual Veteran care, one-time training costs (not ongoing), food, grooming and medication for the assistance animal.

Eligible Attendant Care [Notice PIH 2023-27]

Examples of attendant care expenses can include teaching a person with disabilities how to perform day-to-day tasks independently like cleaning, bathing, doing laundry, and cooking. Attendant care can be 24-hour care, or care during sporadic periods throughout the day. The family determines the type of attendant care that is appropriate for the person with disabilities.

PHA Policy

Attendant care expenses will be included for the period that the person enabled to work is employed plus reasonable transportation time. The cost of general housekeeping and personal services is not an eligible attendant care expense. However, if the person enabled to work is the person with disabilities, personal services necessary to enable the person with disabilities to work are eligible.

If the care attendant also provides other services to the family, the PHA will prorate the cost and allow only that portion of the expenses attributable to attendant care that enables a family member to work. For example, if the care provider also cares for a child who is not the person with disabilities, the cost of care must be prorated. Unless otherwise specified by the care provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

Payments to Family Members

No disability assistance expenses may be deducted for payments to a member of an assisted family [24 CFR 5.603(b)]. However, expenses paid to a relative who is not a member of the assisted family may be deducted if they are not reimbursed by an outside source.

Necessary and Reasonable Expenses

The family determines the type of care or auxiliary apparatus to be provided and must describe how the expenses enable a family member to work. The family must certify that the disability assistance expenses are necessary and are not paid or reimbursed by any other source.

PHA Policy

The PHA determines the reasonableness of the expenses based on typical costs of care or apparatus in the locality. To establish typical costs, the PHA will collect information from organizations that provide services and support to persons with disabilities. A family may present, and the PHA will consider, the family's justification for costs that exceed typical costs in the area.

Families That Qualify for Both Health and Medical and Disability Assistance Expenses

PHA Policy

This policy applies only to families in which the head or spouse is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either health and medical care or disability assistance expenses, the PHA will consider them health and medical care expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.

6-III.F. CHILD CARE EXPENSE DEDUCTION

HUD defines *child care expenses* at 24 CFR 5.603(b) as “amounts anticipated to be paid by the family for the care of children under 13 years of age (including foster children) during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for child care. In the case of child care necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.”

Clarifying the Meaning of *Child* for This Deduction

Child care expenses do not include child support payments made to another on behalf of a minor who is not living in an assisted family’s household [VG, p. 26]. However, child care expenses for foster children that are living in the assisted family’s household are included when determining the family’s child care expenses [HCV GB, p. 5-29].

Qualifying for the Deduction

Determining Who Is Enabled to Pursue an Eligible Activity

PHA Policy

The family must identify the family member(s) enabled to pursue an eligible activity. The term *eligible activity* in this section means any of the activities that may make the family eligible for a child care deduction (seeking work, pursuing an education, or being gainfully employed).

In evaluating the family’s request, the PHA will consider factors such as how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity.

Seeking Work

PHA Policy

If the child care expense being claimed is to enable a family member to seek employment, the family must provide evidence of the family member’s efforts to obtain employment at each reexamination. The deduction may be reduced or denied if the family member’s job search efforts are not commensurate with the child care expense being allowed by the PHA.

Furthering Education

PHA Policy

If the child care expense being claimed is to enable a family member to further their education, the member must be enrolled in school (academic or vocational) or participating in a formal training program. The family member is not required to be a full-time student, but the time spent in educational activities must be commensurate with the child care claimed.

Being Gainfully Employed

PHA Policy

If the child care expense being claimed is to enable a family member to be gainfully employed, the family must provide evidence of the family member's employment during the time that child care is being provided. Gainful employment is any legal work activity (full- or part-time) for which a family member is compensated.

Earned Income Limit on Child Care Expense Deduction

When a family member looks for work or furthers their education, there is no cap on the amount that may be deducted for child care – although the care must still be necessary and reasonable. However, when child care enables a family member to work, the deduction is capped by “the amount of employment income that is included in annual income” [24 CFR 5.603(b)].

The earned income used for this purpose is the amount of earned income verified after any earned income disallowances or income exclusions are applied.

When the person who is enabled to work is a person with disabilities who receives the earned income disallowance (EID) or a full-time student whose earned income above \$480 is excluded, child care costs related to enabling a family member to work may not exceed the portion of the person's earned income that actually is included in annual income. For example, if a family member who qualifies for the EID makes \$15,000 but because of the EID only \$5,000 is included in annual income, child care expenses are limited to \$5,000.

The PHA must not limit the deduction to the least expensive type of child care. If the care allows the family to pursue more than one eligible activity, including work, the cap is calculated in proportion to the amount of time spent working [HCV GB, p. 5-30].

PHA Policy

When the child care expense being claimed is to enable a family member to work, only one family member's income will be considered for a given period of time. When more than one family member works during a given period, the PHA generally will limit allowable child care expenses to the earned income of the lowest-paid member. The family may provide information that supports a request to designate another family member as the person enabled to work.

Eligible Child Care Expenses

The type of care to be provided is determined by the assisted family. The PHA may not refuse to give a family the child care expense deduction because there is an adult family member in the household that may be available to provide child care [VG, p. 26].

Allowable Child Care Activities

PHA Policy

For school-age children, costs attributable to public or private school activities during standard school hours are not considered. Expenses incurred for supervised activities after school or during school holidays (e.g., summer day camp, after-school sports league) are allowable forms of child care.

The costs of general housekeeping and personal services are not eligible. Likewise, child care expenses paid to a family member who lives in the family's unit are not eligible; however, payments for child care to relatives who do not live in the unit are eligible.

If a child care provider also renders other services to a family or child care is used to enable a family member to conduct activities that are not eligible for consideration, the PHA will prorate the costs and allow only that portion of the expenses that is attributable to child care for eligible activities. For example, if the care provider also cares for a child with disabilities who is 13 or older, the cost of care will be prorated. Unless otherwise specified by the child care provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

Necessary and Reasonable Costs

Child care expenses will be considered necessary if: (1) a family adequately explains how the care enables a family member to work, actively seek employment, or further their education, and (2) the family certifies, and the child care provider verifies, that the expenses are not paid or reimbursed by any other source.

PHA Policy

Child care expenses will be considered for the time required for the eligible activity plus reasonable transportation time. For child care that enables a family member to go to school, the time allowed may include not more than one study hour for each hour spent in class.

To establish the reasonableness of child care costs, the PHA will use the schedule of child care costs from a qualified local entity that either subsidizes child care costs or licenses child care providers. Families may present, and the PHA will consider, justification for costs that exceed typical costs in the area.

The below will not be enacted until the PHA's HOTMA 102/104 compliance date.

6-

III.G. HARDSHIP EXEMPTIONS [24 CFR 5.611(c), (d), and (e)]

Health and Medical Care and Disability Assistance Expenses [24 CFR 5.611(c); Notice PIH 2023-27]

The regulations provide for two types of hardship exemption categories for families that qualify for unreimbursed health and medical care expenses and/or disability assistance expenses. A family will benefit from this hardship exemption only if the family has eligible expenses that can be deducted in excess of five percent of annual income. In order to claim unreimbursed health and medical care expenses, the family must have a head, cohead, or spouse that is elderly or a person with a disability. In order to claim unreimbursed reasonable attendant care and auxiliary apparatus expenses, the family must include a person with a disability, and the expenses must enable any member of the family (including the member who is a person with a disability) to be employed.

Families may be eligible for relief under one of two categories; phased-in relief or general relief, as defined below.

Phased-In Relief

The first category is applicable to all families who received a deduction for unreimbursed health and medical care and/or reasonable attendant care or auxiliary apparatus expenses based on their most recent income review. The family must receive phased-in relief if they are determined to be eligible. These families will begin receiving a 24-month phased-in relief at their next annual or interim reexamination, whichever occurs first.

For these families, the threshold amount is phased-in as follows:

- The family is eligible for a deduction totaling the sum of expenses that exceeds 5 percent of annual income for the first 12 months.
- At the conclusion of 12 months, the family is eligible for a deduction totaling the sum of their expenses that exceed 7.5 percent of annual income for another 12 months.
- At the conclusion of 24 months, the standard threshold amount of 10 percent would be used, unless the family qualifies for relief under the general hardship relief category.
 - When an eligible family's phased-in relief begins at an interim reexamination, the PHA will need to process another transaction one year later to move the family along to the next phase. The transaction can be either an interim reexamination if triggered, or a non-interim reexamination transaction.

Prior to the end of the 24-month period, the family may request a hardship exemption under the second category as described below. If the family is found eligible under the second category, the hardship exemption under the first category ends, and the family's hardship is administered in accordance with the requirements listed below. Once a family requests general relief, the family may no longer receive phased-in relief.

PHAs must track the 24-month phase-period for each eligible family, even if a family's expenses go below the appropriate phase-in percentage, during the first or second 12-month phase-in period. The phase-in must continue for families who move to another public housing unit at the same PHA. When the family is treated as a new admission under a different property/program (e.g., the family moves from public housing to the HCV program), unless the PHA has a written policy to continue the phased-in relief upon admission, the family's expense deduction will be calculated using the 10-percent threshold unless request for general relief is approved by the PHA. When a family moves with continued assistance or ports to a new PHA, the family must continue to receive the phased-in relief. The family must receive the remaining calendar months of the percentage phase-in. The PHA must use the existing phase-in documentation to determine the remaining calendar months and the percentage phase-in.

General Relief

The second category is for families that can demonstrate:

- Their health and medical and/or disability assistance expenses increased (other than the transition to the higher threshold); or
- The family's financial hardship is a result of a change in circumstances (as defined in PHA policy) that would not otherwise trigger an interim reexamination.

The family may request a hardship exemption under the second category regardless of whether the family previously received the health and medical and/or disability assistance deductions or are currently or were previously receiving relief under the phased-in relief category above. HUD requires that PHAs develop policies defining what constitutes a hardship for purposes of this exemption.

The PHA must obtain third-party verification of the hardship or must document in the file the reason third-party verification was not available. PHAs must attempt to obtain third-party verification prior to the end of the 90-day hardship exemption period.

PHA Policy

To qualify for a hardship exemption, a family must submit a request in writing. The request must show that the family's health and medical and/or disability assistance expenses have increased (other than the transition to the higher threshold) and that the family's financial hardship is a result of a change in circumstances. The PHA defines a *change in circumstances* as a decrease in income or increase in other expenses that has resulted in the family's financial hardship but does not, on its own, trigger an interim reexam in accordance with PHA policies.

Examples of circumstances constituting a financial hardship may include the following situations:

The family is awaiting an eligibility determination for a federal, state, or local assistance program, such as a determination for unemployment compensation or disability benefits;

The family's income decreased because of a loss of employment, death of a family member, or due to a natural or federal/state declared disaster; or

Other circumstances as determined by the PHA.

The family must provide third-party verification of the hardship with the request. If third-party verification is not available, the PHA will document the file with the reason and will attempt to obtain third-party verification prior to the end of the 90-day hardship exemption period.

The PHA must promptly notify the family in writing of the change in the determination of adjusted income and the family's rent resulting from hardship exemptions. The notice must inform the family of when the hardship exemption will begin and expire [24 CFR 5.611(e)(2)].

PHA Policy

The PHA will make a determination of whether the family qualifies within 30 calendar days and will notify the family in writing of the result within 10 business days of the determination.

If the PHA denies the hardship exemption request, the PHA notice will also state that if the family does not agree with the PHA determination, the family may request a hearing.

If the family qualifies for an exemption, the PHA will include the date the hardship exemption will begin and the date it will expire as well as information on how to request a 90-day extension based on family circumstances.

If the family qualifies, the family will receive a deduction for the sum of eligible expenses that exceed five percent of annual income.

The family's hardship relief ends when the circumstances that made the family eligible for the relief are no longer applicable or after 90 days, whichever is earlier. However, the PHA may, at its discretion, extend the relief for one or more additional 90-day periods while the family's hardship condition continues. PHAs are not limited to a maximum number of 90-day extensions.

PHAs must establish written policies regarding the types of circumstances that will allow a family to qualify for a financial hardship and when such deductions may be eligible for additional 90-day extensions. PHAs must develop policies requiring families to report if the circumstances that made the family eligible for the hardship exemption are no longer applicable.

PHA Policy

The family may request an extension either orally or in writing prior to the end of the hardship exemption period. The PHA will extend relief for an additional 90-days, up to 360 days maximum, if the family demonstrates to the PHA's satisfaction that the family continues to qualify for the hardship exemption based on circumstances described above. The PHA will require updated verification based on the family's current circumstances. Additional extension(s) may be granted on a case-by-case basis provided the family continues to request extensions prior to the end of each hardship exemption period. Families must report if the circumstances that made the family eligible for the hardship

exemption are no longer applicable. At any time, the PHA may terminate the hardship exemption if the PHA determines that the family no longer qualifies for the exemption.

Child Care Expense Hardship Exemption [24 CFR 5.611(d) and Notice PIH 2023-27]

A family whose eligibility for the child care expense deduction is ending may request a financial hardship exemption to continue receiving the deduction. If the family demonstrates to the PHA's satisfaction that the family is unable to pay their rent because of the loss of the child care expense deduction, and that the child care expense is still necessary even though the family member is not working, looking for work, or seeking to further their education, the PHA must recalculate the family's adjusted income and continue the child care deduction.

The PHA must develop a policy to define what constitutes a hardship, which includes the family's inability to pay rent. The PHA must obtain third-party verification of the hardship or must document in the file the reason third-party verification was not available. PHAs must attempt to obtain third-party verification prior to the end of the 90-day hardship exemption period.

PHA Policy

For a family to qualify, they must demonstrate that their inability to pay rent would be as a result of the loss of this deduction. The PHA defines this hardship as a potential decrease in income or increase in other expenses that would result from the loss of the child care expense and such loss would impact the family's ability to pay their rent.

Some factors to consider when determining if the family is unable to pay rent may include determining that the rent, utility payment, and applicable expenses (child care expenses or health and medical expenses) are more than 40 percent of the family's adjusted income, or verifying whether the family has experienced unanticipated expenses, such as large medical bills, that have affected their ability to pay their rent.

The family must also demonstrate that the child care expense is still necessary even though the family member is no longer employed or furthering their education. The PHA will consider qualification under this criterion on a case-by case basis (for example, if the family member who was employed has left their job in order to provide uncompensated care to an elderly friend or family member who is severely ill and lives across town).

The family must provide third-party verification of the hardship with the request. If third-party verification is not available, the PHA will document the file with the reason and will attempt to obtain third-party verification prior to the end of the 90-day hardship exemption period.

The PHA must promptly notify the family in writing of the change in the determination of adjusted income and the family's rent resulting from hardship exemptions.

If the PHA denies the request, the notice must specifically state the reason for the denial. PHAs must provide families 30 days' notice of any increase in rent.

If the PHA approves the request, the notice must inform the family of when the hardship exemption will begin and expire [24 CFR 5.611(e)(2)]. The notice must also state the requirement for the family to report to the PHA if the circumstances that made the family eligible

for relief are no longer applicable and that the family's adjusted income and tenant rent will be recalculated upon expiration of the hardship exemption [Notice PIH 2023-27].

PHA Policy

The PHA will make a determination of whether the family qualifies within 30 calendar days and will notify the family in writing of the result within 10 business days of the determination.

If the PHA denies the hardship exemption request, the PHA notice will also state that if the family does not agree with the PHA determination, the family may request an informal hearing.

If the family qualifies for an exemption, the PHA will include all required information listed above as well as information on how to request a 90-day extension based on family circumstances.

If the family qualifies, the hardship exemption and the resulting alternative adjusted income calculation must remain in place for a period of up to 90 days.

The PHA may, at its discretion, extend the hardship exemptions for additional 90-day periods based on family circumstances and as stated in PHA policies. PHAs are not limited to a maximum number of 90-day extensions. PHAs must develop policies requiring families to report if the circumstances that made the family eligible for the hardship exemption are no longer applicable.

PHAs must promptly notify families in writing if they are denied either an initial hardship exemption or an additional 90-day extension of the exemption. If the PHA denies the request, the notice must specifically state the reason for the denial.

PHAs must notify the family if the hardship exemption is no longer necessary and the hardship exemption will be terminated because the circumstances that made the family eligible for the exemption are no longer applicable. The notice must state the termination date and provide 30 days' notice of rent increase, if applicable.

PHA Policy

The family may request an extension either orally or in writing prior to the end of the hardship exemption period. The PHA will extend relief for an additional 90-days, up to 360 days maximum, if the family demonstrates to the PHA's satisfaction that the family continues to qualify for the hardship exemption. The PHA will require updated verification based on the family's current circumstances. Additional extension may be granted on a case-by-case basis provided the family continues to request extensions prior to the end of each hardship exemption period. At any time, the PHA may terminate the hardship exemption if the PHA determines that the family no longer qualifies for the exemption.

6-III.H. PERMISSIVE DEDUCTIONS [24 CFR 5.611(b)(1)(ii)]

The PHA may adopt additional permissive deductions from annual income if they establish a policy in the administrative plan. Permissive deductions are additional, optional deductions that may be applied to annual income. As with mandatory deductions, permissive deductions must be based on need or family circumstance and deductions must be designed to encourage self-sufficiency or other economic purpose. If the PHA offers permissive deductions, they must be granted to all families that qualify for them and should complement existing income exclusions and deductions [PH Occ GB, p. 128]. Permissive deductions may be used to incentivize or encourage self-sufficiency and economic mobility.

A PHA that adopts such deductions must have sufficient funding to cover the increased housing assistance payment cost of the deductions. A PHA will not be eligible for an increase in HCV renewal funding for subsidy costs resulting from such deductions.

PHA Policy

The PHA has opted not to use permissive deductions.

PART IV: CALCULATING FAMILY SHARE AND PHA SUBSIDY

6-IV.A. OVERVIEW OF RENT AND SUBSIDY CALCULATIONS

TTP Formula [24 CFR 5.628]

HUD regulations specify the formula for calculating the total tenant payment (TTP) for an assisted family. TTP is the highest of the following amounts, rounded to the nearest dollar:

- 30 percent of the family's monthly adjusted income (adjusted income is defined in Part II)
- 10 percent of the family's monthly gross income (annual income, as defined in Part I, divided by 12)
- The welfare rent (in as-paid states only)
- A minimum rent between \$0 and \$50 that is established by the PHA

The PHA has authority to suspend and exempt families from minimum rent when a financial hardship exists, as defined in section 6-IV.B.

The amount that a family pays for rent and utilities (the family share) will never be less than the family's TTP but may be greater than the TTP depending on the rent charged for the unit the family selects.

Welfare Rent [24 CFR 5.628]

PHA Policy

Welfare rent applies only in the following areas of the PHA's jurisdiction:

- All areas

Minimum Rent [24 CFR 5.630]

PHA Policy

The minimum rent for this locality is \$0.

Family Share [24 CFR 982.305(a)(5)]

If a family chooses a unit with a gross rent (rent to owner plus an allowance for tenant-paid utilities) that exceeds the PHA's applicable payment standard: (1) the family will pay more than the TTP, and (2) at initial occupancy the PHA may not approve the tenancy if it would require the family share to exceed 40 percent of the family's monthly adjusted income. The income used for this determination must have been verified no earlier than 60 days before the family's voucher was issued. (For a discussion of the application of payment standards, see section 6-IV.C.)

PHA Subsidy [24 CFR 982.505(b)]

The PHA will pay a monthly housing assistance payment (HAP) for a family that is equal to the lower of (1) the applicable payment standard for the family minus the family's TTP or (2) the gross rent for the family's unit minus the TTP. (For a discussion of the application of payment standards, see section 6-IV.C.)

Utility Reimbursement [24 CFR 982.514(b); 982.514(c)]

When the PHA subsidy for a family exceeds the rent to owner, the family is due a utility reimbursement. HUD permits the PHA to pay the reimbursement to the family or directly to the utility provider.

PHA Policy

The PHA will make any utility reimbursements directly to the utility provider.

The PHA may make all utility reimbursement payments to qualifying families on a monthly basis or may make quarterly payments when the monthly reimbursement amount is \$15.00 or less. Reimbursements must be made once per calendar-year quarter and must be prorated if the family leaves the program in advance of its next quarterly reimbursement. The PHA must also adopt hardship policies for families for whom receiving quarterly reimbursement would create a financial hardship.

PHA Policy

The PHA will issue all utility reimbursements monthly.

6-IV.B. FINANCIAL HARDSHIPS AFFECTING MINIMUM RENT [24 CFR 5.630]

PHA Policy

The financial hardship rules described below do not apply in this jurisdiction because the PHA has established a minimum rent of \$0.

Overview

If the PHA establishes a minimum rent greater than zero, the PHA must grant an exemption from the minimum rent if a family is unable to pay the minimum rent because of financial hardship.

The financial hardship exemption applies only to families required to pay the minimum rent. If a family's TTP is higher than the minimum rent, the family is not eligible for a hardship exemption. If the PHA determines that a hardship exists, the family share is the highest of the remaining components of the family's calculated TTP.

HUD-Defined Financial Hardship

Financial hardship includes the following situations:

- (1) The family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program. This includes a family member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

PHA Policy

A hardship will be considered to exist only if the loss of eligibility has an impact on the family's ability to pay the minimum rent.

For a family waiting for a determination of eligibility, the hardship period will end as of the first of the month following: (1) implementation of assistance, if approved, or (2) the decision to deny assistance. A family whose request for assistance is denied may request a hardship exemption based upon one of the other allowable hardship circumstances.

- (2) The family would be evicted because it is unable to pay the minimum rent.

PHA Policy

For a family to qualify under this provision, the cause of the potential eviction must be the family's failure to pay rent to the owner or tenant-paid utilities.

- (3) Family income has decreased because of changed family circumstances, including the loss of employment.

(4) A death has occurred in the family.

PHA Policy

In order to qualify under this provision, a family must describe how the death has created a financial hardship (e.g., because of funeral-related expenses or the loss of the family member's income).

(5) The family has experienced other circumstances determined by the PHA.

PHA Policy

The PHA has not established any additional hardship criteria.

Implementation of Hardship Exemption

Determination of Hardship

When a family requests a financial hardship exemption, the PHA must suspend the minimum rent requirement beginning the first of the month following the family's request.

The PHA then determines whether the financial hardship exists and whether the hardship is temporary or long-term.

PHA Policy

The PHA defines temporary hardship as a hardship expected to last 90 days or less. Long-term hardship is defined as a hardship expected to last more than 90 days.

When the minimum rent is suspended, the family share reverts to the highest of the remaining components of the calculated TTP. The example below demonstrates the effect of the minimum rent exemption.

Example: Impact of Minimum Rent Exemption	
Assume the PHA has established a minimum rent of \$50.	
Family Share – No Hardship	Family Share – With Hardship
\$0 30% of monthly adjusted income	\$0 30% of monthly adjusted income
\$15 10% of monthly gross income	\$15 10% of monthly gross income
N/A Welfare rent	N/A Welfare rent
\$50 Minimum rent	\$50 Minimum rent
Minimum rent applies. TTP = \$50	Hardship exemption granted. TTP = \$15

PHA Policy

To qualify for a hardship exemption, a family must submit a request for a hardship exemption in writing. The request must explain the nature of the hardship and how the hardship has affected the family's ability to pay the minimum rent.

The PHA will make the determination of hardship within 30 calendar days.

No Financial Hardship

If the PHA determines there is no financial hardship, the PHA will reinstate the minimum rent and require the family to repay the amounts suspended.

PHA Policy

The PHA will require the family to repay the suspended amount within 30 calendar days of the PHA's notice that a hardship exemption has not been granted.

Temporary Hardship

If the PHA determines that a qualifying financial hardship is temporary, the PHA must suspend the minimum rent for the 90-day period beginning the first of the month following the date of the family's request for a hardship exemption.

At the end of the 90-day suspension period, the family must resume payment of the minimum rent and must repay the PHA the amounts suspended. HUD requires the PHA to offer a reasonable repayment agreement, on terms and conditions established by the PHA. The PHA also may determine that circumstances have changed and the hardship is now a long-term hardship.

PHA Policy

The PHA will enter into a repayment agreement in accordance with the procedures found in Chapter 16 of this plan.

Long-Term Hardship

If the PHA determines that the financial hardship is long-term, the PHA must exempt the family from the minimum rent requirement for so long as the hardship continues. The exemption will apply from the first of the month following the family's request until the end of the qualifying hardship. When the financial hardship has been determined to be long-term, the family is not required to repay the minimum rent.

PHA Policy

The hardship period ends when any of the following circumstances apply:

- (1) At an interim or annual reexamination, the family's calculated TTP is greater than the minimum rent.
- (2) For hardship conditions based on loss of income, the hardship condition will continue to be recognized until new sources of income are received that are at least equal to the amount lost. For example, if a hardship is approved because a family no longer receives a \$60/month child support payment, the hardship will continue to exist until the family receives at least \$60/month in income from another source or once again begins to receive the child support.
- (3) For hardship conditions based upon hardship-related expenses, the minimum rent exemption will continue to be recognized until the cumulative amount exempted is equal to the expense incurred.

6-IV.C. APPLYING PAYMENT STANDARDS [24 CFR 982.505; 982.503(b)]

Overview

The PHA's schedule of payment standards is used to calculate housing assistance payments for HCV families. This section covers the application of the PHA's payment standards. The establishment and revision of the PHA's payment standard schedule are covered in Chapter 16.

Payment standard is defined as "the maximum monthly assistance payment for a family assisted in the voucher program (before deducting the total tenant payment by the family)" [24 CFR 982.4(b)].

The payment standard for a family is the lower of (1) the payment standard for the family unit size, which is defined as the appropriate number of bedrooms for the family under the PHA's subsidy standards [24 CFR 982.4(b)], or (2) the payment standard for the size of the dwelling unit rented by the family.

If the PHA has established an exception payment standard for a designated part of a zip code area or FMR area and a family's unit is located in the exception area, the PHA must use the appropriate payment standard for the exception area.

The PHA is required to pay a monthly housing assistance payment (HAP) for a family that is the lower of (1) the payment standard for the family minus the family's TTP or (2) the gross rent for the family's unit minus the TTP.

If during the term of the HAP contract for a family's unit, the owner lowers the rent, the PHA will recalculate the HAP using the lower of the initial payment standard or the gross rent for the unit [HCV GB, p. 7-8].

Changes in Payment Standards

When the PHA revises its payment standards during the term of the HAP contract for a family's unit, it will apply the new payment standards in accordance with HUD regulations.

Decreases

If a PHA changes its payment standard schedule, resulting in a lower payment standard amount, during the term of a HAP contract, the PHA is not required to reduce the payment standard used to calculate subsidy for families under HAP contract as long as the HAP contract remains in effect [FR Notice 11/16/16]. This does not apply if Hold Harmless provision is utilized.

However, if the PHA does choose to reduce the payment standard for families currently under HAP contract, the initial reduction to the payment standard may not be applied any earlier than the effective date of the family's second regular reexamination following the effective date of the decrease in the payment standard amount. At that point, the PHA may either reduce the payment standard to the current amount in effect on the PHA's payment standard schedule, or may reduce the payment standard to another amount that is higher than the normally applicable amount on the schedule. The PHA may also establish different policies for designated areas within their jurisdiction (e.g., different zip code areas).

In any case, the PHA must provide the family with at least 12 months' notice that the payment standard is being reduced before the effective date of the change. The PHA's policy on decreases in the payment standard during the term of the HAP contract apply to all families under HAP contract at the time of the effective date of the decrease in the payment standard within the designated area.

PHA Policy

PHA is in a mandate SAFMR jurisdiction. Therefore, the PHA will adhere to the U.S. Department of Housing and Urban Development (HUD) identified Small Area Fair Market Rent (SAFMR) zip codes. Payment standards for these areas will be determined based on the current rental market conditions and rent burdens on the identified SAFMR. In instances where the current payment standards will decrease, the PHA will implement the Hold Harmless provision developed by HUD, as specified in 24 CFR Parts 888, 982, and 985, and PHI Notice 2023-32.

- According to the Hold Harmless provision, a PHA may continue to use the higher payment standard for a family's subsidy calculation for as long as the family remains in the same unit and continues to receive voucher assistance (see page 6, NOTICE PIH 2018-01(HA)).

Increases

If the payment standard is increased during the term of the HAP contract, the increased payment standard will be used to calculate the monthly housing assistance payment for the family beginning on the effective date of the family's first regular reexamination on or after the effective date of the increase in the payment standard.

Families requiring or requesting interim reexaminations will have their HAP payments calculated using the higher payment standard until their next annual reexamination [HCV GB, p. 7-8].

Changes in Family Unit Size (Voucher Size)

Irrespective of any increase or decrease in the payment standard, if the family unit size increases or decreases during the HAP contract term, the new family unit size must be used to determine the payment standard for the family beginning at the family's first regular reexamination following the change in family unit size and at interim that changes the family size.

Reasonable Accommodation

If a family requires a higher payment standard as a reasonable accommodation for a family member who is a person with disabilities, the PHA is allowed to establish a higher payment standard for the family of not more than 120 percent of the published FMR.

6-IV.D. APPLYING UTILITY ALLOWANCES [24 CFR 982.517]

Overview

A PHA-established utility allowance schedule is used in determining family share and PHA subsidy. A family's utility allowance is determined by the size of dwelling unit leased by a family or the voucher unit size for which the family qualifies using PHA subsidy standards, whichever is the lowest of the two. See Chapter 5 for information on the PHA's subsidy standards.

For policies on establishing and updating utility allowances, see Chapter 16.

Reasonable Accommodation and Individual Relief

On request from a family that includes a person with disabilities, the PHA must approve a utility allowance which is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible and usable by the family member with a disability [24 CFR 982.517(e)]. (See Chapter 2 for policies regarding the request and approval of reasonable accommodations.)

Further, the PHA may grant requests for individual relief from charges in excess of the utility allowance on reasonable grounds, such as special factors not within control of the resident, as the PHA deems appropriate. The family must request the higher allowance and provide the PHA an explanation of the need for individual relief and an explanation about the amount of additional allowance required [see HCV GB, p. 18-8].

PHAs should develop criteria for granting individual relief, notify residents about the availability of individual relief, and notify participants about the availability of individual relief programs (sometimes referred to as "Medical Baseline discounts") offered by the local utility company.

PHA Policy

The family must request the higher allowance and provide the PHA with information about the amount of additional allowance required.

The PHA will consider the following criteria as valid reasons for granting individual relief:

The family's consumption was mistakenly portrayed as excessive due to defects in the meter or errors in the meter reading.

The excessive consumption is caused by a characteristic of the unit or owner-supplied equipment that is beyond the family's control, such as a particularly inefficient refrigerator or inadequate insulation. The allowance should be adjusted to reflect the higher consumption needs associated with the unit until the situation is remedied. The resident should be granted individual relief until the allowance is adjusted.

The excessive consumption is due to special needs of the family that are beyond their control, such as the need for specialized equipment in the case of a family member who is ill, elderly, or who has a disability.

In determining the amount of the reasonable accommodation or individual relief, the PHA will allow a reasonable measure of additional usage as necessary. To arrive at the amount of additional utility cost of specific equipment, the family may provide information from the manufacturer of the equipment, or the family or PHA may conduct an internet search for an estimate of usage or additional monthly cost.

Information on reasonable accommodation and individual relief for charges in excess of the utility allowance will be provided to all families at admission as part of the information on payment standards and utility allowances in the briefing packet. The PHA will also provide information on utility relief programs or medical discounts (sometimes referred to as “Medical Baseline discounts”) that may be available through local utility providers.

At its discretion, the PHA may reevaluate the need for the increased utility allowance at any regular reexamination.

If the excessive consumption is caused by a characteristic of the unit or PHA-supplied equipment that is beyond the family’s control, such as a particularly inefficient refrigerator or inadequate insulation, the individual relief to the resident will cease when the situation is remedied.

Utility Allowance Revisions

At reexamination, the PHA must use the current utility allowance schedule [HCV GB, p. 18-8].

PHA Policy

Revised utility allowances will be applied to a family’s rent and subsidy calculations at the first annual reexamination that is effective after the allowance is adopted. [HCV GB, p. 18-9].

6-IV.E. PRORATED ASSISTANCE FOR MIXED FAMILIES [24 CFR 5.520]

HUD regulations prohibit assistance to ineligible family members. A *mixed family* is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible family members. The PHA must prorate the assistance provided to a mixed family. The PHA will first determine assistance as if all family members were eligible and then prorate the assistance based upon the percentage of family members that actually are eligible. For example, if the PHA subsidy for a family is calculated at \$500 and two of four family members are ineligible, the PHA subsidy would be reduced to \$250.

EXHIBIT 6-1: ANNUAL INCOME FULL DEFINITION

24 CFR 5.609

(a) Annual income includes, with respect to the family:

(b) Annual income does not include the following:

(1) Any imputed return on an asset when net family assets total \$50,000 or less(remains \$5,000 until the implementation of HOTMA) (which amount HUD will adjust annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers) and no actual income from the net family assets can be determined.

Student financial assistance paid to the student must be verified by the responsible entity as student financial assistance consistent with this paragraph (b)(9)(ii).

(E) When the student is also receiving assistance excluded under paragraph (b)(9)(i) of this section, the amount of student financial assistance under this paragraph (b)(9)(ii) is determined as follows:

(iv) Incremental earnings and benefits resulting to any family member from participation in training programs funded by HUD or in qualifying Federal, State, Tribal, or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. (28) Gross income a family member receives through self-employment or operation of a business; except that the following shall be considered income to a family member:

(i) Net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations; and

(ii) Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.

EXHIBIT 6-2: TREATMENT OF FAMILY ASSETS

24 CFR 5.603(b) Net Family Assets

(1) Net family assets is the net cash value of all assets owned by the family, after deducting reasonable costs that would be incurred in disposing real property, savings, stocks, bonds, and other forms of capital investment.

(2) In determining net family assets, PHAs or owners, as applicable, must include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefor. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives consideration not measurable in dollar terms. Negative equity in real property or other investments does not prohibit the owner from selling the property or other investments, so negative equity alone would not justify excluding the property or other investments from family assets.

(3) Excluded from the calculation of net family assets are: (i) The value of necessary items of personal property; (ii) The combined value of all nonnecessary items of personal property if the combined total value does not exceed \$50,000 (remains \$5,000 until the implementation of HOTMA) (which amount will be adjusted by HUD in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers); (iii) The value of any account under a retirement plan recognized as such by the Internal Revenue Service, including

individual retirement arrangements (IRAs), employer retirement plans, and retirement plans for self-employed individuals; (iv) The value of real property that the family does not have the effective legal authority to sell in the jurisdiction in which the property is located; (v) Any amounts recovered in any civil action or settlement based on a claim of malpractice, negligence, or other breach of duty owed to a family member arising out of law, that resulted in a family member being a person with a disability; (vi) The value of any Coverdell education savings account under section 530 of the Internal Revenue Code of 1986, the value of any qualified tuition program under section 529 of such Code, the value of any Achieving a Better Life Experience (ABLE) account authorized under Section 529A of such Code, and the value of any "baby bond" account created, authorized, or funded by Federal, State, or local government. (vii) Interests in Indian trust land; (viii) Equity in a manufactured home where the family receives assistance under 24 CFR part 982; (ix) Equity in property under the Homeownership Option for which a family receives assistance under 24 CFR part 982; (x) Family Self-Sufficiency Accounts; and (xi) Federal tax refunds or refundable tax credits for a period of 12 months after receipt by the family.

(4) In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the trust fund is not a family asset and the value of the trust is not included in the calculation of net family assets, so long as the fund continues to be held in a trust that is not revocable by, or under the control of, any member of the family or household.

EXHIBIT 6-3: THE EFFECT OF WELFARE BENEFIT REDUCTION

24 CFR 5.615

Public housing program and Section 8 tenant-based assistance program: How welfare benefit reduction affects family income.

(a) Applicability. This section applies to covered families who reside in public housing (part 960 of this title) or receive Section 8 tenant-based assistance (part 982 of this title).

(b) Definitions. The following definitions apply for purposes of this section:

Covered families. Families who receive welfare assistance or other public assistance benefits (“welfare benefits”) from a State or other public agency (“welfare agency”) under a program for which Federal, State, or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance.

Economic self-sufficiency program. See definition at Sec. 5.603.

Imputed welfare income. The amount of annual income not actually received by a family, as a result of a specified welfare benefit reduction, that is nonetheless included in the family's annual income for purposes of determining rent.

Specified welfare benefit reduction.

(1) A reduction of welfare benefits by the welfare agency, in whole or in part, for a family member, as determined by the welfare agency, because of fraud by a family member in connection with the welfare program; or because of welfare agency sanction against a family member for noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

(2) “Specified welfare benefit reduction” does not include a reduction or termination of welfare benefits by the welfare agency:

(i) at expiration of a lifetime or other time limit on the payment of welfare benefits;

(ii) because a family member is not able to obtain employment, even though the family member has complied with welfare agency economic self-sufficiency or work activities requirements; or

(iii) because a family member has not complied with other welfare agency requirements.

(c) Imputed welfare income.

(1) A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the PHA by the welfare agency), plus the total amount of other annual income as determined in accordance with Sec. 5.609.

(2) At the request of the PHA, the welfare agency will inform the PHA in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the PHA of any subsequent changes in the term or amount of such specified welfare benefit reduction. The PHA will use this information to determine the amount of imputed welfare income for a family.

(3) A family's annual income includes imputed welfare income in family annual income, as determined at the PHA's interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the PHA by the welfare agency).

(4) The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed

(5) The PHA may not include imputed welfare income in annual income if the family was not an assisted resident at the time of sanction.

(d) Review of PHA decision.

(1) Public housing. If a public housing tenant claims that the PHA has not correctly calculated the amount of imputed welfare income in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the tenant written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. The PHA notice shall also state that if the tenant does not agree with the PHA determination, the tenant may request a grievance hearing in accordance with part 966, subpart B of this title to review the PHA determination. The tenant is not required to pay an escrow deposit pursuant to Sec. 966.55(e) for the portion of tenant rent attributable to the imputed welfare income in order to obtain a grievance hearing on the PHA determination.

(2) Section 8 participant. A participant in the Section 8 tenant-based assistance program may request an informal hearing, in accordance with Sec. 982.555 of this title, to review the PHA determination of the amount of imputed welfare income that must be included in the family's annual income in accordance with this section. If the family claims that such amount is not correctly calculated in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the family written notice of such denial, with a brief explanation of the

basis for the PHA determination of the amount of imputed welfare income. Such notice shall also state that if the family does not agree with the PHA determination, the family may request an informal hearing on the determination under the PHA hearing procedure.

(e) PHA relation with welfare agency.

(1) The PHA must ask welfare agencies to inform the PHA of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the PHA written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

(2) The PHA is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the PHA. However, the PHA is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.

(3) Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The PHA shall be entitled to rely on the welfare agency's determination of a specified welfare benefits reduction.

Chapter 7

VERIFICATION

[24 CFR 982.516, 24 CFR 982.551, 24 CFR 5.230, Notice PIH 2023-27]

INTRODUCTION

The PHA must verify all information that is used to establish the family's eligibility and level of assistance and is required to obtain written authorization from the family in order to collect the information. Applicants and program participants must cooperate with the verification process as a condition of receiving assistance. The PHA must not pass on the cost of verification to the family.

The PHA must follow the verification guidance provided by HUD in Notice PIH 2023-27 and any subsequent guidance issued by HUD. This chapter summarizes those requirements and provides supplementary PHA policies.

Part I describes the general verification process. Part II provides more detailed requirements related to family information. Part III provides information on income and assets, and Part IV covers mandatory deductions.

Verification policies, rules and procedures will be modified as needed to accommodate persons with disabilities. All information obtained through the verification process will be handled in accordance with the records management policies of the PHA.

PART I: GENERAL VERIFICATION REQUIREMENTS

7-I.A. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 982.516; 982.551; CFR 5.230; and Notice PIH 2023-27]

Consent Forms

The family must supply any information that the PHA or HUD determines is necessary to the administration of the program and must consent to PHA verification of that information [24 CFR 982.551]. All adult family members must sign consent forms as needed to collect information relevant to the family's eligibility and level of assistance. While PHAs must use form HUD-9886, this form does not release all the information necessary to the administration of the program. The PHA must also develop its own release forms to cover all other necessary information.

Form HUD-9886 [24 CFR 5.230(b)(1), b(2), (c)(4), and (c)(5); and Notice PIH 2023-27]

All adult applicants and participants sign form HUD-9886, Authorization for Release of Information. All adult family members (and the head and spouse/cohead, regardless of age) are required to sign the Form HUD-9886 at admission. Participants, prior to January 1, 2024, signed and submitted Form HUD-9886 at each annual reexamination. HOTMA eliminated this requirement and instead required that the Form HUD-9886 be signed only once. On or after January 1, 2024 (regardless of the PHA's HOTMA compliance date), current program participants must sign and submit a new Form HUD-9886 at their next interim or annual reexamination. This form will only be signed once. Another Form HUD-9886 will not be submitted to the PHA except under the following circumstances:

- When any person 18 years or older becomes a member of the family;
- When a current member of the family turns 18; or
- As required by HUD or the PHA in administrative instructions.

The PHA has the discretion to establish policies around when family members must sign consent forms when they turn 18. PHAs must establish these policies stating when family members will be required to sign consent forms at intervals other than at reexamination.

PHA Policy

Family members turning 18 years of age between annual recertifications will be notified in writing that they are required to sign the required Consent to the Release of Information Form HUD-9886 at the family's next annual or interim reexamination, whichever is earlier.

The purpose of form HUD-9886 is to facilitate automated data collection and computer matching from specific sources and provides the family's consent only for the specific purposes listed on the form. HUD and the PHA may collect information from State Wage Information Collection Agencies (SWICAs) and current and former employers of adult family members. Only HUD is authorized to collect information directly from the Internal Revenue Service (IRS) and the Social Security Administration (SSA).

The PHA may obtain any financial record from any financial institution, as the terms financial record and financial institution are defined in the Right to Financial Privacy Act (12 U.S.C. 3401), whenever the PHA determines the record is needed to determine an applicant's or participant's eligibility for assistance or level of benefits [24 CFR 5.230(c)(4)].

The executed form will remain effective until the family is denied assistance, assistance is terminated, or the family provides written notification to the PHA to revoke consent.

Penalties for Failing to Consent [24 CFR 5.232]

If any family member who is required to sign a consent form fails to do so, the PHA must deny admission to applicants and terminate assistance of participants. The family may request an informal review (applicants) or informal hearing (participants) in accordance with PHA procedures.

However, this does not apply if the applicant, participant, or any member of their family, revokes their consent with respect to the ability of the PHA to access financial records from financial institutions, unless the PHA establishes a policy that revocation of consent to access financial records will result in denial or termination of assistance or admission [24 CFR 5.232(c)]. PHAs may not process interim or annual reexaminations of income without the family's executed consent forms.

PHA Policy

The PHA has established a policy that revocation of consent to access financial records will result in denial of admission or termination of assistance in accordance with PHA policy.

In order for a family to revoke their consent, the family must provide written notice to the PHA.

Within 10 business days of the date the family provides written notice, the PHA will send the family a notice acknowledging receipt of the request and explaining that revocation of consent will result in denial or termination of assistance, as applicable. At the same time, the PHA will notify their local HUD office.

7-I.B. USE OF OTHER PROGRAMS' INCOME DETERMINATIONS [24 CFR 5.609(c)(3) and Notice PIH 2023-27]

PHAs may, but are not required to, determine a family's annual income, including income from assets, prior to the application of any deductions, based on income determinations made within the previous 12-month period, using income determinations from means-tested federal public assistance programs. PHAs are not required to accept or use determinations of income from other federal means-tested forms of assistance. If the PHA adopts a policy to accept this type of verification, the PHA must establish in policy when they will accept Safe Harbor income determinations and from which programs. PHAs must also create policies that outline the course of action when families present multiple verifications from the same or different acceptable Safe Harbor programs.

Means-tested federal public assistance programs include:

- Temporary Assistance for Needy Families (TANF) (42 U.S.C. 601, et seq.);
- Medicaid (42 U.S.C. 1396 et seq.);
- Supplemental Nutrition Assistance Program (SNAP) (42 U.S.C. 2011 et seq.);
- Earned Income Tax Credit (EITC) (26 U.S.C. 32);
- Low-Income Housing Credit (LIHTC) program (26 U.S.C. 42);
- Special Supplemental Nutrition Program for Woman, Infants, and Children (WIC) (42 U.S.C. 1786);
- Supplemental Security Income (SSI) (42 U.S.C. 1381 et seq.);
- Other programs administered by the HUD Secretary;
- Other means-tested forms of federal public assistance for which HUD has established a memorandum of understanding; and
- Other federal benefit determinations made in other forms of means-tested federal public assistance that the Secretary determines to have comparable reliability and announces through the *Federal Register*.

If the PHA elects to use the annual income determination from one of the above-listed forms of means-tested federal public assistance, then they must obtain the income information by means of a third-party verification. The third-party verification must state the family size, must be for the entire family, and must state the amount of the family's annual income. The annual income need not be broken down by family member or income type. Annual income includes income earned from assets, therefore when using Safe Harbor to verify a family's income, PHAs will neither further inquire about a family's net family assets, nor about the income earned from those assets, except with respect to whether or not the family owns assets that exceed the asset limitation in 24 CFR 5.618. The Safe Harbor documentation will be considered acceptable if any of the following dates fall into the 12-month period prior to the receipt of the documentation by the PHA:

- Income determination effective date;
- Program administrator's signature date;
- Family's signature date;
- Report effective date; or
- Other report-specific dates that verify the income determination date.

The only information that PHAs are permitted to use to determine income under this method is the total income determination made by the federal means-tested program administrator. Other federal programs may provide additional information about income inclusions and exclusions in their award letters; however, these determinations and any other information must not be considered by the PHA. PHAs are not permitted to mix and match Safe Harbor income determinations and other income verifications.

If the PHA is unable to obtain Safe Harbor documentation or if the family disputes the other program's income determination, the PHA must calculate the family's annual income using traditional methods as outlined in Notice PIH 2023-27 and this chapter.

If the PHA uses a Safe Harbor determination to determine the family's income, the family is obligated to report changes in income that meet the PHA's reporting requirement and occur after the effective date of the transaction.

The amounts of unreimbursed reasonable attendant care expenses and child-care expenses deducted from a family's annual income, except for when a family is approved for a child-care expense hardship exemption, must still be capped by the amount earned by any family member who is enabled to work as a result of the expense. PHAs are therefore required to obtain third-party verification of the applicable employment income and cap the respective expense deductions accordingly.

PHA Policy

When available and applicable, the PHA will accept other programs' Safe Harbor determinations of income at annual reexamination to determine the family's total annual income. The PHA will still require third-party verification of all deductions such as the health and medical care expense or child care expense deductions. Further, if the family is eligible for and claims the disability assistance expense or child care expense deductions, where applicable, the PHA will obtain third-party verification of the amount of employment income of the individual(s) enabled to work in order to cap the respective expenses as required.

Prior to using any Safe Harbor determination from another program, the PHA will ask the family if they agree with the income amounts listed. If the family disputes the income amounts on the Safe Harbor determination, the PHA will obtain third-party verification of all sources of income and assets (as applicable).

The PHA will not accept other programs' determinations of income for any new admission or interim reexamination.

With the exception of income determinations made under the Low-Income Housing Tax Credit (LIHTC) program, the PHA will accept Safe Harbor determinations from any of the programs listed above.

In order to be acceptable, the income determination must:

- Be dated within 12 months of the dates listed above;

- State the family size

- Be for the entire family (i.e., the family members listed in the documentation must match the family's composition in the assisted unit, except for household members); and

- Must state the amount of the family's annual income.

The determination need not list each source of income individually. If the PHA does not receive any acceptable income determination documentation or is unable to obtain documentation, then the PHA will revert to third-party verification of income for the family.

When families present multiple verifications from the same or different acceptable Safe Harbor programs, the PHA will use the most recent income determination, unless the family presents acceptable evidence that the PHA should consider an alternative verification from a different Safe Harbor source.

When the PHA uses a Safe Harbor income determination from another program, and the family's income subsequently changes, the family is required to report the change to the PHA. Depending on when the change occurred, the change may or may not impact the PHA's calculation of the family's total annual income. Changes that occur between the time the PHA receives the Safe Harbor documentation and the effective date of the family's annual reexam will not be considered. If the family has a change in income that occurs after the annual reexam effective date, the PHA will conduct an interim reexam if the change meets the requirements for performing an interim reexamination as outlined in Chapter 11. In this case, the PHA will use third-party verification to verify the change.

7-I.C. STREAMLINED INCOME DETERMINATIONS [24 CFR 960.257(c); Notice PIH 2023-27]

HUD permits PHAs to streamline the income determination process for family members with fixed sources of income. While third-party verification of all income sources must be obtained during the intake process and every three years thereafter, in the intervening years, the PHA may determine income from fixed sources by applying a verified cost of living adjustment (COLA) or other inflationary adjustment factor. Streamlining policies are optional. The PHA may, however, obtain third-party verification of all income, regardless of the source. Further, upon request of the family, the PHA must perform third-party verification of all income sources.

Fixed sources of income include Social Security and SSI benefits, pensions, annuities, disability or death benefits, and other sources of income subject to a COLA or rate of interest. The determination of fixed income may be streamlined even if the family also receives income from other non-fixed sources.

Two streamlining options are available, depending upon the percentage of the family's income that is received from fixed sources.

When 90 percent or more of a family's unadjusted income is from fixed sources, the PHA may apply the inflationary adjustment factor to the family's fixed-income sources, provided that the family certifies both that 90 percent or more of their unadjusted income is fixed and that their sources of fixed income have not changed from the previous year. Sources of non-fixed income are not required to be adjusted and must not be adjusted by a COLA, but PHAs may choose to adjust sources of non-fixed income based on third-party verification. PHAs have the discretion to either adjust the non-fixed income or carry over the calculation of non-fixed income from the first year to years two and three.

When less than 90 percent of a family's unadjusted income consists of fixed income, PHAs may apply a COLA to each of the family's sources of fixed income. PHAs must determine all other income using standard verification requirements as outlined in Notice PIH 2023-27.

PHA Policy

The PHA chooses not to streamline the annual reexamination process for fixed-income sources. The PHA will obtain third-party verification, where applicable, of all sources of income annually in accordance with PHA policies in the chapter and HUD regulations.

7-I.D. VERIFICATION HIERARCHY [Notice PIH 2023-27]

When the PHA does not use a streamlined determination of income or an income determination from a means-tested federal assistance program, HUD requires the PHA to obtain third-party verification of:

- Reported family annual income;
- The value of net family assets when the net value exceeds \$50,000 (as adjusted annually);
- Expenses related to deductions from annual income; and
- Other factors that affect the determination of adjusted income.

HUD mandates the use of the EIV system and offers administrative guidance on the use of other methods to verify family information and specifies the circumstances in which each method will be used. In general HUD requires the PHA to use the most reliable form of verification that is available and to document the reasons when the PHA uses a lesser form of verification.

In order of priority, the forms of verification that the PHA will use are:

HUD developed a hierarchy that described verification documentation from most acceptable to least acceptable. The PHA must demonstrate efforts to obtain third party verification prior to accepting self-certification except instances when self-certification is explicitly allowed.

In order of priority, the hierarchy is:

- Highest: Level 6: Up-front Income Verification (UIV) using HUD's Enterprise Income Verification (EIV) system
- Highest: Level 5: Up-front Income Verification (UIV) using a non-EIV system
- High: Level 4:
 - Written third-party verification from the source, also known as "family-provided verification"
 - Or EIV plus self-certification
- Medium: Level 3: Written third-party verification form
- Medium: Level 2: Oral third-party verification
- Low: Level 1: Self-certification (not third-party verification)

Each of the verification methods is discussed in subsequent sections below.

File Documentation

The PHA must document in the file how the figures used in income and rent calculations were determined. All verification attempts, information obtained, and decisions reached during the verification process will be recorded in the family's file in sufficient detail to demonstrate that the PHA has followed all of the verification policies set forth in this plan. The record should be sufficient to enable a staff member or HUD reviewer to understand the process followed and conclusions reached.

7-I.E. LEVEL 5 AND 6 VERIFICATION: UP-FRONT INCOME VERIFICATION (UIV)

Up-front income verification (UIV) refers to the PHA's use of the verification tools available from independent sources that maintain computerized information about earnings and benefits for a number of individuals. PHAs may use UIV sources before or during a family reexamination.

UIV will be used to the extent that these systems are available to the PHA.

There may be legitimate differences between the information provided by the family and UIV-generated information. If the family disputes the accuracy of UIV data, no adverse action can be taken until the PHA has independently verified the UIV information and the family has been granted an opportunity to contest any adverse findings through the informal review/hearing process of the PHA.

Upfront Income Verification Using HUD's Enterprise Income Verification (EIV) System (Mandatory)

PHAs must use HUD's EIV system in its entirety as a third-party source to verify tenant employment and income information during annual and streamlined reexaminations of family composition and income in accordance with 24 CFR 5.236 and Notice PIH 2023-27.

HUD's EIV system contains data showing earned income, unemployment benefits, social security benefits, and SSI benefits for participant families.

The income validation tool (IVT) in EIV provides projections of discrepant income for wages, unemployment compensation, and SSA benefits pursuant to HUD's data sharing agreements with other departments.

The following policies apply to the use of HUD's EIV system.

EIV Income and IVT Reports

PHAs are required to obtain an EIV Income and IVT report for each family any time the PHA conducts an annual reexamination. However, PHAs are not required to use the EIV Income and IVT reports:

- At annual reexamination if the PHA used Safe Harbor verification from another means-test federal assistance program to determine the family's income; or
- During any interim reexaminations.

The EIV Income and IVT Reports are also not available for program applicants at admission.

When required to use the EIV Income Report, in order for the report to be considered current, the PHA must pull the report within 120 days of the effective date of the annual reexamination.

The EIV Income Report may be used to verify and calculate income at annual reexamination if the family self-certifies that the amount is accurate and representative of current income. The family must be provided with the information in EIV.

PHA Policy

Except for when Safe Harbor verification from another means-tested federal assistance program is used to determine the family's annual income, the PHA will obtain EIV income and IVT reports for all annual reexaminations for all families on a monthly basis. The PHA will ensure that all EIV Income Reports are pulled within 120 days of the effective date of the annual reexamination.

Income and IVT reports will only be used for interim reexaminations as necessary. For example, EIV may be used to verify that families claiming zero income are not receiving income from any sources listed in EIV.

Income and IVT reports will be retained in participant files with the applicable annual documents or interim reexamination documents (if applicable) for the duration of tenancy.

When the PHA determines through EIV reports and third-party verification that a family has concealed or under-reported income, corrective action will be taken pursuant to the policies in Chapter 14, Program Integrity.

New Hires Report [Notice PIH 2023-27]

The New Hires Report identifies participant families who have new employment within the last six months. The report is updated monthly.

PHAs must review this information at annual reexamination except when the PHA uses Safe Harbor verification from another means-tested federal assistance program to determine the family's income.

PHAs that do not require families to undergo interim reexaminations for earned income increases after an interim decrease are not required to review this report between a family's annual reexamination. If the PHA requires an interim for increases in earned income after an interim decrease, then the PHA must review the report quarterly after the family's interim decrease.

PHA Policy

In accordance with PHA policies in Chapter 11, the PHA does not process interim reexaminations for families who have increases in earned income. Except for instances in which the PHA uses Safe Harbor income determinations to determine a family's annual income, the PHA will only review the New Hires Report at annual reexamination.

No Income Reported by HHS or SSA Report

This report is a tool for PHAs to identify participants who passed the SSA identity test, but no income information was reported by either HHS or SSA records. This scenario does not mean that the participant does not have any income. PHAs obtain written, third-party verification of any income reported by the participant. The PHA must identify in its policies and procedures when this report will be pulled [Notice PIH 2023-27].

PHA Policy

The PHA will generate the No Income Reported by HHS or SSA Report quarterly and will retain the report.

The PHA will re-verify the status of participants identified on the report quarterly. Based on the information provided by the family and in EIV, the PHA may require that family members provide verifications or sign release forms in order to obtain additional verification.

When the PHA determines through this report and third-party verification that a family has concealed or under-reported income, corrective action will be taken pursuant to the policies in Chapter 14, Program Integrity

EIV Identity Verification Report

The EIV system verifies tenant identities against SSA records. These records are compared to HUD data for a match on social security number, name, and date of birth.

PHAs are required to use EIV's *Identity Verification Report* on a monthly basis to improve the availability of income information in EIV [Notice PIH 2023-27].

When identity verification for a participant fails, a message will be displayed within the EIV system and no income information will be displayed.

PHA Policy

The PHA will identify participants whose identity verification has failed by reviewing EIV's *Identity Verification Report* on a monthly basis.

The PHA will attempt to resolve discrepancies by obtaining appropriate documentation from the participant. When the PHA determines that discrepancies exist as a result of PHA errors such as spelling errors or incorrect birth dates, it will correct the errors promptly.

Deceased Tenants Reports [Notice PIH 2012-4 and Notice PIH 2023-27]

The Deceased Tenant Report identifies residents that have been reported by the SSA as deceased. The PHA is required to review the report at least quarterly.

PHA Policy

The PHA will review the Deceased Tenants Report on a monthly basis.

When the Deceased Tenants Report identifies an individual as being deceased, PHAs must immediately send a letter to the head of household or emergency contact person (if the head of household is deceased and there is no other adult household member) to confirm the death of the listed household member. The PHA must notify the owner in writing of the deceased head of household.

PHAs may list the EOP as the last day of the month in which the death occurred. The landlord is entitled to receive the full HAP amount for the month in which the tenant death occurred.

PHA Policy

The PHA will list the EOP as the last day of the month in which the death occurred. The landlord is entitled to receive the full HAP amount for the month in which the tenant death occurred.

When the only remaining household member is the live-in aide, the live-in aide is not entitled or eligible for any rental assistance or continued occupancy. The PHA may not designate the live-in aide as the new head of household or change the relation code on the Form HUD-50058.

Other EIV Reports [Notice PIH 2023-27]

The PHA is required to review the Multiple Subsidy Report at least quarterly and the Failed EIV Pre-Screening and Failed Verification (Failed SSA Identity Test) reports at least monthly.

7-I.F. LEVEL 4 VERIFICATION [Notice PIH 2023-27]

HUD identifies two types of Level 4 verification: written-third party verification from the source and EIV + self-certification.

EIV + Self-Certification

EIV may be used as written third-party verification and may be used to calculate income if the family agrees with the information in EIV and self-certifies that the amount is accurate and representative of current income. This practice is known as *EIV + self-certification*. When calculating income using this method, the PHA may use its discretion to determine which method of calculation is reasonable: the last four quarters combined or an average of any number of quarters. The family must be provided with the information from EIV.

PHA Policy

At annual reexamination, if the PHA is unable to use a determination of income from a means-tested federal assistance program and if there are no reported changes to an income source, the PHA will use EIV + self-certification as verification of employment income, provided the family agrees with the amounts listed in EIV.

The PHA will use an average of the last two quarters of income listed in EIV to

determine income from employment. The PHA will provide the family with the information in EIV. The family will be required to sign a self-certification stating that the amount listed in EIV is accurate and representative of current income. If the family disagrees with the amount in EIV, the amount is not reflective of current income, or if less than two quarters are available in EIV, the PHA will use written third-party verification from the source as outlined below.

The PHA will not use this method of verification at new admission since EIV is not available for applicant families or at interim reexamination since the income information in EIV is not current.

Written Third-Party Verification from the Source

Written, third-party verification from the source is also known as “tenant-provided verification.” In order to qualify as written-third party verification from the source, the documents must be original or authentic and (generally) dated within 120 days of the date received by the PHA. For fixed-income sources, a statement dated within the appropriate benefit year is acceptable documentation. Documents may be supplied by the family or received from a third-party source.

Examples of acceptable tenant-provided documents include, but are not limited to pay stubs, payroll summary reports, employer notice or letters of hire and termination, SSA benefit verification letters, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices. Income tax returns with corresponding official tax forms and schedules attached and including third-party receipt of transmission for income tax return filed (i.e., tax preparer’s transmittal receipt, summary of transmittal from online source, etc.) are an acceptable form of written, third-party verification.

The PHA is required to obtain, at minimum, two current and consecutive pay stubs when calculating income using third-party verification from the source. For new income sources or when two pay stubs are not available, the PHA should determine income based on the information from a traditional written, third-party verification form or the best available information.

When the family disputes EIV-reported employment income, the PHA uses written third-party verification.

When verification of assets is required, PHAs are required to obtain a minimum of one statement that reflects the current balance of banking/financial accounts.

PHA Policy

In general, the PHA will use third-party verification from the source in the following circumstances:

- At annual reexamination when EIV + self-certification is not used;
- For all new admissions; and
- For all interim reexaminations.

The PHA will not use this method if the PHA is able to use an income determination from a means-tested federal assistance program or if the PHA uses EIV + self-certification as outlined above.

In general, third-party documents provided by the family or the source must be dated within 120 days of the date received by the PHA. However, for fixed-income sources, a statement dated within the appropriate benefit year is acceptable documentation.

The PHA may reject documentation provided by the family if the document is not an original, if the document appears to be forged, or if the document is altered, mutilated, or illegible. If the PHA determines that third-party documents provided by the family are not acceptable, the PHA will explain the reason to the family and request additional documentation from the family or will use a lower form of verification such as a written third-party verification form.

When verification of assets held by a banking or financial institution is required, the PHA will obtain one statement that reflects the current balance of the account.

When pay stubs are used, the PHA will require the family to provide the four most current, consecutive pay stubs. At the PHA's discretion, if additional paystubs are needed due to the family's circumstances (e.g., sporadic income, fluctuating schedule, etc.), the PHA may request additional paystubs or a payroll record.

7-I.G. LEVEL 3 VERIFICATION: WRITTEN, THIRD-PARTY FORM [Notice PIH 2023 -27]

This type of verification is a form developed by the PHA and used uniformly for all families when needed to collect information from a third-party source. This is known as “traditional third-party verification.” PHAs send a PHA-developed form directly to the third-party source by mail, fax, or email and the source completes the form by hand (in writing or typeset).

The PHA may use this method when higher forms are unavailable or are rejected by the PHA or when the family is unable to provide acceptable verification. The PHA may skip this level of verification and may instead substitute oral third-party verification before moving to self-certification.

PHA Policy

Typically, the PHA will attempt to send written third-party verification forms to the verification source whenever higher forms of verification are unavailable.

However, on a case-by-case basis, the PHA may choose to obtain oral third-party verification without first attempting, and in lieu of, a written-third party verification form.

7.I.H. LEVEL 2: ORAL THIRD-PARTY VERIFICATION [Notice PIH 2023-27]

For third-party oral verification, PHAs contact sources, identified by UIV techniques or by the family, by telephone or in person.

Third-party oral verification may be used when requests for written third-party verification forms have not been returned within a reasonable time—e.g., 10 business days.

PHAs must document in the file the date and time of the telephone call or visit, the name of the person contacted, the telephone number, as well as the information confirmed.

The PHA may skip this level of verification if they attempted written third-party verification via a form and the source did not respond and move directly to self-certification.

PHA Policy

In general, the PHA will attempt to obtain written third-party verification via a form from the verification source. If written third-party verification forms are not returned within 10 business days, the PHA will accept self-certification from the family without attempting to obtain oral third-party verification.

However, if the PHA chooses to obtain oral third-party verification, the PHA will document in the file the date and time of the telephone call or visit, the name of the person contacted and the telephone number, as well as the information confirmed.

When Third-Party Verification is Not Required [Notice PIH 2023-27]

Third-party verification may not be available in all situations. HUD has acknowledged that it may not be cost-effective or reasonable to obtain third-party verification of income, assets, or expenses when these items would have a minimal impact on the family's total tenant payment.

PHA Policy

If the family cannot provide original documents, the PHA will pay the service charge required to obtain third-party verification, unless it is not cost effective in which case a self-certification will be acceptable as the only means of verification. The cost of verification will not be passed on to the family.

The cost of postage and envelopes to obtain third-party verification of income, assets, and expenses is not an unreasonable cost [VG, p. 18].

Primary Documents

Third-party verification is not required when legal documents are the primary source, such as a birth certificate or other legal documentation of birth.

7-I.I. LEVEL 1: NON-THIRD-PARTY VERIFICATION TECHNIQUE: SELF-CERTIFICATION [Notice PIH 2023-27]

Non-third-party verification consists of a signed statement of reported income and/or expenses. This verification method should be used as a last resort when the PHA has not been successful in obtaining information via all other required verification techniques.

Self-certification, however, is an acceptable form of verification when:

- A source of income is fully excluded
- Net family assets total \$50,000 or less and the PHA has adopted a policy to accept self certification
- The family declares that they do not have any present ownership in any real property
- A family states that they have non-recurring income that will not be repeated in the coming year; and/or
- The PHA has adopted a policy to implement streamlined annual recertifications for fixed sources of income (See Chapter 11)

When the PHA was required to obtain third-party verification but instead relies self-certification, the family's file must be documented to explain why third-party verification was not available.

HUD does not require that a self-certification be notarized; however, HUD recommends including language on any self-certification to ensure the certifier understands the consequences of knowingly providing false information.

PHA Policy

When information cannot be verified by a third party or by review of documents, family members will be required to submit self-certifications attesting to the accuracy of the information they have provided to the PHA.

The PHA may require a family to certify that a family member does not receive a particular type of income or benefit.

The self-certification must be made in a format acceptable to the PHA and must be signed by the family member whose information or status is being verified.

All self-certifications will include the following language:

“I/We, the undersigned, certify under penalty of perjury that the information provided here is true and correct, to the best of my knowledge and recollection. WARNING: Anyone who knowingly submits a false claim or knowingly makes a false statement is subject to criminal and/or civil penalties, including confinement for up to five years, fines, and civil and administrative penalties (18 U.S.C. 287, 1001, 1010, 1012; 31 U.S.C. 3279, 3802).”

PART II: VERIFYING FAMILY INFORMATION

7-II.A. VERIFICATION OF LEGAL IDENTITY

PHA Policy

The PHA will require families to furnish verification of legal identity for each household member.

Verification of Legal Identity for Adults	Verification of Legal Identity for Children
Certificate of birth, naturalization papers Church issued baptismal certificate Current, valid driver's license or Department of Motor Vehicles identification card U.S. military discharge (DD 214) Current U.S. passport Current government employer identification card with picture	Certificate of birth Adoption papers Custody agreement Health and Human Services ID Certified school records

If a document submitted by a family is illegible for any reason or otherwise questionable, more than one of these documents may be required.

If none of these documents can be provided and at the PHA's discretion, a third party who knows the person may attest to the person's identity. The certification must be provided in a format acceptable to the PHA and must be signed by the family member whose information or status is being verified.

Legal identity will be verified for all applicants at the time of eligibility determination and in cases where the PHA has reason to doubt the identity of a person representing themselves to be a participant.

7-II.B. SOCIAL SECURITY NUMBERS [24 CFR 5.216, Notice PIH 2023-27]

The family must provide documentation of a valid Social Security number (SSN) for each member of the household, with the exception of individuals who do not contend eligible immigration status. Exemptions also include existing program participants who were at least 62 years of age as of January 31, 2010, and had not previously disclosed an SSN.

Note that an individual who previously declared to have eligible immigration status may not change their declaration for the purpose of avoiding compliance with the SSN disclosure and documentation requirements or penalties associated with noncompliance with these requirements. Nor may the head of household opt to remove a household member from the family composition for this purpose.

The PHA must accept the following documentation as acceptable evidence of the social security number:

- An original SSN card issued by the Social Security Administration (SSA)
- An original SSA-issued document, which contains the name and SSN of the individual
- An original document issued by a federal, state, or local government agency, which contains the name and SSN of the individual

While PHAs must attempt to gather third-party verification of SSNs prior to admission as listed above, PHAs also have the option of accepting a self-certification and a third-party document (such as a bank statement, utility or cell phone bill, or benefit letter) with the applicant's name printed on it to satisfy the SSN disclosure requirement if the PHA has exhausted all other attempts to obtain the required documentation. If verifying an individual's SSN using this method, the PHA must document why the other SSN documentation was not available.

If the tenant's SSN becomes verified in EIV, then no further verification is required. If the tenant's SSN fails the SSA identity match, then the PHA must obtain a valid SSN card issued by the SSA or an original document issued by a federal or state government agency that contains the name of the individual and the SSN of the individual, along with other identifying information of the individual. The tenant's assistance must be terminated if they fail to provide the required documentation.

PHA Policy

The PHA will verify an individual's SSN in the situations described above using the method described above as a last resort when no other forms of verification of the individual's SSN are available.

The PHA may only reject documentation of an SSN provided by an applicant or participant if the document is not an original document or if the original document has been altered, mutilated, is illegible, or appears to be forged.

PHA Policy

The PHA will explain to the applicant or participant the reasons the document is not acceptable and request that the individual obtain and submit acceptable documentation of the SSN to the PHA within 90 days.

In the case of Moderate Rehabilitation Single Room Occupancy (SRO) individuals, the required documentation must be provided within 90 calendar days from the date of admission into the program. The PHA must grant one additional 90-day extension if it determines that the applicant's failure to comply was due to circumstances that were beyond the applicant's control and could not have been reasonably foreseen.

PHA Policy

The PHA will grant one additional 90-day extension if needed for reasons beyond the participant's control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency. If the individual fails to comply with SSN disclosure and documentation requirements upon expiration of the provided time period, the PHA will terminate the individual's assistance.

If an applicant family includes a child under 6 years of age who joined the household within the 6 months prior to the date of voucher issuance, an otherwise eligible family may be admitted to the program and the family must provide documentation of the child's SSN within 90 days of the effective date of the initial HAP contract. A 90-day extension will be granted if the PHA determines that the participant's failure to comply was due to unforeseen circumstances and was outside of the participant's control.

PHA Policy

The PHA will grant one additional 90-day extension if needed for reasons beyond the applicant's control, such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency.

When a participant requests to add a new household member who is at least 6 years of age, or who is under the age of 6 and has an SSN, the participant must provide the complete and accurate SSN assigned to each new member at the time of reexamination or recertification, in addition to the documentation required to verify it. The PHA may not add the new household member until such documentation is provided.

When a participant requests to add a new household member who is under the age of 6 and has not been assigned an SSN, the participant must provide the SSN assigned to each new child and the required documentation within 90 calendar days of the child being added to the household. A 90-day extension will be granted if the PHA determines that the participant's failure to comply was due to unforeseen circumstances and was outside of the participant's control. During the period the PHA is awaiting documentation of the SSN, the child will be counted as part of the assisted household.

PHA Policy

The PHA will grant one additional 90-day extension if needed for reasons beyond the participant's control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency.

Social security numbers must be verified only once during continuously assisted occupancy.

PHA Policy

The PHA will verify each disclosed SSN by:

Obtaining documentation from applicants and participants that is acceptable as evidence of social security numbers

Making a copy of the original documentation submitted, returning it to the individual, and retaining a copy in the file folder

Once the individual's verification status is classified as "verified," the PHA may, at its discretion, remove and destroy copies of documentation accepted as evidence of social security numbers. The retention of the EIV Summary Report or Income Report is adequate documentation of an individual's SSN.

PHA Policy

Once an individual's status is classified as "verified" in HUD's EIV system, the PHA will not remove and destroy copies of documentation accepted as evidence of social security numbers.

7-II.C. DOCUMENTATION OF AGE

A birth certificate or other official record of birth is the preferred form of age verification for all family members. For elderly family members an original document that provides evidence of the receipt of social security retirement benefits is acceptable.

PHA Policy

If an official record of birth or evidence of social security retirement benefits cannot be provided, the PHA will require the family to submit other documents that support the reported age of the family member (e.g., school records, driver's license if birth year is recorded) and to provide a self-certification.

Age must be verified only once during continuously assisted occupancy.

7-II.D. FAMILY RELATIONSHIPS

Applicants and program participants are required to identify the relationship of each household member to the head of household. Definitions of the primary household relationships are provided in the Eligibility chapter.

PHA Policy

Family relationships are verified only to the extent necessary to determine a family's eligibility and level of assistance. Certification by the head of household normally is sufficient verification of family relationships.

Marriage

PHA Policy

Certification by the head of household is normally sufficient verification. If the PHA has reasonable doubts about a marital relationship, the PHA will require the family to document the marriage.

A marriage certificate generally is required to verify that a couple is married.

In the case of a common law marriage, the couple must demonstrate that they hold themselves to be married (e.g., by telling the community they are married, calling each other husband and wife, using the same last name, filing joint income tax returns).

Separation or Divorce

PHA Policy

Certification by the head of household is normally sufficient verification. If the PHA has reasonable doubts about a separation or divorce, the PHA will require the family to provide documentation of the divorce or separation.

A certified copy of a divorce decree, signed by a court officer, is required to document that a couple is divorced.

A copy of a court-ordered maintenance or other court record is required to document a separation.

If no court document is available, documentation from a community-based agency will be accepted.

Absence of Adult Member

PHA Policy

If an adult member who was formerly a member of the household is reported to be permanently absent, the family must provide evidence to support that the person is no longer a member of the family (e.g., documentation of another address at which the person resides such as a lease or utility bill), if the PHA so requests.

Foster Children and Foster Adults

PHA Policy

Third-party verification from the state or local government agency responsible for the placement of the individual with the family is required.

7-II.E. VERIFICATION OF STUDENT STATUS

General Requirements

PHA Policy

The PHA requires families to provide information about the student status of all students who are 18 years of age or older. This information will be verified only if:

The family reports full-time student status for an adult other than the head, spouse, or cohead.

The family reports child care expenses to enable a family member to further their education.

The family includes a student enrolled in an *institution of higher education*.

Restrictions on Assistance to Students Enrolled in Institutions of Higher Education

This section applies only to students who are seeking assistance on their own, separately from their parents. It does not apply to students residing with parents who are seeking or receiving HCV assistance.

PHA Policy

In accordance with the verification hierarchy described in section 7-1.B, the PHA will determine whether the student is exempt from the restrictions in 24 CFR 5.612 by verifying any one of the following exemption criteria:

The student is enrolled at an educational institution that does not meet the definition of *institution of higher education* in the Higher Education Act of 1965 (see section Exhibit 3-2).

The student is at least 24 years old.

The student is a veteran, as defined in section 3-II.E.

The student is married.

The student has at least one dependent child, as defined in section 3-II.E.

The student is a person with disabilities, as defined in section 3-II.E, and was receiving assistance prior to November 30, 2005.

If the PHA cannot verify at least one of these exemption criteria, the PHA will conclude that the student is subject to the restrictions on assistance at 24 CFR 5.612. In addition to verifying the student's income eligibility, the PHA will then proceed to verify either the student's parents' income eligibility (see section 7-III.J) or the student's independence from their parents (see below).

Independent Student

PHA Policy

The PHA will verify a student's independence from their parents to determine that the student's parents' income is not relevant for determining the student's eligibility by doing all of the following:

Either reviewing and verifying previous address information to determine whether the student has established a household separate from their parents for at least one year, or reviewing and verifying documentation relevant to determining whether the student meets the U.S. Department of Education's definition of *independent student* (see section 3-II.E)

Reviewing the student's prior year income tax returns to verify the student is independent or verifying the student meets the U.S. Department of Education's definition of *independent student* (see section 3-II.E)

Requesting and obtaining written certification directly from the student's parents identifying the amount of support they will be providing to the student, even if the amount of support is \$0, except in cases in which the PHA determines that the student is a *vulnerable youth* (see section 3-II.E)

7-II.F. DOCUMENTATION OF DISABILITY

The PHA must verify the existence of a disability in order to allow certain income disallowances and deductions from income. The PHA is not permitted to inquire about the nature or extent of a person's disability [24 CFR 100.202(c)]. The PHA may not inquire about a person's diagnosis or details of treatment for a disability or medical condition. If the PHA receives a verification document that provides such information, the PHA will not place this information in the tenant file. Under no circumstances will the PHA request a participant's medical record(s). For more information on health care privacy laws, see the Department of Health and Human Services' website at <http://www.hhs.gov/ocr/privacy/>.

The above cited regulation does not prohibit the following inquiries, provided these inquiries are made of all applicants, whether or not they are persons with disabilities [VG, p. 24]:

Inquiry into an applicant's ability to meet the requirements of ownership or tenancy

Inquiry to determine whether an applicant is qualified for a dwelling available only to persons with disabilities or to persons with a particular type of disability

Inquiry to determine whether an applicant for a dwelling is qualified for a priority available to persons with disabilities or to persons with a particular type of disability

Inquiring whether an applicant for a dwelling is a current illegal abuser or addict of a controlled substance

Inquiring whether an applicant has been convicted of the illegal manufacture or distribution of a controlled substance

Family Members Receiving SSA Disability Benefits

Verification of the receipt of disability benefits from the Social Security Administration (SSA) is sufficient verification of disability for the purpose of qualifying for waiting list preferences (if applicable) or certain income disallowances and deductions [VG, p. 23].

PHA Policy

For family members claiming disability who receive disability benefits from the SSA, the PHA will attempt to obtain information about disability benefits through the HUD Enterprise Income Verification (EIV) system. If documentation from HUD's EIV System is not available, the PHA will request a current (dated within the last 60 days) SSA benefit verification letter from each family member claiming disability status. If the family is unable to provide the document(s), the PHA will ask the family to request a benefit verification letter by either calling SSA at 1-800-772-1213, or by requesting it from www.ssa.gov. Once the applicant or participant receives the benefit verification letter they will be required to provide it to the PHA.

Family Members Not Receiving SSA Disability Benefits

Receipt of veteran's disability benefits, worker's compensation, or other non-SSA benefits based on the individual's claimed disability are not sufficient verification that the individual meets HUD's definition of disability in 24 CFR 5.403.

PHA Policy

For family members claiming disability who do not receive disability benefits from the SSA, a knowledgeable professional (i.e. Doctor, Registered Nurse, Nurse Practitioner, Licensed Mental Health Counselor, or Licensed Social Worker) must provide third-party verification that the family member meets the HUD definition of disability. See the Eligibility chapter for the HUD definition of disability. The knowledgeable professional will verify whether the family member does or does not meet the HUD definition.

7-II.G. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5.508]

Overview

Housing assistance is not available to persons who are not citizens, nationals, or eligible immigrants. Prorated assistance is provided for "mixed families" containing both eligible and ineligible persons. A detailed discussion of eligibility requirements is in the Eligibility chapter. This verifications chapter discusses HUD and PHA verification requirements related to citizenship status.

The family must provide a certification that identifies each family member as a U.S. citizen, a U.S. national, an eligible noncitizen or an ineligible noncitizen and submit the documents discussed below for each family member. Once eligibility to receive assistance has been verified for an individual it need not be collected or verified again during continuously-assisted occupancy. [24 CFR 5.508(g)(5)]

U.S. Citizens and Nationals

HUD requires a declaration for each family member who claims to be a U.S. citizen or national. The declaration must be signed personally by any family member 18 or older and by a guardian for minors.

The PHA may request verification of the declaration by requiring presentation of a birth certificate, United States passport or other appropriate documentation.

PHA Policy

Family members who claim U.S. citizenship or national status will not be required to provide additional documentation unless the PHA receives information indicating that an individual's declaration may not be accurate.

Eligible Immigrants

Documents Required

All family members claiming eligible immigration status must declare their status in the same manner as U.S. citizens and nationals.

The documentation required for eligible noncitizens varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, age, and the date on which the family began receiving HUD-funded assistance. Exhibit 7-1 at the end of this chapter summarizes documents family members must provide.

PHA Verification [HCV GB, pp. 5-3 and 5-7]

For family members age 62 or older who claim to be eligible immigrants, proof of age is required in the manner described in 7-II.C. of this plan. No further verification of eligible immigration status is required.

For family members under the age of 62 who claim to be eligible immigrants, the PHA must verify immigration status with the United States Citizenship and Immigration Services (USCIS).

The PHA will follow all USCIS protocols for verification of eligible immigration status.

7-II.H. VERIFICATION OF PREFERENCE STATUS

The PHA must verify any preferences claimed by an applicant that determined placement on the waiting list.

PHA Policy

The PHA will offer a preference to any family that has been terminated from its HCV program due to insufficient program funding. The PHA will verify this preference using the PHA's termination records.

The PHA also offers a preference for residency, homeless (limited) and victims of domestic violence, dating violence, sexual assault, stalking, or human trafficking, as described in Section 4-III.C. To verify that applicants qualify for the preference, the PHA will follow documentation requirements outlined in Section 16-IX.D.

PART III: VERIFYING INCOME AND ASSETS

Chapter 6 of this plan describes in detail the types of income that are included and excluded and how assets and income from assets are handled. Any income reported by the family must be verified. This part provides PHA policies that supplement the general verification procedures specified in Part I of this chapter.

PHA Policy

The following policies do not apply when the PHA uses a safe harbor income determination from a means-tested federal assistance program.

7-III.A. EARNED INCOME

Tips

PHA Policy

Unless tip income is included in a family member's W-2 by the employer or in UIV verification sources, persons who work in industries where tips are standard will be required to sign a certified estimate of tips received for the prior year or tips anticipated to be received in the coming year.

Wages

PHA Policy

When the PHA requires third-party verification of wages, for wages other than tips, the family must provide originals of the four most current, consecutive pay stubs.

7-III.B. BUSINESS AND SELF EMPLOYMENT INCOME

The PHA must obtain written, third-party verification when the income type is not available in EIV. This includes income from self-employment.

PHA Policy

Business owners and self-employed persons will be required to provide:

Income tax returns with corresponding official tax forms and schedules attached and including third-party receipt of transmission for income tax return filed (i.e., tax preparer's transmittal receipt, summary of transmittal from online source, etc.).

If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense, computed using straight-line depreciation rules.

For self-employed individuals who claim they do not to file tax returns, The PHA will obtain a completed copy of IRS Form 4506-T to verify that no return has been filed.

For those employed in "gig employment" (i.e., those in formal agreements with on-demand companies such as Uber, Lyft, or DoorDash), the PHA will provide a format for the individual to declare their income and expenses. The PHA will also review the printed statement of monthly income from the applicable app for all hours worked and pay received as well as the Schedule C of the individual's tax return and the corresponding IRS Form 1099 or 1099k.

The PHA will provide a format for any person who is unable to provide such a statement to record income and expenses for the coming year. The business owner/self-employed person will be required to submit the information requested and to certify to its accuracy at all future reexaminations.

At any reexamination the PHA may request documents that support submitted financial statements such as manifests, appointment books, cash books, or bank statements.

If a family member has been self-employed less than three (3) months, the PHA will accept the family member's certified estimate of income and schedule an interim reexamination in three (3) months. If the family member has been self-employed for three (3) to twelve (12) months the PHA will require the family to provide documentation of income and expenses for this period and use that information to project income.

7-III.C. PERIODIC PAYMENTS AND PAYMENTS IN LIEU OF EARNINGS

For policies governing streamlined income determinations for fixed sources of income, please see Chapter 11.

Social Security/SSI Benefits [Notice PIH 2023-27]

Verification requirements for Social Security (SS) and Supplemental Security Income (SSI) benefits differ for applicants and participants.

For applicants, since EIV does not contain SS or SSI benefit information, the PHA must ask applicants to provide a copy of their current SS and/or SSI benefit letter (dated within the last 120 calendar days) for each family member that receives SS and/or SSI benefits. If the family is unable to provide the document or documents, the PHA should help the applicant request a benefit verification letter from SSA's website at www.ssa.gov or ask the family to request one by calling SSA at 1-800-772-1213. The PHA must obtain the original benefit letter from the applicant, make a photocopy of the document for the file, and return the original to the family.

For participants, the PHA must obtain information through the HUD EIV system and confirm with the participants that the current listed benefit amount is correct.

- If the participant agrees with the amount reported in EIV, the PHA must use the EIV-reported gross benefit amount to calculate annual income from Social Security. PHAs are required to use the EIV-reported SS and SSI benefit amounts when calculating income unless the tenant disputes the EIV-reported amount. For example, an SSA benefit letter may list the monthly benefit amount as \$450.80 and EIV displays the amount as \$450.00. The PHA must use the EIV-reported amount unless the participant disputes the amount.
- If the participant disputes the EIV-reported benefit amount, or if benefit information is not available in EIV, the PHA must request a current SSA benefit verification letter (dated within the last 120 calendar days) from each family member that receives SS and/or SSI benefits. If the family is unable to provide the document or documents, the PHA should help the participant request a benefit verification letter from SSA's website at www.ssa.gov or ask the family to request one by calling SSA at 1-800-772-1213. The PHA must obtain the original benefit letter from the participant, make a photocopy of the document for the file, and return the original to the family.

Photocopies of social security checks or bank statements are not acceptable forms of verification for SS/SSI benefits.

7-III.D. ALIMONY OR CHILD SUPPORT [Notice PIH 2023-27]

Annual income includes “all amounts received,” not the amount that a family may be legally entitled to receive but which they do not receive. For example, a family’s child support or alimony income must be based on payments received, not the amounts to which the family is entitled by court or agency orders. A copy of a court order or other written payment agreement alone may not be sufficient verification of amounts received by a family.

PHA Policy

The methods the PHA will use to verify alimony and child support payments differ depending on whether the family declares that it receives regular payments.

If the family declares that it ***receives regular payments***, verification will be sought in the following order:

Copies of the receipts and/or payment stubs for the 12 months prior to PHA request

Third-party verification form from the state or local child support enforcement agency

Third-party verification form from the person paying the support

Family's self-certification of amount received

Note: Families are not required to undertake independent enforcement action.

7-III.E. NONRECURRING INCOME [Notice PIH 2023-27]

Income that will not be repeated beyond the coming year (i.e., the 12 months following the effective date of the certification), based on information provided by the family, is considered nonrecurring income and is excluded from annual income. PHAs may accept a self-certification from the family stating that the income will not be repeated in the coming year.

PHA Policy

The PHA will accept self-certification from the family stating that income will not be repeated in the coming year. However, the PHA may choose, on a case-by-case basis, to require third-party verification that income sources will not be repeated in the coming year.

7-III.F. ASSETS AND INCOME FROM ASSETS

Net Family Assets [24 CFR 5.603]

At admission and reexam, for families with net assets totaling \$50,000 or less (adjusted annually), the PHA may, but is not required to, accept the family's self-certification that the family's assets do not exceed \$50,000 without taking any additional steps to verify the accuracy of the declaration. The declaration must include the amount of income the family expects to receive from assets which must be included in the family's income. This includes declaring income from checking and savings accounts which, although excluded from the calculation of net family assets (because the combined value of non-necessary personal property does not exceed \$50,000), may generate asset income. PHAs must clarify during the self-certification process which assets are included/excluded from net family assets.

For PHAs that choose to accept self-certification, the PHA is required to obtain third-party verification of all assets, regardless of the amount, at least once every three years.

PHAs who choose not to accept self-certifications of assets must verify all families' assets on an annual basis.

When net family assets have a total value over \$50,000, the PHA may not rely on the family's self-certification. Third-party verification of assets is required when net family assets exceed \$50,000, adjusted annually by HUD.

When verification of assets is required, PHAs are required to obtain a minimum of one statement that reflects the current balance of banking/financial accounts.

PHA Policy

For families with net assets totaling \$50,000 or less, the PHA will accept the family's self-certification of the value of family assets and anticipated asset income. The family's declaration must show each asset and the amount of income expected from that asset. All family members 18 years of age and older must sign the family's declaration. The PHA reserves the right to require additional verification in situations where the accuracy of the declaration is in question. Any income the family expects to receive from assets will be included in the family's annual income. The family will be required to provide third-party verification of net family assets every three years.

Self-Certification of Real Property Ownership [24 CFR 5.618(b)(2)]

The PHA must determine whether a family has present ownership in real property that is suitable for occupancy for purposes of determining whether the family is compliant with the asset limitation described in Chapters 3 and 12. At admission and reexam, the PHA may accept a self-certification from the family that the family does not have any present ownership in any real property that is suitable for occupancy. If the family declares they have present ownership in real property, the PHA must obtain third-party verification.

PHA Policy

Both at admission and reexam, the PHA will accept self-certification from the family that the family does not have any present ownership in any real property. The certification will state that the family does not have any present ownership interest in any real property and must be signed by all family members 18 years of age and older. The PHA reserves the right to require additional verification in situations where the accuracy of the declaration is in question.

If the family declares they have a present ownership in real property, the PHA will obtain third-party verification of the following factors: whether the family has the legal right to reside in the property; whether the family has effective legal authority to sell the property; and whether the property is suitable for occupancy by the family as a residence. However, in cases where a family member is a victim of domestic violence, dating violence, sexual assault, or stalking, the PHA will comply with confidentiality requirements under 24 CFR 5.2007 and will accept a self-certification.

7-III.G. ASSETS DISPOSED OF FOR LESS THAN FAIR MARKET VALUE

The family must certify whether any assets have been disposed of for less than fair market value in the preceding two years. HUD permits PHAs to accept a self-certification from a family as verification of assets disposed of for less than fair market value [HCV GB, p. 5-28]. The PHA needs to verify only those certifications that warrant documentation [HCV GB, p. 5-28].

PHA Policy

The PHA will accept a self-certification from a family as verification of assets disposed of for less than fair market value.

The PHA will verify the value of assets disposed of only if:

The PHA does not already have a reasonable estimation of its value from previously collected information, or

The amount reported by the family in the certification appears obviously in error.

Example 1: An elderly participant reported a \$10,000 certificate of deposit at the last annual reexamination and the PHA verified this amount. Now the person reports that she has given this \$10,000 to her son. The PHA has a reasonable estimate of the value of the asset; therefore, reverification of the value of the asset is not necessary.

Example 2: A family member has disposed of its 1/4 share of real property located in a desirable area and has valued her share at approximately \$5,000. Based upon market conditions, this declaration does not seem realistic. Therefore, the PHA will verify the value of this asset.

7-III.H. NET INCOME FROM RENTAL PROPERTY

PHA Policy

The family must provide:

A current executed lease for the property that shows the rental amount or certification from the current tenant

A self-certification from the family members engaged in the rental of property providing an estimate of expenses for the coming year and the most recent IRS Form 1040 with Schedule E (Rental Income).

If schedule E was not prepared, the PHA will require the family members involved in the rental of property to provide a self-certification of income and expenses for the previous year and may request documentation to support the statement including: tax statements, insurance invoices, bills for reasonable maintenance and utilities, and bank statements or amortization schedules showing monthly interest expense.

7-III.I. FEDERAL TAX REFUNDS OR REFUNDABLE TAX CREDITS

[Notice PIH 2023-27]

PHAs are not required to verify the amount of the family's federal tax refund or refundable tax credit(s) if the family's net assets are equal to or below \$50,000 (adjusted annually for inflation), even in years when full verification of assets is required or if the PHA does not accept self-certification of assets. PHAs must verify the amount of the family's federal tax refund or refundable tax credits if the family's net assets are greater than \$50,000.

7-III.J. RETIREMENT ACCOUNTS

PHA Policy

The PHA will accept an original or copy of document from the entity holding the account dated no earlier than 12 months before that reflects any distributions of the account balance, any lump sums taken, and any regular payments.

7-III.K. INCOME FROM EXCLUDED SOURCES [Notice PIH 2023-27]

A detailed discussion of excluded income is provided in Chapter 6, Part I.

HUD guidance on verification of excluded income draws a distinction between income which is fully excluded and income which is only partially excluded.

For fully excluded income, the PHA is **not** required to follow the verification hierarchy, For fully excluded income, the PHA is **not** required to document why third-party verification is not available, or report the income on the 50058. *Fully excluded income* is defined as income where the entire amount qualifies to be excluded from the annual income determination in accordance

with 24 CFR 5.609(b) and any *Federal Register* notice on mandatory exclusions issued by HUD (for example, food stamps, earned income of a minor, or foster care funds).

PHAs may accept a family's signed application or reexamination form as self-certification of fully excluded income. They do not have to require additional documentation. However, if there is any doubt that a source of income qualifies for full exclusion, PHAs have the option of requiring additional verification.

For partially excluded income, the PHA **is** required to follow the verification hierarchy and all applicable regulations, and to report the income on the 50058. Partially excluded income is defined as income where only a certain portion of what is reported by the family qualifies to be excluded and the remainder is included in annual income (for example, the income of an adult full-time student).

PHA Policy

The PHA will accept the family's self-certification as verification of fully excluded income. The PHA may request additional documentation if necessary to document the income source.

The PHA will verify the source and amount of partially excluded income as described in Part 1 of this chapter.

7-III.L. ZERO INCOME STATUS REVIEWS [Notice PIH 2023-27]

A *zero income review* is an assessment, sometimes periodic, performed by the PHA of the income of a family who claims that they do not receive income from any source, including from assets. During such reviews, it is common for PHAs to request that families complete and sign a worksheet explaining how they pay for the household's expenses. HUD does not require PHAs to conduct periodic zero income reviews. In calculating annual income, PHAs must not assign monetary value to nonmonetary in-kind donations from a food bank or similar organization received by the family [24 CFR § 5.609(b)(24)(vi)]. PHAs that perform zero income reviews must update local discretionary policies, procedures, and forms. Families who begin receiving income which does not trigger an interim reexamination should no longer be considered zero income even though the family's income is not reflected on the Form HUD-50058.

PHA Policy

The PHA will check UIV sources and/or may request information from third-party sources to verify that certain forms of income such as unemployment benefits, TANF, SS, SSI, earned income, child support, etc., are not being received by families claiming to have zero annual income.

The PHA will also require that each family member who claims zero income status complete a zero-income form. If any sources of income are identified on the form, the PHA will verify the income in accordance with the policies in this chapter prior to including the income in the family's annual income.

The PHA will only conduct interims in accordance with PHA policy in Chapter 11.

7-III.M. STUDENT FINANCIAL ASSISTANCE [24 CFR 5.609(b)(9)]

The regulations under HOTMA distinguish between two categories of student financial assistance paid to both full-time and part-time students. Any assistance to students under section 479B of the Higher Education Act of 1965 (Title IV of the HEA) must be excluded from the family's annual income [24 CFR 5.609(b)(9)(i)]. Any other grant-in-aid, scholarship, or other assistance amounts an individual receives for the actual covered costs charged by the institute of higher education not otherwise excluded by the federally mandated income exclusions are excluded [24 CFR 5.609(b)(9)(ii)].

PHA Policy

The PHA will request written third-party verification of both the source and the amount of student financial assistance. Family-provided documents from the educational institution attended by the student will be requested, as well as documents generated by any other person or entity providing such assistance, as reported by the student.

In addition, unless the student's only source of assistance is assistance under Title IV of the HEA, the PHA will request written verification of the cost of the student's tuition, books, supplies, room and board, and other required fees and charges to the student from the educational institution.

If the PHA is unable to obtain third-party written verification of the requested information, the PHA will pursue other forms of verification following the verification hierarchy in section 7-I.B.

7-III.N. PARENTAL INCOME OF STUDENTS SUBJECT TO ELIGIBILITY RESTRICTIONS

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the income of the student's parents must be considered when determining income eligibility, unless the student is determined independent from their parents or a *vulnerable youth* in accordance with PHA policy [24 CFR 5.612, FR Notice 4/10/06, p. 18146, and FR Notice 9/21/16].

This provision does not apply to students residing with parents who are seeking or receiving HCV assistance. It is limited to students who are seeking or receiving assistance on their own, separately from their parents.

PHA Policy

If the PHA is required to determine the income eligibility of a student's parents, the PHA will request an income declaration and certification of income from the appropriate parent(s) (as determined in section 3-II.E). The PHA will send the request directly to the parents, who will be required to certify to their income under penalty of perjury. The parents will be required to submit the information directly to the PHA. The required information must be submitted (postmarked) within 10 business days of the date of the PHA's request or within any extended timeframe approved by the PHA.

The PHA reserves the right to request and review supporting documentation at any time if it questions the declaration or certification. Supporting documentation may include, but is not limited to, Internal Revenue Service (IRS) tax returns, consecutive and original pay stubs, bank statements, pension benefit statements, benefit award letters, and other official and authentic documents from a federal, state, or local agency.

PART IV: VERIFYING MANDATORY DEDUCTIONS

7-IV.A. DEPENDENT AND ELDERLY/DISABLED HOUSEHOLD DEDUCTIONS

The dependent and elderly/disabled family deductions require only that the PHA verify that the family members identified as dependents or elderly/disabled persons meet the statutory definitions. No further verifications are required.

Dependent Deduction

See Chapter 6 for a full discussion of this deduction. The PHA must verify that:

- Any person under the age of 18 for whom the dependent deduction is claimed is not the head, spouse, or cohead of the family and is not a foster child
- Any person age 18 or older for whom the dependent deduction is claimed is not a foster adult or live-in aide, and is a person with a disability or a full time student

Elderly/Disabled Family Deduction

See Eligibility chapter for a definition of elderly and disabled families and Chapter 6 for a discussion of the deduction. The PHA must verify that the head, spouse, or cohead is 62 years of age or older or a person with disabilities.

7-IV.B. HEALTH AND MEDICAL CARE EXPENSE DEDUCTION

Policies related to medical expenses are found in Chapter 6. The amount of the deduction will be verified following the standard verification procedures described in Part I.

The PHA must comply with the Health Insurance Portability and Accountability Act (HIPAA) ([Pub. L. 104-191](#), 110 Stat. 1936) and the Privacy Act of 1974 (Pub. L. 93-579, 88 Stat. 1896) when requesting documentation to determine unreimbursed health and medical care expenses. The PHA may not request documentation beyond what is sufficient to determine anticipated health and medical care costs. Before placing bills and documentation in the tenant file, the PHA must redact all personally identifiable information [FR Notice 2/14/23].

Amount of Expense

PHA Policy

Medical expenses will be verified through:

Written third-party documents provided by the family, such as pharmacy printouts or receipts.

When income is projected at new admission or interim, the PHA will make a best effort to determine what expenses from the past are likely to continue to occur in the future. The PHA will also accept evidence of monthly payments or total payments that will be due for medical expenses during the upcoming 12 months.

Written third-party verification forms if the family is unable to provide acceptable documentation.

When income is projected at new admission or interim, if third-party or document review is not possible, written family certification as to costs anticipated to be incurred during the upcoming 12 months.

Before placing bills and documentation in the tenant file, the PHA will redact all personally identifiable information.

If the PHA receives documentation from a verification source that contains the individual's specific diagnosis, information regarding the individual's treatment, and/or information regarding the nature or severity of the person's disability, the PHA will immediately dispose of this confidential information; this information will never be maintained in the individual's file. If the information needs to be disposed of, the PHA will note in the individual's file that verification was received, the date received, and the name and address of the person/organization that provided the verification. Under no circumstances will PHA include an applicant's or resident's medical records in the file [Notice PIH 2010-26].

In addition, the PHA must verify that:

- The household is eligible for the deduction.
- The costs to be deducted are qualified health and medical care expenses.
- The expenses are not paid for or reimbursed by any other source.
- Costs incurred in past years are counted only once.

Eligible Household

The health and medical care expense deduction is permitted only for households in which the head, spouse, or cohead is at least 62, or a person with disabilities. The PHA must verify that the family meets the definition of an elderly or disabled family provided in the Eligibility chapter and as described in Chapter 7 (7-IV.A.) of this plan.

Qualified Expenses

To be eligible for the health and medical care expense deduction, the costs must qualify as medical expenses. See Chapter 6 for the PHA's policy on what counts as a medical expense.

Unreimbursed Expenses

To be eligible for the health and medical care expense deduction, the costs must not be reimbursed by another source.

PHA Policy

The family will be required to certify that the medical expenses are not paid or reimbursed to the family from any source. If expenses are verified through a third party, the third party must certify that the expenses are not paid or reimbursed from any other source.

Expenses Incurred in Past Years

PHA Policy

At new admission and interim reexam, when anticipated costs are related to on-going payment of medical bills incurred in past years, the PHA will verify:

The anticipated repayment schedule

The amounts paid in the past, and

Whether the amounts to be repaid have been deducted from the family's annual income in past years

7-IV.C. DISABILITY ASSISTANCE EXPENSES

Policies related to disability assistance expenses are found in 6-II.E. The amount of the deduction will be verified following the standard verification procedures described in Part I.

The PHA must comply with the Health Insurance Portability and Accountability Act (HIPAA) (Pub. L. 104-191, 110 Stat. 1936) and the Privacy Act of 1974 (Pub. L. 93-579, 88 Stat. 1896) when requesting documentation to determine unreimbursed auxiliary apparatus or attendance care costs. The PHA may not request documentation beyond what is sufficient to determine anticipated reasonable attendant care and auxiliary apparatus costs. Before placing bills and documentation in the tenant file, the PHA must redact all personally identifiable information [FR Notice 2/14/23].

Amount of Expense

Attendant Care

PHA Policy

The PHA will accept written third-party documents provided by the family.

If family-provided documents are not available, the PHA will provide a third-party verification form directly to the care provider requesting the needed information.

Expenses for attendant care will be verified through:

Written third-party documents provided by the family, such as receipts or cancelled checks.

Third-party verification form signed by the provider, if family-provided documents are not available.

When income is projected at new admission or interim, if third-party verification is not possible, written family certification as to costs anticipated to be incurred for the upcoming 12 months.

Before placing bills and documentation in the tenant file, the PHA will redact all personally identifiable information.

If the PHA receives documentation from a verification source that contains the individual's specific diagnosis, information regarding the individual's treatment, and/or information regarding the nature or severity of the person's disability, the PHA will immediately dispose of this confidential information; this information will never be maintained in the individual's file. If the information needs to be disposed of, the PHA will note in the individual's file that verification was received, the date received, and the name and address of the person/organization that provided the verification. Under no

circumstances will PHA include an applicant's or resident's medical records in the file [Notice PIH 2010-26].

Auxiliary Apparatus

PHA Policy

Expenses for auxiliary apparatus will be verified through:

Written third-party documents provided by the family, such as billing statements for purchase of auxiliary apparatus, or other evidence of monthly payments or total payments that will be due for the apparatus during the upcoming 12 months.

Third-party verification form signed by the provider, if family-provided documents are not available.

If third-party verification is not possible, written family certification of estimated apparatus costs for the upcoming 12 months.

In addition, the PHA must verify that:

- The family member for whom the expense is incurred is a person with disabilities (as described in 7-II.F above).
- The expense permits a family member, or members, to work (as described in Chapter 6.).
- The expense is not reimbursed from another source (as described in Chapter 6.).

Family Member is a Person with Disabilities

To be eligible for the disability assistance expense deduction, the costs must be incurred for attendant care or auxiliary apparatus expense associated with a person with disabilities. The PHA will verify that the expense is incurred for a person with disabilities (See 7-II.F.).

Family Member(s) Permitted to Work

The PHA must verify that the expenses claimed actually enable a family member, or members, (including the person with disabilities) to work.

PHA Policy

The PHA will request third-party verification from a rehabilitation agency or knowledgeable medical professional indicating that the person with disabilities requires attendant care or an auxiliary apparatus to be employed, or that the attendant care or auxiliary apparatus enables another family member, or members, to work (See 6-II.E.). This documentation may be provided by the family.

If third-party verification has been attempted and is either unavailable or proves unsuccessful, the family must certify that the disability assistance expense frees a family member, or members (possibly including the family member receiving the assistance), to work.

Unreimbursed Expenses

To be eligible for the disability expenses deduction, the costs must not be reimbursed by another source.

PHA Policy

The family will be required to certify that attendant care or auxiliary apparatus expenses are not paid by or reimbursed to the family from any source.

7-IV.D. CHILD CARE EXPENSES

Policies related to child care expenses are found in Chapter 6. The amount of the deduction will be verified following the standard verification procedures described in Part I of this chapter. In addition, the PHA must verify that:

- The child is eligible for care (12 or younger).
- The costs claimed are not reimbursed.
- The costs enable a family member to work, actively seek work, or further their education.
- The costs are for an allowable type of child care.
- The costs are reasonable.

Eligible Child

To be eligible for the child care deduction, the costs must be incurred for the care of a child under the age of 13. The PHA will verify that the child being cared for (including foster children) is under the age of 13 (See 7-II.C.).

Unreimbursed Expense

To be eligible for the child care deduction, the costs must not be reimbursed by another source.

PHA Policy

The family (and the care provider) will be required to certify that the child care expenses are not paid or reimbursed to the family from any source.

Pursuing an Eligible Activity

The PHA must verify that the family member(s) that the family has identified as being enabled to seek work, pursue education, or be gainfully employed, are actually pursuing those activities.

PHA Policy

Information to be Gathered

The PHA will verify information about how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the time required for study (for students), the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity.

Seeking Work

Whenever possible the PHA will use documentation from a state or local agency that monitors work-related requirements (e.g., welfare or unemployment). In such cases the PHA will request family-provided verification from the agency of the member's job seeking efforts to date, and require the family to submit to the PHA any reports provided to the other agency.

In the event third-party verification is not available, the PHA will provide the family with a form on which the family member must record job search efforts. The PHA will review this information at each subsequent reexamination for which this deduction is claimed.

Furthering Education

The PHA will request third-party documentation to verify that the person permitted to further their education by the child care is enrolled and provide information about the timing of classes for which the person is registered. The documentation may be provided by the family.

Gainful Employment

The PHA will seek third-party verification of the work schedule of the person who is permitted to work by the child care. In cases in which two or more family members could be permitted to work, the work schedules for all relevant family members may be verified. The documentation may be provided by the family.

Allowable Type of Child Care

The type of care to be provided is determined by the family, but must fall within certain guidelines, as discussed in Chapter 6.

PHA Policy

The PHA will verify that the type of child care selected by the family is allowable, as described in Chapter 6.

The PHA will verify that the fees paid to the child care provider cover only child care costs (e.g., no housekeeping services or personal services) and are paid only for the care of an eligible child (e.g., prorate costs if some of the care is provided for ineligible family members).

The PHA will verify that the child care provider is not an assisted family member. Verification will be made through the head of household's declaration of family members who are expected to reside in the unit.

Reasonableness of Expenses

Only reasonable child care costs can be deducted.

PHA Policy

The actual costs the family incurs will be compared with the PHA's established standards of reasonableness for the type of care in the locality to ensure that the costs are reasonable, not to exceed the lowest earning family members' income.

If the family presents a justification for costs that exceed typical costs in the area, the PHA will request additional documentation, as required, to support a determination that the higher cost is appropriate.

NATIONAL STANDARDS FOR THE PHYSICAL INSPECTION OF REAL ESTATE AND RENT REASONABLENESS DETERMINATIONS

[24 CFR 5 Subpart G and Notice PIH 2023-28]

INTRODUCTION

HUD requires that all units occupied by families receiving Housing Choice Voucher (HCV) and Project Based Voucher (PBV) assistance meet HUD's National Standards for the Physical Inspection of Real Estate (NSPIRE) regulations and standards no later than October 1, 2024. The inspection performance standards and procedures for conducting NSPIRE inspections must be included in the administrative plan [Notice PIH 2023-28].

All units must pass an NSPIRE inspection prior to the approval of a lease (with some exceptions) and at least once every 24 months (or 36 months for small rural PHAs) during the term of the HAP contract, and at other times as needed, to determine that the unit meets NSPIRE standards. HUD also requires PHAs to determine that rents for units under the program are reasonable when compared to comparable unassisted units in the market area.

Provided they meet certain requirements, HUD permits PHAs to establish some additional local requirements in their administrative plans. The use of the term *NSPIRE* in this plan refers to the combination of both HUD and PHA-established requirements. However, state and local codes, compliance is not part of the determination of whether a unit passes the NSPIRE standards.

This chapter explains HUD and PHA requirements related to physical inspections and rent reasonableness as follows:

Part I. Physical Standards. This part discusses NSPIRE standards required of units occupied by HCV and PBV-assisted families. It also identifies affirmative habitability requirements for all units and life-threatening conditions that must be corrected in 24 hours.

Part II. The Inspection Process. This part describes the types of inspections the PHA will make and the steps that will be taken when units do not meet NSPIRE standards.

Part III. Rent Reasonableness Determinations. This part discusses the policies the PHA will use to make rent reasonableness determinations.

Special NSPIRE requirements for homeownership, manufactured homes, and other special housing types are discussed in Chapter 15 to the extent that they apply in this jurisdiction. Special requirements for the PBV and RAD PBV programs (if applicable) are discussed in Chapters 17 and 18, respectively.

PART I: NSPIRE STANDARDS

NSPIRE standards are published on HUD's NSPIRE website as well as in the NSPIRE Final Rule [FR Notice 5/1//2023].

8-I.A. INSPECTABLE AREAS [24 CFR 5.703(a)(1) and 24 CFR 5.705(a)(2)]

NSPIRE defines the inspectable areas for inspection under the standards as inside, outside and unit. However, the inspection requirement for the HCV and PBV programs only applies to units occupied or to be occupied by HCV or PBV participants and common areas and exterior areas which either service or are associated with such units.

8-I.B. AFFIRMATIVE HABITABILITY REQUIREMENTS [24 CFR 5.703(b), (c), and (d)]

NSPIRE provides for minimum, or affirmative, habitability requirements for each area (unit, inside, outside). These areas must meet these requirements for habitability, which are listed in Exhibit 8-1.

The inside, outside and unit must be free of health and safety hazards that pose a danger to residents. Types of health and safety concerns include, but are not limited to carbon monoxide, electrical hazards, extreme temperature, flammable materials or other fire hazards, garbage and debris, handrail hazards, infestation, lead-based paint, mold, and structural soundness [24 CFR 5.703(e)].

The NSPIRE Smoke Alarm Standard does not require that smoke alarms have a sealed battery; however, upon the effective date of the Public and Federally Assisted Housing Fire Safety Act of 2022 on December 29, 2024, sealed batteries *will* be required.

8-I.C. MODIFICATIONS TO PROVIDE ACCESSIBILITY [24 CFR 100.203; Notice 2003-31; and Notice PIH 2014-02]

Under the Fair Housing Act of 1988 an owner must make reasonable accommodations in rules, policies, practices, or services if necessary for a person with disabilities to use the housing and must not refuse the request of a family that contains a person with a disability to make necessary and reasonable modifications to the unit if such modification is necessary to afford the person with a disability full enjoyment of the premises. Such modifications are at the family's expense. The owner may, where it is reasonable to do so, require restoration of the unit to its original condition (reasonable wear and tear excepted) if the modification would interfere with the owner or next occupant's full enjoyment of the premises. The owner may not increase a customarily required security deposit. However, the landlord may negotiate a restoration agreement that requires the family to restore the unit and, if necessary to ensure the likelihood of restoration, may require the tenant to pay a reasonable amount into an interest-bearing escrow account over a reasonable period of time. The interest in any such account accrues to the benefit of the tenant. The owner may also require reasonable assurances that the quality of the work will be acceptable and that any required building permits will be obtained. [24 CFR 100.203; Notice 2003-31].

Modifications to units to provide access for a person with a disability must meet all applicable NSPIRE requirements and conform to the design, construction, or alteration of facilities contained in the UFAS and the ADA Accessibility Guidelines (ADAAG) [28 CFR 35.151(c) and

Notice 2003-31] See Chapter 2 of this plan for additional information on reasonable accommodations for persons with disabilities.

PHA Policy

Any owner that intends to negotiate a restoration agreement or require an escrow account must submit the agreement(s) to the PHA for review.

8-I.D. ADDITIONAL LOCAL REQUIREMENTS [24 CFR 5.705(a)(3) and Notice PIH 2023-28]

The PHA may impose variations to the NSPIRE standards as long as the additional criteria are not likely to adversely affect the health or safety of participant families or severely restrict housing choices for families. HUD approval is required for variations to NSPIRE standards and approved variations must be added to the administrative plan.

HUD may approve inspection criteria variations if the variations apply standards in local housing codes or other codes adopted by the PHA or because of local climatic or geographic conditions. Acceptability criteria variations may only be approved by HUD if such variations either meet or exceed the performance requirements or significantly expand affordable housing opportunities for families assisted under the program.

PHA Policy

The heating system in any HCV-assisted unit must be capable of maintaining an interior temperature of 68 degrees Fahrenheit between October 1 and May 31.

8-I.E. LIFE-THREATENING DEFICIENCIES [Notice PIH 2023-28]

HUD previously required the PHA to define life-threatening conditions in the administrative plan. The NSPIRE standards now describe those conditions which are considered life-threatening and must be corrected within 24 hours

However, PHAs may add additional deficiencies which the PHA considers life-threatening provided they are described in the administrative plan.

PHA Policy

In addition to those listed under the NSPIRE standards, the following are considered life-threatening conditions:

Utilities not in service, including no running hot water

8-I.F. OWNER AND FAMILY RESPONSIBILITIES [24 CFR 982.404]

Family Responsibilities

The family is responsible for correcting the following deficiencies:

- Tenant-paid utilities not in service
- Failure to provide or maintain appliances owned by the family
- Damage to the unit or premises caused by a household member or guest beyond normal wear and tear.

If a family fails to correct a family-caused life-threatening condition as required by the PHA, the PHA will enforce the family obligations. See 8-II.H.

PHA Policy

Damages beyond ordinary wear and tear will be considered to be damages which could be assessed against the security deposit under state law or in court practice.

Owner Responsibilities

The owner must maintain the unit in accordance with NSPIRE regulations and standards. The owner is not responsible for a breach of the HQS that is not caused by the owner, and for which the family is responsible (as provided in 24 CFR 982.404(b) and 982.551(c)).

PHA Policy

The owner is responsible for all NSPIRE violations not listed as a family responsibility above, even if the violation is caused by the family's living habits (e.g., vermin infestation). However, if the family's actions constitute a serious or repeated lease violation, the owner may take legal action to evict the family.

The owner will be required to repair an inoperable smoke detector unless the PHA determines that the family has intentionally disconnected it (by removing batteries or other means). In this case, the family will be required to repair the smoke detector within 24 hours.

If an owner fails to correct life-threatening conditions as required by the PHA, the PHA will enforce the NSPIRE standards in accordance with HUD requirements. See 8-II-G.

8-I.G. LEAD-BASED PAINT

PHAs and owners must comply with the requirements and timelines in 24 CFR Part 35 Subpart M—Tenant-Based Rental Assistance and Subpart H—Project-Based Assistance. PHAs and owners are reminded that any deteriorated paint in target housing, or other lead-based paint hazard identified through a lead-based paint risk assessment or lead-based paint inspection is considered a violation of NSPIRE standards.

For the HCV program, Subpart M applies to units where a child under age six resides or is expected to reside, common areas that service that unit, and exterior painted surfaces associated with that unit or common areas. For project-based programs, Subpart H applies to assisted units and common areas of the property regardless of whether a child under age six resides or is expected to reside in the unit. NSPIRE does not alter any of the lead-based paint requirements in Part 35 for these programs.

Special Requirements for Children with Elevated Blood Lead Level [24 CFR 35.1225; FR Notice 1/13/17; Notice PIH 2017-13]

If a PHA is notified by a public health department or other medical health care provider, or verifies information from a source other than a public health department or medical health care provider, that a child of less than six years of age, living in an HCV-assisted unit has been identified as having an elevated blood lead level, the PHA must complete an environmental investigation of the dwelling unit within 15 calendar days after being notified by a public health department or other medical health care provider. HUD defines an Elevated Blood Lead Level (EBLL) as a blood lead concentration equal to or greater than 3.5 micrograms per deciliter (µg/dL). The environmental investigation must be completed in accordance with program requirements, and the result of the environmental investigation must be immediately provided to the owner of the dwelling unit. In cases where the public health department has already completed an evaluation of the unit, this information must be provided to the owner.

Within 30 days after receiving the environmental investigation report from the PHA, or the evaluation from the public health department, the owner is required to complete the reduction of identified lead-based paint hazards in accordance with the lead-based paint regulations [24 CFR 35.1325 and 35.1330; 40 CFR 745.227]. If the owner does not complete the “hazard reduction” as required, the dwelling unit is in violation of HQS and the PHA will take action in accordance with Section 8-II.G.

PHA reporting requirements, and data collection and record keeping responsibilities related to children with an elevated blood lead level are discussed in Chapter 16.

8-I.H. VIOLATION OF SPACE STANDARDS [24 CFR 5.703(d)(5)]

Units assisted under the HCV or PBV programs must have at least one bedroom or living/sleeping room for each two persons. A living room may be used as sleeping (bedroom) space, but no more than two persons may occupy the space [HCV GB p. 10-6]. Each habitable room must have two working outlets or one working outlet and a permanent light. HUD defines a *habitable room* as a room in a building for living, sleeping, eating, or cooking, but excluding bathrooms, toilet rooms, closets, hallways, storage or utility spaces, and similar areas [FR Notice 5/11/23].

A unit that does not meet these space standards is defined as *overcrowded*.

If the PHA determines that a unit is overcrowded because of an increase in family size or a change in family composition, the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, the PHA must terminate the HAP contract in accordance with its terms.

If evidence or report of a child visiting the unit more than 4 hours per week is observed at the time of inspection, a paint inspection will be conducted, despite no child being listed on the assistance.

PART II: THE INSPECTION PROCESS

8-II.A. OVERVIEW [24 CFR 982.405]

Types of Inspections

The PHA conducts the following types of inspections as needed. Each type of inspection is discussed in the paragraphs that follow.

- *Initial Inspections.* The PHA conducts initial inspections in response to a request from the family to approve a unit for participation in the HCV program.
- *Annual/Biennial Inspections.* HUD requires the PHA to inspect each unit under lease at least annually or biennially (or triennially for small rural PHAs as defined in 24 CFR 982.305(b)(2)), depending on PHA policy, to confirm that the unit still meets NSPIRE standards.
- *Special Inspections.* A special inspection may be requested by the owner, the family, or a third party as a result of problems identified with a unit between annual inspections.
- *Quality Control Inspections.* HUD requires that a sample of units be inspected by a supervisor or other qualified individual to evaluate the work of the inspector(s) and to ensure that inspections are performed in compliance with the NSPIRE standards.

Inspection of PHA-Owned Units [24 CFR 982.352(b)]

The PHA must obtain the services of an independent entity to perform all NSPIRE inspections in cases where an HCV family is receiving assistance in a PHA-owned unit. A *PHA-owned unit* is defined as a unit that is owned by the PHA that administers the assistance under the consolidated ACC (including a unit owned by an entity substantially controlled by the PHA). The independent agency must communicate the results of each inspection to the family and the PHA. The independent agency must be approved by HUD and may be the unit of general local government for the PHA jurisdiction (unless the PHA is itself the unit of general local government or an agency of such government).

For information on the inspection of PHA-owned units in the PBV program, see Chapters 17 and 18.

Inspection Costs [Notice PIH 2016-05; 24 CFR 5.705(d)]

The PHA may not charge the family for unit inspections or reinspections [24 CFR 982.405(e)].

In the case of inspections of PHA-owned units, the PHA may compensate the independent agency from ongoing administrative fee for inspections performed. The PHA and the independent agency may not charge the family any fee or charge for the inspection [24 CFR.982.352(b)].

The PHA may not charge the owner for the inspection of the unit prior to the initial term of the lease or for a first inspection during assisted occupancy of the unit. However, the PHA may charge a reasonable fee to owners for reinspections in two situations: when the owner notifies the PHA that a repair has been made but the deficiency has not been corrected, and when the time for repairs has elapsed and the deficiency has not been corrected. Fees may not be imposed for tenant-caused damages, for cases in which the inspector could not gain access to the unit, or for new deficiencies discovered during a reinspection.

The owner may not pass the cost of a reinspection fee to the family. Reinspection fees must be added to the PHA's administrative fee reserves and may only be used for activities related to the provision of tenant-based assistance.

PHA Policy

The PHA may impose a \$25.00 reinspection fee to the owner for the first reinspection when:

The owner reports that a deficiency has been repaired, but reinspection reveals that the deficiency has not been repaired; or

When the time for repairs has elapsed and the deficiency has not been repaired.

The PHA may waive the fee if repairs for non-life-threatening items were delayed due to circumstances beyond the owner's control.

Remote Video Inspections (RVIs) [Notice PIH 2020-31]

As an alternative to some or all on-site inspections, the PHA may, but is not required to, perform NSPIRE inspections from a remote location using video streaming technology and a proxy at the inspection site. Since there may be some circumstances in which the application of technology provides insufficient information or evidence to allow the PHA to make appropriate determinations about whether a condition violates NSPIRE standards, Notice PIH 2020-31 requires that if a PHA chooses to implement RVIs, the PHA should have policies and procedures in place to address such limitations.

PHA Policy

At the PHA's discretion, the PHA may use remote video inspections (RVIs) for a limited type of inspection types as an alternative to an onsite inspection.

Notice and Scheduling

The family must allow the PHA to inspect the unit at reasonable times with reasonable notice [24 CFR 982.551(d)].

PHA Policy

Both the family and the owner will be given reasonable notice of all inspections. Except in the case of a life-threatening emergency, reasonable notice is considered to be not less than 48 hours. Inspections may be scheduled between 8:00 a.m. and 7:00 p.m. Generally, inspections will be conducted on business days only. In the case of a life-threatening emergency, the PHA will give as much notice as possible, given the nature of the emergency.

If the PHA will conduct the inspection via an RVI, the notices to the family and owner will:

Inform the family and the owner that the inspection will be conducted through an RVI rather than onsite inspection.

Provide a brief explanation of RVIs

Give the rationale for RVI implementation

Provide a contact number and email address to raise questions or concerns

Provide a link to the teleconferencing platform

Owner and Family Inspection Attendance

HUD permits the PHA to set policy regarding family and owner presence at the time of inspection [HCV GB p. 10-27].

PHA Policy

When a family occupies the unit at the time of inspection an authorized adult must be present for the inspection. (Should the head of household be unable to attend the inspection but is allowing an adult not listed on the assistance to provide access to the unit, this permission must expressly be written by the head of household and documentation provided prior to or at time of inspection.) The presence of the owner or the owner's representative is encouraged but is not required.

At initial inspection of a vacant unit, the PHA will inspect the unit in the presence of the owner or owner's representative. The presence of a family representative is permitted but is not required.

8-II.B. INITIAL INSPECTION

Approving Units [FR Notice 1/18/17; Notice PIH 2017-20; and 24 CFR 982.406]

HUD regulations require that units assisted under the HCV program be inspected to determine that the units meet NSPIRE standards before the PHA approves assisted tenancy. However, while the PHA is required to conduct an inspection prior to approving assisted tenancy, PHAs have two options for bringing units under HAP contract (or, in the case of PBV, approving occupancy and the execution of a lease) more quickly. The PHA may, but is not required to approve assisted tenancy and start HAP if the unit:

- Fails the initial inspection, but only if no life-threatening deficiencies are identified.
- Passed an alternative inspection in the last 24 months.

Otherwise, if neither of the above provisions are adopted, the PHA must determine that the unit the family selects meets NSPIRE standards prior to approving tenancy.

PHA Policy

The unit must pass the initial inspection on or before the effective date of the HAP Contract. Severe and Life-threatening deficiencies discovered at Initial reinspections will be added to the report to ensure compliance with Health and Safety prior to HAP Contract start. Moderate deficiencies discovered at initial reinspections will also be added to the report, however, the tenant and/or landlord may ask the Inspections Department to review the Moderate deficiency noted and may request that the item not delay the start of the HAP Contract. The PHA will review these requests on a case by case basis, ensuring that the item found to be defective truly meets the criteria as a Moderate deficiency as laid out in NSPIRE. If the deficiency is truly moderate and does not pose a health or safety hazard to the occupants of the unit and/or building, the PHA reserves the right to pass the Initial inspection and start the HAP contract, meanwhile opening a new inspection Ticket and following the abatement procedures as laid out therein.

Timing of Initial Inspections [24 CFR 982.395(b)(2)(i)]

HUD requires PHAs with fewer than 1,250 budgeted units to complete the initial inspection, determine whether the unit satisfies NSPIRE standards, and notify the owner and the family of the determination within 15 days of submission of the Request for Tenancy Approval (RTA). For PHAs with 1,250 or more budgeted units, to the extent practicable such inspection and determination must be completed within 15 days. The 15-day period is suspended for any period during which the unit is not available for inspection.

PHA Policy

The PHA will complete the initial inspection, determine whether the unit satisfies NSPIRE standards, and notify the owner and the family of the determination within 15 days of submission of the fully completed and accurate Request for Tenancy Approval (RTA).

Inspection Results and Reinspections

For new units proposed for the HCV program, life-threatening deficiencies must be resolved before the HAP contract is executed and the family moves into the unit.

PHA Policy

If any deficiencies are identified, the owner will be notified of the deficiencies and be given a time frame to correct them. If requested by the owner, the time frame for correcting the deficiencies may be extended by the PHA for good cause. The PHA will reinspect the unit within five to ten business days of the date the owner notifies the PHA that the required corrections have been made.

If the time period for correcting the deficiencies (or any PHA-approved extension) has elapsed, or the unit fails at the time of the reinspection, the PHA will notify the owner and the family that the unit has been rejected and that the family must search for another unit. The PHA may agree to conduct additional reinspection not to exceed four, for good cause, at the request of the family and owner.

Following a failed reinspection, the family may submit a new Request for Tenancy Approval for the same unit after the owner has made repairs, if they are unable to locate another suitable unit.

Utilities

Generally, at initial lease-up the owner is responsible for demonstrating that all utilities are in working order including those utilities that the family will be responsible for paying.

PHA Policy

Utility service must be available for testing at the time of the initial inspection.

Appliances

PHA Policy

If the family is responsible for supplying the stove and/or refrigerator, the PHA will allow the stove and refrigerator to be placed in the unit after the unit has met all other NSPIRE requirements. The required appliances must be in place before the HAP contract is executed by the PHA. The PHA will execute the HAP contract based upon a certification from the family that the appliances have been installed and are working. A confirmatory inspection will be scheduled within 30 days of HAP contract approval.

8-II.C. ANNUAL/BIENNIAL INSPECTIONS [24 CFR 982.405 and 982.406; Notice PIH 2016-05]

HUD requires the PHA to inspect each unit under HAP contract at least biennially (or triennially for small rural PHAs), to confirm that the unit still meets NSPIRE standards. The inspection may be conducted in conjunction with the family's annual reexamination but also may be conducted separately.

PHA Policy

Each unit under HAP contract must be inspected annually within 24 months of the last full HQS inspection. The PHA reserves the right to assign biennial inspections of any unit or owner at any time.

In order to ensure the safety of our clients, Belmont will continue to conduct annual inspections on properties that have not been maintained in accordance with HQS. That means a unit that does not pass its initial inspection (needs a reinspection) will next be inspected within 12 months (not 24 months). Only units that pass the initial inspection in any given year will be considered for a biennial inspection the next time. This option is far more likely to be employed for units that are part of a well-managed, well-maintained apartment complex.

Exceptions to this policy may be made as a reasonable accommodation for a person with disabilities. Furthermore, inspectors or the inspections supervisor may determine that a unit warrants a biennial inspection in spite of three (3) or fewer minor fail items on an initial inspection, and as

The PHA will accept the results of inspections performed by HUD or for the HOME or LIHTC programs. Inspections will only be accepted if HCV units are included in the population of units forming the basis of the sample.

The PHA will not utilize inspection results other than from inspections conducted by HUD or for the HOME or LIHT programs.

Inspection reports and other data must be provided to the PHA within five business days of the inspection. The PHA will review the inspection reports and determine whether the unit will receive a “pass” within five business days. If the PHA determines that the unit does not pass, the PHA will notify the owner and conduct an inspection within 10 business days.

Scheduling the Inspection

PHA Policy

If an adult cannot be present on the scheduled date, the family should request that the PHA reschedule the inspection.

If the family misses the first scheduled appointment without requesting a new inspection date, the PHA will automatically schedule a second inspection. If the family misses two scheduled inspections without PHA approval, the PHA will consider the family to have violated its obligation to make the unit available for inspection. This may result in termination of the family’s assistance in accordance with Chapter 12.

8-II.D. SPECIAL INSPECTIONS [24 CFR 982.405(g)]

If a participant family or government official reports a life-threatening condition which the owner would be required to repair within 24 hours, the PHA must inspect the unit within 24 hours of notification. If the reported condition is not life-threatening, the PHA must inspect the unit within 15 days of notification.

PHA Policy

During a special inspection, the PHA generally will inspect only those deficiencies that were reported. However, the inspector will record any additional deficiencies that are observed and/or reported at the time of the inspection and will require the responsible party to make the necessary repairs.

If the annual/biennial inspection has been scheduled or is due within 90 days of the date the special inspection is scheduled the PHA may elect to conduct a full annual/biennial inspection.

For all inspection protocols and regulations, please see the Moderate Rehabilitation section of this plan.

8-II.E. QUALITY CONTROL INSPECTIONS [24 CFR 982.405(b); 24 CFR 985.3(e); HCV GB, p. 10-32]

HUD requires a PHA supervisor or other qualified person to conduct quality control inspections of a sample of units to ensure that each inspector is conducting accurate and complete inspections and that there is consistency in the application of the NSPIRE standards.

The unit sample must include only units that have been inspected within the preceding three months. The selected sample should be drawn to represent a cross section of neighborhoods and the work of a cross section of inspectors.

8-II.F. INSPECTION RESULTS AND REINSPECTIONS FOR UNITS UNDER HAP CONTRACT

Correction Timeframes

Each deficiency is identified in the NPSIRE standards as either life-threatening, severe, moderate, or low.

For units under HAP contract, life-threatening deficiencies must be corrected within 24 hours after notice has been provided. All other non-life-threatening deficiencies (severe and moderate) must be corrected within 30 days (or a PHA-approved extension) after notice has been provided. If low deficiencies are present in a unit, these deficiencies result in a pass and would only be noted by the inspector for informational purposes.

Notification of Corrective Actions

The owner and the family will be notified in writing of the results of all inspections. When an inspection identifies deficiencies, the PHA will determine (1) whether or not the failure is a life-threatening condition and (2) whether the family or owner is responsible.

PHA Policy

When life-threatening deficiencies are identified, the PHA will immediately notify both parties by telephone or email. The notice will specify who is responsible for correcting the violation. The corrective actions must be taken within 24 hours of the PHA's notice.

When failures that are severe or moderate are identified, the PHA will send the owner and the family a written notification of the inspection results within five business days of the inspection. The written notice will specify who is responsible for correcting the violation, and the time frame within which the failure must be corrected. Generally, not more than 30 days will be allowed for the correction. If low deficiencies are identified, these deficiencies will only be noted for informational purposes.

The notice of inspection results will inform the owner that if life-threatening conditions are not corrected within 24 hours, and non-life-threatening conditions are not corrected within the specified time frame (or any PHA-approved extension), the owner's HAP will be abated in accordance with PHA policy (see 8-II.G.).

Likewise, in the case of family caused deficiencies, the notice will inform the family that if corrections are not made within the specified time frame (or any PHA-approved extension, if applicable) the family's assistance will be terminated in accordance with PHA policy (see Chapter 12).

Extensions

For life-threatening deficiencies, the PHA cannot grant an extension to the 24-hour corrective action period. For conditions that are severe or moderate, the PHA may grant an exception to the required time frames for correcting the violation, if the PHA determines that an extension is appropriate.

PHA Policy

Extensions will be granted in cases where the PHA has determined that the owner has made a good faith effort to correct the deficiencies and is unable to for reasons beyond the owner's control. Reasons may include, but are not limited to:

A repair cannot be completed because required parts or services are not available.

A repair cannot be completed because of weather conditions.

A reasonable accommodation is needed because the family includes a person with disabilities.

The length of the extension will be determined on a case-by-case basis, but will not exceed 90 days, except in the case of delays caused by weather conditions. In the case of weather conditions, extensions may be continued until the weather has improved sufficiently to make repairs possible. The necessary repairs must be made within 15 calendar days, once the weather conditions have subsided. Anything over 90 days requires the approval of VP of Housing.

Reinspections

PHA Policy

The PHA will not schedule a reinspection until PHA has received notice from owner or tenant that repairs have been made.

The family and owner will be given reasonable notice of the reinspection appointment. If the deficiencies have not been corrected by the time of the reinspection and or correction date, the PHA will send a notice of abatement to the owner, or in the case of family caused violations, a notice of termination to the family, in accordance with PHA policies. If the PHA is unable to gain entry to the unit in order to conduct the scheduled reinspection, the PHA will consider the family to have violated its obligation to make the unit available for inspection. This may result in termination of the family's assistance in accordance this plan. Regardless of time of report abated payment cannot be made before inspection passed date.

The PHA may accept self-certification from the owner that deficiencies have been corrected provided the owner has no history of noncompliance with the program and all deficiencies are severe or moderate. In deciding whether to allow for this type of documentation, the PHA will consider the severity of corrections needed and/or its experience with the owner and property.

Self-certification may include photos or videos, certification from a building maintenance official that work has been completed, evidence from a utility company that service has been restored, or other documented proof of repairs that include the date of repair such as

receipts. All verifications must document the repair was made to the PHA's satisfaction and that a deficiency is no longer present.

The PHA will only allow for self-certification of severe and moderate deficiencies. The PHA will not accept self-certification of repairs in PBV units, for repairs made due to deficiencies at initial move-in, for life-threatening deficiencies, or for any life safety systems such as smoke alarms.

When the PHA permits the use of photos as verification of correction, each photo taken must be clearly labeled so that the relevant content of the photo is easily identified and must be matched to a specific item on the inspection form along with any written description of the deficiency.

The PHA will ensure that any photos or videos remain secure and are used only by staff or others needing access for purposes of the inspection. Photos or videos will remain with a secure file as long as a family is receiving assistance in the specific unit.

All evidence of repairs must be submitted to the PHA at least five business days prior to the scheduled reinspection date or of the deadline provided to the owner and family; otherwise, the reinspection date will stand. The PHA will encourage owners to use email to submit all documentation. The PHA will notify the owner of the acceptance or denial of the submitted documentation via email or phone at least one business day prior to the inspection. If the PHA does not accept the owner's self-certification, the inspection date will stand.

The PHA reserves the right to conduct an in-person inspection to verify corrections have been made at that time. The PHA may require a reinspection, regardless of whether the owner submits self-certification documentation, and may deny the option to submit a self-certification where any question remains regarding the integrity of the documentation provided, where documentation is lacking (i.e., fail items where no receipts or other evidence reflect repair), or where an owner has a repeated history of regular or repeat fails.

8-II.G. ENFORCING OWNER COMPLIANCE

If the owner fails to maintain the dwelling unit in accordance with NSPIRE standards, the PHA must take prompt and vigorous action to enforce the owner obligations.

HAP Abatement

If an owner fails to correct deficiencies by the time specified by the PHA, HUD requires the PHA to abate housing assistance payments no later than the first of the month following the specified correction period (including any approved extension) [24 CFR 985.3(f)]. No retroactive payments will be made to the owner for the period of time the rent was abated. Owner rents are not abated as a result of deficiencies that are the family's responsibility.

PHA Policy

The PHA will make all HAP abatements effective the first of the month following the expiration of the PHA specified correction period (including any extension).

The PHA will inspect abated units within five to ten business days of the owner's notification that the work has been completed. Payment will resume effective on the day the unit passes inspection.

During any abatement period the family continues to be responsible for its share of the rent. The owner must not seek payment from the family for abated amounts and may not use the abatement as cause for eviction.

HAP Contract Termination

The PHA must decide how long any abatement period will continue before the HAP contract will be terminated. The PHA should not terminate the contract until the family finds another unit, provided the family does so in a reasonable time [HCV GB p. 10-29] and must give the owner reasonable notice of the termination. The PHA will issue a voucher to permit the family to move to another unit as described in Chapter 10.

PHA Policy

The maximum length of time that HAP may be abated is 90 days. However, if the owner completes corrections and notifies the PHA before the termination date of the HAP contract, the PHA may rescind the termination notice if (1) the family still resides in the unit and wishes to remain in the unit and (2) the unit passes inspection.

Reasonable notice of HAP contract termination by the PHA is 30 days.

8-II.H. ENFORCING FAMILY COMPLIANCE [24 CFR 982.404(b)]

Families are responsible for correcting any deficiencies listed in paragraph 8-I.D. If the family fails to correct a violation within the period allowed by the PHA (and any extensions), the PHA will terminate the family's assistance, according to the policies described in Chapter 12.

If the owner carries out a repair for which the family is responsible under the lease, the owner may bill the family for the cost of the repair.

PART III: RENT REASONABLENESS [24 CFR 982.507]

8-III.A. OVERVIEW

HUD regulations define reasonable rent as not exceeding the rent charged for comparable, unassisted units in the same market area. HUD also requires owners not to charge more for assisted units than comparable units on the premises.

8-III.B. WHEN DETERMINATIONS ARE REQUIRED

Owner-Initiated Rent Determinations

The PHA must make a rent reasonableness determination at initial occupancy and whenever the owner requests a rent adjustment.

The PHA will determine whether the requested increase is reasonable within **ten** business days of receiving the request from the owner. The owner will be notified of the determination in writing.

All rents adjustments will be effective the first of the month following 60 days after the PHA's receipt of the owner's request or on the date specified by the owner, whichever is later.

PHA and HUD-Initiated Rent Reasonableness Determinations

HUD requires the PHA to determine rent reasonableness (even if the owner has not requested a change) if there is a 10 percent decrease in the fair market rent that goes into effect at least 60 days before the contract anniversary date. HUD also may direct the PHA to determine rent reasonableness at any other time. The PHA may determine that a new determination of rent reasonableness is needed at any time.

PHA Policy

In addition to the instances described above, the PHA will determine the rent reasonableness at any time after the initial occupancy period if: (1) the PHA determines that the initial rent reasonableness determination was in error or (2) the PHA determines that the information provided by the owner about the unit or other units on the same premises needed to be corrected. At least three (3) comparable units will be used for each rent determination.

8-III.C. HOW CAMPARATIBLITY IS ESTABLISHED

Factors to Consider

HUD requires PHAs to take into consideration the factors listed below when determining rent comparability. The PHA may use these factors to make upward or downward adjustments to the rents of comparison units when the units are not identical to the HCV-assisted unit.

- Location
- Quality
- Size (by # of bedrooms, overall size and # of bathrooms)
- Unit type
- Age of the contract unit
- Amenities
- Housing services
- Maintenance
- Utilities to be provided by the owner

Units that Must Not Be Used as Comparable

Comparable units must represent unrestricted market rents. Therefore, units that receive some form of federal, state, or local assistance that imposes rent restrictions cannot be considered comparable units. These include units assisted by HUD through any of the following programs: Section 8 project-based assistance, Section 236 and Section 221(d)(3) Below Market Interest Rate (BMIR) projects, HOME or Community Development Block Grant (CDBG) program assisted units in which the rents are subsidized; units subsidized through federal, or state,; units subsidized by the Department of Agriculture rural housing programs, and units that are rent-controlled by local ordinance [Notice PIH 2002-22, Notice PIH 2005-20, and Notice PIH 2020-19].

Note: Notice PIH 2020-19, issued August 21, 2020, provides further guidance on the issue of what constitutes an assisted unit.

8-III.D. METHODOLOGY

The PHA will utilize the EZ-Reasonable Rent Determination (EZ-RRD) system to conduct reasonable rent analysis for units to be assisted. EZ-RRD automatically selects the best comparable units in the database using consistent and objective methods. Thus, the PHA and U.S. Department of Housing and Urban Development (HUD) are protected from fraud, waste, and mismanagement. At least three (3) comparable units will be used for each rent determination. At the discretion of the PHA, three comparable units provided by the landlord may be accepted in lieu of the EZ-RRD. These comparables must be authentic, sustainable, and verifiable, as determined by the PHA

The EZ-RRD system uses the standard deviation method to enable proper comparisons of the unit to be assisted and comparable units with different characteristics, assuring the PHA that an “apples-to-apples” comparison is made. The EZ-RRD Analysts divide the PHA’s jurisdiction into three rental market value areas. Each unit to be assisted and each comparable unit is assigned to be in either a high, medium, or low rental market value location. The EZ-RRD system is a reasonable method per the Section 8 Housing Choice Voucher and SEMAP regulations and the HUD Housing Choice Voucher Program Guidebook. It also represents a common-sense approach according to the HUD SEMAP Confirmatory Review and Reasonable Rent Quality Assurance protocols.

PHA has a full explanation of EZ-RRD’s step-by-step procedures in the Rent Reasonableness Procedure manual.

Chapter 9

GENERAL LEASING POLICIES

INTRODUCTION

Chapter 9 covers the lease-up process from the family's submission of a Request for Tenancy Approval to execution of the HAP contract.

In order for the PHA to assist a family in a particular dwelling unit, or execute a Housing Assistance Payments (HAP) contract with the owner of a dwelling unit, the PHA must determine that all the following program requirements are met:

- The unit itself must qualify as an eligible unit [24 CFR 982.305(a)]
- The unit must be inspected by the PHA and meet the National Standards for the Physical Inspection of Real Estate (NSPIRE) [24 CFR 982.305(a)]
- The lease offered by the owner must be approvable and must include the required Tenancy Addendum [24 CFR 982.305(a)]
- The rent to be charged by the owner for the unit must be reasonable [24 CFR 982.305(a)]
- The owner must be an eligible owner, approvable by the PHA, with no conflicts of interest [24 CFR 982.306]
- For families initially leasing a unit only: Where the gross rent of the unit exceeds the applicable payment standard for the family, the share of rent to be paid by the family cannot exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]

9-I.A. TENANT SCREENING

The PHA has no liability or responsibility to the owner or other persons for the family's behavior or suitability for tenancy [24 CFR 982.307(a)(1)].

The PHA may elect to screen applicants for family behavior or suitability for tenancy. See Chapter 3 for a discussion of the PHA's policies with regard to screening applicant families for program eligibility [24 CFR 982.307(a)(1)].

The owner is responsible for screening and selection of the family to occupy the owner's unit. At or before PHA approval of the tenancy, the PHA must inform the owner that screening and selection for tenancy is the responsibility of the owner [24 CFR 982.307(a)(2)]. The PHA must also inform the owner or manager of their rights and obligations under the Violence against Women Act (VAWA) [24 CFR 5.2005(a)(2)].

The PHA must provide the owner with the family's current and prior address (as shown in the PHA records) and the name and address (if known to the PHA) of the landlord at the family's current and prior address [24 CFR 982.307(b)(1)].

The PHA is permitted, but not required, to offer the owner other information in the PHA's possession about the tenancy history or drug trafficking of family members [24 CFR 982.307(b)(2)].

The PHA's policy on providing information to the owner must be included in the family's briefing packet [24 CFR 982.307(b)(3)].

The PHA may not disclose to the owner any confidential information provided by the family in response to a PHA request for documentation of domestic violence, dating violence, sexual assault, stalking, or human trafficking, except at the written request or with the written consent of the individual providing the documentation [see 24 CFR 5.2007(b)(4)].

PHA Policy

The PHA will not screen applicants for family behavior or suitability for tenancy.

The PHA will not provide additional screening information to the owner.

9-I.B. REQUESTING TENANCY APPROVAL [Form HUD-52517]

After the family is issued a voucher, the family must locate an eligible unit, with an owner or landlord willing to participate in the voucher program. Once a family finds a suitable unit and the owner is willing to lease the unit under the program, the owner and the family must request the PHA to approve the assisted tenancy in the selected unit.

The owner and the family must submit two documents to the PHA:

- Completed Request for Tenancy Approval (RTA) – Form HUD-52517
- Copy of the proposed lease, including the HUD-prescribed Tenancy Addendum – Form HUD-52641-A

The RTA contains important information about the rental unit selected by the family, including the unit address, number of bedrooms, structure type, year constructed, utilities included in the rent, and the requested beginning date of the lease, necessary for the PHA to determine whether to approve the assisted tenancy in this unit.

Owners must certify to the most recent amount of rent charged for the unit and provide an explanation for any difference between the prior rent and the proposed rent.

Owners must certify that they are not the parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has granted a request for reasonable accommodation for a person with disabilities who is a member of the tenant household.

For units constructed prior to 1978, owners must either 1) certify that the unit, common areas, and exterior have been found to be free of lead-based paint by a certified inspector; or 2) attach a lead-based paint disclosure statement.

Both the RTA and the proposed lease must be submitted no later than the expiration date stated on the voucher. [HCV GB p.8-15].

PHA Policy

The RTA must be signed by both the family and the owner.

The owner may submit the RTA on behalf of the family.

Completed RTA must be submitted as hard copies, in-person, by mail, by email, or by fax.

The family may not submit, and the PHA will not process, more than one (1) RTA at a time.

When the family submits the RTA the PHA will review the RTA for completeness.

If the RTA is incomplete (including lack of signature by family, owner, or both), the PHA will notify the family and the owner of the deficiencies.

Missing information and/or missing documents will only be accepted as hard copies, in-person, by mail, by email, or by fax. The PHA will not accept missing information over the phone.

Because of the time sensitive nature of the tenancy approval process, the PHA will attempt to communicate with the owner and family by phone, fax, or email. The PHA will use mail when the parties cannot be reached by phone, fax, or email.

9-I.C. OWNER PARTICIPATION

The PHA does not formally approve an owner to participate in the HCV program. However, there are a number of criteria where the PHA may deny approval of an assisted tenancy based on past owner behavior, conflict of interest, or other owner-related issues. There are also criteria for which the PHA must disapprove an owner. No owner has a right to participate in the HCV program [24 CFR 982.306(e)]

See Chapter 13 for a full discussion of owner qualification to participate in the HCV program.

9-I.D. ELIGIBLE UNITS

There are a number of criteria that a dwelling unit must meet in order to be eligible for assistance under the voucher program. Generally, a voucher-holder family may choose any available rental dwelling unit on the market in the PHA's jurisdiction. This includes the dwelling unit they are currently occupying.

Ineligible Units [24 CFR 982.352(a)]

The PHA may not assist a unit under the voucher program if the unit is a public housing or Indian housing unit; a unit receiving project-based assistance under section 8 of the 1937 Act (42 U.S.C. 1437f); nursing homes, board and care homes, or facilities providing continual psychiatric, medical, or nursing services; college or other school dormitories; units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions; a unit occupied by its owner or by a person with any interest in the unit.

PHA-Owned Units [24 CFR 982.352(b)]

Otherwise eligible units that are owned or substantially controlled by the PHA issuing the voucher may also be leased in the voucher program. In order for a PHA-owned unit to be leased under the voucher program, the unit must not be ineligible housing and the PHA must inform the family, both orally and in writing, that the family has the right to select any eligible unit

available for lease and that the family is free to select a PHA-owned unit without any pressure or steering by the PHA.

PHA Policy

The PHA has eligible PHA-owned units available for leasing under the voucher program.

The PHA will inform the family of this housing at the time of the briefing. The PHA will also inform the family, both orally and in writing, that the family has the right to select any eligible unit available for lease and that the family is free to select the PHA-owned unit without any pressure or steering by the PHA.

Special Housing Types [24 CFR 982 Subpart M]

HUD regulations permit, but do not generally require, the PHA to permit families to use voucher assistance in a number of special housing types in accordance with the specific requirements applicable to those programs. These special housing types include single room occupancy (SRO) housing, congregate housing, group home, shared housing, manufactured home space (where the family owns the manufactured home and leases only the space), cooperative housing and homeownership option. See Chapter 15 for specific information and policies on any of these housing types that the PHA has chosen to allow.

The regulations do require the PHA to permit use of any special housing type if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

Duplicative Assistance [24 CFR 982.352(c)]

A family may not receive the benefit of HCV tenant-based assistance while receiving the benefit of any of the following forms of other housing subsidy, for the same unit or for a different unit:

- Public or Indian housing assistance;
- Other Section 8 assistance (including other tenant-based assistance);
- Assistance under former Section 23 of the United States Housing Act of 1937 (before amendment by the Housing and Community Development Act of 1974);
- Section 101 rent supplements;
- Section 236 rental assistance payments;
- Tenant-based assistance under the HOME Program;
- Rental assistance payments under Section 521 of the Housing Act of 1949 (a program of the Rural Development Administration);
- Any local or State rent subsidy;
- Section 202 supportive housing for the elderly;
- Section 811 supportive housing for persons with disabilities; (11) Section 202 projects for non-elderly persons with disabilities (Section 162 assistance); or
- Any other duplicative federal, State, or local housing subsidy, as determined by HUD. For this purpose, 'housing subsidy' does not include the housing component of a welfare

payment, a social security payment received by the family, or a rent reduction because of a tax credit.

NSPIRE Standards [Notice PIH 2023-28]

In order to be eligible, the dwelling unit must be in safe and habitable condition. This determination is made using HUD's National Standards for the Physical Inspection of Real Estate (NSPIRE) and/or equivalent state or local standards approved by HUD. See Chapter 8 for a full discussion of the NSPIRE standards, as well as the process for inspection at initial lease-up.

Unit Size

In order to be eligible, the dwelling unit must be appropriate for the number of persons in the household. A family must be allowed to lease an otherwise acceptable dwelling unit with fewer bedrooms than the number of bedrooms stated on the voucher issued to the family, provided the unit meets the applicable space requirements [24 CFR 5.703(d)(5)]. The family must be allowed to lease an otherwise acceptable dwelling unit with more bedrooms than the number of bedrooms stated on the voucher issued to the family. See Chapter 5 for a full discussion of subsidy standards.

Rent Reasonableness [24 CFR 982.305 and 24 CFR 982.507]

In order to be eligible, the dwelling unit must have a reasonable rent. The rent must be reasonable in relation to comparable unassisted units in the area and must not be in excess of rents charged by the owner for comparable, unassisted units on the premises. See Chapter 8 for a full discussion of rent reasonableness and the rent reasonableness determination process.

Rent Burden [24 CFR 982.508]

Where a family is initially leasing a unit and the gross rent of the unit exceeds the applicable payment standard for the family, the family share cannot exceed 40 percent of the family's adjusted monthly income. The term "family share" refers to the amount the family pays toward rent and utilities. The gross rent for the unit minus the total housing assistance payment (HAP) for the unit equals the family share. See Chapter 6 for a discussion of calculation of gross rent, the use of payment standards, and calculation of family income, family share of rent and HAP.

9-I.E. LEASE AND TENANCY ADDENDUM

The family and the owner must execute a written dwelling lease agreement for the assisted unit. This written lease is a contract between the tenant family and the owner; the PHA is not a party to this contract.

The tenant must have legal capacity to enter a lease under State and local law. 'Legal capacity' means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner [24 CFR 982.308(a)]

Lease Form and Tenancy Addendum [24 CFR 982.308]

If the owner uses a standard lease form for rental to unassisted tenants in the locality or the premises, the lease must be in such standard form. If the owner does not use a standard lease form for rental to unassisted tenants, the owner may use another form of lease. The HAP contract prescribed by HUD contains the owner's certification that if the owner uses a standard lease form for rental to unassisted tenants, the lease for the assisted tenants is in such standard form.

All provisions in the HUD-required Tenancy Addendum must be added word-for-word to the owner's standard lease form. The Tenancy Addendum includes the HUD requirements for the tenancy. Because it is a part of the lease, the tenant shall have the right to enforce the Tenancy Addendum against the owner. If there is a conflict between the owner's lease and the Tenancy Addendum, the terms of the Tenancy Addendum shall prevail over any other provisions of the lease.

PHA Policy

The PHA does not provide a model or standard dwelling lease for owners to use in the HCV program.

Lease Information [24 CFR 982.308(d)]

The assisted dwelling lease must contain all of the required information as listed below:

- The names of the owner and the tenant:
- The unit rented (address, apartment number, and any other information needed to identify the contract unit)
- The term of the lease (initial term and any provisions for renewal)
- The amount of the monthly rent to owner
- A specification of what utilities and appliances are to be supplied by the owner, and what utilities and appliances are to be supplied by the family

Term of Assisted Tenancy

The initial term of the assisted dwelling lease must be for at least one year [24 CFR 982.309]. The initial lease term is also stated in the HAP contract.

The HUD program regulations permit the PHA to approve a shorter initial lease term if certain conditions are met.

PHA Policy

The PHA will approve an initial lease term of less than one (1) year only where the PHA determines and can clearly document that: (i) Such shorter term would improve housing opportunities for the tenant; and (ii) Such shorter term is the prevailing local market practice.

During the initial term of the lease, the owner may not raise the rent to owner [24 CFR 982.309].

Any provisions for renewal of the dwelling lease will be stated in the dwelling lease [HCV Guidebook, pg. 8-22]. There are no HUD requirements regarding any renewal extension terms, except that they must be stated in the dwelling lease if they exist.

The PHA may execute the HAP contract even if there is less than one year remaining from the beginning of the initial lease term to the end of the last expiring funding increment under the consolidated ACC. [24 CFR 982.309(b)].

Security Deposit [24 CFR 982.313 (a) and (b)]

The owner may collect a security deposit from the tenant. The PHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants. However, if the PHA chooses to do so, language to this effect must be added to Part A of the HAP contract [Form HUD-52641].

PHA Policy

The PHA will allow the owner to collect any security deposit amount the owner determines is appropriate. Therefore, no modifications to the HAP contract will be necessary. As per the NYS Tenant Protection ACT: Once a tenant vacates an apartment, the owner can legally charge up to the legal regulated rent to the next tenant, except under very limited circumstances. Owners may no longer apply a 20% increase to an apartment rent upon vacancy.

Separate Non-Lease Agreements between Owner and Tenant

Owners may not demand or accept any rent payment from the family in excess of the rent to the owner as approved by the PHA minus the PHA's housing assistance payments to the owner [24 CFR 982.451(b)(4)].

The owner may not charge the tenant extra amounts for items customarily included in rent in the locality, or provided at no additional cost to unsubsidized tenants in the premises [24 CFR 982.510(c)].

PHA Policy

The PHA permits owners and families to execute separate, non-lease agreements for services, appliances (other than range and refrigerator) and other items that are not included in the lease.

Any items, appliances, or other services that are customarily provided to unassisted families as part of the dwelling lease with those families, or are permanently installed in the dwelling unit must be included in the dwelling lease for the assisted family. These items, appliances or services cannot be placed under a separate non-lease agreement between the owner and family. Side payments for additional rent, or for items, appliances or services customarily provided to unassisted families as part of the dwelling lease for those families, are prohibited.

Any items, appliances, or other services that are not customarily provided to unassisted families as part of the dwelling lease with those families, are not permanently installed in the dwelling unit and where the family has the sole option of not utilizing the item, appliance or service, may be included in a separate non-lease agreement between the owner and the family.

The family is not liable and cannot be held responsible under the terms of the assisted dwelling lease for any charges pursuant to a separate non-lease agreement between the owner and the family. Non-payment of any charges pursuant to a separate non-lease agreement between the owner and the family cannot be a cause for eviction or termination of tenancy under the terms of the assisted dwelling lease.

Separate non-lease agreements that involve additional items, appliances or other services may be considered amenities offered by the owner and may be taken into consideration when determining the reasonableness of the rent for the property.

PHA Review of Lease

The PHA will review the dwelling lease for compliance with all applicable requirements.

PHA Policy

If the dwelling lease is incomplete or incorrect, the PHA will notify the family and the owner of the deficiencies. Missing and corrected lease information will only be accepted as hard copies, in-person, by mail, by email, or by fax. The PHA will not accept missing and corrected information over the phone.

Because the initial leasing process is time-sensitive, the PHA will attempt to communicate with the owner and family by phone, fax, or email. The PHA will use mail when the parties can't be reached by phone, fax, or email.

The PHA is permitted, but is not required, to review the lease to determine if the lease complies with State and local law and is permitted to decline to approve the tenancy if the PHA determines that the lease does not comply with State or local law [24 CFR 982.308(c)]

PHA Policy

The PHA will not review the owner's lease for compliance with state/local law.

9-I.F. TENANCY APPROVAL [24 CFR 982.305]

After receiving the family's Request for Tenancy Approval, with proposed dwelling lease, the PHA must promptly notify the family and owner whether the assisted tenancy is approved.

Prior to approving the assisted tenancy and execution of a HAP contract, the PHA must ensure that all required actions and determinations, discussed in Part I of this chapter have been completed.

These actions include ensuring that the unit is eligible; the unit has been inspected by the PHA and meets NSPIRE standards; the lease offered by the owner is approvable and includes the required Tenancy Addendum; the rent to be charged by the owner for the unit must be reasonable; where the family is initially leasing a unit and the gross rent of the unit exceeds the applicable payment standard for the family, the share of rent to be paid by the family does not exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]; the owner is an eligible owner, not disapproved by the PHA, with no conflicts of interest [24 CFR 982.306]; the family and the owner have executed the lease, including the Tenancy Addendum, and the lead-based paint disclosure information [24 CFR 982.305(b)].

PHA Policy

The request will be approved if:

- 1 The unit is an eligible type of housing
2. The rent is reasonable
3. The proposed lease complies with HUD and PHA requirements
4. The owner is approvable, and there is no conflict of interest.
5. The unit meets HUD's NSPIRE standards

If the PHA determines that the RFTA cannot be approved for some reason, the housing specialist will call the landlord to discuss the steps that are necessary to approve the request. The family will also be informed of the problems that exist. The owner will be given 5 calendar days to decide whether or not to make the necessary changes. If an RFTA is not approved and the owner is unwilling to make the changes necessary to gain approval, the PHA will notify the tenant, give them another Landlord Handbook and advise them to continue their search for eligible housing. The clock is stopped on the voucher (the term is suspended) while the RFTA is being processed.

9-I.G. HAP CONTRACT EXECUTION [24 CFR 982.305]

The HAP contract is a written agreement between the PHA and the owner of the dwelling unit. Under the HAP contract, the PHA agrees to make housing assistance payments to the owner on behalf of the family, and the owner agrees to comply with all program requirements as stated in the HAP contract.

The HAP contract form is prescribed by HUD.

If the PHA has given approval for the family of the assisted tenancy, the owner and the PHA must execute the HAP contract.

The term of the HAP contract must be the same as the term of the lease [24 CFR 982.451(a)(2)].

The PHA is permitted to execute a HAP contract even if the funding currently available does not extend for the full term of the HAP contract.

The PHA must make a best effort to ensure that the HAP contract is executed before the beginning of the lease term. Regardless, the HAP contract must be executed no later than 60 calendar days from the beginning of the lease term.

The PHA may not pay any housing assistance payment to the owner until the HAP contract has been executed. If the HAP contract is executed during the period of 60 calendar days from the beginning of the lease term, the PHA will pay housing assistance payments after execution of the HAP contract (in accordance with the terms of the HAP contract), to cover the portion of the lease term before execution of the HAP contract (a maximum of 60 days).

Any HAP contract executed after the 60-day period is void, and the PHA may not pay any housing assistance payment to the owner.

See Chapter 13 for a discussion of the HAP contract and contract provisions.

9-I.H. CHANGES IN LEASE OR RENT [24 CFR 982.308]

If the tenant and the owner agree to any changes in the lease, such changes must be in writing, and the owner must immediately give the PHA a copy of such changes. The lease, including any changes, must remain in accordance with the requirements of this chapter.

Generally, PHA approval of tenancy and execution of a new HAP contract are not required for changes in the lease. However, under certain circumstances, the execution of a new lease and HAP contract are required. These circumstances include:

- Changes in lease requirements governing tenant or owner responsibilities for utilities or appliances
- Changes in lease provisions governing the term of the lease
- The family moves to a new unit, even if the unit is in the same building or complex

In these cases, if the HCV assistance is to continue, the family must submit a new Request for Tenancy Approval (RTA) along with a new dwelling lease containing the proposed changes. A new tenancy must then be approved in accordance with this chapter.

Where the owner is changing the amount of the rent to owner, the owner must notify the PHA at least 60 days before any such changes go into effect [24 CFR 982.308(g)(4)]. The PHA will agree to such an increase only if the amount of the rent to owner is considered reasonable according to the rent reasonableness standards discussed in Chapter 8. If the requested rent is not found to be reasonable, the owner must either reduce the requested rent increase, or terminate the tenancy in accordance with the terms of the lease.

No rent increase is permitted during the initial term of the lease [24 CFR 982.309(a)(3)].

PHA Policy

Where the owner is requesting a rent increase, the PHA will determine whether the requested increase is reasonable within 10 business days of receiving the request from the owner. The owner will be notified of the determination in writing.

Rent increases will go into effect on the first of the month following the 60 day period after the owner notifies the PHA of the rent change or on the date specified by the owner, whichever is later.

Chapter 10

MOVING WITH CONTINUED ASSISTANCE AND PORTABILITY

INTRODUCTION

Freedom of housing choice is a hallmark of the housing choice voucher (HCV) program. In general, HUD regulations impose few restrictions on where families may live or move with HCV assistance. This chapter sets forth HUD regulations and PHA policies governing moves within or outside the PHA's jurisdiction in two parts:

Part I: Moving with Continued Assistance. This part covers the general rules that apply to all moves by a family assisted under the PHA's HCV program, whether the family moves to another unit within the PHA's jurisdiction or to a unit outside the PHA's jurisdiction under portability.

Part II: Portability. This part covers the special rules that apply to moves by a family under portability, whether the family moves out of or into the PHA's jurisdiction. This part also covers the special responsibilities that the PHA has under portability regulations and procedures.

PART I: MOVING WITH CONTINUED ASSISTANCE

10-I.A. ALLOWABLE MOVES

HUD lists six regulatory conditions under which an assisted family is allowed to move to a new unit with continued assistance. Permission to move is subject to the restrictions set forth in section 10-I.B.

- The family has a right to terminate the lease on notice to the owner (for the owner's breach or otherwise) and has given a notice of termination to the owner in accordance with the lease [24 CFR 982.354(b)(3)]. If the family terminates the lease on notice to the owner, the family must give the PHA a copy of the notice at the same time [24 CFR 982.354(d)(1)].
- The lease for the family's unit has been terminated by mutual agreement of the owner and the family [24 CFR 982.354(b)(1)(ii)].

PHA Policy

If the family and the owner mutually agree to terminate the lease for the family's unit, the family must give the PHA a copy of the termination agreement.

- The owner has given the family a notice to vacate, has commenced an action to evict the family, or has obtained a court judgment or other process allowing the owner to evict the family [24 CFR 982.354(b)(2)]. The family must give the PHA a copy of any owner eviction notice [24 CFR 982.551(g)].
- The family or a member of the family is or has been the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, and the move is needed to protect the health or safety of the family or family member [see 24 CFR 982.354(b)(4)]. This condition applies even when the family has moved out of its unit in violation of the lease, with or without prior notification to the PHA, if the family or family member who is the victim reasonably believed that they were imminently threatened by harm from further violence if they remained in the unit [24 CFR 982.354(b)(4), 24 CFR 982.353(b)]. The PHA must adopt an emergency transfer plan as required by regulations at 24 CFR 5.2007(e).

PHA Policy

If a family requests permission to move with continued assistance or for an external transfer to another covered housing program operated by the PHA based on a claim that the move is necessary to protect the health or safety of a family member who is or has been the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the PHA will request that the resident request the emergency transfer using form HUD-5383, and the PHA will request documentation in accordance with section 16-IX.D of this plan.

The PHA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the family or family member will suffice. In such cases the PHA will document the waiver in the family's file.

The PHA may choose to provide a voucher to facilitate an emergency transfer of the victim without first terminating the assistance of the perpetrator.

Before granting an emergency transfer, the PHA will ensure the victim is eligible to receive continued assistance based on the citizenship or immigration status of the victim.

The PHA has adopted an emergency transfer plan, which is included as Exhibit 16-3 to this plan and discusses external transfers to other covered housing programs.

- The PHA has terminated the HAP contract for the family's unit for the owner's breach [24 CFR 982.354(b)(1)(i)].
- The PHA determines that the family's current unit does not meet space standards because of an increase in family size or a change in family composition. In such cases, the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for the family, the PHA must terminate the HAP contract for the family's old unit in accordance with the HAP contract terms and must notify both the family and the owner of the termination. The HAP contract terminates at the end of the calendar month that follows the calendar month in which the PHA gives notice to the owner. [24 CFR 982.403(a) and (c)]

10-I.B. RESTRICTIONS ON MOVES

A family's right to move is generally contingent upon the family's compliance with program requirements [24 CFR 982.1(b)(2)]. HUD specifies two conditions under which a PHA may deny a family permission to move and two ways in which a PHA may restrict moves by a family.

Denial of Moves

HUD regulations permit the PHA to deny a family permission to move under the following conditions:

Insufficient Funding

The PHA may deny a family permission to move either within or outside the PHA's jurisdiction if the PHA does not have sufficient funding for continued assistance [24 CFR 982.354(e)(1)]. However, Notice PIH 2016-09 significantly restricts the ability of PHAs to deny permission to move due to insufficient funding and places further requirements on PHAs regarding moves denied due to lack of funding. The requirements found in this notice are mandatory.

PHA Policy

The PHA will deny a family permission to move on grounds that the PHA does not have sufficient funding for continued assistance if (a) the move is initiated by the family, not the owner or the PHA; (b) the PHA can demonstrate that the move will, in fact, result in higher subsidy costs (c) the PHA can demonstrate, in accordance with the policies in Part VIII of Chapter 16, that it does not have sufficient funding in its annual budget to accommodate the higher subsidy costs; and (d) for portability moves, the receiving PHA is not absorbing the voucher.

If the PHA does not have sufficient funding for continued assistance, but the family must move from their unit (e.g., the unit failed inspection), the family may move to a higher cost unit if the move is within the PHA's jurisdiction. The PHA, however, will not allow the family to move under portability in this situation if the family wishes to move to a higher cost area.

For both moves within the PHA's jurisdiction and outside under portability, the PHA will not deny a move due to insufficient funding if the PHA previously approved the move and subsequently experienced a funding shortfall if the family cannot remain in their current unit. The PHA will rescind the voucher in this situation if the family will be allowed to remain in their current unit.

The PHA will create a list of families whose moves have been denied due to insufficient funding. The PHA will keep the family's request open indefinitely, and when funds become available, the families on this list will take precedence over families on the waiting list. The PHA will use the same procedures for notifying families with open requests to move when funds become available as it uses for notifying families on the waiting list (see section 4-III.D).

The PHA will inform the family of its policy regarding moves denied due to insufficient funding in a letter to the family at the time the move is denied.

Grounds for Denial or Termination of Assistance

The PHA may deny a family permission to move if it has grounds for denying or terminating the family's assistance [24 CFR 982.354(e)(2)].

PHA Policy

If the PHA has grounds for denying or terminating a family's assistance, the PHA will act on those grounds in accordance with the regulations and policies set forth in Chapters 3 and 12, respectively. In general, it will not deny a family permission to move for this reason; however, it retains the discretion to do so under special circumstances.

Restrictions on Elective Moves [24 CFR 982.354(c)]

HUD regulations permit the PHA to prohibit any elective move by a participant family during the family's initial lease term. They also permit the PHA to prohibit more than one elective move by a participant family during any 12-month period. However, such prohibitions, if adopted, do not apply when the family or a member of the family is or has been the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, and the move is needed to protect the health or safety of the family or family member. (For the policy on documentation of abuse, see section 10-I.A.) In addition, the PHA may not establish a policy permitting moves only at reexamination [Notice PIH 2016-09].

PHA Policy

The PHA will deny a family permission to make an elective move during the family's initial lease term. This policy applies to moves within the PHA's jurisdiction or outside it under portability.

The PHA will also deny a family permission to make more than one elective move during any 12-month period. This policy applies to all assisted families residing in the PHA's jurisdiction.

The PHA will consider exceptions to these policies for the following reasons: to protect the health or safety of a family member (e.g., lead-based paint hazards, domestic violence, witness protection programs), to accommodate a change in family circumstances (e.g., new employment, school attendance in a distant area), or to address an emergency situation over which a family has no control.

In addition, the PHA will allow exceptions to these policies for purposes of reasonable accommodation of a family member who is a person with disabilities (see Chapter 2).

10-I.C. MOVING PROCESS

Notification

If a family wishes to move to a new unit, the family must notify the PHA and the owner before moving out of the old unit or terminating the lease on notice to the owner [24 CFR 982.354(d)(2)]. If the family wishes to move to a unit outside the PHA's jurisdiction under portability, the notice to the PHA must specify the area where the family wishes to move [24 CFR 982.354(d)(2)]. The notices must be in writing [24 CFR 982.5].

Approval

PHA Policy

Upon receipt of a family's notification that it wishes to move, the PHA will determine whether the move is approvable in accordance with the regulations and policies set forth in sections 10-I.A and 10-I.B. The PHA will notify the family in writing of its determination within 10 business days following receipt of the family's notification.

Reexamination of Family Income and Composition

PHA Policy

For families approved to move to a new unit within the PHA's jurisdiction, the PHA will perform a new annual reexamination in accordance with the policies set forth in Chapter 11 of this plan.

For families moving into or families approved to move out of the PHA's jurisdiction under portability, the PHA will follow the policies set forth in Part II of this chapter.

Voucher Issuance and Briefing

PHA Policy

For families approved to move to a new unit within the PHA's jurisdiction, the PHA will issue a new voucher within 10 business days of the PHA's written approval to move. No briefing is required for these families. The PHA will follow the policies set forth in Chapter 5 on voucher term, extension, and expiration. If a family does not locate a new unit within the term of the voucher and any extensions, the family may remain in its current unit with continued voucher assistance if the owner agrees and the PHA approves. Otherwise, the family will lose its assistance.

For families moving into or families approved to move out of the PHA's jurisdiction under portability, the PHA will follow the policies set forth in Part II of this chapter.

Housing Assistance Payments [24 CFR 982.311(d)]

When a family moves out of an assisted unit, the PHA may not make any housing assistance payment to the owner for any month **after** the month the family moves out. The owner may keep the housing assistance payment for the month when the family moves out of the unit.

If a participant family moves from an assisted unit with continued tenant-based assistance, the term of the assisted lease for the new assisted unit may begin during the month the family moves out of the first assisted unit. Overlap of the last housing assistance payment (for the month when the family moves out of the old unit) and the first assistance payment for the new unit, is not considered to constitute a duplicative housing subsidy.

Zero HAP Families Who Wish to Move [24 CFR 982.455]

A participant who is not receiving any subsidy, but whose HAP contract is still in force, may request a voucher to move to a different unit. The PHA must issue a voucher to move unless it has grounds to deny assistance under the program regulations. However, if the PHA determines no subsidy would be paid at the new unit, the PHA may refuse to enter into a HAP contract on behalf of the family.

PHA Policy

If a zero HAP family requests to move to a new unit, the family may request a voucher to move. However, if no subsidy will be paid at the unit to which the family requests to move, the PHA will not enter into a HAP contract on behalf of the family for the new unit.

PART II: PORTABILITY

10-II.A. OVERVIEW

Within the limitations of the regulations and this plan, a participant family or an applicant family that has been issued a voucher has the right to use tenant-based voucher assistance to lease a unit anywhere in the United States providing that the unit is located within the jurisdiction of a PHA administering a tenant-based voucher program [24 CFR 982.353(b)]. The process by which a family obtains a voucher from one PHA and uses it to lease a unit in the jurisdiction of another PHA is known as portability. The PHA that issues the voucher is called the **initial PHA**. The PHA that has jurisdiction in the area to which the family wants to move is called the **receiving PHA**.

The receiving PHA has the option of administering the family's voucher for the initial PHA or absorbing the family into its own program. Under the first option, the receiving PHA provides all housing services for the family and bills the initial PHA for the family's housing assistance payments and the fees for administering the family's voucher. Under the second option, the receiving PHA pays for the family's assistance with its own program funds, and the initial PHA has no further relationship with the family. The initial PHA must contact the receiving PHA via email or other confirmed delivery method to determine whether the receiving PHA will administer or absorb the initial PHA's voucher. Based on the receiving PHA's response, the initial PHA must determine whether they will approve or deny the portability request [Notice PIH 2016-09].

PHAs commonly act as both the initial and receiving PHA because families may move into or out of their jurisdiction under portability. Each role involves different responsibilities. The PHA will follow the rules and policies in section 10-II.B when it is acting as the initial PHA for a family. It will follow the rules and policies in section 10-II.C when it is acting as the receiving PHA for a family.

In administering portability, the initial PHA and the receiving PHA must comply with financial procedures required by HUD, including the use of HUD-required forms [24 CFR 982.355(e)(5)].

PHAs must also comply with billing and payment deadlines. HUD may reduce an administrative fee to an initial or receiving PHA if the PHA does not comply with HUD portability requirements [24 CFR 982.355(e)(7)].

10-II.B. INITIAL PHA ROLE

Allowable Moves under Portability

A family may move with voucher assistance only to an area where there is at least one PHA administering a voucher program [24 CFR 982.353(b)]. If there is more than one PHA in the area, the initial PHA provides the family with the contact information for the receiving PHAs that serve the area, and the family selects the receiving PHA. The family must inform the initial PHA which receiving PHA it has selected. If the family prefers not to select the receiving PHA, the initial PHA will select the receiving PHA on behalf of the family [24 CFR 982.255(b)].

Applicant families that have been issued vouchers as well as participant families may qualify to lease a unit outside the PHA's jurisdiction under portability. HUD regulations and PHA policy determine whether a family qualifies.

Applicant Families

Under HUD regulations, most applicant families qualify to lease a unit outside the PHA's jurisdiction under portability. However, HUD gives the PHA discretion to deny a portability move by an applicant family for the same two reasons that it may deny any move by a participant family: insufficient funding and grounds for denial or termination of assistance. If a PHA intends to deny a family permission to move under portability due to insufficient funding, the PHA must notify HUD within 10 business days of the determination to deny the move [24 CFR 982.355(e)].

PHA Policy

In determining whether or not to deny an applicant family permission to move under portability because the PHA lacks sufficient funding or has grounds for denying assistance to the family, the initial PHA will follow the policies established in section 10-I.B of this chapter. If the PHA does deny the move due to insufficient funding, the PHA will notify HUD in writing within 10 business days of the PHA's determination to deny the move.

In addition, the initial PHA may establish a policy denying the right to portability to nonresident applicants during the first 12 months after they are admitted to the program [24 CFR 982.353(c)].

PHA Policy

If neither the head of household nor the spouse/cohead of an applicant family had a domicile (legal residence) in the initial PHA's jurisdiction at the time the family's application for assistance was submitted, the family will be allowed to move to an area outside the PHA's jurisdiction under portability [24 CFR 982.353(c)].

Participant Families

The initial PHA must not provide portable assistance for a participant if a family has moved out of its assisted unit in violation of the lease [24 CFR 982.353(b)]. The Violence against Women Act (VAWA) creates an exception to this prohibition for families who are otherwise in compliance with program obligations but have moved to protect the health or safety of a family member who is or has been a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, and who reasonably believed they were imminently threatened by harm from further violence if they remained in the unit [see 24 CFR 982.353(b)].

PHA Policy

The PHA will determine whether a participant family may move out of the PHA's jurisdiction with continued assistance in accordance with the regulations and policies set forth here and in sections 10-I.A and 10-I.B of this chapter. The PHA will notify the family of its determination in accordance with the approval policy set forth in section 10-I.C of this chapter.

Determining Income Eligibility

Applicant Families

An applicant family may lease a unit in a particular area under portability only if the family is income eligible for admission to the voucher program in that area [24 CFR 982.353(d)(1)]. The family must specify the area to which the family wishes to move [24 CFR 982.355(c)(1)].

The initial PHA is responsible for determining whether the family is income eligible in the area to which the family wishes to move [24 CFR 982.353(d)(1), 24 CFR 982.355(9)]. If the applicant family is not income eligible in that area, the PHA must inform the family that it may not move there and receive voucher assistance [Notice PIH 2016-09].

Participant Families

The income eligibility of a participant family is not redetermined if the family moves to a new jurisdiction under portability [24 CFR 982.353(d)(2)].

Reexamination of Family Income and Composition

No new reexamination of family income and composition is required for an applicant family.

PHA Policy

For a participant family moving out of its jurisdiction under portability, the PHA generally will conduct a reexamination of family income and composition only if the family's annual reexamination must be completed before 30 days following the initial billing deadline specified on form HUD-52665, Family Portability Information.

The PHA will make any exceptions to this policy necessary to remain in compliance with HUD regulations.

Briefing

The regulations and policies on briefings set forth in Chapter 5 of this plan require the PHA to provide information on portability to all applicant families that qualify to lease a unit outside the PHA's jurisdiction under the portability procedures. Therefore, no special briefing is required for these families.

PHA Policy

No formal briefing will be required for a participant family wishing to move outside the PHA's jurisdiction under portability. However, the PHA will provide the family with the same oral and written explanation of portability that it provides to applicant families selected for admission to the program (see Chapter 5).

The PHA will provide the name, address, and phone of the contact for the PHAs in the jurisdiction to which they wish to move. If there is more than one PHA with jurisdiction over the area to which the family wishes to move, the PHA will advise the family that the family selects the receiving PHA and notify the initial PHA of which receiving PHA was selected. The PHA will provide the family with contact information for all of the receiving PHAs that serve the area. The PHA will not provide any additional information about receiving PHAs in the area. The PHA will further inform the family that if the family prefers not to select the receiving PHA, the initial PHA will select the receiving PHA on behalf of the family. In this case, the PHA will not provide the family with information for all receiving PHAs in the area.

The PHA will advise the family that they will be under the receiving PHA's policies and procedures, including screening, subsidy standards, voucher extension policies, and payment standards.

Voucher Issuance and Term

An applicant family has no right to portability until after the family has been issued a voucher [24 CFR 982.353(b)]. In issuing vouchers to applicant families, the PHA will follow the regulations and procedures set forth in Chapter 5.

PHA Policy

For participating families approved to move under portability, the PHA will issue a new voucher within 10 business days of the PHA's written approval to move.

The initial term of the voucher will be 60 days.

Voucher Extensions and Expiration

PHA Policy

The initial PHA will approve **no** extensions to a voucher issued to an applicant or participant family porting out of the PHA's jurisdiction except under the following circumstances: (a) the initial term of the voucher will expire before the portable family will be issued a voucher by the receiving PHA, (b) the family decides to return to the initial PHA's jurisdiction and search for a unit there, or (c) the family decides to search for a unit in a third PHA's jurisdiction. In such cases, the policies on voucher extensions set forth in Chapter 5, section 5-II.E, of this plan will apply, including the requirement that the family apply for an extension in writing prior to the expiration of the initial voucher term.

Preapproval Contact with the Receiving PHA

Prior to approving a family's request to move under portability, the initial PHA must contact the receiving PHA via email or other confirmed delivery method to determine whether the receiving PHA will administer or absorb the family's voucher. Based on the receiving PHA's response, the initial PHA must determine whether it will approve or deny the move [24 CFR 982.355(c)(3)].

PHA Policy

The PHA will use email, when possible, to contact the receiving PHA regarding whether the receiving PHA will administer or absorb the family's voucher.

Initial Notification to the Receiving PHA

After approving a family's request to move under portability, the initial PHA must promptly notify the receiving PHA via email or other confirmed delivery method to expect the family [24 CFR 982.355(c)(3); 24 CFR 982.355(c)(7)]. The initial PHA must also advise the family how to contact and request assistance from the receiving PHA [24 CFR 982.355(c)(6)].

PHA Policy

Because the portability process is time-sensitive, the PHA will notify the receiving PHA by phone, fax, or email to expect the family. The initial PHA will also ask the receiving PHA to provide any information the family may need upon arrival, including the name, fax, email address, and telephone number of the staff person responsible for business with incoming portable families and procedures related to appointments for voucher issuance. The PHA will pass this information along to the family. The PHA will also ask for the name, address, telephone number, fax and email of the person responsible for processing the billing information.

Sending Documentation to the Receiving PHA

The initial PHA is required to send the receiving PHA the following documents:

- Form HUD-52665, Family Portability Information, with Part I filled out [Notice PIH 2016-09]
- A copy of the family's voucher [Notice PIH 2016-09]
- A copy of the family's most recent form HUD-50058, Family Report, or, if necessary in the case of an applicant family, family and income information in a format similar to that of form HUD-50058 [24 CFR 982.355(c)(7), Notice PIH 2016-09]
- Copies of the income verifications backing up the form HUD-50058, including a copy of the family's current EIV data [24 CFR 982.355(c)(7), Notice PIH 2016-09]

PHA Policy

In addition to these documents, the PHA will provide the following information, if available, to the receiving PHA:

Social security numbers (SSNs)

Documentation of SSNs for all nonexempt household members whose SSNs have not been verified through the EIV system

Documentation of legal identity

Documentation of citizenship or eligible immigration status

Documentation of participation in the earned income disallowance (EID) benefit

Documentation of participation in a family self-sufficiency (FSS) program

If applicable, information related to the family's health and medical care and disability assistance expense phased-in hardship exemption, including what stage the family is in and how many months remain in that phase-in stage

The PHA will notify the family in writing regarding any information provided to the receiving PHA [HCV GB, p. 13-3].

Initial Billing Deadline [Notice PIH 2016-09]

The deadline for submission of initial billing is 90 days following the expiration date of the voucher issued to the family by the initial PHA. In cases where suspension of the voucher delays the initial billing submission, the receiving PHA must notify the initial PHA of delayed billing before the billing deadline and document the delay is due to the suspension. In this case, the initial PHA must extend the billing deadline by 30 days.

If the initial PHA does not receive a billing notice by the deadline and does not intend to honor a late billing submission, it must notify the receiving PHA in writing. The initial PHA may report to HUD the receiving PHA's failure to comply with the deadline.

If the initial PHA will honor the late billing, no action is required.

PHA Policy

The initial PHA's decision as to whether to accept late billing will be based on internal PHA factors, including the initial PHA's leasing or funding status. If the PHA has not received an initial billing notice from the receiving PHA within the billing deadline and does not intend to honor the late billing, it will contact the receiving PHA to inform them that it will not honor a late billing submission and will return any subsequent billings that it receives on behalf of the family. In this case, the PHA will send the receiving PHA a written confirmation of its decision by mail.

Among other considerations as to whether to accept late billing will be if the family includes a person with disabilities and the late billing is a result of a reasonable accommodation granted to the family by the receiving PHA.

Monthly Billing Payments [24 CFR 982.355(e), Notice PIH 2016-09]

If the receiving PHA is administering the family's voucher, the receiving PHA bills the initial PHA for housing assistance payments and administrative fees. When reimbursing for administrative fees, the initial PHA must promptly reimburse the receiving PHA for the lesser of 80 percent of the initial PHA ongoing administrative fee or 100 percent of the receiving PHA's ongoing administrative fee for each program unit under contract on the first day of the month for which the receiving PHA is billing the initial PHA under portability. If the administrative fees are prorated for the HCV program, the proration will apply to the amount of the administrative fee for which the receiving PHA may bill [24 CFR 982.355(e)(2)].

The initial PHA is responsible for making billing payments in a timely manner. The first billing amount is due within 30 calendar days after the initial PHA receives Part II of form HUD-52665 from the receiving PHA. Subsequent payments must be **received** by the receiving PHA no later than the fifth business day of each month. The payments must be provided in a form and manner that the receiving PHA is able and willing to accept.

The initial PHA may not terminate or delay making payments under existing portability billing arrangements as a result of overleasing or funding shortfalls. The PHA must manage its tenant-based program in a manner that ensures that it has the financial ability to provide assistance for families that move out of its jurisdiction under portability and are not absorbed by receiving PHAs as well as for families that remain within its jurisdiction.

PHA Policy

The initial PHA will utilize direct deposit to ensure that the payment is received by the deadline unless the receiving PHA notifies the initial PHA that direct deposit is not acceptable to them. If the initial PHA extends the term of the voucher, the receiving PHA's voucher will expire 30 calendar days from the new expiration date of the initial PHA's voucher.

Annual Updates of Form HUD-50058

If the initial PHA is being billed on behalf of a portable family, it should receive an updated form HUD-50058 each year from the receiving PHA. If the initial PHA fails to receive an updated 50058 by the family's annual reexamination date, the initial PHA should contact the receiving PHA to verify the status of the family. The initial PHA must continue paying the receiving PHA based on the last form HUD-50058 received, unless instructed otherwise by HUD. The initial PHA may seek absorption of the vouchers by following steps outlined in Notice PIH 2016-09.

Denial or Termination of Assistance [24 CFR 982.355(c)(17)]

At any time, either the initial PHA or the receiving PHA may make a determination to deny or terminate assistance with the family in accordance with 24 CFR 982.552 and 24 CFR 982.553. (For PHA policies on denial and termination, see Chapters 3 and 12, respectively.)

10-II.C. RECEIVING PHA ROLE

If a family has a right to lease a unit in the receiving PHA's jurisdiction under portability, the receiving PHA must provide assistance for the family [24 CFR 982.355(10)]. HUD may determine in certain instances that a PHA is not required to accept incoming portable families, such as a PHA in a declared disaster area. However, the PHA must have approval in writing from HUD before refusing any incoming portable families [24 CFR 982.355(b)].

Administration of the voucher must be in accordance with the receiving PHA's policies. This requirement also applies to policies of Moving to Work agencies. The receiving PHA procedures and preferences for selection among eligible applicants do not apply to the family, and the receiving PHA waiting list is not used [24 CFR 982.355(c)(10)]. The family's unit, or voucher, size is determined in accordance with the subsidy standards of the receiving PHA [24 CFR 982.355(c)(12)], and the receiving PHA's policies on extensions of the voucher term apply [24 CFR 982.355(c)(14)].

Responding to Initial PHA's Request [24 CFR 982.355(c)]

The receiving PHA must respond via email or other confirmed delivery method to the initial PHA's inquiry to determine whether the family's voucher will be billed or absorbed [24 CFR 982.355(c)(3)]. If the receiving PHA informs the initial PHA that it will be absorbing the voucher, the receiving PHA cannot reverse its decision at a later date without consent of the initial PHA (24 CFR 982.355(c)(4)).

PHA Policy

The PHA will use email, when possible, to notify the initial PHA whether it will administer or absorb the family's voucher.

Initial Contact with Family

When a family moves into the PHA's jurisdiction under portability, the family is responsible for promptly contacting the PHA and complying with the PHA's procedures for incoming portable families. The family's failure to comply may result in denial or termination of the receiving PHA's voucher [24 CFR 982.355(c)(8)].

If the voucher issued to the family by the initial PHA has expired, the receiving PHA must contact the initial PHA to determine if it will extend the voucher [24 CFR 982.355(c)(13)]. An informal hearing is not required when a voucher has expired without the family leasing a unit.

If for any reason the receiving PHA refuses to process or provide assistance to a family under the portability procedures, the family must be given the opportunity for an informal review or hearing [Notice PIH 2016-09]. (For more on this topic, see later under "Denial or Termination of Assistance.")

Briefing

HUD allows the receiving PHA to require a briefing for an incoming portable family as long as the requirement does not unduly delay the family's search [Notice PIH 2016-09].

PHA Policy

As a first step for all families porting into the PHA's jurisdiction, a briefing is conducted during which the family is informed of the PHA's leasing process. When the family submits a Request for Tenancy Approval, it is processed using the receiving PHA's policies.

The receiving PHA does not redetermine eligibility for a portable family that was already receiving assistance in the initial PHA's voucher program [24 CFR 982.355(c)(9)]. If the receiving PHA opts to conduct a new reexamination for a current participant family, the receiving PHA may not delay issuing the family a voucher or otherwise delay approval of a unit [24 CFR 982.355(c)(11)].

PHA Policy

The PHA will rely upon the income information provided by the initial PHA and will not conduct a new reexamination of income and composition for income portable families.

Voucher Issuance

When a family moves into its jurisdiction under portability, the receiving PHA is required to issue the family a voucher [24 CFR 982.355(c)(13)]. The family must submit a request for tenancy approval to the receiving PHA during the term of the receiving PHA's voucher [24 CFR 982.355(c)(15)].

Timing of Voucher Issuance

HUD expects the receiving PHA to issue the voucher within two weeks after receiving the family's paperwork from the initial PHA if the information is in order, the family has contacted the receiving PHA, and the family complies with the receiving PHA's procedures [Notice PIH 2016-09].

PHA Policy

When a family ports into its jurisdiction, the PHA will issue the family a voucher based on the paperwork provided by the initial PHA unless the family's paperwork from the initial PHA is incomplete, the family's voucher from the initial PHA has expired or the family does not comply with the PHA's procedures. The PHA will update the family's information when verification has been completed.

Voucher Term

The term of the receiving PHA's voucher may not expire before 30 calendar days from the expiration of the initial PHA's voucher [24 CFR 982.355(c)(13)]. If the initial PHA extends the term of the voucher, the receiving PHA's voucher may not expire before 30 days from the new expiration date of the initial PHA's voucher [Notice PIH 2016-09].

PHA Policy

The receiving PHA's voucher will expire 30 calendar days from the expiration date of the initial PHA's voucher. If the initial PHA extends the term of the voucher, the receiving PHA's voucher will expire 30 calendar days from the new expiration date of the initial PHA's voucher.

Voucher Extensions [24 CFR 982.355(c)(14), Notice 2016-09]

Once the receiving PHA issues the portable family a voucher, the receiving PHA's policies on extensions of the voucher term apply. The receiving PHA must inform the initial PHA of any extension granted to the term of the voucher. It must also bear in mind the billing deadline provided by the initial PHA. Unless willing and able to absorb the family, the receiving PHA should ensure that any voucher expiration date would leave sufficient time to process a request for tenancy approval, execute a HAP contract, and deliver the initial billing to the initial PHA.

PHA Policy

The PHA generally will not extend the term of the voucher that it issues to an incoming portable family unless the PHA plans to absorb the family into its own program, in which case it will follow the policies on voucher extension set forth in section 5-II.E of this plan.

The PHA will consider an exception to this policy as a reasonable accommodation to a person with disabilities (see Chapter 2).

Voucher Suspensions [24 CFR 982.303, 24 CFR 982.355(c)(15)]

If the family submits a request for tenancy approval during the term of the receiving PHA's voucher, the PHA must suspend the term of that voucher. The term of the voucher stops from the date that the family submits a request for PHA approval of the tenancy until the date the PHA notifies the family in writing whether the request has been approved or denied [24 CFR 982.4(b)] (see Section 5-II.E).

Notifying the Initial PHA

The receiving PHA must promptly notify the initial PHA if the family has leased an eligible unit under the program or if the family fails to submit a request for tenancy approval for an eligible unit within the term of the receiving PHA's voucher [24 CFR 982.355(c)(16)]. The receiving PHA is required to use Part II of form HUD-52665, Family Portability Information, for this purpose [Notice PIH 2016-09]. (For more on this topic and the deadline for notification, see below under "Administering a Portable Family's Voucher.")

If an incoming portable family ultimately decides not to lease in the jurisdiction of the receiving PHA but instead wishes to return to the initial PHA's jurisdiction or to search in another jurisdiction, the receiving PHA must refer the family back to the initial PHA. In such a case the voucher of record for the family is once again the voucher originally issued by the initial PHA. Any extension of search time provided by the receiving PHA's voucher is only valid for the family's search in the receiving PHA's jurisdiction [Notice PIH 2016-09].

Administering a Portable Family's Voucher

Portability Billing [24 CFR 982.355(e)]

To cover assistance for a portable family that was not absorbed, the receiving PHA bills the initial PHA for housing assistance payments and administrative fees. The amount of the housing assistance payment for a portable family in the receiving PHA's program is determined in the same manner as for other families in the receiving PHA's program.

The receiving PHA may bill the initial PHA for the lesser of 80 percent of the initial PHA's ongoing administrative fee or 100 percent of the receiving PHA's ongoing administrative fee for each program unit under contract on the first day of the month for which the receiving PHA is billing the initial PHA under portability. If the administrative fees are prorated for the HCV program, the proration will apply to the amount of the administrative fee for which the receiving PHA may bill (i.e., the receiving PHA may bill for the lesser of 80 percent of the initial PHA's prorated ongoing administrative fee or 100 percent of the receiving PHA's ongoing administrative fee).

If both PHAs agree, the PHAs may negotiate a different amount of reimbursement.

PHA Policy

Unless the PHA negotiates a different amount of reimbursement with the initial PHA, the PHA will bill the initial PHA the maximum amount of administrative fees allowed, ensuring any administrative fee proration has been properly applied.

Initial Billing Deadline

If a portable family's search for a unit is successful and the receiving PHA intends to administer the family's voucher, the receiving PHA must submit its initial billing notice (Part II of form HUD-52665) in time that the notice will be **received** no later than 90 days following the expiration date of the family's voucher issued by the initial PHA [Notice PIH 2016-09]. This deadline may be extended for 30 additional days if the delay is due to suspension of the voucher's term (see Initial Billing Section). A copy of the family's form HUD-50058, Family Report, completed by the receiving PHA must be attached to the initial billing notice. The receiving PHA may send these documents by mail, fax, or email.

PHA Policy

The PHA will send its initial billing notice by fax or email, if necessary, to meet the billing deadline but will also send the notice by regular mail.

If the receiving PHA fails to send the initial billing by the deadline, it is required to absorb the family into its own program unless (a) the initial PHA is willing to accept the late submission or (b) HUD requires the initial PHA to honor the late submission (e.g., because the receiving PHA is overleased) [Notice PIH 2016-09].

Ongoing Notification Responsibilities [Notice PIH 2016-09, HUD-52665]

Annual Reexamination. The receiving PHA must send the initial PHA a copy of a portable family's updated form HUD-50058 after each annual reexamination for the duration of time the receiving PHA is billing the initial PHA on behalf of the family, regardless of whether there is a change in the billing amount.

PHA Policy

The PHA will send a copy of the updated HUD-50058 by regular mail no later than 10 business days after the effective date of the reexamination.

Change in Billing Amount. The receiving PHA is required to notify the initial PHA, using form HUD-52665, of any change in the billing amount for the family as a result of:

- A change in the HAP amount (because of a reexamination, a change in the applicable payment standard, a move to another unit, etc.)
- An abatement or subsequent resumption of the HAP payments
- Termination of the HAP contract
- Payment of a damage/vacancy loss claim for the family
- Termination of the family from the program

The timing of the notice of the change in the billing amount should correspond with the notification to the owner and the family in order to provide the initial PHA with advance notice of the change. Under no circumstances should the notification be later than 10 business days following the effective date of the change in the billing amount. If the receiving PHA fails to send Form HUD-52665 within 10 days of effective date of billing changes, the initial PHA is not responsible for any increase prior to notification. If the change resulted in a decrease in the monthly billing amount, the initial PHA will offset future monthly payments until the difference is reconciled.

Late Payments [Notice PIH 2016-09]

If the initial PHA fails to make a monthly payment for a portable family by the fifth business day of the month, the receiving PHA must promptly notify the initial PHA in writing of the deficiency. The notice must identify the family, the amount of the billing payment, the date the billing payment was due, and the date the billing payment was received (if it arrived late). The receiving PHA must send a copy of the notification to the Office of Public Housing (OPH) in the HUD area office with jurisdiction over the receiving PHA. If the initial PHA fails to correct the problem by the second month following the notification, the receiving PHA may request by memorandum to the director of the OPH with jurisdiction over the receiving PHA that HUD transfer the unit in question. A copy of the initial notification and any subsequent correspondence between the PHAs on the matter must be attached. The receiving PHA must send a copy of the memorandum to the initial PHA. If the OPH decides to grant the transfer, the billing arrangement on behalf of the family ceases with the transfer, but the initial PHA is still responsible for any outstanding payments due to the receiving PHA.

Overpayments [Notice PIH 2016-09]

In all cases where the receiving PHA has received billing payments for billing arrangements no longer in effect, the receiving PHA is responsible for returning the full amount of the overpayment (including the portion provided for administrative fees) to the initial PHA.

In the event that HUD determines billing payments have continued for at least three months because the receiving PHA failed to notify the initial PHA that the billing arrangement was terminated, the receiving PHA must take the following steps:

- Return the full amount of the overpayment, including the portion provided for administrative fees, to the initial PHA.
- Once full payment has been returned, notify the Office of Public Housing in the HUD area office with jurisdiction over the receiving PHA of the date and the amount of reimbursement to the initial PHA.

At HUD's discretion, the receiving PHA will be subject to the sanctions spelled out in Notice PIH 2016-09.

Denial or Termination of Assistance

At any time, the receiving PHA may make a determination to deny or terminate assistance to a portable family for family action or inaction [24 CFR 982.355(c)(17)].

In the case of a termination, the PHA should provide adequate notice of the effective date to the initial PHA to avoid having to return a payment. In no event should the receiving PHA fail to notify the initial PHA later than 10 business days following the effective date of the termination of the billing arrangement [HUD-52665; Notice PIH 2016-09].

PHA Policy

If the PHA elects to deny or terminate assistance for a portable family, the PHA will notify the initial PHA within 10 business days after the informal review or hearing if the denial or termination is upheld. The PHA will base its denial or termination decision on the policies set forth in Chapter 3 or Chapter 12, respectively. The informal review or hearing will be held in accordance with the policies in Chapter 16. The receiving PHA will furnish the initial PHA with a copy of the review or hearing decision.

Absorbing a Portable Family

The receiving PHA may absorb an incoming portable family into its own program when the PHA executes a HAP contract on behalf of the family or at any time thereafter providing that the PHA has funding available under its annual contributions contract (ACC) [24 CFR 982.355(d)(1), Notice PIH 2016-09].

If the receiving PHA absorbs a family from the point of admission, the admission will be counted against the income targeting obligation of the receiving PHA [24 CFR 982.201(b)(2)(vii)].

If the receiving PHA absorbs a family after providing assistance for the family under a billing arrangement with the initial PHA, the receiving PHA must send an updated form HUD-52665 to the initial PHA no later than 10 business days following the effective date of the termination of the billing arrangement [Notice PIH 2016-09].

PHA Policy

If the PHA decides to absorb a portable family upon the execution of a HAP contract on behalf of the family, the PHA will notify the initial PHA by the initial billing deadline specified on form HUD-52665. The effective date of the HAP contract will be the effective date of the absorption.

If the PHA decides to absorb a family after that, it will provide the initial PHA with 30 days' advance notice, but no later than 10 business days following the effective date of the termination of the billing arrangement.

Following the absorption of an incoming portable family, the family is assisted with funds available under the consolidated ACC for the receiving PHA's voucher program [24 CFR 982.355(d)], and the receiving PHA becomes the initial PHA in any subsequent moves by the family under portability [24 CFR 982.355(e)(4)].

Chapter 11

REEXAMINATIONS

INTRODUCTION

The PHA is required to reexamine each family's income and composition at least annually, and to adjust the family's level of assistance accordingly. Interim reexaminations are also needed in certain situations. This chapter discusses both annual and interim reexaminations, and the recalculation of family share and subsidy that occurs as a result. HUD regulations and PHA policies concerning reexaminations are presented in three parts:

Part I: Annual Reexaminations. This part discusses the process for conducting annual reexaminations.

Part II: Interim Reexaminations. This part details the requirements for families to report changes in family income and composition between annual reexaminations.

Part III: Recalculating Family Share and Subsidy Amount. This part discusses the recalculation of family share and subsidy amounts based on the results of annual and interim reexaminations.

Part IV: Non-Interim Reexamination Transaction. This part describes transactions that do not entail changes to the family's adjusted income.

Policies governing reasonable accommodation, family privacy, required family cooperation, and program abuse, as described elsewhere in this plan, apply to both annual and interim reexaminations.

PART I: ANNUAL REEXAMINATIONS [24 CFR 982.516]

11-I.A. OVERVIEW

The PHA must conduct a reexamination of family income and composition at least annually. This includes gathering and verifying current information about family composition, income, and expenses. Based on this updated information, the family's income and rent must be recalculated. This part discusses the schedule for annual reexaminations, the information to be collected and verified, and annual reexamination effective dates.

Unlike when performing an interim reexamination or at intake, at annual reexamination, the PHA must determine the income of the family for the previous 12-month period, except where the PHA uses a streamlined income determination. Income from assets, however, is always anticipated, irrespective of the income examination type [Notice PIH 2023-27]. PHAs also have the option of using a "safe harbor" income verification from another federal means-tested program to verify gross annual income. Chapter 7 contains the PHA's policies related to streamlined income determinations and the use of safe harbor income verifications.

11-I.B. SCHEDULING ANNUAL REEXAMINATIONS

The PHA must establish a policy to ensure that the annual reexamination for each family is completed *within* a 12-month period and may require reexaminations more frequently [HCV GB p. 12-1].

PHA Policy

The PHA will begin the annual reexamination process 120 days in advance of its scheduled effective date. Generally, the PHA will schedule annual reexamination effective dates to coincide with the family's anniversary date.

Anniversary date is defined as 12 months from the effective date of the family's last annual reexamination or, during a family's first year in the program, from the effective date of the family's initial examination (admission).

If the family moves to a new unit, the PHA will perform a new annual reexamination.

The PHA also may schedule an annual reexamination for completion prior to the anniversary date for administrative purposes.

Notification of and Participation in the Annual Reexamination Process

The PHA is required to obtain the information needed to conduct annual reexaminations. How that information will be collected is left to the discretion of the PHA. However, PHAs should give tenants who were not provided the opportunity the option to complete Form HUD-92006 at this time [Notice PIH 2009-36].

PHA Policy

Annual reexaminations will be conducted by mail. Notification of the annual reexamination will be sent by first-class mail and will inform the family of the information and documentation that must be provided to the PHA, and the deadline for providing it. Documents will be accepted by mail, by email, by fax, or in-person. The PHA will, however, conduct reexams in person if requested as a reasonable accommodation or by LEP persons. Reasonable accommodation requests will be handled in accordance with policies in Chapter 2. Further, an in-person interview will be scheduled if the family requests assistance in providing information or documentation requested by the PHA or if the required paperwork is not returned timely, or if it is returned timely but is not complete.

If the reexamination notice is returned by the post office with no forwarding address, a notice of termination (see Chapter 12) will be sent to the family's address of record, as well as to any alternative address provided in the family's file.

11-I.C. CONDUCTING ANNUAL REEXAMINATIONS

As part of the annual reexamination process, families are required to provide updated information to the PHA regarding the family's income, expenses, and composition [24 CFR 982.551(b)].

PHA Policy

Families will be asked to supply all required information (as described in the reexamination notice) before the deadline specified in the notice. The required information will include a PHA-designated reexamination form as well as supporting documents or forms related to the family's income, expenses, and family composition.

The PHA will notify the family in writing if any required documentation or information is missing. The missing information or documentation must be provided within 10 business days of the date the PHA notifies the family. If the family is unable to obtain the information or materials within the required time frame, the family may request an extension.

If the family does not provide the required documents or information within the required time period (plus any extensions), the family will be sent a notice of termination (see Chapter 12).

If the family requests or the PHA schedules an in-person interview, families will be asked to bring all required information (as described in the reexamination notice) to the reexamination appointment.

Any required documents or information that the family is unable to provide at the time of the interview must be provided within 10 business days of the interview. If the family is unable to obtain the information or materials within the required time frame, the family may request an extension.

If the family does not provide the required documents or information within the required time period (plus any extensions), the family will be sent a notice of termination (see Chapter 12).

Additionally, HUD recommends that at annual reexaminations PHAs ask whether the tenant, or any member of the tenant's household, is subject to a lifetime sex offender registration requirement in any state [Notice PIH 2012-28].

PHA Policy

At admission and whenever an adult is added to the household, the PHA will ask whether the tenant, or any member of the tenant's household, is subject to a lifetime sex offender registration requirement in any state.

If the PHA proposes to terminate assistance based on lifetime sex offender registration information, the PHA must notify the household of the proposed action and must provide the subject of the record and the tenant a copy of the record and an opportunity to dispute the accuracy and relevance of the information prior to termination. [24 CFR 5.903(f) and 5.905(d)]. (See Chapter 12.)

The information provided by the family generally must be verified in accordance with the policies in Chapter 7. Unless the family reports a change, or the PHA has reason to believe a change has occurred in information previously reported by the family, certain types of information that are verified at admission typically do not need to be re-verified on an annual basis. These include:

- Legal identity
- Age
- Social security numbers
- A person's disability status
- Citizenship or immigration status

If adding a new family member to the unit causes overcrowding according to space standards (see Chapter 8), the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, the PHA must terminate the HAP contract in accordance with its terms [24 CFR 982.403].

11-I.D. DETERMINING ONGOING ELIGIBILITY OF CERTAIN STUDENTS [24 CFR 982.552(b)(5)]

Section 327 of Public Law 109-115 established restrictions on the ongoing eligibility of certain students (both part- and full-time) who are enrolled in institutions of higher education.

If a student enrolled in an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the student's eligibility must be reexamined along with the income eligibility of the student's parents on an annual basis. In these cases, both the student and the student's parents must be income eligible for the student to continue to receive HCV assistance. If, however, a student in these circumstances is determined independent from their parents or is considered a *vulnerable youth* in accordance with PHA policy, the income of the student's parents will not be considered in determining the student's ongoing eligibility.

Students who reside with parents in an HCV assisted unit are not subject to this provision. It is limited to students who are receiving assistance on their own, separately from their parents.

PHA Policy

During the annual reexamination process, the PHA will determine the ongoing eligibility of each student who is subject to the eligibility restrictions in 24 CFR 5.612 by reviewing the student's individual income as well as the income of the student's parents. If the student has been determined "independent" from their parents or is considered a *vulnerable youth* based on the policies in Sections 3-II.E and 7-II.E, the parents' income will not be reviewed.

If the student is no longer income eligible based on their own income or the income of their parents, the student's assistance will be terminated in accordance with the policies in Section 12-I.D.

If the student continues to be income eligible based on their own income and the income of their parents (if applicable), the PHA will process a reexamination in accordance with the policies in this chapter.

11-I.E. CALCULATING ANNUAL INCOME AT ANNUAL REEXAMINATION [24 CFR 5.609(c)(2) and Notice PIH 2023-27]

The PHA must determine the income of the family for the previous 12-month period and use this amount as the family income for annual reexaminations, except where the PHA uses a streamlined income determination as indicated in Chapter 7 of this policy. The PHA may also use Safe Harbor income determinations dated within the last 12 months from a means-tested federal public assistance program at annual reexamination as outlined in Chapter 7 of this policy.

Except when using streamlined or Safe Harbor income determinations, in determining the income of the family for the previous 12-month period, any change of income since the family's last annual reexamination, including those that did not meet the threshold to process an interim reexamination in accordance with PHA policies and 24 CFR 5.657(c) or 960.257(b) must be considered.

Income from assets is always anticipated, irrespective of the income examination type.

A change in income may be a loss of income or the addition of a new source of income. Changing to a different employer in the prior year does not necessarily constitute a change if the income earned from either employer is substantially the same. The PHA should look at the entirety of the family's unearned income and earned income from the prior year in which earned income may have been one constant job or many different jobs that start and stop.

Cost of Living Adjustments (COLA) to Social Security income and Social Security disability income are always considered changes to income because the COLA is an adjustment that automatically occurs annually by law. See Chapter 6 for PHA policies on when the COLA is applied and Chapter 7 on streamlined determination of income for inflationary adjustments.

Notice PIH 2023-27 lists the following steps to calculate both earned and unearned income at annual reexamination.

Step 1: The PHA determines annual income for the previous 12-month period by reviewing the following information:

- The EIV Income Report pulled within 120 days of the effective date of the annual reexamination;
- The income reported on the most recent HUD-50058; and
- The amount of prior-year income reported by the family on the PHA's annual reexamination paperwork.

Step 2: The PHA takes into consideration any interim reexamination of family income completed since the last annual reexamination.

- If there was an interim reexamination performed, the PHA must use the annual income from the interim to determine the family's total annual income, provided there are no additional changes.
- If the PHA did not perform an interim or there have been changes since the last reexamination, the PHA moves to Step 3.

Step 3: If there were changes in annual income not processed by the PHA since the last reexamination, the PHA must use current income. The family will be required to report their income for the prior year and whether there have been permanent changes.

If there are no reported changes to an income source, the PHA may use documentation of prior-year income to calculate the annual income. For example, the PHA may use the following documentation:

- EIV + self-certification (wages, Supplemental Security Income (SSI), Social Security, and unemployment)
- Current written third-party verification from the source verifying prior-year income that is dated within 120 days of receipt by the PHA, for example:
 - Year-end statements
 - Paycheck with year-to-date amounts
 - Tax forms (Form 1040, W2, 1099, etc.)

If there are reported changes by the family or the PHA notes discrepancies between EIV and what the family reports, the PHA must follow the verification hierarchy (described in Chapter 7) to document and verify income. Exhibit 11-1 provides detailed examples of how the PHA calculates income from different sources at annual reexamination using the above method.

PHA Policy

When income is calculated using a streamlined income determination or Safe Harbor determination from a means-tested federal public assistance program in accordance with PHA policies in Chapter 7, the above is not applicable. However, where the family disagrees with the PHA or other agency's determination of income or the PHA has other reason to use third-party verification in these circumstances, then the above will apply.

11-I.F. EFFECTIVE DATES

The PHA must establish policies concerning the effective date of changes that result from an annual reexamination [24 CFR 982.516].

PHA Policy

In general, an *increase* in the family share of the rent that results from an annual reexamination will take effect on the family's anniversary date, and the family will be notified at least 30 days in advance.

If less than 30 days remain before the scheduled effective date, the increase will take effect on the first of the month following the end of the 30-day notice period.

If a family moves to a new unit, the increase will take effect on the effective date of the new lease and HAP contract, and no 30-day notice is required.

If the PHA chooses to schedule an annual reexamination for completion prior to the family's anniversary date for administrative purposes, the effective date will be determined by the PHA, but will always allow for the 30-day notice period.

If the family causes a delay in processing the annual reexamination, *increases* in the family share of the rent will be applied retroactively, to the scheduled effective date of the annual reexamination. The family will be responsible for any overpaid subsidy and may be offered a repayment agreement in accordance with the policies in Chapter 16.

In general, a *decrease* in the family share of the rent that results from an annual reexamination will take effect on the family's anniversary date.

If a family moves to a new unit, the decrease will take effect on the effective date of the new lease and HAP contract.

If the PHA chooses to schedule an annual reexamination for completion prior to the family's anniversary date for administrative purposes, the effective date will be determined by the PHA.

If the family causes a delay in processing the annual reexamination, *decreases* in the family share of the rent will be applied prospectively, from the first day of the month following completion of the reexamination processing.

Delays in reexamination processing are considered to be caused by the family if the family fails to provide information requested by the PHA by the date specified, and this delay prevents the PHA from completing the reexamination as scheduled.

PART II: INTERIM REEXAMINATIONS [24 CFR 982.516; Notice PIH 2023-27]

11-II.A. OVERVIEW

Family circumstances may change between annual reexaminations. HUD and PHA policies dictate what kinds of information about changes in family circumstances must be reported, and under what circumstances the PHA must process interim reexaminations to reflect those changes.

A family may request an interim determination of family income or composition because of any changes since the last determination. The PHA must conduct any interim reexamination within a reasonable period of time after the family request or when the PHA becomes aware of a change in the family's adjusted income that must be processed in accordance with HUD regulations. What qualifies as a "reasonable time" may vary based on the amount of time it takes to verify information, but the PHA generally should conduct the interim reexamination not longer than 30 days after the PHA becomes aware of changes in income.

Notice PIH 2023-27 changes the conditions under which interim reexaminations must be conducted, codifies when interim reexaminations should be processed and made effective, and requires related changes for annual reexaminations and streamlined income determinations. When the PHA determines that an interim reexamination of income is necessary, they must ask the family to report changes in all aspects of adjusted income.

11-II.B. CHANGES IN FAMILY AND HOUSEHOLD COMPOSITION

Reporting

PHAs must require families to report household composition changes; however, PHAs determine the timeframe in which reporting happens [Notice PIH 2023-27]. The PHA must adopt policies prescribing when and under what conditions the family must report changes in income and family composition [24 CFR 960.257(b)(5)].

PHA Policy

All families must report all changes in family and household composition that occur between annual reexaminations within 10 business days of the change.

New Family Members Not Requiring PHA Approval

The addition of a family member as a result of birth, adoption, or court-awarded custody does not require PHA approval. However, the family is required to promptly notify the PHA of the addition [24 CFR 982.551(h)(2)].

New Family and Household Members Requiring Approval

With the exception of children who join the family as a result of birth, adoption, or court-awarded custody, a family must request PHA approval to add a new family member [24 CFR 982.551(h)(2)] or other household member (live-in aide or foster child) [24 CFR 982.551(h)(4)].

Although the PHA must verify aspects of program eligibility when any new family member is added, the Streamlining Final Rule removed the requirement that PHAs conduct a reexamination of income whenever a new family member is added. The PHA may state in policy that an income reexamination will be conducted.

If a change in family size causes a violation of space standards (see Chapter 8), the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, the PHA must terminate the family's HAP contract in accordance with its terms [24 CFR 982.403].

PHA Policy

Families must request PHA approval to add a new family member, live-in aide, foster child, or foster adult. This includes any person not on the lease who is expected to stay in the unit for more than 30 consecutive days or 90 cumulative days within a 12-month period and therefore no longer qualifies as a "guest." Requests must be made in writing and approved by the PHA prior to the individual moving into the unit.

The PHA will not approve the addition of a new family or household member unless the individual meets the PHA's eligibility criteria (see Chapter 3) and documentation requirements (see Chapter 7, Part II).

The PHA will not approve the addition of a foster child or foster adult if it will cause a violation of space standards.

If the PHA determines an individual meets the PHA's eligibility criteria and documentation requirements, the PHA will provide written approval to the family. If the approval of a new family member or live-in aide will cause overcrowding according to space standards, the approval letter will explain that the family will be issued a voucher and will be required to move.

If the PHA determines that an individual does not meet the PHA's eligibility criteria or documentation requirements, the PHA will notify the family in writing of its decision to deny approval of the new family or household member and the reasons for the denial.

The PHA will make its determination within 10 business days of receiving all information required to verify the individual's eligibility.

Departure of a Family or Household Member

Families must promptly notify the PHA if any household member no longer lives in the unit [24 CFR 982.551(h)(3)]. Because household members are considered when determining the family unit (voucher) size [24 CFR 982.402], the PHA also needs to know when any live-in aide, foster child, or foster adult ceases to reside in the unit. The PHA must process an interim for all decreases in adjusted income when a family member permanently moves out of the unit.

PHA Policy

If a household member ceases to reside in the unit, the family must inform the PHA within 30 calendar days. This requirement also applies to a family member who has been considered temporarily absent at the point that the family concludes the individual is permanently absent.

11-II.C. CHANGES AFFECTING INCOME OR EXPENSES

Overview

Interim reexaminations for changes in income or expenses may be scheduled either because the PHA has reason to believe that changes in income or expenses may have occurred, or because the family reports a change.

The PHA must estimate the income of the family for the upcoming 12-month period to determine family income for an interim reexamination [24 CFR 5.609(c)(1)]. Policies for projecting income are found in Chapter 6.

Interim Decreases [24 CFR 982.516(c)(2) and Notice PIH 2023-27]

A family may request an interim determination of family income for any change since the last determination. However, the PHA may decline to conduct an interim reexamination if the PHA estimates the family's adjusted income will decrease by an amount that is less than 10 percent of the family's adjusted income. The PHA may set a lower threshold in PHA policy such as performing an interim for any decreases in adjusted income, although HUD prohibits the PHA from setting a dollar-figure threshold.

However, while the PHA has some discretion, HUD requires that the PHA perform an interim reexamination for a decrease in adjusted income of any amount in two circumstances:

- When there is a decrease in family size attributed to the death of a family member; or
- When a family member permanently moves out of the assisted unit during the period since the family's last reexamination.

In the above circumstances, the PHA must perform an interim reexamination for any decrease in adjusted income.

If the net effect of the changes in adjusted income due to a decrease in family size results in no change or an increase in annual adjusted income, then PHA must process the removal of the household member(s) as a non-interim reexamination transaction without making changes to the family's annual adjusted income.

PHA Policy

The PHA will conduct an interim reexamination any time the family's adjusted income has decreased by any amount.

Interim Increases [24 CFR 982.516(c)(3) and Notice PIH 2023-27]

Increases Less than 10 Percent

PHAs must not process interim reexaminations for income increases that result in less than a 10 percent increase in annual adjusted income.

Increases 10 Percent or Greater

PHAs must conduct an interim reexamination of family income when the PHA becomes aware that the family's adjusted income has changed by an amount that the PHA estimates will result in an increase of 10 percent or more in adjusted income, with the following exceptions:

- PHAs may not consider any increases in earned income when estimating or calculating whether the family's adjusted income has increased, unless the family has previously received an interim reduction during the same reexamination cycle; and
- PHAs may choose not to conduct an interim reexamination during the last three months of a certification period if a family reports an increase in income within three months of the next annual reexamination effective date.

When the family previously received an interim reexamination for a decrease to adjusted income during the same annual reexamination cycle, a PHA has the discretion whether to consider a subsequent increase in earned income.

PHA Policy

When a family reports an increase in their earned income between annual reexaminations, the PHA will not conduct an interim reexamination, regardless of the amount of the increase, and regardless of whether there was a previous decrease since the family's last annual reexamination.

The PHA will process an interim reexamination for any increases in unearned income of 10 percent or more in adjusted income.

The PHA will not perform an interim reexamination when a family reports an increase in income (whether earned or unearned income) within three months of their annual reexamination effective date. However, families who delay reporting income increases until the last three months of their certification period may be subject to retroactive rent increases in accordance with the PHA policies in Chapter 14.

Concurrent Increases in Earned and Unearned Income [Notice PIH 2023-27]

When the family reports an increase in both earned and unearned income at the same time, the PHA must look at the earned and unearned income changes independently of each other to determine if an interim reexamination is performed. The PHA will only conduct an interim reexamination when the increase independently meets the 10 percent threshold and all other requirements for performing interim reexaminations. For example, if a family reported increases in both earned and unearned income that overall resulted in a 12 percent increase in their adjusted income, but the change in earned income represented a 7 percent increase and the change in unearned income represented a 5 percent increase, the PHA may not perform an interim for either change since neither change meets the 10 percent threshold amount independently. If the change in unearned income met the 10 percent threshold in this case, the PHA would be required to perform an interim. If the change in earned income met the 10 percent threshold in this case, the PHA would refer to PHA policy to determine whether an interim was required.

Cumulative Increases [Notice PIH 2023-27]

A series of smaller reported increases in adjusted income may cumulatively meet or exceed the 10-percent increase threshold, at which point the PHA must conduct an interim reexamination in accordance with PHA policy.

Family Reporting

The PHA must adopt policies consistent with HUD regulations prescribing when and under what conditions the family must report a change in family income or composition [24 CFR 982.516(d)].

PHA policy may require families to report only changes that the family estimates meet the threshold for an interim reexamination or the PHA may establish policies requiring that families report all changes in income and household composition, and the PHA will subsequently determine if the change requires an interim reexamination [Notice PIH 2023-27].

When the PHA determines that an interim reexamination of income is necessary, they must ask the family to report changes in all aspects of adjusted income. For example, if the family is reporting a decrease in adjusted income that is more than 10 percent, but the family also had a change in assets that would result in a change in income, the change in assets must also be reviewed [Notice PIH 2023-27].

PHA Policy

The family will be required to report all changes in income regardless of the amount of the change, whether the change is to earned or unearned income, or if the change occurred during the last three months of the certification period. Families must report changes in income within 30 calendar days of the date the change takes effect. The family may notify the PHA of changes either orally or in writing. If the family provides oral notice, the PHA may also require the family to submit the changes in writing.

Within 30 calendar days of the family reporting the change, the PHA will determine whether the change will require an interim reexamination.

If the change will not result in an interim reexamination, the PHA will note the information in the tenant file but will not conduct an interim reexamination. The PHA will send the family written notification within 10 business days of making this determination informing the family that the PHA will not conduct an interim reexamination.

If the change will result in an interim reexamination, the PHA will determine the documentation the family will be required to submit based on the type of change reported and PHA policies in Chapter 7. The PHA will ask the family to report changes in all aspects of adjusted income at this time. The family must submit any required information or documents within 10 business days of receiving a request from the PHA. This time frame may be extended for good cause with PHA approval. The PHA will accept required documentation by mail, email, fax, or in person. The PHA will conduct the interim within a reasonable time period based on the amount of time it takes to verify the information.

Generally, the family will not be required to attend an interview for an interim reexamination. However, if the PHA determines that an interview is warranted, the family may be required to attend.

11-II.D. EFFECTIVE DATES [24 CFR 982.516(e) and Notice 2023-27]

Changes Reported Timely [Notice PIH 2023-27]

If the family reports a change in family income or composition timely in accordance with PHA policies:

- For rent increases, the PHA must provide the family with 30 days advance written notice. The rent increase is effective the first of the month after the end of that 30-day notice period.
- Rent decreases are effective on the first of the month after the date of the actual change leading to the interim reexamination of family income. This means the decrease will be applied retroactively.

Changes Not Reported Timely [Notice PIH 2023-27]

If the family failed to report a change in family income or composition timely in accordance with PHA policies:

- For rent increases, the PHA must implement any resulting rent increases retroactively to the first of the month following the date of the change leading to the interim reexamination of family income.
- For rent decreases, the PHA must implement the change no later than the first rent period following completion of the interim reexamination.

However, the PHA may choose to adopt a policy that would make the effective date of the rent decrease retroactive to the first of the month following completion of the reexamination. PHAs may choose to establish conditions or requirements for when such a retroactive application would apply. PHAs that choose to adopt such policies must ensure the earliest date that the retroactive decrease is applied is the later of:

- The first of the month following the date of the change that led to the interim reexamination; or
- The first of the month following the most recent previous income examination.

In applying a retroactive change in rent as the result of an interim reexamination, the PHA must clearly communicate the effect of the retroactive adjustment to the family so that there is no confusion over the amount of the rent that is the family's responsibility.

PHA Policy

In general, when the family fails to report a change in income or family composition timely, and the change would lead to a rent decrease, the PHA will apply the decrease the first of the month following completion of the interim reexamination.

However, the PHA will apply the results of the interim reexamination retroactively where a family's ability to report a change in income promptly may have been hampered due to extenuating circumstances such as a natural disaster or disruptions to PHA management operations. The PHA will decide to apply decreases retroactively on a case-by-case basis. In such cases, the earliest date that the retroactive decrease will be applied is the later of the first of the month following the date of the change that led to the interim reexamination, or the first of the month following the most recent previous income examination.

When the PHA applies the results of interim decreases retroactively, the PHA will clearly communicate the effect of the retroactive adjustment to the family and may enter into a repayment agreement in accordance with PHA policies.

The PHA will also clearly communicate the effect of the retroactive adjustment to the owner.

PART III: RECALCULATING FAMILY SHARE AND SUBSIDY AMOUNT

11-III.A. OVERVIEW

After gathering and verifying required information for an annual or interim reexamination, the PHA must recalculate the family share of the rent and the subsidy amount and notify the family and owner of the changes [24 CFR 982.516(d)(2), HCV 12-6 and 12-10]. While the basic policies that govern these calculations are provided in Chapter 6, this part lays out policies that affect these calculations during a reexamination.

11-III.B. CHANGES IN PAYMENT STANDARDS AND UTILITY ALLOWANCES

In order to calculate the family share of the rent and HAP amount correctly, changes in payment standards, subsidy standards, or utility allowances may need to be updated and included in the PHA's calculations.

Specific policies governing how subsidy standards, payment standards, and utility allowances are applied are discussed below.

Payment Standards [24 CFR 982.505]

The family share of the rent and HAP calculations must use the correct payment standard for the family, taking into consideration the family unit size, the size of unit, and the area in which the unit is located [HCV GB, p. 12-5]. See Chapter 6 for information on how to select the appropriate payment standard.

When the PHA changes its payment standards or the family's situation changes, new payment standards are applied at the following times:

- If the PHA's payment standard amount changes during the term of the HAP contract, the date on which the new standard is applied depends on whether the standard has increased or decreased:
 - If the payment standard amount has *increased*, the increased payment standard will be applied at the *first annual* reexamination following the effective date of the increase in the payment standard.
 - If the payment standard amount has *decreased*, during the term of a HAP contract, the PHA is not required to reduce the payment standard as the HAP contract remains in effect. At the family's *second annual* reexamination, the PHA may, but is not required to, apply the decreased payment standard or may gradually implement the reduced payment standard (See Chapter 6 for the PHA's policy on decreases in the payment standard).
- If the family moves to a new unit, or a new HAP contract is executed due to changes in the lease (even if the family remains in place) the current payment standard applicable to the family will be used when the new HAP contract is processed.

Subsidy Standards [24 CFR 982.505(c)(4)]

If there is a change in the family unit size that would apply to a family during the HAP contract term, either due to a change in family composition, or a change in the PHA's subsidy standards (see Chapter 5), the new family unit size must be used to determine the payment standard amount for the family at the family's *first annual* reexamination following the change in family unit size.

Utility Allowances [24 CFR 982.517(d)]

The family share of the rent and HAP calculations must reflect any changes in the family's utility arrangement with the owner, or in the PHA's utility allowance schedule [HCV GB, p. 12-5]. Chapter 16 discusses how utility allowance schedules are established.

When there are changes in the utility arrangement with the owner, the PHA must use the utility allowances in effect at the time the new lease and HAP contract are executed.

At reexamination, the PHA must use the PHA current utility allowance schedule [HCV GB, p. 18-8].

PHA Policy

Revised utility allowances will be applied to a family's rent and subsidy calculations at the first annual reexamination after the allowance is adopted.

11-III.C. NOTIFICATION OF NEW FAMILY SHARE AND HAP AMOUNT

The PHA must notify the owner and family of any changes in the amount of the HAP payment [HUD-52641, HAP Contract]. The notice must include the following information [HCV GB, p. 12-6]:

The amount and effective date of the new HAP payment

The amount and effective date of the new family share of the rent

The amount and effective date of the new tenant rent to owner

The family must be given an opportunity for an informal hearing regarding the PHA's determination of their annual or adjusted income, and the use of such income to compute the housing assistance payment [24 CFR 982.555(a)(1)(i)] (see Chapter 16).

PHA Policy

The notice to the family will include the annual and adjusted income amounts that were used to calculate the family share of the rent and the housing assistance payment.

The notice will state the family has the right to request an explanation of how the assistance was calculated and if the family disagrees, they have the right to informal hearing. The notice will include the procedures for requesting an informal hearing.

11-III.D. DISCREPANCIES

During an annual or interim reexamination, the PHA may discover that information previously reported by the family was in error, or that the family intentionally misrepresented information. In addition, the PHA may discover errors made by the PHA. When errors resulting in the overpayment or underpayment of subsidy are discovered, corrections will be made in accordance with the policies in Chapter 13.

PART IV: NON-INTERIM REEXAMINATION TRANSACTIONS [Notice PIH 2023-27]

Families may experience changes within the household that do not trigger an interim reexamination under PHA policy and HUD regulations but which HUD still requires the PHA to report to HUD via Form HUD-50058. These are known as *non-interim reexamination transactions*. In these cases, PHAs will submit a separate, new action code on Form HUD-50058. The following is a list of non-interim reexamination transactions:

- Adding or removing a hardship exemption for the child care expense deduction;
- Updating or removing the phased-in hardship relief for the health and medical care expense deduction and/or reasonable attendant care and auxiliary apparatus expense deduction (families will begin receiving a 24-month phased-in relief at their next annual or interim reexamination, whichever occurs first);
- Adding or removing general hardship relief for the health and medical care expense deduction and/or reasonable attendant care and auxiliary apparatus expense deduction;
- Adding or removing a minimum rent hardship;
- Adding or removing a non-family member (i.e., live-in aide, foster child, foster adult);
- Ending a family's EID or excluding 50 percent (decreased from 100 percent) of a family member's increase in employment income at the start of the second 12-month EID period.
- Adding a family member and the increase in adjusted income does not trigger an interim reexamination under the final rule;
- Removing a family member and the increase in adjusted income does not trigger an interim reexamination under the final rule;
- Adding/updating a family or household member's Social Security number; and
- Updating a family member's citizenship status from eligible to ineligible or vice versa, resulting in a change to the family's rent and/or utility reimbursement, if applicable (i.e., family begins receiving prorated assistance or previously prorated assistance becomes full assistance), or updating the prorated rent calculation due to the addition or removal of family members in household with an ineligible noncitizen(s).

PHAs must make all other changes to assets, income, and deductions at the next annual or interim reexamination of income, whichever is sooner.

EXHIBIT 11-1: CALCULATING INCOME AT ANNUAL REEXAMINATION

Example 1: Calculating Annual Income at Annual Reexamination Using EIV

Staff are processing the 3/1/2024 annual reexamination for Ruby Myers and her minor daughter, Georgia. No interim reexaminations have been processed, and Ruby has not reported any changes to annual income to the PHA since the 3/1/2023 annual reexamination. The SSA published 2024 COLA is 7 percent.

Last reexamination – 3/1/2023 Annual Reexamination

Ruby:

Wages: \$30,000

Georgia:

SSI: \$10,980 (\$915 monthly)

The EIV report pulled on 12/15/2023

Ruby:

Wages Total: \$33,651

Quarter 3 of 2023: \$8,859 (City Public School)

Quarter 2 of 2023: \$8,616 (City Public School)

Quarter 1 of 2023: \$8,823 (City Public School)

Quarter 4 of 2022: \$7,353 (City Public School)

Georgia:

SSI Total: \$10,980

2023 benefit \$915 monthly

<u>Income Reported on Reexamination Application</u>	
Ruby:	Georgia:
<u>Wages at City Public School: \$32,000</u> (switched jobs but no permanent change to amount)	<u>SSI benefits: \$10,980 (no changes)</u>
<u>Calculating Ruby's wages:</u> Step 1: Determine prior annual income from EIV (i.e., Q4 2022 through Q3 of 2023: \$33,651). Step 2: Take into consideration any interim reexamination of family income completed since the last annual reexamination (in this case, there have been no interim reexaminations processed since the last annual reexamination). Step 3: Ruby certifies that the \$33,651 of wages in EIV is accurate and reflects her current annual income, so the PHA will use \$33,651 for annual wages for the 3/1/2024 annual reexamination given there have been no additional changes to annual income.	<u>Calculating Georgia's SSI benefit:</u> Step 1: Determine the prior annual income from EIV (i.e., \$915 x 12 months: \$10,980). Step 2: Take into consideration any interim reexamination of family income completed since the last annual reexamination (in this case, there have been no interim reexaminations processed since the last annual reexamination). Step 3: Ruby certifies the SSI income in EIV is accurate and reflects Georgia's current annual income. The PHA must adjust the prior-year income (2023 SSI benefit) by the 7- percent COLA and will use this amount to calculate annual SSI income for the 3/1/2024 annual reexamination: COLA: \$64.05 (\$915 x 0.07) New gross SSI benefit: \$11,748.60 (\$979.05 x 12 months)
If Ruby did not agree with the annual wages reported in EIV, the PHA/MFH Owner would be required to verify her current income in accordance with HUD's verification hierarchy.	
<u>Summary of Annual Income (as reported on the HUD-50058)</u>	
Ruby (Head of Household): Other Wage: \$33,651 Myers Family Total Annual Income: \$45,399	Georgia (Other Youth Under 18): SSI: \$11,748

**Example 2: Calculating Annual Income at Annual Reexamination Using EIV:
Family Disagrees with EIV**

Staff are processing Paul Hewson's 5/1/2024 annual reexamination. Since the last annual reexamination, Paul reported a decrease in annual income that exceeded 10 percent. Last year, Paul reported a decrease in earned income because he transferred from a full-time job at Sasha's Sweets to a part-time job at Viking Bakery. Following HUD's EIV verification hierarchy, staff confirmed Paul was no longer employed at Sasha's Sweets and decreased his anticipated annual income from \$28,000 to \$7,500 resulting from his new part-time employment at Viking Bakery; an interim reexamination was processed effective 7/1/2023. After the 7/1/2023 interim, Paul worked briefly at two different jobs, but he says he is no longer working and is not planning to work.

5/1/2023 Annual Reexamination

Wages: \$28,000

The EIV report pulled on 1/15/2024

Wages Total: \$18,271

Quarter 3 of 2023: \$2,500 (Viking Bakery)

Quarter 3 of 2023: \$796 (Sweet Tooth Candy Bar)

Quarter 2 of 2023: \$1,300 (Sasha's Sweets)

Quarter 2 of 2023: \$584 (Larry's Concessions)

Quarter 2 of 2023: \$2,401 (Viking Bakery)

Quarter 1 of 2023: \$6,500 (Sasha's Sweets)

Quarter 4 of 2022: \$600 (Sasha's Sweets)

SS/SSI: No history of benefits

<p style="text-align: center;"><u>Income Reported on Reexamination Application</u></p>
<p><u>Wages: \$0 (permanent change; no longer receiving)</u></p>
<p><u>Social Security: \$14,400 (\$1,200 monthly)</u></p>
<p>Paul certified on the PHA's annual reexamination paperwork that he does not agree with the annual wages of \$18,271 reported in EIV and it is not reflective of his current anticipated annual income. He reported he is currently unemployed, and provided a copy of an award letter from the Social Security Administration to document that he will begin receiving a monthly disability benefit of \$1,200 effective 3/1/2024.</p>
<p style="text-align: center;"><u>Calculating Wages and SS Benefit</u></p>
<p>Step 1: Determine prior annual income taking into consideration the 7/1/2023 interim reexamination (i.e., EIV wages reflected Q4 2022 through Q3 2023: \$18,271)</p> <p>Step 2: Take into consideration any interim reexamination of family income completed since the last annual reexamination. In this case, there was a 7/1/2023 interim that reduced wages to \$7,500.</p> <p>Step 3: Obtain documentation to verify current income and confirm Paul is no longer employed at Viking Bakery or The Sweet Tooth Candy Bar (the employers reported in the most recent quarter of EIV). This step is necessary, because Paul did not agree with the EIV income report or income reported on the last interim reexamination. Paul reported that he is no longer working at all.</p> <p>Process the annual reexamination effective 5/1/2024 using annual SS income of \$14,400 and \$0 wages.</p>
<p style="text-align: center;"><u>Summary of Annual Income (as reported on the HUD-50058)</u></p>
<p>Paul (Head of Household): \$14,400 (SS)</p> <p>Hewson Family Total Annual Income: \$14,400</p>

Example 3: Calculating Annual Income at Annual Reexamination

Staff are processing the 11/1/2024 annual reexamination for Samantha and Fergus Pool, head of household and spouse. On 2/14/2024 Samantha reported her monthly child support payment was reduced from \$200 to \$100 per month, but an interim reexamination was not processed because the reduction in child support income for Samantha's daughter, Hailey, did not result in a decrease of 10 percent or more in annual adjusted income, and the PHA did not establish a lower threshold. Samantha did not report any additional changes to the PHA.

Last reexamination – 11/1/2023 Annual Reexamination

Samantha:

Business income: \$28,000

VA disability pension: \$12,000

Child support: \$2,400

Fergus:

Wages: \$8,250

Other non-wage income: \$3,000 (Go Fund Me online fundraiser)

The EIV report pulled on 9/16/2024

Samantha:

Wages Total: \$0 (no wage data reported since Q1 2023)

Fergus:

Wages Total: \$8,600

Quarter 1 of 2024: \$2,100 (Ian's Fish 'n' Chips)

Quarter 1 of 2024: \$500 (Claire's Healthcare Supplies)

Quarter 4 of 2023: \$1,000 (Claire's Healthcare Supplies)

Quarter 3 of 2023: \$1,800 (The Onion Garden Shop)

Quarter 2 of 2023: \$3,200 (Ivar's Fish Haus)

Current Family Circumstances: Income Reported on Reexamination Application

Samantha and Fergus reported how much income was earned/received in the previous 12-month period and noted permanent changes, where applicable, for each source of their income on PHA's annual reexamination form. However, no information was reported by the family concerning other non-wage income. Fergus reported only wages and his current employment at Ian's Fish 'n' Chips for the annual reexamination. The family supplied the supporting documentation noted below to the PHA for the 11/1/2024 annual reexamination.

Samantha:

Business income: \$28,750 (last year); has decreased to \$18,000 (permanent change)

VA disability benefit: \$12,000 (last year); has increased to \$12,300 (permanent change)

Child support: \$2,400 (last year); has decreased to \$1,200 (permanent change)

Fergus:

Wages: \$6,000

Calculating Samantha's Net Business Income

Step 1: Determine prior annual net business income (i.e., \$28,000 on last HUD-50058).

Step 2: Take into consideration any interim reexamination of family income completed since the last annual reexamination. In this case, there have been no interim reexaminations processed since the last annual reexamination.

Step 3: Adjust to reflect current net business income. Samantha reported on the annual reexamination application that business income permanently decreased to \$18,000. The PHA must obtain supporting documentation from Samantha that demonstrates current net business income. Samantha provided documentation that supported the current annual net business income is \$18,000. Process the annual reexamination effective 11/1/2024 using annual net business income determined in Step 3.

Calculating Samantha's VA Pension Income

Step 1: Determine prior annual VA pension income (i.e., \$12,000 supported by a VA award letter Samantha supplied that documents the prior year monthly VA pension was \$1,000).

Step 2: Take into consideration any interim reexamination of family income completed since the last annual reexamination. In this case, there have been no interim reexaminations processed since the last annual reexamination.

Step 3: The PHA needs to adjust to reflect current VA pension income. Samantha supplies a VA award letter showing a monthly pension of \$1,025, or \$12,300 annually. Process the annual reexamination effective 11/1/2024 using annual VA pension income determined in Step 3 (\$12,300 in this example).

Calculating Samantha's Child Support Income

Step 1: Determine prior annual child support income (i.e., \$2,400 on the last HUD–50058).

Step 2: Take into consideration any interim reexamination of family income completed since the last annual reexamination. In this case, there have been no interim reexaminations processed since the last annual reexamination. The family reported a decrease from \$200 to \$100 monthly, but the change was not processed because it did not meet the threshold.

Step 3: The family reported changes, so the PHA must adjust to reflect current child support income. In this example, the family submitted a child support history report from the local child support office that documents regular \$100 monthly child supports payments beginning 3/1/2024 through the current month. Process the annual reexamination effective 11/1/2024 using current annual child support income determined in Step 3 (\$1,200 in this example).

Calculating Fergus' Wages

Step 1: Determine prior annual income from wages in EIV (i.e., Q2 2023 through Q1 of 2024: \$8,600).

Step 2: Take into consideration any interim reexamination of family income completed since the last annual reexamination. In this case, there have been no interim reexaminations processed since the last annual reexamination.

Step 3: There is a discrepancy between what the family reported and EIV, so the PHA must verify and adjust to reflect current annual income from wages. Fergus reported \$6,000 in annual income from wages on the annual reexamination from a single employer, Ian's Fish 'n' Chips. The PHA projected annual income of \$7,800 based on the two paystubs for this employer, and EIV shows \$8,600 earned in the most recent four quarters in EIV. To complete Step 3, the PHA must do the following:

- Resolve the discrepancy between EIV wages, the \$6,000 annual income Fergus reported, and the \$7,800 projected based on the paystubs he provided, and
- Verify he is no longer employed at Claire's Healthcare Supplies in accordance with HUD's verification hierarchy and local policies.

The PHA determined that Fergus reported his net vs. gross annual income from wages, which he corrected on the annual reexamination form to reflect his current gross annual income of \$9,000. The PHA verified Fergus was no longer employed at Claire's Healthcare Supplies and obtained two additional paystubs. Based on four current and consecutive paystubs, Fergus is now projected to earn \$9,360 annually. Process the annual reexamination effective 11/1/2024 using income from wages determined in Step 3 (\$9,360 in this example).

Calculating Fergus' Other Non-Wage Income

Step 1: Determine prior annual income from other non-wage income (i.e., \$3,000 on the last HUD– 50058).

Step 2: Take into consideration any interim reexamination of family income completed since the last annual reexamination. In this case, there have been no interim reexaminations processed since the last annual reexamination.

Step 3: The family did not report any non-wage income on the annual reexamination form, but it was included on the last HUD–50058. The PHA must verify and adjust to reflect current non-wage income. The PHA must verify no income was received through a “Go Fund Me” online fundraiser so that it may be excluded. Fergus provided a self-certification that he hasn’t solicited funds online and doesn’t plan to in the following year; he also provided records from the account that documented no fundraising activity in the prior 12-month period. Process the annual reexamination effective 11/1/2024 using annual non-wage income of \$0 determined in Step 3.

Summary of Annual Income (as reported on the HUD-50058)

Samantha (Head of Household):

Own business: \$18,000

Pension: \$12,300

Child support: \$1,200

Fergus (Co-head):

Wages: \$9,360

Poole Family Total Annual Income: \$40,860

Chapter 12

TERMINATION OF ASSISTANCE AND TENANCY

HUD regulations specify mandatory and optional grounds for which a PHA can terminate a family's assistance. They also specify the circumstances under which an owner may terminate the tenancy of an assisted family. This chapter describes the policies that govern mandatory and optional terminations of assistance, and termination of tenancy by the owner. It is presented in three parts:

Part I: Grounds for Termination of Assistance. This part describes the various circumstances under which assistance under the program can be terminated by the family or by the PHA.

Part II: Approach to Termination of Assistance. This part describes the policies and the process that the PHA will use in evaluating decisions on whether to terminate assistance due to actions or inactions of the family where termination is an option. It specifies the alternatives that the PHA may consider in lieu of termination, the criteria the PHA will use when deciding what action to take, and the steps the PHA must take when terminating a family's assistance.

Part III: Termination of Tenancy by the Owner. This part describes the HUD policies that govern the owner's right to terminate an assisted tenancy.

PART I: GROUNDS FOR TERMINATION OF ASSISTANCE

12-I.A. OVERVIEW

HUD requires the PHA to terminate assistance for certain actions and inactions of the family and when the family no longer requires assistance due to increases in family income. HUD permits the PHA to terminate assistance for certain other actions or inactions of the family. In addition, a family may decide to withdraw from the program and terminate their HCV assistance at any time by notifying the PHA.

12-I.B. FAMILY NO LONGER REQUIRES ASSISTANCE [24 CFR 982.455]

As a family's income increases, the amount of the housing assistance payment decreases. If the amount of assistance provided by the PHA is reduced to zero, the family's assistance terminates automatically 180 days after the last HAP payment.

PHA Policy

If a participating family receiving zero assistance experiences a change in circumstances that would result in a HAP payment to the owner, the family must notify the PHA of the change and request an interim reexamination before the expiration of the 180-day period.

12-I.C. FAMILY CHOOSES TO TERMINATE ASSISTANCE

The family may request that the PHA terminate housing assistance payments on behalf of the family at any time.

PHA Policy

The request to terminate assistance should be made in writing and signed by the head of household, and spouse or cohead if applicable. Before terminating the family's assistance, the PHA will follow the notice requirements in Section 12-II.F.

12-I.D. MANDATORY TERMINATION OF ASSISTANCE

HUD requires the PHA to terminate assistance in the following circumstances.

Eviction [24 CFR 982.552(b)(2), 24 CFR 5.2005(c)(1)]

The PHA must terminate assistance whenever a family is evicted from a unit assisted under the HCV program for a serious or repeated violation of the lease. As discussed further in section 12-II.E, incidents of actual or threatened domestic violence, dating violence, sexual assault, stalking, or human trafficking may not be construed as serious or repeated violations of the lease by the victim or threatened victim of such violence or stalking.

PHA Policy

A family will be considered *evicted* if the family moves after a legal eviction order has been issued, whether or not physical enforcement of the order was necessary.

If a family moves after the owner has given the family an eviction notice for serious or repeated lease violations but before a legal eviction order has been issued, termination of assistance is not mandatory. In such cases the PHA will determine whether the family has committed serious or repeated violations of the lease based on available evidence and may terminate assistance or take any of the alternative measures described in section 12-II.C. In making its decision, the PHA will consider the factors described in sections 12-II.D and 12-II.E. Upon consideration of such factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests.

Failure to Provide Consent [24 CFR 982.552(b)(3)]

The PHA must terminate assistance if any family member fails to sign and submit any consent form they are required to sign for a regular or interim reexamination. See Chapter 7 for a complete discussion of consent requirements.

Failure to Document Citizenship [24 CFR 982.552(b)(4) and [24 CFR 5.514(c)]

The PHA must terminate assistance if (1) a family fails to submit required documentation within the required timeframe concerning any family member's citizenship or immigration status; (2) a family submits evidence of citizenship and eligible immigration status in a timely manner, but United States Citizenship and Immigration Services (USCIS) primary and secondary verification does not verify eligible immigration status of the family; or (3) a family member, as determined by the PHA, has knowingly permitted another individual who is not eligible for assistance to reside (on a permanent basis) in the unit.

For (3) above, such termination must be for a period of at least 24 months. This does not apply to ineligible noncitizens already in the household where the family's assistance has been prorated. See Chapter 7 for a complete discussion of documentation requirements.

Failure to Disclose and Document Social Security Numbers [24 CFR 5.218(c), Notice PIH 2018-24]

The PHA must terminate assistance if a participant family fails to disclose the complete and accurate social security numbers of each household member and the documentation necessary to verify each social security number.

However, if the family is otherwise eligible for continued program assistance, and the PHA determines that the family's failure to meet the SSN disclosure and documentation requirements was due to circumstances that could not have been foreseen and were outside of the family's control, the PHA may defer the family's termination and provide the opportunity to comply with the requirement within a period not to exceed 90 calendar days from the date the PHA determined the family to be noncompliant.

PHA Policy

The PHA will defer the family's termination and provide the family with the opportunity to comply with the requirement for a period of 90 calendar days for circumstances beyond the participant's control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency, if there is a reasonable likelihood that the participant will be able to disclose an SSN by the deadline.

Methamphetamine Manufacture or Production [24 CFR 982.553(b)(1)(ii)]

The PHA must terminate assistance if any household member has ever been convicted of the manufacture or production of methamphetamine on the premises of federally assisted housing.

Lifetime Registered Sex Offenders [Notice PIH 2012-28]

Should a PHA discover that a member of an assisted household was subject to a lifetime registration requirement at admission and was erroneously admitted after June 25, 2001, the PHA must immediately terminate assistance for the household member.

In this situation, the PHA must offer the family the opportunity to remove the ineligible family member from the household. If the family is unwilling to remove that individual from the household, the PHA must terminate assistance for the household.

Failure of Students to Meet Ongoing Eligibility Requirements [24 CFR 982.552(b)(5) and FR 4/10/06]

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have dependent children, is not residing with their parents in an HCV assisted household, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the PHA must terminate the student's assistance if, at the time of reexamination, either the student's income or the income of the student's parents (if applicable) exceeds the applicable income limit.

If a participant household consists of both eligible and ineligible students, the eligible students shall not be terminated, but must be issued a voucher to move with continued assistance in accordance with program regulations and PHA policies, or must be given the opportunity to lease in place if the terminated ineligible student members elect to move out of the assisted unit.

Death of the Sole Family Member [24 CFR 982.311(d) and Notice PIH 2010-9]

The PHA must immediately terminate program assistance for deceased single member households.

12-I.E. MANDATORY POLICIES AND OTHER AUTHORIZED TERMINATIONS

Mandatory Policies [24 CFR 982.553(b) and 982.551(l)]

HUD requires the PHA to establish policies that permit the PHA to terminate assistance if the PHA determines that:

- Any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents
- Any household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents
- Any household member has violated the family's obligation not to engage in any drug-related criminal activity
- Any household member has violated the family's obligation not to engage in violent criminal activity

Use of Illegal Drugs and Alcohol Abuse

PHA Policy

The PHA will terminate a family's assistance if any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

The PHA will terminate assistance if any household member's abuse or pattern of abuse of alcohol threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

Currently engaged in is defined as any use of illegal drugs during the previous three months.

The PHA will consider all credible evidence, including but not limited to, any record of arrests, convictions, or eviction of household members related to the use of illegal drugs or abuse of alcohol.

A record or records of arrest will not be used as the sole basis for the termination or proof that the participant engaged in disqualifying criminal activity.

In making its decision to terminate assistance, the PHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Drug-Related and Violent Criminal Activity [24 CFR 5.100]

Drug means a controlled substance as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802).

Drug-related criminal activity is defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug.

Violent criminal activity means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

PHA Policy

The PHA will terminate a family's assistance if any household member has violated the family's obligation not to engage in any drug-related or violent criminal activity during participation in the HCV program.

The PHA will consider all credible evidence, including but not limited to, any record of arrests and/or convictions of household members related to drug-related or violent criminal activity, and any eviction or notice to evict based on drug-related or violent criminal activity.

A record or records of arrest will not be used as the sole basis for the termination or proof that the participant engaged in disqualifying criminal activity.

In making its decision to terminate assistance, the PHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Other Authorized Reasons for Termination of Assistance [24 CFR 982.552(c), 24 CFR 5.2005(c), 24 CFR 984.101(d)]

HUD permits the PHA to terminate assistance under a number of other circumstances. It is left to the discretion of the PHA whether such circumstances in general warrant consideration for the termination of assistance. As discussed further in section 12-II.E, the Violence against Women Act prohibits PHAs from considering incidents of, or criminal activity directly related to, domestic violence, dating violence, sexual assault, stalking, or human trafficking as reasons for terminating the assistance of a victim of such abuse.

Additionally, per 24 CFR 984.101(d), PHAs are no longer permitted to terminate assistance to a family due to the family's failure to meet its obligations under the Family Self-Sufficiency (FSS) contract of participation.

PHA Policy

The PHA **will** terminate a family's assistance if:

The family has failed to comply with any family obligations under the program.
See Exhibit 12-1 for a listing of family obligations and related PHA policies.

Any family member has been evicted from federally assisted housing in the last three years.

Any family member has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.

The family currently owes rent or other amounts to any PHA in connection with Section 8 or public housing assistance under the 1937 Act.

The family has not reimbursed any PHA for amounts the PHA paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.

The family has breached the terms of a repayment agreement entered into with the PHA.

A family member has engaged in or threatened violent or abusive behavior toward PHA personnel.

Abusive or violent behavior towards PHA personnel includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.

Threatening refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

In making its decision to terminate assistance, the PHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Family Absence from the Unit [24 CFR 982.312]

The family may be absent from the unit for brief periods. The PHA must establish a policy on how long the family may be absent from the assisted unit. However, the family may not be absent from the unit for a period of more than 180 consecutive calendar days for any reason. Absence in this context means that no member of the family is residing in the unit.

PHA Policy

If the family is absent from the unit for more than 180 consecutive calendar days, the family's assistance will be terminated. Notice of termination will be sent in accordance with Section 12-II.F.

Insufficient Funding [24 CFR 982.454]

The PHA may terminate HAP contracts if the PHA determines, in accordance with HUD requirements, that funding under the consolidated ACC is insufficient to support continued assistance for families in the program.

PHA Policy

The PHA will determine whether there is sufficient funding to pay for currently assisted families according to the policies in Part VIII of Chapter 16. If the PHA determines there is a shortage of funding, prior to terminating any HAP contracts, the PHA will determine if any other actions can be taken to reduce program costs.

In the event that the PHA decides to stop issuing vouchers as a result of a funding shortfall, and the PHA is not assisting the required number of special purpose vouchers (NED families, HUD-Veterans Affairs Supportive Housing (VASH) families, and family unification program (FUP) families), when the PHA resumes issuing vouchers, the PHA will issue vouchers first to the special purpose voucher families on its waiting list until it has reached the required number of special purpose vouchers, when applicable.

If after implementing all reasonable cost cutting measures there is not enough funding available to provide continued assistance for current participants, the PHA will terminate HAP contracts as a last resort.

Prior to terminating any HAP contracts, the PHA will inform the local HUD field office. The PHA will terminate the minimum number needed in order to reduce HAP costs to a level within the PHA's annual budget authority.

If the PHA must terminate HAP contracts due to insufficient funding, the PHA will do so in accordance with the following criteria and instructions:

Families who have been assisted in the HCV program the longest will be the first to be terminated, excluding families that include elderly or disabled family members.

Families comprising the required number of special purpose vouchers, including nonelderly disabled (NED), HUD-Veteran's Affairs Supportive Housing (HUD-VASH), and family unification program (FUP) will be the last to be terminated.

PART II: APPROACH TO TERMINATION OF ASSISTANCE

12-II.A. OVERVIEW

The PHA is required by regulation to terminate a family's assistance for certain actions or inactions of the family. For other types of actions or inactions of the family, the regulations give the PHA the authority to either terminate the family's assistance or to take another action. This part discusses the various actions the PHA may choose to take when it has discretion, and outlines the criteria the PHA will use to make its decision about whether or not to terminate assistance. It also specifies the requirements for the notification to the family of the PHA's intent to terminate assistance.

12-II.B. METHOD OF TERMINATION [24 CFR 982.552(a)(3)]

Termination of assistance for a participant may include any or all of the following:

- Terminating housing assistance payments under a current HAP contract,
- Refusing to enter into a new HAP contract or approve a lease, or
- Refusing to process a request for or to provide assistance under portability procedures.

12-II.C. ALTERNATIVES TO TERMINATION OF ASSISTANCE

Change in Household Composition

As a condition of continued assistance, the PHA may require that any household member who participated in or was responsible for an offense no longer resides in the unit [24 CFR 982.552(c)(2)(ii)].

PHA Policy

As a condition of continued assistance, the head of household must certify that the culpable family member has vacated the unit and will not be permitted to visit or to stay as a guest in the assisted unit. The family must present evidence of the former family member's current address upon PHA request.

Repayment of Family Debts

PHA Policy

If a family owes amounts to the PHA, as a condition of continued assistance, the PHA will require the family to repay the full amount or to enter into a repayment agreement, within two weeks from date on the repayment notice from the PHA of the amount owed. See Chapter 16 for policies on repayment agreements.

12-II.D. CRITERIA FOR DECIDING TO TERMINATE ASSISTANCE

Evidence

For criminal activity, HUD permits the PHA to terminate assistance if a *preponderance of the evidence* indicates that a household member has engaged in the activity, regardless of whether the household member has been arrested or convicted [24 CFR 982.553(c)].

PHA Policy

The PHA will use the concept of the preponderance of the evidence as the standard for making all termination decisions.

Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not.

Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence

Use of Criminal Conviction Records after Admission [24 CFR 5.903]

The regulation at 24 CFR 5.903 governs a PHA's access to and use of criminal conviction records obtained from a "law enforcement agency" such as the National Crime Information Center (NCIC), police departments, and other law enforcement agencies that hold criminal conviction records. While the regulatory listing of permitted uses for these records includes PHA screening of applicants for admission to the HCV program, it specifically excludes the use of records for lease enforcement and eviction of HCV participants and excludes by omission a PHA's use of records to terminate assistance for participants. While a PHA has regulatory authority to use criminal conviction records for the purpose of applicant screening for admission, there is no corresponding authority to use these records to check for criminal and illegal drug activity by participants, and therefore, PHAs may not use records for this purpose. The limitations, however, do not apply to criminal conviction information searches from non-federal sources (i.e., sources other than the "law enforcement agencies" defined in 24 CFR 5.902(b)). There is no prohibition that bars a PHA from using non-federal sources to conduct criminal background checks of program participants.

Consideration of Circumstances [24 CFR 982.552(c)(2)(i)]

The PHA is permitted, but not required, to consider all relevant circumstances when determining whether a family's assistance should be terminated.

PHA Policy

The PHA will consider the following facts and circumstances when making its decision to terminate assistance:

The seriousness of the case, especially with respect to how it would affect other residents' safety or property

The effects that termination of assistance may have on other members of the family who were not involved in the action or failure to act

The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities or (as discussed further in section 12-II.E) a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking

The length of time since the violation occurred, including the age of the individual at the time of the conduct, as well as the family's recent history and the likelihood of favorable conduct in the future

While a record or records of arrest will not be used as the sole basis for termination, an arrest may, however, trigger an investigation to determine whether the participant actually engaged in disqualifying criminal activity. As part of its investigation, the PHA may obtain the police report associated with the arrest and consider the reported circumstances of the arrest. The PHA may also consider:

- Any statements made by witnesses or the participant not included in the police report

- Whether criminal charges were filed

- Whether, if filed, criminal charges were abandoned, dismissed, not prosecuted, or ultimately resulted in an acquittal

- Any other evidence relevant to determining whether or not the participant engaged in disqualifying activity

Evidence of criminal conduct will be considered if it indicates a demonstrable risk to safety and/or property

In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully

The PHA will require the participant to submit evidence of the household member's current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.

In the case of program abuse, the dollar amount of the overpaid assistance and whether or not a false certification was signed by the family

Reasonable Accommodation [24 CFR 982.552(c)(2)(iv)]

If the family includes a person with disabilities, the PHA's decision to terminate the family's assistance is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

PHA Policy

If a family indicates that the behavior of a family member with a disability is the reason for a proposed termination of assistance, the PHA will determine whether the behavior is related to the disability. If so, upon the family's request, the PHA will determine whether alternative measures are appropriate as a reasonable accommodation. The PHA will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed termination of assistance. See Chapter 2 for a discussion of reasonable accommodation.

12-II.E. TERMINATIONS RELATED TO DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, STALKING, OR HUMAN TRAFFICKING

This section describes the protections against termination of assistance that the Violence against Women Act (VAWA) provides for victims of domestic violence, dating violence, sexual assault, stalking, and human trafficking. For general VAWA requirements, key VAWA definitions, and PHA policies pertaining to notification, documentation, and confidentiality, see section 16-IX of this plan.

VAWA Protections against Termination

VAWA provides four specific protections against termination of HCV assistance for victims of domestic violence, dating violence, sexual assault or stalking. (*Note:* The second, third, and fourth protections also apply to terminations of tenancy or occupancy by owners participating in the HCV program, as do the limitations discussed under the next heading.)

- Although the VAWA 2022 statute does not specifically include human trafficking in the list of victims protected under VAWA, in 2022 HUD began including human trafficking as part of the list of victims protected under VAWA (as seen in Notices PIH 2022-06, PIH 2022-22, and PIH 2022-24). In the absence of a final rule implementing VAWA 2022 and to mirror HUD's recent usage, this policy includes human trafficking in addition to domestic violence, dating violence, sexual assault, and stalking anywhere such a list appears.

First, VAWA provides that a PHA may not terminate assistance to a family that moves out of an assisted unit in violation of the lease, with or without prior notification to the PHA, if the move occurred to protect the health or safety of a family member who is or has been the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, and who reasonably believed they were imminently threatened by harm from further violence if they remained in the unit [see 24 CFR 982.354(b)(4)].

Second, it provides that an incident or incidents of actual or threatened domestic violence, dating violence, sexual assault, stalking, or human trafficking may not be construed either as a serious or repeated lease violation by the victim or as good cause to terminate the assistance of the victim [see 24 CFR 5.2005(c)(1)].

Third, it provides that criminal activity directly related to domestic violence, dating violence, sexual assault, stalking, or human trafficking may not be construed as cause for terminating the assistance of a tenant if a member of the tenant's household, a guest, or another person under the tenant's control is the one engaging in the criminal activity and the tenant or affiliated individual or other individual is the actual or threatened victim of the domestic violence, dating violence, sexual assault, stalking, or human trafficking [see 24 CFR 5.2005(c)(2)].

Fourth, it gives PHAs the authority to terminate assistance to any tenant or lawful occupant who engages in criminal acts of physical violence against family members or others without terminating assistance to, or otherwise penalizing, the victim of the violence [24 CFR 5.2009(a)].

PHAs and owners may not coerce, intimidate, threaten, interfere with, or retaliate against any person who exercises or assists or encourages a person to exercise any rights or protections under VAWA [FR Notice 1/4/23].

Limitations on VAWA Protections [24 CFR 5.2005(d) and (e)]

VAWA does not limit the authority of a PHA to terminate the assistance of a victim of abuse for reasons unrelated to domestic violence, dating violence, sexual assault, stalking, or human trafficking so long as the PHA does not subject the victim to a more demanding standard than it applies to other program participants [24 CFR 5.2005(d)(1)].

Likewise, VAWA does not limit the authority of a PHA to terminate the assistance of a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking if the PHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the assisted property if the victim is not terminated from assistance [24 CFR 5.2005(d)(2)].

HUD regulations define *actual and imminent threat* to mean words, gestures, actions, or other indicators of a physical threat that (a) is real, (b) would occur within an immediate time frame, and (c) could result in death or serious bodily harm [24 CFR 5.2005(d)(2) and (e)]. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include:

- The duration of the risk
- The nature and severity of the potential harm
- The likelihood that the potential harm will occur
- The length of time before the potential harm would occur [24 CFR 5.2005(e)]

In order to demonstrate an actual and imminent threat, the PHA must have objective evidence of words, gestures, actions, or other indicators. Even when a victim poses an actual and imminent threat, however, HUD regulations authorize a PHA to terminate the victim's assistance "only when there are no other actions that could be taken to reduce or eliminate the threat" [24 CFR 5.2005(d)(3)].

PHA Policy

In determining whether a program participant who is a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking is an actual and imminent threat to other tenants or those employed at or providing service to a property, the PHA will consider the following, and any other relevant, factors:

Whether the threat is toward an employee or tenant other than the victim of domestic violence, dating violence, sexual assault, stalking or human trafficking

Whether the threat is a physical danger beyond a speculative threat

Whether the threat is likely to happen within an immediate time frame

Whether the threat to other tenants or employees can be eliminated in some other way, such as by helping the victim relocate to a confidential location or seeking a legal remedy to prevent the perpetrator from acting on the threat

If the participant wishes to contest the PHA's determination that they are an actual and imminent threat to other tenants or employees, the participant may do so as part of the informal hearing.

Documentation of Abuse [24 CFR 5.2007]

PHA Policy

When an individual facing termination of assistance for reasons related to domestic violence, dating violence, sexual assault, stalking, or human trafficking claims protection under VAWA, the PHA will request that the individual provide documentation supporting the claim in accordance with the policies in section 16-IX.D of this plan.

The PHA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the individual will suffice. In such cases the PHA will document the waiver in the individual's file.

Terminating the Assistance of a Domestic Violence Perpetrator

Although VAWA provides protection against termination of assistance for victims of domestic violence, it does not provide such protection for perpetrators. VAWA gives the PHA the explicit authority to "terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others" without terminating assistance to "or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant" [24 CFR 5.2009(a)]. This authority is not dependent on a bifurcated lease or other eviction action by an owner against an individual family member. Further, this authority supersedes any local, state, or other federal law to the contrary. However, if the PHA chooses to exercise this authority, it must follow any procedures prescribed by HUD or by applicable local, state, or federal law regarding termination of assistance. This means that the PHA must follow the same rules when terminating assistance to an individual as it would when terminating the assistance of an entire family [FR Notice 3/16/07].

If the perpetrator remains in the unit, the PHA continues to pay the owner until the PHA terminates the perpetrator from the program. The PHA must not stop paying HAP until 30 days after the owner bifurcates the lease to evict the perpetrator. The PHA may pay HAP for the full month if the 30-day period will end mid-month [Notice PIH 2017-08].

If the perpetrator is the only participant eligible to receive assistance, the PHA will provide any remaining participant a chance to establish eligibility for the program. If the remaining participant cannot do so, the PHA will provide them with 30 days to establish eligibility for another housing program prior to termination of the HAP contract.

PHA Policy

The PHA will terminate assistance to a family member if the PHA determines that the family member has committed criminal acts of physical violence against other family members or others. This action will not affect the assistance of the remaining, nonculpable family members.

In making its decision, the PHA will consider all credible evidence, including, but not limited to, a signed certification (form HUD-5382) or other documentation of abuse submitted to the PHA by the victim in accordance with this section and section 16-IX.D. The PHA will also consider the factors in section 12-II.D. Upon such consideration, the

PHA may, on a case-by-case basis, choose not to terminate the assistance of the culpable family member.

If the PHA does terminate the assistance of the culpable family member, it will do so in accordance with applicable law, HUD regulations, and the policies in this plan.

12-II.F. TERMINATION NOTICE

HUD regulations require PHAs to provide written notice of termination of assistance to a family only when the family is entitled to an informal hearing. However, since the family's HAP contract and lease will also terminate when the family's assistance terminates [form HUD-52641], it is a good business practice to provide written notification to both owner and family anytime assistance will be terminated, whether voluntarily or involuntarily.

PHA Policy

Whenever a family's assistance will be terminated, the PHA will send a written notice of termination to the family and to the owner. The notice will state the date on which the termination will become effective. This date generally will be at least 30 calendar days following the date of the termination notice, but exceptions will be made whenever HUD rules, other PHA policies, or the circumstances surrounding the termination require.

When the PHA notifies an owner that a family's assistance will be terminated, the PHA will, if appropriate, advise the owner of their right to offer the family a separate, unassisted lease.

If a family whose assistance is being terminated is entitled to an informal hearing, the notice of termination that the PHA sends to the family must meet the additional HUD and PHA notice requirements discussed in section 16-III.C of this plan. VAWA requires PHAs to provide notice of VAWA rights and the HUD 5382 form when a PHA terminates a household's housing benefits.

PHA Policy

Whenever the PHA decides to terminate a family's assistance because of the family's action or failure to act, the PHA will include in its termination notice the VAWA information described in section 16-IX.C of this plan and a form HUD-5382 and form HUD-5380. The PHA will request in writing that a family member wishing to claim protection under VAWA notify the PHA within 14 business days.

Still other notice requirements apply in two situations:

- If a criminal record is the basis of a family's termination, the PHA must provide a copy of the record to the subject of the record and the tenant so that they have an opportunity to dispute the accuracy and relevance of the record [24 CFR 982.553(d)(2)].
- If immigration status is the basis of a family's termination, as discussed in section 12-I.D, the special notice requirements in section 16-III.D must be followed.

PART III: TERMINATION OF TENANCY BY THE OWNER

12-III.A. OVERVIEW

Termination of an assisted tenancy is a matter between the owner and the family; the PHA is not directly involved. However, the owner is under some constraints when terminating an assisted tenancy. Termination of tenancy for certain reasons will also result in termination of assistance as discussed in this section.

12-III.B. GROUNDS FOR OWNER TERMINATION OF TENANCY [24 CFR 982.310, 24 CFR 5.2005(c), and Form HUD-52641-A, Tenancy Addendum]

During the term of the lease, the owner is not permitted to terminate the tenancy except for serious or repeated violations of the lease, certain violations of state or local law, or other good cause.

Serious or Repeated Lease Violations

The owner is permitted to terminate the family's tenancy for serious or repeated violations of the terms and conditions of the lease, except when the violations are related to incidents of actual or threatened domestic violence, dating violence, sexual assault, stalking, and human trafficking and the victim is protected from eviction by the Violence against Women Act of 2013 (see section 12-II.E). A serious lease violation includes failure to pay rent or other amounts due under the lease. However, the PHA's failure to make a HAP payment to the owner is not a violation of the lease between the family and the owner.

Violation of Federal, State, or Local Law

The owner is permitted to terminate the tenancy if a family member violates federal, state, or local law that imposes obligations in connection with the occupancy or use of the premises.

Criminal Activity or Alcohol Abuse

The owner may terminate tenancy during the term of the lease if any *covered person*—meaning any member of the household, a guest, or another person under the tenant's control—commits any of the following types of criminal activity (for applicable definitions see 24 CFR 5.100):

- Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of the premises by, other residents (including property management staff residing on the premises)
- Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of their residences by, persons residing in the immediate vicinity of the premises
- Any violent criminal activity on or near the premises
- Any drug-related criminal activity on or near the premises

However, in the case of criminal activity directly related to domestic violence, dating violence, sexual assault, stalking, or human trafficking if the tenant or an affiliated individual is the victim, the criminal activity may not be construed as cause for terminating the victim's tenancy (see section 12-II.E).

The owner may terminate tenancy during the term of the lease if any member of the household is:

- Fleeing to avoid prosecution, custody, or confinement after conviction for a crime or an attempt to commit a crime that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or
- Violating a condition of probation or parole imposed under federal or state law.

The owner may terminate tenancy during the term of the lease if any member of the household has engaged in abuse of alcohol that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

Evidence of Criminal Activity

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person if the owner determines the covered person has engaged in the criminal activity, regardless of whether the covered person has been arrested or convicted for such activity and without satisfying the standard of proof used for a criminal conviction. This is the case except in certain incidents where the criminal activity directly relates to domestic violence, dating violence, sexual assault, stalking, or human trafficking, and the tenant or an affiliated individual is the victim or threatened victim of the domestic violence, dating violence, sexual assault, stalking, or human trafficking.

Other Good Cause

During the initial lease term, the owner may not terminate the tenancy for “other good cause” unless the owner is terminating the tenancy because of something the family did or failed to do. During the initial lease term or during any extension term, other good cause includes the disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises.

After the initial lease term, “other good cause” for termination of tenancy by the owner includes:

- Failure by the family to accept the offer of a new lease or revision
- The owner’s desire to use the unit for personal or family use, or for a purpose other than as a residential rental unit
- A business or economic reason for termination of the tenancy (such as sale of the property, renovation of the unit, or desire to lease the unit at a higher rent)

After the initial lease term, the owner may give the family notice at any time, in accordance with the terms of the lease.

If a property is subject to foreclosure, during the term of the lease, the new owner of the property does not have good cause to terminate the tenant’s lease, unless the new owner will occupy the unit as their primary residence and has provided the tenant with at least a 90-day notice. In that case, the lease may be terminated effective on the date of sale, although the tenant is still entitled to a 90-day notice to vacate. See Section 13-II.G for a discussion of PHA policies relating to units in foreclosure.

12-III.C. EVICTION [24 CFR 982.310(e) and (f) and Form HUD-52641-A, Tenancy Addendum]

The owner must give the tenant a written notice that specifies the grounds for termination of tenancy during the term of the lease. The tenancy does not terminate before the owner has given this notice, and the notice must be given at or before commencement of the eviction action.

The notice of grounds may be included in, or may be combined with, any owner eviction notice to the tenant.

Owner eviction notice means a notice to vacate, or a complaint or other initial pleading used under state or local law to commence an eviction action. The owner may only evict the tenant from the unit by instituting a court action. The owner must give the PHA a copy of any eviction notice at the same time the owner notifies the family. The family is also required to give the PHA a copy of any eviction notice (see Chapter 5).

PHA Policy

If the eviction action is finalized in court, the owner must provide the PHA with documentation related to the eviction, including notice of the eviction date, as soon as possible, but no later than 5 business days following the court-ordered eviction.

12-III.D. DECIDING WHETHER TO TERMINATE TENANCY [24 CFR 982.310(h), 24 CFR 982.310(h)(4)]

An owner who has grounds to terminate a tenancy is not required to do so, and may consider all of the circumstances relevant to a particular case before making a decision. These might include:

- The nature of the offending action
- The seriousness of the offending action;
- The effect on the community of the termination, or of the owner's failure to terminate the tenancy;
- The extent of participation by the leaseholder in the offending action;
- The effect of termination of tenancy on household members not involved in the offending activity;
- The demand for assisted housing by families who will adhere to lease responsibilities;
- The extent to which the leaseholder has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action;
- The effect of the owner's action on the integrity of the program.

The owner may require a family to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for action or failure to act that warrants termination.

In determining whether to terminate tenancy for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, the owner may consider whether such household member is participating in or has successfully completed a supervised drug or

alcohol rehabilitation program, or has otherwise been rehabilitated successfully (42 U.S.C. 13661). For this purpose, the owner may require the tenant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

The owner's termination of tenancy actions must be consistent with the fair housing and equal opportunity provisions in 24 CFR 5.105.

An owner's decision to terminate tenancy for incidents related to domestic violence, dating violence, sexual assault, stalking, or human trafficking is limited by the Violence against Women Act (VAWA) and the conforming regulations in 24 CFR Part 5, Subpart L. (See section 12-II.E.)

12-III.E. EFFECT OF TENANCY TERMINATION ON THE FAMILY'S ASSISTANCE

If a termination is not due to a serious or repeated violation of the lease, and if the PHA has no other grounds for termination of assistance, the PHA may issue a new voucher so that the family can move with continued assistance (see Chapter 10).

EXHIBIT 12-1: STATEMENT OF FAMILY OBLIGATIONS

Following is a listing of a participant family's obligations under the HCV program:

- The family must supply any information that the PHA or HUD determines to be necessary, including submission of required evidence of citizenship or eligible immigration status.
- The family must supply any information requested by the PHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition.
- The family must disclose and verify social security numbers and sign and submit consent forms for obtaining information.
- Any information supplied by the family must be true and complete.
- The family is responsible for any deficiencies under the National Standards for the Physical Inspection of Real Estate (NSPIRE) by the family caused by failure to pay tenant-provided utilities or appliances, or damages to the dwelling unit or premises beyond ordinary wear and tear caused by any member of the household or guest.

PHA Policy

Damages beyond ordinary wear and tear will be considered to be damages which could be assessed against the security deposit under state law or in court practice.

- The family must allow the PHA to inspect the unit at reasonable times and after reasonable notice, as described in Chapter 8 of this plan.
- The family must not commit any serious or repeated violation of the lease.

PHA Policy

The PHA will determine if a family has committed serious or repeated violations of the lease based on available evidence, including but not limited to, a court-ordered eviction or an owner's notice to evict, police reports, and affidavits from the owner, neighbors, or other credible parties with direct knowledge.

Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, living or housekeeping habits that cause damage to the unit or premises, and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests. Any incidents of, or criminal activity related to, domestic violence, dating violence, sexual assault, stalking, or human trafficking will not be construed as serious or repeated lease violations by the victim [see 24 CFR 5.2005(c)(1)].

- The family must notify the PHA and the owner before moving out of the unit or terminating the lease.

PHA Policy

The family must comply with lease requirements regarding written notice to the owner.

The family must provide written notice to the PHA at the same time the owner is notified.

- The family must promptly give the PHA a copy of any owner eviction notice.

- The family must use the assisted unit for residence by the family. The unit must be the family's only residence.
- The composition of the assisted family residing in the unit must be approved by the PHA. The family must promptly notify the PHA in writing of the birth, adoption, or court-awarded custody of a child. The family must request PHA approval to add any other family member as an occupant of the unit.

PHA Policy

The request to add a family member must be submitted in writing and approved prior to the person moving into the unit. The PHA will determine eligibility of the new member in accordance with the policies in Chapter 3.

- The family must promptly notify the PHA in writing if any family member no longer lives in the unit.
- If the PHA has given approval, a foster child or a live-in aide may reside in the unit. The PHA has the discretion to adopt reasonable policies concerning residency by a foster child or a live-in aide, and to define when PHA consent may be given or denied. For policies related to the request and approval/disapproval of foster children, foster adults, and live-in aides, see Chapter 3 (Sections I.K and I.M), and Chapter 11 (Section II.B).
- The family must not sublease the unit, assign the lease, or transfer the unit.

PHA Policy

Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member.

- The family must supply any information requested by the PHA to verify that the family is living in the unit or information related to family absence from the unit.
- The family must promptly notify the PHA when the family is absent from the unit.

PHA Policy

Notice is required under this provision only when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than 30 calendar days. Written notice must be provided to the PHA at the start of the extended absence.

- The family must pay utility bills and provide and maintain any appliances that the owner is not required to provide under the lease [Form HUD-52646, Voucher].
- The family must not own or have any interest in the unit, (other than in a cooperative and owners of a manufactured home leasing a manufactured home space).
- Family members must not commit fraud, bribery, or any other corrupt or criminal act in connection with the program. (See Chapter 14, Program Integrity for additional information).

- Family members must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for HUD and PHA policies related to drug-related and violent criminal activity.
- Members of the household must not engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for a discussion of HUD and PHA policies related to alcohol abuse.
- An assisted family or member of the family must not receive HCV program assistance while receiving another housing subsidy, for the same unit or a different unit under any other federal, state or local housing assistance program.
- A family must not receive HCV program assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities. [Form HUD-52646, Voucher]

Chapter 13

OWNERS

INTRODUCTION

Owners play a major role in the HCV program by supplying decent, safe, and sanitary housing for participating families.

The term “owner” refers to any person or entity with the legal right to lease or sublease a unit to a participant in the HCV program [24 CFR 982.4(b)]. The term “owner” includes a principal or other interested party [24 CFR 982.453; 24 CFR 982.306(f)], such as a designated agent of the owner.

Owners have numerous responsibilities under the program, including screening and leasing to families, maintaining the dwelling unit, enforcing the lease, and complying with various contractual obligations.

The chapter is organized in two parts:

Part I: Owners in the HCV Program. This part discusses the role of an owner in the PHA’s HCV program and highlights key owner rights and responsibilities.

Part II: HAP Contracts. This part explains provisions of the HAP contract and the relationship between the PHA and the owner as expressed in the HAP contract.

For detailed information about HCV program responsibilities and processes, including PHA policies in key areas, owners will need to refer to several other chapters in this plan. Where appropriate, Chapter 13 will reference the other chapters.

PART I. OWNERS IN THE HCV PROGRAM

13-I.A. OWNER RECRUITMENT AND RETENTION [HCV GB, pp. 2-4 to 2-6; HCV Landlord Strategy Guidebook for PHAs]

Recruitment

PHAs are responsible for ensuring that very low-income families have access to all types and ranges of affordable housing in the PHA’s jurisdiction, particularly housing outside areas of poverty or minority concentration. A critical element in fulfilling this responsibility is for the PHA to ensure that a sufficient number of owners, representing all types and ranges of affordable housing in the PHA’s jurisdiction, are willing to participate in the HCV program.

To accomplish this objective, PHAs must identify and recruit new owners to participate in the program.

If the PHA will be conducting outreach events, the PHA must ensure that notices and communications during outreach events are provided in a manner that is effective for persons with hearing, visual, and other communications-related disabilities. PHAs must also take reasonable steps to ensure meaningful access to programs to persons with limited English proficiency.

PHA Policy

The PHA will employ a Landlord Outreach Specialist to conduct outreach efforts, ensuring that property owners are well-informed about the program and its benefits. The PHA will actively recruit property owners with properties located outside areas of poverty and minority concentration. The outreach strategies employed by the Landlord Outreach Specialist, along with other PHA staff as needed, may include:

1. Hosting informational workshops and seminars.
2. Distributing informative brochures and newsletters.
3. Utilizing social media and online platforms for wider reach.
4. Engaging in one-on-one meetings with property owners.
5. Partnering with local real estate organizations.
6. Attending community events to promote the program.

Outreach strategies will be monitored for effectiveness and adapted accordingly.

Retention

In addition to recruiting owners to participate in the HCV program, the PHA must also provide the kind of customer service that will encourage participating owners to remain active in the program.

PHA Policy

The PHA will employ a landlord outreach specialist to conduct retention efforts along with other PHA staff. The outreach specialist will provide owners with materials that explains the program, including HUD and PHA policies and procedures, in easy-to-understand language.

The PHA will give special attention to helping new owners succeed through activities such as:

Providing the owner with a designated PHA contact person.

Coordinating inspection and leasing activities between the PHA, the owner, and the family.

Providing other written information about how the program operates including answers to frequently asked questions.

Contacting owners via emails or texts to disseminate information.

Additional services may be undertaken on an as-needed basis, and as resources permit.

13-I.B. BASIC HCV PROGRAM REQUIREMENTS

HUD requires the PHA to assist families in their housing search by providing the family with a list of landlords or other parties known to the PHA who may be willing to lease a unit to the family, or to help the family find a unit. Although the PHA cannot maintain a list of owners that are pre-qualified to participate in the program, owners may indicate to the PHA their willingness to lease a unit to an eligible HCV family, or to help the HCV family find a unit [24 CFR 982.301(b)(11)].

PHA Policy

Owners that wish to indicate their willingness to lease a unit to an eligible HCV family or to help the HCV family find a unit must notify the PHA. The PHA will maintain a listing of such interested owners and provide this information listing to the HCV family as part of the informational briefing packet.

When a family approaches an owner to apply for tenancy, the owner is responsible for screening the family and deciding whether to lease to the family, just as the owner would with any potential unassisted tenant. The PHA has no liability or responsibility to the owner or other persons for the family's behavior or suitability for tenancy. See chapters 3 and 9 for more detail on tenant family screening policies and process.

If the owner is willing, the family and the owner must jointly complete a Request for Tenancy Approval (RTA, Form HUD 52517), which constitutes the family's request for assistance in the specified unit, and which documents the owner's willingness to lease to the family and to follow the program's requirements. When submitted to the PHA, this document is the first step in the process of obtaining approval for the family to receive the financial assistance it will need in order to occupy the unit. Also submitted with the RTA is a copy of the owner's proposed dwelling lease, including the HUD-required Tenancy Addendum (Form HUD-52641-A). See Chapter 9 for more detail on request for tenancy approval policies and process.

HUD regulations stipulate requirements for the approval of an assisted tenancy.

The owner must be qualified to participate in the program [24 CFR 982.306]. Some owners are precluded from participating in the program, or from renting to a particular family, either because of their past history with this or another federal housing program, or because of certain conflicts of interest. Owner qualifications are discussed later in this chapter.

The selected unit must be of a type that is eligible for the program [24 CFR 982.305(a)]. Certain types of dwelling units cannot be assisted under the HCV program. Other types may be assisted under certain conditions. See chapter 9 for more detail on unit eligibility policies and process.

The selected unit must meet HUD's National Standards for the Physical Inspection of Real Estate (NSPIRE) and/or equivalent state or local standards approved by HUD [24 CFR 982.305(a)]. The PHA will inspect the owner's dwelling unit at least biennially to ensure that the unit continues to meet inspection requirements. See Chapter 8 for a discussion of the NSPIRE standards and policies for inspections at initial lease-up and throughout the family's tenancy.

The PHA must determine that the proposed rent for the unit is reasonable [24 CFR 982.305(a)]. The rent must be reasonable in relation to comparable unassisted units in the area and must not be in excess of rents charged by the owner for comparable, unassisted units on the premises. See chapter 8 for a discussion of requirements and policies on rent reasonableness, rent comparability and the rent reasonableness determination process.

At initial lease-up of a unit, if the gross rent exceeds the applicable payment standard, the PHA must ensure that the family share does not exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]. See chapter 6 for a discussion of the calculation of family income, family share of rent and HAP.

The dwelling lease must comply with all program requirements [24 CFR 982.308]. Owners are encouraged to use their standard leases when renting to an assisted family. The HUD Tenancy Addendum includes the HUD requirements governing the tenancy and must be added word-for-word to the owner's lease. See chapter 9 for a discussion of the dwelling lease and tenancy addendum, including lease terms and provisions.

The PHA and the owner must execute a Housing Assistance Payment (HAP) Contract (Form HUD-52641). The HAP contract format is prescribed by HUD. See chapter 9 for a discussion of the HUD requirements for execution of the HAP contract.

13-I.C. OWNER RESPONSIBILITIES [24 CFR 982.452]

The basic owner responsibilities in the HCV program are outlined in the regulations as follows:

- Complying with all of the owner's obligations under the housing assistance payments (HAP) contract and the lease
- Performing all management and rental functions for the assisted unit, including selecting a voucher-holder to lease the unit, and deciding if the family is suitable for tenancy of the unit
- Maintaining the unit in accordance with the National Standards for the Physical Inspection of Real Estate (NSPIRE), including performance of ordinary and extraordinary maintenance
- Complying with equal opportunity requirements
- Preparing and furnishing to the PHA information required under the HAP contract
- Collecting the security deposit, the tenant rent, and any charges for unit damage by the family.
- Enforcing tenant obligations under the dwelling lease
- Paying for utilities and services that are not the responsibility of the family as specified in the lease
- Allowing reasonable modifications to a dwelling unit occupied or to be occupied by a disabled person [24 CFR 100.203]
- Complying with the Violence against Women Act (VAWA) when screening prospective HCV tenants or terminating the tenancy of an HCV family [see 24 CFR Part 5, Subpart L; 24 CFR 982.310(h)(4); 24 CFR 982.452(b)(1); and FR Notice 1/4/23]

13-I.D. OWNER QUALIFICATIONS

The PHA does not formally approve an owner to participate in the HCV program. However, there are a number of criteria where the PHA may deny approval of an assisted tenancy based on past owner behavior, conflict of interest, or other owner-related issues. No owner has a right to participate in the HCV program [24 CFR 982.306(e)].

Owners Barred from Participation [24 CFR 982.306(a) and (b)]

The PHA must not approve the assisted tenancy if the PHA has been informed that the owner has been debarred, suspended, or subject to a limited denial of participation under 24 CFR part 24. HUD may direct the PHA not to approve a tenancy request if a court or administrative agency has determined that the owner violated the Fair Housing Act or other federal equal opportunity requirements, or if such an action is pending.

Leasing to Relatives [24 CFR 982.306(d), HCV GB p. 11-2]

The PHA must not approve a tenancy if the owner is the parent, child, grandparent, grandchild, sister, or brother of any member of the family. The PHA may make an exception as a reasonable accommodation for a family member with a disability. The owner is required to certify that no such relationship exists. This restriction applies at the time that the family receives assistance under the HCV program for occupancy of a particular unit. Current contracts on behalf of owners and families that are related may continue, but any new leases or contracts for these families may not be approved.

Conflict of Interest [24 CFR 982.161; HCV GB p. 8-19; Form HUD-52641, Section 13]

The PHA must not approve a tenancy in which any of the following classes of persons has any interest, direct or indirect, during tenure or for one year thereafter:

- Any present or former member or officer of the PHA (except a participant commissioner)
- Any employee of the PHA, or any contractor, subcontractor or agent of the PHA, who formulates policy or who influences decisions with respect to the programs
- Any public official, member of a governing body, or State or local legislator, who exercises functions or responsibilities with respect to the programs
- Any member of the Congress of the United States

Such “covered individual” may not have any direct or indirect interest in the HAP contract or in any benefits or payments under the contract (including the interest of an immediate family member of such covered individual) while such person is a covered individual or for one year thereafter.

Immediate family member means the spouse, parent (including a stepparent), child (including a stepchild), grandparent, grandchild, sister, or brother (including a stepsister or stepbrother) of any covered individual.

HUD may waive the conflict of interest requirements, except for members of Congress, for good cause. The PHA must submit a waiver request to the appropriate HUD Field Office for determination.

Any waiver request submitted by the PHA must include the following [HCV Guidebook pp.11-2 and 11-3]:

- Complete statement of the facts of the case;
- Analysis of the specific conflict of interest provision of the HAP contract and justification as to why the provision should be waived;
- Analysis of and statement of consistency with state and local laws. The local HUD office, the PHA, or both parties may conduct this analysis. Where appropriate, an opinion by the state's attorney general should be obtained;
- Opinion by the local HUD office as to whether there would be an appearance of impropriety if the waiver were granted;
- Statement regarding alternative existing housing available for lease under the HCV program or other assisted housing if the waiver is denied;
- If the case involves a hardship for a particular family, statement of the circumstances and discussion of possible alternatives;
- If the case involves a public official or member of the governing body, explanation of their duties under state or local law, including reference to any responsibilities involving the HCV program;
- If the case involves employment of a family member by the PHA or assistance under the HCV program for an eligible PHA employee, explanation of the responsibilities and duties of the position, including any related to the HCV program;
- If the case involves an investment on the part of a member, officer, or employee of the PHA, description of the nature of the investment, including disclosure/divestiture plans.

Where the PHA has requested a conflict of interest waiver, the PHA may not execute the HAP contract until HUD has made a decision on the waiver request.

PHA Policy

In considering whether to request a conflict of interest waiver from HUD, the PHA will consider certain factors such as consistency of the waiver with state and local laws, the existence of alternative housing available to families, the individual circumstances of a particular family, the specific duties of individuals whose positions present a possible conflict of interest, the nature of any financial investment in the property and plans for disclosure/divestiture, and the possible appearance of impropriety.

Owner Actions That May Result in Disapproval of a Tenancy Request [24 CFR 982.306(c)]

HUD regulations permit the PHA to disapprove a request for tenancy for various actions and inactions of the owner.

If the PHA disapproves a request for tenancy because an owner is not qualified, it may not terminate the HAP contract for any assisted families that are already living in the owner's properties unless the owner has violated the HAP contract for those units [HCV GB p. 11-4].

PHA Policy

The PHA will refuse to approve a request for tenancy if the PHA becomes aware that any of the following are true:

The owner has violated obligations under a HAP contract under Section 8 of the 1937 Act (42 U.S.C. 1437f);

The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;

The owner has engaged in any drug-related criminal activity or any violent criminal activity;

The owner has a history or practice of noncompliance with inspection standards for units leased under the tenant-based programs, or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other federal housing program;

The owner has a history or practice of failing to terminate tenancy of tenants of units assisted under Section 8 or any other federally assisted housing program for activity engaged in by the tenant, any member of the household, a guest or another person under the control of any member of the household that:

- (i) Threatens the right to peaceful enjoyment of the premises by other residents;
- (ii) Threatens the health or safety of other residents, of employees of the PHA, or of owner employees or other persons engaged in management of the housing;
- (iii) Threatens the health or safety of, or the right to peaceful enjoyment of their residences, by persons residing in the immediate vicinity of the premises; or
- (iv) Is drug-related criminal activity or violent criminal activity;

The owner has a history or practice of renting units that fail to meet state or local housing codes; or

The owner has not paid state or local real estate taxes, fines, or assessment.

In considering whether to disapprove owners for any of the discretionary reasons listed above, the PHA will consider any mitigating factors. Such factors may include, but are not limited to, the seriousness of the violation in relation to program requirements, the impact on the ability of families to lease units under the program, health and safety of participating families, among others. Upon consideration of such circumstances, the PHA may, on a case-by-case basis, choose to approve an owner.

Legal Ownership of Unit

The following represents PHA policy on legal ownership of a dwelling unit to be assisted under the HCV program.

PHA Policy

The PHA will only enter into a contractual relationship with the legal owner of a qualified unit. No tenancy will be approved without acceptable documentation of legal ownership (e.g., deed of trust, proof of taxes for most recent year) if PHA is unable to verify in County records.

13-I.E. NON-DISCRIMINATION [HAP Contract – Form HUD-52641]

The owner must not discriminate against any person because of race, color, religion, sex, national origin, age, familial status, or disability, in connection with any actions or responsibilities under the HCV program and the HAP contract with the PHA.

The owner must cooperate with the PHA and with HUD in conducting any equal opportunity compliance reviews and complaint investigations in connection with the HCV program and the HAP contract with the PHA.

See Chapter 2 for a more thorough discussion of Fair Housing and Equal Opportunity requirements in the HCV program.

PART II. HAP CONTRACTS

13-II.A. OVERVIEW

The HAP contract represents a written agreement between the PHA and the owner of the dwelling unit occupied by a HCV assisted family. The contract spells out the owner's responsibilities under the program, as well as the PHA's obligations. Under the HAP contract, the PHA agrees to make housing assistance payments to the owner on behalf of the family approved by the PHA to occupy the unit.

The HAP contract is used for all HCV tenant-based program tenancies except for assistance under the Section 8 homeownership program, and assistance to families that own a manufactured home and use their assistance to lease the space for the manufactured home. See chapter 15 for a discussion of any special housing types included in the PHA's HCV program.

When the PHA has determined that the unit meets program requirements and the tenancy is approvable, the PHA and owner must execute the HAP contract. See chapter 9 for a discussion of the leasing process, including provisions for execution of the HAP contract.

13-II.B. HAP CONTRACT CONTENTS

The HAP contract format is required by HUD, specifically Housing Assistance Payment (HAP) Contract, Form HUD-52641.

The HAP contract contains three parts.

Part A of the contract includes basic contract information: the names of the tenant and all household members, the address of the contract unit, start and end dates of initial lease term, the amount of initial monthly rent to owner, the amount of initial housing assistance payment, the utilities and appliances to be supplied by owner and tenant, and the signatures of the PHA representative and owner [HCV Guidebook, pp. 11-10 and 11-11].

In general, the HAP contract cannot be modified. However, PHAs do have the discretion to add language to Part A of the HAP contract which prohibits the owner from collecting a security deposit in excess of private market practices or in excess of amounts charged to unassisted tenants. PHA policy on the amount of security deposit an owner may collect is found in Chapter 9.

PHAs also have the discretion to add language to Part A of the HAP contract that defines when the housing assistance payment by the PHA is deemed received by the owner (e.g., upon mailing by the PHA or actual receipt by the owner).

PHA Policy

The PHA has not adopted a policy that defines when the housing assistance payment by the PHA is deemed received by the owner. Therefore, no modifications to the HAP contract will be necessary.

Part B is the body of the contract. It describes in detail program requirements affecting the owner and owner roles and responsibilities under the HCV program. Most of the requirements contained in Part B of the HAP contract are outlined elsewhere in this plan. Topics addressed in Part B include:

- Lease of Contract Unit
- Maintenance, Utilities, and Other Services
- Term of HAP Contract
- Provision and Payment of Utilities and Appliances
- Rent to Owner: Reasonable Rent
- PHA Payment to Owner
- Prohibition of Discrimination
- Owner's Breach of HAP Contract
- PHA and HUD Access to Premises and Owner's Records
- Exclusion of Third Party Rights
- Conflict of Interest
- Assignment of the HAP Contract
- Written Notices
- Entire Agreement Interpretation

Part C of the contract includes the Tenancy Addendum (Form HUD-52641-A). The addendum sets forth the tenancy requirements for the program and the composition of the household, as approved by the PHA. The tenant has the right to enforce the Tenancy Addendum against the owner. The terms of the Tenancy Addendum prevail over any other provisions of the lease.

13-II.C. HAP CONTRACT PAYMENTS

General

During the term of the HAP contract, and subject to the provisions of the HAP contract, the PHA must make monthly HAP payments to the owner on behalf of the family at the beginning of each month. If a lease term begins after the first of the month, the HAP payment for the first month is prorated for a partial month.

The amount of the HAP payment is determined according to the policies described in Chapter 6 and is subject to change during the term of the HAP contract. The PHA must notify the owner and the family in writing of any changes in the HAP payment.

HAP payments can be made only during the lease term, and only while the family is residing in the unit.

The monthly HAP payment by the PHA is credited toward the monthly rent to owner under the family's lease. The total of the rent paid by the tenant and the HAP payment is equal to the rent to owner as specified in the lease.

The family is not responsible for payment of the HAP payment, and the PHA is not responsible for payment of the family share of rent.

The family's share of the rent cannot be more than the difference between the rent to owner and the HAP payment. The owner may not demand or accept any rent payment from the tenant in excess of this maximum [24 CFR 982.451(b)(4)]. The owner may not charge the tenant extra amounts for items customarily included in rent in the locality or provided at no additional cost to unsubsidized tenants in the premises [24 CFR 982.510(c)]. See chapter 9 for a discussion of separate, non-lease agreements for services, appliances and other items that are not included in the lease.

If the owner receives any excess HAP from the PHA, the excess amount must be returned immediately. If the PHA determines that the owner is not entitled to all or a portion of the HAP, the PHA may deduct the amount of overpayment from any amounts due to the owner, including amounts due under any other Section 8 HCV contract. See Chapter 16 for additional detail on owner reimbursement of HAP overpayments.

Owner Certification of Compliance

Unless the owner complies with all provisions of the HAP contract, the owner is not entitled to receive housing assistance payments under the HAP contract [HAP Contract – Form HUD-52641].

By accepting the monthly check from the PHA, the owner certifies to compliance with the terms of the HAP contract. This includes certification that the owner is maintaining the unit and premises in accordance with NSPIRE standards; that the contract unit is leased to the tenant family and, to the best of the owner's knowledge, the family resides in the unit as the family's only residence; the rent to owner does not exceed rents charged by the owner for comparable unassisted units on the premises; and that the owner does not receive (other than rent to owner) any additional payments or other consideration for rent of the contract unit during the HAP term.

Late HAP Payments [24 CFR 982.451(a)(5)]

The PHA is responsible for making HAP payments promptly when due to the owner, in accordance with the terms of the HAP contract. After the first two calendar months of the HAP contract term, the HAP contract provides for late penalties if the PHA fails to make the HAP payment on time.

Penalties for late HAP payments can only be imposed if 1) the penalties are in accordance with generally accepted local rental market practices and law governing penalties for late payment by tenants; 2) it is the owner's normal business practice to charge late payment penalties for both assisted and unassisted families; and 3) the owner charges the assisted family for late payment of the family's share of the rent.

The PHA is not required to pay a late payment penalty if HUD determines that the payment is late for reasons beyond the PHA's control. In addition, late payment penalties are not required if the PHA intentionally delays or denies payment as a remedy to an owner breach of the HAP contract [HCV Guidebook p. 11-7].

Termination of HAP Payments [24 CFR 982.311(b)]

The PHA must continue making housing assistance payments to the owner in accordance with the HAP contract as long as the tenant continues to occupy the unit and the HAP contract is not violated.

HAP payments terminate when the HAP contract terminates or when the tenancy is terminated in accordance with the terms of the lease.

If the owner has initiated eviction proceedings against the family and the family continues to reside in the unit, the PHA must continue to make housing assistance payments to the owner until the owner has obtained a court judgment or other process allowing the owner to evict the tenant.

PHA Policy

The owner must inform the PHA when the owner has initiated eviction proceedings against the family and the family continues to reside in the unit.

The owner must inform the PHA when the owner has obtained a court judgment or other process allowing the owner to evict the tenant and provide the PHA with a copy of such judgment or determination.

After the owner has obtained a court judgment or other process allowing the owner to evict the tenant, the PHA will continue to make HAP payments to the owner until the family actually moves from the unit or until the family is physically evicted from the unit, whichever is earlier. The owner must inform the PHA of the date when the family actually moves from the unit or the family is physically evicted from the unit.

13-II.D. BREACH OF HAP CONTRACT [24 CFR 982.453]

Any of the following actions by the owner constitutes a breach of the HAP contract:

- If the owner violates any obligations under the HAP contract including failure to maintain the unit in accordance with NSPIRE standards
- If the owner has violated any obligation under any other HAP contract under Section 8
- If the owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program
- For projects with mortgages insured by HUD or loans made by HUD, if the owner has failed to comply with the regulation for the applicable program; or if the owner has committed fraud, bribery or any other corrupt or criminal act in connection with the mortgage or loan
- If the owner has engaged in drug-related criminal activity
- If the owner has committed any violent criminal activity

If the PHA determines that a breach of the HAP contract has occurred, it may exercise any of its rights and remedies under the HAP contract.

The PHA rights and remedies against the owner under the HAP contract include recovery of any HAP overpayment, suspension of housing assistance payments, abatement or reduction of the housing assistance payment, termination of the payment or termination of the HAP contract. The PHA may also obtain additional relief by judicial order or action.

The PHA must notify the owner of its determination and provide in writing the reasons for the determination. The notice may require the owner to take corrective action by an established deadline. The PHA must provide the owner with written notice of any reduction in housing assistance payments or the termination of the HAP contract.

PHA Policy

Before the PHA invokes a remedy against an owner, the PHA will evaluate all information and documents available to determine if the contract has been breached.

If relevant, the PHA will conduct an audit of the owner's records pertaining to the tenancy or unit.

If it is determined that the owner has breached the contract, the PHA will consider all of the relevant factors including the seriousness of the breach, the effect on the family, the owner's record of compliance and the number and seriousness of any prior HAP contract violations.

13-II.E. HAP CONTRACT TERM AND TERMINATIONS

The term of the HAP contract runs concurrently with the term of the dwelling lease [24 CFR 982.451(a)(2)], beginning on the first day of the initial term of the lease and terminating on the last day of the term of the lease, including any lease term extensions.

The HAP contract and the housing assistance payments made under the HAP contract terminate if [HCV Guidebook pp.11-4 and 11-5, pg. 15-3]:

- The owner or the family terminates the lease;
- The lease expires;
- The PHA terminates the HAP contract;
- The PHA terminates assistance for the family;
- The family moves from the assisted unit. In this situation, the owner is entitled to keep the housing assistance payment for the month when the family moves out of the unit.
- 180 calendar days have elapsed since the PHA made the last housing assistance payment to the owner;
- The family is absent from the unit for longer than the maximum period permitted by the PHA;
- The Annual Contributions Contract (ACC) between the PHA and HUD expires
- The PHA elects to terminate the HAP contract.

PHA Policy

The PHA may elect to terminate the HAP contract in each of the following situations:

Available program funding is not sufficient to support continued assistance for families in the program [24 CFR 982.454];

The unit does not meet size requirements due to change in family composition [24 CFR 982.403] – see Chapter 8;

The unit does not meet NSPIRE standards [24 CFR 982.404] – see Chapter 8;

The family breaks up [HUD Form 52641] – see Chapter 3;

The owner breaches the HAP contract [24 CFR 982.453(b)] – see Section 13-II.D.

If the PHA terminates the HAP contract, the PHA must give the owner and the family written notice. The notice must specify the reasons for the termination and the effective date of the termination. Once a HAP contract is terminated, no further HAP payments may be made under that contract [HCV Guidebook pg.15-4].

PHA Policy

Generally, the HAP contract terminates at the end of the calendar month that follows the calendar month in which the PHA gives written notice to the owner.

The PHA cannot make any HAP payment for any month after the month the family vacates the unit.

The owner is not entitled to any housing assistance payment after this period and must return to the PHA any housing assistance payment received after this period.

If the family moves from the assisted unit into a new unit, even if the new unit is in the same building or complex as the assisted unit, the HAP contract for the assisted unit terminates. A new HAP contract would be required [HCV GB, p. 11-17].

When the family moves from an assisted unit into a new unit, the term of the HAP contract for the new unit may begin in the same month in which the family moves out of its old unit. This is not considered a duplicative subsidy [HCV GB, p. 8-22].

13-II.F. CHANGE IN OWNERSHIP / ASSIGNMENT OF THE HAP CONTRACT [HUD-52641]

The HAP contract cannot be assigned to a new owner without the prior written consent of the PHA.

An owner under a HAP contract must notify the PHA in writing prior to a change in the legal ownership of the unit. The owner must supply all information as requested by the PHA.

Prior to approval of assignment to a new owner, the new owner must agree to be bound by and comply with the HAP contract. The agreement between the new owner and the former owner must be in writing and in a form that the PHA finds acceptable. The new owner must provide the PHA with a copy of the executed agreement.

PHA Policy

Assignment of the HAP contract will be approved only if the new owner is qualified to become an owner under the HCV program according to the policies in Section 13-I.D. of this chapter.

The PHA must receive a signed, written request from the existing owner stating the name and address of the new HAP payee and the effective date of the assignment in order to change the HAP payee under an outstanding HAP contract.

Within 10 business days of receiving the owner's request, the PHA will inform the current owner in writing whether the assignment may take place.

The new owner must provide a written certification to the PHA that includes:

A copy of the escrow statement or other document showing the transfer of title and recorded deed;

A copy of the owner's IRS Form W-9, Request for Taxpayer Identification Number and Certification, or the social security number of the new owner;

The effective date of the HAP contract assignment;

A written agreement to comply with the terms of the HAP contract; and

A certification that the new owner is not a prohibited relative.

If the new owner does not agree to an assignment of the HAP contract, or fails to provide the necessary documents, the PHA will terminate the HAP contract with the old owner. If the new owner wants to offer the family a new lease, and the family elects to stay with continued assistance, the PHA will process the leasing in accordance with the policies in Chapter 9.

Chapter 14

PROGRAM INTEGRITY

INTRODUCTION

The PHA is committed to ensuring that subsidy funds made available to the PHA are spent in accordance with HUD requirements.

This chapter covers HUD and PHA policies designed to prevent, detect, investigate, and resolve instances of program abuse or fraud. It also describes the actions that will be taken in the case of unintentional errors and omissions.

Part I: Preventing, Detecting, and Investigating Errors and Program Abuse. This part presents PHA policies related to preventing, detecting, and investigating errors and program abuse.

Part II: Corrective Measures and Penalties. This part describes the corrective measures the PHA must and may take when errors or program abuses are found.

PART I: PREVENTING, DETECTING, AND INVESTIGATING ERRORS AND PROGRAM ABUSE

14-I.A. PREVENTING ERRORS AND PROGRAM ABUSE

HUD created the Enterprise Income Verification (EIV) system to provide PHAs with a powerful tool for preventing errors and detecting program abuse. PHAs are required to use the EIV system at annual reexamination in accordance with HUD administrative guidance [24 CFR 5.233].

PHAs are further required to:

- Provide applicants and participants with form HUD-52675, “Debts Owed to PHAs and Terminations”
- Require all adult members of an applicant or participant family to acknowledge receipt of form HUD-52675 by signing a copy of the form for retention in the family file

PHA Policy

To ensure that the PHA’s HCV program is administered according to the highest ethical and legal standards, the PHA will employ a variety of techniques to ensure that both errors and intentional program abuse are rare.

The PHA will discuss program compliance and integrity issues during the voucher briefing sessions described in Chapter 5.

The PHA will provide each applicant and participant with a copy of “Is Fraud Worth It?” (form c) which explains the types of actions a family must avoid and the penalties for program abuse.

The PHA will provide each applicant and participant with a copy of “What You Should Know about EIV,” a guide to the Enterprise Income Verification (EIV)

system published by HUD as an attachment to Notice PIH 2017-12. In addition, the PHA will require the head of each household to acknowledge receipt of the guide by signing a copy for retention in the family file.

The PHA will place a warning statement about the penalties for fraud (as described in 18 U.S.C. 1001 and 1010) on key PHA forms and form letters that request information from a family or owner.

PHA staff will be required to review and explain the contents of all HUD- and PHA-required forms prior to requesting family member signatures.

At every regular reexamination, PHA staff will explain any changes in HUD regulations or PHA policy that affect program participants.

The PHA will provide owners with ongoing information about the program, with an emphasis on actions and situations to avoid.

The PHA will provide each PHA employee with the necessary training on program rules and the organization's standards of conduct and ethics.

For purposes of this chapter the term *error* refers to an unintentional error or omission. *Program abuse or fraud* refers to a single act or pattern of actions that constitute a false statement, omission, or concealment of a substantial fact, made with the intent to deceive or mislead.

14-I.B. DETECTING ERRORS AND PROGRAM ABUSE

In addition to taking steps to prevent errors and program abuse, the PHA will use a variety of activities to detect errors and program abuse.

Quality Control and Analysis of Data

Under the Section 8 Management Assessment Program (SEMAP), HUD requires the PHA to review a random sample of tenant records annually to determine if the records conform to program requirements and to conduct quality control inspections of a sample of units to ensure compliance with NSPIRE standards [24 CFR, Part 985]. (See Chapter 16 for additional information about SEMAP requirements).

PHA Policy

In addition to the SEMAP quality control requirements, the PHA will employ a variety of methods to detect errors and program abuse.

The PHA routinely will use HUD and other non-HUD sources of up-front income verification.

At each annual reexamination, current information provided by the family will be compared to information provided at the last annual reexamination to identify inconsistencies and incomplete information.

The PHA will compare family-reported income and expenditures to detect possible unreported income.

Individual Reporting of Possible Errors and Program Abuse

PHA Policy

The PHA will encourage staff, program participants, and the public to report possible program abuse. PHA will maintain a fraud hotline.

14-I.C. INVESTIGATING ERRORS AND PROGRAM ABUSE

When the PHA Will Investigate

PHA Policy

The PHA will review all referrals, specific allegations, complaints, and tips from any source including other agencies, companies, and individuals, to determine if they warrant investigation. In order for the PHA to investigate, the allegation must contain at least one independently verifiable item of information, such as the name of an employer or the name of an unauthorized household member.

The PHA will investigate when inconsistent or contradictory information is detected through file reviews and the verification process.

Consent to Release of Information [24 CFR 982.516]

The PHA may investigate possible instances of error or abuse using all available PHA and public records. If necessary, the PHA will require HCV families to sign consent forms for the release of additional information.

Analysis and Findings

PHA Policy

The PHA will base its evaluation on a preponderance of the evidence collected during its investigation.

Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence that as a whole shows that the fact sought to be proved is more probable than not. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

For each investigation the PHA will determine (1) whether an error or program abuse has occurred, (2) whether any amount of money is owed the PHA, and (3) what corrective measures or penalties will be assessed.

Consideration of Remedies

All errors and instances of program abuse must be corrected prospectively. Whether the PHA will enforce other corrective actions and penalties depends upon the nature of the error or program abuse.

PHA Policy

In the case of family-caused errors or program abuse, the PHA will take into consideration (1) the seriousness of the offense and the extent of participation or culpability of individual family members, (2) any special circumstances surrounding the case, (3) any mitigating circumstances related to the disability of a family member, (4) the effects of a particular remedy on family members who were not involved in the offense.

In the case of owner-caused errors or program abuse, the PHA will take into consideration (1) the seriousness of the offense, (2) the length of time since the violation has occurred, and (3) the effects of a particular remedy on family members who were not involved in the offense.

Notice and Appeals

PHA Policy

The PHA will inform the relevant party in writing of its findings and remedies within 10 business days of the conclusion of the investigation. The notice will include (1) a description of the error or program abuse, (2) the basis on which the PHA determined the error or program abuses, (3) the remedies to be employed, and (4) the family's right to appeal the results through the informal review or hearing process, if applicable (see Chapter 16).

PART II: CORRECTIVE MEASURES AND PENALTIES

14-II.A. SUBSIDY UNDER- OR OVERPAYMENTS

A subsidy under- or overpayment includes (1) an incorrect housing assistance payment to the owner, (2) an incorrect family share established for the family, and (3) an incorrect utility reimbursement to a family.

Corrections

Whether the incorrect subsidy determination is an overpayment or underpayment of subsidy, the PHA must promptly correct the HAP, family share, and any utility reimbursement prospectively.

PHA Policy

Increases in the family share will be implemented on the first of the month following a written 30-day notice.

Any decreases in family share will become effective the first of the month following the discovery of the error.

Reimbursement

Whether the family or owner is required to reimburse the PHA or the PHA is required to make retroactive subsidy payments to the owner or family depends upon which party is responsible for the incorrect subsidy payment and whether the action taken was an error or program abuse. Policies regarding reimbursement are discussed in the three sections that follow.

14-II.B. FAMILY-CAUSED ERRORS AND PROGRAM ABUSE

Family obligations and general administrative requirements for participating in the program are discussed throughout this plan. This section deals specifically with errors and program abuse by family members.

An incorrect subsidy determination caused by a family generally would be the result of incorrect reporting of family composition, income, assets, or expenses, but also would include instances in which the family knowingly allows the PHA to use incorrect information provided by a third party.

Family Reimbursement to PHA [HCV GB pp. 22-12 to 22-13]

PHA Policy

In the case of family-caused errors or program abuse, the family will be required to repay any excess subsidy received. The PHA may, but is not required to, offer the family a repayment agreement in accordance with Chapter 16. If the family fails to repay the excess subsidy, the PHA will terminate the family's assistance in accordance with the policies in Chapter 12.

PHA Reimbursement to Family [HCV GB p. 22-12]

PHA Policy

The PHA will not reimburse the family for any underpayment of assistance when the underpayment clearly is caused by the family.

Prohibited Actions

An applicant or participant in the HCV program must not knowingly:

- Make a false statement to the PHA [Title 18 U.S.C. Section 1001].
- Commit fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [24 CFR 982.552(c)(iv)].

PHA Policy

Any of the following will be considered evidence of family program abuse:

Payment to the owner in excess of amounts authorized by the PHA for rent, security deposit, and additional services

Offering bribes or illegal gratuities to the PHA Board of Commissioners, employees, contractors, or other PHA representatives

Offering payments or other incentives to the owner or a third party as an inducement for the third party to make false or misleading statements to the PHA on the family's behalf

Use of a false name or the use of falsified, forged, or altered documents

Intentional misreporting of family information or circumstances (e.g. income, family composition)

Omitted facts that were obviously known by a family member (e.g., not reporting employment income)

Admission of program abuse by an adult family member

The PHA may determine other actions to be program abuse based upon a preponderance of the evidence, as defined earlier in this chapter.

Penalties for Program Abuse

In the case of program abuse caused by a family the PHA may, at its discretion, impose any of the following remedies.

- The PHA may require the family to repay excess subsidy amounts paid by the PHA, as described earlier in this section.
- The PHA may require, as a condition of receiving or continuing assistance, that a culpable family member not reside in the unit. See policies in Chapter 3 (for applicants) and Chapter 12 (for participants).
- The PHA may deny or terminate the family's assistance following the policies set forth in Chapter 3 and Chapter 12 respectively.
- The PHA may refer the family for state or federal criminal prosecution as described in section 14-II.E.

14-II.C. OWNER-CAUSED ERROR OR PROGRAM ABUSE

Owner requirements that are part of the regular process of offering, leasing, and maintaining a unit (e.g., NSPIRE compliance, fair housing) are addressed in the appropriate chapters of this plan. This section focuses on errors and program abuse by owners.

An incorrect subsidy determination caused by an owner generally would be the result of an incorrect owner statement about the characteristics of the assisted unit (e.g., the number of bedrooms, which utilities are paid by the family). It also includes accepting duplicate housing assistance payments for the same unit in the same month, or after a family no longer resides in the unit.

Owner Reimbursement to the PHA

In all cases of overpayment of subsidy caused by the owner, the owner must repay to the PHA any excess subsidy received. The PHA may recover overpaid amounts by withholding housing assistance payments due for subsequent months, or if the debt is large, the PHA may allow the owner to pay in installments over a period of time [HCV GB p. 22-13].

PHA Policy

In cases where the owner has received excess subsidy, the PHA will require the owner to repay the amount owed in accordance with the policies in Section 16-IV.B.

Prohibited Owner Actions

An owner participating in the HCV program must not:

- Make any false statement to the PHA [Title 18 U.S.C. Section 1001].
- Commit fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [24 CFR 982.453(a)(3)] including:

PHA Policy

Any of the following will be considered evidence of owner program abuse:

Charging the family rent above or below the amount specified by the PHA

Charging a security deposit other than that specified in the family's lease

Charging the family for services that are provided to unassisted tenants at no extra charge

Knowingly accepting housing assistance payments for any month(s) after the family has vacated the unit

Knowingly accepting incorrect or excess housing assistance payments

Offering bribes or illegal gratuities to the PHA Board of Commissioners, employees, contractors, or other PHA representatives

Offering payments or other incentives to an HCV family as an inducement for the family to make false or misleading statements to the PHA

Residing in the unit with an assisted family

Committing sexual or other harassment, either quid pro quo or hostile environment, based on the protected classes defined in Chapter 2

Retaliating against any applicant or participant reporting/alleging sexual or other harassment, either quid pro quo or hostile environment, based on the protected classes defined in Chapter 2

Remedies and Penalties

When the PHA determines that the owner has committed program abuse, the PHA may take any of the following actions:

- Require the owner to repay excess housing assistance payments, as discussed earlier in this section and in accordance with the policies in Chapter 16.
- Terminate the HAP contract (See Chapter 13).
- Bar the owner from future participation in any PHA programs.
- Refer the case to state or federal officials for criminal prosecution as described in section 14-II.E.

14-II.D. PHA-CAUSED ERRORS OR PROGRAM ABUSE

The responsibilities and expectations of PHA staff with respect to normal program administration are discussed throughout this plan. This section specifically addresses actions of a PHA staff member that are considered errors or program abuse related to the HCV program. Additional standards of conduct may be provided in the PHA personnel policy.

PHA-caused incorrect subsidy determinations include (1) failing to correctly apply HCV rules regarding family composition, income, assets, and expenses, (2) assigning the incorrect voucher size to a family, and (3) errors in calculation.

De Minimis Errors [24 CFR 5.609(c)(4)]

The PHA will not be considered out of compliance when making annual income determinations solely due to de minimis errors in calculating family income. A de minimis error is an error where the PHA determination of family income deviates from the correct income determination by no more than \$30 per month in monthly adjusted income (\$360 in annual adjusted income) per family.

PHAs must take corrective action to credit or repay a family if the family was overcharged rent, including when PHAs make de minimis errors in the income determination. Families will not be required to repay the PHA in instances where the PHA miscalculated income resulting in a family being undercharged for rent. PHAs state in their policies how they will repay or credit a family the amount they were overcharged as a result of the PHA's de minimis error in income determination.

PHA Policy

The PHA will reimburse a family through corrected HAP payments to owner, regardless of whether the overpayment was the result of staff-caused error, staff program abuse, or a de minimis error.

Prohibited Activities

PHA Policy

Any of the following will be considered evidence of program abuse by PHA staff:

- Failing to comply with any HCV program requirements for personal gain

- Failing to comply with any HCV program requirements as a result of a conflict of interest relationship with any applicant, participant, or owner

- Seeking or accepting anything of material value from applicants, participating families, vendors, owners, contractors, or other persons who provide services or materials to the PHA

- Disclosing confidential or proprietary information to outside parties

- Gaining profit as a result of insider knowledge of PHA activities, policies, or practices

- Misappropriating or misusing HCV funds

Destroying, concealing, removing, or inappropriately using any records related to the HCV program

Committing any other corrupt or criminal act in connection with any federal housing program

14-II.E. CRIMINAL PROSECUTION

PHA Policy

When the PHA determines that program abuse by an owner, family, or PHA staff member has occurred and the amount of overpaid subsidy meets or exceeds the threshold for prosecution under local or state law, the PHA will refer the matter to the appropriate entity for prosecution. When the amount of overpaid assistance meets or exceeds the federal threshold, the case will also be referred to the HUD Office of Inspector General (OIG).

Other criminal violations related to the HCV program will be referred to the appropriate local, state, or federal entity.

14-II.F. FRAUD AND PROGRAM ABUSE RECOVERIES

The PHA may retain a portion of program fraud losses that the PHA recovers from a family or owner through litigation, court order, or a repayment agreement [24 CFR 982.163].

The PHA must be the principal party initiating or sustaining the action to recover amounts due from tenants that are due as a result of fraud and abuse. 24 CFR 792.202 permits the PHA to retain the greater of:

- 50 percent of the amount it actually collects from a judgment, litigation (including settlement of a lawsuit) or an administrative repayment agreement, or
- Reasonable and necessary costs that the PHA incurs related to the collection including costs of investigation, legal fees, and agency collection fees.

The family must be afforded the opportunity for an informal hearing in accordance with requirements in 24 CFR 982.555.

If HUD incurs costs on behalf of the PHA related to the collection, these costs must be deducted from the amount retained by the PHA.

Chapter 15

SPECIAL HOUSING TYPES

[24 CFR 982 Subpart M; New HCV GB, *Special Housing Types*]

INTRODUCTION

The PHA may permit a family to use any of the special housing types discussed in this chapter. However, the PHA is not required to permit families receiving assistance in its jurisdiction to use these housing types, except that PHAs must permit use of any special housing type if needed as a reasonable accommodation for a person with a disability. The PHA also may limit the number of families who receive HCV assistance in these housing types and cannot require families to use a particular housing type. No special funding is provided for special housing types. Unless specifically modified by the regulations, NSPIRE standards apply to special housing types (Single Room Occupancy, Congregate Housing, Group Homes, Shared Housing, Manufactured Homes, Homeownership units) [Notice PIH 2023-28].

PHA Policy

VASH special purpose voucher holders only will be able to utilize the following special housing types:

Single Room Occupancy, Congregate Housing, Group Homes, Manufactured Homes, and Homeownership units. Families will not be permitted to use any other special housing types, unless needed as a reasonable accommodation to ensure that the program is readily accessible to a person with disabilities. However, policy language is included in this chapter where relevant in the event the PHA does grant use as a reasonable accommodation. Special housing types include single room occupancy (SRO), congregate housing, group homes, shared housing, cooperative housing, manufactured homes where the family owns the home and leases the space, and homeownership [24 CFR 982.601]. A single unit cannot be designated as more than one type of special housing. The PHA cannot give preference to households that wish to live in any of these types of housing and cannot require households to select any of these types of housing [New HCV GB, *Special Housing Types*, p. 3].

This chapter consists of the following six parts. Each part contains a description of the housing type and any special requirements associated with it. Except as modified by this chapter, the general requirements of the HCV program apply to special housing types.

Part I: Single Room Occupancy

Part II: Congregate Housing

Part III: Group Homes

Part IV: Cooperative Housing

Part V: Manufactured Homes (including manufactured home space rental)

Part VI: Homeownership

PART I: SINGLE ROOM OCCUPANCY

[24 CFR 982.602 through 982.605; Form HUD-52641; New HCV GB,
Special Housing Types, p. 4]

15-I.A. OVERVIEW

A single room occupancy (SRO) unit provides living and sleeping space for the exclusive use of the occupant but requires the occupant to share sanitary and/or food preparation facilities with others. More than one person may not occupy an SRO unit. HCV regulations do not limit the number of units in an SRO facility, but the size of a facility may be limited by local ordinances.

When providing HCV assistance in an SRO unit, a separate lease and HAP contract are executed for each assisted person. The standard form of the HAP contract is used (form HUD-52641) with the special housing type specified in Part A of the HAP contract, as follows: “This HAP contract is used for the following special housing type under HUD regulations for the Section 8 voucher program: Single room occupancy (SRO) housing.”

15-I.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION

The payment standard for SRO housing is 75 percent of the zero-bedroom payment standard amount on the PHA’s payment standard schedule.

The utility allowance for an assisted person residing in SRO housing is 75 percent of the zero-bedroom utility allowance.

The HAP for an assisted occupant in an SRO facility is the lower of the SRO payment standard amount minus the TTP or the gross rent for the unit minus the TTP.

15-I.C. NATIONAL STANDARDS FOR THE PHYSICAL INSPECTION OF REAL ESTATE (NSPIRE)

NSPIRE requirements described in Chapter 8 apply to SRO housing except that sanitary facilities, and space and security characteristics must meet local code standards for SRO housing. In the absence of applicable local code standards for SRO housing, the following standards apply:

- *Access:* Access doors to the SRO unit must have working locks for privacy. The occupant must be able to access the unit without going through any other unit. Each unit must have immediate access to two or more approved means of exit from the building, appropriately marked and leading to safe and open space at ground level. The SRO unit must also have any other means of exit required by State or local law.
- *Fire Safety:* All SRO facilities must have a sprinkler system that protects major spaces. “Major spaces” are defined as hallways, large common areas, and any other areas specified in local fire, building, or safety codes. SROs must also have hard-wired smoke detectors, and any other fire and safety equipment required by state or local law.

Sanitary facilities and space and security standards must meet local code requirements for SRO housing. In the absence of local code standards, the requirements discussed below apply [24 CFR 982.605].

-
- *Sanitary Facilities:* At least one flush toilet that can be used in privacy, a lavatory basin, and a bathtub or shower in proper operating condition must be provided for each six persons (or fewer) residing in the SRO facility. If the SRO units are leased only to males, flush urinals may be substituted for up to one half of the required number of toilets. Sanitary facilities must be reasonably accessible from a common hall or passageway to all persons sharing them and may not be located more than one floor above or below the SRO unit. They may not be located below grade unless the SRO units are located on that level.
- *Space and Security:* An SRO unit must contain at least 110 square feet of floor space, and at least four square feet of closet space with an unobstructed height of at least five feet, for use by the occupant. If the closet space is less than four square feet, the habitable floor space in the SRO unit must be increased by the amount of the deficiency. Exterior doors and windows accessible from outside the SRO unit must be lockable.

For SRO housing, 24 CFR 5.703(d) only applies to the extent that the SRO unit contains the room or facility referenced in 24 CFR 5.703(d). Because no children live in SRO housing, the NSPIRE standards applicable to lead-based paint do not apply.

PART II: CONGREGATE HOUSING

[24 CFR 982.606 through 982.609; Form HUD-52641; New HCV GB,
Special Housing Types, p. 6]

15-II.A. OVERVIEW

Congregate housing is intended for use by elderly persons or persons with disabilities. A congregate housing facility contains a shared central kitchen and dining area and a private living area for the individual household that includes at least a living room, bedroom and bathroom. Food service for residents must be provided.

If approved by the PHA, a family member or live-in aide may reside with the elderly person or person with disabilities. The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in congregate housing, a separate lease and HAP contract are executed for each assisted family. The standard form of the HAP contract is used (form HUD-52641) with the special housing type specified in Part A of the HAP contract, as follows: "This HAP contract is used for the following special housing type under HUD regulations for the Section 8 voucher program: Congregate housing."

15-II.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION

The payment standard for an individual unit in a congregate housing facility is based on the number of rooms in the private living area for the assisted family. If there is only one room in the unit (not including the bathroom or the kitchen, if a kitchen is provided), the PHA must use the payment standard for a zero-bedroom unit. If the unit has two or more rooms (other than the bathroom and the kitchen), the PHA must use the one-bedroom payment standard.

The HAP for an assisted occupant in a congregate housing facility is the lower of the applicable payment standard minus the TTP or the gross rent for the unit minus the TTP.

The gross rent for the unit for the purpose of calculating HCV assistance is the shelter portion (including utilities) of the resident's monthly housing expense only. The residents' costs for food service should not be included in the rent for a congregate housing unit.

15-II.C. NATIONAL STANDARDS FOR THE PHYSICAL INSPECTION OF REAL ESTATE (NSPIRE)

NSPIRE requirements as described in Chapter 8 apply to congregate housing except for the requirements stated below. Congregate housing is not subject to the requirement that the dwelling unit must have a kitchen area. In place of the NSPIRE standards related to food preparation and refuse disposal, congregate housing must have a refrigerator of appropriate size in the private living area of each resident, a central kitchen and dining facilities located within the premises and accessible to the residents, and food service for the residents, that is not provided by the residents themselves.

The congregate housing must contain adequate facilities and services for the sanitary disposal of food waste and refuse, including facilities for temporary storage where necessary.

The NSPIRE standards applicable to lead-based paint do not apply unless a child under the age of six is expected to reside in the unit.

PART III: GROUP HOME

[24 CFR 982.610 through 982.614; Form HUD-52641; New HCV GB,
Special Housing Types, p. 8]

15-III.A. OVERVIEW

A group home is a state-approved (licensed, certified, or otherwise approved in writing by the state) facility intended for occupancy by elderly persons and/or persons with disabilities. Except for live-in aides, all persons living in a group home, whether assisted or not, must be elderly persons or persons with disabilities. Persons living in a group home must not require continuous medical or nursing care.

A group home consists of bedrooms for residents, which can be shared by no more than two people, and a living room, kitchen, dining area, bathroom, and other appropriate social, recreational, or community space that may be shared with other residents. No more than 12 persons may reside in a group home including assisted and unassisted residents and any live-in aides.

If approved by the PHA, a live-in aide may live in the group home with a person with disabilities. The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in a group home, a separate lease and HAP contract is executed for each assisted family. The standard form of the HAP contract is used (form HUD-52641) with the special housing type specified in Part A of the HAP contract, as follows: "This HAP contract is used for the following special housing type under HUD regulations for the Section 8 voucher program: Group home."

15-III.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION

Unless there is a live-in aide, the family unit size (voucher size) for an assisted occupant of a group home must be zero- or one-bedroom. If there is a live-in aide, the aide must be counted in determining the household's unit size.

The payment standard used to calculate the HAP is the lower of the payment standard for the family unit size or the pro rata share of the payment standard for the group home size. The pro rata share is calculated by dividing the number of persons in the assisted household by the number of persons (assisted and unassisted) living in the group home. The number of persons in the assisted household equals one assisted person plus any PHA-approved live-in aide.

The HAP for an assisted occupant in a group home is the lower of the payment standard minus the TTP or the gross rent minus the TTP.

The utility allowance for an assisted occupant in a group home is the pro rata share of the family unit size to the utility allowance for the group home.

The rents paid for participants residing in group homes are subject to generally applicable standards for rent reasonableness. The rent for an assisted person must not exceed the pro rata portion of the reasonable rent for the group home. In determining reasonable rent, the PHA must consider whether sanitary facilities and facilities for food preparation and service are common facilities or private facilities.

15-III.C. NATIONAL STANDARDS FOR THE PHYSICAL INSPECTION OF REAL ESTATE (NSPIRE)

The entire unit must comply with NSPIRE requirements described in Chapter 8, except for the standards that relate to sanitary facilities, food preparation and refuse disposal, space and security, structure and materials, and site and neighborhood and stated below.

- *Sanitary Facilities:* A group home must have at least one bathroom in the facility, with a flush toilet that can be used in privacy, a fixed basin with hot and cold running water, and a shower or bathtub with hot and cold running water. A group home may contain private or common bathrooms. However, no more than four residents can be required to share a bathroom.
- *Food Preparation and Service:* Group home units must contain a kitchen and dining area with adequate space to store, prepare, and serve food. The facilities for food preparation and service may be private or may be shared by the residents. The kitchen must contain a range, an oven, a refrigerator, and a sink with hot and cold running water. The sink must drain into an approvable public or private disposal system.
- *Space and Security:* Group homes must contain at least one bedroom of appropriate size for every two people, and a living room, kitchen, dining area, bathroom, and other appropriate social, recreational, or community space that may be shared with other residents. Doors and windows accessible from outside the unit must be lockable.
- *Structure and Material:* To avoid any threat to the health and safety of the residents, group homes must be structurally sound. Elevators must be in good condition. Group homes must be accessible to and usable by residents with disabilities.

- *Site and Neighborhood:* Group homes must be located in a residential setting. The site and neighborhood should be reasonably free from disturbing noises and reverberations, and other hazards to the health, safety, and general welfare of the residents, and should not be subject to serious adverse conditions, such as:
 - Dangerous walks or steps
 - Instability
 - Flooding, poor drainage
 - Septic tank back-ups, sewage hazards
 - Mud slides
 - Abnormal air pollution
 - Smoke or dust
 - Excessive noise
 - Vibrations or vehicular traffic
 - Excessive accumulations of trash
 - Vermin or rodent infestation, and
 - Fire hazards.

The housing quality standards applicable to lead-based paint do not apply unless a child under the age of six is expected to reside in the unit.

PART IV: COOPERATIVE HOUSING

[24 CFR 982.619; New HCV GB, *Special Housing Types*, p. 14]

15-IV.A. OVERVIEW

This part applies to rental assistance for a cooperative member residing in cooperative housing. It does not apply to assistance for a cooperative member who has purchased membership under the HCV homeownership option, or to rental assistance for a family that leases a cooperative housing unit from a cooperative member.

A cooperative is a form of ownership (nonprofit corporation or association) in which the residents purchase memberships in the ownership entity. Rather than being charged “rent” a cooperative member is charged a “carrying charge.” The monthly carrying charge includes the member’s share of the cooperative debt service, operating expenses, and necessary payments to cooperative reserve funds. It does not include down payments or other payments to purchase the cooperative unit or to amortize a loan made to the family for this purpose.

The occupancy agreement or lease and other appropriate documents must provide that the monthly carrying charge is subject to Section 8 limitations on rent to owner, and the rent must be reasonable as compared to comparable unassisted units.

When providing HCV assistance in cooperative housing, the standard form of the HAP contract is used with the special housing type specified in Part A of the HAP contract, as follows: “This HAP contract is used for the following special housing type under HUD regulations for the Section 8 voucher program: Cooperative housing.”

15-IV.B. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION

The payment standard and utility allowance are determined according to regular HCV program requirements.

The HAP for a cooperative housing unit is the lower of the payment standard minus the TTP or the gross rent (monthly carrying charge for the unit, plus any utility allowance) minus the TTP. The monthly carrying charge includes the member’s share of the cooperative debt service, operating expenses, and necessary payments to cooperative reserve funds. The carrying charge does not include down payments or other payments to purchase the cooperative unit or to amortize a loan made to the family for this purpose.

15-IV.C. NATIONAL STANDARDS FOR THE PHYSICAL INSPECTION OF REAL ESTATE (NSPIRE)

All standard NSPIRE requirements apply to cooperative housing units. There are no additional NSPIRE requirements. The PHA remedies described in 24 CFR 982.404 do not apply. Rather, if the unit and premises are not maintained in accordance with NSPIRE standards, the PHA may exercise all available remedies regardless of whether the family or cooperative is responsible for the breach of NSPIRE standards.

No housing assistance payment can be made unless unit meets NSPIRE and the defect is corrected within the period as specified by the PHA and the PHA verifies correction (see Chapter 8).

In addition to regular NSPIRE deficiencies, breaches of NSPIRE standards by the family include failure to perform any maintenance for which the family is responsible in accordance with the terms of the cooperative occupancy agreement [HCV GB].

PART V: MANUFACTURED HOMES

[24 CFR 982.620 through 982.624; FR Notice 1/18/17; New HCV GB,
Special Housing Types, p. 15;]

15-V.A. OVERVIEW

A manufactured home is a manufactured structure, transportable in one or more parts, that is built on a permanent chassis, and designed for use as a principal place of residence. HCV-assisted families may occupy manufactured homes in three different ways.

- (1) A family can choose to rent a manufactured home already installed on a space and the PHA must permit it. In this instance program rules are the same as when a family rents any other residential housing, except that there are special NSPIRE requirements as provided in 15-VI.D. below.
- (2) A family can purchase a manufactured home under the Housing Choice Voucher Homeownership program.
- (3) HUD also permits an otherwise eligible family that owns a manufactured home to rent a space for the manufactured home and receive HCV assistance with the rent for the space as well as certain other housing expenses. PHAs may, but are not required to, provide assistance for such families.

15-V.B. SPECIAL REQUIREMENTS FOR MANUFACTURED HOME OWNERS WHO LEASE A SPACE

Family Income

In determining the annual income of families leasing manufactured home spaces, the value of the family's equity in the manufactured home in which the family resides is not counted as a family asset.

Lease and HAP Contract

There is a designated HAP Contract (form HUD-52642) and designated Tenancy Addendum (form HUD 52642-A) for this special housing type.

15-V.C. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION [FR Notice 1/18/17]

Payment Standards

The PHA payment standard for manufactured homes is determined in accordance with 24 CFR 982.505 and is the payment standard used for the PHA's HCV program. It is based on the applicable FMR for the area in which the manufactured home space is located.

The payment standard for the family is the lower of the family unit size (voucher size) or the payment standard for the number of bedrooms in the manufactured home.

Utility Allowance

The PHA must establish utility allowances for manufactured home space rental. For the first 12 months of the initial lease term only, the allowance must include an amount for a utility hook-up charge if the family actually incurred a hook-up charge because of a move. This allowance will not be given to a family that leases in place. Utility allowances for manufactured home space must not include the costs of digging a well or installing a septic system.

If the amount of the monthly assistance payment for a family exceeds the monthly rent for the manufactured home space (including the owner's monthly management and maintenance charges), the PHA may pay the remainder to the family, lender, or utility company.

Space Rent

The rent for the manufactured home space (including other eligible housing expenses) is the total of:

- The rent charged for the manufactured home space;
- Owner maintenance and management charges for the space;
- The monthly payments made by the family to amortize the cost of purchasing the manufactured home, including any required insurance and property taxes; and
- The applicable allowance for tenant-paid utilities.

Amortization Costs

The monthly payment made by the family to amortize the cost of purchasing the manufactured home is the debt service established at the time of application to a lender for financing the purchase of the manufactured home if monthly payments are still being made. Any increase in debt service due to refinancing after purchase of the home may not be included in the amortization cost. Debt service for set-up charges incurred by a family may be included in the monthly amortization payments made by the family. In addition, set-up charges incurred before the family became an assisted family may be included in the amortization cost if monthly payments are still being made to amortize the charges.

Housing Assistance Payment

The HAP for a manufactured home space under the housing choice voucher program is the lower of the payment standard minus the TTP or the manufactured home space rent (including other eligible housing expenses) minus the TTP.

Rent Reasonableness

Initially, and at least annually thereafter, the PHA must determine that the rent for the manufactured home space is reasonable based on rents for comparable manufactured home spaces. The PHA must consider the location and size of the space, and any services and maintenance to be provided by the owner. By accepting the monthly housing assistance payment, the owner of the manufactured home space certifies that the rent does not exceed rents charged by the owner for comparable unassisted spaces in the same manufactured home park or elsewhere.

If requested by the PHA, the owner must give the PHA information on rents charged by the owner for other manufactured home spaces.

15-V.D. NATIONAL STANDARDS FOR THE PHYSICAL INSPECTION OF REAL ESTATE (NSPIRE)

Under either type of occupancy described in 15-VI.A. above, the manufactured home must meet all NSPIRE performance requirements and acceptability criteria discussed in Chapter 8 of this plan. In addition, the following requirement applies:

Manufactured Home Tie-Down

A manufactured home must be placed on the site in a stable manner and must be free from hazards such as sliding or wind damage. The home must be securely anchored by a tie-down device that distributes and transfers the loads imposed by the unit to appropriate ground anchors to resist overturning and sliding.

PART VI: HOMEOWNERSHIP

[24 CFR 982.625 through 982.643]

15-VI.A. OVERVIEW [24 CFR 982.625]

The homeownership option is used to assist a family residing in a home purchased and owned by one or more members of the family. A family assisted under this option may be newly admitted or an existing participant in the HCV program, applicants are not eligible. The PHA must have the capacity to operate a successful HCV homeownership program as defined by the regulations.

PHA Policy

The PHA requires that financing for purchase of a home under its Section 8 homeownership program:

- Be provided, insured or guaranteed by the State or Federal government; and
- Comply with secondary mortgage market underwriting requirements; or
- Comply with generally accepted private sector underwriting standards

There are two forms of homeownership assistance described in the regulations: monthly homeownership assistance payments and single down payment assistance grants. However, PHAs may not offer down payment assistance until and unless funding is allocated by Congress. Since this has not yet happened, only monthly homeownership assistance may be offered.

PHA Policy

The PHA will offer monthly homeownership assistance payments to qualified families.

The PHA must offer homeownership assistance if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities. It is the sole responsibility of the PHA to determine whether it is reasonable to implement a homeownership program as a reasonable accommodation. The PHA must determine what is reasonable based on the specific circumstances and individual needs of the person with a disability. The PHA may determine that it is not reasonable to offer homeownership assistance as a reasonable accommodation in cases where the PHA has otherwise opted not to implement a homeownership program.

The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

15-VI.B. FAMILY ELIGIBILITY [24 CFR 982.627]

The family must meet all of the requirements listed below before the commencement of homeownership assistance. The PHA may also establish additional initial requirements as long as they are described in the PHA administrative plan.

- The family must have been admitted to the Housing Choice Voucher program.
- The family must qualify as a first-time homeowner, or may be a cooperative member.
- The family must meet the Federal minimum income requirement. The family must have a gross annual income equal to the Federal minimum wage multiplied by 2000, based on the income of adult family members who will own the home. The PHA may establish a higher income standard for families. However, a family that meets the federal minimum income requirement (but not the PHA's requirement) will be considered to meet the minimum income requirement if it can demonstrate that it has been pre-qualified or pre-approved for financing that is sufficient to purchase an eligible unit.

PHA Policy

The PHA has established a minimum income requirement of the New York State minimum wage multiplied by 30 hours per week for 52 weeks for non-disabled families.

- For disabled families, the minimum income requirement is equal to the current SSI monthly payment for an individual living alone, multiplied by 12.
- For elderly or disabled families, welfare assistance payments for adult family members who will own the home will be included in determining whether the family meets the minimum income requirement. It will not be included for other families.
- The family must satisfy the employment requirements by demonstrating that one or more adult members of the family who will own the home at commencement of homeownership assistance is currently employed on a full-time basis (the term 'full-time employment' means not less than an average of 30 hours per week); and has been continuously so employed during the year before commencement of homeownership assistance for the family.

PHA Policy

Families will be considered “continuously employed” if the break in employment does not exceed 90 days.

The PHA will count self-employment in a business when determining whether the family meets the employment requirement.

- The employment requirement does not apply to elderly and disabled families. In addition, if a family, other than an elderly or disabled family includes a person with disabilities, the PHA must grant an exemption from the employment requirement if the PHA determines that it is needed as a reasonable accommodation.
- The family has not defaulted on a mortgage securing debt to purchase a home under the homeownership option

- Except for cooperative members who have acquired cooperative membership shares prior to commencement of homeownership assistance, no family member has a present ownership interest in a residence at the commencement of homeownership assistance for the purchase of any home.
- Except for cooperative members who have acquired cooperative membership shares prior to the commencement of homeownership assistance, the family has entered a contract of sale in accordance with 24 CFR 982.631(c).

PHA Policy

The PHA will impose additional eligibility requirements. To be eligible to participate in the homeownership option, families must meet the following criteria:

The family is not within the initial one-year period of a HAP Contract.

The family does not owe money to the PHA.

The family has not committed any serious or repeated violations of a PHA-assisted lease within the past year.

The family is current on rent.

The adult family member who will own the home must be enrolled in the FSS program for a minimum of 6 months, including previous participants. Previous participant is defined as someone who exited the program more than one year prior to enrollment in the homeownership program. This may be waived for elderly or disabled families.

15-VI.C. SELECTION OF FAMILIES [24 CFR 982.626]

Unless otherwise provided (under the homeownership option), the PHA may limit homeownership assistance to families or purposes defined by the PHA, and may prescribe additional requirements for commencement of homeownership assistance for a family. Any such limits or additional requirements must be described in the PHA administrative plan.

If the PHA limits the number of families that may participate in the homeownership option, the PHA must establish a system by which to select families to participate.

PHA Policy

All families must meet eligibility requirements as defined in Section 15-VII.B. of this plan.

15-VLD. ELIGIBLE UNITS [24 CFR 982.628]

In order for a unit to be eligible, the PHA must determine that the unit satisfies all of the following requirements:

- The unit must meet HUD’s “eligible housing” requirements. The unit may not be any of the following:
 - A public housing or Indian housing unit;
 - A unit receiving Section 8 project-based assistance;
 - A nursing home, board and care home, or facility providing continual psychiatric, medical or nursing services;
 - A college or other school dormitory;
 - On the grounds of penal, reformatory, medical, mental, or similar public or private institutions.
- The unit must be under construction or already exist at the time the family enters into the contract of sale.
- The unit must be a one-unit property or a single dwelling unit in a cooperative or condominium.
- The unit must have been inspected by the PHA and by an independent inspector designated by the family.
- The unit must meet the National Standards for the Physical Inspection of Real Estate – NSPIRE. (see Chapter 8).
- For a unit where the family will not own fee title to the real property (such as a manufactured home), the home must have a permanent foundation and the family must have the right to occupy the site for at least 40 years.
- For PHA-owned units all of the following conditions must be satisfied:
 - The PHA informs the family, both orally and in writing, that the family has the right to purchase any eligible unit and a PHA-owned unit is freely selected by the family without PHA pressure or steering;
 - The unit is not ineligible housing;
 - The PHA obtains the services of an independent entity as define in CFR 982.4 and in accordance with CFR982.352(b)(1) to perform the following functions: to inspect the unit for compliance with the National Standards for the Physical Inspection of Real Estate (NSPIRE)/HQS program, review the independent inspection report, review the contract of sale, determine the reasonableness of the sales price and any PHA provided financing. All of these actions must be completed in accordance with the PHA’s homeownership program Administrative Plan.

The PHA must not approve the unit if the PHA has been informed that the seller is debarred, suspended, or subject to a limited denial of participation.

15-VLE. ADDITIONAL PHA REQUIREMENTS FOR SEARCH AND PURCHASE [24 CFR 982.629]

It is the family's responsibility to find a home that meets the criteria for voucher homeownership assistance. The PHA may establish the maximum time that will be allowed for a family to locate and purchase a home, and may require the family to report on their progress in finding and purchasing a home.

PHA Policy

During the search period, the family will continue to receive HCV rental assistance in accordance with any active lease and HAP contract until the family vacates the rental unit for its purchased home.

The family will be required to report their progress on locating and purchasing a home to the PHA every 30 days until the home is purchased.

A voucher to move will be issued at the time of the Mortgage Commitment and the family will be given 60 days to close on their home. The family may request an extension for circumstances beyond the family's control. All requests for an extension must be submitted in writing to the PHA prior to the expiration of the period for which the extension is being requested. The PHA will approve or disapprove the extension request within 10 business days and the family will be notified in writing.

15-VLF. HOMEOWNERSHIP COUNSELING [24 CFR 982.630]

Before commencement of homeownership assistance for a family, the family must attend and satisfactorily complete the pre-purchase homeownership and housing counseling program required by the PHA. HUD suggests the following topics for the PHA-required pre-purchase counseling, which is covered in the HUD certified Homebuyer Education certificate class:

- Home maintenance (including care of the grounds);
- Budgeting and money management;
- Credit counseling;
 - How to negotiate the purchase price of a home;
 - How to obtain homeownership financing and loan pre-approvals, including a description of types of financing that may be available, and the pros and cons of different types of financing;
 - How to find a home, including information about homeownership opportunities, schools, and transportation in the PHA jurisdiction;
 - Advantages of purchasing a home in an area that does not have a high concentration of low-income families and how to locate homes in such areas;

- Information on fair housing, including fair housing lending and local fair housing enforcement agencies; and
- Information about the Real Estate Settlement Procedures Act (12 U.S.C. 2601 et seq.) (RESPA), state and Federal truth-in-lending laws, and how to identify and avoid loans with oppressive terms and conditions.

The PHA may adapt the subjects covered in pre-assistance counseling (as listed) to local circumstances and the needs of individual families.

PHA Policy

The adult family members who will own the home are required to complete the 'Am I Ready for Homeownership' and 'Financial Education Workshop' classes prior to being admitted to the homeownership program.

The PHA may also offer additional counseling after commencement of homeownership assistance (ongoing counseling). If the PHA offers a program of ongoing counseling by a HUD certified housing counselor for participants in the homeownership option, the PHA shall have discretion to determine whether the family is required to participate in the ongoing counseling.

15-VLG. HOME INSPECTIONS, CONTRACT OF SALE, AND PHA DISAPPROVAL OF SELLER [24 CFR 982.631]

Home Inspections

When the family locates a home they wish to purchase and submits the Contract of Sale two inspections will occur.

An independent professional inspector selected by and paid for by the family must inspect the unit. The independent inspection must cover major building systems and components, including foundation and structure, housing interior and exterior, and the roofing, plumbing, electrical, and heating systems. The independent inspector must be qualified to report on property conditions, including major building systems and components.

The PHA may not require the family to use an independent inspector selected by the PHA. The independent inspector may not be a PHA employee or contractor, or other person under control of the PHA. However, the PHA may establish standards for qualification of inspectors selected by families under the homeownership option.

PHA Policy

The family must hire an independent professional inspector, whose report must be submitted to the PHA for review. This inspector must be a member of the American Society of Home Inspectors (ASHI) or other recognized professional society, or a licensed engineer. The inspector may not be a PHA employee.

The PHA may not commence monthly homeownership assistance payments for a family until the PHA has inspected the unit and has determined that the unit passes an NSPIRE inspection.

PHA Policy

The PHA will conduct an NSPIRE inspection within 5-10 business days. Any items found not to meet NSPIRE must be repaired before the unit can be determined eligible for the homeownership subsidy.

The PHA may disapprove a unit for assistance based on information in the independent inspector's report, even if the unit was found to comply with NSPIRE.

PHA Policy

The PHA will review the professional report in a timely fashion and, based on the presence of major physical problems, may:

- Advise the family not to purchase the home; or
- Disapprove the purchase of the home.

If the PHA disapproves the purchase of a home, the family will be notified in writing of the reasons for the disapproval.

The PHA will not conduct NSPIRE inspections while the family is receiving homeownership assistance.

Contract of Sale

Before commencement of monthly homeownership assistance payments, a member or members of the family must enter into a contract of sale with the seller of the unit to be acquired by the family. The family must give the PHA a copy of the contract of sale. The contract of sale must:

- Specify the price and other terms of sale by the seller to the purchaser;
- Provide that the purchaser will arrange for a pre-purchase inspection of the dwelling unit by an independent inspector selected by the purchaser;
- Provide that purchaser must make arrangements for Belmont staff to inspect the property for compliance with HUD's National Standards for the Physical Inspection of Real Estate (NSPIRE).
- Provide that the purchaser is not obligated to purchase the unit unless the inspections and/or subsequent repairs are satisfactory to the purchaser;
- Provide that the purchaser is not obligated to pay for any necessary repairs; and
- Contain a certification from the seller that the seller has not been debarred, suspended, or subject to a limited denial of participation under CFR part 24.

Disapproval of a Seller

In its administrative discretion, the PHA may deny approval of a seller for the same reasons a PHA may disapprove an owner under the regular HCV program [see 24 CFR 982.306(c)].

15-VI.H. FINANCING [24 CFR 982.632]

The PHA may establish requirements for financing the purchase of a home under the homeownership option. This may include requirements concerning qualification of lenders, terms of financing, restrictions concerning debt secured by the home, lender qualifications, loan terms, and affordability of the debt. The PHA must establish policies describing these requirements in the administrative plan.

A PHA may not require that families acquire financing from one or more specified lenders, thereby restricting the family's ability to secure favorable financing terms.

PHA Policy

As a check against predatory lending, the PHA will review the financing of each purchase transaction, including estimated closing costs. The PHA will review the loans for features, such as balloon payments, adjustable rate mortgages, and unusually high interest rates, all of which are prohibited. The PHA also will not approve "seller financing", "owner-held" or "rent to own" mortgages.

Mortgage affordability will be determined by the PHA pre-closing.

- Mortgage affordability will be defined as:
 - The Debt-to-Income ratio can not exceed 45%.
- This may be waived or modified at the PHA's discretion.

Down Payment

PHA Policy

The mortgage the family applies for must require a minimum down payment of at least 1% of the purchase price that comes from the purchaser's personal funds. The PHA will not require that the family have any more than the minimum of 1% of their own money in the transaction. However, in cases where a lender is requiring a larger amount, the family may be held to the underwriting guidelines set by their lending institution.

The PHA will approve a family's request to utilize its Family Self-Sufficiency escrow account for down payment and/or closing costs when purchasing a unit under the HCV homeownership option.

The Mortgage

PHA Policy

- The mortgage for which the family applies will follow established minimum homeowner contribution requirements using standard and government underwriting guidelines.
- The initial mortgage must have taxes and insurance held in escrow by the lender.

- Closing costs may not exceed 6% of the sales price unless the purchaser is buying points in order to reduce the mortgage rate, and the broker's fee which is included in the closing costs may not exceed 2% of the mortgage amount.
- The family is restricted from entering into a subprime mortgage which may include excess broker fees, closing costs or excess interest (over 1% above the prime rate).
- The PHA will neither impose nor enforce any recapture of assistance in the event the home is sold or refinanced.
- Refinancing will be allowed once the PHA examines if it is in the best interest of the family, ie. to lower the mortgage payment or to make needed repairs.
- A cashout refinance will not be allowed.

15-VI.I. CONTINUED ASSISTANCE REQUIREMENTS; FAMILY OBLIGATIONS [24 CFR 982.633]

Homeownership assistance may only be paid while the family is residing in the home. If the family moves out of the home, the PHA may not continue homeownership assistance after the month when the family moves out. The family or lender is not required to refund to the PHA the homeownership assistance for the month when the family moves out.

Before commencement of homeownership assistance, the family must execute a statement in which the family agrees to comply with all family obligations under the homeownership option.

The family must comply with the following obligations:

- The family must comply with the terms of the mortgage securing debt incurred to purchase the home, or any refinancing of such debt.
- The family may not convey or transfer ownership of the home, except for purposes of financing, refinancing, or pending settlement of the estate of a deceased family member. Use and occupancy of the home are subject to 24 CFR 982.551 (h) and (i).
- The family must supply information to the PHA or HUD as specified in 24 CFR 982.551(b). The family must further supply any information required by the PHA or HUD concerning mortgage financing or refinancing, sale or transfer of any interest in the home, or homeownership expenses.
- The family must notify the PHA before moving out of the home.

- The family must notify the PHA if the family defaults on the mortgage used to purchase the home.
- No family member may have any ownership interest in any other residential property.
- The family must comply with the obligations of a participant family described in 24 CFR 982.551, except for the following provisions which do not apply to assistance under the homeownership option: 24 CFR 982.551(c), (d), (e), (f), (g) and (j).

15-VI.J. MAXIMUM TERM OF HOMEOWNER ASSISTANCE [24 CFR 982.634]

Except in the case of a family that qualifies as an elderly or disabled family, other families (described below) shall not receive homeownership assistance for more than:

- Fifteen years, if the initial mortgage incurred to finance purchase of the home has a term of 20 years or longer; or
- Ten years, in all other cases.

The maximum term described above applies to any member of the family who:

- Has an ownership interest in the unit during the time that homeownership payments are made; or
- Is the spouse of any member of the household who has an ownership interest in the unit during the time homeownership payments are made.

In the case of an elderly family, the exception only applies if the family qualifies as an elderly family at the start of homeownership assistance. In the case of a disabled family, the exception applies if at any time during receipt of homeownership assistance the family qualifies as a disabled family.

If, during the course of homeownership assistance, the family ceases to qualify as a disabled or elderly family, the maximum term becomes applicable from the date homeownership assistance commenced. However, such a family must be provided at least 6 months of homeownership assistance after the maximum term becomes applicable (provided the family is otherwise eligible to receive homeownership assistance).

If the family has received such assistance for different homes, or from different PHAs, the total of such assistance terms is subject to the maximum term described in this part.

15-VL.K. HOMEOWNERSHIP ASSISTANCE PAYMENTS AND HOMEOWNERSHIP EXPENSES [24 CFR 982.635]

The monthly homeownership assistance payment is the lower of: the voucher payment standard minus the total tenant payment, or the monthly homeownership expenses minus the total tenant payment.

In determining the amount of the homeownership assistance payment, the PHA will use the same payment standard schedule, payment standard amounts, and subsidy standards as those described elsewhere in this plan for the Housing Choice Voucher program. The payment standard ~~for a family is the greater of (i) The payment standard as determined at the commencement of homeownership assistance for occupancy of the home, or (ii) The payment standard at the most recent regular reexamination of family income and composition since the commencement of homeownership assistance for occupancy of the home.~~ amount may not be lower than what the payment standard amount was at commencement of homeownership assistance.

The PHA may pay the homeownership assistance payments directly to the family, or at the PHA's discretion, to a lender on behalf of the family. If the assistance payment exceeds the amount due to the lender, the PHA must pay the excess directly to the family or utility obligations.

Homeownership assistance for a family ends automatically 180 calendar days after the last homeownership assistance payment on behalf of the family. However, a PHA may grant relief from this requirement in those cases where automatic termination would result in extreme hardship for the family.

PHA Policy

In order for the PHA to consider granting relief from the requirement to automatically end homeownership assistance 180 days following the PHA's last housing assistance payment on behalf of the family, the family must submit a request to the PHA at least 30 days prior to the date of automatic termination. The request must include an explanation of the circumstances that will cause an extreme hardship for the family (e.g., the imminent loss of income or employment) as well as documentation supporting the request. The PHA will determine on a case-by-case basis whether to grant relief from the requirement and for what period of time. In no case will the PHA postpone ending payments beyond an additional 180 days.

The PHA must adopt policies for determining the amount of homeownership expenses to be allowed by the PHA in accordance with HUD requirements.

Homeownership expenses (not including cooperatives) only include amounts allowed by the PHA to cover:

- Principal and interest on initial mortgage debt, any refinancing of such debt, and any mortgage insurance premium incurred to finance purchase of the home;
- Real estate taxes and public assessments on the home;
- Home insurance;
- The PHA allowance for maintenance expenses;
- The PHA allowance for costs of major repairs and replacements;
- The PHA utility allowance for the home;
- Principal and interest on mortgage debt incurred to finance costs for major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if the PHA determines that allowance of such costs as homeownership expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person;
- Land lease payments where a family does not own fee title to the real property on which the home is located; [see 24 CFR 982.628(b)].
- For a condominium unit, condominium operating charges or maintenance fees assessed by the condominium homeowner association.

Homeownership expenses for a cooperative member may only include amounts allowed by the PHA to cover:

- The cooperative charge under the cooperative occupancy agreement including payment for real estate taxes and public assessments on the home;
- Principal and interest on initial debt incurred to finance purchase of cooperative membership shares and any refinancing of such debt;
- Home insurance;
- The PHA allowance for maintenance expenses;
- The PHA allowance for costs of major repairs and replacements;
- The PHA utility allowance for the home; and
- Principal and interest on debt incurred to finance major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if the PHA determines that allowance of such costs as homeownership expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person.

- Cooperative operating charges or maintenance fees assessed by the cooperative homeowner association.

PHA Policy

The PHA will allow the following homeownership expenses:

Monthly homeownership payment. This includes principal and interest on initial mortgage debt, taxes and insurance, and any mortgage insurance premium, if applicable.

Utility allowance. The PHA's utility allowance for the unit, based on the current HCV utility allowance schedule.

Monthly maintenance allowance. The monthly maintenance allowance will be set at \$75.

Monthly major repair/replacement allowance. The monthly major repair/replacement allowance will be set at \$200.

Monthly co-op/condominium assessments. If applicable, the monthly amount of co-op or condominium association operation and maintenance assessments.

Monthly principal and interest on debt for improvements. Principal and interest for major home repair, replacements, or improvements, if applicable.

15-VI.L. PORTABILITY [24 CFR 982.636, 982.637, 982.353(b) and (c), 982.552, 982.553]

Subject to the restrictions on portability included in HUD regulations and PHA policies, a family may exercise portability if the receiving PHA is administering a voucher homeownership program and accepting new homeownership families. The receiving PHA may absorb the family into its voucher program, or bill the initial PHA.

PHA Policy

Families porting into the PHA's jurisdiction must be absorbed in order to utilize the homeownership option. Billing for homeownership will not be allowed.

The family must attend the briefing and counseling sessions required by the receiving PHA. The receiving PHA will determine whether the financing for, and the physical condition of the unit, are acceptable. The receiving PHA must promptly notify the initial PHA if the family has purchased an eligible unit under the program, or if the family is unable to purchase a home within the maximum time established by the PHA.

15-VI.M. MOVING WITH CONTINUED ASSISTANCE [24 CFR 982.637]

A family receiving homeownership assistance may move with continued tenant-based assistance. The family may move with voucher rental assistance or with voucher homeownership assistance.

The PHA must determine that all initial requirements have been satisfied if a family that has received homeownership assistance wants to move with continued homeownership assistance. However, the following do not apply:

- The requirement that a family must be a first-time homeowner.
- The requirement for pre-assistance homebuyer education. However the PHA may require that the family complete additional counseling (before or after moving to a new unit with continued homeownership assistance).

Continued tenant-based assistance for a new unit cannot begin so long as any family member holds title to the prior home. However, when the family or a member of the family is or has been the victim of domestic violence, dating violence, sexual assault or stalking and the move is needed to protect the health or safety of the family or family member, the family may be assisted with continued tenant-based assistance even if they own any title or other interest in the prior home.

The PHA may deny permission to move to a new unit with continued voucher assistance:

- If the PHA has insufficient funding to provide continued assistance.
- In accordance with 24 CFR 982.638, regarding denial or termination of assistance. In this case, the PHA must provide written notification to the local HUD Office within 10 business days of determining it is necessary to deny moves based on insufficient funding.
- In accordance with the PHA's policy regarding number of moves within a 12-month period.

The PHA must deny the family permission to move to a new unit with continued voucher rental assistance if:

- The family defaulted on an FHA-insured mortgage; and
- The family fails to demonstrate that the family has conveyed, or will convey, title to the home, as required by HUD, to HUD or HUD's designee; and the family has moved, or will move, from the home within the period established or approved by HUD.

PHA Policy

For families participating in the homeownership option, requests to move will be approved and/or denied in accordance with PHA policies in Chapter 12.

15-VI.N. DENIAL OR TERMINATION OF ASSISTANCE [24 CFR 982.638]

At any time, the PHA may deny or terminate homeownership assistance in accordance with HCV program requirements in 24 CFR 982.552 (Grounds for denial or termination of assistance) or 24 CFR 982.553 (Crime by family members).

The PHA may also deny or terminate assistance for violation of participant obligations described in 24 CFR Parts 982.551 or 982.633 and in accordance with its own policy.

The PHA must terminate voucher homeownership assistance for any member of family receiving homeownership assistance that is dispossessed from the home pursuant to a judgment or order of foreclosure on any mortgage (whether FHA insured or non-FHA) securing debt incurred to purchase the home, or any refinancing of such debt.

PHA Policy

The PHA will terminate a family's homeownership assistance if the family violates any of the homeowner obligations listed in Section 1, as well as for any of the reasons listed in Section 2 of form HUD-52649, Statement of Homeowner Obligations Housing Choice Homeownership Voucher Program.

In making its decision to terminate homeownership assistance, the PHA will consider alternatives as described in Section 12-II.C and other factors described in Section 12-II.D. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Termination notices will be sent in accordance with the requirements and policies set forth in Section 12-II.F.

Chapter 16

PROGRAM ADMINISTRATION

INTRODUCTION

This chapter discusses administrative policies and practices that are relevant to the activities covered in this plan. The policies are discussed in seven parts as described below:

Part I: Administrative Fee Reserve. This part describes the PHA's policies with regard to oversight of expenditures from its administrative fee reserve.

Part II: Setting Program Standards and Schedules. This part describes what payment standards are, and how they are updated, as well as how utility allowances are established and revised.

Part III: Informal Reviews and Hearings. This part outlines the requirements and procedures for informal reviews and hearings, and for informal hearings regarding citizenship status.

Part IV: Owner or Family Debts to the PHA. This part describes policies for recovery of monies that the PHA has overpaid on behalf of families, or to owners, and describes the circumstances under which the PHA will offer repayment agreements to owners and families. Also discussed are the consequences for failure to make payments in accordance with a repayment agreement.

Part V: Section 8 Management Assessment Program (SEMAP). This part describes what the SEMAP scores represent, how they are established, and how those scores affect a PHA.

Part VI: Record-Keeping. All aspects of the program involve certain types of record-keeping. This part outlines the privacy rights of applicants and participants and record retention policies the PHA will follow.

Part VII: Reporting and Record Keeping for Children with Elevated Blood Lead Level. This part describes the PHA's responsibilities for reporting, data collection, and record keeping relative to children with elevated blood lead levels that are less than six years of age, and are receiving HCV assistance.

Part VIII: Determination of Insufficient Funding. This part describes the PHA's policies for determining if there is sufficient funding to issue vouchers, to approve moves to higher cost units or areas, and to continue assistance for all participant families.

Part IX: Violence against Women Act (VAWA): Notification, Documentation, Confidentiality. This part contains key terms used in VAWA and describes requirements related to notifying families and owners about their rights and responsibilities under VAWA; requesting documentation from victims of domestic violence, dating violence, sexual assault, stalking, and human trafficking; and maintaining the confidentiality of information obtained from victims.

PART I: ADMINISTRATIVE FEE RESERVE [24 CFR 982.155]

The PHA will maintain administrative fee reserves, or unrestricted net position (UNP) for the program to pay program administrative expenses in excess of administrative fees paid by HUD for a PHA fiscal year. HUD appropriations acts beginning with FFY 2004 have specified that administrative fee funding may be used only for activities related to the provision of HCV assistance, including related development activities. Notice PIH 2012-9 cites two examples of related development activities: unit modification for accessibility purposes and development of project-based voucher units. The notice makes clear that other activities may also qualify as related development activities. Administrative fees that remain in the UNP account from funding provided prior to 2004 may be used for “other housing purposes permitted by state and local law,” in accordance with 24 CFR 982.155(b)(1).

If a PHA has not adequately administered its HCV program, HUD may prohibit use of funds in the UNP Account and may direct the PHA to use funds in that account to improve administration of the program, for HCV HAP expenses, or to reimburse ineligible expenses in accordance with the regulation at 24 CFR 982.155(b)(3).

PART II: SETTING PROGRAM STANDARDS AND SCHEDULES

16-II.A. OVERVIEW

Although many of the program’s requirements are established centrally by HUD, the HCV program’s regulations recognize that some flexibility is required to allow the PHA to adapt the program to local conditions. This part discusses how the PHA establishes and updates certain schedules and standards that are used to administer the program locally. Details about how these schedules are applied to individual families are provided in other chapters. The schedules and standards discussed here include:

- *Payment Standards*, which dictate the maximum subsidy a family can receive (application of the payment standards is discussed in Chapter 6); and
- *Utility Allowances*, which specify how a family’s payment should be adjusted to account for tenant-paid utilities (application of utility allowances is discussed in Chapter 6).

PHA Policy

Copies of the payment standard and utility allowance schedules are available for review in the PHA’s offices during normal business hours.

Families, owners, and members of the public may submit written comments on the schedules discussed in this part, at any time, for consideration during the next revision cycle.

The PHA will maintain documentation to support its annual review of payment standards and utility allowance schedules. This documentation will be retained for at least 2 years.

Establishing and updating the PHA passbook rate, which is used to calculate imputed income from assets, is covered in Chapter 6 (see Section 6-I.G.).

16-II.B. PAYMENT STANDARDS [24 CFR 982.503; HCV GB, Chapter 7]

The payment standard sets the maximum subsidy payment a family can receive from the PHA each month [24 CFR 982.505(a)]. Payment standards are based on fair market rents (FMRs) published annually by HUD. FMRs are set at a percentile within the rent distribution of standard quality rental housing units in each FMR area. For most jurisdictions FMRs are set at the 40th percentile of rents in the market area.

The PHA must establish a payment standard schedule that establishes payment standard amounts for each FMR area within the PHA's jurisdiction, and for each unit size within each of the FMR areas. For each unit size, the PHA may establish a single payment standard amount for the whole FMR area, or may set different payment standards for different parts of the FMR area. Unless HUD grants an exception, the PHA is required to establish a payment standard within a "basic range" established by HUD – between 90 and 110 percent of the published FMR for each unit size.

Updating Payment Standards

When HUD updates its FMRs, the PHA must update its payment standards if the standards are no longer within the basic range [24 CFR 982.503(b)]. HUD may require the PHA to make further adjustments if it determines that rent burdens for assisted families in the PHA's jurisdiction are unacceptably high [24 CFR 982.503(g)].

PHA Policy

The PHA will review the appropriateness of the payment standards on an annual basis when the new FMR is published, and at other times as determined necessary. In addition to ensuring the payment standards are always within the "basic range" the PHA will consider the following factors when determining whether an adjustment should be made to the payment standard schedule:

Funding Availability: The PHA will review the budget to determine the impact projected subsidy adjustments will have on funding available for the program and the number of families served. The PHA will compare the number of families who could be served under revised payment standard amounts with the number assisted under current payment standard amounts.

Rent Burden of Participating Families: Rent burden will be determined by identifying the percentage of families, for each unit size, that are paying more than 30 percent of their monthly adjusted income as the family share. When 40 percent or more of families, for any given unit size, are paying more than 30 percent of adjusted monthly income as the family share, the PHA will consider increasing the payment standard. In evaluating rent burdens, the PHA will not include families renting a larger unit than their family unit size.

Quality of Units Selected: The PHA may review the quality of units selected by participant families when making the determination of the percent of income families are paying for housing, to ensure that payment standard increases are only made when needed to reach the mid-range of the market.

Changes in Rent to Owner: The PHA may review a sample of the units to determine how often owners are increasing or decreasing rents and the average percent of increases/decreases by bedroom size.

Unit Availability: The PHA may review the availability of units for each unit size, particularly in areas with low concentrations of poor and minority families.

Lease-up Time and Success Rate: The PHA may consider the percentage of families that are unable to locate suitable housing before the voucher expires and whether families are leaving the jurisdiction to find affordable housing.

Effective dates of changes to payment standard amounts will be determined at time of update. The PHA will always ensure the payment standards will be within the basic range.

Exception Payment Standards [24 CFR 982.503(c)(5), Notice PIH 2018-01, FR Notice 9/27/21]

A non-SAFMR PHA may establish an exception payment standard for a zip code area of up to and including 110 percent of the SAFMR determined by HUD for that zip code area. Regardless of the level of the exception payment standard compared to the metropolitan area FMRs (MAFMRs), the PHA must send an email to SAFMRs@hud.gov to notify HUD that it has adopted an exception payment standard based on the SAFMR. A PHA that adopts an exception payment standard pursuant to this authority must apply it to the entire ZIP code area, for both its HCV, and if applicable, its PBV program. For the PBV program, this means that the rent to owner may not exceed the new exception payment standard amount, provided the rent is still reasonable. A PHA that adopts an exception payment standard area must revise its briefing materials to make families aware of the exception payment standard and the area that it covers.

In addition, HUD allows PHAs to establish a HUD-Veterans Affairs Supportive Housing (HUD-VASH) exception payment standard. PHAs may go up to but no higher than 120 percent of the FMR or SAFMR specifically for VASH families. PHAs who want to establish a VASH exception payment standard over 120 percent must still request a waiver from HUD (See Section 19-III.E.).

Voluntary Use of Small Area FMRs [24 CFR 982.503, Notice PIH 2018-01]

PHAs that administer vouchers in a metropolitan area where the adoption of SAFMRs is not required may request approval from HUD to voluntarily adopt SAFMRs. SAFMRs may be voluntarily adopted for one or more zip code areas.

PHA Policy

The PHA is in a mandated SAFMR jurisdiction as of October 1, 2024.

Unit-by-Unit Exceptions [24 CFR 982.503(b), 24 CFR 982.505(d), Notice PIH 2010-26]

Unit-by-unit exceptions to the PHA's payment standards generally are not permitted. However, an exception may be made as a reasonable accommodation for a family that includes a person with disabilities. (See Chapter 2 for a discussion of reasonable accommodations.) This type of exception does not affect the PHA's payment standard schedule.

When needed as a reasonable accommodation, the PHA may make an exception to the payment standard without HUD approval if the exception amount does not exceed 120 percent of the applicable FMR for the unit size [24 CFR 982.503(b)]. The PHA may request HUD approval for an exception to the payment standard for a particular family if the required amount exceeds 120 percent of the FMR.

PHA Policy

A family that requires a reasonable accommodation may request a higher payment standard at the time the Request for Tenancy Approval (RTA) or a rent increase is submitted. The family must document the need for the exception. In order to approve an exception, or request an exception from HUD, the PHA must determine that:

- There is a shortage of affordable units that would be appropriate for the family;
- The family share would otherwise exceed 40 percent of adjusted monthly income;
- and
- The rent for the unit is reasonable.

"Success Rate" Payment Standard Amounts [24 CFR 982.503(e)]

If a substantial percentage of families have difficulty finding a suitable unit, the PHA may request a "success rate payment standard" that applies to the entire jurisdiction. If approved by HUD, a success rate payment standard allows the PHA to set its payment standards at 90-110 percent of a higher FMR (the 50th, rather than the 40th percentile FMR). To support the request, the PHA must demonstrate that during the most recent 6-month period for which information is available:

- Fewer than 75 percent of families who were issued vouchers became participants;
- The PHA had established payment standards for all unit sizes, and for the entire jurisdiction, at 110 percent of the published FMR; and
- The PHA had a policy of allowing voucher holders who made sustained efforts to locate units at least 90 days to search for a unit.

Although HUD approves the success rate payment standard for all unit sizes in the FMR area, the PHA may choose to adjust the payment standard for only some unit sizes in all, or a designated part, of the PHA's jurisdiction within the FMR area.

Decreases in the Payment Standard below the Basic Range [24 CFR 982.503(d)]

The PHA must request HUD approval to establish a payment standard amount that is lower than the basic range. At HUD's sole discretion, HUD may approve establishment of a payment standard lower than the basic range. HUD will not approve a lower payment standard if the family share for more than 40 percent of program participants exceeds 30 percent of adjusted monthly income.

16-II.C. UTILITY ALLOWANCES [24 CFR 982.517]

A PHA-established utility allowance schedule is used in determining family share and PHA subsidy. The PHA must maintain a utility allowance schedule for (1) all tenant-paid utilities, (2) the cost of tenant-supplied refrigerators and ranges, and (3) other tenant-paid housing services such as trash collection.

The utility allowance schedule must be determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the PHA must use normal patterns of consumption for the community as a whole, and current utility rates.

The utility allowance must include the utilities and services that are necessary in the locality to provide housing that complies with housing quality standards. Costs for telephone, cable/satellite television, and internet services are not included in the utility allowance schedule.

In the utility allowance schedule, the PHA must classify utilities and other housing services according to the following general categories: space heating; air conditioning; cooking; water heating; water; sewer; trash collection; other electric; cost of tenant-supplied refrigerator; cost of tenant-supplied range; and other specified housing services.

The cost of each utility and housing service must be stated separately by unit size and type. Chapter 18 of the *HCV Guidebook* provides detailed guidance to the PHA about establishing utility allowance schedules.

Air Conditioning

An allowance for air-conditioning must be provided when the majority of housing units in the market have central air-conditioning or are wired for tenant-installed air conditioners.

PHA Policy

The PHA has included an allowance for air-conditioning in its schedule. Central air-conditioning or a portable air conditioner must be present in a unit before the PHA will apply this allowance to a family's rent and subsidy calculations.

Reasonable Accommodation and Individual Relief

Upon request from a family that includes a person with disabilities, the PHA must approve a utility allowance which is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible and usable by the family member with a disability [24 CFR 982.517(e)]. See Chapter 2 for policies regarding the request and approval of reasonable accommodations.

Further, the PHA may grant requests for relief from charges in excess of the utility allowance on reasonable grounds, such as special needs of the elderly, ill, or residents with disabilities, or special factors not within control of the resident, as the PHA deems appropriate. The family must request the higher allowance and provide the PHA with an explanation of the need for the individual relief and information about the amount of additional allowance required [see HCV GB, p. 18-8].

PHAs should develop criteria for granting individual relief and to notify residents about the availability of individual relief, and also to notify participants about the availability of individual relief programs (sometimes referred to as “Medical Baseline discounts”) offered by the local utility company. Policies for granting exception utility allowances can be found in Section 6-III.D. of this plan.

Utility Allowance Revisions

The PHA must review its schedule of utility allowances each year, and must revise the schedule if there has been a change of 10 percent or more in any utility rate since the last time the allowance for that utility was revised [24 CFR 982.517(c)(1)].

The PHA must maintain information supporting its annual review of utility allowance and any revisions made in its utility allowance schedule.

PART III: INFORMAL REVIEWS AND HEARINGS

16-III.A. OVERVIEW

Both applicants and participants have the right to disagree with, and appeal, certain decisions of the PHA that may adversely affect them. PHA decisions that may be appealed by applicants and participants are discussed in this section.

The process for applicant appeals of PHA decisions is called the “informal review.” For participants (or applicants denied admission because of citizenship issues), the appeal process is called an “informal hearing.” PHAs are required to include informal review procedures for applicants and informal hearing procedures for participants in their administrative plans [24 CFR 982.54(d)(12) and (13)].

16-III.B. INFORMAL REVIEWS

Informal reviews are provided for program applicants. An applicant is someone who has applied for admission to the program, but is not yet a participant in the program. Informal reviews are intended to provide a “minimum hearing requirement” [24 CFR 982.554], and need not be as elaborate as the informal hearing requirements [*Federal Register* 60, no. 127 (3 July 1995): 34690].

Decisions Subject to Informal Review [24 CFR 982.554(a) and (c)]

The PHA must give an applicant the opportunity for an informal review of a decision denying assistance [24 CFR 982.554(a)]. Denial of assistance may include any or all of the following [24 CFR 982.552(a)(2)]:

- Denying listing on the PHA waiting list
- Denying or withdrawing a voucher
- Refusing to enter into a HAP contract or approve a lease
- Refusing to process or provide assistance under portability procedures

Informal reviews are *not* required for the following reasons [24 CFR 982.554(c)]:

- Discretionary administrative determinations by the PHA
- General policy issues or class grievances
- A determination of the family unit size under the PHA subsidy standards
- A PHA determination not to approve an extension of a voucher term
- A PHA determination not to grant approval of the tenancy
- A PHA determination that the unit is not in compliance with the NSPIRE standards
- A PHA determination that the unit does not meet space standards

PHA Policy

The PHA will only offer an informal review to applicants for whom assistance is being denied. Denial of assistance includes: denying listing on the PHA waiting list; denying or withdrawing a voucher; refusing to enter into a HAP contract or approve a lease; refusing to process or provide assistance under portability procedures. The PHA will not allow informal reviews for voucher expiration.

Notice to the Applicant [24 CFR 982.554(a)]

The PHA must give an applicant prompt notice of a decision denying assistance. The notice must contain a brief statement of the reasons for the PHA decision, and must also state that the applicant may request an informal review of the decision. The notice must describe how to obtain the informal review.

Scheduling an Informal Review

PHA Policy

A request for an informal review must be made in writing and delivered to the PHA either in person or by first class mail, by the close of the business day, no later than 10 business days from the date of the PHA's denial of assistance.

The PHA must schedule and send written notice of the informal review within 10 business days of the family's request.

Informal Review Procedures [24 CFR 982.554(b)]

The informal review must be conducted by a person other than the one who made or approved the decision under review, or a subordinate of this person.

The applicant must be provided an opportunity to present written or oral objections to the decision of the PHA.

Remote Informal Reviews [Notice PIH 2020-32]

There is no requirement that informal reviews be conducted in-person and, as such, HUD allows PHAs to conduct all or a portion of their informal review remotely either over the phone, via video conferencing, or through other virtual platforms. If the PHA chooses to conduct remote informal reviews, applicants may still request an in-person informal review, as applicable.

PHA Policy

The PHA will conduct an informal review remotely upon request of the applicant as a reasonable accommodation for a person with a disability, if an applicant does not have child care or transportation that would enable them to attend the informal review, or if the applicant believes an in-person informal review would create an undue health risk. The PHA will consider other reasonable requests for a remote informal review on a case-by-case basis.

Ensuring Accessibility for Persons with Disabilities and LEP Individuals

As with in-person informal reviews, the platform for conducting remote informal reviews must be accessible to persons with disabilities and the informal review must be conducted in

accordance with Section 504 and accessibility requirements. This includes ensuring any information, websites, emails, digital notifications, and other virtual platforms are accessible for persons with vision, hearing, and other disabilities. Further, providing effective communication in a digital context may require the use of individualized auxiliary aids or services, such as audio description, captioning, sign language and other types of interpreters, keyboard accessibility, accessible documents, screen reader support, and transcripts. Auxiliary aids or services must be provided in accessible formats, in a timely manner, and in such a way to protect the privacy and independence of the individual. PHAs may never request or require that individuals with disabilities provide their own auxiliary aids or services, including for remote informal hearings.

PHAs are required to make reasonable accommodations in policies, practices, and procedures to ensure persons with disabilities have a full and equal opportunity to participate in and benefit from all aspects of the informal review process. See Chapter 2 for a more detailed discussion of reasonable accommodation requirements.

If no method of conducting a remote informal review is available that appropriately accommodates an individual's disability, the PHA may not hold against the individual their inability to participate in the remote informal review, and the PHA should consider whether postponing the remote informal review to a later date is appropriate or whether there is a suitable alternative.

Due to the individualized nature of disability, the appropriate auxiliary aid or service necessary, or reasonable accommodation, will depend on the specific circumstances and requirements.

As with in-person reviews, Limited English Proficiency (LEP) requirements also apply to remote informal reviews, including the use of interpretation services and document translation. See Chapter 2 for a more thorough discussion of accessibility and LEP requirements, all of which apply in the context of remote informal reviews.

Informal Review Decision [24 CFR 982.554(b)]

The PHA must notify the applicant of the PHA's final decision, including a brief statement of the reasons for the final decision.

PHA Policy

In rendering a decision, the PHA will evaluate the following matters:

Whether or not the grounds for denial were stated factually in the notice to the family.

The validity of the grounds for denial of assistance. If the grounds for denial are not specified in the regulations, then the decision to deny assistance will be overturned.

The validity of the evidence. The PHA will evaluate whether the facts presented prove the grounds for denial of assistance. If the facts prove that there are grounds for denial, and the denial is required by HUD, the PHA will uphold the decision to deny assistance.

If the facts prove the grounds for denial, and the denial is discretionary, the PHA will consider the recommendation of the person conducting the informal review in making the final decision whether to deny assistance.

The PHA will notify the applicant of the final decision, including a statement explaining the reason(s) for the decision. The notice will be mailed within 10 business days of the informal review, to the applicant and their representative, if any, along with proof of mailing.

If the decision to deny is overturned as a result of the informal review, processing for admission will resume.

If the family fails to appear for their informal review, the denial of admission will stand and the family will be so notified.

16-III.C. INFORMAL HEARINGS FOR PARTICIPANTS [24 CFR 982.555]

PHAs must offer an informal hearing for certain PHA determinations relating to the individual circumstances of a participant family. A participant is defined as a family that has been admitted to the PHA's HCV program and is currently assisted in the program. The purpose of the informal hearing is to consider whether the PHA's decisions related to the family's circumstances are in accordance with the law, HUD regulations and PHA policies.

The PHA is not permitted to terminate a family's assistance until the time allowed for the family to request an informal hearing has elapsed, and any requested hearing has been completed. Termination of assistance for a participant may include any or all of the following:

- Refusing to enter into a HAP contract or approve a lease
- Terminating housing assistance payments under an outstanding HAP contract
- Refusing to process or provide assistance under portability procedures

Decisions Subject to Informal Hearing

Circumstances for which the PHA must give a participant family an opportunity for an informal hearing are as follows:

- A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment
- A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the PHA utility allowance schedule
- A determination of the family unit size under the PHA's subsidy standards
- A determination to terminate assistance for a participant family because of the family's actions or failure to act
- A determination to terminate assistance because the participant has been absent from the assisted unit for longer than the maximum period permitted under PHA policy and HUD rules

- A determination to terminate a family's Family Self Sufficiency contract, withhold supportive services, or propose forfeiture of the family's escrow account [24 CFR 984.303(i)]

Circumstances for which an informal hearing is not required are as follows:

- Discretionary administrative determinations by the PHA
- General policy issues or class grievances
- Establishment of the PHA schedule of utility allowances for families in the program
- A PHA determination not to approve an extension of a voucher term
- A PHA determination not to approve a unit or tenancy
- A PHA determination that a unit selected by the applicant is not in compliance with the NSPIRE standards
- A PHA determination that the unit is not in accordance with space standards because of family size
- A determination by the PHA to exercise or not to exercise any right or remedy against an owner under a HAP contract

PHA Policy

The PHA will only offer participants the opportunity for an informal hearing when required by the regulations.

Remote Informal Hearings [Notice PIH 2020-32]

There is no requirement that informal hearings be conducted in-person, and as such, HUD allows PHAs to conduct all or a portion of their informal hearings remotely either over the phone, via video conferencing, or through other virtual platforms. If the PHA chooses to conduct remote informal hearings, applicants may still request an in-person informal hearing, as applicable.

PHA Policy

The PHA will conduct an informal hearing remotely upon request as a reasonable accommodation for a person with a disability, if a participant does not have child care or transportation that would enable them to attend the informal hearing, or if the participant believes an in-person hearing would create an undue health risk. The PHA will consider other reasonable requests for a remote informal hearing on a case-by-case basis.

Ensuring Accessibility for Persons with Disabilities and LEP Individuals

As with in-person informal hearings, the platform for conducting remote informal hearings must be accessible to persons with disabilities and the informal hearings must be conducted in accordance with Section 504 and accessibility requirements. This includes ensuring any information, websites, emails, digital notifications, and other virtual platforms are accessible for persons with vision, hearing, and other disabilities. Further, providing effective communication in a digital context may require the use of individualized auxiliary aids or services, such as audio description, captioning, sign language and other types of interpreters, keyboard accessibility, accessible documents, screen reader support, and transcripts. Auxiliary aids or services must be provided in accessible formats, in a timely manner, and in such a way to protect the privacy and independence of the individual. PHAs may never request or require that individuals with disabilities provide their own auxiliary aids or services, including for remote informal hearings.

PHAs are required to make reasonable accommodations in policies, practices, and procedures to ensure persons with disabilities have a full and equal opportunity to participate in and benefit from all aspects of the informal hearing process. See Chapter 2 for a more detailed discussion of reasonable accommodation requirements.

If no method of conducting a remote informal hearings is available that appropriately accommodates an individual's disability, the PHA may not hold against the individual their inability to participate in the remote informal hearing, and the PHA should consider whether postponing the remote hearing to a later date is appropriate or whether there is a suitable alternative.

Due to the individualized nature of disability, the appropriate auxiliary aid or service necessary, or reasonable accommodation will depend on the specific circumstances and requirements.

As with in-person reviews, Limited English Proficiency (LEP) requirements also apply to remote informal hearings, including the use of interpretation services and document translation. See Chapter 2 for a more thorough discussion of accessibility and LEP requirements, all of which apply in the context of remote informal hearings.

Informal Hearing Procedures

***Notice to the Family* [24 CFR 982.555(c)]**

When the PHA makes a decision that is subject to informal hearing procedures, the PHA must inform the family of its right to an informal hearing at the same time that it informs the family of the decision.

For decisions related to the family's annual or adjusted income, the determination of the appropriate utility allowance, and the determination of the family unit size, the PHA must notify the family that they may ask for an explanation of the basis of the determination, and that if they do not agree with the decision, they may request an informal hearing on the decision.

For decisions related to the termination of the family's assistance, or the denial of a family's request for an exception to the PHA's subsidy standards, the notice must contain a brief statement of the reasons for the decision, a statement that if the family does not agree with the decision, the family may request an informal hearing on the decision, and a statement of the deadline for the family to request an informal hearing.

PHA Policy

In cases where the PHA makes a decision for which an informal hearing must be offered, the notice to the family will include all of the following:

- The proposed action or decision of the PHA.

- A brief statement of the reasons for the decision.

- The date the proposed action will take place.

- A statement that if the family does not agree with the decision the family may request an informal hearing of the decision.

- A deadline for the family to request the informal hearing.

- To whom the hearing request should be addressed.

Scheduling an Informal Hearing [24 CFR 982.555(d)]

When an informal hearing is required, the PHA must proceed with the hearing in a reasonably expeditious manner upon the request of the family.

PHA Policy

A request for an informal hearing must be made in writing and delivered to the PHA either in person or by first class mail, by the close of the business day, no later than 10 business days from the date of the PHA's decision or notice to terminate assistance.

The PHA must schedule and send written notice of the informal hearing to the family within 10 business days of the family's request.

The family may request to reschedule a hearing for good cause, or if it is needed as a reasonable accommodation for a person with disabilities. Good cause is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family. Requests to reschedule a hearing must be made orally or in writing prior to the hearing date. At its discretion, the PHA may request documentation of the "good cause" prior to rescheduling the hearing.

If the family does not appear within 20 minutes of the scheduled time, and was unable to reschedule the hearing in advance due to the nature of the conflict, the family must contact the PHA within 24 hours of the scheduled hearing date, excluding weekends and holidays. The PHA will reschedule the hearing only if the family can show good cause for the failure to appear, or if it is needed as a reasonable accommodation for a person with disabilities. If the family cannot show good cause for the failure to appear, or a rescheduling is not needed as a reasonable accommodation, the PHA's decision will stand.

Pre-Hearing Right to Discovery [24 CFR 982.555(e)]

Participants and the PHA are permitted pre-hearing discovery rights. The family must be given the opportunity to examine before the hearing any PHA documents that are directly relevant to the hearing. The family must be allowed to copy any such documents at their own expense. If the PHA does not make the document available for examination on request of the family, the PHA may not rely on the document at the hearing.

For the purpose of informal hearings, *documents* include records and regulations.

PHA Policy

The family will be allowed to copy any documents related to the hearing at no cost to the family. The family must request discovery of PHA documents no later than 12:00 p.m. on the business day prior to the hearing.

The PHA hearing procedures may provide that the PHA must be given the opportunity to examine at the PHA offices before the hearing any family documents that are directly relevant to the hearing. The PHA must be allowed to copy any such document at the PHA's expense. If the family does not make the document available for examination on request of the PHA, the family may not rely on the document at the hearing.

PHA Policy

For in-person hearings, the PHA will not require pre-hearing discovery by the PHA of family documents directly relevant to the hearing.

Participant's Right to Bring Counsel [24 CFR 982.555(e)(3)]

At its own expense, the family may be represented by a lawyer or other representative at the informal hearing.

Informal Hearing Officer [24 CFR 982.555(e)(4)]

Informal hearings will be conducted by a person or persons approved by the PHA, other than the person who made or approved the decision or a subordinate of the person who made or approved the decision.

Attendance at the Informal Hearing

PHA Policy

Hearings may be attended by a hearing officer and the following applicable persons:

A PHA representative(s) and any witnesses for the PHA

The participant and any witnesses for the participant

The participant's counsel or other representative

Any other person approved by the PHA as a reasonable accommodation for a person with a disability

Conduct at Hearings

The person who conducts the hearing may regulate the conduct of the hearing in accordance with the PHA's hearing procedures [24 CFR 982.555(4)(ii)].

PHA Policy

The hearing officer is responsible to manage the order of business and to ensure that hearings are conducted in a professional and businesslike manner. Attendees are expected to comply with all hearing procedures established by the hearing officer and guidelines for conduct. Any person demonstrating disruptive, abusive or otherwise inappropriate behavior will be excused from the hearing at the discretion of the hearing officer.

Evidence [24 CFR 982.555(e)(5)]

The PHA and the family must be given the opportunity to present evidence and question any witnesses. In general, all evidence is admissible at an informal hearing. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

PHA Policy

Any evidence to be considered by the hearing officer must be presented at the time of the hearing. There are four categories of evidence.

Oral evidence: the testimony of witnesses

Documentary evidence: a writing which is relevant to the case, for example, a letter written to the PHA. Writings include all forms of recorded communication or representation, including letters, words, pictures, sounds, videotapes or symbols or combinations thereof.

Demonstrative evidence: Evidence created specifically for the hearing and presented as an illustrative aid to assist the hearing officer, such as a model, a chart or other diagram.

Real evidence: A tangible item relating directly to the case.

Hearsay Evidence is evidence based not on a witness' personal knowledge. In and of itself, hearsay evidence carries no weight when making a finding of fact. The hearing officer may include hearsay evidence when considering their decision if it is corroborated by other evidence. Even though hearsay evidence is generally admissible in a hearing, the hearing officer will not base a hearing decision on hearsay alone unless there is clear probative value and credibility of the evidence, and the party seeking the change has met the burden of proof.

If either the PHA (or the family, if required in a remote hearing) fail to comply with the discovery requirements described above, the hearing officer will refuse to admit such evidence.

Other than the failure of a party to comply with discovery, the hearing officer has the authority to overrule any objections to evidence.

Procedures for Rehearing or Further Hearing

PHA Policy

The hearing officer may ask the family for additional information and/or might adjourn the hearing in order to reconvene at a later date, before reaching a decision. If the family misses an appointment or deadline ordered by the hearing officer, the action of the PHA will take effect and another hearing will not be granted.

Hearing Officer's Decision [24 CFR 982.555(e)(6)]

The person who conducts the hearing must issue a written decision, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family must be based on a preponderance of evidence presented at the hearing.

PHA Policy

In rendering a decision, the hearing officer will consider the following matters:

PHA Notice to the Family: The hearing officer will determine if the reasons for the PHA's decision are factually stated in the Notice.

Discovery: The hearing officer will determine if the PHA and the family were given the opportunity to examine any relevant documents in accordance with PHA policy.

PHA Evidence to Support the PHA Decision: The evidence consists of the facts presented. Evidence is not conclusion and it is not argument. The hearing officer will evaluate the facts to determine if they support the PHA's conclusion.

Validity of Grounds for Termination of Assistance (when applicable): The hearing officer will determine if the termination of assistance is for one of the grounds specified in the HUD regulations and PHA policies. If the grounds for termination are not specified in the regulations or in compliance with PHA policies, then the decision of the PHA will be overturned.

The hearing officer will issue a written decision to the family and the PHA no later than 10 business days after the hearing. The report will contain the following information:

Hearing information:

- Name of the participant;
- Date, time and place of the hearing;
- Name of the hearing officer;

Background: A brief, impartial statement of the reason for the hearing.

Summary of the Evidence: The hearing officer will summarize the testimony of each witness and identify any documents that a witness produced in support of their testimony and that are admitted into evidence.

Findings of Fact: The hearing officer will include all findings of fact, based on a preponderance of the evidence. *Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

Conclusions: The hearing officer will render a conclusion derived from the facts that were found to be true by a preponderance of the evidence. The conclusion will result in a determination of whether these facts uphold the PHA's decision.

Order: The hearing report will include a statement of whether the PHA's decision is upheld or overturned. If it is overturned, the hearing officer will instruct the PHA to change the decision in accordance with the hearing officer's determination. In the case of termination of assistance, the hearing officer will instruct the PHA to restore the participant's program status.

Issuance of Decision [24 CFR 982.555(e)(6)]

A copy of the hearing must be furnished promptly to the family.

PHA Policy

The hearing officer will mail a "Notice of Hearing Decision" to the PHA and to the participant on the same day. This notice will be sent by first-class mail. The participant

will be mailed the original “Notice of Hearing Decision.” A copy of the “Notice of Hearing Decision” will be maintained in the PHA’s file.

16-III.D. HEARING AND APPEAL PROVISIONS FOR NONCITIZENS [24 CFR 5.514]

Denial or termination of assistance based on immigration status is subject to special hearing and notice rules. Applicants who are denied assistance due to immigration status are entitled to an informal hearing, not an informal review.

Assistance to a family may not be delayed, denied, or terminated on the basis of immigration status at any time prior to a decision under the United States Citizenship and Immigration Services (USCIS) appeal process. Assistance to a family may not be terminated or denied while the PHA hearing is pending, but assistance to an applicant may be delayed pending the completion of the informal hearing.

A decision against a family member, issued in accordance with the USCIS appeal process or the PHA informal hearing process, does not preclude the family from exercising the right, that may otherwise be available, to seek redress directly through judicial procedures.

Notice of Denial or Termination of Assistance [24 CFR 5.514(d)]

The notice of denial or termination of assistance for noncitizens must advise the family:

- That financial assistance will be denied or terminated, and provide a brief explanation of the reasons for the proposed denial or termination of assistance.
- The family may be eligible for proration of assistance.
- In the case of a participant, the criteria and procedures for obtaining relief under the provisions for preservation of families [24 CFR 5.514 and 5.518].
- That the family has a right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or explanation in support of the appeal.
- That the family has a right to request an informal hearing with the PHA either upon completion of the USCIS appeal or in lieu of the USCIS appeal.
- For applicants, assistance may not be delayed until the conclusion of the USCIS appeal process, but assistance may be delayed during the period of the informal hearing process.

USCIS Appeal Process [24 CFR 5.514(e)]

When the PHA receives notification that the USCIS secondary verification failed to confirm eligible immigration status, the PHA must notify the family of the results of the USCIS verification. The family will have 30 days from the date of the notification to request an appeal of the USCIS results. The request for appeal must be made by the family in writing directly to the USCIS. The family must provide the PHA with a copy of the written request for appeal and the proof of mailing.

PHA Policy

The PHA will notify the family in writing of the results of the USCIS secondary verification within 10 business days of receiving the results.

The family must provide the PHA with a copy of the written request for appeal and proof of mailing within 10 business days of sending the request to the USCIS.

The family must forward to the designated USCIS office any additional documentation or written explanation in support of the appeal. This material must include a copy of the USCIS document verification request (used to process the secondary request) or such other form specified by the USCIS, and a letter indicating that the family is requesting an appeal of the USCIS immigration status verification results.

The USCIS will notify the family, with a copy to the PHA, of its decision. When the USCIS notifies the PHA of the decision, the PHA must notify the family of its right to request an informal hearing.

PHA Policy

The PHA will send written notice to the family of its right to request an informal hearing within 10 business days of receiving notice of the USCIS decision regarding the family's immigration status.

Informal Hearing Procedures for Applicants [24 CFR 5.514(f)]

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that the PHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of the PHA notice of denial, or within 30 days of receipt of the USCIS appeal decision.

The informal hearing procedures for applicant families are described below.

Informal Hearing Officer

The PHA must provide an informal hearing before an impartial individual, other than a person who made or approved the decision under review, and other than a person who is a subordinate of the person who made or approved the decision. See Section 16-III.C. for a listing of positions that serve as informal hearing officers.

Evidence

The family must be provided the opportunity to examine and copy at the family's expense, at a reasonable time in advance of the hearing, any documents in the possession of the PHA pertaining to the family's eligibility status, or in the possession of the USCIS (as permitted by USCIS requirements), including any records and regulations that may be relevant to the hearing.

PHA Policy

The family will be allowed to copy any documents related to the hearing at no charge.

The family must request discovery of PHA documents no later than

12:00 p.m. on the business day prior to the hearing.

The family must be provided the opportunity to present evidence and arguments in support of eligible status. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The family must also be provided the opportunity to refute evidence relied upon by the PHA, and to confront and cross-examine all witnesses on whose testimony or information the PHA relies.

Representation and Interpretive Services

The family is entitled to be represented by an attorney or other designee, at the family's expense, and to have such person make statements on the family's behalf.

The family is entitled to request an interpreter. Upon request, the PHA will provide competent interpretation services, free of charge.

Hearing Decision

The PHA must provide the family with a written final decision, based solely on the facts presented at the hearing, within 14 calendar days of the date of the informal hearing. The decision must state the basis for the decision.

Informal Hearing Procedures for Residents [24 CFR 5.514(f)]

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that the PHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of the PHA notice of termination, or within 30 days of receipt of the USCIS appeal decision.

For the informal hearing procedures that apply to participant families whose assistance is being terminated based on immigration status, see Section 16-III.C.

Retention of Documents [24 CFR 5.514(h)]

The PHA must retain for a minimum of 5 years the following documents that may have been submitted to the PHA by the family, or provided to the PHA as part of the USCIS appeal or the PHA informal hearing process:

- The application for assistance
- The form completed by the family for income reexamination
- Photocopies of any original documents, including original USCIS documents
- The signed verification consent form
- The USCIS verification results
- The request for a USCIS appeal
- The final USCIS determination
- The request for an informal hearing
- The final informal hearing decision

PART IV: OWNER OR FAMILY DEBTS TO THE PHA

16-IV.A. OVERVIEW

PHAs are required to include in the administrative plan, policies concerning repayment by a family of amounts owed to the PHA [24 CFR 982.54]. If the family breaches an agreement with the PHA to pay amounts owed to a PHA, or amounts paid to an owner by a PHA, the PHA, at its discretion, may offer a family the opportunity to enter an agreement to pay amounts owed to a PHA or amounts paid to an owner by a PHA. The PHA may prescribe the terms of the agreement [24 CFR 982.552(c)(1)(vii)]. This part describes the PHA's policies for recovery of monies owed to the PHA by families or owners.

PHA Policy

When an action or inaction of an owner or participant results in the overpayment of housing assistance, the PHA holds the owner or participant liable to return any overpayments to the PHA.

The PHA will enter into repayment agreements in accordance with the policies contained in this part as a means to recover overpayments.

16-IV.B. REPAYMENT POLICY

Owner Debts to the PHA

PHA Policy

Any amount due to the PHA by an owner must be repaid by the owner prior to the following HAP Payment or within 30 days of the PHA determination of the debt, whichever is sooner.

If the owner fails to repay the debt within the required time frame and is entitled to future HAP payments, the PHA will reduce the future HAP payments by the amount owed until the debt is paid in full.

If the owner is not entitled to future HAP payments the PHA may, in its sole discretion, offer to enter into a repayment agreement on terms prescribed by the PHA.

If the owner refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, the PHA may ban the owner from future participation in the program and pursue other modes of collection.

When an owner refuses to repay monies owed to the PHA, the PHA may utilize other available collection alternatives including, but not limited to, the following:

- Collection agencies

- Small claims court

- Civil lawsuit

- State income tax set-off program

Family Debts to the PHA

Families are required to reimburse the PHA if they were charged less rent than required because the family either underreported or failed to report income. PHAs are required to determine retroactive rent amounts as far back as the PHA has documentation of family unreported income [Notice PIH 2018-18].

PHA Policy

Any amount owed to the PHA by an HCV family must be repaid by the family. If the family is unable to repay the debt within 30 days, the PHA will offer to enter into a repayment agreement in accordance with the policies below.

Refusal to Enter into an Agreement

If the family refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, the PHA must terminate assistance [Notice PIH 2018-18].

PHA Policy

When a family refuses to repay monies owed to the PHA, in addition to termination of program assistance, the PHA may utilize other available collection alternatives including, but not limited to, the following:

- Collection agencies
- Small claims court
- Civil lawsuit
- State income tax set-off program

Repayment Agreement [24 CFR 792.103]

The term *repayment agreement* refers to a formal written document signed by a tenant or owner and provided to the PHA in which a tenant or owner acknowledges a debt in a specific amount and agrees to repay the amount due at specific time periods.

General Repayment Agreement Guidelines for Families

Down Payment Requirement

PHA Policy

Before executing a repayment agreement with a family, the PHA will generally require a down payment of 10 percent of the total amount owed. If the family can provide evidence satisfactory to the PHA that a down payment of 10 percent would impose an undue hardship, the PHA may, in its sole discretion, require a lesser percentage or waive the requirement.

Payment Thresholds

Notice PIH 2018-18 recommends that the total amount that a family must pay each month—the family’s monthly share of rent plus the monthly debt repayment amount—should not exceed 40 percent of the family’s monthly adjusted income. However, a family may already be paying 40 per cent or more of its monthly adjusted income in rent. Moreover, Notice PIH 2018-18 acknowledges that PHAs have the discretion to establish “thresholds and policies” for repayment agreements with families [24 CFR 982.552(c)(1)(vii)].

PHA Policy

The PHA has established the following thresholds for repayment of debts:

Amounts between \$3,000 and the federal or state threshold for criminal prosecution must be repaid within 36 months.

Amounts between \$2,000 and \$2,999 must be repaid within 30 months.

Amounts between \$1,000 and \$1,999 must be repaid within 24 months.

Amounts under \$1,000 must be repaid within 12 months.

If a family can provide evidence satisfactory to the PHA that the threshold applicable to the family’s debt would impose an undue hardship, the PHA may, in its sole discretion, determine that a lower monthly payment amount is reasonable. In making its determination, the PHA will consider all relevant information, including the following:

The amount owed by the family to the PHA

The reason for the debt, including whether the debt was the result of family action/inaction or circumstances beyond the family’s control

The family’s current and potential income and expenses

The family’s current family share, as calculated under 24 CFR 982.515

The family’s history of meeting its financial responsibilities

Execution of the Agreement

All repayment agreements must be in writing, dated, and signed by both the family and the PHA [Notice PIH 2018-18].

PHA Policy

Any repayment agreement between the PHA and a family must be signed and dated by the PHA and by the head of household and spouse/cohead (if applicable).

Due Dates

PHA Policy

All payments are due by the close of business on the 20th day of the month. If the 20th does not fall on a business day, the due date is the close of business on the first business day after the 20th.

Late or Missed Payments

PHA Policy

If a payment is not received by the end of the business day on the date due, and prior approval for the missed payment has not been given by the PHA, the PHA will send the family a delinquency notice giving the family 10 business days to make the late payment. If the payment is not received by the due date of the delinquency notice, it will be considered a breach of the agreement and the PHA will terminate assistance in accordance with the policies in Chapter 12.

No Offer of Repayment Agreement

PHA Policy

The PHA generally will not enter into a repayment agreement with a family if there is already a repayment agreement in place with the family or if the amount owed by the family exceeds the federal or state threshold for criminal prosecution.

Repayment Agreement Terms

All repayment agreements must be in writing, dated, signed by both the family and the PHA, include the total retroactive rent amount owed, any amount of lump sum payment made at time of execution, if applicable, and the monthly repayment amount. Notice PIH 2018-18 requires certain provisions, at a minimum, be included in any repayment agreement involving amounts owed by a family because it underreported or failed to report income:

- A reference to the items in the family briefing packet that state the family's obligation to provide true and complete information at every reexamination and the grounds on which the PHA may terminate assistance because of a family's action or failure to act
- A statement clarifying that each month the family not only must pay to the PHA the monthly payment amount specified in the agreement but must also pay to the owner the family's monthly share of the rent to owner
- A statement that the terms of the repayment agreement may be renegotiated if the family's income decreases or increases
- A statement that late or missed payments constitute default of the repayment agreement and may result in termination of assistance

PART V: SECTION 8 MANAGEMENT ASSESSMENT PROGRAM (SEMAP)

16-V.A. OVERVIEW

The Section 8 Management Assessment Program (SEMAP) is a tool that allows HUD to measure PHA performance in key areas to ensure program integrity and accountability. SEMAP scores translate into a rating for each PHA as high performing, standard, or troubled. Scores on individual SEMAP indicators, as well as overall SEMAP ratings, can affect the PHA in several ways.

- High-performing PHAs can be given a competitive advantage under notices of funding availability [24 CFR 985.103].
- PHAs with deficiencies on one or more indicators are required to correct the deficiencies and report to HUD [24 CFR 985.106].
- PHAs with an overall rating of “troubled” are subject to additional HUD oversight, including on-site reviews by HUD staff, a requirement to develop a corrective action plan, and monitoring to ensure the successful implementation of the corrective action plan. In addition, PHAs that are designated “troubled” may not use any part of the administrative fee reserve for other housing purposes [24 CFR 985.107].
- HUD may determine that a PHA's failure to correct identified SEMAP deficiencies or to prepare and implement a corrective action plan required by HUD constitutes a default under the ACC [24 CFR 985.109].

16-V.B. SEMAP CERTIFICATION [24 CFR 985.101]

PHAs must submit the HUD-required SEMAP certification form within 60 calendar days after the end of its fiscal year. The certification must be approved by PHA board resolution and signed by the PHA executive director. If the PHA is a unit of local government or a state, a resolution approving the certification is not required, and the certification must be executed by the Section 8 program director.

PHAs with less than 250 voucher units are only required to be assessed every other PHA fiscal year. HUD will assess such PHAs annually if the PHA elects to have its performance assessed on an annual basis; or is designated as “troubled” [24 CFR 985.105].

Failure of a PHA to submit its SEMAP certification within the required time frame will result in an overall performance rating of “troubled.”

A PHA’s SEMAP certification is subject to HUD verification by an on-site confirmatory review at any time.

Upon receipt of the PHA’s SEMAP certification, HUD will rate the PHA’s performance under each SEMAP indicator in accordance with program requirements.

HUD Verification Method

Several of the SEMAP indicators are scored based on a review of a quality control sample selected for this purpose. The PHA or the Independent Auditor must select an unbiased sample that provides an adequate representation of the types of information to be assessed, in accordance with SEMAP requirements [24 CFR 985.2].

If the HUD verification method for the indicator relies on data in the Form-50058 module (formerly known as MTCS) in the PIH Information Center (PIC), and HUD determines that those data are insufficient to verify the PHA's certification on the indicator due to the PHA's failure to adequately report family data, HUD will assign a zero rating for the indicator [24 CFR 985.3].

16-V.C. SEMAP INDICATORS [24 CFR 985.3 and form HUD-52648]

The table below lists each of the SEMAP indicators, contains a description of each indicator, and explains the basis for points awarded under each indicator.

A PHA that expends less than \$300,000 in Federal awards and whose Section 8 programs are not audited by an independent auditor, is not be rated under SEMAP indicators 1-7.

SEMAP Indicators
Indicator 1: Selection from the waiting list Maximum Score: 15 <ul style="list-style-type: none">• This indicator shows whether the PHA has written policies in its administrative plan for selecting applicants from the waiting list and whether the PHA follows these policies when selecting applicants from the waiting list.• Points are based on the percent of families that are selected from the waiting list in accordance with the PHA's written policies, according to the PHA's quality control samples.

- This indicator shows whether the PHA enters HAP contracts for at least 98 percent of the number of the PHA's baseline voucher units in the ACC for the calendar year ending on or before the PHA's fiscal year, or whether the PHA has expended at least 98 percent of its allocated budget authority for the same calendar year. The PHA can receive 15 points if 95 to 97 percent of vouchers are leased or budget authority is utilized.
- Points are based on utilization of vouchers and HAP expenditures as reported in the voucher management system (VMS) for the most recently completed calendar year.

Indicator 14: Family self-sufficiency (FSS) enrollment and escrow account balances**Maximum Points: 10**

- Only applies to PHAs that have received approval to establish success rate payment standard amounts, and isn't effective until the second full PHA fiscal year following the date of HUD approval of success rate payment standard amounts.
- This indicator shows whether voucher holders were successful in leasing units with voucher assistance.
- Points are based on the percent of families that were issued vouchers, and that became participants in the voucher program.

Deconcentration Bonus Indicator**Maximum Points: 5**

- Submission of data for this indicator is mandatory for a PHA using one or more payment standard amount(s) that exceed(s) 100 percent of the published FMR set at the 50 percentile rent, starting with the second full PHA fiscal year following initial use of payment standard amounts based on the FMRs set at the 50th percentile.
- Additional points are available to PHAs that have jurisdiction in metropolitan FMR areas and that choose to submit the required data.
- Points are based on whether the data that is submitted meets the requirements for bonus points.

PART VI: RECORD KEEPING

16-VI.A. OVERVIEW

The PHA must maintain complete and accurate accounts and other records for the program in accordance with HUD requirements, in a manner that permits a speedy and effective audit. All such records must be made available to HUD or the Comptroller General of the United States upon request.

In addition, the PHA must ensure that all applicant and participant files are maintained in a way that protects an individual's privacy rights.

16-VI.B. RECORD RETENTION [24 CFR 982.158; 24 CFR 908.101]

During the term of each assisted lease, and for at least three years thereafter, the PHA must keep:

- A copy of the executed lease;
- The HAP contract; and
- The application from the family.

In addition, the PHA must keep the following records for at least three years:

- Records that provide income, racial, ethnic, gender, and disability status data on program applicants and participants;
- An application from each ineligible family and notice that the applicant is not eligible;
- HUD-required reports;
- Unit inspection reports;
- Lead-based paint records as required by 24 CFR 35, Subpart B.
- Accounts and other records supporting PHA budget and financial statements for the program;
- Records to document the basis for PHA determination that rent to owner is a reasonable rent (initially and during the term of a HAP contract); and
- Other records specified by HUD.

The PHA must keep the last three years of the Form HUD-50058 and supporting documentation during the term of each assisted lease, and for a period of at least three years from the end of participation (EOP) date [24 CFR 908.101].

The PHA must maintain Enterprise Income Verification (EIV) system Income Reports in the tenant file for the duration of the tenancy but for a period not to exceed three years from the EOP date [Notice PIH 2018-18].

Notice PIH 2014-20 requires PHAs to keep records of all complaints, investigations, notices, and corrective actions related to violations of the Fair Housing Act or the equal access final rule.

PHA Policy

The PHA will keep for at least three years records of all complaints, investigations, notices, and corrective actions related to violations of the Fair Housing Act, the equal access final rule, or VAWA.

The PHA must keep confidential records of all emergency transfer requested by victims of domestic violence, dating violence, sexual assault, stalking, and human trafficking under the PHA's Emergency Transfer Plan, as well as the outcomes of such requests, and retain the records for a period of three years [see 24 CFR 5.2002(e)(12)].

If an informal hearing to establish a family's citizenship status is held, longer retention requirements apply for some types of documents. For specific requirements, see Section 16-III.D., Retention of Documents.

16-VI.C. RECORDS MANAGEMENT

PHAs must maintain applicant and participant files and information in accordance with the regulatory requirements described below.

PHA Policy

All applicant and participant information will be kept in a secure location and access will be limited to authorized PHA staff.

PHA staff will not discuss personal family information unless there is a business reason to do so. Inappropriate discussion of family information or improper disclosure of family information by staff will result in disciplinary action.

Privacy Act Requirements [24 CFR 5.212 and Form-9886]

The collection, maintenance, use, and dissemination of social security numbers (SSN), employer identification numbers (EIN), any information derived from these numbers, and income information of applicants and participants must be conducted, to the extent applicable, in compliance with the Privacy Act of 1974, and all other provisions of Federal, State, and local law.

Applicants and participants, including all adults in the household, are required to sign a consent form, HUD-9886, Authorization for Release of Information. This form incorporates the Federal Privacy Act Statement and describes how the information collected using the form may be used, and under what conditions HUD or the PHA may release the information collected.

Upfront Income Verification (UIV) Records

PHAs that access UIV data through HUD's Enterprise Income Verification (EIV) system are required to adopt and follow specific security procedures to ensure that all EIV data is protected in accordance with federal laws, regardless of the media on which the data is recorded (e.g. electronic, paper). These requirements are contained in the HUD-issued document, *Enterprise Income Verification (EIV) System, Security Procedures for Upfront Income Verification data*.

PHA Policy

Prior to utilizing HUD's EIV system, the PHA will adopt and implement EIV security procedures required by HUD.

Criminal Records

The PHA may only disclose the criminal conviction records which the PHA receives from a law enforcement agency to officers or employees of the PHA, or to authorized representatives of the PHA who have a job-related need to have access to the information [24 CFR 5.903(e)].

The PHA must establish and implement a system of records management that ensures that any criminal record received by the PHA from a law enforcement agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation [24 CFR 5.903(g)].

The PHA must establish and implement a system of records management that ensures that any sex offender registration information received by the PHA from a State or local agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation. However, a record of the screening, including the type of screening and the date performed must be retained [Notice PIH 2012-28]. This requirement does not apply to information that is public information, or is obtained by a PHA other than under 24 CFR 5.905.

Medical/Disability Records

PHAs are not permitted to inquire about the nature or extent of a person's disability. The PHA may not inquire about a person's diagnosis or details of treatment for a disability or medical condition. If the PHA receives a verification document that provides such information, the PHA should not place this information in the tenant file. The PHA should destroy the document.

Documentation of Domestic Violence, Dating Violence, Sexual Assault, Stalking, or Human Trafficking

For requirements and PHA policies related to management of documentation obtained from victims of domestic violence, dating violence, sexual assault, stalking, or human trafficking see section 16-IX.E.

PART VII: REPORTING AND RECORD KEEPING FOR CHILDREN WITH ELEVATED BLOOD LEAD LEVEL

16-VII.A. OVERVIEW

The PHA has certain responsibilities relative to children with elevated blood lead levels that are receiving HCV assistance. The notification, verification, and hazard reduction requirements are discussed in Chapter 8. This part deals with the reporting requirements, and data collection and record keeping responsibilities that the PHA is subject to.

16-VII.B. REPORTING REQUIREMENT [24 CFR 35.1225(e); Notice PIH 2017-13]

The owner must report the name and address of a child identified as having an elevated blood lead level to the public health department within five business days of being so notified by any other medical health care professional. The owner must also notify the HUD field office and the HUD Office of Lead Hazard Control and Healthy Homes (OLHCHH) of the child's address within five business days. The PHA may collaborate with the owner on the notification process, such as by agreeing with the owner to provide the required notifications on the owner's behalf.

PHA Policy

Upon notification by the owner, the PHA will provide the public health department written notice of the name and address of any child identified as having an elevated blood lead level within five business days. HUD defines an Elevated Blood Lead Level (EBLL) as a blood lead concentration equal to or greater than 3.5 micrograms per deciliter (µg/dL).

Upon notification by the owner, the PHA will notify the HUD field office and the HUD Office of Lead Hazard Control and Healthy Homes (OLHCHH) of the child's address within five business days.

16-VII.C. DATA COLLECTION AND RECORD KEEPING [24 CFR 35.1225(f)]

At least quarterly, the PHA must attempt to obtain from the public health department(s) with a similar area of jurisdiction, the names and/or addresses of children less than 6 years old with an elevated blood lead level.

If the PHA obtains names and addresses of elevated blood lead level children from the public health department(s), the PHA must match this information with the names and addresses of families receiving HCV assistance, unless the public health department performs such a procedure. If a match occurs, the PHA must carry out the notification, verification, and hazard reduction requirements discussed in Chapter 8, and the reporting requirement discussed above.

At least quarterly, the PHA must also report an updated list of the addresses of units receiving assistance under the HCV program to the same public health department(s), unless the public health department(s) states that it does not wish to receive such a report.

PHA Policy

The public health department(s) has stated they **do not** wish to receive a report of an updated list of the addresses of units receiving assistance under the HCV program, on a quarterly basis. Therefore, the PHA is not providing such a report.

PART VIII: DETERMINATION OF INSUFFICIENT FUNDING

16-VIII.A. OVERVIEW

The HCV regulations allow PHAs to deny families permission to move and to terminate Housing Assistance Payments (HAP) contracts if funding under the consolidated ACC is insufficient to support continued assistance [24 CFR 982.354(e)(1) and 982.454]. If a PHA denies a family a portability move based on insufficient funding, the PHA is required to notify the local HUD office within 10 business days [24 CFR 982.354]. Insufficient funding may also impact the PHA's ability to issue vouchers to families on the waiting list. This part discusses the methodology the PHA will use to determine whether or not the PHA has sufficient funding to issue vouchers, approve moves, and to continue subsidizing all families currently under a HAP contract.

16-VIII.B. METHODOLOGY

PHA Policy

The PHA will determine whether there is adequate funding to issue vouchers, approve moves to higher cost units and areas, and continue subsidizing all current participants by comparing the PHA's annual budget authority to the annual total HAP needs on a monthly basis. The total HAP needs for the calendar year will be projected by establishing the actual HAP costs year to date. To that figure, the PHA will add anticipated HAP expenditures for the remainder of the calendar year. Projected HAP expenditures will be calculated by multiplying the projected number of units leased per remaining months by the most current month's average HAP. The projected number of units leased per month will take into account the average monthly turnover of participant families. If the total annual HAP needs equal or exceed the annual budget authority and funding reserves, or if the PHA cannot support the cost of the proposed subsidy commitment (voucher issuance or move) based on the funding analysis, the PHA will be considered to have insufficient funding.

PART IX: VIOLENCE AGAINST WOMEN ACT (VAWA): NOTIFICATION, DOCUMENTATION, CONFIDENTIALITY

16-IX.A. OVERVIEW

The Violence against Women Act (VAWA) provides special protections for victims of domestic violence, dating violence, sexual assault, stalking, and human trafficking who are applying for or receiving assistance under the housing choice voucher (HCV) program. If your state or local laws provide greater protection for such victims, those laws apply in conjunction with VAWA.

- Although the VAWA 2022 statute does not specifically include human trafficking in the list of victims protected under VAWA, in 2022 HUD began including human trafficking as part of the list of victims protected under VAWA (as seen in Notices PIH 2022-06, PIH 2022-22, and PIH 2022-24). In the absence of a final rule implementing VAWA 2022 and to mirror HUD's recent usage, this policy includes human trafficking in addition to domestic violence, dating violence, sexual assault, and stalking anywhere such a list appears.

In addition to definitions of key terms used in VAWA, this part contains general VAWA requirements and PHA policies in three areas: notification, documentation, and confidentiality. Specific VAWA requirements and PHA policies are located primarily in the following sections: 3-I.C, "Family Breakup and Remaining Member of Tenant Family"; 3-III.G, "Prohibition against Denial of Assistance to Victims of Domestic Violence, Dating Violence, Stalking and Human Trafficking"; 10-I.A, "Allowable Moves"; 10-I.B, "Restrictions on Moves"; 12-II.E, "Terminations Related to Domestic Violence, Dating Violence, Sexual Assault, Stalking, or Human Trafficking"; and 12-II.F, "Termination Notice."

- The term *bifurcate* means, with respect to a public housing or Section 8 lease, to divide a lease as a matter of law such that certain tenants can be evicted or removed while the remaining family members' lease and occupancy rights are allowed to remain intact.

 - Any nonconsensual sexual act proscribed by federal, tribal, or state law, including when the victim lacks the capacity to consent
- The term *stalking* means:
 - To engage in a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety or the safety of others, or suffer substantial emotional distress.

- The term *technological abuse* means an act or pattern of behavior that occurs within domestic violence, dating violence, sexual assault, or stalking and is intended to harm, threaten, intimidate, control, stalk, harass, impersonate, exploit, extort, or monitor another person, except as otherwise permitted by law, that occurs using any form of technology, including but not limited to:
 - Internet enabled devices
 - Online spaces and platforms
 - Computers
 - Mobile devices
 - Cameras and imaging programs
 - Apps
 - Location tracking devices
 - Communication technologies
 - Any other emergency technologies

16-IX.C. NOTIFICATION [24 CFR 5.2005(a)]

Notification to Public

The PHA adopts the following policy to help ensure that all actual and potential beneficiaries of its HCV program are aware of their rights under VAWA.

PHA Policy

The PHA will post the following information regarding VAWA in its offices and on its website. It will also make the information readily available to anyone who requests it.

A copy of the notice of occupancy rights under VAWA to housing choice voucher program applicants and participants who are or have been victims of domestic violence, dating violence, sexual assault, or stalking (Form HUD-5380, see Exhibit 16-1)

A copy of form HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking and Alternate Documentation (see Exhibit 16-2)

A copy of the PHA's emergency transfer plan (Exhibit 16-3)

A copy of HUD's Emergency Transfer Request for Certain Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, Form HUD-5383 (Exhibit 16-4)

The National Domestic Violence Hot Line: 1-800-799-SAFE (7233) or 1-800-787-3224 (TTY) (included in Exhibits 16-1 and 16-2)

Contact information for local victim advocacy groups or service providers

Notification to Program Applicants and Participants [24 CFR 5.2005(a)(1)]

PHAs are required to inform program applicants and participants of their rights under VAWA, including their right to confidentiality and the limits thereof, when they are denied assistance, when they are admitted to the program, and when they are notified of an eviction or termination of housing benefits.

PHA Policy

The PHA will provide all applicants with information about VAWA at the time they request an application for housing assistance, as part of the written briefing packet, and at the time the family is admitted to the program.

The PHA will provide all participants with information about VAWA at the time of admission (see section 5-I.B) and at annual reexamination.

The VAWA information provided to applicants and participants will consist of the notices in Exhibits 16-1 and 16-2.

The PHA is not limited to providing VAWA information at the times specified in the above policy. If the PHA decides to provide VAWA information to a participant following an incident of domestic violence, Notice PIH 2017-08 cautions against sending the information by mail, since the abuser may be monitoring the mail. The notice recommends that in such cases the PHA make alternative delivery arrangements that will not put the victim at risk.

PHA Policy

Whenever the PHA has reason to suspect that providing information about VAWA to a participant might place a victim of domestic violence at risk, it will attempt to deliver the information by hand directly to the victim or by having the victim come to an office or other space that may be safer for the individual, making reasonable accommodations as necessary. For example, the PHA may decide not to send mail regarding VAWA protections to the victim's unit if the PHA believes the perpetrator may have access to the victim's mail, unless requested by the victim.

When discussing VAWA with the victim, the PHA will take reasonable precautions to ensure that no one can overhear the conversation, such as having conversations in a private room.

The victim may, but is not required to, designate an attorney, advocate, or other secure contact for communications regarding VAWA protections.

16-IX.D. DOCUMENTATION [24 CFR 5.2007]

A PHA presented with a claim for initial or continued assistance based on status as a victim of domestic violence, dating violence, sexual assault, stalking, human trafficking, or criminal activity related to any of these forms of abuse may—but is not required to—request that the individual making the claim document the abuse. Any request for documentation must be in writing, and the individual must be allowed at least 14 business days after receipt of the request to submit the documentation. The PHA may extend this time period at its discretion. [24 CFR 5.2007(a)]

The individual may satisfy the PHA's request by providing any one of the following three forms of documentation [24 CFR 5.2007(b)]:

- (1) A completed and signed HUD-approved certification form (HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking), which must include the name of the perpetrator only if the name of the perpetrator is safe to provide and is known to the victim. The form may be filled out and submitted on behalf of the victim.
- (2) A federal, state, tribal, territorial, or local police report or court record, or an administrative record
- (3) Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault, stalking, human trafficking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; a mental health professional; or a medical professional. The person signing the documentation must attest under penalty of perjury to the person's belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

The PHA may not require third-party documentation (forms 2 and 3) in addition to certification (form 1), except as specified below under "Conflicting Documentation," nor may it require certification in addition to third-party documentation [FR Notice 11/16/16].

PHA Policy

Although the tenant is expected to submit documentation within 14 days of the date of request, the PHA may extend that deadline at its discretion.

Conflicting Documentation [24 CFR 5.2007(e)]

In cases where the PHA receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, the PHA may determine which is the true victim by requiring each to provide acceptable third-party documentation, as described above (forms 2 and 3). The PHA may also request third-party documentation when submitted documentation contains information that conflicts with existing information already available to the PHA. Individuals have 30 calendar days to return third-party verification to the PHA. If the PHA does not receive third-party documentation, and the PHA will deny or terminate assistance as a result, the PHA must hold separate hearings for the tenants [Notice PIH 2017-08].

The PHA must honor any court orders issued to protect the victim or to address the distribution of property.

PHA Policy

If presented with conflicting certification documents from members of the same household, the PHA will attempt to determine which is the true victim by requiring each of them to provide third-party documentation in accordance with 24 CFR 5.2007(e) and by following any HUD guidance on how such determinations should be made.

When requesting third-party documents, the PHA will provide contact information for local domestic violence and legal aid offices. In such cases, applicants or tenants will be given 30 calendar days from the date of the request to provide such documentation.

If the PHA does not receive third-party documentation within the required timeframe (and any extensions) the PHA will deny VAWA protections and will notify the applicant or tenant in writing of the denial. If, as a result, the applicant or tenant is denied or terminated from the program, the PHA will hold separate hearings for the applicants or tenants.

Discretion to Require No Formal Documentation [24 CFR 5.2007(d)]

The PHA has the discretion to provide benefits to an individual based solely on the individual's statement or other corroborating evidence—i.e., without requiring formal documentation of abuse in accordance with 24 CFR 5.2007(b). HUD recommends documentation in a confidential manner when a verbal statement or other evidence is accepted.

PHA Policy

If the PHA accepts an individual's statement or other corroborating evidence (as determined by the victim) of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the PHA will document acceptance of the statement or evidence in the individual's file.

Failure to Provide Documentation [24 CFR 5.2007(c)]

In order to deny relief for protection under VAWA, a PHA must provide the individual requesting relief with a written request for documentation of abuse. If the individual fails to provide the documentation within 14 business days from the date of receipt, or such longer time as the PHA may allow, the PHA may deny relief for protection under VAWA.

16-IX.E. CONFIDENTIALITY [24 CFR 5.2007(b)(4)]

All information provided to the PHA regarding domestic violence, dating violence, sexual assault, stalking, and human trafficking, including the fact that an individual is a victim, must be retained in confidence. This means that the PHA (1) may not enter the information into any shared database, (2) may not allow employees or others to access the information unless they are explicitly authorized to do so and have a need to know the information for purposes of their work, and (3) may not provide the information to any other entity or individual, except to the extent that the disclosure is (a) requested or consented to by the individual in writing, (b) required for use in an eviction proceeding, or (c) otherwise required by applicable law.

PHA Policy

If disclosure is required for use in an eviction proceeding or is otherwise required by applicable law, the PHA will inform the victim before disclosure occurs so that safety risks can be identified and addressed.

EXHIBIT 16-1: SAMPLE NOTICE OF OCCUPANCY RIGHTS UNDER THE VIOLENCE AGAINST WOMEN ACT, FORM HUD-5380
--

[Belmont Housing Resources for WNY, Inc.]

Notice of Occupancy Rights under the Violence Against Women Act¹

To all Tenants and Applicants

The Violence Against Women Act (VAWA) provides protections for victims of domestic violence, dating violence, sexual assault, or stalking. VAWA protections are not only available to women, but are available equally to all individuals regardless of sex, gender identity, or sexual orientation.² The U.S. Department of Housing and Urban Development (HUD) is the federal agency that oversees that the housing choice voucher program is in compliance with VAWA. This notice explains your rights under VAWA. A HUD-approved certification form is attached to this notice. You can fill out this form to show that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking, and that you wish to use your rights under VAWA.”

Protections for Applicants

If you otherwise qualify for assistance under the housing choice voucher program, you cannot be denied admission or denied assistance because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

Protections for Tenants

If you are receiving assistance under the housing choice voucher program, you may not be denied assistance, terminated from participation, or be evicted from your rental housing because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

Also, if you or an affiliated individual of yours is or has been the victim of domestic violence, dating violence, sexual assault, or stalking by a member of your household or any guest, you may not be denied rental assistance or occupancy rights under the housing choice voucher program solely on the basis of criminal activity directly relating to that domestic violence, dating violence, sexual assault, or stalking.

Affiliated individual means your spouse, parent, brother, sister, or child, or a person to whom you stand in the place of a parent or guardian (for example, the affiliated individual is in your care, custody, or control); or any individual, tenant, or lawful occupant living in your household.

¹ Despite the name of this law, VAWA protection is available regardless of sex, gender identity, or sexual orientation.

² Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

Removing the Abuser or Perpetrator from the Household

The PHA may divide (bifurcate) your lease in order to evict the individual or terminate the assistance of the individual who has engaged in criminal activity (the abuser or perpetrator) directly relating to domestic violence, dating violence, sexual assault, or stalking.

If the PHA chooses to remove the abuser or perpetrator, the PHA may not take away the rights of eligible tenants to the unit or otherwise punish the remaining tenants. If the evicted abuser or perpetrator was the sole tenant to have established eligibility for assistance under the program, the PHA must allow the tenant who is or has been a victim and other household members to remain in the unit for a period of time, in order to establish eligibility under the program or under another HUD housing program covered by VAWA, or, find alternative housing.

In removing the abuser or perpetrator from the household, the PHA must follow federal, state, and local eviction procedures. In order to divide a lease, the PHA may, but is not required to, ask you for documentation or certification of the incidences of domestic violence, dating violence, sexual assault, or stalking.

Moving to Another Unit

Upon your request, the PHA may permit you to move to another unit, subject to the availability of other units, and still keep your assistance. In order to approve a request, the PHA may ask you to provide documentation that you are requesting to move because of an incidence of domestic violence, dating violence, sexual assault, or stalking. If the request is a request for emergency transfer, the housing provider may ask you to submit a written request or fill out a form where you certify that you meet the criteria for an emergency transfer under VAWA. The criteria are:

- 1. You are a victim of domestic violence, dating violence, sexual assault, or stalking.**

If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation, as described in the documentation section below.

- 2. You expressly request the emergency transfer.** Your housing provider may choose to require that you submit a form, or may accept another written or oral request.

- 3. You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit.** This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

OR

You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer. If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you expressly request the transfer.

The PHA will keep confidential requests for emergency transfers by victims of domestic violence, dating violence, sexual assault, or stalking, and the location of any move by such victims and their families.

The PHA's emergency transfer plan provides further information on emergency transfers, and the PHA must make a copy of its emergency transfer plan available to you if you ask to see it.

Documenting You Are or Have Been a Victim of Domestic Violence, Dating Violence, Sexual Assault or Stalking

The PHA can, but is not required to, ask you to provide documentation to "certify" that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking. Such request from the PHA must be in writing, and the PHA must give you at least 14 business days (Saturdays, Sundays, and federal holidays do not count) from the day you receive the request to provide the documentation. The PHA may, but does not have to, extend the deadline for the submission of documentation upon your request.

You can provide one of the following to the PHA as documentation. It is your choice which of the following to submit if the PHA asks you to provide documentation that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

- A complete HUD-approved certification form given to you by the PHA with this notice, that documents an incident of domestic violence, dating violence, sexual assault, or stalking. The form will ask for your name, the date, time, and location of the incident of domestic violence, dating violence, sexual assault, or stalking, and a description of the incident. The certification form provides for including the name of the abuser or perpetrator if the name of the abuser or perpetrator is known and is safe to provide.
- A record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency that documents the incident of domestic violence, dating violence, sexual assault, or stalking. Examples of such records include police reports, protective orders, and restraining orders, among others.
- A statement, which you must sign, along with the signature of an employee, agent, or volunteer of a victim service provider, an attorney, a medical professional or a mental health professional (collectively, "professional") from whom you sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse, and with the professional selected by you attesting under penalty of perjury that they believe that the incident or incidents of domestic violence, dating violence, sexual assault, or stalking are grounds for protection.
- Any other statement or evidence that the PHA has agreed to accept.

If you fail or refuse to provide one of these documents within the 14 business days, the PHA does not have to provide you with the protections contained in this notice.

If the PHA receives conflicting evidence that an incident of domestic violence, dating violence, sexual assault, or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the abuser or perpetrator), the PHA has the right to request that you provide third-party documentation within thirty 30 calendar days in order to resolve the conflict. If you fail or refuse to provide third-party documentation where there is conflicting evidence, the PHA does not have to provide you with the protections contained in this notice.

Confidentiality

The PHA must keep confidential any information you provide related to the exercise of your rights under VAWA, including the fact that you are exercising your rights under VAWA.

The PHA must not allow any individual administering assistance or other services on behalf of the PHA (for example, employees and contractors) to have access to confidential information unless for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law.

The PHA must not enter your information into any shared database or disclose your information to any other entity or individual. The PHA, however, may disclose the information provided if:

- You give written permission to the PHA to release the information on a time limited basis.
- The PHA needs to use the information in an eviction or termination proceeding, such as to evict your abuser or perpetrator or terminate your abuser or perpetrator from assistance under this program.
- A law requires the PHA or your landlord to release the information.

VAWA does not limit the PHA's duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

Reasons a Tenant Eligible for Occupancy Rights under VAWA May Be Evicted or Assistance May Be Terminated

You can be evicted and your assistance can be terminated for serious or repeated lease violations that are not related to domestic violence, dating violence, sexual assault, or stalking committed against you. However, the PHA cannot hold tenants who have been victims of domestic violence, dating violence, sexual assault, or stalking to a more demanding set of rules than it applies to tenants who have not been victims of domestic violence, dating violence, sexual assault, or stalking.

The protections described in this notice might not apply, and you could be evicted and your assistance terminated, if the PHA can demonstrate that not evicting you or terminating your assistance would present a real physical danger that:

1. Would occur within an immediate time frame, and
2. Could result in death or serious bodily harm to other tenants or those who work on the property.

If the PHA can demonstrate the above, the PHA should only terminate your assistance or evict you if there are no other actions that could be taken to reduce or eliminate the threat.

Other Laws

VAWA does not replace any federal, state, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault, or stalking. You may be entitled to additional housing protections for victims of domestic violence, dating violence, sexual assault, or stalking under other Federal laws, as well as under State and local laws.

OMB Approval No. 2577-0286
Exp. 06/30/2017

Purpose of Form: The Violence Against Women Act (“VAWA”) protects applicants, tenants, and program participants in certain HUD programs from being evicted, denied housing assistance, or terminated from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them. Despite the name of this law, VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

Use of This Optional Form: If you are seeking VAWA protections from your housing provider, your housing provider may give you a written request that asks you to submit documentation about the incident or incidents of domestic violence, dating violence, sexual assault, or stalking.

In response to this request, you or someone on your behalf may complete this optional form and submit it to your housing provider, or you may submit one of the following types of third-party documentation:

- (1) A document signed by you and an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional, or a mental health professional (collectively, “professional”) from whom you have sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse. The document must specify, under penalty of perjury, that the professional believes the incident or incidents of domestic violence, dating violence, sexual assault, or stalking occurred and meet the definition of “domestic violence,” “dating violence,” “sexual assault,” or “stalking” in HUD’s regulations at 24 CFR 5.2003.
- (2) A record of a Federal, State, tribal, territorial or local law enforcement agency, court, or administrative agency; or
- (3) At the discretion of the housing provider, a statement or other evidence provided by the applicant or tenant.

Submission of Documentation: The time period to submit documentation is 14 business days from the date that you receive a written request from your housing provider asking that you provide documentation of the occurrence of domestic violence, dating violence, sexual assault, or stalking. Your housing provider may, but is not required to, extend the time period to submit the documentation, if you request an extension of the time period. If the requested information is not received within 14 business days of when you received the request for the documentation, or any extension of the date provided by your housing provider, your housing provider does not need to grant you any of the VAWA protections. Distribution or issuance of this form does not serve as a written request for certification.

Confidentiality: All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking shall be kept confidential and such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections to you, and such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

EXHIBIT 16-3: EMERGENCY TRANSFER PLAN FOR VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING (HCV VERSION)

Attachment: Certification form HUD-5382

[Belmont Housing Resources for WNY Inc.]

**Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking
Housing Choice Voucher Program**

Emergency Transfers

The PHA is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA),³ the PHA allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation.⁴ The ability of the PHA to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and on whether the PHA has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the federal agency that oversees that the **public housing and housing choice voucher (HCV) programs** are in compliance with VAWA.

Eligibility for Emergency Transfers

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L, is eligible for an emergency transfer if the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

³Despite the name of this law, VAWA protection is available to all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

⁴Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

Emergency Transfer Request Documentation

To request an emergency transfer, the tenant shall notify the PHA's management office and submit a written request for a transfer to **any PHA office**. The PHA will provide reasonable accommodations to this policy for individuals with disabilities. The tenant's written request for an emergency transfer should include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under the PHA's program; OR
2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.

Confidentiality

The PHA will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives the PHA written permission to release the information on a time-limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person or persons that committed an act of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence against Women Act for All Tenants for more information about the PHA's responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

Emergency Transfer Timing and Availability

The PHA cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. The PHA will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. The PHA may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If the PHA has no safe and available units for which a tenant who needs an emergency transfer is eligible, the PHA will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, the PHA will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

Emergency Transfers: Housing Choice Voucher (HCV) Program

Tenant-based assistance: If you are a participant in the tenant-based HCV program and request an emergency transfer as described in this plan, the PHA will assist you to move to a safe unit quickly using your existing voucher assistance. The PHA will make exceptions to program regulations restricting moves as required.

At your request, the PHA will refer you to organizations that may be able to further assist you.

Project-based assistance: If you are assisted under the project-based voucher (PBV) program, you may request an emergency transfer under the following programs for which you are not required to apply:

- Tenant-based voucher, if available
- Project-based assistance in the same project (if a vacant unit is available and you determine that the vacant unit is safe)
- Project-based assistance in another development owned by the PHA

Emergency transfers under VAWA will take priority over waiting list admissions for these types of assistance.

You may also request an emergency transfer under the following programs for which you are required to apply:

- Public housing program
- PBV assistance in another development not owned by the PHA
- **[Insert other programs the PHA provides, such as LIHTC or HOME]**

Emergency transfers will not take priority over waiting list admissions for these programs. At your request, the PHA will refer you to organizations that may be able to further assist you.

Safety and Security of Tenants

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.

Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).

Tenants who have been victims of sexual assault may call the Rape, Abuse, and Incest National Network's National Sexual Assault Hotline at 1-800-656-HOPE, or visit the online hotline at: <https://ohl.rainn.org/online/>.

Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at: <https://www.victimsofcrime.org/our-programs/stalking-resource-center>.

**EMERGENCY TRANSFER
REQUEST FOR CERTAIN
VICTIMS OF DOMESTIC
VIOLENCE, DATING VIOLENCE,
SEXUAL ASSAULT, OR STALKING**

**U.S. Department of Housing
and Urban Development**

OMB Approval No. 2577-0286
Exp. 06/30/2017

Purpose of Form: If you are a victim of domestic violence, dating violence, sexual assault, or stalking, and you are seeking an emergency transfer, you may use this form to request an emergency transfer and certify that you meet the requirements of eligibility for an emergency transfer under the Violence Against Women Act (VAWA). Although the statutory name references women, VAWA rights and protections apply to all victims of domestic violence, dating violence, sexual assault or stalking. Using this form does not necessarily mean that you will receive an emergency transfer. See your housing provider's emergency transfer plan for more information about the availability of emergency transfers.

The requirements you must meet are:

(1) You are a victim of domestic violence, dating violence, sexual assault, or stalking.

If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation. In response, you may submit Form HUD-5382, or any one of the other types of documentation listed on that Form.

(2) You expressly request the emergency transfer. Submission of this form confirms that you have expressly requested a transfer. Your housing provider may choose to require that you submit this form, or may accept another written or oral request. Please see your housing provider's emergency transfer plan for more details.

(3) You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit. This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

OR

You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer. If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you submit this form or otherwise expressly request the transfer.

Submission of Documentation: If you have third-party documentation that demonstrates why you are eligible for an emergency transfer, you should submit that documentation to your housing provider if it is safe for you to do so. Examples of third party documentation include, but are not limited to: a letter or other documentation from a victim service provider, social worker, legal assistance provider, pastoral counselor, mental health provider, or other professional from whom you have sought assistance; a current restraining order; a recent court order or other court records; a law enforcement report or records; communication records from the perpetrator of the violence or family members or friends of the perpetrator of the violence, including emails, voicemails, text messages, and social media posts.

Confidentiality: All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking, and concerning your request for an emergency transfer shall be kept confidential. Such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections or an emergency transfer to you. Such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

EXHIBIT 16-5: OWNER NOTIFICATION OF RIGHTS AND OBLIGATIONS

[Belmont Housing Resources for WNY, Inc]

NOTIFICATION OF YOUR RIGHTS AND OBLIGATIONS UNDER THE VIOLENCE AGAINST WOMEN ACT (VAWA)

VAWA provides protections for Section 8 Housing Choice Voucher (HCV) and PBV applicants, tenants, and participants from being denied assistance on the basis or as a direct result of being a victim of domestic violence, dating violence, sexual assault, stalking and human trafficking.

Purpose

Many of VAWA's protections to victims of domestic violence, dating violence, sexual assault, stalking, and human trafficking involve action by the public housing agency (PHA), but some situations involve action by owners of assisted housing. The purpose of this notice (herein called "Notice") is to explain your rights and obligations under VAWA, as an owner of housing assisted through [insert name of housing provider] HCV program. Each component of this Notice also provides citations to HUD's applicable regulations.

Denial of Tenancy

Protections for applicants: Owners cannot deny tenancy based on the applicant having been or currently being a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking. However, the applicant must be otherwise eligible for tenancy. (See 24 Code of Federal Regulations (CFR) 982.452(b)(1).)

Eviction

Protections for HCV participants: Incidents or threats of domestic violence, dating violence, sexual assault, stalking, or human trafficking will not be considered a serious or repeated lease violation by the victim, or good cause to terminate the tenancy of the victim (see 24 CFR 5.2005(c)). Protection also applies to criminal activity related directly to domestic violence, dating violence, sexual assault, stalking, or human trafficking, conducted by a member of a tenant's household or any guest or other person under the tenant's control, if the tenant or an affiliated individual of the tenant is the victim or threatened victim of such domestic violence, dating violence, sexual assault, stalking, or human trafficking (24 CFR 5.2005(b)(2)).

Limitations of VAWA protections:

a. Nothing in VAWA limits the authority of an owner, when notified of a court order, to comply with a court order with respect to (24 CFR 5.2005(d)(1)):

- 1) The rights of access or control of property, including civil protection orders issued to protect a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking; or
- 2) The distribution or possession of property among members of a household in a case.

b. Nothing in VAWA limits an owner from evicting a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking for a lease violation that is not premised on an act of domestic violence, dating violence, sexual assault, stalking, or human trafficking, as long as the owner does not subject the victim to more demanding standards than other tenants when deciding whether to evict. (See 24 CFR 5.2005(d)(2).)

c. Nothing in VAWA limits an owner from evicting a tenant (including the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking) if the owner can demonstrate an actual and imminent threat to other tenants or those employed at or providing services to the HCV property would be present if the tenant or lawful occupant is not evicted. (See 24 CFR 5.2005(d)(3).)

i. In this context, words, gestures, actions, or other indicators will be considered an “actual and imminent threat” if they meet the following standards: An actual and imminent threat consists of a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur. (See 24 CFR 5.2003.)

ii. Any eviction due to “actual and imminent threat” should be utilized by an owner only when there are no other actions that could be taken to reduce or eliminate the threat, including, but not limited to, transferring the victim to a different unit, barring the perpetrator from the property, contacting law enforcement to increase police presence or develop other plans to keep the property safe, or seeking other legal remedies to prevent the perpetrator from acting on a threat. Restrictions predicated on public safety cannot be based on stereotypes, but must be tailored to particularized concerns about individual residents. (See 24 CFR 5.2005(d)(4).)

Documentation of Domestic Violence, Dating Violence, Sexual Assault, Stalking, or Human Trafficking

If an applicant or tenant requests VAWA protection based on status as a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the owner has the option to request that the victim document or provide written evidence to demonstrate that the violence occurred. However, nothing in HUD’s regulation requires a covered housing provider to request this documentation. (See 24 CFR 5.2007(b)(3).)

If the owner chooses to request this documentation, the owner must make such request in writing. The individual may satisfy this request by providing any one document type listed under 24 CFR 5.2007(b)(1):

a. Form HUD-55383 (Self-Certification Form); or

b. A document: 1) Signed by an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional or a mental health professional (collectively, “professional”) from whom the victim has sought assistance relating to domestic violence, dating violence, sexual assault, stalking, or human trafficking, or the effects of abuse:

2) Signed by the applicant or tenant; and

3) That specifies, under penalty of perjury, that the professional believes in the occurrence of the incident of domestic violence, dating violence, sexual assault, stalking, or human trafficking that is the ground for protection and remedies under 24 CFR part 5, subpart L, and that the incident meets the applicable definition of domestic violence, dating violence, sexual assault, stalking, or human trafficking under 24 CFR 5.2003; or

c. A record of a Federal, State, tribal, territorial or local law enforcement agency, court, or administrative agency; or

d. At the discretion of a covered housing provider, a statement or other evidence provided by the applicant or tenant.

The owner must accept any of the above items (a – c). The owner has discretion to accept a statement or other evidence (d).

The owner is prohibited from requiring third-party documentation of the domestic violence, dating violence, sexual assault, stalking, or human trafficking, unless the submitted documentation contains conflicting information.

If the owner makes a written request for documentation, the owner may require submission of that documentation within 14 business days after the date that the individual received the written request for documentation. (24 CFR 5.2007(a)(2)). The owner may extend this time period at its discretion. During the 14 business day period and any granted extensions of that time, no adverse actions, such as evictions or terminations, can be taken against the individual requesting VAWA protection.

Once a victim provides documentation of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the owner is encouraged to acknowledge receipt of the documentation in a timely manner.

If the applicant or tenant fails to provide documentation that meets the criteria in 24 CFR 5.2007 within 14 business days after receiving the written request for that documentation or within the designated extension period, nothing in VAWA may be construed to limit the authority of the covered housing provider to:

- a. Deny admission by the applicant or tenant to the housing or program;
- b. Deny assistance under the covered housing program to the applicant or tenant;
- c. Terminate the participation of the tenant in the covered housing program; or
- d. Evict the tenant, or a lawful occupant that commits a violation of a lease.

An individual's failure to timely provide documentation of domestic violence, dating violence, sexual assault, stalking, or human trafficking does not result in a waiver of the individual's right to challenge the denial of assistance or termination, nor does it preclude the individual's ability to raise an incident of domestic violence, dating violence, sexual assault, stalking, or human trafficking at eviction or termination proceedings.

Owners may not coerce, intimidate, threaten, interfere with, or retaliate against any person who exercises or assists or encourages a person to exercise any rights or protections under VAWAs (See FR Notice 1/4/23.)

Moves

A victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking may move in violation of their lease if the move is required to protect their safety. If a move results in the termination of the Housing Assistance Payment Contract, the lease is automatically terminated.

Lease Bifurcation

Owners may choose to bifurcate a lease, or remove a household member from a lease in order to evict, remove, terminate occupancy rights, or terminate assistance to such member who engages in criminal activity directly relating to domestic violence, dating violence, sexual assault, stalking, or human trafficking against an affiliated individual or other individual. (See 24 CFR 5.2009(a).) If an owner chooses to bifurcate the lease, the owner must comply with the reasonable time to establish eligibility under the covered housing program or find alternative housing following lease bifurcation provision in 24 CFR 5.2009(b). VAWA protections, including bifurcation, do not apply to guests or unreported members of a household or anyone else residing in a household who is not a tenant.

Eviction, removal, termination of occupancy rights, or termination of assistance must be effected in accordance with the procedures prescribed by federal, state, or local law for termination of leases.

To avoid unnecessary delay in the bifurcation process, HUD recommends that owners seek court-ordered eviction of the perpetrator pursuant to applicable laws. This process results in the underlying lease becoming null and void once the owner regains possession of the unit. The owner would then execute a new lease with the victim.

Evictions Due to “Actual and Imminent Threat” or Violations Not Premised on Abuse

VAWA generally prohibits eviction on the basis or as a direct result of the fact that the applicant or tenant is or has been a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, if the applicant or tenant otherwise qualifies for assistance, participation or occupancy. (See 24 CFR 5.2005.)

However, VAWA does not prohibit an owner from evicting a tenant for any violation not premised on an act of domestic violence, dating violence, sexual assault, stalking, or human trafficking that is in question against the tenant or an affiliated individual of the tenant. Nor does VAWA prohibit an owner from evicting a tenant if the owner can demonstrate an actual and imminent threat to other tenants or those employed at or providing services to property of the owner would be present if that tenant or lawful occupant is not evicted or terminated from assistance. (See 5.2005(d)(2) and (3).)

In order to demonstrate an actual and imminent threat to other tenants or employees at the property, the covered housing provider must have objective evidence of words, gestures, actions, or other indicators that meet the standards in the following definition:

Actual and imminent threat refers to a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include:

- The duration of the risk;
- The nature and severity of the potential harm;
- The likelihood that the potential harm will occur; and
- The length of time before the potential harm would occur.

(See 24 CFR 5.2003 and 5.2005(d)(2).)

Confidentiality

Any information submitted to a covered housing provider under 24 CFR 5.2007, including the fact that an individual is a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, must be maintained in strict confidence by the covered housing provider. (See 24 CFR 5.2007(c).)

Employees of the owner (or those within their employ, e.g., contractors) must not have access to the information unless explicitly authorized by the owner for reasons that specifically call for these individuals to have access to this information under applicable federal, state, or local law (e.g., the information is needed by an employee to provide the VAWA protections to the victim).

The owner must not enter this information into any shared database, or disclose this information to any other entity or individual, except to the extent that disclosure is:

- a. Requested or consented to in writing by the individual (victim) in a time-limited release;
- b. Required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program; or
- c. Otherwise required by applicable law.

When communicating with the victim, owners must take precautions to ensure compliance with these confidentiality requirements.

Definitions

Actual and imminent threat refers to a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur.

Affiliated individual, with respect to an individual, means:

- (1) A spouse, parent, brother, sister, or child of that individual, or a person to whom that individual stands in the place of a parent or guardian (for example, the affiliated individual is a person in the care, custody, or control of that individual); or
- (2) Any individual, tenant, or lawful occupant living in the household of that individual.

Bifurcate means to divide a lease as a matter of law, subject to the permissibility of such process under the requirements of the applicable HUD-covered program and State or local law, such that certain tenants or lawful occupants can be evicted or removed and the remaining tenants or lawful occupants can continue to reside in the unit under the same lease requirements or as may be revised depending upon the eligibility for continued occupancy of the remaining tenants and lawful occupants.

Dating violence means violence committed by a person:

- (1) Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- (2) Where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - (i) The length of the relationship;
 - (ii) The type of relationship; and
 - (iii) The frequency of interaction between the persons involved in the relationship.

Domestic violence includes felony or misdemeanor crimes of committed by a current or former spouse or intimate partner of the victim under the family or domestic violence laws of the jurisdiction receiving grant funding, and in the case of victim services, includes the user or attempted use of physical abuse or sexual abuse, or a pattern of any other coercive behavior committed, enabled, or solicited to gain or maintain power and control over a victim, including verbal, psychological, economic, or technological abuse that may or may not constitute criminal behavior, by a person who is:

- The current or former spouse or intimate partner of the victim, or person similarly situated to a spouse or intimate partner of the victim
- A person who is cohabitating or has cohabitated with the victim as a spouse or intimate partner
- A person with whom the victim shares a child in common
- A person who commits acts against an youth or adult victim who is protected from those acts under the domestic or family violence laws of the jurisdiction

Sexual assault means any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks capacity to consent.

Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

- (1) Fear for the person's individual safety or the safety of others; or
- (2) Suffer substantial emotional distress.

VAWA means the Violence Against Women Act of 1994, as amended (42 U.S.C. 13925 and 42 U.S.C. 14043e et seq.).

PROJECT-BASED VOUCHERS

INTRODUCTION

This chapter describes HUD regulations and PHA policies related to the project-based voucher (PBV) program in nine parts:

- I. General Requirements. This part describes general provisions of the PBV program including maximum budget authority requirements, relocation requirements, and equal opportunity requirements.
- II. PBV Project Selection. This part includes policy related to the submission and selection of projects for PBV assistance.
- III. Dwelling Units. This part describes requirements related to housing quality standards, the type and frequency of inspections, and housing accessibility for persons with disabilities.
- IV. Housing Assistance Payments Contract. This part discusses HAP contract requirements and policies including the execution, term, and termination of the HAP contract. In addition, it describes how the HAP contract may be amended and identifies provisions that may be added to the HAP contract at the PHA's discretion.
- V. Selection of PBV Program Participants. This part describes the requirements and policies governing how the PHA and the owner will select a family to receive PBV assistance.
- VI. Occupancy. This part discusses occupancy requirements related to the lease and describes under what conditions families are allowed or required to move.
- VII. Determining Rent to Owner. This part describes how the initial rent to owner is determined, and how rent will be redetermined throughout the life of the HAP contract. Rent reasonableness requirements are also discussed.
- VIII. Payments to Owner. This part describes the types of payments owners may receive under this program.

PART I. GENERAL REQUIREMENTS

A. OVERVIEW [24 CFR 983.5; FR Notice 1/18/17; Notice PIH 2017-21]

The project-based voucher (PBV) program allows PHAs that already administer a tenant-based voucher program under an annual contributions contract (ACC) with HUD to take up to 20 percent of its authorized units and attach the funding to specific units rather than using it for tenant-based assistance [24 CFR 983.6]. PHAs may only operate a PBV program if doing so is consistent with the PHA's Annual Plan, and the goal of deconcentrating poverty and expanding housing and economic opportunities [42 U.S.C. 1437f(o)(13)].

PHA Policy

The PHA will operate a project-based voucher program using up to 20 percent of its authorized units for project-based assistance.

PHA will not enter into contracts with newly constructed projects. PHA may add PBV units to an existing PBV project to which HUD originally provided PBV units – which are now being administered by PHA. If PBV units are already selected for project-based assistance either under an agreement to enter into HAP Contract (Agreement) or a HAP contract, the PHA is not required to reduce the number of these units if the number of authorized units is subsequently reduced. However, the PHA is responsible for determining the amount of budget authority that is available for project-based vouchers and ensuring that the amount of assistance that is attached to units is within the amounts available under the ACC, regardless of whether the PHA has vouchers available for project-basing [FR Notice 1/18/17].

Additional Project-Based Units [FR Notice 1/18/17; Notice PIH 2017-21]

The PHA may project-base an additional 10 percent of its units above the 20 percent program limit. The units may be distributed among one, all, or a combination of the categories as long as the total number of units does not exceed the 10 percent cap. Units qualify under this exception if the units:

PHA Policy

The PHA will not project-base any additional units above the 20 percent allowed with HUD regulations and requirements.

B. TENANT-BASED VS. PROJECT-BASED VOUCHER ASSISTANCE

[24 CFR 983.2]

Much of the tenant-based voucher program regulations also apply to the PBV program. Consequently, many of the PHA policies related to tenant-based assistance also apply to PBV assistance. The provisions of the tenant-based voucher regulations that do not apply to the PBV program are listed at 24 CFR 983.2.

PHA Policy

Except as otherwise noted in this chapter, or unless specifically prohibited by PBV program

regulations, the PHA policies for the tenant-based voucher program contained in this administrative plan also apply to the PBV program and its participants.

C. RELOCATION REQUIREMENTS [24 CFR 983.7]

Any persons displaced as a result of implementation of the PBV program must be provided relocation assistance in accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA)[42 U.S.C. 4201-4655] and implementing regulations at 49 CFR part 24.

The cost of required relocation assistance may be paid with funds provided by the owner, local public funds, or funds available from other sources. PHAs may not use voucher program funds to relocation costs, except that PHAs may use their administrative fee reserve to pay for relocation expenses after all other program administrative expenses are satisfied, and provided that payment of the relocation benefits is consistent with state and local law. Use of the administrative fee for these purposes must also be consistent with other legal and regulatory requirements, including the requirement in 24 CFR 982.155 and other official HUD issuances.

The acquisition of real property for a PBV project is subject to the URA and 49 CFR part 24, subpart B. It is the responsibility of the PHA to ensure the owner complies with these requirements.

D. EQUAL OPPORTUNITY REQUIREMENTS [24 CFR 983.8]

The PHA must comply with all equal opportunity requirements under federal law and regulations in its implementation of the PBV program. This includes the requirements and authorities cited at 24 CFR 5.105(a). In addition, the PHA must comply with the PHA Plan certification on civil rights and affirmatively furthering fair housing, submitted in accordance with 24 CFR 903.7(o).

PART II. PBV PROJECT SELECTION

A. OVERVIEW

With certain exceptions, the PHA must describe the procedures for owner submission of PBV proposals and for PHA selection of PBV proposals [24 CFR 983.51]. Before selecting a PBV proposal, the PHA must determine that the PBV proposal complies with HUD program regulations and requirements, including a determination that the property is eligible housing [24 CFR 983.53 and 983.54], complies with the cap on the number of PBV units per project [24 CFR 983.56], and meets the site selection standards [24 CFR 983.57]. The PHA may not commit PBVs until or unless it has followed the proposal selection requirements defined in 24 CFR 983.51 [Notice PIH 2011-54].

PHA Policy

PHA will not seek proposals for Rehabilitated and Newly Constructed Units.

PHA will not seek proposal for existing housing units. PHA may add PBV units to an existing PBV project to which HUD originally provided PBV units – which are now being administered by PHA. PHA will review request for additional units for said contracts under following considerations:

- The additional PBV units must support the goal of deconcentrating poverty and expanding housing and economic opportunities [42 U.S.C. 1437f(o)(13)].
- The PHA is responsible for determining the amount of budget authority it has available and ensuring that the amount of assistance that will be attached to the units is available under the ACC, regardless of whether the PHA has vouchers available for project-basing.
- The extent to which the rental market in PHA jurisdiction supports the number of families on the waiting list that would be issued a voucher.
- The extent to which the additional units would limit the choice families would have in deciding their housing location.

B. PROHIBITION OF ASSISTANCE FOR CERTAIN UNITS

Ineligible Housing Types [24 CFR 983.53]

The PHA may not attach or pay PBV assistance to shared housing units; units on the grounds of a penal reformatory, medical, mental, or similar public or private institution; nursing homes or facilities providing continuous psychiatric, medical, nursing services, board and care, or intermediate care (except that assistance may be provided in assisted living facilities); units that are owned or controlled by an educational institution or its affiliate and are designated for occupancy by students; manufactured homes; and transitional housing. In addition, the PHA may not attach or pay PBV assistance for a unit occupied by an owner and the PHA may not select or enter into an agreement to enter into a HAP contract or HAP contract for a unit occupied by a family ineligible for participation in the PBV program. A member of a cooperative who owns shares in the project assisted under the PBV program is not considered an owner for purposes of participation in the PBV program. Finally, PBV assistance may not be attached to units for which construction or rehabilitation has started after the proposal submission and prior to the execution of an AHAP.

Subsidized Housing [24 CFR 983.54]

A PHA may not attach or pay PBV assistance to units in any of the following types of subsidized housing:

- A public housing unit;
- A unit subsidized with any other form of Section 8 assistance;
- A unit subsidized with any governmental rent subsidy;
- A unit subsidized with any governmental subsidy that covers all or any part of the operating costs of the housing;
- A unit subsidized with Section 236 rental assistance payments (except that a PHA may attach assistance to a unit subsidized with Section 236 interest reduction payments);

- A Section 202 project for non-elderly with disabilities;
- Section 811 project-based supportive housing for persons with disabilities;
- Section 202 supportive housing for the elderly;
- A Section 101 rent supplement project;
- A unit subsidized with any form of tenant-based rental assistance;
- A unit with any other duplicative federal, state, or local housing subsidy, as determined by HUD or the PHA in accordance with HUD requirements.

C. CAP ON NUMBER OF PBV UNITS IN EACH PROJECT

25 Percent per Project Cap [24 CFR 983.56, FR Notice 1/18/17, and Notice PIH 2017-21]

In general, the PHA may not enter into an agreement to enter into a HAP or a HAP contract to provide PBV assistance for units in a project, if the total number of dwelling units in the project that will receive PBV assistance during the term of the PBV HAP contract is more than the greater of 25 units or 25 percent of the number of dwelling units (assisted or unassisted) in the project.

PHA Policy

The PHA will not enter a contract in which the PBV units exceed 25 units or 25 percent of the number of dwelling units.

D.SITE SELECTION STANDARDS

Compliance with PBV Goals, Civil Rights Requirements, and NSPIRE Site Standards [24 CFR 983.57(b)]

The PHA may not select a proposal for existing, newly constructed, or rehabilitated PBV housing on a site or enter into an agreement to enter into a HAP contract or HAP contract for units on the site, unless the PHA has determined that PBV assistance for housing at the selected site is consistent with the goal of deconcentrating poverty and expanding housing and economic opportunities. The standard for deconcentrating poverty and expanding housing and economic opportunities must be consistent with the PHA Plan under 24 CFR 903 and the PHA administrative plan.

In addition, prior to selecting a proposal, the PHA must determine that the site is suitable from the standpoint of facilitating and furthering full compliance with the applicable Civil Rights Laws, regulations, and Executive Orders, and that the site meets the NSPIRE site and neighborhood standards at 24 CFR 982.401(l).

PHA Policy

PHA will not be entering into any contracts with newly constructed, or rehabilitated PBV housing. PHA may add PBV units to an existing PBV project to which HUD originally provided PBV units – which are now being administered by PHA.

Existing and Rehabilitated Housing Site and Neighborhood Standards [24 CFR 983.57(d)]

The PHA may not enter into an agreement to enter into a HAP contract nor enter into a HAP contract for existing or rehabilitated housing until it has determined that the site complies with the HUD required site and neighborhood standards. The site must:

- Be adequate in size, exposure, and contour to accommodate the number and type of units proposed;
- Have adequate utilities and streets available to service the site;
- Promote a greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons;
- Be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services equivalent to those found in neighborhoods consisting largely of unassisted similar units; and
- Be located so that travel time and cost via public transportation or private automobile from the neighborhood to places of employment is not excessive.

E. ENVIRONMENTAL REVIEW [24 CFR 983.58]

The PHA activities under the PBV program are subject to HUD environmental regulations in 24 CFR parts 50 and 58. The *responsible entity* is responsible for performing the federal environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.). The PHA may not enter into an agreement to enter into a HAP contract nor enter into a HAP contract until it has complied with the environmental review requirements.

In the case of existing housing, the responsible entity that is responsible for the environmental review under 24 CFR part 58 must determine whether or not PBV assistance is categorically excluded from review under the National Environmental Policy Act and whether or not the assistance is subject to review under the laws and authorities listed in 24 CFR 58.5.

The PHA may not enter into an agreement to enter into a HAP contract or a HAP contract with an owner, and the PHA, the owner, and its contractors may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct real property or commit or expend program or local funds for PBV activities under this part, until the environmental review is completed.

The PHA must supply all available, relevant information necessary for the responsible entity to perform any required environmental review for any site. The PHA must require the owner to carry out mitigating measures required by the responsible entity (or HUD, if applicable) as a result of the environmental review.

PHA Policy

PHA will not be entering into any contracts with newly constructed, or rehabilitated PBV housing. PHA may add PBV units to an existing PBV project to which HUD originally provided PBV units – which are now being administered by PHA. The responsible entity as described above, not the PHA, will be owner of project and must comply with HUD policy as described above in for securing HUD-awarded PBV units.

PART III. DWELLING UNITS

A. OVERVIEW

This part identifies the special housing quality standards that apply to the PBV program, housing accessibility for persons with disabilities, and special procedures for conducting housing quality standards inspections.

B. NSPIRE Housing Requirements [24 CFR § 5.703]

The **National Standards for the Physical Inspection of Real Estate (NSPIRE)** for the tenant-based program, including those for special housing types, generally apply to the PBV program. NSPIRE requirements for shared housing, manufactured home space rental, and the homeownership option do not apply because these housing types are not assisted under the PBV program.

Lead-based Paint [24 CFR 983.101(c)]

The lead-based paint requirements for the tenant-based voucher program do not apply to the PBV program. Instead, The Lead-based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846), the Residential Lead-based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4856), and implementing regulations at 24 CFR Part 35, Subparts A, B, H, and R, and 40 CFR 745.227, apply to the PBV program.

C. HOUSING ACCESSIBILITY FOR PERSONS WITH DISABILITIES

The housing must comply with program accessibility requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and implementing regulations at 24 CFR part 8.

PHA Policy

The owner must ensure that the percentage of accessible dwelling units complies with the requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), and indicated in Attachment D of PART 1 of HAP Contract between owner and PHA.

D. INSPECTING UNITS

Pre-selection Inspection [24 CFR 983.103(a)]

The PHA must examine the proposed site before the proposal selection date. If the units to be assisted already exist, the PHA must inspect all the units before the proposal selection date, and must determine whether the units substantially comply with NSPIRE. To qualify as existing housing, units must substantially comply with NSPIRE on the proposal selection date. However, the PHA may not execute the HAP contract until the units fully comply with NSPIRE.

Pre-HAP Contract Inspections [24 CFR 983.103(b), FR Notice 1/18/17, and Notice PIH 2017-20]

The PHA must inspect each contract unit before execution of the HAP contract. The PHA may not provide assistance on behalf of the family until the unit fully complies with NSPIRE unless the PHA has adopted a policy to enter into a HAP contract for units that fail the initial NSPIRE inspection as a result of only non-life-threatening conditions, or if the unit passed an alternative inspection.

PHA Policy

The PHA will not provide assistance on behalf of the family until the unit fully complies with NSPIRE

Turnover Inspections [24 CFR 983.103(c)]

Before providing assistance to a new family in a contract unit, the PHA must inspect the unit. The PHA may not provide assistance on behalf of the family until the unit fully complies with NSPIRE.

Annual/Biennial Inspections [24 CFR 983.103(d); FR Notice 6/25/14]

At least once every 24 months during the term of the HAP contract, the PHA must inspect a random sample consisting of at least 20 percent of the contract units in each building to determine if the contract units and the premises are maintained in accordance with NSPIRE. Turnover inspections are not counted toward meeting this inspection requirement.

PHA Policy

The PHA will inspect on an annual basis a random sample consisting of at least 20 percent of the contract units in each building to determine if the contract units and the premises are maintained in accordance with NSPIRE.

If more than 20 percent of the sample of inspected contract units in a building fail the initial inspection, the PHA must reinspect 100 percent of the contract units in the building.

Other Inspections [24 CFR 983.103(e)]

The PHA must inspect contract units whenever needed to determine that the contract units comply with NSPIRE and that the owner is providing maintenance, utilities, and other services in accordance with the HAP contract. The PHA must take into account complaints and any other information coming to its attention in scheduling inspections.

The PHA must conduct follow-up inspections needed to determine if the owner (or, if applicable, the family) has corrected an NSPIRE violation, and must conduct inspections to determine the basis for exercise of contractual and other remedies for owner or family violation of NSPIRE

In conducting PHA supervisory quality control NSPIRE inspections, the PHA should include a representative sample of both tenant-based and project-based units.

PART IV. HOUSING ASSISTANCE PAYMENTS CONTRACT (HAP)

A. OVERVIEW

The PHA must enter into a HAP contract with an owner for units that are receiving PBV assistance. The purpose of the HAP contract is to provide housing assistance payments for eligible families. Housing assistance is paid for contract units leased and occupied by eligible families during the HAP contract term. With the exception of single-family scattered-site projects, a HAP contract shall cover a single project. If multiple projects exist, each project is covered by a separate HAP contract. The HAP contract must be in the form required by HUD [24 CFR 983.202(a)].

B. HAP CONTRACT REQUIREMENTS

Contract Information [24 CFR 983.203]

The HAP contract must specify the following information:

- The total number of contract units by number of bedrooms;
- The project's name, street address, city or county, state and zip code, block and lot number (if known), and any other information necessary to clearly identify the site and the building;
- The number of contract units in each building, the location of each contract unit, the area of each contract unit, and the number of bedrooms and bathrooms in each contract unit;
- Services, maintenance, and equipment to be supplied by the owner and included in the rent to owner;
- Utilities available to the contract units, including a specification of utility services to be paid by the owner (included in rent) and utility services to be paid by the tenant;
- Features provided to comply with program accessibility requirements of Section 504 of the Rehabilitation Act of 1973 and implementing regulations at 24 CFR part 8;
- The HAP contract term;
- The number of units in any project that will exceed the 25 percent per project cap, which will be set aside for occupancy by qualifying families (elderly and/or disabled families and families receiving supportive services); and
- The initial rent to owner for the first 12 months of the HAP contract term.

Execution of the HAP Contract [24 CFR 983.204]

The PHA may not enter into a HAP contract until each contract unit has been inspected and the PHA has determined that the unit complies with NSPIRE, unless the PHA has adopted a policy to enter into a HAP contract for units that fail the initial NSPIRE inspection as a result of only non-life-threatening conditions. For existing housing, the HAP contract must be executed after the PHA inspects the housing units.

PHA Policy

For existing housing, the HAP contract will be executed within 10 business days of the PHA

determining that all units pass v.

Term of HAP Contract [24 CFR 983.205, FR Notice 1/18/17, and Notice PIH 2017-21]

The PHA may enter into a HAP contract with an owner for an initial term of no less than one year and no more than 20 years for each contract unit. The length of the term of the HAP contract for any contract unit may not be less than one year, nor more than 20 years.

PHA Policy

The term of all PBV HAP contracts will be negotiated with the owner on a case-by-case basis but will not exceed 10 years.

At the time of the initial HAP contract term or any time before expiration of the HAP contract, the PHA may extend the term of the contract for an additional term of up to 20 years if the PHA determines an extension is appropriate to continue providing affordable housing for low-income families. A HAP contract extension may not exceed 20 years. A PHA may provide for multiple extensions; however, in no circumstances may such extensions exceed 20 years, cumulatively. Extensions after the initial extension are allowed at the end of any extension term, provided that not more than 24 months prior to the expiration of the previous extension contract the PHA agrees to extend the term, and that such extension is appropriate to continue providing affordable housing for low-income families or to expand housing opportunities. Extensions after the initial extension term shall not begin prior to the expiration date of the previous extension term. Subsequent extensions are subject to the same limitations. All extensions must be on the form and subject to the conditions prescribed by HUD at the time of the extension. In the case of PHA-owned units, any extension of the term of the HAP contract must be agreed upon by the PHA and the independent entity approved by HUD [24 CFR 983.59(b)(2)].

PHA Policy

When determining whether or not to extend an expiring PBV contract, the PHA will consider several factors including, but not limited to:

- The cost of extending the contract and the amount of available budget authority;
- The condition of the contract units;
- The owner's record of compliance with obligations under the HAP contract and lease(s);
- Whether the location of the units continues to support the goals of deconcentrating poverty and expanding housing opportunities; and
- Whether the funding could be used more appropriately for tenant-based assistance.

Termination by PHA [24 CFR 983.205(c) and FR Notice 1/18/17]

The HAP contract must provide that the term of the PHA's contractual commitment is subject to the availability of sufficient appropriated funding as determined by HUD or by the PHA in accordance with HUD instructions. For these purposes, sufficient funding means the availability of appropriations, and of funding under the ACC from such appropriations, to make full payment of housing assistance payments payable to the owner for any contract year in accordance with the terms of the HAP contract. In times of insufficient funding, HUD requires that PHAs first take all cost-saving measures prior to

failing to make payments under existing PBV HAP contracts.

If it is determined that there may not be sufficient funding to continue housing assistance payments for all contract units and for the full term of the HAP contract, the PHA may terminate the HAP contract by notice to the owner. The termination must be implemented in accordance with HUD instructions.

Termination by Owner [24 CFR 983.205(d)]

If in accordance with program requirements the amount of rent to an owner for any contract unit is reduced below the amount of the rent to owner at the beginning of the HAP contract term, the owner may terminate the HAP contract by giving notice to the PHA. In this case, families living in the contract units must be offered tenant-based assistance.

Statutory Notice Requirements: Contract Termination or Expiration [24 CFR 983.206, FR Notice 1/18/17, and Notice PIH 2017-21]

Not less than one year before the HAP contract terminates, or if the owner refuses to renew the HAP contract, the owner must notify the PHA and assisted tenants of the termination. The notice must be provided in the form prescribed by HUD. If the owner does not give timely notice, the owner must permit the tenants in assisted units to remain in their units for the required notice period with no increase in the tenant portion of their rent, and with no eviction as a result of the owner's inability to collect an increased tenant portion of rent. An owner may renew the terminating contract for a period of time sufficient to give tenants one-year advance notice under such terms as HUD may require.

Upon termination or expiration of the contract, a family living at the property is entitled to receive a tenant-based voucher. Tenant-based assistance would not begin until the owner's required notice period ends. The PHA must provide the family with a voucher and the family must also be given the option by the PHA and owner to remain in their unit with HCV tenant-based assistance as long as the unit complies with inspection and rent reasonableness requirements. The family must pay their total tenant payment (TTP) and any additional amount if the gross rent exceeds the applicable payment standard. The family has the right to remain in the project as long as the units are used for rental housing and are otherwise eligible for HCV assistance. The owner may not terminate the tenancy of a family that exercises its right to remain except for serious or repeated lease violations or other good cause. Families that receive a tenant-based voucher at the expiration or termination of the PBV HAP contract are not new admissions to the PHA HCV tenant-based program and are not subject to income eligibility requirements or any other admission requirements. If the family chooses to remain in their unit with tenant-based assistance, the family may do so regardless of whether the family share would initially exceed 40 percent of the family's adjusted monthly income.

Remedies for NSPIRE Violations [24 CFR 983.208(b)]

The PHA may not make any HAP payment to the owner for a contract unit during any period in which the unit does not comply with NSPIRE. If the PHA determines that a contract does not comply with NSPIRE, the PHA may exercise any of its remedies under the HAP contract, for any or all of the contract units. Available remedies include termination of housing assistance payments, abatement or reduction of housing assistance payments, reduction of contract units, and termination of the HAP contract.

PHA Policy

The PHA will abate and terminate PBV HAP contracts for non-compliance with NSPIRE in accordance with the policies used in the tenant-based voucher program- Chapter 12 of admin plan)

C. AMENDMENTS TO THE HAP CONTRACT

Substitution of Contract Units [24 CFR 983.207(a)]

At the PHA's discretion and subject to all PBV requirements, the HAP contract may be amended to substitute a different unit with the same number of bedrooms in the same project for a previously covered contract unit. Before any such substitution can take place, the PHA must inspect the proposed unit and determine the reasonable rent for the unit.

Addition of Contract Units [FR Notice 1/18/17 and Notice PIH 2017-21]

The PHA and owner may amend the HAP contract to add additional PBV contract units in projects that already have a HAP contract without having to fulfill the selection requirements found at 24 CFR 983.51(b) for those additional PBV units, regardless of when the HAP contract was signed. The additional PBV units, however, are still subject to the PBV program cap and individual project caps. Prior to attaching additional units without competition, the PHA must submit to the local field office information outlined in FR Notice 1/18/17. The PHA must also detail in the administrative plan their intent to add PBV units and the rationale for adding units to the specific PBV project.

PHA Policy

The PHA will consider adding units to the contract on a case-by-case basis to ensure the availability of affordable housing as long as the addition of units does not exceed allowable project caps and as stated previously in Section B above, evaluating the follow considerations:

- The additional PBV units must support the goal of deconcentrating poverty and expanding housing and economic opportunities [42 U.S.C. 1437f(o)(13)].
- The PHA is responsible for determining the amount of budget authority it has available and ensuring that the amount of assistance that will be attached to the units is available under the ACC, regardless of whether the PHA has vouchers available for project-basing.
- The extent to which the rental market in PHA jurisdiction supports the number of families on the waiting list that would be issued a voucher.
- The extent to which the additional units would limit the choice families would have in deciding their housing location.

D. HAP CONTRACT YEAR, ANNIVERSARY AND EXPIRATION DATES [24 CFR 983.207(b) and 983.302(e)]

The HAP contract year is the period of 12 calendar months preceding each annual anniversary of the HAP contract during the HAP contract term. The initial contract year is calculated from the first day of the first calendar month of the HAP contract term.

The annual anniversary of the HAP contract is the first day of the first calendar month after the end of the preceding contract year.

There is a single annual anniversary and expiration date for all units under a particular HAP contract, even in cases where contract units are placed under the HAP contract in stages (on different dates) or units are added by amendment. The anniversary and expiration dates for all units coincide with the dates for the contract units that were originally placed under contract.

E. OWNER RESPONSIBILITIES UNDER THE HAP CONTRACT [24 CFR 983.210]

When the owner executes the HAP contract s/he certifies that at such execution and at all times during the term of the HAP contract:

- All contract units are in good condition and the owner is maintaining the premises and contract units in accordance with NSPIRE;
- The owner is providing all services, maintenance, equipment and utilities as agreed to under the HAP contract and the leases;
- Each contract unit for which the owner is receiving HAP, is leased to an eligible family referred by the PHA, and the lease is in accordance with the HAP contract and HUD requirements;
- To the best of the owner's knowledge the family resides in the contract unit for which the owner is receiving HAP, and the unit is the family's only residence;
- The owner (including a principal or other interested party) is not the spouse, parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit;
- The amount of the HAP the owner is receiving is correct under the HAP contract;
- The rent for contract units does not exceed rents charged by the owner for comparable unassisted units;
- Except for HAP and tenant rent, the owner has not received and will not receive any other payment or consideration for rental of the contract unit;
- The family does not own or have any interest in the contract unit (does not apply to family's membership in a cooperative); and
- Repair work on the project selected as an existing project that is performed after HAP execution within such post-execution period as specified by HUD may constitute development activity, and if determined to be development activity, the repair work undertaken shall be in compliance with Davis-Bacon wage requirements.

F. ADDITIONAL HAP REQUIREMENTS

Housing Quality and Design Requirements [24 CFR 983.101(e) and 983.208(a)]

The owner is required to maintain and operate the contract units and premises in accordance with NSPIRE, including performance of ordinary and extraordinary maintenance. The owner must provide all the services, maintenance, equipment, and utilities specified in the HAP contract with the PHA and in the lease with each assisted family. In addition, maintenance, replacement and redecoration must be in accordance with the standard practice for the building as established by the owner.

The PHA may elect to establish additional requirements for quality, architecture, or design of PBV housing. Any such additional requirements must be specified in the Agreement to enter into a HAP contract and the HAP contract. These requirements must be in addition to, not in place of, compliance with NSPIRE.

PHA Policy

The PHA will identify the need for any special quality or design features on a case-by-case basis depending on the intended occupancy of the PBV project. The PHA will specify any special design standards or additional requirements in the agreement to enter into HAP contract and the HAP contract.

Vacancy Payments [24 CFR 983.352(b)]

At the discretion of the PHA, the HAP contract may provide for vacancy payments to the owner for a PHA-determined period of vacancy extending from the beginning of the first calendar month after the move-out month for a period not exceeding two full months following the move-out month. The amount of the vacancy payment will be determined by the PHA and cannot exceed the monthly rent to owner under the assisted lease, minus any portion of the rental payment received by the owner (including amounts available from the tenant's security deposit).

PHA Policy

The PHA will decide on a case-by-case basis if the PHA will provide vacancy payments to the owner. The HAP contract with the owner will contain any such agreement, including the amount of the vacancy payment and the period for which the owner will qualify for these payments.

PART V. SELECTION OF PBV PROGRAM PARTICIPANTS

A. OVERVIEW

Many of the provisions of the tenant-based voucher regulations [24 CFR 982] also apply to the PBV program. This includes requirements related to determining eligibility and selecting applicants from the waiting list. Even with these similarities, there are requirements that are unique to the PBV program. This part describes the requirements and policies related to eligibility and admission to the PBV program.

B. ELIGIBILITY FOR PBV ASSISTANCE [24 CFR 983.251(a) and (b)]

The PHA may select families for the PBV program from those who are participants in the PHA's tenant-based voucher program and from those who have applied for admission to the voucher program. For voucher participants, eligibility was determined at original admission to the voucher program and does not need to be redetermined at the commencement of PBV assistance. For all others, eligibility for admission must be determined at the commencement of PBV assistance.

Applicants for PBV assistance must meet the same eligibility requirements as applicants for the tenant-based voucher program. Applicants must qualify as a family as defined by HUD and the PHA, have income at or below HUD-specified income limits, and qualify on the basis of citizenship or the eligible immigration status of family members [24 CFR 982.201(a) and 24 CFR 983.2(a)]. In addition, an applicant family must provide social security information for family members [24 CFR 5.216 and 5.218] and consent to the PHA's collection and use of family information regarding income, expenses, and family composition [24 CFR 5.230]. The PHA may also not approve a tenancy if the owner (including a principal or other interested party) of the unit is the parent, child, grandparent, grandchild, sister, or brother of any member of the family, unless needed as a reasonable accommodation. An applicant family must also meet HUD requirements related to current or past criminal activity.

PHA Policy

The PHA will determine an applicant family's eligibility for the PBV program in accordance with the policies in Chapter 2.

In-Place Families [24 CFR 983.251(b)]

An eligible family residing in a proposed PBV contract unit on the date the proposal is selected by the PHA is considered an "in-place family." These families are afforded protection from displacement under the PBV rule. If a unit to be placed under contract (either an existing unit or a unit requiring rehabilitation) is occupied by an eligible family on the date the proposal is selected, the in-place family must be placed on the PHA's waiting list. Once the family's continued eligibility is determined (the PHA may deny assistance to an in-place family for the grounds specified in 24 CFR 982.552 and 982.553), the family must be given an absolute selection preference and the PHA must refer these families to the project owner for an appropriately sized PBV unit in the project. Admission of eligible in-place families is not subject to income targeting requirements.

This regulatory protection from displacement does not apply to families that are not eligible to participate in the program on the proposal selection date.

C. ORGANIZATION OF THE WAITING LIST [24 CFR 983.251(c)]

The PHA may establish a separate waiting list for PBV units or it may use the same waiting list for both tenant-based and project-based assistance. The PHA may also merge the PBV waiting list with a waiting list for other assisted housing programs offered by the PHA. If the PHA chooses to offer a separate waiting list for PBV assistance, the PHA must offer to place applicants who are listed on the tenant-based waiting list on the waiting list for PBV assistance. PHAs may choose to use owner-maintained PBV waiting lists for specific owners or projects. PHAs may permit an owner to maintain a single waiting list across multiple projects owned by the owner. Under an owner-maintained waiting list, the owner is responsible for carrying out responsibilities including, but not limited to, processing changes in applicant information, removing an applicant's name from the waiting list, opening and closing the waiting list. PHAs must identify in their Administrative Plans the name of the project(s), the oversight procedures the PHA will use to ensure owner-maintained waiting lists are administered properly and in accordance with program requirements, and the approval process of an owner's waiting list policy (including any preferences).

PHA Policy

The PHA will permit Sutton Place LLC to keep and maintain their own waitlist for their properties and designated 39 units. PHA does not administer any other PBV units at this time.

D. SELECTION FROM THE WAITING LIST [24 CFR 983.251(c)]

Applicants who will occupy units with PBV assistance must be selected from the PHA's waiting list. The PHA may establish selection criteria or preferences for occupancy of particular PBV units. The PHA may place families referred by the PBV owner on its PBV waiting list.

Income Targeting [24 CFR 983.251(c)(6)]

At least 75 percent of the families admitted to the PHA's tenant-based and project-based voucher programs during the PHA fiscal year from the waiting list must be extremely low-income families. The income targeting requirement applies to the total of admissions to both programs.

Units with Accessibility Features [24 CFR 983.251(c)(7)]

When selecting families to occupy PBV units that have special accessibility features for persons with disabilities, the PHA must first refer families who require such features to the owner.

Preferences [24 CFR 983.251(d), FR Notice 11/24/08]

The PHA may use the same selection preferences that are used for the tenant-based voucher program, establish selection criteria or preferences for the PBV program as a whole, or for occupancy of particular PBV developments or units. The PHA must provide an absolute selection preference for eligible in-place families as described above.

PHA Policy

The PHA will provide a selection preference when required by the regulation (e.g., eligible in-place families). The PHA will not offer any additional preferences for the PBV program or for particular PBV projects or units.

E. OFFER OF PBV ASSISTANCE

Refusal of Offer [24 CFR 983.251(e)(3)]

The PHA is prohibited from taking any of the following actions against a family who has applied for, received, or refused an offer of PBV assistance:

- Refuse to list the applicant on the waiting list for tenant-based voucher assistance;
- Deny any admission preference for which the applicant qualifies;
- Change the applicant's place on the waiting list based on preference, date, and time of application, or other factors affecting selection under the PHA's selection policy;
- Remove the applicant from the tenant-based voucher waiting list.

Disapproval by Landlord [24 CFR 983.251(e)(2)]

If a PBV owner rejects a family for admission to the owner's units, such rejection may not affect the family's position on the tenant-based voucher waiting list.

Acceptance of Offer [24 CFR 983.252]

Family Briefing

When a family accepts an offer for PBV assistance, the PHA must give the family an oral briefing. The briefing must include information on how the program works and the responsibilities of the family and owner. In addition to the oral briefing, the PHA must provide a briefing packet that explains how the PHA determines the total tenant payment for a family, the family obligations under the program, and applicable fair housing information.

Persons with Disabilities

If an applicant family's head or spouse is disabled, the PHA must assure effective communication, in accordance with 24 CFR 8.6, in conducting the oral briefing and in providing the written information packet. This may include making alternative formats available (see Chapter 2). In addition, the PHA must have a mechanism for referring a family that includes a member with a mobility impairment to an appropriate accessible PBV unit.

Persons with Limited English Proficiency

The PHA should take reasonable steps to assure meaningful access by persons with limited English proficiency in accordance with Title VI of the Civil Rights Act of 1964 and Executive Order 13166 (see Chapter 2).

F. OWNER SELECTION OF TENANTS

The owner is responsible for developing written tenant selection procedures that are consistent with the purpose of improving housing opportunities for very low-income families and reasonably related to program eligibility and an applicant's ability to fulfill their obligations under the lease. An owner must promptly notify in writing any rejected applicant of the grounds for any rejection [24 CFR 983.253(a)(2)]

and (a)(3)].

Leasing [24 CFR 983.253(a)]

During the term of the HAP contract, the owner must lease contract units to eligible families that are selected and referred by the PHA from the PHA's waiting list. The contract unit leased to the family must be the appropriate size unit for the size of the family, based on the PHA's subsidy standards.

Filling Vacancies [24 CFR 983.254(a)]

The owner must promptly notify the PHA of any vacancy or expected vacancy in a contract unit. After receiving such notice, the PHA must make every reasonable effort to promptly refer a sufficient number of families for the owner to fill such vacancies. The PHA and the owner must make reasonable efforts to minimize the likelihood and length of any vacancy.

PHA Policy

The owner must notify the PHA in writing (mail, fax, or email) within five business days of learning about any vacancy or expected vacancy.

The PHA will make every reasonable effort to refer families to the owner within 10 business days of receiving such notice from the owner.

Reduction in HAP Contract Units Due to Vacancies [24 CFR 983.254(b)]

If any contract units have been vacant for 120 or more days since owner notice of the vacancy, the PHA may give notice to the owner amending the HAP contract to reduce the number of contract units by subtracting the number of contract units (according to the bedroom size) that have been vacant for this period.

PHA Policy

If any contract units have been vacant for 120 days, the PHA will give notice to the owner that the HAP contract will be amended to reduce the number of contract units that have been vacant for this period. The PHA will provide the notice to the owner within 10 business days of the 120th day of the vacancy. The amendment to the HAP contract will be effective the 1st day of the month following the date of the PHA's notice.

G. TENANT SCREENING [24 CFR 983.255]

PHA Responsibility

The PHA is not responsible or liable to the owner or any other person for the family's behavior or suitability for tenancy. However, the PHA may opt to screen applicants for family behavior or suitability for tenancy and may deny applicants based on such screening.

PHA Policy

The PHA will not conduct screening to determine a PBV applicant family's suitability for tenancy.

The PHA must provide the owner with an applicant family's current and prior address (as shown in PHA records) and the name and address (if known by the PHA) of the family's current landlord and any prior landlords.

In addition, the PHA may offer the owner other information the PHA may have about a family, including information about the tenancy history of family members or about drug trafficking and criminal activity by family members. The PHA must provide applicant families a description of the PHA policy on providing information to owners, and the PHA must give the same types of information to all

owners.

The PHA may not disclose to the owner any confidential information provided in response to a request for documentation of domestic violence, dating violence, sexual assault, or stalking except at the written request or with the written consent of the individual providing the documentation [24 CFR 5.2007(a)(4)].

PHA Policy

The PHA will inform owners of their responsibility to screen prospective tenants and will provide owners with the required known name and address information, at the time of the turnover NSPIRE inspection or before. The PHA will not provide any additional information to the owner, such as tenancy history, criminal history, etc.

Owner Responsibility

The owner is responsible for screening and selection of the family to occupy the owner's unit. When screening families the owner may consider a family's background with respect to the following factors:

- Payment of rent and utility bills;
- Caring for a unit and premises;
- Respecting the rights of other residents to the peaceful enjoyment of their housing;
- Drug-related criminal activity or other criminal activity that is a threat to the health, safety, or property of others; and
- Compliance with other essential conditions of tenancy.

PART VI. OCCUPANCY

A. OVERVIEW

After an applicant has been selected from the waiting list, determined eligible by the PHA, referred to an owner and determined suitable by the owner, the family will sign the lease and occupancy of the unit will begin.

B. LEASE [24 CFR 983.256]

The tenant must have legal capacity to enter a lease under state and local law. *Legal capacity* means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner.

Form of Lease [24 CFR 983.256(b)]

The tenant and the owner must enter into a written lease agreement that is signed by both parties. If an owner uses a standard lease form for rental units to unassisted tenants in the locality or premises, the same lease must be used for assisted tenants, except that the lease must include a HUD-required tenancy addendum. The tenancy addendum must include, word-for-word, all provisions required by HUD.

If the owner does not use a standard lease form for rental to unassisted tenants, the owner may use another form of lease, such as a PHA model lease.

The PHA may review the owner's lease form to determine if the lease complies with state and local law. If the PHA determines that the lease does not comply with state or local law, the PHA may decline to approve the tenancy.

PHA Policy

The PHA will review the owner's lease for compliance with state or local law.

Lease Requirements [24 CFR 983.256(c)]

The lease for a PBV unit must specify all of the following information:

- The names of the owner and the tenant;
- The unit rented (address, apartment number, if any, and any other information needed to identify the leased contract unit);
- The term of the lease (initial term and any provision for renewal);
- The amount of the tenant rent to owner, which is subject to change during the term of the lease in accordance with HUD requirements;
- A specification of the services, maintenance, equipment, and utilities that will be provide by the owner; and
- The amount of any charges for food, furniture, or supportive services.

Tenancy Addendum [24 CFR 983.256(d)]

The tenancy addendum in the lease must state:

- The program tenancy requirements;
- The composition of the household as approved by the PHA (the names of family members and any PHA-approved live-in aide);
- All provisions in the HUD-required tenancy addendum must be included in the lease. The terms of

the tenancy addendum prevail over other provisions of the lease.

Initial Term and Lease Renewal [24 CFR 983.256(f)]

The initial lease term must be for at least one year. The lease must provide for automatic renewal after the initial term of the lease in either successive definitive terms (e.g. month-to-month or year-to-year) or an automatic indefinite extension of the lease term. For automatic indefinite extension of the lease term, the lease terminates if any of the following occur:

- The owner terminates the lease for good cause
- The tenant terminates the lease
- The owner and tenant agree to terminate the lease
- The PHA terminates the HAP contract
- The PHA terminates assistance for the family

Changes in the Lease [24 CFR 983.256(e)]

If the tenant and owner agree to any change in the lease, the change must be in writing, and the owner must immediately give the PHA a copy of all changes.

The owner must notify the PHA in advance of any proposed change in the lease regarding the allocation of tenant and owner responsibilities for utilities. Such changes may only be made if approved by the PHA and in accordance with the terms of the lease relating to its amendment. The PHA must redetermine reasonable rent, in accordance with program requirements, based on any change in the allocation of the responsibility for utilities between the owner and the tenant. The redetermined reasonable rent will be used in calculation of the rent to owner from the effective date of the change.

Owner Termination of Tenancy [24 CFR 983.257]

With two exceptions, the owner of a PBV unit may terminate tenancy for the same reasons an owner may in the tenant-based voucher program (Chapter 14). In the PBV program, terminating tenancy for “good cause” does not include doing so for a business or economic reason, or a desire to use the unit for personal or family use or other non-residential purpose.

Tenant Absence from the Unit [24 CFR 983.256(g) and 982.312(a)]

The lease may specify a maximum period of family absence from the unit that may be shorter than the maximum period permitted by PHA policy. According to program requirements, the family’s assistance must be terminated if they are absent from the unit for more than 180 consecutive days. PHA termination of assistance actions due to family absence from the unit are subject to 24 CFR 981.312, except that the unit is not terminated from the HAP contract if the family is absent for longer than the maximum period permitted.

Continuation of Housing Assistance Payments [24 CFR 982.258]

Housing assistance payments shall continue until the tenant rent equals the rent to owner. The cessation of housing assistance payments at such point will not affect the family's other rights under its lease, nor will such cessation preclude the resumption of payments as a result of later changes in income, rents, or other relevant circumstances if such changes occur within 180 days following the date of the last

housing assistance payment by the PHA. After the 180-day period, the unit shall be removed from the HAP contract pursuant to 24 CFR 983.211.

PHA Policy

If a participating family receiving zero assistance experiences a change in circumstances that would result in a HAP payment to the owner, the family must notify the PHA of the change and request an interim reexamination before the expiration of the 180-day period.

Security Deposits [24 CFR 983.259]

The owner may collect a security deposit from the tenant. The PHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants.

PHA Policy

Security deposits charged by owners may not exceed private market practice or amounts charged to unassisted tenants or the maximum prescribed by State or local law. (Chapter 8)

When the tenant moves out of a contract unit, the owner, subject to state and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid tenant rent, damages to the unit, or other amounts owed by the tenant under the lease. The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used to reimburse the owner, the owner must promptly refund the full amount of the balance to the tenant.

If the security deposit does not cover the amount owed by the tenant under the lease, the owner may seek to collect the balance from the tenant. The PHA has no liability or responsibility for payment of any amount owed by the family to the owner.

C. MOVES

Overcrowded, Under-Occupied, and Accessible Units [24 CFR 983.260]

If the PHA determines that a family is occupying a wrong size unit, based on the PHA's subsidy standards, or a unit with accessibility features that the family does not require, and the unit is needed by a family that does require the features, the PHA must promptly notify the family and the owner of this determination, and the PHA must offer the family the opportunity to receive continued housing assistance in another unit.

PHA Policy

The PHA will notify the family and the owner of the family's need to move based on the occupancy of a wrong-size or accessible unit within 10 business days of the PHA's determination. The PHA will offer the family the following types of continued assistance in the following order, based on the availability of assistance:

PBV assistance in the same building or project;

PBV assistance in another project; and

Tenant-based voucher assistance.

If the PHA offers the family a tenant-based voucher, the PHA must terminate the housing assistance

payments for a wrong-sized or accessible unit at the earlier of the expiration of the term of the family's voucher (including any extension granted by the PHA) or the date upon which the family vacates the unit. If the family does not move out of the wrong-sized unit or accessible unit by the expiration of the term of the family's voucher, the PHA must remove the unit from the HAP contract.

If the PHA offers the family another form of assistance that is not a tenant-based voucher, and the family does not accept the offer, does not move out of the PBV unit within a reasonable time as determined by the PHA, or both, the PHA must terminate the housing assistance payments for the unit at the expiration of a reasonable period as determined by the PHA and remove the unit from the HAP contract.

PHA Policy

When the PHA offers a family another form of assistance that is not a tenant-based voucher, the family will be given 30 days from the date of the offer to accept the offer and move out of the PBV unit. If the family does not move out within this 30-day time frame, the PHA will terminate the housing assistance payments at the expiration of this 30-day period.

The PHA may make exceptions to this 30-day period if needed for reasons beyond the family's control such as death, serious illness, or other medical emergency of a family member.

Family Right to Move [24 CFR 983.261]

The family may terminate the lease at any time after the first year of occupancy. The family must give advance written notice to the owner in accordance with the lease and provide a copy of such notice to the PHA. If the family wishes to move with continued tenant-based assistance, the family must contact the PHA to request the rental assistance prior to providing notice to terminate the lease.

If the family terminates the lease in accordance with these requirements, the PHA is required to offer the family the opportunity for continued tenant-based assistance, in the form of a voucher or other comparable tenant-based rental assistance. If voucher or other comparable tenant-based assistance is not immediately available upon termination of the family's lease in the PBV unit, the PHA must give the family priority to receive the next available opportunity for continued tenant-based assistance.

If the family terminates the assisted lease before the end of the first year, the family relinquishes the opportunity for continued tenant-based assistance.

Emergency Transfers under VAWA [Notice PIH 2017-08]

Except where special consideration is needed for the project-based voucher program, the PHA will follow policies as outlined in VAWA section of this administrative plan, including using the Emergency Transfer Plan as the basis for PBV transfers under VAWA.

HUD requires that the PHA include policies that address when a victim has been living in a unit for less than a year or when a victim seeks to move sooner than a tenant-based voucher is available.

PHA Policy

When the victim of domestic violence, dating violence, sexual assault, or stalking has lived in the unit for less than one year, the PHA will provide several options for continued assistance.

The PHA will first try to transfer the participant to another PBV unit in the same development or transfer to a different development where the PHA has PBV units. The PHA will expedite the administrative processes in this case in an effort to conduct the transfer as quickly as possible.

If no units are available for an internal transfer, or if there is reasonable cause to believe that such a transfer would put the victim in jeopardy, the participant may receive continued assistance through an external transfer to either tenant-based rental assistance (HCV). Such a decision will be made by the PHA based on the availability of tenant-based vouchers. Such families must be

selected from the waiting list for the applicable program. The PHA has adopted a waiting list preference for victims of domestic violence, dating violence, sexual assault, and stalking in both its HCV in order to expedite this process.

If a victim wishes to move after a year of occupancy in the unit, but no tenant-based vouchers are available, the PHA will offer the participant an internal transfer to another PBV unit in the same development or a transfer to a different development where the PHA has PBV units. The PHA will expedite the administrative processes in this case in an effort to conduct the transfer as quickly as possible.

If no units are available for an internal transfer, or if there is reasonable cause to believe that such a transfer would put the victim in jeopardy, the participant may receive continued assistance through an external transfer to the PHA's public housing program. The PHA has adopted a waiting list preference for victims of domestic violence, dating violence, sexual assault, and stalking as part of the public housing ACOP in order to expedite this process.

G. DETERMINING RENT TO OWNER

A. OVERVIEW

The amount of the initial rent to an owner of units receiving PBV assistance is established at the beginning of the HAP contract term. Although for rehabilitated or newly constructed housing, the agreement to enter into HAP Contract (Agreement) states the estimated amount of the initial rent to owner, the actual amount of the initial rent to owner is established at the beginning of the HAP contract term.

During the term of the HAP contract, the rent to owner is redetermined at the owner's request in accordance with program requirements, and at such time that there is a five percent or greater decrease in the published FMR.

B. RENT LIMITS [24 CFR 983.301]

The rent to owner must not exceed the lowest of the following amounts:

- An amount determined by the PHA, not to exceed 110 percent of the applicable fair market rent (or any HUD-approved exception payment standard) for the unit bedroom size minus any utility allowance;
- The reasonable rent; or
- The rent requested by the owner.

Certain Tax Credit Units [24 CFR 983.301(c)]

For certain tax credit units, the rent limits are determined differently than for other PBV units. Different limits apply to contract units that meet all of the following criteria:

- The contract unit receives a low-income housing tax credit under the Internal Revenue Code of 1986;
- The contract unit is not located in a qualified census tract;
- There are comparable tax credit units of the same bedroom size as the contract unit in the same project, and the comparable tax credit units do not have any form of rental assistance other than the tax credit; and
- The tax credit rent exceeds 110 percent of the fair market rent or any approved exception payment standard;

For contract units that meet all of these criteria, the rent to owner must not exceed the lowest of:

- The tax credit rent minus any utility allowance;
- The reasonable rent; or
- The rent requested by the owner.

Definitions

A qualified census tract is any census tract (or equivalent geographic area defined by the Bureau of the Census) in which at least 50 percent of households have an income of less than 60 percent of Area Median Gross Income (AMGI), or where the poverty rate is at least 25 percent and where the census

tract is designated as a qualified census tract by HUD.

Tax credit rent is the rent charged for comparable units of the same bedroom size in the project that also receive the low-income housing tax credit but do not have any additional rental assistance (e.g., tenant-based voucher assistance).

Reasonable Rent [24 CFR 983.301(e) and 983.302(c)(2)]

The PHA must determine reasonable rent in accordance with 24 CFR 983.303. The rent to owner for each contract unit may at no time exceed the reasonable rent, except in cases where the PHA has elected within the HAP contract not to reduce rents below the initial rent to owner and, upon redetermination of the rent to owner, the reasonable rent would result in a rent below the initial rent. However, the rent to owner must be reduced in the following cases:

- To correct errors in calculations in accordance with HUD requirements
- If additional housing assistance has been combined with PBV assistance after the execution of the initial HAP contract and a rent decrease is required pursuant to 24 CFR 983.55
- If a decrease in rent to owner is required based on changes in the allocation of the responsibility for utilities between owner and tenant

If the PHA has not elected within the HAP contract to establish the initial rent to owner as the rent floor, the rent to owner shall not at any time exceed the reasonable rent.

PHA Policy

The PHA will designate in the HAP contract not to reduce rents below the initial level, with the exception of circumstances listed in 24 CFR 983.302(c)(2). If, upon redetermination of the rent to owner, the reasonable rent would result in a rent below the initial rent, the PHA will use the higher initial rent to owner amount.

Use of FMRs, Exception Payment Standards, and Utility Allowances [24 CFR 983.301(f)]

When determining the initial rent to owner, the PHA must use the most recently published FMR in effect and the utility allowance schedule in effect at execution of the HAP contract. When redetermining the rent to owner, the PHA must use the most recently published FMR and the utility allowance schedule in effect at the time of redetermination. At its discretion, the PHA may for initial rent, use the amounts in effect at any time during the 30-day period immediately before the beginning date of the HAP contract, or for redeterminations of rent, the 30-day period immediately before the redetermination date.

Any HUD-approved exception payment standard amount under the tenant-based voucher program also applies to the project-based voucher program. HUD will not approve a different exception payment standard amount for use in the PBV program.

Likewise, the PHA may not establish or apply different utility allowance amounts for the PBV program. The same utility allowance schedule applies to both the tenant-based and project-based voucher programs.

PHA Policy

Upon written request by the owner, the PHA will consider using the FMR or utility allowances in effect during the 30-day period before the start date of the HAP, or redetermination of rent. The owner must explain the need to use the previous FMRs or utility allowances and include documentation in support of the request. The PHA will review and make a decision based on the circumstances and merit of each request.

In addition to considering a written request from an owner, the PHA may decide to use the FMR or utility allowances in effect during the 30-day period before the start date of the HAP, or redetermination of rent, if the PHA determines it is necessary due to PHA budgetary constraints.

Use of Small Area FMRs (SAFMRs) [24 CFR 888.113(h)]

While small area FMRs (SAFMRs) do not apply to PBV projects, PHAs that operate a tenant-based program under SAFMRs may apply SAFMRs to all future PBV HAP contracts. If the PHA adopts this policy, it must apply to all future PBV projects and the PHA's entire jurisdiction. The PHA and owner may not subsequently choose to revert back to use of the FMRs once the SAFMRs have been adopted, even if the PHA subsequently changes its policy.

Further, the PHA may apply SAFMRs to current PBV projects where the notice of owner selection was made on or before the effective date of PHA implementation, provided the owner is willing to mutually agree to doing so and the application is prospective. The PHA and owner may not subsequently choose to revert back to use of the FMRs once the SAFMRs have been adopted, even if the PHA subsequently changes its policy. If rents increase as a result of the use of SAFMRs, the rent increase may not be effective until the first anniversary of the HAP contract.

PHA Policy

The PHA will apply SAFMRs to the PHA's PBV program if project is located in a PHA-identified SAFMR.

Redetermination of Rent [24 CFR 983.302]

The PHA must redetermine the rent to owner upon the owner's request or when there is a 10 percent or greater decrease in the published FMR.

Rent Increase

If an owner wishes to request an increase in the rent to owner from the PHA, it must be requested at the annual anniversary of the HAP contract. The request must be in writing and in the form and manner required by the PHA. The PHA may only make rent increases in accordance with the rent limits described previously. There are no provisions in the PBV program for special adjustments (e.g., adjustments that reflect increases in the actual and necessary expenses of owning and maintaining the units which have resulted from substantial general increases in real property taxes, utility rates, or similar costs).

PHA Policy

An owner's request for a rent increase must be submitted to the PHA 60 days prior to the anniversary date of the HAP contract and must include the new rent amount the owner is proposing.

The PHA may not approve and the owner may not receive any increase of rent to owner until and unless the owner has complied with requirements of the HAP contract, including compliance with NSPIRE. The owner may not receive any retroactive increase of rent for any period of noncompliance.

Rent Decrease

If there is a decrease in the rent to owner, as established in accordance with program requirements such

as a change in the FMR or exception payment standard, or reasonable rent amount, the rent to owner must be decreased regardless of whether the owner requested a rent adjustment, except where the PHA has elected within the HAP contract to not reduce rents below the initial rent under the initial HAP contract.

Notice of Rent Change

The rent to owner is redetermined by written notice by the PHA to the owner specifying the amount of the redetermined rent. The PHA notice of rent adjustment constitutes an amendment of the rent to owner specified in the HAP contract. The adjusted amount of rent to owner applies for the period of 12 calendar months from the annual anniversary of the HAP contract.

PHA Policy

The PHA will provide the owner with at least 30 days written notice of any change in the amount of rent to owner.

REASONABLE RENT [24 CFR 983.303]

At the time the initial rent is established and all times during the term of the HAP contract, the rent to owner for a contract unit may not exceed the reasonable rent for the unit as determined by the PHA, except where the PHA has elected within the HAP contract to not reduce rents below the initial rent under the initial HAP contract.

When Rent Reasonable Determinations Are Required

The PHA must redetermine the reasonable rent for a unit receiving PBV assistance whenever any of the following occur:

- There is a 10 percent or greater decrease in the published FMR in effect 60 days before the contract anniversary (for the unit sizes specified in the HAP contract) as compared with the FMR that was in effect one year before the contract anniversary date;
- The PHA approves a change in the allocation of responsibility for utilities between the owner and the tenant;
- The HAP contract is amended to substitute a different contract unit in the same building or project; or
- There is any other change that may substantially affect the reasonable rent.

How to Determine Reasonable Rent

The reasonable rent of a unit receiving PBV assistance must be determined by comparison to rent for other comparable unassisted units. When making this determination, the PHA must consider factors that affect market rent. Such factors include the location, quality, size, type and age of the unit, as well as the amenities, housing services maintenance, and utilities to be provided by the owner.

Comparability Analysis

For each unit, the comparability analysis must use at least three comparable units in the private unassisted market. This may include units in the premises or project that is receiving project-based assistance. The analysis must show how the reasonable rent was determined, including major differences between the contract units and comparable unassisted units, and must be retained by the PHA. The comparability analysis may be performed by PHA staff or by another qualified person or entity. Those

who conduct these analyses or are involved in determining the housing assistance payment based on the analyses may not have any direct or indirect interest in the property.

Owner Certification of Reasonable Rent

By accepting each monthly housing assistance payment, the owner certifies that the rent to owner is not more than rent charged by the owner for other comparable unassisted units in the premises. At any time, the PHA may require the owner to submit information on rents charged by the owner for other units in the premises or elsewhere.

C. EFFECT OF OTHER SUBSIDY AND RENT CONTROL

In addition to the rent limits discussed in Chapter 22- Section G above, other restrictions may limit the amount of rent to owner in a PBV unit. In addition, certain types of subsidized housing are not even eligible to receive PBV assistance (see Chapter 22-Section B.)

Other Subsidy [24 CFR 983.304]

To comply with HUD subsidy layering requirements, at the discretion of HUD or its designee, a PHA shall reduce the rent to owner because of other governmental subsidies, including tax credits or tax exemptions, grants, or other subsidized funding.

For units receiving assistance under the HOME program, rents may not exceed rent limits as required by that program.

For units in any of the following types of federally subsidized projects, the rent to owner may not exceed the subsidized rent (basic rent) or tax credit rent as determined in accordance with requirements for the applicable federal program:

- An insured or non-insured Section 236 project;
- A formerly insured or non-insured Section 236 project that continues to receive Interest Reduction Payment following a decoupling action;
- A Section 221(d)(3) below market interest rate (BMIR) project;
- A Section 515 project of the Rural Housing Service;
- Any other type of federally subsidized project specified by HUD.

Combining Subsidy

Rent to owner may not exceed any limitation required to comply with HUD subsidy layering requirements.

Rent Control [24 CFR 983.305]

In addition to the rent limits set by PBV program regulations, the amount of rent to owner may also be subject to rent control or other limits under local, state, or federal law.

PART VIII. PAYMENTS TO OWNER

A. HOUSING ASSISTANCE PAYMENTS [24 CFR 983.351]

During the term of the HAP contract, the PHA must make housing assistance payments to the owner in accordance with the terms of the HAP contract. During the term of the HAP contract, payments must be made for each month that a contract unit complies with NSPIRE and is leased to and occupied by an eligible family. The housing assistance payment must be paid to the owner on or about the first day of the month for which payment is due, unless the owner and the PHA agree on a later date.

Except for discretionary vacancy payments, the PHA may not make any housing assistance payment to the owner for any month after the month when the family moves out of the unit (even if household goods or property are left in the unit).

The amount of the housing assistance payment by the PHA is the rent to owner minus the tenant rent (total tenant payment minus the utility allowance).

In order to receive housing assistance payments, the owner must comply with all provisions of the HAP contract. Unless the owner complies with all provisions of the HAP contract, the owner does not have a right to receive housing assistance payments.

B. VACANCY PAYMENTS [24 CFR 983.352]

If an assisted family moves out of the unit, the owner may keep the housing assistance payment for the calendar month when the family moves out. However, the owner may not keep the payment if the PHA determines that the vacancy is the owner's fault.

PHA Policy

If the PHA determines that the owner is responsible for a vacancy and, as a result, is not entitled to the keep the housing assistance payment, the PHA will notify the landlord of the amount of housing assistance payment that the owner must repay. The PHA will require the owner to repay the amount owed in accordance with the policies in Chapter 18 Section 2).

At the discretion of the PHA, the HAP contract may provide for vacancy payments to the owner. The PHA may only make vacancy payments if:

- The owner gives the PHA prompt, written notice certifying that the family has vacated the unit and identifies the date when the family moved out (to the best of the owner's knowledge);
- The owner certifies that the vacancy is not the fault of the owner and that the unit was vacant during the period for which payment is claimed;
- The owner certifies that it has taken every reasonable action to minimize the likelihood and length of vacancy; and
- The owner provides any additional information required and requested by the PHA to verify that the owner is entitled to the vacancy payment.

The owner must submit a request for vacancy payments in the form and manner required by the PHA and must provide any information or substantiation required by the PHA to determine the amount of any vacancy payment.

PHA Policy

If an owner's HAP contract calls for vacancy payments to be made, and the owner wishes to receive vacancy payments, the owner must have properly notified the PHA of the vacancy in accordance with the policy in Chapter 22 Section E regarding filling vacancies.

In order for a vacancy payment request to be considered, it must be made within 10 business days of the end of the period for which the owner is requesting the vacancy payment. The request must include the required owner certifications and the PHA may require the owner to provide documentation to support the request. If the owner does not provide the information requested by the PHA within 10 business days of the PHA's request, no vacancy payments will be made.

C. TENANT RENT TO OWNER [24 CFR 983.353]

The tenant rent is the portion of the rent to owner paid by the family. The amount of tenant rent is determined by the PHA in accordance with HUD requirements. Any changes in the amount of tenant rent will be effective on the date stated in the PHA notice to the family and owner.

The family is responsible for paying the tenant rent (total tenant payment minus the utility allowance). The amount of the tenant rent determined by the PHA is the maximum amount the owner may charge the family for rental of a contract unit. The tenant rent covers all housing services, maintenance, equipment, and utilities to be provided by the owner. The owner may not demand or accept any rent payment from the tenant in excess of the tenant rent as determined by the PHA. The owner must immediately return any excess payment to the tenant.

Tenant and PHA Responsibilities

The family is not responsible for the portion of rent to owner that is covered by the housing assistance payment and the owner may not terminate the tenancy of an assisted family for nonpayment by the PHA. Likewise, the PHA is responsible only for making the housing assistance payment to the owner in accordance with the HAP contract. The PHA is not responsible for paying tenant rent, or any other claim by the owner, including damage to the unit. The PHA may not use housing assistance payments or other program funds (including administrative fee reserves) to pay any part of the tenant rent or other claim by the owner.

Utility Reimbursements

If the amount of the utility allowance exceeds the total tenant payment, the PHA must pay the amount of such excess to the tenant as a reimbursement for tenant-paid utilities, and the tenant rent to the owner must be zero.

The PHA may pay the utility reimbursement directly to the family or to the utility supplier on behalf of the family. If the PHA chooses to pay the utility supplier directly, the PHA must notify the family of the amount paid to the utility supplier.

PHA Policy

The PHA will follow HCV tenant-based assistance Utility Reimbursement policy as outlined in Chapter 6 Section R of this plan

D. OTHER FEES AND CHARGES [24 CFR 983.354]

The owner may not charge extra amounts for items customarily included in rent in the locality or provided at no additional cost to unsubsidized tenants in the premises.

Chapter 18

SPECIAL PURPOSE VOUCHERS

INTRODUCTION

Special purpose vouchers are specifically funded by Congress in separate appropriations from regular HCV program funding in order to target specific populations. Special purpose vouchers include vouchers for the following programs:

- Family Unification Program (FUP)
- Foster Youth to Independence (FYI) program
- Family Unification Program /Family Self Sufficiency Demonstration (FUP/FSS)
- Veterans Affairs Supportive Housing (VASH)
- Mainstream
- Non-Elderly Disabled (NED)
- Stability Voucher program

PHA Policy

The PHA will administer the following types of special purpose vouchers:

- Family Unification Program (FUP)
- Family Unification Program /Family Self Sufficiency Demonstration (FUP/FSS)
- Veterans Affairs Supportive Housing (VASH)
- Mainstream
- Non-Elderly Disabled (NED)

This chapter describes HUD regulations and PHA policies for administering special purpose vouchers. The policies outlined in this chapter are organized into five sections, as follows:

Part I: Family Unification Program (FUP) and Family Unification Program /Family Self Sufficiency Demonstration (FUP/FSS)

Part II: Veterans Affairs Supportive Housing (VASH)

Part III: Mainstream voucher program

Part IV: Non-Elderly Disabled (NED) vouchers

Except as addressed by this chapter and as required under federal statute and HUD requirements, the general requirements of the HCV program apply to special purpose vouchers.

PART I: FAMILY UNIFICATION PROGRAM (FUP)

18-I.A. PROGRAM OVERVIEW [Fact Sheet, Housing Choice Voucher Program Family Unification Program (FUP)]

Overview

The Family Unification Program (FUP) was authorized by Congress in 1990 to help preserve and reunify families. PHAs can administer the program provide vouchers to two different populations—FUP families and FUP youth.

Families eligible for FUP are families for whom the lack of adequate housing is a primary factor in:

- The imminent placement of the family's child or children in out-of-home care; or
- The delay in the discharge of the child or children to the family from out-of-home care.

There is no time limitation on FUP family vouchers, and the family retains their voucher as long as they are HCV-eligible. There is no requirement for the provision of supportive services for FUP family vouchers.

Youth eligible for FUP are those who:

- Are at least 18 years old and not more than 24 years of age;
- Have left foster care or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act at age 16 and older; and
- Are homeless or at risk of becoming homeless.

Assigning Vouchers [FUP FAQs]

The PHA may, but is not required to, assign a specific number or percentage of FUP vouchers. Unless the PHA assigns a specific number or percentage of FUP vouchers to a designated FUP population, the PHA must serve any referrals (FUPY Demonstration youth or families) that meet all program eligibility requirements up to the PHA's designated FUP program size.

PHA Policy

The PHA has not designated any specific number or percentage of FUP vouchers for FUPY Demonstration youths or families. The PHA will serve all referrals that meet program eligibility requirements, up to the PHA's FUP voucher allocation.

18-I.B. PUBLIC CHILD WELFARE AGENCY (PCWA)

Families and youth do not apply directly to the PHA for FUP vouchers. They are instead referred by a PCWA with whom the PHA has entered a Memorandum of Understanding (MOU). The partnering PCWA initially determines whether the participant meets the FUP program eligibility requirements listed in 19-I.C. and 19-I.D. and then refers those to the PHA.

HUD strongly encourages PHAs and PCWAs to make decisions collaboratively on the administration of the program and to maintain open and continuous communication. The PCWA must have a system for identifying FUPY Demonstration Project-eligible youth within the agency's caseload and for reviewing referrals from a Continuum of Care (COC) if applicable.

PHA Policy

The PHA has entered into an MOU with the following partnering organizations: Erie County Department of Social Services

Supportive Services

As part of the HUD Approved FUP/FSS Demonstration project, youth must be provided supportive services for a defined period of time to all FUP/FSS Demonstration youth regardless of their age.

PHA Policy

Supportive services may be provided to FUP/FSS Demonstration youth by the PHA or by PCWA or another agency or organization under agreement or contract with the PCWA. The organization providing the services and resources must be identified in the MOU. The following services must be offered:

- Basic life skills information or counseling on money management, use of credit, housekeeping, proper nutrition or meal preparation, and access to health care (e.g., doctors, medication, and mental and behavioral health services);
- Counseling on compliance with rental lease requirements and with HCV program participant requirements, including assistance or referrals for assistance on security deposits, utility hook-up fees, and utility deposits.
- Providing such assurances to owners of rental property as are reasonable and necessary to assist a FUP-eligible youth to rent a unit with a FUP voucher;
- Job preparation and attainment counseling (where to look and how to apply, dress, grooming, relationships with supervisory personnel, etc.); and
- Educational and career advancement counseling regarding attainment of general equivalency diploma (GED), or attendance or financing of education at a technical school, trade school, or college, including successful work ethic and attitude models.

18-I.C. FUP FAMILY VOUCHER ELIGIBILITY CRITERIA

FUP family assistance is reserved for eligible families that the PCWA has certified are a family for whom a lack of adequate housing is a primary factor in:

- The imminent placement of the family's child or children in out-of-home care, or
- The delay in the discharge of the child or children to the family from out-of-home care.

Lack of adequate housing means the family meets any one of the following conditions:

- Living in substandard housing, which refers to a unit that meets any one of the following conditions:
 - Does not have operable indoor plumbing
 - Does not have a usable flush toilet inside the unit for the exclusive use of a family or youth
 - Does not have a usable bathtub or shower inside the unit for the exclusive use of a family or youth
 - Does not have electricity, or has inadequate or unsafe electrical service
 - Does not have a safe or adequate source of heat
 - Should, but does not, have a kitchen
 - Has been declared unfit for habitation by an agency or unit of government, or in its present condition otherwise endangers the health, safety, or well-being of the family or youth
 - Has one or more critical defects, or a combination of intermediate defects in sufficient number or to the extent that it requires considerable repair or rebuilding. The defects may result from original construction, from continued neglect or lack of repair, or from serious damage to the structure
- Being homeless as defined in 24 CFR 578.3
- Living in a unit where the presence of a household member with certain characteristics (i.e., conviction for certain criminal activities) would result in the imminent placement of the family's child or children in out-of-home care, or the delay in the discharge of the child or children to the family from out-of-home care
- Living in housing not accessible to the family's disabled child or children due to the nature of the disability

- Living in an overcrowded unit, which is defined as living in a unit where one of the following conditions has been met:
 - The family is separated from its child or children and the parents are living in an otherwise standard housing unit, but, after the family is reunited, the parents' housing unit would be overcrowded for the entire family and would be considered substandard; or
 - The family is living with its child or children in a unit that is overcrowded for the entire family and this overcrowded condition may result, in addition to other factors, in the imminent placement of its child or children in out-of-home care.
 - For purposes of this definition, the determination as to whether the unit is overcrowded is made in accordance with the PHA subsidy standards in Chapter 5, Part III of this policy.

Since HUD does not define *imminent placement*, the partnering PCWA may use its discretion to determine whether the potential out of home placement of the family's child or children is imminent [FUP FAQs].

18-I.D. FUP YOUTH DEMONSTRATION VOUCHER ELIGIBILITY CRITERIA

While FUP family vouchers operate as regular HCVs after the family is referred from the PCWA, there are several aspects of the FUP youth vouchers that make them distinct from the FUP family vouchers and from regular HCVs. The PHA received approval from HUD in August 2017 to administer a FUP/FSS Demonstration Program. The Demonstration Program is offered to FUP youth aging out of foster care. [Notice PIH 2011-52(HA)].

Under HOTMA, eligibility was expanded to cover youths aged 18-24, and the term for assistance was increased to 36 months.

HUD published its intention to offer a FUP-FSS Demonstration Program, which would further increase FUP program benefits to youths who agree to participate in Family Self-Sufficiency.

This PHA was approved to participate in the FUP-FSS Demonstration Program in August 2017. PHAs must continue to accept participants for the demonstration until notified by HUD. [Notice PIH 2011-52(HA)].

Eligibility Criteria

A FUP/FSS Demonstration Program eligible youth is a youth the PCWA has certified:

- Is at least 18 years old and not more than 24 years of age (has not yet reached their 25th birthday);
 - The FUP youth must be no more than 24 years old at the time the PCWA certifies them as eligible and at the time of HAP contract execution.
- Has left foster care or will leave foster care within 180 days, in accordance with a transition plan described in Section 8(x)(2) of the United States Housing Act of 1937 (42 U.S.C.1437f(x)(2)) and PIH Notice 2025-08

- Foster care placement can include, but is not limited to, placements in foster family homes, foster homes of relatives, group homes, emergency shelters, residential facilities, child care institutions, and pre-adoptive homes in accordance with 24 CFR 5.576.
- Is homeless or at risk of becoming homeless at age 16 or older;
 - *At risk of being homeless* is fully defined at 24 CFR 576.2.
 - o This includes a person that is exiting a publicly funded institution, or system of care (such as a healthcare facility, a mental health facility, foster care or other youth facility, or correction program or institution).
 - o Therefore, youth being discharged from an institution may be eligible for a FUP voucher [FUP FAQs].
- Has an annual income at or below 30 percent of area median income; and does not have sufficient resources or support networks (e.g., family, friends, faith-based or other social networks) immediately available to prevent them from moving to a supervised publicly or privately operated shelter designed to provide temporary living arrangements.

18-I.E. REFERRALS AND WAITING LIST MANAGEMENT

Referrals

The PCWA must establish and implement a system to identify FUP-eligible families and youths within the agency's caseload and make referrals to the PHA. The PCWA must certify that the FUP applicants they refer to the PHA meet FUP eligibility requirements. The PHA is not required to maintain full documentation that demonstrates the family's or youth's FUP eligibility as determined by the PCWA but should keep the referral or certification from the PCWA.

PHA Policy

As part of the MOU, the PHA and PCWA have identified staff positions to serve as lead FUP liaisons. These positions will be responsible for transmission and acceptance of FUP referrals. The PCWA must commit sufficient staff and resources to ensure eligible families and youths are identified and determined eligible in a timely manner.

When FUP vouchers are available, the PHA liaison responsible for acceptance of referrals will contact the PCWA FUP liaison via email indicating the number of vouchers available and requesting an appropriate number of referrals. No more than 10 business days from the date the PCWA receives this notification, the PCWA liaison will provide the PHA with a list of eligible referrals include the name, address, and contact phone number for each adult individual who is being referred; a completed release form for each adult family member; and a written certification for each referral indicating the youth or family is FUP-eligible.

The PHA will maintain a copy of the referral or certification from the PCWA in the participant's file along with other eligibility paperwork.

A PHA must serve any referrals (youths or families) that meet all program eligibility requirements. If a PHA determines that it has received a sufficient number of referrals from the

PCWA so that the PHA will be able to lease all FUP vouchers awarded, the PHA may request that the PCWA suspend transmission of referrals. If the PHA determines that additional referrals will be needed after it has made such a request, the PHA may request that the PCWA resume transmission of referrals [Notice PIH 2011-52].

Waiting List Placement

A family that is already participating in the regular HCV program cannot be transferred to a FUP voucher.

Once a referral is made, the PHA must compare the list of PCWA referrals to its HCV waiting list to determine if any applicants on the PCWA's referral list are already on the PHA's HCV waiting list. Applicants already on the PHA's HCV waiting list retain the order of their position on the list. Applicants not already on the PHA's HCV waiting list must be placed on the HCV waiting list.

If the PHA's HCV waiting list is closed, the PHA must open its HCV waiting list in order to accept new FUP applicants. If necessary, the PHA may open its waiting list solely for FUP applicants, but this information must be included in the PHA's notice of opening its waiting list (see section 4-II.C., Opening and Closing the Waiting List of this administrative plan).

PHA Policy

Within 10 business days of receiving the referral from the PCWA, the PHA will review the HCV waiting list and will send the PCWA a list confirming whether or not referrals are on the waiting list.

Referrals who are already on the list will retain their position and the list will be notated to indicate the family or youth is FUP-eligible.

For those referrals not already on the waiting list, the PHA will work with the PCWA to ensure they receive and successfully complete a pre-application or application, as applicable. Once the pre-application or application has been completed, the PHA will place the referral on the HCV waiting list with the date and time of the original referral and an indication that the referral is FUP-eligible.

Waiting List Selection

The PHA selects FUP-eligible families or youths based on the PHA's regular HCV waiting list selection policies in Chapter 4, including any preferences that may apply.

18-I.F. PHA HCV ELIGIBILITY DETERMINATION

PHA Policy

Any applicant that does not meet the eligibility criteria for the HCV program listed in Chapter 3 or any eligibility criteria listed in this section will be notified by the PHA in writing following policies in Section 3-III.F., including stating the reasons the applicant was found ineligible and providing an opportunity for an informal review.

Additional FUP Eligibility Factors [FUP FAQs]

For FUP family vouchers, the family must remain FUP-eligible through lease-up.

- If, after a family is referred by the PCWA but prior to issuing a family FUP voucher, the PHA discovers that the lack of adequate housing is no longer a primary factor for the family not reunifying, the FUP voucher may not be issued to the family.
- Similarly, if the FUP voucher has already been issued before the PHA discovers that the reunification will not happen, but the family has not yet leased up under the voucher, the PHA must not execute the HAP contract, as the family is no longer FUP-eligible.

FUP-eligible youth must be no more than 24 years old both at the time of PCWA certification and at the time of the HAP execution. If a FUP youth is 24 at the time of PCWA certification but will turn 25 before the HAP contract is executed, the youth is no longer eligible for a FUP youth voucher.

PHA Policy

Any applicant that does not meet the eligibility criteria for the HCV program listed in Chapter 3 or any eligibility criteria listed in this section will be notified by the PHA in writing following policies in Section 3-III.F., including stating the reasons the applicant was found ineligible and providing an opportunity for an informal review.

18.I.G. LEASE UP [FR Notice 1/24/22]

Once the PHA determines that the family or youth meets HCV eligibility requirements, the family or youth will be issued a FUP voucher in accordance with PHA policies.

During the family briefing, PHAs must inform the FUP youth of:

- The extension of assistance provisions and requirements;
- The availability of the FSS program and offer them an FSS slot, if available, or offer to place them on the FSS waiting list (provided the PHA has an FSS program); and
- Supportive services available to them, the existence of any other programs or services, and their eligibility for such programs and services. However, participation in supportive services cannot be required as a condition of receiving FUP youth assistance.

PHA Policy

Eligible applicants will be notified by the PHA in writing following policies in Section 3-III.F. of this administrative plan. FUP families will attend a standard HCV briefing in accordance with PHA policies in Part I of Chapter 5 of this administrative plan. FUP

youth will be briefed individually. The PHA will provide all aspects of the written and oral briefing as outlined in Part I of Chapter 5 but will also provide an explanation of the required items listed above.

Once the family or youth locate a unit, the PHA conducts all other processes relating to voucher issuance and administration per HCV program regulations and the PHA's policies (including, but not limited to: NSPIRE inspections, determination of rent reasonableness, etc.).

FUP/FUPY Voucher Search Term Policy

In accordance with PIH Notice 2025-08 and 24 CFR §982.303(a), Family Unification Program (FUP) and Family Unification Program for Youth (FUPY) voucher holders will receive an initial search term of 120 calendar days.

PHA Policy

As of May 1, 2025 after the initial term, a first 90-day extension may be granted, provided the request is made on or before the voucher's expiration date. This request may be made either in writing or verbally and must comply with applicable requirements. Following this initial extension, a final 90-day extension may be granted in accordance with the Housing Choice Voucher (HCV) extension policy outlined in Chapter 5, Part II of this Administrative Plan.

18-I.H. TERMINATION OF ASSISTANCE

General Requirements

With the exception of terminations of assistance for FUP youth after the statutorily required time period, terminations of FUP assistance are handled in the same way as the regular HCV program. Termination of a FUP voucher must be consistent with regulations for termination in 24 CFR Part 982, Subpart L and be in compliance with PHA policies (Chapter 12).

If the person who qualifies for the FUP voucher passes away, the family retains the FUP voucher. In the case of a FUP-youth voucher, assistance will terminate after the statutorily required time period, even if the FUP-eligible youth is no longer included in the household. If the person who qualifies for the FUP voucher moves, the remaining family members may keep the FUP voucher based on PHA policy (see administrative plan, Section 3-I.C., Family Breakup and Remaining Member of Tenant Family).

FUP Family Vouchers

If parents lose their parental rights or are separated from their children after voucher lease-up (or their children reach adulthood), the family is still eligible to keep their FUP assistance, as the regulations do not permit HCV termination for a family losing parental rights or the children reaching adulthood. However, the PHA may transfer the assistance of a FUP family voucher holder to regular HCV assistance if there are no longer children in the household.

PHA Policy

The PHA will not transfer assistance if there are no longer children in the household for a FUP family voucher holder. The family will remain eligible to keep their FUP assistance.

FUP Youth Vouchers/ FUP/FSS Demonstration Program

A PHA cannot terminate a FUP youth's assistance for noncompliance with PCWA case management, nor may the PHA terminate assistance for a FUP youth for not accepting services from the PCWA.

The PHA may not transfer the assistance of a FUP youth voucher holder to regular HCV assistance upon the expiration of the statutorily required time period. However, the PHA may issue a regular HCV to FUP youth/ FUP/FSS Demonstration Program eligible youth if they were selected from the waiting list in accordance with PHA policies and may also adopt a preference for FUP youth/ FUP/FSS Demonstration Program eligible youth voucher holders who are being terminated for this reason.

PHA Policy

The PHA will provide a selection preference on the PHA's HCV waiting list for FUP youth/FUP/FSS Demonstration Program eligible youth who are terminated due to the time limit on assistance.

Upon the expiration of the statutorily required time period, a FUP youth/ FUP/FSS Demonstration Program eligible youth voucher holder who has children and who lacks adequate housing may qualify for a FUP family voucher provided they are referred by the PCWA as an eligible family and meet the eligibility requirements for the PHA's HCV program.

18-I.I. FUP PORTABILITY

Portability for a FUP family or youth is handled in the same way as for a regular HCV family. A PHA may not restrict or deny portability for a FUP family or youth for reasons other than those specified in the HCV program regulations, as reflected in Chapter 10 of the administrative plan.

A FUP family or youth does not have to port to a jurisdiction that administers FUP.

If the receiving PHA administers the FUP voucher on behalf of the initial PHA, the voucher is still considered a FUP voucher regardless of whether the receiving PHA has a FUP program.

If the receiving PHA absorbs the voucher, the receiving PHA may absorb the incoming port into its FUP program (if it has one) or into its regular HCV program (if the receiving PHA has vouchers available to do so) and the family or youth become regular HCV participants. In either case, when the receiving PHA absorbs the voucher, a FUP voucher becomes available to the initial PHA.

Considerations for FUP Youth Vouchers

If the voucher is a FUP youth voucher and remains such upon lease-up in the receiving PHA's jurisdiction, termination of assistance must still take place once the youth has received assistance for the statutorily required time period. If the receiving PHA is administering the FUP youth voucher on behalf of the initial PHA, the two PHAs must work together to initiate termination upon expiration of the statutorily required time period.

18-I.J. PROJECT-BASING FUP VOUCHERS [Notice PIH 2017-21; FR Notice 1/24/22]

The PHA may project-base FUP vouchers without HUD approval in accordance with Notice PIH 2017-21, FR Notice 1/24/22, and all statutory and regulatory requirements for the PBV program.

Project-based FUP vouchers are subject to the PBV program percentage limitation discussed in Section 17-I.A.

The PHA may limit PBVs to one category of FUP-eligible participants (families or youth) or a combination of the two.

While FUP vouchers can be used for either families or youth, a PBV unit may only be counted towards the PHA's 10 percent exception authority under the program cap and the project's income-mixing requirement if the FUP PBV assistance is provided on behalf of an eligible youth. The PHA must amend its administrative plan to include the limitation of these FUP PBV units to eligible youth.

PHA Policy

The PHA will not project-base FUP vouchers. All FUP vouchers will be used to provide tenant-based assistance.

PART II: VETERANS AFFAIRS SUPPORTIVE HOUSING (VASH) PROGRAM

18-II.A. OVERVIEW

Since 2008, HCV program funding has provided rental assistance under a supportive housing program for homeless veterans. The Veterans Affairs Supportive Housing (VASH) program combines HCV rental assistance with case management and clinical services provided by the Department of Veterans Affairs (VA) at VA medical centers (VAMCs) and Community-Based Outpatient Clinics (CBOCs), or through a designated service provider (DSP) as approved by the VA Secretary. Eligible families are homeless veterans and their families that agree to participate in VA case management and are referred to the VAMC's partner PHA for HCV assistance. The VAMC or DSP's responsibilities include:

- Screening homeless veterans to determine whether they meet VASH program participation criteria;
- Referring homeless veterans to the PHA;
 - The term *homeless veteran* means a veteran who is homeless (as that term is defined in subsection (a) or (b) of Section 103 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11302)). See 38 U.S.C. 2002.
- Providing appropriate treatment and supportive services to potential VASH participants, if needed, prior to PHA issuance of a voucher;
- Providing housing search assistance to VASH participants;
- Identifying the social service and medical needs of VASH participants, and providing or ensuring the provision of regular ongoing case management, outpatient health services, hospitalization, and other supportive services as needed throughout the veterans' participation period; and
- Maintaining records and providing information for evaluation purposes, as required by HUD and the VA.

VASH vouchers are awarded noncompetitively based on geographic need and PHA administrative performance. Eligible PHAs must be located within the jurisdiction of a VAMC and in an area of high need based on data compiled by HUD and the VA. When Congress funds a new allocation of VASH vouchers, HUD invites eligible PHAs to apply for a specified number of vouchers.

Generally, the HUD-VASH program is administered in accordance with regular HCV program requirements. However, HUD is authorized to waive or specify alternative requirements to allow PHAs to effectively deliver and administer VASH assistance. Alternative requirements are established in the HUD-VASH Operating Requirements, which were originally published in the Federal Register on May 6, 2008, and updated September 27, 2021. Unless expressly waived by HUD, all regulatory requirements and HUD directives regarding the HCV program are applicable to VASH vouchers, including the use of all HUD-required contracts and other forms, and all civil rights and fair housing requirements. In addition, the PHA may request additional statutory or regulatory waivers that it determines are necessary for the effective delivery and administration of the program.

The VASH program is administered in accordance with applicable Fair Housing requirements since civil rights requirements cannot be waived under the program. These include applicable authorities under 24 CFR 5.105(a) and 24 CFR 982.53 including, but not limited to, the Fair Housing Act, Section 504 of the Rehabilitation Act of 1973, Title VI of the Civil Rights Act of 1964, the Americans with Disabilities Act, and the Age Discrimination Act and all PHA policies as outlined in Chapter 2 of this document.

When HUD-VASH recipients include veterans with disabilities or family members with disabilities, reasonable accommodation requirements in Part II of Chapter 2 of this policy apply.

18-II.B. REFERRALS [FR Notice 9/27/21 and HUD-VASH Qs and As]

VAMC case managers will screen all families in accordance with VA screening criteria and refer eligible families to the PHA for determination of program eligibility and voucher issuance. The PHA has no role in determining or verifying the veteran's eligibility under VA screening criteria, including determining the veteran's homelessness status. The PHA must accept referrals from the partnering VAMC and must maintain written documentation of referrals in VASH tenant files. Upon turnover, VASH vouchers must be issued to eligible veteran families as identified by the VAMC.

PHA Policy

In order to expedite the screening process, the PHA will provide all forms and a list of documents required for the VASH application to the VAMC. Case managers will work with veterans to fill out the forms and compile all documents prior to meeting with the PHA and submitting an application. When feasible, the VAMC case manager should email or fax copies of all documents to the PHA prior to the meeting in order to allow the PHA time to review them and start a file for the veteran.

After the VAMC has given the PHA a complete referral, the PHA will perform an eligibility screening within five business days of receipt of a VAMC referral.

18-II.C. HCV PROGRAM ELIGIBILITY [FR Notice 9/27/21]

Eligible participants are homeless veterans and their families who agree to participate in case management from the VAMC.

- A *VASH Veteran* or *veteran family* refers to either a single veteran or a veteran with a household composed of two or more related persons. It also includes one or more eligible persons living with the veteran who are determined to be important to the veteran's care or well-being.
- A veteran for the purpose of VASH is a person whose length of service meets statutory requirements, and who served in the active military, naval, or air service, was discharged or released under conditions other than dishonorable, and is eligible for VA health care.

Under VASH, PHAs do not have authority to determine family eligibility in accordance with HCV program rules and PHA policies. The only reasons for denial of assistance by the PHA are failure to meet the income eligibility requirements and/or that a family member is subject to a lifetime registration requirement under a state sex offender registration program. Under portability, the receiving PHA must also comply with these VASH screening requirements.

Social Security Numbers

When verifying Social Security numbers (SSNs) for homeless veterans and their family members, an original document issued by a federal or state government agency, which contains the name and SSN of the individual along with other identifying information of the individual, is acceptable in accordance with Section 7-II.B. of this policy.

In the case of the homeless veteran, the PHA must accept the Certificate of Release or Discharge from Active Duty (DD-214) or the VA-verified Application for Health Benefits (10-10EZ) as verification of SSN and cannot require the veteran to provide a Social Security card. A VA-issued identification card may also be used to verify the SSN of a homeless veteran.

Proof of Age

The DD-214 or 10-10EZ must be accepted as proof of age in lieu of birth certificates or other PHA-required documentation as outlined in Section 7-II.C. of this policy. A VA-issued identification card may also be used to verify the age of a homeless veteran.

Photo Identification

A VA-issued identification card must be accepted in lieu of another type of government-issued photo identification. These cards also serve as verification of SSNs and date of birth.

Income Eligibility

The PHA must determine income eligibility for VASH families in accordance with 24 CFR 982.201 and policies in Section 3-II.A. If the family is over-income based on the most recently published income limits for the family size, the family will be ineligible for HCV assistance.

While income-targeting does not apply to VASH vouchers, the PHA may include the admission of extremely low-income VASH families in its income targeting numbers for the fiscal year in which these families are admitted.

PHA Policy

While income-targeting requirements will not be considered by the PHA when families are referred by the partnering VAMC, the PHA will include any extremely low-income VASH families that are admitted in its income targeting numbers for the fiscal year in which these families are admitted.

Screening

The PHA may not screen any potentially eligible family members or deny assistance for any grounds permitted under 24 CFR 982.552 and 982.553 with one exception: the PHAs is still required to prohibit admission if any member of the household is subject to a lifetime registration requirement under a state sex offender registration program. Accordingly, with the exception of denial for registration as a lifetime sex offender under state law and PHA policies on how sex offender screenings will be conducted, PHA policy in Sections 3-III.B. through 3-III.E. do not apply to VASH. The prohibition against screening families for anything other than lifetime sex offender status applies to all family members, not just the veteran.

If a family member is subject to lifetime registration under a state sex offender registration program, the remaining family members may be served if the family agrees to remove the sex offender from its family composition. This is true unless the family member subject to lifetime registration under a state sex offender registration program is the homeless veteran, in which case the family would be denied admission to the program [New HCV GB, *HUD-VASH*, p. 6].

Denial of Assistance [Notice PIH 2008-37]

Once a veteran is referred by the VAMC, the PHA must either issue a voucher or deny assistance. If the PHA denies assistance, it must provide the family with prompt notice of the decision and a brief statement of the reason for denial in accordance with Section 3-III.F. Like in the standard HCV program, the family must be provided with the opportunity for an informal review in accordance with policies in Section 3-III.F. In addition, a copy of the denial notice must be sent to the VAMC case manager.

18-II.D. CHANGES IN FAMILY COMPOSITION

Adding Family Members [FR Notice 9/27/21]

When adding a family member after the family has been admitted to the program, PHA policies in Section 3-II.B. apply. Other than the birth, adoption, or court-awarded custody of a child, the PHA must approve additional family members and will apply its regular screening criteria in doing so.

Remaining Family Members [HUD-VASH Qs and As]

If the homeless veteran dies while the family is being assisted, the voucher would remain with the remaining members of the tenant family. The PHA may use one of its own regular vouchers, if available, to continue assisting this family and free up a VASH voucher for another VASH-eligible family. If a regular voucher is not available, the family would continue utilizing the VASH voucher. Once the VASH voucher turns over, however, it must go to a homeless veteran family.

Family Break Up [HUD-VASH Qs and As]

In the case of divorce or separation, since the set-aside of VASH vouchers is for veterans, the voucher must remain with the veteran. This overrides the PHA's policies in Section 3-I.C. on how to determine who remains in the program if a family breaks up.

18-II.E. LEASING [FR Notice 9/27/21]

Waiting List

The PHA does not have the authority to maintain a waiting list or apply local preferences for HUD-VASH vouchers. Policies in Chapter 4 relating to applicant selection from the waiting list, local preferences, special admissions, cross-listing, and opening and closing the waiting list do not apply to VASH vouchers.

Exception Payment Standards

To assist VASH participants in finding affordable housing, especially in competitive markets, HUD allows PHAs to establish a HUD-VASH exception payment standard. PHAs may go up to but no higher than 120 percent of the published area-wide fair market rent (FMR) or small area fair market rent (SAFMR) specifically for VASH families. PHAs who want to establish a VASH exception payment standard over 120 percent must still request a waiver from HUD through the regular waiver process outlined in Notice PIH 2018-16.

PHA Policy

PHA will take advantage of HUD waiver of waived 24 CFR 982.503(a)(3) and may go up to but no higher than 120 percent of the published area-wide fair market rent (FMR) or small area fair market rent (SAFMR) specifically for VASH families as an exemption payment

Voucher Issuance

Unlike the standard HCV program which requires an initial voucher term of at least 60 days, VASH vouchers must have an initial search term of at least 120 days. PHA policies on extensions as outlined in Section 5-II.E. will apply.

PHA Policy

All VASH vouchers will have an initial term of 120 calendar days.

The family must submit a Request for Tenancy Approval and proposed lease within the 120-day period. PHA may provide additional extension up to 180 days.

VASH vouchers' request for reasonable accommodation with aligned with requirements established in Chapter 2 of this plan. PHA will accept justification for the reasonable accommodation on a letterhead from VASH applicant's case manager. Proof of disability must be signed off by a licensed professional (see Appendix B). The documentation form requires that the licensed professional confirm that the participant meets the definition of disability as outlined by HUD.

The PHA must track issuance of HCVs for families referred by the VAMC or DSP in PIC as required in Notice PIH 2011-53.

Initial Lease Term

Unlike in the standard the HCV program, VASH voucher holders may enter into an initial lease that is for less than 12 months. Accordingly, PHA policy in Section 9-I.E., Term of Assisted Tenancy, does not apply. PHA will also allow HAP contracts to be started any day of the month.

Ineligible Housing [FR Notice 6/18/14]

Unlike in the standard HCV program, VASH families are permitted to live on the grounds of a VA facility in units developed to house homeless veterans. This applies to both tenant-based assistance and PBV. Therefore, 24 CFR 982.352(a)(5) and 983.53(a)(2), which prohibit units on the physical grounds of a medical, mental, or similar public or private institution, do not apply to VASH for this purpose only. Accordingly, PHA policy in 9-I.D., Ineligible Units, does not apply for this purpose only.

Pre-Inspections

To expedite the leasing process, PHAs may pre-inspect available units that veterans may be interested in leasing in order to maintain a pool of eligible units. If a VASH family selects a unit that passed an NSPIRE inspection (without intervening occupancy) within 45 days of the date of the Request for Tenancy Approval (Form HUD-52517), the unit may be approved if it meets all other conditions under 24 CFR 982.305. However, the veteran must be free to select their unit and cannot be steered to these units.

PHA Policy

The PHA will not conduct any pre-inspections of available units.

18-II.F. PORTABILITY [FR Notice 9/27/21 and Notice PIH 2011-53]

General Requirements

Portability policies under VASH depend on whether the family wants to move within or outside of the initial VA facility's catchment area (the area in which the VAMC or DSP operates). In all cases, the initial VA facility must be consulted prior to the move and provide written confirmation that case management will continue to be provided in the family's new location. VASH participant families may only reside in jurisdictions that are accessible to case management services, as determined by case managers at the partnering VAMC or DSP.

Under VASH, applicant families may move under portability even if the family did not have legal residency in the jurisdiction of the initial PHA when they applied. As a result, PHA policies in Section 10-II.B. about nonresident applicants do not apply.

If the family no longer requires case management, there are no portability restrictions. Normal portability rules apply.

Portability within the Initial VAMC or DSP's Catchment Area

A VASH family can move within the VAMC's catchment area as long as case management can still be provided, as determined by the VA. If the initial PHA's partnering VAMC will still provide the case management services, the receiving PHA must process the move in accordance with portability procedures:

- If the receiving PHA has been awarded VASH vouchers, it can choose to either bill the initial PHA or absorb the family if it has a VASH voucher available to do so.
 - If the PHA absorbs the family, the VAMC or DSP providing the initial case management must agree to the absorption and the transfer of case management.
- If the receiving PHA does not administer a VASH program, it must always bill the initial PHA.

Portability Outside of the Initial VAMC or DSP's Catchment Area

If a family wants to move to another jurisdiction where it will not be possible for the initial PHA's partnering VAMC or DSP to provide case management services, the initial VAMC or DSP must first determine that the VASH family could be served by another VAMC or DSP that is participating in the VASH program, and the receiving PHA has an available VASH voucher.

In these cases, the family must be absorbed by the receiving PHA either as a new admission or as a portability move-in, as applicable. Upon absorption, the initial PHA's VASH voucher will be available to lease to a new VASH-eligible family, and the absorbed family will count toward the number of VASH slots awarded to the receiving PHA.

Portability Outside of the Initial VAMC or DSP's Catchment Area under VAWA

Veterans who request to port beyond the catchment area of the VAMC or DSP where they are receiving case management to protect the health or safety of a person who is or has been the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, and who reasonably believes they are threatened with imminent harm from further violence by remaining in the unit may port prior to receiving approval from the receiving VAMC or DSP. The initial PHA must follow its emergency transfer plan (see Exhibit 16-3). PHAs may require verbal self-certification or a written request from a participant seeking a move beyond the catchment area of the VAMC or DSP.

The verbal self-certification or written request must include either a statement expressing why the participant reasonably believes that there is a threat of imminent harm from further violence if they were to remain in the same unit or a statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-day period preceding the participants request for the move.

The participant must still port to a PHA that has a VASH program. If the receiving PHA does not have a VASH voucher available to lease, they may bill the initial PHA until a VASH voucher is available, at which point the porting veteran must be absorbed into the receiving PHA's program.

18-II.G. TERMINATION OF ASSISTANCE [FR Notice 9/27/21]

With the exception of terminations for failure to receive case management, HUD has not established any alternative requirements for termination of assistance for VASH participants. However, prior to terminating VASH participants, HUD strongly encourages PHAs to exercise their discretion under 24 CFR 982.552(c)(2) as outlined in Section 12-II.D. of this policy and consider all relevant circumstances of the specific case. This includes granting reasonable accommodations for persons with disabilities, as well as considering the role of the case manager and the impact that ongoing case management services can have on mitigating the conditions that led to the potential termination.

VASH participant families may not be terminated after admission for a circumstance or activities that occurred prior to admission and were known to the PHA but could not be considered at the time of admission due to VASH program requirements. The PHA may terminate the family's assistance only for program violations that occur after the family's admission to the program.

Cessation of Case Management

As a condition of receiving HCV rental assistance, a HUD-VASH-eligible family must receive case management services from the VAMC or DSP. A VASH participant family's assistance must be terminated for failure to participate, without good cause, in case management as verified by the VAMC or DSP.

However, a VAMC or DSP determination that the participant family no longer requires case management is not grounds for termination of voucher or PBV assistance. In such a case, at its option, the PHA may offer the family continued assistance through one of its regular vouchers. If the PHA has no voucher to offer, the family will retain its VASH voucher or PBV unit until such time as the PHA has an available voucher for the family.

VAWA [FR Notice 9/27/21]

When a veteran's family member is receiving protection under VAWA because the veteran is the perpetrator of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the victim must continue to be assisted. Upon termination of the perpetrator's VASH assistance, the victim must be given a regular HCV if one is available, and the perpetrator's VASH voucher must be used to serve another eligible veteran family. If a regular HCV is not available, the perpetrator must be terminated from assistance and the victim will continue to use the VASH voucher.

18-II.H. PROJECT-BASING VASH VOUCHERS

General Requirements [Notice PIH 2017-21 and FR Notice 9/27/21]

PHAs are authorized to project-base their tenant-based VASH vouchers without additional HUD review or approval in accordance with Notice PIH 2017-21 and all PBV program requirements provided that the VAMC will continue to make supportive services available. In addition, since 2010, HUD has awarded VASH vouchers specifically for project-based assistance in the form of PBV HUD-VASH set-aside vouchers. While these vouchers are excluded from the PBV program cap as long as they remain under PBV HAP contract at the designated project, all other VASH vouchers are subject to the PBV program percentage limitation discussed in Section 17-I.A. Note that VASH supportive services only need to be provided to VASH families receiving PBV assistance in the project, not all families receiving PBV assistance in the project. If a VASH family does not require or no longer requires case management, the unit continues to count as an excepted PBV unit as long as the family resides in the unit.

If the PHA project-bases VASH vouchers, the PHA must consult with the partnering VAMC or DSP to ensure approval of the project or projects. PHAs may project-base VASH vouchers in projects alongside other PBV units and may execute a single HAP contract covering both the VASH PBVs and the other PBVs. The PHA must refer only VASH families to PBV units exclusively made available to VASH families and to PBV units funded through a HUD set-aside award.

If a VASH family is referred to the PHA and there is an available PBV unit that is not exclusively made available to VASH families, the PHA may offer to refer the family to the owner if allowable under the selection policy for that project, and the owner and PHA may amend the HAP contract to designate the PBV unit as a VASH PBV unit.

The PHA and owner may agree to amend a PBV HAP contract to redesignate a regular PBV unit as a unit specifically designated for VASH families so long as the PHA first consults with the VAMC or DSP. Additionally, the PHA and owner may agree to amend a PBV HAP contract to redesignate a unit specifically designated for VASH families as a regular PBV unit, so long as the unit is not funded through a VASH PBV set-aside award and is eligible for regular PBV (i.e., the unit is not on the grounds of a medical facility and the unit is eligible under the PHA's program and project caps).

Policies for VASH PBV units will generally follow PHA policies for the standard PBV program as listed in Chapter 17, with the exception of the policies listed below.

Failure to Participate in Case Management [FR Notice 9/27/21]

Upon notification by the VAMC or DSP of the family's failure to participate, without good cause, in case management, the PHA must provide the family a reasonable time period to vacate the unit. The PHA must terminate assistance to the family at the earlier of either the time the family vacates or the expiration of the reasonable time period given to vacate.

PHA Policy

Upon notification by the VAMC or DSP that a VASH PBV family has failed to participate in case management without good cause, the PHA will provide written notice of termination of assistance to the family and the owner within 10 business days. The family will be given 60 days from the date of the notice to move out of the unit.

The PHA may make exceptions to this 60-day period if needed for reasons beyond the family's control such as death, serious illness, or other medical emergency of a family member.

If the family fails to vacate the unit within the established time, the owner may evict the family. If the owner does not evict the family, the PHA must remove the unit from the HAP contract or amend the HAP contract to substitute a different unit in the project if the project is partially assisted. The PHA may add the removed unit to the HAP contract after the ineligible family vacates the property.

Moves [HUD-VASH Qs and As, FR Notice 9/27/21]

When a VASH PBV family is eligible to move from its PBV unit in accordance with Section 17-VIII.C. of this policy, but there is no other comparable tenant-based rental assistance, the following procedures must be implemented:

- If a VASH tenant-based voucher is not available at the time the family wants (and is eligible) to move, the PHA may require a family who still requires case management to wait for a VASH tenant-based voucher for a period not to exceed 180 days;
- If a VASH tenant-based voucher is still not available after that period, the family must be allowed to move with its VASH voucher. Alternatively, the PHA may allow the family to move with its VASH voucher without having to meet this 180-day period. In either case, the PHA is required to replace the assistance in the PBV unit with one of its regular vouchers, unless the PHA and owner agree to temporarily remove the unit from the HAP contract; and
- If a VASH veteran is determined to no longer require case management, the PHA must allow the family to move with the first available tenant-based voucher if no VASH voucher is immediately available and cannot require the family to wait for a VASH voucher to become available.

PART III: MAINSTREAM VOUCHER PROGRAM

18-III.A. PROGRAM OVERVIEW [Notice PIH 2020-01 and Notice PIH 2024-30]

Mainstream vouchers assist non-elderly persons with disabilities and their families (particularly those transitioning out of institutions or at serious risk of institutionalization) in the form of either project-based or tenant-based voucher assistance.

The Mainstream voucher program, (previously referred to as the Mainstream 5-Year program or the Section 811 voucher program) was originally authorized under the National Affordable Housing Act of 1990. Mainstream vouchers operated separately from the regular HCV program until the passage of the Frank Melville Supportive Housing Investment Act of 2010. Funding for Mainstream voucher renewals and administrative fees was first made available in 2012. In 2017 and 2019, incremental vouchers were made available for the first time since the Melville Act (in addition to renewals and administrative fees), and PHAs were invited to apply for a competitive award of Mainstream vouchers under the FY17 and FY19 NOFAs. In 2020, Notice PIH 2020-22 provided an opportunity for any PHA administering an HCV program to apply for Mainstream vouchers noncompetitively, while Notice PIH 2020-09 authorized an increase in Mainstream voucher units and budget authority for those PHAs already awarded Mainstream vouchers under the FY17 and FY19 NOFAs.

Funding and reporting for Mainstream vouchers is separate from the HCV program. Funds for Mainstream vouchers may be recaptured and reallocated if the PHA does not comply with all program requirements or fails to maintain a utilization rate of 80 percent for the PHA's Mainstream vouchers.

The Consolidated Appropriations Act, 2024 (Public Law 118-42) authorized HUD to establish waivers and alternative requirements for Mainstream Vouchers related to the administration of waiting lists, local preferences, and the initial term and extensions of tenant-based vouchers. HUD is not permitted to waive requirements related to tenant rights and protections, rent setting, fair housing, nondiscrimination, labor standards, and the environment. Prior to this, Mainstream vouchers follow the same program requirements as standard vouchers.

18-III.B. ELIGIBLE POPULATION [Notice PIH 2020-01 and Notice PIH 2020-22]

All Mainstream vouchers must be used to serve non-elderly persons with disabilities and their families, defined as any family that includes a person with disabilities who is at least 18 years old and not yet 62 years old as of the effective date of the initial HAP contract. The eligible disabled household member does not need to be the head of household.

The definition of person with disabilities for purposes of Mainstream vouchers is the statutory definition under section 3(b)(3)(E) of the 1937 Act, which is the same as is used for allowances and deductions in the HCV program and is provided in Exhibit 3-1 of this policy.

Existing families receiving Mainstream vouchers, where the eligible family member is now age 62 or older, will not "age out" of the program as long as the family was eligible on the day it was first assisted under a HAP contract.

PHA Policy

Applicant must provide verification of receipt of SSI or SSD payments, or Veteran's pension based on disability. Verification from a third-party such as a physician, psychiatrist, or case worker is **not** acceptable proof of disability of purposes of determining eligibility for the Mainstream Program.

18-III.C. PARTNERSHIP AND SUPPORTIVE SERVICES [Notice PIH 2020-01]

PHAs are encouraged but not required to establish formal and informal partnerships with a variety of organizations that assist persons with disabilities to help ensure eligible participants find and maintain stable housing.

PHA Policy

The PHA has not partnered with any other groups in the operation of its Mainstream program.

18-III.D. WAITING LIST ADMINISTRATION [Notice PIH 2024-30]

For Mainstream vouchers, HUD has waived 24 CFR 982.204(f), which requires one waiting list for the HCV program and allows PHA the discretion to operate a Mainstream voucher waiting list that is separate from the general HCV waiting list. This is optional.

If the PHA chooses to create a separate Mainstream waiting list, the PHA must notify families on the HCV waiting list of the separate Mainstream waiting list and provide an opportunity for families on the HCV list to be placed on the Mainstream list.

If the PHA does not pursue the optional waiver to maintain a separate Mainstream waiting list, the PHA must still ensure program access for individuals with disabilities.

Upon turnover, vouchers must be provided to Mainstream-eligible families.

PHA Policy

The PHA will establish a separate waiting list for the Mainstream program.

All PHA policies on opening, closing, and updating the waiting list in Chapter 4 will also apply to the Mainstream waiting list.

18-III.E. PREFERENCES [Notice PIH 2024-30]

While PHAs may establish local preferences based on local housing needs and priorities in accordance with 24 CFR 982.207(a), HCV regulations do not permit PHAs to establish separate preferences for Mainstream voucher applicants. HUD waived 24 CFR 982.207(a)(1) and allows PHAs to establish separate preferences for Mainstream voucher applicants. However, PHAs may not apply a residency preference to Mainstream voucher applicants.

PHAs with outstanding Olmstead-related litigation or enforcement activities, as well as those undertaking affirmative Olmstead planning and implementation efforts, who wish to establish preferences that target individuals with specific disabilities must request HUD approval. The process for requesting approval for a remedial preference targeting individuals with specific disabilities is outlined in Notice PIH 2012-31.

Regardless of whether a PHA chooses to adopt separate Mainstream voucher preferences, if the PHA claimed points for a preference in a NOFO application for Mainstream vouchers, the PHA must adopt a preference for at least one of the targeted groups identified in the NOFO. PHAs may choose to apply NOFO preferences to the entire HCV waiting list or only to Mainstream voucher applicants as a separate Mainstream voucher preference.

PHAs may use either date and time of application or a drawing or other random choice technique in selecting families from the Mainstream waiting list among applicants with the same preference status in accordance with the PHA's administrative plan.

PHA Policy

The PHA is not required to adopt any preferences.

18-III.F. VOUCHER ISSUANCE

Initial Search Term [Notice PIH 2024-30]

For Mainstream vouchers, HUD waived 24 CFR 982.303(a), which requires an initial search term of at least 60 days, and established an alternative requirement that the initial search term for a Mainstream voucher be at least 120 days. The initial 120-day term also applies when a family chooses to move to a new unit with continued assistance inside or outside the PHA's jurisdiction. When issuing a Mainstream voucher, the PHA also must provide a current listing of available accessible units known to the PHA and, if necessary, otherwise assist the family in identifying an accessible unit.

PHA Policy

The initial voucher term for all Mainstream vouchers, including those issued when a family wishes to exercise portability, will be 120 days.

Voucher Extension [Notice PIH 2024-30]

The PHA's administrative plan must describe the PHA's policies for granting extensions to the initial 120-day voucher term and provide clear instructions to families on the procedures for requesting an extension. If a family requires additional time, the PHA is required to provide an extension as a reasonable accommodation.

PHAs must adopt an extension policy for Mainstream vouchers that includes the following:

- Each extension must be for a minimum of 90 days;
- The PHA must approve the first extension request, regardless of how the request is made (written or verbal) or when it is made, as long as the request is made on or before the expiration date of the voucher and is consistent with applicable requirements (subsequent requests should be processed in accordance with the PHA's administrative plan); and
- The PHA must, on at least one occasion after voucher issuance, notify the family prior to the expiration of the initial term to remind them of the expiration date, the process for requesting an extension, and to inquire if the family is in need of assistance with their housing search.

As part of its search extension policy, the PHA may not restrict a first extension approval to certain circumstances or require documentation from applicants. For all extension requests, a written or verbal request is sufficient. In providing notice to families of the expiration date and extension request process, PHAs must ensure effective communication with persons with disabilities, including those with vision, hearing, speech, intellectual or other developmental disabilities, or any other communication-related disabilities. PHAs must approve all extensions

made as a reasonable accommodation, and PHAs must provide this information during the family briefing.

PHA Policy

At least 30 days prior to the expiration of the initial term of the voucher, the PHA will contact the family to remind them of the expiration date of their voucher, the process for requesting an extension, and to inquire if the family needs assistance with their housing search. Depending on the family's preferred method of communication, the PHA may contact the family via telephone, text message, email, or other accessible communication method. The PHA will ensure effective communication with persons with disabilities, including those with vision, hearing, speech, intellectual or other developmental disabilities, or any other communication-related disabilities.

Families may request an extension, either orally or in writing, at any time prior to the expiration of the family's voucher. All requests for extensions will automatically be granted without the requirement for the family to provide documentation. The initial extension period will be for 90 days. If the family requires additional extensions beyond 90 days, the family may request additional extensions, either orally or in writing, at any time prior to the expiration of the extended voucher term. All subsequent extensions will also be for a period of 90 days and will not require the family to meet certain circumstances or provide documentation. Each time the family requests an extension, the PHA will inquire if the family needs assistance with their housing search and will provide a current listing of available accessible units known to the PHA.

18-III.G. PORTABILITY [Notice PIH 2020-01 and Mainstream Voucher Basics Webinar, 10/15/20]

Mainstream voucher participants are eligible for portability under standard portability rules and all PHA policies regarding portability in Chapter 10, Part II apply to Mainstream families.

The following special considerations for Mainstream vouchers apply under portability:

- If the receiving PHA has a Mainstream voucher available, the participant may remain a Mainstream participant.
 - If the receiving PHA chooses to bill the initial PHA, then the voucher will remain a Mainstream voucher.
 - If the receiving PHA chooses to absorb the voucher, the voucher will be considered a regular voucher, or a Mainstream voucher if the receiving PHA has a Mainstream voucher available, and the Mainstream voucher at the initial PHA will be freed up to lease to another Mainstream-eligible family.
- If the receiving PHA does not have a Mainstream voucher available, the participant may receive a regular voucher.

18-III.H. PROJECT-BASING MAINSTREAM VOUCHERS [FY19 Mainstream Voucher NOFA Q&A]

The PHA may project-base Mainstream vouchers in accordance with all applicable PBV regulations and PHA policies in Chapter 17. PHAs are responsible for ensuring that, in addition

to complying with project-based voucher program requirements, the project complies with all applicable federal nondiscrimination and civil rights statutes and requirements. This includes, but is not limited to, Section 504 of the Rehabilitation Act (Section 504), Titles II or III of the Americans with Disabilities (ADA), and the Fair Housing Act and their implementing regulations at 24 CFR Part 8; 28 CFR Parts 35 and 36; and 24 CFR Part 100. Mainstream vouchers are subject to the PBV program percentage limitation discussed in Section 17-I.A.

PART IV: NON-ELDERLY DISABLED (NED) VOUCHERS

18-IV.A. PROGRAM OVERVIEW [Notice PIH 2013-19]

NED vouchers help non-elderly disabled families lease suitable, accessible, and affordable housing in the private market. Aside from separate funding appropriations and serving a specific population, NED vouchers follow the same program requirements as standard vouchers. The PHA does not have special authority to treat families that receive a NED voucher differently from other applicants and participants.

Some NED vouchers are awarded to PHAs through competitive NOFAs. The NOFA for FY2009 Rental Assistance for NED made incremental funding available for two categories of NED families:

- **Category 1** vouchers enable non-elderly persons or families with disabilities to access affordable housing on the private market.
- **Category 2** vouchers enable non-elderly persons with disabilities currently residing in nursing homes or other healthcare institutions to transition into the community. PHAs with NED Category 2 vouchers were required to partner with a state Medicaid or health agency or the state Money Follows the Person (MFP) Demonstration agency.

Since 1997, HCVs for NED families have been also awarded under various special purpose HCV programs: Rental Assistance for Non-Elderly Persons with Disabilities in Support of Designated Housing Plans (Designated Housing), Rental Assistance for Non-Elderly Persons with Disabilities Related to Certain Types of Section 8 Project-Based Developments (Certain Developments), One-Year Mainstream Housing Opportunities for Persons with Disabilities, and the Project Access Pilot Program (formerly Access Housing 2000).

- **Designated Housing** vouchers enable non-elderly disabled families, who would have been eligible for a public housing unit if occupancy of the unit or entire project had not been restricted to elderly families only through an approved Designated Housing Plan, to receive rental assistance. These vouchers may also assist non-elderly disabled families living in a designated unit/project/building to move from that project if they so choose. The family does not have to be listed on the PHA's voucher waiting list. Instead, they may be admitted to the program as a special admission. Once the impacted families have been served, the PHA may begin issuing these vouchers to non-elderly disabled families from their HCV waiting list. Upon turnover, these vouchers must be issued to non-elderly disabled families from the PHA's HCV waiting list.

- **Certain Developments** vouchers enable non-elderly families having a person with disabilities, who do not currently receive housing assistance in certain developments where owners establish preferences for, or restrict occupancy to, elderly families, to obtain affordable housing. These non-elderly families with a disabled person do not need to be listed on the PHA's HCV waiting list in order to be offered and receive housing choice voucher rental assistance. It is sufficient that these families' names are on the waiting list for a covered development at the time their names are provided to the PHA by the owner. Once the impacted families have been served, the PHA may begin issuing these vouchers to non-elderly disabled families from their HCV waiting list. Upon turnover, these vouchers must be issued to non-elderly disabled families from the PHA's HCV waiting list.
- **One-Year Mainstream Housing Opportunities for Persons with Disabilities (One-Year Mainstream)** vouchers enable non-elderly disabled families on the PHA's waiting list to receive a voucher. After initial leasing, turnover vouchers must be issued to non-elderly disabled families from the PHA's voucher waiting list.

18-IV.B. ELIGIBLE POPULATION

General Requirements [Notice PIH 2013-19]

Only eligible families whose head of household, spouse, or cohead is non-elderly (under age 62) and disabled may receive a NED voucher. Families with only a minor child with a disability are not eligible.

In cases where the qualifying household member now qualifies as elderly due to the passage of time since the family received the NED voucher, existing NED participant families do not "age out," as the family was eligible on the day it was first assisted under a housing assistance payments (HAP) contract.

The definition of person with disabilities for purposes of NED vouchers is the statutory definition under Section 3(b)(3)(E) of the 1937 Act, which is the same as is used for allowances and deductions in the HCV program and is provided in Exhibit 3-1 of this policy.

The PHA may not implement eligibility screening criteria for NED vouchers that is different from that of the regular HCV program.

NED Category 2 [Notice PIH 2013-19 and NED Category 2 FAQs]

In addition to being eligible for the PHA's regular HCV program and a non-elderly person with a disability, in order to receive a Category 2 voucher, the family's head, spouse, cohead, or sole member must be transitioning from a nursing home or other healthcare institution and provided services needed to live independently in the community.

Nursing homes or other healthcare institutions may include intermediate care facilities and specialized institutions that care for those with intellectual disabilities, developmentally disabled, or mentally ill, but do not include board and care facilities (e.g., adult homes, adult day care, adult congregate living).

The PHA cannot limit who can apply to just those persons referred or approved by a Money Follows the Person (MFP) Demonstration agency or state health agency. Other individuals could be placed on the waiting list if they can show, with confirmation by an independent agency or organization that routinely provides such services (this can be the MFP or partnering agency, but need not be), that the transitioning individual will be provided with all necessary services, including care or case management.

For each Category 2 family, there must be documentation (e.g., a copy of a referral letter from the partnering or referring agency) in the tenant file identifying the institution where the family lived at the time of voucher issuance.

18-IV.C. WAITING LIST

General Requirements [Notice PIH 2013-19]

Families must be selected for NED vouchers from the PHA's waiting list in accordance with all applicable regulations and PHA policies in Chapter 4.

Regardless of the number of NED families the PHA is required to serve, the next family on the waiting list must be served. Further, the PHA may not skip over NED-eligible families on the waiting list because the PHA is serving the required number of NED families.

NED Category 2 Referrals [NED Category 2 FAQs]

For NED Category 2 families, the partnering agency may make referrals of eligible families to the PHA for placement on the waiting list. The PHA will then select these families from the waiting list for voucher issuance. Because language in the NOFA established that vouchers awarded under the NOFA must only serve non-elderly disabled families transitioning from institutions, the PHA does not need to establish a preference in order to serve these families ahead of other families on the PHA's waiting list.

PHAs must accept applications from people living outside their jurisdictions or from people being referred from other Medicaid or MFP service agencies in their state.

If the PHA's waiting list is closed, the PHA must reopen its waiting list to accept referrals from its partnering agency. When opening the waiting list, PHAs must advertise in accordance with 24 CFR 982.206 and PHA policies in Section 4-II.C. In addition, the PHA must ensure that individuals living in eligible institutions are aware when the PHA opens its waiting list by reaching out to social service agencies, nursing homes, intermediate care facilities and specialized institutions in the local service area.

Reissuance of Turnover Vouchers [Notice PIH 2013-19]

All NED turnover vouchers must be reissued to the next NED family on the PHA's waiting list with the following exception: A Category 2 voucher must be issued to another Category 2 family upon turnover if a Category 2 family is on the PHA's waiting list. If there are no Category 2 families on the PHA's waiting list, the PHA must contact its partnering agency as well as conduct outreach through appropriate social service agencies and qualifying institutions to identify potentially eligible individuals. Only after all means of outreach have been taken to reach Category 2 families can the PHA reissue the voucher to another Category 2 NED family on the PHA's waiting list. Any subsequent turnover of that voucher must again be used for a Category 2 family on the PHA's waiting list, and the PHA is under the same obligation to conduct outreach to Category 2 families if no such families are on the PHA's waiting list.

For PHAs that received both Category 1 and Category 2 vouchers, if at any time the PHA is serving fewer Category 2 families than the number of Category 2 HCVs awarded under the NOFA, when a Category 2 family applies to the waiting list and is found eligible, the PHA must issue the next NED voucher to that family. HUD monitors the initial leasing and reissuance of Category 2 HCVs. These vouchers may be recaptured and reassigned if not leased properly and in a timely manner.

All NED vouchers should be affirmatively marketed to a diverse population of NED-eligible families to attract protected classes least likely to apply. If at any time following the turnover of a NED HCV a PHA believes it is not practicable to assist NED families, the PHA must contact HUD.

18-IV.D. LEASE UP [Notice PIH 2013-19]

Briefings

In addition to providing families with a disabled person a list of accessible units known to the PHA, HUD encourages, but does not require, PHAs to provide additional resources to NED families as part of the briefing.

PHA Policy

The PHA will not provide any additional resources in the briefing packet for NED families.

Voucher Term

While the PHA is not required to establish different policies for the initial term of the voucher for NED vouchers, HUD has encouraged PHAs with NED vouchers to be generous in establishing reasonable initial search terms and subsequent extensions for families with a disabled person.

PHA Policy

All NED vouchers will be eligible for a maximum voucher term of one year.

Special Housing Types [Notice PIH 2013-19 and NED Category 2 FAQs]

In general, a PHA is not required to permit families to use any of the special housing types and may limit the number of families using such housing. However, the PHA must permit the use of a special housing type if doing so provides a reasonable accommodation so that the program is readily accessible to and usable by a person with disabilities.

Such special housing types include single room occupancy housing, congregate housing, group homes, shared housing, cooperative housing, and manufactured homes when the family owns the home and leases the manufactured home space.

Persons with disabilities transitioning out of institutional settings may choose housing in the community that is in a group or shared environment or where some additional assistance for daily living is provided for them on site. Under HUD regulations, group homes and shared housing are considered special housing types and are not excluded as an eligible housing type in the HCV program. Assisted living facilities are also considered eligible housing under the normal HCV program rules, as long as the costs for meals and other supportive services are not included in the housing assistance payments (HAP) made by the PHA to the owner, and as long as the person does not need continual medical or nursing care.

18-IV.E. PORTABILITY [NED Category 2 FAQs]

NED voucher participants are eligible for portability under standard portability rules and all PHA policies regarding portability in Chapter 10, Part II apply to NED families. However, the PHA may, but is not required to, allow applicant NED families to move under portability, even if the family did not have legal residency in the initial PHA's jurisdiction when they applied.

PHA Policy

If neither the head of household nor the spouse or cohead of a NED applicant family had a domicile (legal residence) in the PHA's jurisdiction at the time the family's application for assistance was submitted, the NED family will be allowed to move to an area outside the PHA's jurisdiction under portability [24 CFR 982.353(c)].

Chapter 19

PROJECT BASED VOUCHERS (PBV) UNDER THE RENTAL ASSISTANCE DEMONSTRATION (RAD) PROGRAM

INTRODUCTION

This chapter describes HUD regulations and PHA policies related to the Project-Based Voucher (PBV) program under the Rental Assistance Demonstration (RAD) program in eight parts:

Part I: General Requirements. This part describes general provisions of the PBV program, including maximum budget authority requirements, relocation requirements, and equal opportunity requirements.

Part II: PBV Project Selection. This part describes the cap on assistance at projects receiving PBV assistance, ownership and control, and site selection standards.

Part III: Dwelling Units. This part describes requirements related to housing quality standards, the type and frequency of inspections, and housing accessibility for persons with disabilities.

Part IV: Housing Assistance Payments Contract. This part discusses HAP contract requirements and policies including the execution and term of the HAP contract.

Part V: Selection of PBV Program Participants. This part describes the requirements and policies governing how the PHA and the owner will select a family to receive PBV assistance.

Part VI: Occupancy. This part discusses occupancy requirements related to the lease and describes under what conditions families are allowed or required to move.

Part VII: Determining Contract Rent. This part describes how the initial rent to owner is determined, and how rent will be redetermined throughout the life of the HAP contract.

Part VIII: Payments to Owner. This part describes the types of payments owners may receive under this program.

PART I: GENERAL REQUIREMENTS

19-I.A. OVERVIEW AND HISTORY OF THE RAD PROGRAM

The Rental Assistance Demonstration (RAD) program was authorized in 2012 in order to assess the effectiveness of converting public housing, moderate rehabilitation properties, and units under the rent supplement and rental assistance payments programs to long-term, project-based Section 8 rental assistance. The program's four primary objectives are to:

- Preserve and improve public and other assisted housing.
- Standardize the administration of the plethora of federally subsidized housing programs and rules. The conversions are intended to promote operating efficiency by using a Section 8 project-based assistance model that has proven successful and effective for over 30 years. In other words, RAD aligns eligible properties more closely with other affordable housing programs.
- Attract private market capital for property renovations. Through the use of this model, properties may be able to leverage private debt and equity to make capital repairs.
- Increase tenant mobility opportunities.

This chapter will focus on public housing conversions to the PBV program under RAD following the guidelines of the Second Component to PIH2019-23. In order to distinguish between requirements for public housing conversion under RAD and PBV units under the standard PBV program, we will refer to the standard PBV program and the RAD PBV program.

NOTE: The policies in this chapter follow Notice PIH 2019-23 (REV-4) as amended by RAD Supplemental Notice 4B.

In other words, the standard PBV program follows many of the same regulations as the tenant-based HCV program, but not all of them, and the RAD PBV program follows many of the same regulations as the standard PBV program, but not all of them.

19-I.B. TENANT-BASED VS. PROJECT-BASED VOUCHER ASSISTANCE [24 CFR 983.2]

Much of the tenant-based voucher program regulations also apply to the PBV program. Consequently, many of the PHA policies related to tenant-based assistance also apply to RAD PBV assistance. The provisions of the tenant-based voucher regulations that do not apply to the PBV program are listed at 24 CFR 983.2.

PHA Policy

Except as otherwise noted in this chapter, or unless specifically prohibited by PBV program regulations, the PHA policies for the tenant-based voucher program contained in this administrative plan also apply to the RAD PBV program and its participants. This chapter is intended to address requirements specific to the RAD PBV program only.

19-I.C. EQUAL OPPORTUNITY REQUIREMENTS [24 CFR 983.8; 24 CFR 5.105; Notice PIH 2016-17]

RAD conversions are governed by the same civil rights authorities that govern HUD-assisted activities in general. These authorities prohibit discrimination and impose affirmative obligations on HUD program participants. PHAs must comply with all applicable fair housing and civil rights laws, including but not limited to the Fair Housing Act, Title VI of the Civil Rights Act of 1964, and Section 504 of the Rehabilitation Act of 1973, when conducting relocation planning and providing relocation assistance. For example, persons with disabilities returning to the RAD project may not be turned away or placed on a waiting list due to a lack of accessible units. Their need for an accessible unit must be accommodated. See the *RAD Fair Housing, Civil Rights, and Relocation Notice* [Notice PIH 2016-17] for more information.

PART II: PBV PROJECT SELECTION

19-II.A. OVERVIEW

Unlike in the standard PBV program where the PHA typically selects the property through an owner proposal selection process, projects selected for assistance under RAD PBV are selected in accordance with the provisions in Notice PIH 2019-23 Section II. Therefore, 24 CFR 983.51 does not apply since HUD selects RAD properties through a competitive selection process.

Existing Mod-Rehab projects are eligible for prospective conversions if the Mod Rehab contract has not yet expired or been terminated.

Owners must comply with the resident consultation procedures described in this Notice PIH 2019-23 Section II and must submit a request to HUD to confirm that the PHA that currently administers the Mod Rehab contract is willing to administer the PBV contract. If that PHA declines to consent, HUD will make a reasonable effort to find a PHA with operational jurisdiction willing to enter into a PBV contract with the owner.

Following resident consultation and submission and approval of a Conversion Plan, the project will close when any new financing closes, the Mod Rehab contract is terminated (or expires), and the new HAP Contract is executed. The PHA that has agreed to administer the PBV HAP Contract will have the vouchers added to its Annual Contributions Contract (ACC).

19-II.B. Eligibility

Owners of Mod Rehab projects that meet all eligibility requirements described below may submit a Conversion Plan to convert assistance under the Second Component of RAD.

- Owners must be in good standing with HUD and the PHA. The owner must not have a history of non-compliance with program and contractual requirements, including maintaining units in a decent, safe, and sanitary manner.
- An owner must resolve to HUD's satisfaction any outstanding civil rights matters prior to conversion. All pending legal processes must have been satisfied to meet this standard. If eligibility would be denied on this basis, HUD will notify the applicant of its determination and any actions necessary to permit a finding of eligibility.
- A project is eligible for a prospective conversion if the project is currently receiving assistance through a Mod Rehab contract that is either in its initial or renewal term. For retroactive conversions, a project is eligible to convert if the project previously had a Mod Rehab contract that expired or terminated on or after October 1, 2006. Properties that were previously assisted under a Mod Rehab contract where the HAP Contract has been terminated by the Administering PHA due to non-compliance are ineligible to participate under this Notice.

19-II.C. REVIEW [Notice PIH 2019-23; *Environmental Review Requirements for RAD Conversions*, March 2019]

HUD cannot approve an applicant's financing plan submission unless and until the required environmental review has been completed for the applicant's proposed conversion project and found to meet environmental review requirements. Environmental documents must be submitted no later than the applicant's financing plan. HUD will not issue a RAD Conversion Commitment (RCC) if the project plan does not meet the environmental review requirements described in Attachment 1A of Notice PIH 2019-23. Once an awardee has submitted an application for a specific project, they may not make any choice limiting actions before the completion of the environmental review.

PART III: DWELLING UNITS

19-III.A. OVERVIEW

This part identifies the special housing quality standards that apply to the RAD PBV program, housing accessibility for persons with disabilities, and special procedures for NSPIRE inspections.

19-III.B. HOUSING QUALITY STANDARDS(NSPIRE starting January1, 2025) [24 CFR 983.101 and 24 CFR 5.703]

Housing quality standards (NPSIRE as of January 1, 2025) for the tenant-based program generally apply to the PBV program. Housing quality standards (NPSIRE as of January 1, 2025) requirements for shared housing, manufactured home space rental, and the homeownership option do not apply because these housing types are not assisted under the PBV program.

Lead-based Paint [24 CFR 983.101(c); Notice PIH 2019-23]

The lead-based paint requirements for the tenant-based voucher program do not apply to the PBV program. Instead, the Lead-based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846), the Residential Lead-based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4856), and implementing regulations at 24 CFR part 35, subparts A, B, H, and R, and 40 CFR 745.227, apply to the PBV program.

19-III.C. HOUSING ACCESSIBILITY FOR PERSONS WITH DISABILITIES [Notice PIH 2016-17]

Federal accessibility requirements apply to all conversions, whether they entail new construction, alternations, or existing facilities. The housing must comply with program accessibility requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and implementing regulations at 24 CFR part 8. The PHA must ensure that the percentage of accessible dwelling units complies with the requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as implemented by HUD's regulations at 24 CFR 8, subpart C.

Housing first occupied after March 13, 1991, must comply with design and construction requirements of the Fair Housing Amendments Act of 1988 and implementing regulations at 24 CFR 100.205, as applicable. (24 CFR 983.102)

19-III.D. INSPECTING UNITS [24 CFR 983.103]

Initial Inspection [RAD Quick Reference Guide, Notice PIH 2019-23, and Notice PIH 2023-19]

Under standard PBV regulations at 24 CFR 983.103(c), the PHA must inspect and determine that all of the proposed PBV units fully comply with housing quality standards (NPSIRE as of January 1, 2025)) before entering the HAP contract, unless the PHA has adopted a policy to enter into a HAP contract for units that fail the initial inspection as a result of only non-life-threatening conditions (NLT option), or if the unit passed an alternative inspection, or both. It is the responsibility of the contract administrator to perform this initial inspection (unless units are PHA-owned). In order to accommodate projects in which repairs are conducted, however, HUD has waived this requirement when units are undergoing rehabilitation. In this case, units must meet housing quality standards by the date indicated in the RAD Conversion Commitment (RCC). To place the unit under HAP contract and commence making payments, the PHA may rely on the owner's certification that the owner has no reasonable basis to have knowledge that life-threatening conditions exist in the unit or units to be added to the HAP contract instead of conducting an initial inspection. During the period of the work, housing quality standards requirements apply. The PHA must enforce the project owner's obligations and conduct inspections when needed, (for example in response to tenant complaints or other information coming to its attention), and the owner must correct any deficiencies in accordance with NSPIRE requirements (i.e., no more than 24 hours for a life-threatening deficiency, and within no more than 30 calendar days or any PHA-approved extension for other defects, but no later than the date of the completion of the work as indicated in the RCC).

Turnover Inspections [24 CFR 983.103(d), FR Notice 1/18/17, and Notice PIH 2017-20]

Before providing assistance to a new family in a contract unit, the PHA must inspect the unit. The PHA may not provide assistance on behalf of the family until the unit fully complies with housing quality standards.

Periodic Inspections [24 CFR 983.103(e); FR Notice 6/25/14]

At least once every 24 months (or once every 36 months for small rural PHAs) during the term of the HAP contract, the PHA must inspect a random sample consisting of at least 20 percent of the contract units in each building, to determine if the contract units and the premises are maintained in accordance with housing quality standards. Turnover inspections are not counted toward meeting this inspection requirement.

PHA Policy

The PHA will inspect on an annual basis a random sample consisting of at least 20 percent of the contract units in each building to determine if the contract units and the premises are maintained in accordance with applicable housing quality standards.

If more than 20 percent of the sample of inspected contract units in a building fail the initial inspection, the PHA must reinspect 100 percent of the contract units in the building.

Alternative Inspections [24 CFR 983.103(i); Notice PIH 2016-05]

In the case of a PBV project financed under a federal, state, or local housing program that is subject to alternative inspections, the PHA may rely upon an alternative inspection conducted at least triennially to demonstrate compliance with inspection requirements.

PHA Policy

The PHA may rely on alternative inspection standards, under the discretion of the Vice president of Housing in consultation with Housing Program Manager of Inspections.

Interim Inspections [24 CFR 983.103(f)]

If a participant or government official notifies the PHA of a potential deficiency, the following applies:

- If the reported deficiency is life-threatening, the PHA must, within 24 hours of notification, both inspect the housing unit and notify the owner if the life-threatening deficiency is confirmed. The owner must then make the repairs within 24 hours of PHA notification.
- If the reported deficiency is non-life-threatening, the PHA must, within 15 days of notification, both inspect the unit and notify the owner if the deficiency is confirmed. The owner must then make the repairs within 30 days of notification from the PHA or within any PHA-approved extension.

PHA Policy

During an interim inspection, the PHA generally will inspect only those deficiencies that were reported. However, the inspector will record any additional deficiencies that are observed and will require the responsible party to make the necessary repairs.

If the periodic inspection has been scheduled or is due within 90 days of the date the special inspection is scheduled the PHA may elect to conduct a full inspection.

Follow Up Inspections [24 CFR 983.103(f)(2)]

The PHA must conduct follow-up inspections needed to determine if the owner (or, if applicable, the family) has corrected a housing quality standards violation and must conduct inspections to determine the basis for exercise of contractual and other remedies for owner or family violation of housing quality standards.

Supervisory Quality Control Inspections [24 CFR 983.103(f)(3)]

In conducting PHA supervisory quality control inspections, the PHA should include a representative sample of both tenant-based and project-based units.

Inspecting PHA-Owned Units [24 CFR 983.103(g); Notice PIH 2017-21]

In the case of PHA-owned units, all required inspections must be performed by an independent entity designated by the PHA and approved by HUD. The independent entity must furnish a copy of each inspection report to the PHA. The PHA must take all necessary actions in response to inspection reports from the independent agency, including exercise of contractual remedies for violation of the HAP contract by the PHA-owner.

PART IV: HOUSING ASSISTANCE PAYMENTS (HAP) CONTRACT

19-IV.A. OVERVIEW [*RAD PBV Quick Reference Guide 6/20*]

Term of HAP Contract [Notice PIH 2019-23]

The initial term of the HAP contract may not be for less than 15 years and may be for a term of up to 20 years upon request of the owner and with approval of the administering voucher agency. Upon expiration of the initial term of the contract, and upon each renewal term of the contract, the owner must accept each offer to renew the contract, for the prescribed number and mix of units, either on the site of the project subject to the expiring contract or, upon request of the project owner and subject to PHA and HUD approval, at another site through a future transfer of assistance. Contracts are subject to the terms and conditions applicable at the time of each offer and further subject to the availability of appropriations for each year of each such renewal. To implement this provision, HUD is waiving section 8(o)(13)(F) of The United States Housing Act of 1937, which permits a minimum term of one year, as well as 24 CFR 983.205(a), which governs the contract term.

19-IV. B. Housing Quality Standards Deficiencies (NSPIRE as of January 1, 2025)[24 CFR 983.208]

The MOD-REHAB conversion to a PBV units (PBV RAD) will follow the guidance of the PBV and HCV tenant-based voucher policies outlined in this administration plan. This includes meeting quality standards, handling abatements, HAP contract cancellations due to deficiencies, and providing relocation assistance.

Relocation Assistance [24 CFR 983.208(d)(6)(iii)]

PHAs may assist families relocating due to the HAP contract being terminated as a result of the owner failing to make required repairs within the required time frame in finding a new unit, including using up to two months of the withheld and abated assistance payments for costs directly associated with relocating to a new unit, including security deposits, temporary housing costs, or other reasonable moving costs as determined by the PHA based on their locality.

If the PHA uses withheld and abated payments to assist with relocation costs, the PHA must provide security deposit assistance to the family as necessary. The PHA must assist families with disabilities with locating available accessible units in accordance with 24 CFR 8.28(a)(3). If the family receives security deposit assistance from the PHA for the new unit, the PHA may require the family to remit the security deposit returned by the owner of the new unit at such time that the lease is terminated, up to the amount of security deposit provided by the PHA for that unit.

PHA Policy

The PHA will assist families with disabilities with locating available accessible units in accordance with program requirements.

The PHA will use up to two months of withheld and abated payment to assist with any required security deposit at the new unit. Funds will not be used for any other relocation assistance.

If the family receives a refund of a security deposit for the new unit, the PHA will not require any amount to be remitted to the PHA.

19-IV.C. AMENDMENTS TO THE HAP CONTRACT

Floating Units [Notice PIH 2019-23]

Upon request of the owner to the voucher agency that will administer the project, HUD will permit assistance to float among units within the project that are the same bedroom size. The unit to which assistance is floated must be comparable to the unit being replaced in quality and amenities.

If the PHA chooses to float units, units are not specifically identified on the HAP contract, rather the HAP contract must specify the number and type of units in the property that are RAD PBV units. The property must maintain the same number and type of RAD units from the time of the initial HAP contract execution forward.

PHA Policy

The PHA will not float assistance among unoccupied units within the project. HAP contract will specify the number and type of units in the property that are RAD PBV units.

Reduction in HAP Contract Units [Notice PIH 2019-23]

Project owners are required to make available for occupancy by eligible tenants the number of assisted units under the terms of the HAP contract.

The PHA may not reduce the number of assisted units without written HUD approval. Any HUD approval of a PHA's request to reduce the number of assisted units under contract is subject to conditions that HUD may impose.

If units are removed from the HAP contract because a new admission's TTP comes to equal or exceed the gross rent for the unit and if the project is fully assisted, the PHA must reinstate the unit after the family has vacated the property.

19-IV.D. HAP CONTRACT YEAR AND ANNIVERSARY DATES [24 CFR 983.207(b)(2) and (g), and 24 CFR 983.302(e)]

The HAP contract year is the period of 12 calendar months preceding each annual anniversary of the HAP contract during the HAP contract term. The initial contract year is calculated from the first day of the first calendar month of the HAP contract term.

The annual anniversary of the HAP contract is the first day of the first calendar month after the end of the preceding contract year. There is a single annual anniversary date for all units under a particular HAP contract.

19-IV.E. OWNER RESPONSIBILITIES UNDER THE HAP CONTRACT [24 CFR 983.210]

When the owner executes the HAP contract, they certify that at such execution and at all times during the term of the HAP contract:

- The owner is maintaining the premises and contract units in accordance with housing quality standards/NSPIRE;
- The owner is providing all services, maintenance, equipment, and utilities as agreed to under the HAP contract and the leases;
- Each contract unit for which the owner is receiving HAP is leased to an eligible family referred by the PHA or selected from the owner-maintained waiting list, and the lease is in accordance with the HAP contract and HUD requirements;
- To the best of the owner's knowledge, the family resides in the contract unit for which the owner is receiving HAP, and the unit is the family's only residence;
- The owner (including a principal or other interested party) is not the spouse, parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit (unless needed as a reasonable accommodation);
- The amount of the HAP the owner is receiving is correct under the HAP contract;
- The rent for contract units does not exceed rents charged by the owner for comparable unassisted units;
- Except for HAP and tenant rent, the owner has not received and will not receive any other payment or consideration for rental of the contract unit;
- The family does not own or have any interest in the contract unit (this does not apply to the family's membership in a cooperative); and
- Repair work on the project selected as an existing project that is performed after HAP contract execution within such post-execution period as specified by HUD may constitute development activity, and if determined to be development activity, the repair work undertaken shall be in compliance with Davis-Bacon wage requirements.

PART V: SELECTION OF PBV PROGRAM PARTICIPANTS

19-V.A. OVERVIEW

Many of the provisions of the tenant-based voucher regulations [24 CFR 982] also apply to the PBV program. This includes requirements related to determining eligibility and selecting applicants from the waiting list. Even with these similarities, there are requirements that are unique to the PBV program. This part describes the requirements and policies related to eligibility and admission to the PBV program.

19-V.B. PROHIBITED RESCREENING OF EXISTING TENANTS UPON CONVERSION [Notice PIH 2019-23]

Current households cannot be excluded from occupancy at the covered project based on any rescreening, income eligibility, or income targeting provisions. Consequently, current households will be grandfathered for application of any eligibility criteria to conditions that occurred prior to conversion but will be subject to any ongoing eligibility requirements for actions that occur after conversion. Post-conversion, the tenure of all residents of the covered project is protected pursuant to PBV requirements regarding continued occupancy unless explicitly modified by Notice PIH 2019-23 (e.g., rent phase-in provisions). For example, a unit with a household that was over-income at time of conversion would continue to be treated as an assisted unit. Thus, 24 CFR 982.201, concerning eligibility and targeting, will not apply for current households. Once that remaining household moves out, the unit must be leased to an eligible family. Existing residents at the time of conversion may not be rescreened for citizenship status or have their social security numbers reverified.

Further, so as to facilitate the right to return to the assisted property, this provision must apply to current public housing residents of the converting project that will reside in non-RAD PBV units placed in a project that contain RAD PBV units. Such families and such contract units will otherwise be subject to all requirements of the applicable program, specifically 24 CFR 983 for non-RAD PBV. Any non-RAD PBV units located in the same project are also subject to the right to return.

For the RAD PBV program, *in-place family* means a family who lived in a pre-conversion property at the time assistance was converted from public housing to PBV under RAD.

19-V.C. ELIGIBILITY FOR PBV ASSISTANCE [24 CFR 983.251(a) and (b)]

Applicants for PBV assistance must meet the same eligibility requirements as applicants for the tenant-based voucher program using information received and verified by the PHA within a period of 60 days before commencement of PBV assistance. For all families, the PHA must determine if the total tenant payment for the family is less than the gross rent, such that the unit will be eligible for a monthly HAP. Applicants must qualify as a family as defined by HUD and the PHA, have income at or below HUD-specified income limits, and qualify on the basis of citizenship or the eligible immigration status of family members [24 CFR 982.201(a) and 24 CFR 983.2(a)]. In addition, an applicant family must provide social security information for family members [24 CFR 5.216 and 5.218] and consent to the PHA's collection and use of family information regarding income, expenses, and family composition [24 CFR 5.230]. The PHA may also not approve a tenancy if the owner (including a principal or other interested party) of the unit is the parent, child, grandparent, grandchild, sister, or brother of any member of the family, unless needed as a reasonable accommodation. An applicant family must also meet HUD requirements related to current or past criminal activity.

PHA Policy

The PHA will determine an applicant family's eligibility for the RAD PBV program in accordance with the policies in this administrative plan.

19-V.D. ORGANIZATION OF THE WAITING LIST [24 CFR 983.251(c); Notice PIH 2019-23]

The standard PBV regulations at 24 CFR 983.251 set out program requirements related to establishing and maintaining a waiting list from which residents will be admitted. These provisions will apply unless the project is covered by a remedial order or agreement that specifies the type of waiting list and other waiting list policies. Any non-RAD PBV units located in the same project are also subject to these requirements.

Applicants who will occupy units with PBV assistance must be selected from the waiting list for the PBV program. The PHA or owner (as applicable) may establish selection criteria or preferences for occupancy of particular PBV units. The PHA may place families referred by the PBV owner on its PBV waiting list.

The PHA must establish in the administrative plan the options it will use to structure the PBV waiting list. The PHA may:

- Use a separate, central, waiting list comprised of more than one or all PBV projects;
- Use the same waiting list for both tenant-based and some or all PBV projects;
- Use a separate waiting list for PBV units in individual projects or buildings (or for sets of such units) (which may be used in combination with either of the above options and may be maintained by the owner); or
- Merge the PBV waiting list with a waiting list for other assisted housing programs offered by the PHA.

If the PHA chooses to offer a separate waiting list for PBV assistance, the PHA must offer to place applicants who are listed on the tenant-based waiting list on the waiting list for PBV assistance. The PHA must specify the name of the PBV projects in its administrative plan.

PHA Policy

The PHA will establish and manage separate waiting lists for individual projects or buildings that are receiving RAD PBV assistance.

19-V.E. SELECTION FROM THE WAITING LIST [24 CFR 983.251(c)]

After conversion to RAD PBV, applicants who will occupy units with RAD PBV assistance must be selected from the waiting list. The PHA may establish selection criteria or preferences for occupancy of particular PBV units.

Income Targeting [24 CFR 983.251(c)(9); Notice PIH 2019-23]

At least 75 percent of the families admitted to the PHA's tenant-based and project-based voucher programs during the PHA fiscal year from the waiting list must be extremely-low income families. The income targeting requirement applies to the total of admissions to both programs.

Families in place at the time of the conversion are exempt from income targeting requirements. New admissions follow standard PBV requirements. Any non-RAD PBV units located in the same project are also subject to these requirements.

Units with Accessibility Features [24 CFR 983.251(c)(9)]

Families who require particular accessibility features for persons with disabilities must be selected first to occupy PBV units with such accessibility features. The PHA must have some mechanism for referring to accessible PBV units a family that includes a person with a mobility or sensory impairment.

Preferences [24 CFR 983.251(d); FR Notice 11/24/08; Notice PIH 2019-23]

The PHA may establish in its administrative plan any preferences for occupancy of particular units, including the name of the projects and the specific preferences that are to be used by projects. Criteria for occupancy of units (e.g., elderly families) may also be established, however, selection of families must be done through admission preference. The PHA may use the same selection preferences that are used for the tenant-based voucher program, establish selection criteria or preferences for the PBV program as a whole, or for occupancy of particular PBV developments or units.

PHA Policy

The PHA will not offer any preferences for the RAD PBV program. However, the PHA will give priority to participants moving under a VAWA emergency transfer from one PBV development to another in accordance with Section 19-VI.E.

19-V.F. OFFER OF PBV ASSISTANCE

Refusal of Offer [24 CFR 983.251(e)]

If a family refuses the PHA's offer of PBV assistance or the owner rejects a family for admission to the owner's PBV units, the family's position on the PHA waiting list for tenant-based assistance is not affected regardless of the type of PBV waiting list used by the PHA. The impact (of a family's rejection of the offer or the owner's rejection of the family) on a family's position on the PBV waiting list will be determined as follows:

- If a central PBV waiting list is used, the PHA's administrative plan must address the number of offers a family may reject without good cause before the family is removed from the PBV waiting list and whether the owner's rejection will impact the family's place on the PBV waiting list.
- If a project-specific PBV waiting list is used, the family's name is removed from the project's waiting list connected to the family's rejection of the offer without good cause or the owner's rejection of the family. The family's position on any other project-specific PBV waiting list is not affected.
- The PHA must define *good cause* in its administrative plan. The PHA's definition of *good cause* must include, at minimum, that:
 - The family determines the unit is not accessible to a household member with a disability or otherwise does not meet the member's disability-related needs;
 - The unit has housing quality standards deficiencies;
 - The family is unable to accept the offer due to circumstances beyond the family's control (such as hospitalization, temporary economic hardship, or natural disaster); and
 - The family determines the unit presents a health or safety risk to a household member who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking.

PHA Policy

The PHA will define *good cause* for rejection of a unit offer as any of the factors listed above.

The PHA is prohibited from taking any of the following actions against a family who has applied for, received, or refused an offer of PBV assistance:

- Refusing to list the applicant on the waiting list for tenant-based voucher assistance
 - However, the PHA is not required to open a closed waiting list to place the family on that waiting list.
- Denying any admission preference for which the applicant qualifies
- Changing the applicant's place on the waiting list based on preference, date, and time of application, or other factors affecting selection under the PHA's selection policy
- Removing the applicant from the tenant-based voucher waiting list

Acceptance of Offer [24 CFR 983.252(a) and (b)]

Family Briefing

When a family accepts an offer for PBV assistance, the PHA must give the family an oral briefing. The briefing must include information on how the program works, the responsibilities of the family and owner, and the family's right to move.

In addition to the oral briefing, the PHA must provide a briefing packet that contains the following information:

- How the PHA determines the total tenant payment for a family;
- The family obligations under the program;
- Information on federal, state, and local equal opportunity laws, the contact information for the Section 504 coordinator, a copy of the housing discrimination complaint form, and information on how to request a reasonable accommodation or modification under Section 504, the Fair Housing Act, and the Americans with Disabilities Act;
- PHA subsidy standards, including when the PHA will consider granting exceptions to the standards, and when exceptions are required as a reasonable accommodation for a person with disabilities under Section 504, the Fair Housing Act, or the Americans with Disabilities Act; and
- The family's right to move.

The PHA and family must sign the statement of family responsibility.

Persons with Disabilities

The PHA must take appropriate steps to ensure effective communication, in accordance with 24 CFR 8.6 and 28 CFR part 35, subpart E, and must provide information on the reasonable accommodation process, in conducting the oral briefing and in providing the written information packet. This may include making alternative formats available (see Chapter 2). In addition, the PHA must have a mechanism for referring a family that includes a member with a mobility impairment to an appropriate accessible PBV unit.

Persons with Limited English Proficiency [24 CFR 983.252(d)]

The PHA must take reasonable steps to ensure meaningful access by persons with limited English proficiency in accordance with Title VI of the Civil Rights Act of 1964, HUD's implementing regulation at 24 CFR Part 1, Executive Order 13166 (see Chapter 2), and HUD's Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons (72 FR 2732) or successor authority.

19-V.G. LEASING OF CONTRACT UNITS [24 CFR 983.252]

The owner is responsible for developing written tenant selection procedures that are consistent with the purpose of improving housing opportunities for very low-income families and reasonably related to program eligibility and an applicant's ability to fulfill their obligations under the lease. An owner must promptly notify in writing any rejected applicant of the grounds for any rejection [24 CFR 983.253(a)(2) and (a)(3)]. The owner must provide a copy of the rejection notice to the PHA. During the term of the HAP contract, the owner must lease contract units to eligible families that are selected from the waiting list for the PBV program. The contract unit leased to the family must be the appropriate size unit for the size of the family, based on the PHA's subsidy standards.

Leasing [24 CFR 983.253(a)]

During the term of the HAP contract, the owner must lease contract units to eligible families that are selected and referred by the PHA from the waiting list. The contract unit leased to the family must be the appropriate size unit for the size of the family, based on the PHA's subsidy standards.

Filling Vacancies [24 CFR 983.254(a)]

The owner must promptly notify the PHA of any vacancy or expected vacancy in a contract unit. After receiving such notice, the PHA must make every reasonable effort to promptly refer a sufficient number of families for the owner to fill such vacancies within 30 calendar days. The PHA and the owner must make reasonable efforts to minimize the likelihood and length of any vacancy.

PHA Policy

The owner must notify the PHA in writing via email within five business days of learning about any vacancy or expected vacancy.

The PHA will make every reasonable effort to refer families determined eligible to the owner for a suitability determination within 30 calendar days of receiving such notice from the owner. If the owner rejects the family after conducting a suitability screening, the owner must provide a copy of the rejection notice to the PHA. The owner may not offer a unit to a family until the PHA determines that the family is eligible for the program and has given the owner written confirmation.

19-V.H. TENANT SCREENING [24 CFR 983.255]

PHA Option

The PHA is not responsible or liable to the owner or any other person for the family's behavior or suitability for tenancy. However, the PHA may opt to screen applicants for family behavior or suitability for tenancy and may deny applicants based on such screening.

PHA Policy

The PHA will not conduct screening to determine a PBV applicant family's suitability for tenancy.

The PHA must provide the owner with an applicant family's current and prior address (as shown in PHA records) and the name and address (if known by the PHA) of the family's current landlord and any prior landlords.

In addition, the PHA may offer the owner other information the PHA may have about a family, including information about the tenancy history of family members or about drug trafficking and criminal activity by family members. The PHA must provide applicant families a description of the PHA policy on providing information to owners, and the PHA must give the same types of information to all owners.

The protections for victims of domestic violence, dating violence, sexual assault, stalking, or human trafficking in 24 CFR part 5, subpart L, apply to tenant screening. The PHA may not disclose to the owner any confidential information provided in response to a request for documentation of domestic violence, dating violence, sexual assault, stalking, or human trafficking except at the written request or with the written consent of the individual providing the documentation [24 CFR 5.2007(c)].

PHA Policy

The PHA will inform owners of their responsibility to screen prospective tenants, and will provide owners with the required known name and address information, at the time of the turnover inspection or before. The PHA will not provide any additional information to the owner, such as tenancy history, criminal history, etc.

Owner Responsibility

The owner is responsible for screening and selection of the family to occupy the owner's unit. When screening families the owner may consider a family's background with respect to the following factors:

- Payment of rent and utility bills
- Caring for a unit and premises
- Respecting the rights of other residents to the peaceful enjoyment of their housing
- Drug-related criminal activity or other criminal activity that is a threat to the health, safety, or property of others
- Compliance with other essential conditions of tenancy

PART VI: OCCUPANCY

19-VI.A. OVERVIEW

After an applicant has been selected from the waiting list, determined eligible by the PHA, referred to an owner, and determined suitable by the owner, the family will sign the lease and occupancy of the unit will begin.

19-VI.B. LEASE [24 CFR 983.256]

The tenant must have legal capacity to enter into a lease under state and local law. *Legal capacity* means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner.

The tenant and the owner must enter into a written lease agreement that is signed by both parties. The tenancy addendum must include, word-for-word, all provisions required by HUD.

Lease Requirements [24 CFR 983.256(c); Notice PIH 2019-23]

The lease for a PBV unit must specify all of the following information:

- The names of the owner and the tenant;
- The unit rented (address, apartment number, if any, and any other information needed to identify the leased contract unit);
- The term of the lease (initial term and any provision for renewal);
- The amount of the tenant rent to owner, which is subject to change during the term of the lease in accordance with HUD requirements;
- A specification of the services, maintenance, equipment, and utilities that will be provided by the owner;
- The amount of any charges for food, furniture, or supportive services; and
- For any family admitted following conversion, the lease must specify what will happen if the family elects to remain in its unit after increasing its income such that it requires zero HAP. Specifically, the lease must make clear how the tenant rent will be calculated, and it must address the transition to a new lease. The PHA must include resident procedural rights for termination notification and grievance procedures in the owner's lease. These requirements are not part of the regular PBV program but are required under RAD.

Tenancy Addendum [24 CFR 983.256(d)]

The tenancy addendum in the lease must state:

- The program tenancy requirements
- The composition of the household as approved by the PHA (the names of family members and any PHA-approved live-in aide)

All provisions in the HUD-required tenancy addendum must be included in the lease. The terms of the tenancy addendum prevail over other provisions of the lease.

Initial Term and Lease Renewal [24 CFR 983.256(f); *RAD PBV Quick Reference Guide 6/20*]

Leases for residents who will remain in place (i.e., who will not be relocated solely as a result of conversion) must have an effective date that coincides with—and must be signed on or before—the effective date of the RAD PBV HAP contract.

The initial lease term must be for at least one year. The lease must provide for automatic renewal after the initial term of the lease in either successive definitive terms (e.g., month-to-month or year-to-year) or an automatic indefinite extension of the lease term. For automatic indefinite extension of the lease term, the lease terminates if any of the following occur:

- The owner terminates the lease for good cause
- The tenant terminates the lease
- The owner and tenant agree to terminate the lease
- The PHA terminates the HAP contract
- The PHA terminates assistance for the family

Changes in the Lease [24 CFR 983.256(e)]

If the tenant and owner agree to any change in the lease, the change must be in writing, and the owner must immediately give the PHA a copy of all changes.

The owner must notify the PHA in advance of any proposed change in the lease regarding the allocation of tenant and owner responsibilities for utilities. Such changes may only be made if approved by the PHA and in accordance with the terms of the lease relating to its amendment. The PHA must redetermine reasonable rent, in accordance with program requirements, based on any change in the allocation of the responsibility for utilities between the owner and the tenant. The redetermined reasonable rent will be used in calculation of the rent to owner from the effective date of the change.

Owner Termination of Tenancy [24 CFR 983.257; Notice PIH 2019-23]

With two exceptions, the owner of a PBV unit may terminate tenancy for the same reasons an owner may in the tenant-based voucher program (see Section 12-III.B. and 24 CFR 982.310). In the PBV program, terminating tenancy for “good cause” does not include doing so for a business or economic reason, or a desire to use the unit for personal or family use or other non-residential purpose. The regulations at 24 CFR 5.858 through 5.861 on eviction for drug and alcohol abuse and 24 CFR part 5, subpart L (Protection for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking) apply to the PBV program.

Tenant Absence from the Unit [24 CFR 983.256(g) and 982.312(a)]

The lease may specify a maximum period of family absence from the unit that may be shorter than the maximum period permitted by PHA policy. According to program requirements, the family’s assistance must be terminated if they are absent from the unit for more than 180 consecutive days. PHA termination of assistance actions due to family absence from the unit are subject to 24 CFR 982.312, except that the unit is not terminated from the HAP contract if the family is absent for longer than the maximum period permitted.

Continuation of Housing Assistance Payments [24 CFR 983.258; Notice PIH 2019-23; Notice PIH 2023-19; RAD Supplemental Notice 4B; RAD PBV Quick Reference Guide 6/20]

Pre-Conversion Residents

The unit for a family with a TTP that equals or exceeds the gross rent (which is defined as the contract rent plus any utility allowance for the unit) must be placed on the PBV HAP contract and the family must be admitted to the PBV program. In this case, and until such time as the family's TTP falls below the gross rent, the family will pay the owner the alternate rent which is defined as the lesser of:

- The family's TTP minus the utility allowance (subject to any required phase-in); or
- The Zero HAP Rent Cap, which is the lower of:
 - 110 percent of the applicable FMR minus the utility allowance; or
 - In the event the units are subject to more restrictive rent setting requirement under the LIHTC or HOME programs (or other programs approved by HUD on a project-specific basis, the rent to owner set to comply with such requirements.

The family will continue to pay this amount until/if circumstances change, and HAP is paid on their behalf. In other words, assistance may subsequently be reinstated if the tenant becomes eligible for assistance in which case normal PBV rent requirements will apply to the family. In such cases, the resident is still considered a program participant. All of the family obligations and protections under RAD and standard PBV apply to the resident. Likewise, all requirements with respect to the unit, such as compliance with the NSPIRE standards, apply as long as the unit is under HAP contract or added back to the HAP Contract. Any non-RAD PBV units located in the same project are also subject to these requirements.

After a family has paid the Zero HAP Rent Cap for a period of 180 days, the PHA must remove the unit from the HAP Contract and the family's participating in the PBV program ends. If the Covered Project is fully assisted and the family subsequently leaves the property, the PHA must reinstate the unit back onto the HAP contract and admit an eligible family. If the Covered Project is partially assisted and the family subsequently leaves the property, the unit must be reinstated back onto the HAP contract unless the PHA previously substituted a different unit on the HAP contract in accordance with 24 CFR § 983.207 or, where "floating units" have been permitted.

Additionally, if the family continues to reside in the project after the family's unit was removed from the HAP contract, the family may request to return to the PBV program if the family's income subsequently decreases to the extent that the family's TTP is less than the Zero-HAP Rent Cap, and the family is otherwise eligible for PBV assistance. The PHA must, at the earliest opportunity, reinstate the family's unit back onto the HAP contract to provide rental assistance to the family. If the project was partially assisted and the PHA previously substituted a different unit on the HAP contract, the PHA must substitute the family's unit for a vacant unit on the HAP contract if there is a vacant unit at the time of the request, or by doing so as soon as a unit on the HAP contract becomes vacant if there are no vacant units on the HAP contract at the time of the family request.

New Admission Families

Unless a waiver is requested and approved, following conversion, 24 CFR 983.53(d) applies, and any new admission referred to the RAD PBV project must be initially eligible for a HAP

payment at admission to the program. This means a family's TTP may not equal or exceed the gross rent for the unit at admission. .

Further, for any new families admitted after the conversion, assistance will be terminated 180 days after the last housing assistance payment on their behalf. If the project is fully assisted and the family subsequently leaves the property, the PHA must reinstate the unit after the family has vacated the property and admit an eligible family. If the project is partially assisted, the PHA may substitute a different unit for the unit on the HAP contract in accordance with 24 CFR 983.207 or where floating units have been permitted.

In circumstances where low RAD PBV rents may prohibit a significant number of otherwise eligible families on the waiting list from being admitted to the project because they do not require subsidy, and which could consequently create an undue concentration of poverty at the project compared to non-RAD PBV projects, a PHA may request a waiver from HUD for the covered project in order to admit otherwise eligible families whose TTP exceeds gross rent and to allow the units those families occupy to remain under the HAP contract even if the PHA has not paid HAP for the family in 180 days. The waiver will apply the alternative requirements applicable to the pre-conversion residents to new admission families.

PHA Policy

The PHA will not request waivers from HUD to apply the alternative requirements applicable to pre-conversion residents to new admission families.

If a participating family who was admitted after the RAD conversion receive zero assistance and subsequently experiences a change in circumstances that would result in a HAP payment to the owner, the family must notify the PHA of the change and request an interim reexamination before the expiration of the 180-day period.

Security Deposits [24 CFR 983.259; *RAD PBV Quick Reference Guide 6/20*]

Owners are permitted to recognize security deposit amounts that have been previously provided by tenants who are in-place at the time of the RAD conversion. If a tenant residing in a converting project has not previously provided a security deposit, then the owner may collect a security deposit at the time of initial lease execution. Otherwise, the security deposit requirements for standard PBV apply.

The owner may collect a security deposit from the tenant. The PHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants.

PHA Policy

The PHA will allow the owner to collect a security deposit amount the owner determines is appropriate.

When the tenant moves out of a contract unit, the owner, subject to state and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid tenant rent, damages to the unit, or other amounts owed by the tenant under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used to reimburse the owner, the owner must promptly refund the full amount of the balance to the tenant.

If the security deposit does not cover the amount owed by the tenant under the lease, the owner may seek to collect the balance from the tenant. The PHA has no liability or responsibility for payment of any amount owed by the family to the owner.

19-VI.C. MOVES

Overcrowded, Under-Occupied, and Accessible Units [24 CFR 983.260; Notice PIH 2019-23]

All in-place tenants at the time of conversion are eligible to remain in the project. Over-housed families should be moved into appropriately sized units if such units are available in the new or rehabbed project. If appropriately sized units are not available, the existing tenants may continue to be over-housed until an appropriately sized unit becomes available or until the tenant leaves the project. Once the unit turns over, it must be leased to an appropriately sized family. Any non-RAD PBV units located in the same project are also subject to these requirements.

Following conversion, the standard PBV regulations apply. If the PHA determines that a family is occupying a wrong-size unit, based on the PHA's subsidy standards, or a unit with accessibility features that the family does not require, and the unit is needed by a family that does require the features, the PHA must promptly notify the family and the owner of this determination, and within 60 days of the determination, the PHA must offer the family the opportunity to receive continued housing assistance in another unit.

PHA Policy

The PHA will notify the family and the owner of the family's need to move based on the occupancy of a wrong-size or accessible unit within 60 days of the PHA's determination. The PHA will offer the family the following types of continued assistance in the following order, based on the availability of assistance:

PBV assistance in an appropriately sized unit in the same building or project

PBV assistance in an appropriately sized unit in another project

Tenant-based voucher assistance

If no continued housing assistance is available, the PHA must remove the wrong-sized or accessible unit from the HAP contract to make voucher assistance available to issue the family a tenant-based voucher.

If the PHA offers the family a tenant-based voucher, the PHA must terminate the housing assistance payments for a wrong-size or accessible unit at the earlier of the expiration of the term of the family's voucher, including any extension granted by the PHA, or the date upon which the family vacates the unit. If the family does not move out of the wrong-size unit or accessible unit by the expiration of the term of the family's voucher, the PHA must remove the unit from the HAP contract.

If the PHA offers the family another form of assistance that is not a tenant-based voucher, the PHA must terminate the housing assistance payments for the wrong-sized or accessible unit and remove the unit from the HAP contract when:

- The PHA has offered PBV assistance or other project-based assistance in an appropriately sized unit, and the family does not accept the offer, does not move out of the PBV unit within a reasonable time as determined by the PHA (not to exceed 90 days); or
- The PHA has offered other comparable tenant-based rental assistance, the family either accepts or does not accept the offer but does not move out of the PBV unit within a reasonable time as determined by the PHA (not to exceed 90 days).
- In either of the above situations, the family may request, and the PHA may grant, one extension not to exceed up to an additional 90 days to accommodate the family's efforts to locate affordable, safe, and geographically proximate replacement housing.
- The PHA must terminate the housing assistance payments for the wrong-sized or accessible unit and remove the unit from the HAP contract when the PHA has offered PBV assistance or other project-based assistance in an appropriately sized unit, and the family accepts the offer but does not move out of the PBV unit within a reasonable time as determined by the PHA (not to exceed 90 days). No extensions may be granted in this case. The PHA may reinstate a unit removed unit to the HAP contract after the family vacates the property, in accordance with 24 CFR 983.207(b).

PHA Policy

When the PHA offers a family another form of assistance that is not a tenant-based voucher, the family will be given 90 days from the date of the offer to accept the offer and move out of the PBV unit. If the family does not move out within this 90-day time frame, the PHA will terminate the housing assistance payments at the expiration of this 90-day period.

Except in the case of an offer by the PHA of PBV assistance or other project-based housing assistance in an appropriate size unit, the family accepts the offer but does not move out, the PHA may make exceptions to this 90-day period if needed for reasons beyond the family's control such as death, serious illness, or other medical emergency of a family member, or to accommodate the family's efforts to locate affordable, safe, and geographically proximate replacement housing. The family must make such a request in writing prior to the end of the 90-day period. The PHA will only grant one extension, which will not exceed an additional 90 days.

Family Right to Move [24 CFR 983.261]

The family may terminate the lease at any time after one year of PBV assistance. The family must give advance written notice to the owner in accordance with the lease and provide a copy of such notice to the PHA. The right to request a move with tenant-based assistance does not expire, and the family may request a move at any time after the one-year period has expired.

Choice Mobility [Notice PIH 2019-23; PRRAC Choice Mobility Implementation Guidance, 8/20]

Family's Right to Choice Mobility

Under RAD PBV, the choice mobility option provides families with the opportunity to move with continued assistance any time after 12 months of occupancy. All residents in converted properties should be aware of their housing mobility rights and of their options in a range of neighborhoods.

PHA Policy

To ensure that residents are fully aware of and understand their rights under choice mobility, the PHA will inform families of their rights under the choice mobility option and the benefits to moving to lower poverty areas and provide a summary of the steps necessary to exercise this option, at the time the family signs the lease for the RAD PBV unit and during their annual recertification.

Information on choice mobility will be made be accessible to persons with disabilities, ensuring any information, electronic or otherwise, is accessible for persons with vision, hearing, and other disabilities. This information will also be made available in accordance with Limited English Proficiency (LEP) requirements, including document translation and user of interpretation services. See Chapter 2 for a more thorough discussion of accessibility and LEP requirements.

Moving with Continued Assistance under Choice Mobility

If the family wishes to move with continued tenant-based assistance under choice mobility, the family must contact the PHA to request the rental assistance prior to providing notice to terminate the lease. If the family terminates the lease in accordance with lease requirements, the PHA is required to offer the family the opportunity for continued tenant-based assistance, in the form of a voucher or other comparable tenant-based rental assistance. The PHA must specify in the administrative plan whether it will offer families assistance under the voucher program or other comparable tenant-based rental assistance. If voucher assistance is offered to the family and the search term expires, the PHA must issue the voucher to the next eligible family before issuing another voucher to the family that requested to move. If a voucher or other comparable tenant-based assistance is not immediately available at the time of the family's request to the PHA, the PHA must give the family priority to receive the next available opportunity for continued tenant-based assistance. The PHA must describe in its administrative plan its policies and procedures for how the family must contact the PHA and how the PHA documents families waiting for continued tenant-based rental assistance.

Families are eligible to move with continued assistance under choice mobility after 24 months of occupancy. If the family terminates the assisted lease before two years of PBV assistance, the family relinquishes the opportunity for continued tenant-based assistance.

PHA Policy

Except for families seeking protection under VAWA, prior to providing notice to the owner to terminate the lease, any eligible family may submit a written request to the PHA for a choice mobility voucher at any time after completing the 24-month occupancy requirement. The PHA will process the request within 10 business days of receiving the family's request. The PHA will verify that the family has met the 24-month occupancy requirement. No additional screening will be performed.

If the request is approved by the PHA, the family will receive the next available tenant-based voucher.

If a tenant-based voucher is not immediately available, the PHA will maintain a combined, PHA-wide waiting list for all standard PBV and RAD PBV families wishing to exercise mobility after two years of tenancy. This list will be maintained separately from the tenant-based HCV list. Families on the choice mobility waiting list will be given priority over families on the tenant-based waiting list. The list will be organized by date and time of the family's written request to exercise choice mobility. The list will also identify whether families live in standard or RAD PBV units. A RAD resident does not have priority for tenant-based assistance over a non-RAD PBV resident and vice versa. Once a family is placed on the list, the PHA will send the family an acknowledgement of receipt of their request and successful placement on the list. If a family requests a tenant-based voucher and then is unable or unwilling to move once the PHA offers the family a tenant-based voucher, the family's name will be removed from the list. The family may resubmit a new request to move at any time.

The PHA will not subject RAD PBV families applying for choice mobility vouchers to any additional rescreening requirements in order to receive a tenant-based voucher. While the family will not be required to attend a standard HCV briefing in order to receive a voucher, the PHA will promptly schedule a meeting with each family at the time of voucher issuance.

Families exercising choice mobility will not be required to vacate their units before a lease has been entered into using their tenant-based voucher so long as the resident has not yet provided notice to vacate to the owner. At the time the PHA issues a choice mobility voucher, the PHA will notify the family of their right to remain in their unit if they are unable find a rental unit using the tenant-based voucher. If family's search term (and any extensions) expires, the PHA must issue the voucher to the next eligible family. The family's name will be removed from the priority list, and the family will be able to resubmit a request at a later time.

Turnover Cap

If as a result of RAD, the total number of PBV units (including RAD PBV units) administered by the PHA exceeds 20 percent of the PHA's authorized units under its HCV ACC with HUD, the PHA may establish a turnover cap. The PHA is not required to provide more than three-quarters of its turnover vouchers in any single year to the residents of covered projects. If the PHA chooses to establish a turnover cap and the cap is implemented, the PHA must create and maintain a waiting list in the order requests from eligible households were received.

PHA Policy

As a result of RAD, the total number of PBV units (including RAD PBV units) administered by the PHA exceeds 20 percent of the PHA's authorized units under its HCV ACC with HUD. Therefore, the PHA will establish a choice mobility cap. The PHA will not provide vouchers to more than 15% of units.

Families who requested a choice mobility voucher and are denied due to the cap will be given priority when the next vouchers becomes available.

Emergency Transfers under VAWA [24 CFR 983.261(f) and (g)]

In the case of a move due to domestic violence, dating violence, sexual assault, stalking, or human trafficking, PHAs must describe policies for facilitating emergency transfers for families with PBV assistance in their Emergency Transfer Plan, including when a victim has been living in a unit for less than a year or when a victim seeks to move sooner than a tenant-based voucher is available.

When the family or a member of the family is or has been the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, and the move is needed to protect the health or safety of the family or family member, the family is not required to give the owner advance written notice or contact the PHA before moving from the unit. Additionally, when any family member has been the victim of a sexual assault that occurred on the premises during the 90-calendar-day period preceding the family's request to move, the family is not required to give the owner advance written notice or contact the PHA before moving from the unit. A PHA may not terminate the assistance of a family due to a move occurring under these circumstances and must offer the family the opportunity for continued tenant-based assistance if the family had received at least one year of PBV assistance prior to moving.

If a family break-up results from an occurrence of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the PHA must ensure that the victim retains assistance.

PHA Policy

Except where special consideration is needed for the project-based voucher program, the PHA will follow VAWA policies as outlined in this administrative plan, including using the Emergency Transfer Plan as the basis for PBV transfers under VAWA (Exhibit 16-4).

When the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking has lived in the unit for less than one year, the PHA will provide several options for continued assistance.

The PHA will first try to transfer the participant to another PBV unit in the same development or transfer to a different development where the PHA has PBV units. The PHA will expedite the administrative processes in this case in an effort to conduct the transfer as quickly as possible. If assistance is transferred to another development, the PHA will give priority to the participant on the other development's waiting list.

If no units are available for an internal transfer to a PBV development or if there is reasonable cause to believe that such a transfer would put the victim in jeopardy, the participant may receive continued assistance through an external transfer to either tenant-based rental assistance (HCV) or assistance in the PHA's public housing program. Such a decision will be made by the PHA based on the availability of tenant-based vouchers and/or vacancies in public housing units. Such families must be selected from the waiting list for the applicable program. The PHA has adopted a waiting list preference for victims of domestic violence, dating violence, sexual assault, stalking, and human trafficking in both its HCV and public housing programs in order to expedite this process. See Section 4-III.C. of this administrative plan.

If a victim wishes to move after a year of occupancy in the unit, but no tenant-based vouchers are available, the PHA will offer the participant an internal transfer to another PBV unit in the same development or a transfer to a different development where the PHA has PBV units. The PHA will expedite the administrative processes in this case in an effort to conduct the transfer as quickly as possible.

If no units are available for an internal transfer, or if there is reasonable cause to believe that such a transfer would put the victim in jeopardy, the participant may request an external emergency transfer to the PHA's public housing program for which they are required to apply. The PHA has adopted a waiting list preference for victims of domestic violence, dating violence, sexual assault, stalking, and human trafficking as part of the public housing ACOP in order to expedite this process.

19-VI.D. REEXAMINATIONS [*RAD PBV Quick Reference Guide 6/20*]

For each family residing in a unit undergoing conversion of assistance under RAD, the administering PHA will have to submit a form HUD-50058 reflecting the family's admission to the voucher program. The effective date of the new admission will be the same as the effective date of the RAD PBV HAP contract. The form should include the same information previously found on the public housing form 50058, including the next annual reexamination date.

19-VI.E. INFORMAL REVIEWS AND HEARINGS [Notice PIH 2019-23]

In addition to reasons for an informal hearing listed at 24 CFR 982.555(a)(1)(i)–(v) an opportunity for an informal hearing must be given to residents for any dispute that a resident may have with respect to an owner action in accordance with the individual's lease or the contract administrator in accordance with RAD PBV requirements that adversely affect the resident's rights, obligations, welfare, or status.

- For any hearing required under 24 CFR 982.555(a)(1)(i)–(v), the contract administrator will perform the hearing in accordance with this administrative plan., as is the current standard in the program.

An informal hearing will not be required for class grievances or for disputes between residents not involving the PHA (as owner) or contract administrator. This hearing requirement does not apply to and is not intended as a forum for initiating or negotiating policy changes between a group or groups of residents and the PHA (as owner) or contract administrator.

The owner must give residents notice of their ability to request an informal hearing as outlined in 24 CFR 982.555(c)(1) for informal hearings that will address circumstances that fall outside of the scope of 24 CFR 982.555(a)(1)(i)–(v).

The owner must provide an opportunity for an informal hearing before an eviction.

PART VII: DETERMINING CONTRACT RENT

19-VII.A. INITIAL CONTRACT RENTS [Notice PIH 2019-23]

The initial contract rent, the initial rents are set at the lower of:

- An amount determined by the PHA in accordance with the administrative plan, not to exceed 110 percent of the fair market rent (FMR) (or amount of any applicable exception payment standard),
- The reasonable rent
- The rent requested by the owner

19-VII.B. UTILITY ALLOWANCES [Notice PIH 2019-23; *RAD PBV Quick Reference Guide 6/20*]

When contract rent amounts are set initially, the amount does not include a utility allowance. In general, the utility allowances that are used on the initial HAP contract at closing are the public housing utility allowances that are in effect prior to conversion. The CHAP must be updated prior to conversion to reflect current public housing utility allowances. At its discretion, a PHA may use the FMRs and utility allowances in effect during the 30-day period immediately before the beginning date of the HAP contract.

After conversion, the PHA that administers the contract must maintain the utility allowance schedule. The PHA may either maintain a utility allowance schedule for tenant-paid utilities in accordance with standard PBV and HCV utility allowance regulations at 24 CFR 983.301(f)(2)(ii) and 24 CFR 982.517, respectively, or the PHA may instead apply site-specific utility allowances. HUD waived the requirement for the standard PBV program that the HCV utility allowance be used. If a site-specific utility allowance is used, the utility allowance is applicable to non-RAD PBV units in the project and is calculated consistent with Notice H 2015-04.

Each family transitions to the new utility allowance at their first recertification following conversion.

PHA Policy

The PHA will use the HCV utility allowance schedule for the RAD PBV units.

19-VII.C. REASONABLE RENT [983.301(d) and 24 CFR 983.303]

At the time the initial rent is established and all times during the term of the HAP contract, the rent to owner for a contract unit may not exceed the reasonable rent for the unit as determined by the PHA, except rents must not be reduced below the initial rent except to correct errors, for additional subsidy to the property, or to realign utility responsibilities.

How to Determine Reasonable Rent [24 CFR 983.303(c)]

The reasonable rent of a unit receiving PBV assistance must be determined by comparison to rent for other comparable unassisted units. When making this determination, the PHA must consider factors that affect market rent. Such factors include the location, quality, size, type and age of the unit, as well as the amenities, housing services maintenance, and utilities to be

provided by the owner. The reasonable rent determination must be based on the condition of the assisted unit at the time of the determination and not on anticipated future unit conditions.

Comparability Analysis [24 CFR 983.303(d)]

For each unit, the comparability analysis must use at least three comparable units in the private unassisted market. This may include units in the premises or project that is receiving project-based assistance. The analysis must show how the reasonable rent was determined, including major differences between the contract units and comparable unassisted units, and must be retained by the PHA. The comparability analysis may be performed by PHA staff or by another qualified person or entity. Those who conduct these analyses or are involved in determining the housing assistance payment based on the analyses may not have any direct or indirect interest in the property.

PHA-Owned Units [24 CFR 983.303(f)]

For PHA-owned units, the amount of the reasonable rent must be determined by an independent entity approved by HUD in accordance with PBV program requirements. The independent entity must provide a copy of the determination of reasonable rent for PHA-owned units to the PHA.

PART VIII: PAYMENTS TO OWNER

19-VIII.A. HOUSING ASSISTANCE PAYMENTS

During the term of the HAP contract, the PHA must make housing assistance payments to the owner in accordance with the terms of the HAP contract. During the term of the HAP contract, payments must be made for each month that a contract unit complies with NSPIRE and is leased to and occupied by an eligible family. The housing assistance payment must be paid to the owner on or about the first day of the month for which payment is due, unless the owner and the PHA agree on a later date.

Except for discretionary vacancy payments, the PHA may not make any housing assistance payment to the owner for any month after the month when the family moves out of the unit (even if household goods or property are left in the unit).

The amount of the housing assistance payment by the PHA is the rent to owner minus the tenant rent (total tenant payment minus the utility allowance).

In order to receive housing assistance payments, the owner must comply with all provisions of the HAP contract. Unless the owner complies with all provisions of the HAP contract, the owner does not have a right to receive housing assistance payments.

19-VIII.B. VACANCY PAYMENTS [24 CFR 983.352]

Payment at Move-Out Month [24 CFR 983.352(a)]

If an assisted family moves out of the unit, the owner may keep the housing assistance payment for the calendar month when the family moves out. However, the owner may not keep the payment if the PHA determines that the vacancy is the owner's fault.

PHA Policy

If the PHA determines that the owner is responsible for a vacancy and as a result is not entitled to keep the housing assistance payment, the PHA will notify the owner of the amount of housing assistance payment that the owner must repay. The PHA will require the owner to repay the amount owed in accordance with the policies in this administrative plan.

Vacancy Payments

At the discretion of the PHA, the HAP contract may provide for vacancy payments to the owner for a PHA-determined period of vacancy extending from the beginning of the first calendar month after the move-out month for a period not exceeding two full months following the move-out month. The PHA must include in its administrative plan the PHA's policy on the conditions under which it will allow vacancy payments in a HAP contract, the duration of the payments, amount of vacancy payments it will make to an owner, and the required form and manner of requests for vacancy payments.

PHA Policy

The PHA will decide on a case-by-case basis if the PHA will provide vacancy payments to the owner. The HAP contract with the owner will contain any such agreement,

including the amount of the vacancy payment and the period for which the owner will qualify for these payments.

The PHA may only make vacancy payments if:

- The owner gives the PHA prompt, written notice certifying that the family has vacated the unit and identifies the date when the family moved out (to the best of the owner's knowledge and belief);
- The owner certifies that the vacancy is not the fault of the owner and that the unit was vacant during the period for which payment is claimed;
- The owner certifies that it has taken every reasonable action to minimize the likelihood and length of vacancy; and
- The owner provides any additional information required and requested by the PHA to verify that the owner is entitled to the vacancy payment.

The owner must submit a request for vacancy payments in the form and manner required by the PHA and must provide any information or substantiation required by the PHA to determine the amount of any vacancy payment.

The vacancy payment to the owner for each month of the maximum two-month period is determined by the PHA and cannot exceed the monthly rent to owner under the assisted lease, minus any portion of the rental payment received by the owner (including amounts available from the tenant's security deposit). Any vacancy payment may cover only the period the unit remains vacant.

PHA Policy

If the HAP contract calls for vacancy payments to be made, and the owner wishes to receive vacancy payments, the owner must have properly notified the PHA of the vacancy in accordance with the policy in this administrative plan..

In order for a vacancy payment request to be considered, it must be made in writing (including via email) within 10 business days of the end of the period for which the owner is requesting the vacancy payment. The request must include the required owner certifications and the PHA may require the owner to provide documentation to support the request. If the owner does not provide the information requested by the PHA within 10 business days of the PHA's request, no vacancy payments will be made.

If vacancy payments are made, the PHA will make vacancy payments for the period of vacancy extending from the beginning of the first calendar month after the move-out month for a period not exceeding two full months following the move-out month. The amount of the vacancy payment will not exceed the monthly rent to owner under the assisted lease, minus any portion of the rental payment received by the owner (including amounts available from the tenant's security deposit). Any vacancy payment will cover only the period the unit remains vacant.

19-VIII.C. TENANT RENT TO OWNER [24 CFR 983.353; Notice PIH 2019-23]

The tenant rent is the portion of the rent to owner paid by the family. The amount of tenant rent is determined by the PHA in accordance with HUD requirements. Any changes in the amount of tenant rent will be effective on the date stated in the PHA notice to the family and owner.

The family is responsible for paying the tenant rent (total tenant payment minus the utility allowance). The amount of the tenant rent determined by the PHA is the maximum amount the owner may charge the family for rental of a contract unit. The tenant rent covers all housing services, maintenance, equipment, and utilities to be provided by the owner. The owner may not demand or accept any rent payment from the tenant in excess of the tenant rent as determined by the PHA. The owner must immediately return any excess payment to the tenant.

Initial Certifications [Notice PIH 2019-23]

For the initial certification, the PHA will use the family's public housing tenant rent (reflected on line 10f of the family's most recent 50058) at the date of conversion to calculate HAP and tenant rent for the PBV program. The PHA will use this amount until the effective date of the earlier of the family's first regular or interim recertification following the conversion. At that point, the PHA will use the family's TTP based on the recertification and the applicable utility allowance (HCV or RAD PBV site-based, as applicable) to determine PBV HAP and tenant rent. Any non-RAD PBV units located in the same project are subject to the same requirements.

Tenant and PHA Responsibilities

The family is not responsible for the portion of rent to owner that is covered by the housing assistance payment and the owner may not terminate the tenancy of an assisted family for nonpayment by the PHA.

Likewise, the PHA is responsible only for making the housing assistance payment to the owner in accordance with the HAP contract. The PHA is not responsible for paying tenant rent, or any other claim by the owner, including damage to the unit. The PHA may not use housing assistance payments or other program funds (including administrative fee reserves) to pay any part of the tenant rent or other claim by the owner.

Utility Reimbursements [24 CFR 983.353(d)]

If the amount of the utility allowance exceeds the total tenant payment, the PHA must pay the amount of such excess to the tenant as a reimbursement for tenant-paid utilities, and the tenant rent to the owner must be zero.

The PHA must describe in its administrative plan its policies on paying the utility reimbursement directly to the family or directly to the utility supplier. The PHA may pay the utility reimbursement directly to the family or to the utility supplier on behalf of the family. If the PHA chooses to pay the utility supplier directly, the PHA must notify the family of the amount paid to the utility supplier.

PHA Policy

The PHA will make utility reimbursements directly to the utility supplier.

19.VIII.D. OTHER FEES AND CHARGES [24 CFR 983.354]

Meals and Supportive Services

With the exception of PBV assistance in assisted living developments, the owner may not require the tenant to pay charges for meals or supportive services. Non-payment of such charges is not grounds for termination of tenancy.

In assisted living developments receiving PBV assistance, the owner may charge for meals or supportive services. These charges may not be included in the rent to owner, nor may the value of meals and supportive services be included in the calculation of the reasonable rent. However, non-payment of such charges is grounds for termination of the lease by the owner in an assisted living development.

Other Charges by Owner

The owner may not charge extra amounts for items customarily included in rent in the locality or provided at no additional cost to unsubsidized tenants in the premises.

In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives consideration not measurable in dollar terms. Negative equity in real property or other investments does not prohibit the owner from selling the property or other investments, so negative equity alone would not justify excluding the property or other investments from family assets.

To follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or to place under surveillance with the intent to kill, injure, harass, or intimidate another person; and in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (1) that person, (2) a member of the immediate family of that person, or (3) the spouse or intimate partner of that person.

State wage information collection agency (SWICA). The state agency, including any Indian tribal agency, receiving quarterly wage reports from employers in the state, or an alternative system that has been determined by the Secretary of Labor to be as effective and timely in providing employment-related income and eligibility information.

Subsidy standards. Standards established by a PHA to determine the appropriate number of bedrooms and amount of subsidy for families of different sizes and compositions.

Suspension. The term on the family's voucher stops from the date the family submits a request for PHA approval of the tenancy, until the date the PHA notifies the family in writing whether the request has been approved or denied. This practice is also called *tolling*.

Tax credit rent. With regard to certain tax credit units, the rent charged for comparable units of the same bedroom size in the building that also receive the low-income housing tax credit but do not have any additional rental assistance (e.g., tenant-based voucher assistance).

Technological abuse. An act or pattern of behavior that occurs within domestic violence, dating violence, sexual assault, or stalking and is intended to harm, threaten, intimidate, control, stalk, harass, impersonate, exploit, extort, or monitor another person, except as otherwise permitted by law, that occurs using any form of technology, including but not limited to:

- Internet enabled devices
- Online spaces and platforms
- Computers
- Mobile devices
- Cameras and imaging programs
- Apps
- Location tracking devices
- Communication technologies
- Any other emergency technologies

Tenancy addendum. For the housing choice voucher program, the lease language required by HUD in the lease between the tenant and the owner.

Tenant. The person or persons (other than a live-in aide) who executes the lease as lessee of the dwelling unit.

Tenant rent to owner. See *family rent to owner*.

Term of lease. The amount of time a tenant agrees in writing to live in a dwelling unit.

Total tenant payment (TTP). The total amount the HUD rent formula requires the tenant to pay toward rent and utilities.

Unearned income. Any annual income, as calculated under 24 CFR 5.609, that is not earned income.

Unit. Under NSPIRE, a unit (or "dwelling unit") of HUD housing refers to the interior components of an individual unit. Examples of components included in the interior of a unit may include the balcony, bathroom, call-for-aid (if applicable), carbon monoxide devices, ceiling, doors, electrical systems, enclosed patio, floors, HVAC (where individual units are provided), kitchen, lighting, outlets, smoke detectors, stairs, switches, walls, water heater, and windows.

Utilities. Water, electricity, gas, other heating, refrigeration, cooking fuels, trash collection, and sewage services. Telephone service is not included.

Utility allowance. If the cost of utilities (except telephone) and other housing services for an assisted unit is not included in the tenant rent but is the responsibility of the family occupying the unit, an amount equal to the estimate made or approved by a PHA or HUD of the monthly cost of a reasonable consumption of such utilities and other services for the unit by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment.

Utility reimbursement. In the voucher program, the portion of the housing assistance payment which exceeds the amount of rent to owner.

Very low-income family. A low-income family whose annual income does not exceed 50 percent of the median income for the area, as determined by HUD, with adjustments for smaller and larger families. HUD may establish income limits higher or lower than 50 percent of the median income for the area on the basis of its finding that such variations are necessary because of unusually high or low family incomes. This is the income limit for the housing choice voucher program.

Veteran. A person who has served in the active military or naval service of the United States at any time and who shall have been discharged or released therefrom under conditions other than dishonorable.

Violence Against Women Act (VAWA). Prohibits denying admission to the program to an otherwise qualified applicant or terminating assistance on the basis that the applicant or program participant is or has been a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking.

Violent criminal activity. Any illegal criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against the person or property of another.

Voucher (housing choice voucher). A document issued by a PHA to a family selected for admission to the housing choice voucher program. This document describes the program and the procedures for PHA approval of a unit selected by the family. The voucher also states obligations of the family under the program.

Voucher holder. A family holding a voucher with an unexpired term (search time).

Voucher program. The housing choice voucher program.

Waiting list. A list of families organized according to HUD regulations and PHA policy who are waiting for a unit to become available.

Waiting list admission. An admission from the PHA waiting list.

Welfare assistance. Income assistance from federal or state welfare programs, including assistance provided under TANF and general assistance. Does not include assistance directed solely to meeting housing expenses, nor programs that provide health care, child care or other services for working families. For the FSS program (24 CFR 984.103), *welfare assistance* includes only cash maintenance payments designed to meet a family's ongoing basic needs. Does not include nonrecurring short term benefits designed to address individual crisis situations, work subsidies, supportive services such as child care and transportation provided to families who are employed, refundable earned income tax credits, contributions to and distributions from Individual Development Accounts under TANF, services such as counseling, case management, peer support, child care information and referral, financial empowerment, transitional services, job retention, job advancement, and other employment-related services that do not provide basic income support, amounts solely directed to meeting housing expenses, amounts for health care, Supplemental Nutrition Assistance Program (SNAP) and emergency rental and utilities assistance, SSI, SSDI, or social security, and child-only or non-needy TANF grants made to or on behalf of a dependent child solely on the basis of the child's need and not the need of the child's current non-parental caretaker.

TEMPORARY POLICY SUPPLEMENT

EMERGENCY HOUSING VOUCHERS (EHV)

INTRODUCTION

On March 11, 2021, President Biden signed the American Rescue Plan Act of 2021 (ARP) (P.L. 117-2). Section 3202 of the ARP appropriated \$5 billion for the creation, administration, and renewal of new incremental emergency housing vouchers (EHVs) and other eligible expenses related to COVID-19.

On May 5, 2021, HUD issued Notice PIH 2021-15, which described HUD's process for allocating approximately 70,000 EHVs to eligible PHAs and set forth the operating requirements for PHAs who administer them. Based on criteria outlined in the notice, HUD notified eligible PHAs of the number of EHVs allocated to their agency, and PHAs were able to accept or decline the invitation to participate in the program.

PHAs may not project-base EHVs; EHVs are exclusively tenant-based assistance.

All applicable nondiscrimination and equal opportunity requirements apply to the EHV program, including requirements that the PHA grant reasonable accommodations to persons with disabilities, effectively communicate with persons with disabilities, and ensure meaningful access for persons with limited English proficiency (LEP).

This chapter describes HUD regulations and PHA policies for administering EHVs. The policies outlined in this chapter are organized into seven sections, as follows:

Part I: Funding

Part II: Partnering Agencies

Part III: Waiting List Management

Part IV: Family Eligibility

Part V: Housing Search and Leasing

Part VI: Use of Funds, Reporting, and Financial Records

Except as addressed by this chapter and as required under federal statute and HUD requirements, the general requirements of the HCV program apply to EHVs.

PART I: FUNDING

TPS-LA. FUNDING OVERVIEW

The American Rescue Plan Act of 2021 (ARP) provides administrative fees and funding for the costs of administering emergency housing vouchers (EHVs) and other eligible expenses defined in Notice PIH 2021-15. These fees may only be used for EHV administration and other eligible expenses and must not be used for or applied to other PHA programs or vouchers. The PHA must maintain separate financial records from its regular HCV funding for all EHV funding.

Housing Assistance Payments (HAP) Funding

ARP funding obligated to the PHA as housing assistance payments (HAP) funding may only be used for eligible EHV HAP expenses (i.e., rental assistance payments). EHV HAP funding may not be used for EHV administrative expenses or for the eligible uses under the EHV services fee.

The initial funding term will expire December 31, 2022. HUD will provide renewal funding to the PHA for the EHVs on a calendar year (CY) basis commencing with CY 2023. The renewal funding allocation will be based on the PHA's actual EHV HAP costs in leasing, similar to the renewal process for the regular HCV program. EHV renewal funding is not part of the annual HCV renewal funding formula; EHVs are renewed separately from the regular HCV program. All renewal funding for the duration of the EHV program has been appropriated as part of the ARP funding.

Administrative Fee and Funding

The following four types of fees and funding are allocated as part of the EHV program:

- **Preliminary fees** support immediate start-up costs that the PHA will incur in implementing alternative requirements under EHV, such as outreach and coordination with partnering agencies:
 - \$400 per EHV allocated to the PHA, once the consolidated annual contributions contract (CACC) is amended.
 - This fee may be used for any eligible administrative expenses related to EHVs.
 - The fee may also be used to pay for any eligible activities under EHV service fees (TPS)
- **Placement fees/expedited issuance reporting fees** will support initial lease-up costs and the added cost and effort required to expedite leasing of EHVs:
 - \$100 for each EHV initially leased, if the PHA reports the voucher issuance date in Public Housing Information Center–Next Generation (PIC–NG) system within 14 days of voucher issuance or the date the system becomes available for reporting.
 - Placement fees:
 - o \$500 for each EHV family placed under a HAP contract effective within four months of the effective date of the ACC funding increment; or
 - o \$250 for each EHV family placed under a HAP contract effective after four months but less than six months after the effective date of the ACC funding increment.
 - o HUD will determine placement fees in the event of multiple EHV allocations and funding increment effective dates.
 - Placement/expedited issuance fees only apply to the initial leasing of the voucher; they are not paid for family moves or to turnover vouchers.
- **Ongoing administrative fees**, which are calculated in the same way as the standard HCV program:

- PHAs are allocated administrative fees using the full column A administrative fee amount for each EHV under contract as of the first day of each month.
- Ongoing EHV administrative fees may be subject to proration in future years, based on available EHV funding.
- **Services fees**, which are a one-time fee to support PHAs' efforts to implement and operate an effective EHV services program in its jurisdiction (TPS-I.B):
 - The fee is allocated once the PHA's CACC is amended to reflect EHV funding.
 - The amount allocated is \$3,500 for each EHV allocated.

TPS-I.B. SERVICE FEES

Services fee funding must be initially used for defined eligible uses and not for other administrative expenses of operating the EHV program. Service fees fall into four categories:

- Housing search assistance
- Security deposit/utility deposit/rental application/holding fee uses
- Owner-related uses
- Other eligible uses such as moving expenses or tenant-readiness services

The PHA must establish the eligible uses and the parameters and requirements for service fees in the PHA's administrative plan.

PHA Policy

The eligible uses for service fees include:

Housing search assistance, which may include activities such as, but not limited to, helping a family identify and visit potentially available units during their housing search, helping to find a unit that meets the household's disability-related needs, providing transportation and directions, assisting with the completion of rental applications and PHA forms, and helping to expedite the EHV leasing process for the family.

Application fees/non-refundable administrative or processing fees/refundable application deposit assistance. The PHA may choose to assist the family with some or all these expenses.

Holding fees are fees an owner requests that are rolled into the security deposit after an application is accepted but before a lease is signed. The PHA may cover part or all of the holding fee for units where the fee is required by the owner after a tenant's application has been accepted but before the lease signing. The PHA and owner must agree how the holding fee gets rolled into the deposit, and under what conditions the fee will be returned. In general, owners need to accept responsibility for making needed repairs to a unit required by the initial housing quality standards (HQS) inspections and can only keep the holding fee if the client is at fault for not entering into a lease.

Security deposit assistance. The amount of the security deposit assistance may not exceed the lesser of two months' rent to owner, the maximum security deposit allowed under applicable state and/or local law, or the actual security deposit required by the owner. The PHA may pay the security deposit assistance directly to the owner or may pay the assistance to the family. If paid to the family, the PHA will require documentation that the family paid the security deposit.

Utility deposit assistance/utility arrears. The PHA may provide utility deposit assistance for some or all of the family's utility deposit expenses. Assistance can be provided for deposits

(including connection fees) required for the utilities to be supplied by the tenant under the lease. The PHA may pay the utility deposit assistance directly to the utility company or may pay the assistance to the family. If paid to the family, the PHA will require documentation the family paid the utility deposit. The PHA will require the utility supplier or family to return the utility deposit assistance to the PHA at such time the deposit is returned by the utility supplier (less any amounts retained by the utility supplier). In addition, some families may have large balances with gas, electric, water, sewer, or trash companies that will make it difficult if not impossible to establish services for tenant-supplied utilities. The PHA may also provide the family with assistance to help address these utility arrears to facilitate leasing. Utility deposit assistance returned to the PHA will be used for either services fee eligible uses or other EHV administrative costs, as required by HUD.

Owner recruitment and outreach for EHV's. The PHA may use the service fee funding to conduct owner recruitment and outreach specifically for EHV's. In addition to traditional owner recruitment and outreach, activities may include conducting pre-inspections or otherwise expediting the inspection process, providing enhanced customer service, and offering owner incentive and/or retention payments.

Owner incentive and/or retention payments. The PHA may make incentive or retention payments to owners that agree to initially lease their unit to an EHV family and/or renew the lease of an EHV family.

Payments will be made as a single payment at the beginning of the assisted lease term (or lease renewal if a retention payment). Owner incentive and retentions payments are not housing assistance payments, are not part of the rent to owner, and are not taken into consideration when determining whether the rent for the unit is reasonable.

Moving expenses (including move-in fees and deposits). The PHA may provide assistance for some or all of the family's reasonable moving expenses when they initially lease a unit with the EHV. The PHA will not provide moving expenses assistance for subsequent moves unless the family is required to move for reasons other than something the family did or failed to do (e.g., the PHA is terminating the HAP contract because the owner did not fulfill the owner responsibilities under the HAP contract or the owner is refusing to offer the family the opportunity to enter a new lease after the initial lease term, as opposed to the family choosing to terminate the tenancy in order to move to another unit), or a family has to move due to domestic violence, dating violence, sexual assault, or stalking.

Tenant-readiness services. The PHA may use fees to help create a customized plan to address or mitigate barriers that individual families may face in renting a unit with an EHV, such as negative credit, lack of credit, negative rental or utility history, or to connect the family to other community resources (including COVID-related resources) that can assist with rental arrears.

Essential household items. The PHA may use services fee funding to assist the family with some or all of the costs of acquiring essential household items such as tableware, cooking equipment, beds or bedding, and essential sanitary products such as soap and toiletries.

Renter's insurance if required by the lease. The PHA may choose to assist the family with some or all this cost.

Any services fee assistance that is returned to the PHA after its initial or subsequent use may only be applied to the eligible services fee uses defined in Notice PIH 2021-15 (or subsequent notice) or other EHV administrative costs. Any amounts not expended for these eligible uses when the PHA's EHV program ends must be remitted to HUD.

PART II: PARTNERING AGENCIES

TPS-II.A. CONTINUUM OF CARE (CoC)

PHAs that accept an allocation of EHV are required to enter into a Memorandum of Understanding (MOU) with the Continuum of Care (CoC) to establish a partnership for the administration of EHV.

PHA Policy

The PHA has entered into an MOU with the Homeless Alliance of Western New York

TPS-II.B. OTHER PARTNERING ORGANIZATIONS

The PHA may, but is not required to, partner with other organizations trusted by persons experiencing homelessness, such as victim services providers (VSPs) and other community partners. If the PHA chooses to partner with such agencies, the PHA must either enter into an MOU with the partnering agency or the partnering agency may be added to the MOU between the PHA and CoC.

PHA Policy

The PHA has no additional MOU at this time.

TPS-II.C. REFERRALS

CoC and Partnering Agency Referrals

The primary responsibility of the CoC under the MOU with the PHA is to make direct referrals of qualifying individuals and families to the PHA. The PHA must generally refer a family that is seeking EHV assistance directly from the PHA to the CoC or other referring agency for initial intake, assessment, and possible referral for EHV assistance. Partner CoCs are responsible for determining whether the family qualifies under one of the four eligibility categories for EHV. The CoC or other direct referral partner must provide supporting documentation to the PHA of the referring agency's verification that the family meets one of the four eligible categories for EHV assistance.

PHA Policy

The CoC or partnering agency must establish and implement a system to identify EHV-eligible individuals and families within the agency's caseload and make referrals to the PHA. The CoC or other partnering agency must certify that the EHV applicants they refer to the PHA meet at least one of the four EHV eligibility criteria. The PHA will maintain a copy of the referral or certification from the CoC or other partnering agency in the participant's file along with other eligibility paperwork.

As part of the MOU, the PHA and CoC or other partnering agency will identify staff positions to serve as lead EHV liaisons. These positions will be responsible for transmission and acceptance of referrals. The CoC or partnering agency must commit sufficient staff and resources to ensure eligible individuals and families are identified and determined eligible in a timely manner.

The PHA liaison responsible for acceptance of referrals will contact the CoC or partnering agency liaison via email indicating the number of vouchers available and requesting an appropriate number of referrals. No more than five business days from the date the CoC or partnering agency receives this notification, the CoC or partnering agency liaison will provide the PHA with a list of eligible referrals including the name, address, and contact phone number for each adult individual who is being referred; a completed release form for each adult family member; and a written certification for each referral indicating they are EHV-eligible.

Offers of Assistance with CoC Referral

The PHA may make an EHV available without a referral from the CoC or other partnering organization in order to facilitate an emergency transfer under VAWA in accordance with the PHA's Emergency Transfer Plan (ETP) in Chapter 16.

The PHA must also take direct referrals from outside the CoC if:

- The CoC does not have a sufficient number of eligible families to refer to the PHA; or
- The CoC does not identify families that may be eligible for EHV assistance because they are fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking or human trafficking.

If at any time the PHA is not receiving enough referrals or is not receiving referrals in a timely manner from the CoC or other partner referral agencies (or the PHA and CoC cannot identify any such alternative referral partner agencies), HUD may permit the PHA on a temporary or permanent basis to take EHV applications directly from applicants and admit eligible families to the EHV program in lieu of or in addition to direct referrals in those circumstances.

PART III: WAITING LIST MANAGEMENT

TPS-III. A. HCV WAITING LIST

The regulation that requires the PHA to admit applicants as waiting list admissions or special admissions in accordance with admission policies in Chapter 4 does not apply to PHAs operating the EHV program. Direct referrals are not added to the PHA's HCV waiting list.

The PHA must inform families on the HCV waiting list of the availability of EHV by, at a minimum, either by posting the information to their website or providing public notice in their respective communities in accordance with the requirements listed in Notice PIH 2021-15.

PHA Policy

The PHA will post information about the EHV program for families on the PHA's HCV waiting list on their website. The notice will:

- Describe the eligible populations to which EHV are limited

- Clearly state that the availability of these EHV is managed through a direct referral process

- Advise the family to contact the CoC (or any other PHA referral partner, if applicable) if the family believes they may be eligible for EHV assistance

The PHA will ensure effective communication with persons with disabilities, including those with vision, hearing, and other communication-related disabilities in accordance with Chapter 2.

The PHA will also take reasonable steps to ensure meaningful access for persons with limited English proficiency (LEP) in accordance with Chapter 2.

TPS-III.B. EHV WAITING LIST

The HCV regulations requiring the PHA to operate a single waiting list for admission to the HCV program do not apply to PHAs operating the EHV program. Instead, when the number of applicants referred by the CoC or partnering agency exceeds the EHV available, the PHA must maintain a separate waiting list for EHV referrals, both at initial leasing and for any turnover vouchers that may be issued prior to September 30, 2023.

Further, the EHV waiting list is not subject to PHA policies in Chapter 4 regarding opening and closing the HCV waiting list. The PHA will work directly with its CoC and other referral agency partners to manage the number of referrals and the size of the EHV waiting list.

TPS-III.C. PREFERENCES

HCV Waiting List Preferences

If local preferences are established by the PHA for HCV, they do not apply to EHV. However, if the PHA has a homeless preference or a VAWA preference for the HCV waiting list, the PHA must adopt additional policies related to EHV in accordance with Notice PIH 2021-15.

PHA Policy

The PHA does not offer either a homeless or a VAWA preference for the HCV waiting list.

EHV Waiting List Preferences

With the exception of a residency preference, the PHA may choose, in coordination with the CoC and other referral partners, to establish separate local preferences for EHV. The PHA may, however, choose to not establish any local preferences for the EHV waiting list.

PHA Policy

PHA and COC agree upon the following local preference:

- First category goes to clients who are currently in CoC funded Permanent Supportive Housing who are 62 or older and ready to move on.
- 2nd priority goes to clients who are housed in CoC/ESG funded Rapid rehousing AND 1. Paying more than 50% income for rent. and 2. Income is under 30%AMI.
- 3rd category goes to clients who meet the HUD literally homeless definition and have been homeless for over 3 months. Within this category, priority will be given to families who either have a child under 5 OR have 3 or more children OR have a child who has a disability.
- 4th Category goes to clients who meet the HUD literally homeless definition who are homeless 1 month or more or currently fleeing DV but still staying with abusers.

PART IV: FAMILY ELIGIBILITY

TPS-IV.A. OVERVIEW

The CoC or referring agency determines whether the individual or family meets any one of the four eligibility criteria described in Notice PIH 2021-15 and then refers the family to the PHA. The PHA determines that the family meets other eligibility criteria for the HCV program, as modified for the EHV program and outlined below.

TPS-IV.B. REFERRING AGENCY DETERMINATION OF ELIGIBILITY

In order to be eligible for an EHV, an individual or family must meet one of four eligibility criteria:

- Homeless as defined in 24 CFR 578.3;
- At risk of homelessness as defined in 24 CFR 578.3;
- Fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking (as defined in Notice PIH 2021-15), or human trafficking (as defined in the 22 U.S.C. Section 7102); or
- Recently homeless and for whom providing rental assistance will prevent the family's homelessness or having high risk of housing instability as determined by the CoC or its designee in accordance with the definition in Notice PIH 2021-15.

As applicable, the CoC or referring agency must provide documentation to the PHA of the referring agency's verification that the family meets one of the four eligible categories for EHV assistance. The PHA must retain this documentation as part of the family's file.

TPS-IV.C. PHA SCREENING

Overview

HUD waived 24 CFR 982.552 and 982.553 in part for the EHV applicants and established alternative requirement for mandatory and permissive prohibitions of admissions. Except where applicable, PHA policies regarding denials in Chapter 3 of this policy do not apply to screening individuals and families for eligibility for an EHV. Instead, the EHV alternative requirement listed in this section will apply to all EHV applicants.

The mandatory and permissive prohibitions listed in Notice PIH 2021-15 and in this chapter, however, apply only when screening the individual or family for eligibility for an EHV. When adding a family member after the family has been placed under a HAP contract with EHV assistance, the regulations at 24 CFR 982.551(h)(2) apply. Other than the birth, adoption, or court-awarded custody of a child, the PHA must approve additional family members and may apply its regular HCV screening criteria in Chapter 3 in doing so.

Mandatory Denials

Under alternative requirements for the EHV program, mandatory denials for EHV applicants include:

- 24 CFR 982.553(a)(1)(ii)(C), which prohibits admission if any household member has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.
- 24 CFR 982.553(a)(2)(i), which prohibits admission to the program if any member of the household is subject to a lifetime registration requirement under a state sex offender registration program.

The PHA must deny admission to the program if any member of the family fails to sign and submit consent forms for obtaining information as required by 24 CFR 982.552(b)(3) but should notify the family of the limited EHV grounds for denial of admission first.

While the PHA will deny admission to the program if any adult member (or head of household or spouse, regardless of age) fails to sign and submit consent forms, the PHA will first notify the family of the limited EHV grounds for denial of admission as part of the notice of denial that will be mailed to the family.

Permissive Denial

Notice PIH 2021-15 lists permissive prohibitions for which the PHA may, but is not required to, deny admission to EHV families. The notice also lists prohibitions that, while allowable under the HCV program, may not be used to deny assistance for EHV families.

If the PHA intends to establish permissive prohibition policies for EHV applicants, the PHA must first consult with its CoC partner to understand the impact that the proposed prohibitions may have on referrals and must take the CoC's recommendations into consideration.

PHA Policy

In consultation with the CoC, the PHA will apply permissive prohibition to the screening of EHV applicants. Determinations using permissive prohibitions will be made based on an individualized assessment of relevant mitigating information in accordance with policies in Section 3-III.E.

The PHA will establish the following permissive prohibitions:

If the PHA determines that any household member is currently engaged in, or has engaged in within the previous 12 months:

Violent criminal activity

Other criminal activity that may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity

If any member of the family has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program within the previous 12 months.

If the family engaged in or threatened abusive or violent behavior toward PHA personnel within the previous 12 months.

The PHA will also deny assistance to household members already receiving assistance from another program in accordance with Section 9.h. of Notice PIH 2021-15.

Prohibitions based on criminal activity for the eligible EHV populations regarding drug possession will be considered apart from criminal activity against persons (i.e., violent criminal activity).

In compliance with PIH 2021-15, the PHA **will not** deny an EHV applicant admission regardless of whether:

Any member of the family has been evicted from federally assisted housing in the last five years;

A PHA has ever terminated assistance under the program for any member of the family;

The family currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act;

The family has not reimbursed any PHA for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease;

The family breached an agreement with the PHA to pay amounts owed to a PHA, or

amounts paid to an owner by a PHA;

The family would otherwise be prohibited admission under alcohol abuse standards established by the PHA in accordance with 24 CFR 982.553(a)(3);

The PHA determines that any household member is currently engaged in or has engaged in during a reasonable time before the admission, drug-related criminal activity.

TPS-IV.D. INCOME VERIFICATION AT ADMISSION

Self-Certification at Admission

The requirement to obtain third-party verification of income in accordance with Notice PIH 2018-18 does not apply to the EHV program applicants at admission, and alternatively, PHAs may consider self-certification the highest form of income verification at admission. As such, PHA policies related to the verification of income in Section 7-I.B. do not apply to EHV families at admission. Instead, applicants must submit an affidavit attesting to their reported income, assets, expenses, and other factors that would affect an income eligibility determination.

Additionally, applicants may provide third-party documentation that represents the applicant's income within the 60-day period prior to admission or voucher issuance but is not dated within 60 days of the PHA's request.

PHA Policy

Any documents used for verification must be the original (not photocopies) and dated within the 60-day period prior to admission. The documents must not be damaged, altered, or in any way illegible.

Printouts from webpages are considered original documents.

Any family self-certifications must be made in a format acceptable to the PHA and must be signed by the family member whose information or status is being verified.

The PHA will incorporate additional procedures to remind families of the obligation to provide true and complete information in accordance with Chapter 14. The PHA will address any material discrepancies (i.e., unreported income or a substantial difference in reported income) that may arise later. The PHA may, but is not required to, offer the family a repayment agreement in accordance with Chapter 16. If the family fails to repay the excess subsidy, the PHA will terminate the family's assistance in accordance with the policies in Chapter 12.

Recently Conducted Income Determinations

PHAs may accept income calculations and verifications from third-party providers or from an examination that the PHA conducted on behalf of the family for another subsidized housing program in lieu of conducting an initial examination of income as long as:

- The income was calculated in accordance with rules outlined at 24 CFR Part 5 and within the last six months; and
- The family certifies there has been no change in income or family composition in the interim.

PHA Policy

The PHA will accept income calculations and verifications from third-party providers provided they meet the criteria outlined above.

The family certification must be made in a format acceptable to the PHA and must be signed by all adult family members whose information or status is being verified.

At the time of the family's annual reexamination the PHA must conduct the annual reexamination of income as outlined at 24 CFR 982.516 and PHA policies in Chapter 11.

EIV Income Validation

Once HUD makes the EIV data available to PHAs under this waiver and alternative requirement, the PHA must:

- Review the EIV Income and Income Validation Tool (IVT) reports to confirm and validate family-reported income within 90 days of the PIC submission date;
- Print and maintain copies of the EIV Income and IVT Reports in the tenant file; and
- Resolve any income discrepancy with the family within 60 days of the EIV Income or IVT Report dates.

Prior to admission, PHAs must continue to use HUD's EIV system to search for all household members using the Existing Tenant Search in accordance with PHA policies in Chapter 3.

If a PHA later determines that an ineligible family received assistance, the PHA must take steps to terminate that family from the program in accordance with Chapter 12.

TPS-IV.E. SOCIAL SECURITY NUMBER AND CITIZENSHIP STATUS VERIFICATION

For the EHV program, the PHA is not required to obtain and verify SSN documentation and documentation evidencing eligible noncitizen status before admitting the family to the EHV program. Instead, PHAs may adopt policies to admit EHV applicants who are unable to provide the required SSN or citizenship documentation during the initial eligibility determination. As an alternative requirement, such individuals must provide the required documentation within 180 days of admission to be eligible for continued assistance, pending verification, unless the PHA provides an extension based on evidence from the family or confirmation from the CoC or other partnering agency that the family has made a good-faith effort to obtain the documentation.

If a PHA determines that an ineligible family received assistance, the PHA must take steps to terminate that family from the program.

PHA Policy

The PHA will admit EHV applicants who are unable to provide the required SSN or citizenship documentation during the initial eligibility determination. These individuals must provide the required documentation in accordance with policies in Chapter 7 within 180 days of admission. The PHA may provide an additional 60-day extension based on evidence from the family or confirmation from the CoC or other partnering agency that the family has made a good-faith effort to obtain the documentation.

If the PHA determines that an ineligible family received assistance, the PHA will take steps to terminate that family from the program in accordance with policies in Chapter 12.

TPS-IV.F. AGE AND DISABILITY VERIFICATION

PHAs may accept self-certification of date of birth and disability status if a higher level of verification is not immediately available. If self-certification is used, the PHA must obtain a higher level of verification within 90 days of admission or verify the information in EIV.

If a PHA determines that an ineligible family received assistance, the PHA must take steps to terminate that family from the program.

PHA Policy

The PHA will accept self-certification of date of birth and disability status if a higher form of verification is not immediately available. The certification must be made in a format acceptable to the PHA and must be signed by the family member whose information or status is being verified. If self-certification is accepted, within 90 days of admission, the PHA will verify the information in EIV or through other third-party verification if the information is not available in

EIV. The PHA will note the family's file that self-certification was used as initial verification and include an EIV printout or other third-party verification confirming the applicant's date of birth and/or disability status.

If the PHA determines that an ineligible family received assistance, the PHA will take steps to terminate that family from the program in accordance with policies in Chapter 12.

TPS-IV.G. INCOME TARGETING

The PHA must determine income eligibility for EHV families in accordance with 24 CFR 982.201 and PHA policy in Chapter 3; however, income targeting requirements do not apply for EHV families. The PHA may still choose to include the admission of extremely low-income EHV families in its income targeting numbers for the fiscal year in which these families are admitted.

PHA Policy

The PHA will not include the admission of extremely low-income EHV families in its income targeting numbers for the fiscal year in which these families are admitted.

PART V: HOUSING SEARCH AND LEASING

TPS-V.A. INITIAL VOUCHER TERM

Unlike the standard HCV program, which requires an initial voucher term of at least 60 days, EHV vouchers must have an initial search term of at least 120 days. PHA policies on extensions as outlined in Section 5-II.E. will apply.

PHA Policy

All EHV's will have an initial term of 120 calendar days.

The family must submit a Request for Tenancy Approval and proposed lease within the 120-day period unless the PHA grants an extension.

TPS-V.B. HOUSING SEARCH ASSISTANCE

The PHA must ensure housing search assistance is made available to EHV families during their initial housing search. The housing search assistance may be provided directly by the PHA or through the CoC or another partnering agency or entity.

At a minimum, housing search assistance must:

- Help individual families identify potentially available units during their housing search, including physically accessible units with features for family members with disabilities, as well as units in low-poverty neighborhoods;
- Provide transportation assistance and directions to potential units;
- Conduct owner outreach;
- Assist with the completion of rental applications and PHA forms; and
- Help expedite the EHV leasing process for the family

PHA Policy

As identified in the MOU between the PHA and CoC, the following housing search assistance will be provided to each EHV family:

The PHA will:

Conduct owner outreach in accordance with policies in Chapter 13

Provide directions to potential units as part of the EHV briefing packet

Expedite the EHV leasing process for the family to the extent practicable and in accordance with policies in this chapter

At least every 30 days, conduct proactive check-ins via email and telephone with families who are searching with an EHV and remind them of their voucher expiration date

Assign a dedicated landlord liaison for EHV voucher families

The CoC will:

Help families identify potentially available units during their housing search, including physically accessible units with features for family members with disabilities, as well as units in low-poverty neighborhoods

Provide transportation assistance to potential units

Assist the family with the completion of rental applications and PHA forms

TPS-V.C. HOS PRE-INSPECTIONS

To expedite the leasing process, PHAs may pre-inspect available units that EHV families may be interested in leasing in order to maintain a pool of eligible units.

PHA Policy

To expedite the leasing process, the PHA may pre-inspect available units that EHV families may be interested in leasing to maintain a pool of eligible units. If an EHV family selects a unit that passed a HQS pre-inspection (without intervening occupancy) within 45 days of the date of the Request for Tenancy Approval, the unit may be approved provided that it meets all other conditions under 24 CFR 982.305.

The family will be free to select his or her unit.

When a pre-inspected unit is not selected, the PHA will make every effort to fast-track the inspection process, including adjusting the normal inspection schedule for any required reinspection.

TPS-V.D. INITIAL LEASE TERM

Unlike in the standard the HCV program, EHV voucher holders may enter into an initial lease that is for less than 12 months, regardless of the PHA policy in Section 9-I.E., Term of Assisted Tenancy.

TPS-V.E. PORTABILITY

The normal HCV portability procedures and requirements outlined in Chapter 10 generally apply to EHV's. Exceptions are addressed below.

Nonresident Applicants

Under EHV, applicant families may move under portability even if the family did not have legal residency in the jurisdiction of the initial PHA when they applied, regardless of PHA policy in Section 10-II.B.

Billing and Absorption

A receiving PHA cannot refuse to assist an incoming EHV family, regardless of whether the PHA administers EHV's under its own ACC.

- If the EHV family moves under portability to another PHA that administers EHV's under its own ACC:
 - The receiving PHA may only absorb the incoming EHV family with an EHV (assuming it has an EHV voucher available to do so).
 - If the PHA does not have an EHV available to absorb the family, it must bill the initial PHA. The receiving PHA must allow the family to lease the unit with EHV assistance and may not absorb the family with a regular HCV when the family leases the unit.
 - Regardless of whether the receiving PHA absorbs or bills the initial PHA for the family's EHV assistance, the EHV administration of the voucher is in accordance with the receiving PHA's EHV policies.
- If the EHV family moves under portability to another PHA that does not administer EHV under its own ACC, the receiving PHA may absorb the family into its regular HCV program or may bill the initial PHA.

Family Briefing

In addition to the applicable family briefing requirements at 24 CFR 982.301(a)(2) as to how portability works and how portability may affect the family's assistance, the initial PHA must inform the family how portability may impact the special EHV services and assistance that may be available to the family.

The initial PHA is required to help facilitate the family's portability move to the receiving PHA and inform the family of this requirement in writing, taking reasonable steps to ensure meaningful access for persons with limited English proficiency (LEP).

PHA Policy

In addition to following PHA policy on briefings in Chapter 5, as part of the briefing packet for EHV families, the PHA will include a written notice that the PHA will assist the family with moves under portability.

For limited English proficient (LEP) applicants, the PHA will provide interpretation services in accordance with the PHA's LEP plan (See Chapter 2).

Coordination of Services

If the portability move is in connection with the EHV family's initial lease-up, the receiving PHA and the initial PHA must consult and coordinate on the EHV services and assistance that will be made available to the family.

PHA Policy

For EHV families who are exercising portability, when the PHA contacts the receiving PHA in accordance with Section 10-II.B. Preapproval Contact with Receiving PHA, the PHA will consult and coordinate with the receiving PHA to ensure there is no duplication of EHV services and assistance, and ensure the receiving PHA is aware of the maximum amount of services fee funding that the initial PHA may provide to the receiving PHA on behalf of the family.

Services Fee

Standard portability billing arrangements apply for HAP and ongoing administrative fees for EHV families.

For service fees funding, the amount of the service fee provided by the initial PHA may not exceed the lesser of the actual cost of the services and assistance provided to the family by the receiving PHA or \$1,750, unless the initial PHA and receiving PHA mutually agree to change the \$1,750 cap. Service fees are paid as follows:

- If the receiving PHA, in consultation and coordination with the initial PHA, will provide eligible services or assistance to the incoming EHV family, the receiving PHA may be compensated for those costs by the initial PHA, regardless of whether the receiving PHA bills or absorbs.
- If the receiving PHA administers EHV's, the receiving PHA may use its own services fee and may be reimbursed by the initial PHA, or the initial PHA may provide the services funding upfront to the receiving PHA for those fees and assistance.
- If the receiving PHA does not administer EHV's, the initial PHA must provide the services funding upfront to the receiving PHA. Any amounts provided to the receiving PHA that are not used for services or assistance on behalf of the EHV family must promptly be returned by the receiving PHA to the initial PHA.

Placement Fee/Issuance Reporting Fee

If the portability lease-up qualifies for the placement fee/issuance reporting fee, the receiving PHA receives the full amount of the placement component of the placement fee/issuing reporting fee. The receiving PHA is eligible for the placement fee regardless of whether the receiving PHA bills the initial PHA or absorbs the family into its own program at initial lease-up. The initial PHA qualifies for the issuance reporting component of the placement fee/issuance reporting fee, as applicable.

TPS-V.F. PAYMENT STANDARDS

Payment Standard Schedule

For the EHV program, HUD has waived the regulation requiring a single payment standard for each unit size. Instead, the PHA may, but is not required to, establish separate higher payment standards for EHV. Lower EHV payment standards are not permitted. If the PHA is increasing the regular HCV payment standard, the PHA must also increase the EHV payment standard if it would be otherwise lower than the new regular HCV payment standard. The separate EHV payment standard must comply with all other HCV requirements with the exception of the alternative requirements discussed below.

Further, if the PHA chooses to establish higher payments standards for EHV, HUD has provided other regulatory waivers:

- Defining the “basic range” for payment standards as between 90 and 120 percent of the published Fair Market Rent (FMR) for the unit size (rather than 90 to 110 percent).
- Allowing a PHA that is not in a designated Small Area FMR (SAFMR) area or has not opted to voluntarily implement SAFMRs to establish exception payment standards for a ZIP code area above the basic range for the metropolitan FMR based on the HUD published SAFMRs. The PHA may establish an exception payment standard up to 120 percent (as opposed to 110 percent) of the HUD published Small Area FMR for that ZIP code area. The exception payment standard must apply to the entire ZIP code area.
 - The PHA must notify HUD if it establishes an EHV exception payment standard based on the SAFMR.

PHA Policy

The PHA will not establish a higher payment standard amount for EHV. The PHA will use the same payment standards for HCV and EHV.

Rent Reasonableness

All rent reasonableness requirements apply to EHV units, regardless of whether the PHA has established an alternative or exception EHV payment standard.

Increases in Payment Standards

The requirement that the PHA apply increased payment standards at the family’s first regular recertification on or after the effective date of the increase does not apply to EHV. The PHA may, but is not required to, establish an alternative policy on when to apply the increased payment standard, provided the increased payment standard is used to calculate the HAP no later than the effective date of the family’s first regular reexamination following the change.

PHA Policy

The PHA will not establish an alternative policy for increases in the payment standard. PHA policy in Section 11-III.B. governing increases in payment standards will apply to EHV.

TPS-V.G. TERMINATION OF VOUCHERS

After September 30, 2023, a PHA may not reissue EHV when assistance for an EHV-assisted family ends. This means that when an EHV participant (a family that is receiving rental assistance under a HAP contract) leaves the program for any reason, the PHA may not reissue that EHV to another family unless it does so no later than September 30, 2023.

If an applicant family that was issued the EHV is unsuccessful in finding a unit and the EHV expires after September 30, 2023, the EHV may not be reissued to another family.

All EHV under lease on or after October 1, 2023, may not under any circumstances be reissued to another family when the participant leaves the program for any reason.

An EHV that has never been issued to a family may be initially issued and leased after September 30, 2023, since this prohibition only applies to EHV's that are being reissued upon turnover after assistance to a family has ended. However, HUD may direct PHAs administering EHV's to cease leasing any unleased EHV's if such action is determined necessary by HUD to ensure there will be sufficient funding available to continue to cover the HAP needs of currently assisted EHV families.

PART VI: USE OF FUNDS, REPORTING, AND FINANCIAL RECORDS

EHV funds allocated to the PHA for HAP (both funding for the initial allocation and HAP renewal funding) may only be used for eligible EHV HAP purposes. EHV HAP funding obligated to the PHA may not be used for EHV administrative expenses or the other EHV eligible expenses under this notice. Likewise, EHV administrative fees and funding obligated to the PHA are to be used for those purposes and must not be used for HAP.

The appropriated funds for EHV are separate from the regular HCV program and may not be used for the regular HCV program but may only be expended for EHV eligible purposes. EHV HAP funds may not roll into the regular HCV restricted net position (RNP) and must be tracked and accounted for separately as EHV RNP. EHV administrative fees and funding for other eligible expenses permitted by Notice PIH 2021-15 may only be used in support of the EHV and cannot be used for regular HCVs.

EHV funding may not be used for the repayment of debts or any amounts owed to HUD by HUD program participants including, but not limited to, those resulting from Office of Inspector General (OIG), Quality Assurance Division (QAD), or other monitoring review findings.

The PHA must comply with EHV reporting requirements in the Voucher Management System (VMS) and Financial Data Schedule (FDS) as outlined in Notice PIH 2021-15.

The PHA must maintain complete and accurate accounts and other records for the program and provide HUD and the Comptroller General of the United States full and free access to all accounts and records that are pertinent the administration of the EHV in accordance with the HCV program requirements at 24 CFR 982.158.

HOMELESS PREFERENCE (Limited)

In order to help to end homelessness in our community, the PHA has established a **limited homeless preference** for 225 housing choice vouchers. In accordance with HUD PIH Notice 2013-15, this preference is specifically for eligible people experiencing homelessness who are referred by a qualifying homeless organization (see below). This addendum is intended to address those areas of program administration that may be handled differently than they are for regular vouchers. The changes or exceptions discoursed in this addendum apply only to the homeless preference.

A. QUALIFYING AGENCY

Referrals are accepted only from qualifying agencies for several reasons: To ensure that clients receive the supportive services they require, to improve their ability to locate suitable housing, and to increase the likelihood that the client will be successful in their transition to permanent housing; and to ensure that units are made available to persons who are truly homeless. The qualifying agencies take on the responsibility of interviewing applicants relative to their housing situation and then verifying for the housing agency the applicants' homelessness.

Qualifying agencies are those agencies that provide emergency shelter and/or outreach services within the Town of Amherst Consortium and the agency that manages the Continuum of Care(COC): Homeless Alliance of WNY(HAWNY). All referrals form the listed qualified agencies must be submitted to PHA via the local COC/HAWNY. The agencies currently approved as qualifying agencies are listed in Appendix A; agencies will be added and deleted as appropriate.

B. WAITING LIST MANAGEMENT

The PHA will coordinate with the local COC- Coordinated Entry to receive referrals for homeless limited preference as vouchers are available.

Once the PHA is serving the maximum number (225) of families under this limited preference, and one family leaves the program, the PHA notifies the COC-Coordinated Entry when homeless vouchers become available. The select agencies then refer an equal number of qualified families to the PHA for income eligibility determination.

Homeless persons who contact the housing agency in hopes of receiving a voucher are referred to the COC-Coordinated Entry.

C. APPLICANT ELIGIBILITY & SELECTION

Homeless Determination

To qualify for assistance under this preference, applicants must be homeless at the time of referral to the PHA as determined and verified by the local COC.

Income Determination

Upon receipt of a referral, the PHA contacts the applicant, has them complete an application, and then gathers information and verification of household composition and income. Eligible applicants' income may not exceed the Section 8 very low-income limit for their family size.

Program Eligibility Determination

Applicants who are determined to be homeless and income-eligible are notified of their selection for the homeless program and directed to attend an orientation, during which they will receive their housing choice voucher.

Once issued a voucher the family has up to 120 days to locate suitable housing. Should the family fail to meet this deadline, the voucher expires, unless the participant requests and receives a reasonable accommodation, and the family must reapply through the regular waitlist. They may not immediately receive another homeless voucher as they have already been given a chance for admission through this preference.

MODERATE REHABILITATION PROGRAM

The PHA administers the Moderate Rehabilitation Program (MRP) in accordance with 24 CFR 882, Parts D & E, and this Administrative Plan. Many of the policies and procedures for this program are the same as those that apply to the voucher program. Those that are different from the voucher program are described in this Addendum.

A. TENANT OUTREACH

Experience indicates that families who have applied for tenant-based assistance do not tend to be interested in relocating to units assisted through the Moderate Rehabilitation Program (MRP). It seems they prefer to wait for a voucher that they can use in the unit of their choice. For this reason past efforts to refer waiting list applicants to owners seeking tenants for their MRP units, have been rather fruitless. Rather than notify specific Section 8 applicants of MRP opportunities, the PHA notifies and solicits prospective tenants for MRP units through the following means:

1. A list of MRP vacancies (which is updated once each week) is offered to anyone who visits the PHA's office to seek housing assistance. A large number of eventual MRP tenants come to the program through this means; they accept the referral to MRP vacancies primarily because they face such a long wait for tenant-based rental assistance.
2. Staff take hundreds of phone calls each week from people in need of housing assistance; some are on the waiting list for tenant-based assistance and some are not. Staff explain the MRP to most every caller and offer to run down the current list of vacancies. Callers can also check the MRP vacancies without the counselor's assistance by accessing an automated voice-mailbox that contains a recorded list of vacancies, or by visiting Belmont's website.
3. The PHA responds to each eligible applicant for tenant-based assistance (when the waiting list is open to new applicants) with a Waiting List Placement Letter which reminds the applicant about the MRP option. The letter invites interested parties to contact staff for more information and a list of current vacancies.

If the PHA is unable to refer a sufficient number of interested applicants to the owner within 30 days of the owner's notification of the vacancy, the owner may advertise or solicit applications from very low income families and refer such families to the PHA to determine eligibility.

B. TENANT BRIEFING

Prior to receiving assistance in a MR unit, an adult member of the household must attend a tenant briefing. These group orientations are usually held in Belmont's main office, last about an hour and a half, and cover such topics as total tenant payment, schedule of allowances for utilities, family responsibilities under the lease, fair housing laws, differences between tenant-based and project-based assistance programs, hazards of lead based paints, and family's options should they be required to move due to a change in household size.

C. STATEMENT OF FAMILY RESPONSIBILITY

In the tenant-based assistance programs, the participant executes a voucher which, among other things, lists the family's obligations under the program. In the MRP, the tenant executes a HUD-prescribed form called the Statement of Family Responsibility which lists family obligations.

D. INSPECTIONS

Annual Inspections

Every MR unit receives an annual inspection (by project), usually between October and April. The PHA adopted this schedule because of the availability of inspectors during the less-busy months, and because it allows for the inspection of the entire project at one time.

If the owner fails to make required repairs within 30 days, HAP is abated beginning the first of the month following the repair due date. If the abatement continues into a second month, the owner will receive notice that the unit will be removed from the Mod-Rehab Contract if the abatement is still in effect at the end of the second month. The tenant in place when the Contract is reduced, will be issued a tenant-based voucher.

Move-Out/Original Inspections

In the MRP, move-out inspections are required as they become the basis for the move-in or original inspection. Upon notification from the owner that a unit has been vacated, the PHA conducts a move-out inspection that identifies all repairs that must be made before the next tenant can be assisted in that unit. The owner is given 30 days to make any required repairs. When the unit passes its reinspection, the inspection report becomes the original inspection report for the new tenant.

If the owner fails to make required repairs within 30 days, the unit is not available for occupancy by another family. Furthermore, the owner is not eligible to receive a vacancy payment because the unit is not ready for occupancy. If a unit is vacant for six (6) months, the owner will receive notice that the unit is removed from the Mod-Rehab Contract. Since there is no tenant in the unit at the point the Contract is reduced, the replacement voucher will go to the next person on the waiting list.

E. OVERCROWDED AND UNDER-OCCUPIED UNITS

If the PHA determines that a unit is not decent, safe, and sanitary because of an increase in family size, or that the unit is larger than appropriate for the size of the family in occupancy, the family may be required to move. The property owner will be required to offer the family the next available appropriate size unit in the project. If there is no such unit in the project, the family will be required to move to some other unit before the next annual recertification. The PHA will make every effort to help the family locate suitable, affordable housing within the locality. However, the PHA is under no obligation to provide tenant-based assistance to a family in this situation.

F. TOTAL TENANT PAYMENT (TTP) EXCEEDS GROSS RENT

If and when a family's TTP exceeds the gross rent, rental assistance payments cease and the family pays the full rent to the owner. The family may continue to reside in the unit so long as they continue to comply with program regulations. The HAP Contract remains in effect; the owner may request annual increases in rent, the family is offered the opportunity for interim reexaminations, the PHA inspects the unit annually, and the owner is required to maintain the unit to federal NSPIRE standards. The owner may not increase the rent during the term of the Contract without the approval of the PHA.

G. CONTRACT RENTS AT END OF REHABILITATION LOAN TERM

When the initial contract is established based upon total rehabilitation costs of less than \$15,000 and a loan term shorter than 15 years, the contract rent must be reduced at the end of the rehabilitation loan term, in accordance with Section 1.6(b) of the HAP Contract.

There have been cases where this required reduction caused rents to fall well below the applicable market rent, resulting in the owner refusing to rent the unit to an eligible family for the reduced rent and thereby defaulting under the Contract. It became necessary for the PHA to establish a policy and procedure to handle these rent reduction situations; specifically, to determine under what circumstances the owner might be justified in refusing to accept the reduced rent (Contract default).

The PHA's method for determining when an owner is justified in refusing to accept the reduced rent is to:

1. Conduct a rent reasonableness/comparability test on the unit;
2. Based on the test findings, determine maximum allowable rent for the unit, assuming the unit was assisted under the Voucher Program.
3. Compare the reduced rent to the maximum allowable rent.
4. If the reduced rent is well below the maximum allowable rent, the PHA may determine that the owner has good cause to end participation in the MRP and will not penalize the owner by barring him/her or the unit from future participation in Section 8 programs.

5. If the reduced rent is equal to or greater than the maximum allowable rent, the PHA determines that the owner does not have good cause and may prohibit the owner and/or the unit from future participation in Section 8 programs, if he/she terminates participation in the MRP.

H. HAP CONTRACT REDUCTION, TERMINATION OR EXPIRATION

In the event that a HAP Contract expires or is reduced or terminated, the family in place will be offered a voucher to assist them should they decide to relocate. If the unit is vacant when the Contract ends, or the in-place tenant chooses to remain in the unit without assistance, the remaining funding authority will be transferred to the voucher program.

Moderate Rehabilitation HAP Contract expirations/extensions are handled in accordance with HUD Notice PIH 98-62 and PIH 99-22.

I. RECEIPT OF TENANT BASED ASSISTANCE

A family being assisted through the Moderate Rehabilitation Program may also have an application on the tenant-based assistance waiting list. In order to make use of the voucher, if and when they are selected and determined eligible, the family would have to move from the mod rehab unit

I. Introduction

This document constitutes the Family Self Sufficiency (FSS) Program Action Plan for the FSS program operated by *Belmont Housing Resources for WNY, Inc. for the Erie County PHA Consortium (For purposes of this document, the PHA will be referred to as Belmont here on out)*. It was submitted to HUD on *September 28, 2022*.

Founded in 1977, Belmont Housing Resources for WNY, Inc. is the leading advocate for quality affordable housing in Western New York, providing services to over 13,000 households annually. In addition to Housing Choice Voucher program administration, Belmont's services include: housing development, restoration, property management; consulting with municipalities and other non-profits; financial education; and HUD certified housing counseling.

The purpose of the FSS Program is to promote the development of local strategies to coordinate the use of HUD assistance with public and private resources in order to enable eligible families to make progress toward economic security.

The purpose of the FSS Action Plan is to establish policies and procedures for carrying out the FSS program in a manner consistent with HUD requirements and local objectives.

This FSS Action Plan describes Belmont's local policies for operation of the FSS program in the context of federal laws and regulations. The FSS program will be operated in accordance with applicable laws, regulations, notices and HUD handbooks. The policies in this FSS Action Plan have been designed to ensure compliance with all approved applications for HUD FSS funding.

The FSS program and the functions and responsibilities of PHA staff are consistent with Belmont's personnel policy and Agency Plan.

III.C. Estimate of Participating Families

Over time, Belmont hopes to serve all families who are interested in participating in the FSS Program. The number of spaces available in the program at any given time, however, will be limited by the program's resources, including the number of FSS coordinators funded to work with FSS participants. New families will be admitted to the FSS program as space permits.

In recent years, Belmont has been funded for three coordinators. The minimum number of participants required to be served based on this funding is 125.

Historically, Belmont's FSS program has enrolled, on average, 35 new families into the FSS program each year. Accordingly, Belmont expects to be able to provide FSS Services to 300 families over a five-year period.

III.D. Other Self-Sufficiency programs

Belmont expects to enroll into FSS families from the self-sufficiency programs checked in the table below.

Name of Program	Number of Families each year
Family Unification Program — Family	5
Family Unification Program – Youth (FUP-Y)	4
Veterans Affairs Supportive Housing (VASH)	2

IV. Family Selection Procedures

A. Waiting List

Although it has not been needed, a waiting list will be maintained for families whose applications cannot be accepted at the time of initial application due to program capacity limits. The waiting list will include the name and contact information for the head of household of the applicant family and the date of their application.

B. Admissions Preferences

The FSS program has not adopted any admissions preferences. Families will be selected based on the following selection method:

- The date the family expressed an interest in participating in the FSS program

C. Screening for motivation.

Belmont will use one or more motivational screening factors to measure the family's interest and motivation to participate in the FSS program. The following screening criteria will be used:

The family member expected to be designated as the FSS Head of Household will be required to complete all Intake documents needed for enrollment.

D. Compliance with nondiscrimination policies

It is the policy of Belmont to comply with all Federal, State, and local nondiscrimination laws and regulations, including but not limited to the Fair Housing Act, the Americans with Disabilities Act, and Section 504 of the Rehabilitation Act of 1973. No person shall be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under the FSS program on the grounds of race, color, sex, religion, national or ethnic origin, family status, source of income, disability or perceived gender identity and sexual orientation. In addition, Belmont's FSS staff will, upon request, provide reasonable accommodation to persons with disabilities to ensure they are able to take advantage of the services provided by the FSS program (see Requests for Reasonable Accommodations).

The FSS program staff has the primary responsibility to make sure that participants are not discriminated against in the selection process. For families or individuals whose potential enrollment is in question, the FSS coordinators will review the file in the staff review meeting to ensure that non-selection is not based on discriminatory factors before the final decision is made. Applicants will be notified in writing of the reason(s) they were not selected for participation and will have the opportunity to appeal the decision (see Hearing Procedures). At all times, Belmont will select families for participation in the FSS program in accordance with FSS Regulations and HUD guidelines.

E. Re-enrollment of prior FSS participants

The following previous FSS families will be allowed to re-enroll in Belmont's FSS program:

- FSS program graduates, after one year from graduation
- FSS participants who have withdrawn voluntarily
- Families terminated with escrow disbursement
- Families involuntarily terminated
- Family members who were not Heads of FSS Family previously

The following conditions apply to re-enrollment: The participant must have goals they want to accomplish that were not included or able to be accomplished in a previous Individual Training and Service Plan.

F. Head of FSS Family

The head of the FSS family is designated by the participating family. Belmont may make itself available to consult with families on this decision but it is the assisted household that chooses the head of FSS family that is most suitable for their individual household circumstances. The designation of, or any changes by the household to the Head of FSS Family, which can be done at any time during the CoP term, must be submitted to Belmont in:

- A form developed by Belmont

This form is not applicable in the FUP Youth Demonstration.

V. Outreach

Belmont will conduct widespread outreach to encourage enrollment in the FSS program. Outreach efforts will include the activities identified through the checked boxes below. Interpreters will be used as needed and clients may contact staff to express interest in person, via our toll-free telephone number or by email.

Outreach Methods	Details, including frequency
Posting information about FSS on Belmont's website	Ongoing through a stand-alone page.
Posting FSS program flyers in locations likely to be seen by eligible families	Ongoing through brochures located in our main office Resource Center.
Providing information about the FSS program at voucher orientation sessions	Ongoing through brochures placed in orientation folders and an FSS presentation during the orientation sessions.
Providing information about the FSS program to eligible families by mail	Ongoing by letters and brochures going out to New Admission families at the time of being housed.
Facebook	Ongoing

Outreach informational material about the FSS Program will include information about:

- Program overview
- Program benefits
- Available resources
- Participant responsibilities
- Program outcomes

Outreach efforts will be targeted equally to all families, using materials in both English and other commonly spoken languages to ensure that non-English and limited English-speaking families receive information and have the opportunity to participate in the FSS Program. In conducting outreach, Belmont will account for the needs of people with disabilities, including persons with impaired vision, hearing or mobility, and provide effective communications to ensure that all eligible who wish to participate are able to do so.

VI. FSS Escrow Account and Other Incentives for Participants

FSS participants will be eligible to build savings from the FSS escrow account. Key policies and procedures applicable to the FSS escrow account, as well as any additional incentives offered by Belmont, are described on the next page.

A. Additional Incentives

Belmont's FSS program provides the following incentives to FSS participants in addition to the FSS escrow account: A 'welcome' gift upon completing and signing the required Enrollment documents, which includes but is not limited to the Individual Training and Service Plan and the Contract of Participation.

B. Interim Disbursements

Families may request an interim disbursement from the escrow account once the FSS family has fulfilled at least one action step, in order to pay for specific goods or services that will help the family make progress toward achieving the goals in its Individual Training and Services Plan (ITSP). Requests must be made in writing and must be submitted prior to the use of any escrow is determined. Requests may be made throughout the term of the Contract of Participation. A determination of whether the family qualifies for the requested interim disbursement will be made on a case-by-case basis by the FSS Coordinator and Housing Programs Manager for Belmont. The FSS coordinator will first explore options of other funding and service providers, which must be exhausted before a request for an interim disbursement will be approved.

Examples of potentially eligible activities include, but are not limited to:

C. Uses of forfeited escrow funds.

Treatment of forfeited FSS escrow account funds. FSS escrow account funds forfeited by the FSS family (if any) will be used to support the ITSP goals of the FSS participants in good standing. Upon written request from a family, the FSS Coordinator and Housing Program Manager Belmont will consider the available funds and make a determination.

Belmont may also initiate a request for the use of forfeited escrow funds.

At the discretion of the FSS Coordinator team, forfeited escrow funds may be considered in lieu of an interim escrow disbursement.

Families will be eligible for the use of up to a total of \$500 of forfeited escrow funds throughout the term of their Contract of Participation, if funds are available.

Forfeited FSS escrow funds may be deployed: Any time during the term of a household's CoP.

VII. Family Activities and Supportive Services

VIII. Method of Identifying Family Support Needs and Delivering Appropriate Support Services

A. Identifying Family Support Needs

To help determine the supportive services needs of each family, the FSS coordinator will work with the family to complete an initial informal needs assessment for that family before completion of the initial Individual Training Service Plan (ITSP) and signing of the Contract of Participation. After enrollment in the FSS program, the FSS coordinator may make referrals to partner agencies for completion of one or more formal needs assessments. These assessments may focus on such issues as: employment readiness and employment training needs, educational needs related to secondary and post-secondary education, financial health, and other topics, depending on the needs and interests of the family.

The formal assessments may lead to adjustments to the Individual Training Service Plan, if requested by the family.

B. Delivering Appropriate Support Services

Coaching: All families who participate in the FSS program will be assigned an FSS coordinator who will provide coaching services to help each participating family to:

- Understand the benefits of participating in the FSS program and how the program can help the family achieve its goals.
- Identify achievable, but challenging interim and final goals for participation in the FSS program, break down the goals into achievable steps and accompany the family through the process.
- Identify existing family strengths and skills.
- Understand the needs that the family has for services and supports that may help the family make progress toward their goals.
- Access services available in the community through referral to appropriate service providers.
- Overcome obstacles in the way of achieving a family's goals.

Provision of Coaching Services: After the initial assessment and enrollment, the FSS Coordinator will have regular communication with the family to conduct needs assessments and review progress made toward meeting the goals on the ITSP.

- Contact will be made with the family a minimum of once during every year of the CoP for a review of their progress towards self-sufficiency. The FSS Coordinator will review the ITSP and make updates in

coordination with the family as necessary. Both parties must sign and date the modified ITSP. The FSS Coordinator will complete a written summary assessing the progress, current and potential obstacles, and resources needed at that time.

- All families will also be contacted quarterly to review their ITSP, any supports needed, set goals and adjust the ITSP for the next quarter. These quarterly contacts may be conducted by whichever method is best for the family.
- More frequent meetings may be scheduled to meet the individual needs of the family.

C. Transitional supportive service assistance.

Families that have completed their CoP and remain in assisted housing may request assistance with referrals to service providers in order to continue their progress toward economic security. Subject to limitations on staff capacity, Belmont will try to help these families with appropriate referrals. The time spent on these referrals will not be covered by funds designated by HUD to support the FSS program.

IX. Contract of Participation

All families enrolled in the FSS program will be required to sign a Contract of Participation (CoP) that includes an Individual Training and Services Plan (ITSP). This section describes the contents of the CoP and Belmont's policies and practices regarding the CoP.

A. Form and content of contract

The CoP, which will incorporate one ITSP for each participating member of the family, sets forth the principal terms and conditions governing participation in the FSS program. These include the rights and responsibilities of the FSS family and of Belmont, the services to be provided to, and the activities to be completed by, each adult member of the FSS family who elects to participate in the program.

B. ITSP goals

Each individual's ITSP will establish specific interim and final goals by which Belmont and the family will measure the family's progress towards fulfilling its obligations under the CoP. For any FSS family that is a recipient of welfare assistance at the outset of the CoP or that receives welfare assistance while in the FSS program, Belmont will establish as a final goal that every member of the family become independent from welfare assistance before the expiration of the CoP. The ITSP of the head of FSS family will also include as a final goal that they seek and maintain suitable employment. The FSS coordinator will work with each participating individual to identify additional ITSP goals that are relevant, feasible and desirable. Any such additional goals will be realistic and individualized.

C. Determination of suitable employment

As defined in the FSS regulations (24 CFR 984.303(4)(iii)), a determination of what constitutes “suitable employment” for each family member with a goal of seeking and maintaining it will be made by Belmont, with the agreement of the affected participant, based on the skills, education, job training and receipt of other benefits of the family member and based on the available job opportunities within the community.

D. Contract of Participation term and extensions

The CoP will go into effect on the first day of the month following the execution of the CoP. The initial term of the CoP will run the effective date through the five-year anniversary of the first reexamination of income that follows the execution date. Families may request up to two one-year extensions and are required to submit a written request that documents the need for the extension. Belmont will grant the extension if it finds that good cause exists to do so. In this context, good cause means:

- (i) Circumstances beyond the control of the FSS family, as determined by Belmont, such as a serious illness or involuntary loss of employment;
- (ii) Active pursuit of a current or additional goal that will result in furtherance of self-sufficiency during the period of the extension (e.g. completion of a college degree during which the participant is unemployed or under-employed, credit repair towards being homeownership ready, etc.) as determined by Belmont, or
- (iii) Any other circumstances that Belmont determines warrants an extension as agreed upon by the review team.

E. Completion of the contract

The CoP is completed, and a family’s participation in the FSS program is concluded when the FSS family has fulfilled all its obligations under the CoP, including all family members’ ITSPs, on or before the expiration of the contract term. The family must provide appropriate documentation that each of the ITSP goals has been completed. Belmont will accept the following form of verification for completion of the ITSP goals:

Belmont will require a combination of self-certification and third-party verification to document completion of ITSP goals.

F. Modification

Belmont and the FSS family may mutually agree to modify the CoP with respect to the ITSP and/or the contract term, and/or designation of the head of FSS household. All modifications must be in writing and signed by Belmont as well as the Head of FSS Family.

Belmont will allow for modifications to the CoP under the following circumstances:

- When the modifications to the ITSP improve the participant’s ability to complete their obligations in the CoP or progress toward economic self-sufficiency

- When the designated head of the FSS family ceases to reside with other family members in the assisted unit, and the remaining family members, after consultation with Belmont, designate another family member to be the FSS head of family
- When a relocating family is entering the FSS program of a receiving **PHA** and the start date of the CoP must be changed to reflect the date the new CoP is signed with the receiving **PHA**

Belmont will allow modifications at any time during the term of the CoP.

G. Consequences of noncompliance with the contract

Participant non-compliance with the CoP may result in termination from the FSS program. See policies on Involuntary Termination in Section X(A).

X. Program Termination, Withholding of Services, and Available Grievance Procedures

A. Involuntary Termination

Belmont may involuntarily terminate a family from FSS under the following circumstances:

- I. If the participant fails to meet their obligations under the Contract of Participation, the Individual Training and Services Plan and related documentation. Non-compliance includes:
 - i. Missing scheduled meetings, failure to return phone calls, and/or maintain contact after written notification of non-compliance
 - ii. Failure to work on activities and/or goals set forth in the Individual Training and Services Plan, including employment activities; and/or
- II. If the participant's housing assistance has been terminated.

Participants who fail to meet their obligations under paragraph I above, as determined by an FSS Coordinator, will be given the opportunity to attend a meeting with the FSS Coordinator or assigned Belmont representative to review the situation. At this meeting, a review of the Contract of Participation, Individual Training and Services Plan, and all related documentation will be conducted, and amendments will be made as necessary (within HUD guidelines) to allow for changes in circumstances. Failure to contact the FSS Coordinator to schedule this meeting within fourteen (14) days of a written request by the FSS program to set up this a meeting or failure by the FSS Head of Household to attend this meeting without some type of correspondence to clarify the issue(s), may lead to termination from the program. The FSS Coordinator will also attempt to contact the participant via phone, text, in person and/or email prior to the review meeting. Participants who remain out of compliance after this meeting will be subject to termination from the FSS program.

If a meeting is not requested by the family within the required period, notification of termination will be made to the family by letter stating:

1. The specific facts and reasons for termination;
2. A statement informing the family of their right to request an informal hearing and the date by which this request must be received (see *Grievance Procedures*);
3. A statement informing the family that termination from the FSS program for the reasons stated therein will not result in termination of the family's housing assistance. Failure to request a hearing in writing by the deadline will result in closure of the family's FSS file and all rights to a hearing will be waived. All escrow money held on the family's behalf will be forfeited in accordance with HUD regulations. Housing assistance will not be terminated based on non-compliance with the FSS program. The current amount of escrow in the family's escrow account will be included in the letter.

B. Voluntary Termination

Participants may also be terminated from the FSS program under the following circumstances:

- Mutual consent of both parties; and/or
- The family's withdrawal from the program.

C. Termination with Escrow Disbursement

In most cases, families whose FSS contracts are terminated will not be entitled to disbursement of their accrued FSS escrowed funds. However, the CoP will be terminated with FSS disbursement when one of the following situations occurs:

- (i) Services that Belmont and the FSS family have agreed are integral to the FSS family's advancement towards self-sufficiency are unavailable.
- (ii) The head of the FSS family becomes permanently disabled and unable to work during the period of the contract, unless Belmont and the FSS family determine that it is possible to modify the contract to designate a new head of the FSS family.
- (iii) An FSS family in good standing moves outside the jurisdiction of the PHA (in accordance with portability requirements at 24 CFR §982.353) for good cause, as determined by the PHA, and continuation of the CoP after the move, or completion of the CoP prior to the move, is not possible.

D. Grievance Procedures

All requests for an informal hearing must be received by Belmont's FSS Coordinator within fourteen (14) days of the date of the FSS termination letter. If a hearing is requested by the FSS family, notification to the family regarding the date, time, and location of the informal hearing will be made by mail.

Persons included in the informal hearing shall include, but not be limited to:

- The FSS head of household;
- The FSS Coordinator; and

- A Housing Program Manager or any Officer of Belmont, serving as the Hearing Officer

All participants have the right to obtain legal representation and provide their witnesses.

The family may request to reschedule a hearing for good cause, or if it is needed as reasonable accommodation for a person with disabilities. Good cause is defined as an unavoidable conflict which seriously affects the health, safety, or welfare of the family.

If the family does not appear at the scheduled time, and did not make arrangements in advance, the family forfeits its right to a hearing and the PHA's decision stands.

Belmont's PHA Plan details Belmont's Grievance Procedures (See Chapter 19, Section D Informal Hearing Procedures).

XI. Assurance of Non-Interference

Participation in the FSS Program is voluntary. A family's decision on whether to participate in FSS will have no bearing on the Belmont's decision of whether to admit the family into the Housing Choice Voucher program. The family's housing assistance will not be terminated based on whether they decide to participate in FSS, their successful completion of the CoP, or on their failure to comply with FSS program requirements.

Belmont will ensure that the voluntary nature of FSS program participation is clearly stated in all FSS outreach and recruitment efforts.

XII. Timetable

Belmont implemented its FSS program in 1994 and will continue to implement it per this FSS Action Plan.

XIII. Reasonable Accommodations, Effective Communications and Limited English Proficiency Requirements

Requests for Reasonable Accommodations

A person with disabilities may request reasonable accommodations to facilitate participation in the FSS program. Requests will be considered on a case-by-case basis.

Requests should be made initially to the FSS coordinator. If a family is not satisfied with the FSS Coordinator's response, the family may submit a request in writing in accordance with the agency's reasonable accommodations policy. The policy is available online at https://www.belmonthousingwny.org/wp-content/uploads/2022/03/Erie_Full_Admin_Plan_3.2022.pdf, Chapter 1.

Request for Effective Communications

A person with disabilities may request the use of effective communication strategies in order to facilitate participation in the FSS program. Examples include: interpreters, accessible electronic communications and websites, documents in alternative formats (e.g., Braille, large print), or assistance in reading or completing a form, etc.

Requests should be made initially to the FSS coordinator. If a family is not satisfied with the FSS Coordinator's response, the family may submit a request in writing in accordance with the agency's effective communications policy. The policy is available online at https://www.belmonthousingwny.org/wp-content/uploads/2022/03/Erie_Full_Admin_Plan_3.2022.pdf, Chapter 1.

Limited English Proficiency

Belmont will comply with HUD requirements to conduct oral and written communication related to the FSS program in languages that are understandable to people with Limited English Proficiency. For more information, see the Limited English Proficiency policy available online at https://www.belmonthousingwny.org/wp-content/uploads/2022/03/Erie_Full_Admin_Plan_3.2022.pdf, Chapter 1.

XIV. Coordination of Services

A. Certification of Coordination

Development of the services and activities under the FSS program has been coordinated with programs under title I of the Workforce Innovation and Opportunity Act 29 U.S.C. 3111 et seq., and other relevant employment, child care, transportation, training, education, and financial empowerment programs in the area. Implementation will continue to be coordinated, in order to avoid duplication of services and activities.

B. Program Coordinating Committee

The principal vehicle for ensuring ongoing coordination of services is the Program Coordinating Committee (PCC), which has been established in accordance with FSS regulations to assist in securing commitments of public and private resources for the operation of the FSS Program. Among other responsibilities, the PCC will help the FSS program to identify and build strong referral relationships with providers of supportive services that meet the needs of FSS participants.

The PCC will meet quarterly and may conduct business on an as-needed basis via email or telephone conferences. The PCC includes the following representatives:

1. One or more FSS Program Coordinators
2. One or more participants from each HUD rental assistance program served by the FSS program.
3. Representatives from a variety of agencies and individuals, which include but are not limited to the following:

Five Star Bank	Department of Social Services
WNY Child Resource Network	Niagara Frontier Transportation Authority
United Way 2-1-1	Niagara Worksource One
Buffalo Employment and Training Center	Best Self

XV. Portability

A. Portability in initial 12 months

While Belmont is not required to allow FSS participants to exercise portability within the initial 12 months after signing a CoP, it is the policy of Belmont to allow for portability within this period to the extent feasible.

B. Moves into the PHA's jurisdiction

If an FSS participant moves into the PHA's jurisdiction, they will be admitted in good standing into Belmont's FSS program unless Belmont is already serving the number of FSS families identified in this FSS Action Plan and determines that it does not have the resources to manage the FSS contract.

Regardless of whether Belmont is able to receive an incoming family from another jurisdiction into the FSS program, Belmont will agree to allow and support porting families to remain in their initial PHA's FSS program after porting housing vouchers if the initial PHA requests that the family remain in the initial FSS program and can demonstrate the family is able to fulfill its responsibilities under the initial CoP, the move in jurisdictions notwithstanding.

C. FSS termination with disbursement for porting families

If an FSS family seeks to move to a jurisdiction that does not offer an FSS program, Belmont will closely examine the family's progress to determine if it would be appropriate to exercise FSS Termination with Disbursement as discussed above in the section on Termination.

Where continued FSS participation is not possible, Belmont will discuss the options that may be available to the family, depending on the family's specific circumstances, which may include, but are not limited to, modification of the FSS contract, termination of the FSS contract and forfeiture of escrow, termination with FSS escrow disbursement in accordance with 24 CFR § 984.303(k)(1)(iii), or locating a receiving PHA that has the capacity to enroll the family into its FSS program.

XVI. Other Policies

Policy	Where Addressed in Plan
(i) Policies related to the modification of goals in the ITSP;	Section IX Contract of Participation
(ii) The circumstances in which an extension of the Contract of Participation may be granted	Section IX: Contract of Participation
(iii) Policies on the interim disbursement of escrow, including limitations on the use of the funds (if any)	Section VI: FSS Escrow Account and Other Incentives for Participants

(vii) Policies on documentation of the household's designation of the "Head of FSS Household;	Section IV. Family Selection Procedures
(viii) Policies for providing an FSS selection preference for porting families (if the PHA elects to offer such a preference)	Section IV: Family Selection Procedures

XVII. Definitions

The definitions below are specified in CFR 24 984.103. The terms 1937 Act, Fair Market Rent, Head of Household, HUD, Public Housing, Public Housing Agency (PHA), Secretary, and Section 8, as used in this part, are defined in 24 CFR Part 5.

Certification means a written assertion based on supporting evidence, provided by the FSS family or Belmont, as may be required under this part, and which:

- (1) Shall be maintained by Belmont in the case of the family's certification, or by HUD in the case of the PHA's or owner's certification;
- (2) Shall be made available for inspection by HUD, Belmont, and the public, as appropriate; and,
- (3) Shall be deemed to be accurate for purposes of this part, unless the Secretary or Belmont, as applicable, determines otherwise after inspecting the evidence and providing due notice and opportunity for comment.

Contract of Participation (CoP) means - a contract, in a form with contents approved by HUD, entered into between an FSS family and Belmont, operating an FSS Program that sets forth the terms and conditions governing participation in the FSS Program. The CoP includes all Individual Training and Services Plans (ITSPs) entered into between Belmont and all members of the family who will participate in the FSS Program, and which plans are attached to the CoP as exhibits. For additional detail, see § 984.303.

Effective date of Contract of Participation (CoP) - means the first day of the month following the date in which the FSS family and the PHA entered into the CoP.

Eligible families means current residents of Public Housing (Section 9) and current Section 8 program participants, as defined in this section, including those participating in other local self-sufficiency programs.

Enrollment means the date that the FSS family entered into the CoP with Belmont.

Family Self-Sufficiency (FSS) Program means the program established by a PHA within its jurisdiction or by an owner to promote self-sufficiency among participating families, including the coordination of supportive services to these families, as authorized by section 23 of the 1937 Act.

FSS escrow account (or, escrow) means the FSS escrow account authorized by section 23 of the 1937 Act, and as provided by § 984.305.

FSS escrow credit means the amount credited by Belmont to the FSS family's FSS escrow account.

FSS family means a family that resides in Public Housing (Section 9) or receives Section 8 assistance or receives HUD Project-Based Rental Assistance for a privately owned property, and that elects to participate in the FSS Program, and whose designated adult member (head of FSS family), as determined in accordance with § 984.303(a), has signed the CoP.

FSS family in good standing means, for purposes of this part, an FSS family that is in compliance with their FSS CoP; has either satisfied or are current on any debts owed Belmont; and is in compliance with the regulations regarding participation in the relevant rental assistance program.

FSS related service program means any program, publicly or privately sponsored, that offers the kinds of supportive services described in the definition of "supportive services" set forth in this § 984.103.

FSS slots - refers to the total number of families (as determined in the Action Plan and, for mandatory programs, in § 984.105 of this part) that the PHA will serve in its FSS Program.

FSS Program Coordinator means the person(s) who runs the FSS program. This may include (but is not limited to) performing outreach, recruitment, and retention of FSS participants; goal setting and case management/coaching of FSS participants; working with the community and service partners; and tracking program performance.

FY means Federal Fiscal Year (starting October 1 and ending September 30, and year designated by the calendar year in which it ends).

Head of FSS family means the designated adult family member of the FSS family who has signed the CoP. The head of FSS family may, but is not required to be, the head of the household for purposes of determining income eligibility and rent.

Individual Training and Services Plan (ITSP) means a written plan that is prepared by the *[organization]* in consultation with a participating FSS family member (the person with, for, and whom the ITSP is being developed), and which sets forth:

- (1) The final and interim goals for the participating FSS family member;
- (2) The supportive services to be provided to the participating FSS family members;
- (3) The activities to be completed by that family member; and,
- (4) The agreed upon completion dates for the goals and activities.

Each ITSP must be signed by Belmont and the participating FSS family member, and is attached to, and incorporated as part of the CoP. An ITSP must be prepared for each adult family member who elects to participate in the FSS Program, including the head of FSS family who has signed the CoP.

Owner means the owner of multifamily assisted housing.

Self-sufficiency means that an FSS family is no longer receiving Section 8, Public Housing assistance, or any Federal, State, or local rent or homeownership subsidies or welfare assistance. Achievement of self-sufficiency, although an FSS program objective, is not a condition for receipt of the FSS escrow account funds.

Supportive services mean those appropriate services that Belmont will coordinate on behalf of an FSS family under a CoP, which may include, but are not limited to:

- (1) *Childcare*—childcare (on an as-needed or ongoing basis) of a type that provides sufficient hours of operation and serves an appropriate range of ages;
- (2) *Transportation*—transportation necessary to enable a participating FSS family member to receive available services, or to commute to their place(s) of employment;
- (3) *Education*—remedial education; education for completion of high school or attainment of a high school equivalency certificate; education in pursuit of a post-secondary degree or certificate;
- (4) *Employment Supports*—job training, preparation, and counseling; job development and placement; and follow-up assistance after job placement and completion of the CoP;
- (5) *Personal welfare*—substance/alcohol abuse treatment and counseling, and health, dental, mental health and health insurance services;
- (6) *Household management*—training in household management;
- (7) *Homeownership and housing counseling*—homeownership education and assistance and housing counseling;

(8) *Financial Empowerment*—training in financial literacy, such as financial coaching, training in financial management, asset building, and money management, including engaging in mainstream banking, reviewing and improving credit scores, etc.;

(9) *Other services*—any other services and resources, including case management, optional services, and specialized services for individuals with disabilities, that are determined to be appropriate in assisting FSS families to achieve economic independence and self-sufficiency. Reasonable accommodations and modifications must be made for individuals with disabilities consistent with HUD requirements, including HUD’s legal obligation to make reasonable modifications under Section 504 of the Rehabilitation Act.

Welfare assistance means (for purposes of the FSS program only) income assistance from Federal, (i.e. Temporary Assistance for Needy Families (TANF) or subsequent program) State, or local welfare programs and includes only cash maintenance payments designed to meet a family’s ongoing basic needs. Welfare assistance does not include:

- (1) Nonrecurrent, short-term benefits that:
 - (i) Are designed to deal with a specific crisis or episode of need;
 - (ii) Are not intended to meet recurrent or ongoing needs; and,
 - (iii) Will not extend beyond four months.
- (2) Work subsidies (i.e., payments to employers or third parties to help cover the costs of employee wages, benefits, supervision, and training);
- (3) Supportive services such as childcare and transportation provided to families who are employed;
- (4) Refundable earned income tax credits;
- (5) Contributions to, and distributions from, Individual Development Accounts under Temporary Assistance for Needy Families (TANF);
- (6) Services such as counseling, case management, peer support, childcare information and referral, financial empowerment, transitional services, job retention, job advancement, and other employment-related services that do not provide basic income support;

- (9) Supplemental Nutrition Assistance Program and emergency rental and utilities assistance;
- (10) Supplemental Security Income, Social Security Disability Income, or Social Security; and
- (11) Child-only or non-needy TANF grants made to or on behalf of a dependent child solely on the basis of the child’s need and not on the need of the child’s current non-parental caretaker.

HOTMA 102/104 Appendix to the Administrative Plan

Purpose of the Appendix

HUD published a final rule on February 14, 2023, revising regulations related to income, assets, adjusted income, verification, and reexams (among others) to implement Sections 102 and 104 of HOTMA. While the new regulations were effective January 1, 2024, HUD has delayed the compliance date for HOTMA 102/104. Initially, HUD published a delayed compliance date of January 1, 2025, but HUD again delayed the compliance date for HOTMA 102/104 and no new date has been provided. *Compliance* with Sections 102 and 104 of HOTMA means not only applying HOTMA 102/104 regulations to affected programs but also reporting in HUD's new Housing Information Portal (HIP) system. Currently, PHAs remain unable to comply with HOTMA 102/104 because compliance depends on transitioning from HUD's IMS/PIC system (which is unable to accept HOTMA-compliant Form HUD-50058) to HUD's new HIP system (which will be the only system that accepts HOTMA-compliant Form HUD-50058). PHAs cannot transition to HOTMA until HIP is in place, HOTMA-compliant, and accessible. However, HUD has determined that a few HOTMA 102/104 policies are not dependent on transition systems and easily isolated from other HOTMA 102/104 policy changes. These policies may be implemented prior to the migration to HIP.

HUD stated that PHAs may update their policy documents before determining the date at which they will transition to all HOTMA Section 102 and 104 policies. HUD stated that in order to update their policy documents for HOTMA in this circumstance, PHAs may create an appendix that contains the HOTMA policies that will be incorporated at a later date. The model policy adopts such an approach. HOTMA 102/104 policies are provided in each affected area of the model policy. However, with the exception of the policies HUD has indicated may be adopted early, HOTMA policies that are "on hold" are indicated in the model policy as such. Further, an appendix has been provided to explicitly call out those policies that are on hold.
